Item 9. Regulation FD Disclosure

The Estee Lauder Companies Inc. has signed an agreement to acquire the Paris-based Darphin group of companies that develops, manufactures and markets the "Darphin" brand of skin care products. The transaction is subject to certain significant conditions, including potential review by French competition authorities, and is not expected to be completed until later in the fiscal year.

The Darphin group was founded in 1958 by renowned dermatological specialist Pierre Darphin. Currently the group is owned and managed by Andre Benet and his family. Under terms of the agreement, Mr. Benet will continue to direct Darphin's creative activities, its manufacturing and the sale of Darphin products in Europe and through its distributors.

Darphin products are sold to consumers at high-end independent pharmacies, primarily in Europe, and at specialty stores in over 50 countries around the world.
