(k) the assets, if any, that are listed on Schedule 2.1(k);

(l) all accounts receivable of Seller; and

(m) all goodwill of the Business associated with the foregoing enumerated Transferred Assets.

Section 2.2 Excluded Assets.

Notwithstanding anything herein to the contrary, from and after Closing, Seller will retain all of its existing right, title and interest in and to, and there will be excluded from the sale, conveyance, assignment or transfer to Acquisition Sub hereunder, and the Transferred Assets will not include, all assets of Seller and Seller Subsidiary that are not Transferred Assets, including, without limitation, the following, in each case as the same exists on the Closing Date (collectively, the "Excluded Assets"):

Section 2.3 Inability to Assign Assumed Contracts.

(a) Notwithstanding anything to the contrary contained in this Agreement or in any Closing Document, to the extent that the assignment or attempted assignment to Acquisition Sub of any Assumed Contract, or any Claim, right or benefit arising thereunder or resulting therefrom, is prohibited by any Law, or would require any consent, approval, waiver, authorization or novation by a Governmental Entity or a Person and such consent, approval, waiver, authorization or novation has not been obtained prior to Closing and in a form reasonably acceptable to Acquisition Sub, or with respect to which any attempted assignment would be ineffective or would materially adversely affect the rights of Seller or Acquisition Sub thereunder, then this Agreement will not constitute an assignment or attempted assignment thereof, and the same will not be assigned at Closing.

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

(b) Both prior and subsequent to Closing, the parties will use commercially reasonable efforts, and cooperate with each other, to obtain promptly all consents, approvals, waivers, authorizations or novations, including all Approvals, for the Assumed Contracts on terms reasonably acceptable to Buyer and Acquisition Sub. Seller will bear and pay the cost of all filing, recordation and similar fees and Taxes incurred after the date hereof but prior to the Closing and payable to Governmental Entities in connection with assignment of the Assumed Contracts, and any additional fees or charges (howsoever denominated) incurred prior to the Closing required by any Persons in connection with the assignment of any Assumed Contract or obtaining any consent, approval, waiver, authorization or novation, including any Approval. Acquisition Sub shall be liable for any such additional fees or charges incurred after the Closing, provided that the decision to incur such fees or charges was made by Sean Aruda or Ali Bigdeliazari. Notwithstanding anything to the contrary contained in this Agreement or in any Closing Document, Seller shall not be deemed to have breached any covenant if it fails to procure any consent to assignment of any Assumed Contract other than those Assumed Contracts described in Section 7.2(k).

(c) Seller will pay to Acquisition Sub, when received, all income, proceeds and other monies received by Seller from third parties to the extent related to Acquisition Sub's intended rights under any Assumed Contract, as contemplated by this Section 2.3(c). Once any such consent, approval, waiver, authorization or novation is obtained or made in a form acceptable to Acquisition Sub in its sole discretion, Seller will assign such Assumed Contract to Acquisition Sub at no additional cost. Any expenses incurred by Seller, and any reasonable expenses incurred by Acquisition Sub, in connection with the arrangements contemplated by this Section 2.3(c) will be borne by Seller.

(d) The provisions of this Section 2.3 shall not affect the right of Buyer and Acquisition Sub to elect not to consummate the Transaction contemplated by this Agreement if the conditions to its obligations hereunder contained in Article VII hereof have not been otherwise fulfilled.

Section 2.4 Excluded Liabilities.

It is expressly understood and agreed that neither Buyer nor Acquisition Sub (nor any of their Affiliates) will assume, nor will any of them be liable for, any Liability of Seller, any Seller Subsidiary, any Affiliate of Seller or the Business, of any kind or nature, at any time existing or asserted, howsoever arising, whether or not accrued, whether fixed, contingent or otherwise, whether known or unknown, liquidated or unliquidated, due or to become due, and whether or not recorded on the Books and Records of any Person, unless such Liability is expressly within the definition of Assumed Liabilities under Section 2.5. All Liabilities that are not expressly within the definition of Assumed Liabilities under Section 2.5 are referred to collectively as the "Excluded Liabilities."

Section 2.5 Assumption of Certain Liabilities.

It is expressly understood and agreed that, on the terms and subject to the conditions set forth herein, Acquisition Sub, severally, will assume and agree to satisfy and discharge or perform when due only the following Liabilities of Seller, at any time existing or asserted, howsoever arising, whether or not accrued, whether fixed, contingent or otherwise, whether known or unknown, liquidated or unliquidated, due or to become due, and whether or not recorded on the Books and Records of any Person (but no others Liabilities) (collectively, the "Assumed Liabilities"):

(a) all Liabilities and obligations for future performance arising under the Assumed Contracts to the extent that the rights and benefits of Seller thereunder are after the Closing Date, subject to Section 2.3(c) hereof, effectively transferred or assigned to Acquisition Sub, or novated for the benefit of Acquisition Sub;

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

(b) all Liabilities that arise out of or relate to the Transferred Assets (other than the Assumed Contracts and Governmental Authorizations) to the extent such Liabilities are attributable to occurrences and circumstances arising following Closing;

(c) all Liabilities identified on the Final Balance Sheet (including any pre-Closing warranty liability for Products), but only up to the amount of Liabilities set forth on the Final Balance Sheet (and, with respect to warranty liability for Products, only up to the amount of the warranty reserve set forth therein).

Section 2.6 Purchase Price.

(a) On the terms and subject to the conditions set forth in this Agreement, the purchase price for the Transferred Assets is eight million two hundred fifty thousand dollars (\$8,250,000) (the "Purchase Price"). The Purchase Price shall consist of (i) six million six hundred twenty-five thousand dollars (\$6,625,000) to be paid at Closing (the "Closing Consideration") and (ii) one million six hundred twenty-five thousand dollars (\$1,625,000), in each case as adjusted in accordance with the terms of this Agreement, to be paid, if at all, no later than March 31, 2005 (the "Earn Out Consideration").

(b) The Closing Consideration shall be subject to the following adjustments, which, as applied, shall yield the amount of the Closing Consideration to be paid to Seller at Closing:

(i) the amount of the Closing Consideration shall be reduced by the aggregate amounts of the outstanding current debt and long-term debt of Seller owed to Comerica Bank and Comdisco, as reflected in each lender's payoff letter (in form and substance mutually satisfactory to Buyer and Seller) and those holders of the Company's notes listed on Schedule 3.24, provided that Buyer shall repay all such amounts owed to Comerica Bank, Comdisco and the parties listed on Schedule 3.24 at the Closing;

(ii) the amount of the Closing Consideration shall be reduced by the aggregate amount of the accounts payable of Seller more than forty (40) days past due as of the Closing Date, as well as the aggregate amount of any accounts payable of Seller incurred outside the Ordinary Course, including accounts payable due to expenses (including legal and accounting fees and expenses) associated with the Transaction (including the negotiation and execution of this Agreement), all as set forth on Schedule 2.6(b)(ii); and

(iii) subject to later adjustment in accordance with Section 2.6 (e) of this Agreement, the amount of the Closing Consideration shall be increased by the amount, if any, by which the value of the Net Assets of Seller, as reflected on the Provisional Balance Sheet (the "Provisional Net Asset Value"), is more than nine hundred sixty-nine thousand five hundred dollars (\$969,500), provided, however, that no such increase shall be made to the amount of the Closing Consideration if the amount by which the Provisional Net Asset Value exceeds nine hundred sixty-nine thousand five hundred dollars (\$969,500) is less than fifty thousand dollars (\$50,000).

(c) On the terms and subject to the conditions set forth in this Agreement, at Closing, Buyer shall pay the Closing Consideration, as adjusted, as follows:

(i) by depositing with the Escrow Agent the amount of one

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

million five hundred thousand dollars (\$1,500,000) (the "Indemnity Escrow") for disposition as provided in the Escrow Agreement and in accordance with Section 8.3 of this Agreement;

(ii) by increasing the Indemnity Escrow by the amount, if any, by which the value of the Provisional Net Asset Value is less than nine hundred sixty-nine thousand five hundred dollars (\$969,500) (the "Net Asset Value Holdback") for disposition as provided for by Section 2.6(e) of this Agreement, provided, however, that no such retention shall be made if the Net Asset Value Holdback is less than fifty thousand dollars (\$50,000); and

(iii) by wire transfers of immediately available funds in the aggregate amount of the balance of the Closing Consideration, as adjusted, to the accounts designated in writing by Seller at least two (2) business days prior to Closing.

(d) On or before March 31, 2005, Buyer shall pay to Seller the Earn Out Consideration if, and only if, all of the conditions below (the "Earn Out Conditions") are satisfied on or before March 31, 2005:

(i) during the period beginning on the Closing Date, and ending on December 31, 2004, the Business, on a stand alone basis as operated by Acquisition Sub in accordance with the Business Plan, shall have total gross revenue exceeding ten million dollars (\$10,000,000);

(ii) during the period beginning on the Closing Date and ending on December 31, 2004, the gross margin, determined in accordance with GAAP, of the Business, on a stand alone basis as operated by Acquisition Sub in accordance with the Business Plan, shall be at least sixty-two percent (62%); and

(iii) the Business, on a stand alone basis as operated by Acquisition Sub in accordance with the Business Plan, shall achieve a Net Operating Profit in each of the following periods: (A) Closing Date to March 31, 2004; (B) April 1, 2004 to June 30 2004; (C) July 1, 2004 to September 30, 2004; and (D) October 1, 2004 to December 31, 2004.

Within two (2) business days of the date on which Buyer determines whether the Earn Out Conditions are satisfied, which shall in no event be later than March 31, 2005, but which, for the avoidance of doubt and by way of example, could be as early as April 1, 2004 if the condition contained in Section 2.6(d)(iii)(A) fails, Buyer shall provide Seller with a notice of such determination in accordance with Section 10.1 of this Agreement, which notice shall provide reasonable detail for any determination that any of Earn Out Conditions have not been met. If Buyer determines that one or more of the Earn Out Conditions have not been satisfied, Seller shall have the right to audit such Books and Records of Acquisition Sub and the Business, as maintained by Acquisition Sub during the relevant period or periods, to verify the accuracy of Buyer's determination. Such audit rights shall be subject to reasonable time, place and manner restrictions imposed by Buyer.

If Seller delivers a written notice (the "Disputed Earn Out Notice") to Buyer, stating that Seller objects to Buyer's determination that the Earn Out Conditions have not been satisfied and explaining in reasonable detail the basis for such objection, Seller and Buyer will attempt to resolve and finally determine and agree upon whether the Earn Out Conditions have been satisfied. If Buyer and Seller are unable to agree upon whether the Earn Out Conditions have been satisfied within 30 days after deliver of the Disputed Earn Out Notice,

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

they will select an independent, nationally recognized accounting firm to make a determination as to whether the Earn Out Conditions have been satisfied, which accounting firm must be reasonably acceptable to Seller and Buyer. The determination of the accounting firm so selected will be made within 60 days after such selection and will be final and binding on the parties. The fees, costs and expenses of the accounting firm so selected will be borne by the party the position of which did not prevail in such determination.

Buyer shall pay the Earn Out Consideration to Seller upon the breach by Buyer or Acquisition Sub of the covenant set forth in Section 5.21 hereof. If Seller believes that Buyer or Acquisition Sub is in breach of the covenant set forth in Section 5.21 hereof, then Seller shall deliver a written notice (the "Business Plan Breach Notice") to Buyer, setting forth Seller's belief that such breach has occurred and stating in reasonable detail Seller's basis for alleging that such a breach has occurred or is occurring. Buyer or Acquisition Sub shall have ten (10) business days from Buyer's receipt of a Business Plan Breach Notice to attempt to cure the alleged breach described in the Business Plan Breach Notice, and in no event shall the Earn Out Consideration be paid to Seller on account of the alleged breach described in the Business Plan Breach Notice until Buyer or Acquisition Sub has had ten (10) business days from Buyer's receipt of the Business Plan Breach Notice to attempt to cure such alleged breach.

Buyer shall pay a portion of the Earn Out Consideration, as determined below, to Seller immediately upon the occurrence of a Change of Control. The portion of the Earn Out Consideration to be paid, if at all, pursuant to the preceding sentence shall be determined as follows: (a) if the Change of Control occurs on or before March 31, 2004, no Earn Out Consideration shall be paid by virtue of the Change of Control; (b) if the Change of Control occurs after March 31, 2004 but on or before June 30, 2004, that portion of the Earn Out Consideration equal to ratio of the total gross revenue of the Business (calculated as required in Section 2.6(d)(i)) from the period from Closing to March 31, 2004 to \$10,000,000 shall be paid by virtue of the Change of Control, provided that each of the Earn Out Conditions is satisfied at such time, where the measuring periods in Section 2.6(d)(i) and Section 2.6(d)(ii) are reduced to the period from Closing to March 31, 2004 and the total gross revenue target in Section 2.6(d)(i) is reduced to two million one hundred thousand dollars (\$2,100,000) and the condition in Section 2.6(d)(iii) is measured only for the period described in clause (A) thereof; (c) if the Change of Control occurs after June 30, 2004 but on or before September 30, 2004, that portion of the Earn Out Consideration equal to the ratio of the total gross revenue of the Business (calculated as required in Section 2.6(d)(i)) from the period from Closing to June 30, 2004 to \$10,000,000 shall be paid by virtue of the Change of Control, provided that each of the Earn Out Conditions is satisfied at such time, where the measuring periods in Section 2.6(d)(i) and Section 2.6(d)(ii) are reduced to the period from Closing to June 30, 2004 and the total gross revenue target in Section 2.6(d)(i) is reduced to four million four hundred thousand dollars (\$4,400,000) and the condition in Section 2.6(d)(iii) is measured only for the periods described clauses (A) and (B) thereof; or (d) if the Change of Control occurs after September 30, 2004 but on or before December 31, 2004, that portion of the Earn Out Consideration equal to the ratio of the total gross revenue of the Business (calculated as required in Section 2.6(d)(i)) from the period from Closing to September 30, 2004 to \$10,000,000 shall be paid by virtue of the Change of Control, provided that each of the Earn Out Conditions is satisfied at such time, where the measuring periods in Section 2.6(d)(i) and Section 2.6(d)(ii) are reduced to the period from Closing to September 30, 2004 and the total gross revenue target in Section 2.6(d)(i) is reduced to seven million dollars (\$7,000,000) and the condition in Section 2.6(d)(iii) is measured only for the periods described in clauses (A), (B) and (C) thereof. In addition, the payment to Seller of none or a portion of the Earn Out Consideration, as described in the preceding sentence, shall not impair Seller's ability to obtain the balance of the Earn Out Consideration upon the

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

fulfillment by Seller of the Earn Out Conditions in accordance with, and as set forth in, Section 2.6(d) hereof, and Buyer shall cause the acquiring or surviving entity in the Change of Control to assume Buyer's rights and obligations hereto.

If Buyer is required to pay any portion of the Earn Out Consideration, Buyer shall pay such Earn Out Consideration in cash promptly (and in any event within two business days of the satisfaction of the Earn Out Conditions) by wire transfer of immediately available funds to an account designated in writing by Seller.

If any portion of the Earn Out Consideration is not paid in full when due, then the unpaid amount of such Earn Out Consideration shall bear interest at a rate of eleven and one half percent (11.5%) per annum until paid in full. Interest shall be payable monthly in arrears as of the last day of each month. Notwithstanding any term herein to the contrary, the interest rate on the Earn Out Consideration shall not exceed the maximum rate permitted by law.

The amount of the Earn Out Consideration shall be increased by the net amount, if any, by which the amount of the Closing Consideration was decreased pursuant to Sections 2.6(c)(ii) and 2.6(e) of this Agreement.

The amount of the Earn Out Consideration shall be decreased by the net amount, if any, by which the amount of the Closing Consideration was increased pursuant to Sections 2.6(b)(iii) and 2.6(e) of this Agreement.

If the Earn Out Conditions are not satisfied on or before March 31, 2005, then Seller shall no longer have any right to receive the Earn Out Consideration, and Buyer shall be forever relieved of any obligation to pay the Earn Out Consideration to Seller. Notwithstanding the foregoing, at any time after Closing, Buyer may, in its sole discretion, pay the Earn Out Consideration to Seller, irrespective of whether the Earn Out Conditions are satisfied.

(e) Within thirty (30) days of the Closing, the final value of the Net Assets of the Business shall be determined by reference to the Final Balance Sheet (the "Final Net Asset Value"). For the purpose of calculating the Final Net Asset Value, the aggregate outstanding current debt and long-term debt of Seller owed to Comerica Bank, Comdisco and the parties listed on Schedule 3.24, as reflected in each lender's payoff letter (in form and substance mutually satisfactory to Buyer and Seller), shall be deemed by the parties to be included in and to be a part of the Final Balance Sheet. Once the Final Net Asset Value has been determined, the following adjustments shall be made, as applicable:

(i) If the Final Net Asset Value is less than nine hundred sixty-nine thousand five hundred dollars (\$969,500) and:

(A) the Indemnity Escrow was increased pursuant to Section 2.6(c)(ii) by an amount equal to the Net Asset Value Holdback, and the amount by which the Final Net Asset Value is less than nine hundred sixty-nine thousand five hundred dollars (\$969,500) (the "Final Net Asset Value Holdback") is greater than the Net Asset Value Holdback, then Buyer shall be entitled to claim and receive from the Indemnity Escrow an amount equal to the Final Net Asset Value Holdback; or

(B) the Indemnity Escrow was increased pursuant to Section 2.6(c)(ii) by an amount equal to the Net Asset Value Holdback, and the Final Net Asset Value Holdback is less than the Net Asset Value Holdback, then (1) Buyer shall be entitled to claim and receive from the Indemnity

Escrow an amount equal to the Final Net Asset Value Holdback and (2) Seller shall be entitled to claim and receive from the Indemnity Escrow an amount equal to the difference between the Net Asset Value Holdback and the Final Net Asset Value Holdback; or

(C) the amount of the Closing Consideration was not increased pursuant to Section 2.6 (b) (iii) of this Agreement, then Buyer shall be entitled to claim and receive from the Indemnity Escrow the amount equal to the Final Net Asset Value Holdback; or

(D) the amount of the Closing Consideration was increased pursuant to Section 2.6(b) (iii) of this Agreement, then Buyer shall be entitled to claim and receive from the Indemnity Escrow an amount equal to the sum of (1) the Final Net Asset Value Holdback and (2) the amount by which the Closing Consideration was increased pursuant to Section 2.6(b) (iii) of this Agreement.

(ii) If the Final Net Asset Value is exactly nine hundred sixty-nine thousand five hundred dollars (\$969,500), and:

(A) the Indemnity Escrow was increased pursuant to Section 2.6(c) (ii) by an amount equal to the Net Asset Value Holdback, then Seller shall be entitled to claim and receive from the Indemnity Escrow an amount equal to the Net Asset Value Holdback; or

(B) the amount of the Closing Consideration was increased pursuant to Section 2.6(b) (iii) of this Agreement, then Buyer shall be entitled to claim and receive from the Indemnity Escrow the amount by which the Closing Consideration was increased pursuant to Section 2.6(b) (iii) of this Agreement.

(iii) If the Final Net Asset Value is greater than nine hundred sixty-nine thousand five hundred dollars (\$969,500), and:

(A) the Indemnity Escrow was increased pursuant to Section 2.6 (c) (ii) by an amount equal to the Net Asset Value Holdback, then Seller shall be entitled to claim and receive from the Indemnity Escrow an amount equal to (1) the amount of the Net Asset Value Holdback and (2) Buyer shall pay to Seller the amount by which the Final Net Asset Value is greater than nine hundred sixty-nine thousand five hundred dollars (\$969,500); or

(B) Buyer did not increase the Indemnity Escrow pursuant to Section 2.6(c) (ii) of this Agreement by an amount equal to the Net Asset Value Holdback and the amount of the Closing Consideration was not increased pursuant to Section 2.6(b) (iii) of this Agreement, then Buyer shall pay to Seller the amount by which the Final Net Asset Value is greater than nine hundred sixty-nine thousand five hundred dollars (\$969,500); or

(C) the amount of the Closing Consideration was increased pursuant to Section 2.6(b) (iii) of this Agreement, then such amount shall be increased, by Buyer paying an appropriate amount to Seller, or decreased, by Buyer claiming and receiving an appropriate amount from the

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

Indemnity Escrow, as necessary, so that such amount equals the amount of the Final Net Asset Value.

(iv) Notwithstanding anything in this Agreement to the contrary, no adjustment shall be made pursuant to Section 2.6(e) of this Agreement if the amount of such adjustment is less than fifty thousand dollars (\$50,000).

An example of the various adjustments contemplated by Sections 2.6(b), (c) and (e) of this Agreement is attached hereto as Illustration A ("Illustration A"). Illustration A is attached for illustrative purposes only, and it is not intended by the parties to be of any binding effect whatsoever.

each Closing Document, and the consummation of the Transaction, do not and will not: (a) violate any provision of the certificate of incorporation, bylaws or other organizational documents of Seller; (b) assuming the receipt or making of all Approvals, conflict with, or result in the breach of, or constitute a default under, or result in the termination, cancellation or acceleration (whether after the filing of notice or the lapse of time or both) of any right or obligation of Seller under, or a loss of any benefit to which Seller is entitled under, any Assumed Contract or any contract to which Seller is a party, or result in the creation of any Encumbrance (other than a Permitted Encumbrance) upon any of the Transferred Assets; or (c) assuming the receipt or making of all Approvals, violate or result in a breach of or constitute a default under any Law, judgment, injunction, order, decree or other restriction of any Governmental Entity to which Seller is subject, except, with respect to clauses (b) and (c), any event that would not have a Material Adverse Effect.

Section 3.5 Binding Effect.

If Receiving Party or its Affiliates, or any of their respective employees, officers, directors or advisors become legally compelled to disclose any Confidential Information, Receiving Party shall provide Disclosing Party with prompt written notice of such requirement so that Disclosing Party may seek a protective order or other remedy or waive compliance with this Section 5.6. The confidentiality and restrictive use obligations under this Section 5.6 shall not apply to information which is independently developed by Receiving Party or its Affiliates after Closing without the use or benefit of any information that would otherwise be Confidential Information as shown by records maintained in the ordinary course of the developing party's business, or to any information that, at the time of disclosure, is or subsequently becomes available publicly; provided, however, that such information was not disclosed in breach of this Agreement by Receiving Party, Receiving Party's Affiliates or their respective employees, officers, directors or advisors.

Any information obtained under this Section 5.9(b) will be kept confidential as contemplated by Section 5.6, except as may be otherwise necessary in connection with the filing of Tax Returns or Claims for refund or in conducting an audit or other proceeding related to the payment of Taxes.

(c) If in order to prepare properly documents required to be filed with Governmental Entities or its financial statements, it is necessary that either Buyer or Seller be furnished with additional information relating to the Transferred Assets or the Assumed Liabilities and such information is in the possession of the other party, such other party will use its reasonable efforts to furnish such information in a timely manner to the party reasonably requiring such information, at the cost and expense of the party requiring such information.

(d) With respect to all Hired Employees, Seller will cause to be issued IRS Form W-2s for that portion of calendar year 2003 ending on the Closing Date during which time the Hired Employees were employees of Seller. If any such Governmental Entity determines that the restrictive covenant contained in this Section 5.11, or any part thereof, is unenforceable because of the duration or scope of such covenant, such Governmental Entity will have the power to reduce such duration or scope and, in its reduced form, such covenant will then be enforceable and will be given full force and effect.

(d) Seller, for itself and as sole stockholder of the Seller Subsidiary, acknowledges and agrees that the provisions of this Section 5.11, as they apply to Seller and Seller Subsidiary, are reasonable and supported by adequate consideration, that Buyer would not have entered into this Agreement without having received the benefit of the provisions of this Section 5.11, and that any breach of the provisions of this Section 5.11 would result in substantial and irreparable harm to Buyer and its Affiliates and, therefore, that Buyer will be entitled to an injunction to prohibit any such breach or anticipated breach, without the necessity of posting a bond, cash or otherwise, in addition to all of their other legal and equitable remedies, including the remedies provided by Article VII.

However, the foregoing is not intended by the parties to expand, in any fashion, Buyer's or Acquisition Sub's liability for warranty-related Claims beyond such liability as is to be assumed pursuant to Section 2.5 of this Agreement.

Section 5.21 Business Plan.

(a) Following the Closing, Buyer and Acquisition Sub shall use commercially reasonable efforts to operate the Business during the period commencing on the Closing Date and continuing until December 31, 2004 in accordance with the Business Plan. Notwithstanding the foregoing, and subject to Section 2.6(d) of this Agreement, Buyer and Acquisition Sub shall have the right to terminate the Business Plan and operate the Business as they see fit following the failure of any of the Earn Out Conditions, which, for the avoidance of doubt, means that Buyer could have the right to terminate the Business Plan after March 31, 2004, June 30, 2004 and September 30, 2004 by virtue of a failure of the Earn Out Condition contained in Section 2.6(d)(iii) of this Agreement.

(b) In furtherance of the obligation of Buyer and Acquisition Sub to use their best efforts to operate the Business during the period commencing on the Closing Date and continuing until December 31, 2004 in accordance with the Business Plan, as set forth above in Section 5.21(a), as long as the possibility remains that all of the Earn Out Conditions can be satisfied, Buyer and Acquisition Sub shall:

Seller will also not take any action to prevent Buyer, Acquisition Sub or Buyer's Affiliates from offering employment or an independent contractor arrangement to any former employee of Seller.

(c) Following the Closing, Buyer or Acquisition Sub will employ the Hired Employees on substantially the same terms and conditions as such employees are employed by Seller immediately prior to the Closing (except for such employees that have entered into employment agreements with Buyer or Acquisition Sub to be effective as of the Closing); provided, that nothing herein shall be construed as a limitation of Buyer's or Acquisition Sub's right to make decisions as to the retention or termination of any of its employees after the Closing, including the Hired Employees, or Buyer's right to modify, amend or terminate, in its sole discretion and judgment, any such terms and conditions for its employees, including the Hired Employees. Notwithstanding the foregoing, neither Buyer nor Acquisition Sub shall, at any time prior to ninety-one (91) days after the Closing Date, effect a "plant closing" or "mass layoff", as those terms are defined in the Worker Adjustment and Retraining Notification Act of 1988, as amended (the "WARN Act"), or take any other act affecting in whole or in part any site of employment of Buyer which could result in any liability to Seller under the WARN Act or any other applicable foreign, federal, state or other law.

(d) The Plans will not be transferred to Buyer or Acquisition Sub pursuant to this Agreement. Instead, from and after the Closing through December 31, 2004, Buyer or Acquisition Sub shall provide to the Hired Employees who continue to be employed by Buyer or Acquisition Sub employee benefit plans, agreements, programs, policies and arrangements (the "Buyer Benefit Plans") that are substantially comparable in all material respects to the Plans in effect immediately prior to the Closing. For the purposes of any of Buyer Benefit Plans for which eligibility or vesting of benefits depends on length of service, and for any benefit for which the amount or level of benefits depends on length of service, Buyer or Acquisition Sub shall give (or cause to be given) to each Hired Employee full credit for past service with Seller as of and through the Closing Date under the Plans ("Prior Service"), except that no Hired Employee shall receive credit under any Section 401(k) plan of Buyer or Acquisition Sub for Prior Service. In addition, and without limiting the generality of the foregoing, each Hired Employee shall be given credit for Prior Service for purposes of eligibility to participate, satisfaction of any waiting periods, evidence of insurability requirements, or the application of any pre-existing condition limitations. However, nothing herein shall be construed as a limitation of Buyer's right to modify, amend or terminate, in its sole discretion and judgment, any such Buyer Benefit Plan.

(e) As soon as practicable after the Closing, Buyer shall permit the Hired Employees to make, if properly elected on a form acceptable to the plan administrator, eligible rollover contributions from Seller's 401(k) Plan to a Section 401(k) plan of Buyer or Acquisition Sub in which the Hired Employees are entitled to participate pursuant to Section 401(a)(31) of the Code (including any outstanding Participant Plan Loans). At or prior to the Closing, Seller shall provide to Buyer a copy of the Internal Revenue Service determination or opinion letter with respect to the current plan document for Seller's 401(k) Plan.

(f) The parties intend that Buyer, Acquisition Sub, or another member of

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

the "Buying Group" (as that term is defined in Treas. Reg. ss.54.4980B-9, Q&A 2) with respect to the transactions described in this Agreement, shall be responsible for providing "COBRA" continuation group health coverage pursuant to Section 4980B of the Code and Sections 601 through 608 of ERISA, and the regulations promulgated thereunder, to all individuals who are "M&A Qualified Beneficiaries" (as defined in Treas. Reg. ss.54.4980B-9, Q&A 4) with respect to the transactions described in this Agreement. In no event shall Seller, or any other member of the "Selling Group" (as that term is defined in Treas. Reg. ss.54.4980B-9, Q&A 2) be responsible for providing such "COBRA" continuation group health coverage. Notwithstanding the foregoing, to the extent, if any, that Buyer or Acquisition Sub incurs Liability in connection with providing "COBRA" continuation group health coverage relating to former Seller employees who were obtaining "COBRA" continuation group health coverage prior to the Closing, Buyer shall have the right to recover such Liability against the Indemnification Escrow, as Buyer Losses, in accordance with the provisions of Article VIII of this Agreement.

(g) Seller will be solely responsible for, and Buyer will not have any Liability with respect to: (i) all compensation and benefits agreements and arrangements that are not included among the Assumed Contracts; (ii) all obligations to employees or former employees of Seller (regardless of if they are Hired Employees), including any and all severance, retention, termination and other compensation or benefit payments (if any), damages and costs, and the applicable Taxes related thereto, which are or may become payable, under any Law, Employment Law or contract; (iii) all employee retirement, health, welfare or benefit plans and programs of Seller; and (iv) all obligations with respect to unemployment compensation and workers' compensation from Claims arising on or before the Closing Date out of the Claimant's employment by Seller.

(h) Except as set forth on Schedule 6.1(h) attached hereto, Seller and each Hired Employee shall terminate, effective as of the Closing Date, any employment agreements or arrangements of any sort between them that are in effect immediately prior to the Closing (and, in each case, shall take such further actions as are necessary to extinguish any rights thereunder that might otherwise survive the termination of the underlying employment agreement or arrangement).

Section 6.2 Enforcement of Rights.

At all times after Closing, upon request from Buyer, Seller will assign to Buyer its right to take all reasonable actions to enforce the provisions of any employment, independent contractor or other agreement to which Seller is a party to the extent that Buyer deems it necessary for the protection of Buyer's rights to the Transferred Intellectual Property or any other rights acquired by Buyer hereunder, including, Seller's rights under any non-competition, non-solicitation, non-disclosure, assignment of invention and similar agreements.

Section 6.3 Non-Solicitation

During the twenty-four (24) month period immediately following the Closing Date, without the prior written consent of Buyer, Seller will not, directly or indirectly, hire or otherwise use or solicit the services of any Person who then is, or who was during the then-preceding six (6) months, an employee of Buyer or any Seller Subsidiary and who was an employee of Seller or Seller Subsidiary thereof immediately prior to Closing.

ARTICLE VIII. INDEMNIFICATION

Section 8.1 Indemnification by Seller.

Subject to the further provisions of this Article VIII, Seller will indemnify, defend and hold harmless Buyer, Buyer's Affiliates, and their respective directors, officers, attorneys, accountants, agents and employees and their heirs, successors and assigns (collectively, the "Buyer Indemnified Parties"), from, against and in respect of all Losses imposed on, sustained, incurred or suffered by or asserted against any of the Buyer Indemnified Parties, directly or indirectly relating to or arising out of any of the following (collectively, "Buyer Losses"):

(a) any fact or circumstance that constitutes a breach of any representation or warranty of Seller contained herein;

(b) any act or omission that constitutes a breach of any covenant or agreement of Seller contained herein; or

(c) any Excluded Liability.

Section 8.2 Indemnification by Buyer.

Subject to the further provisions of this Article VIII, Buyer and Acquisition Sub, jointly and severally, will indemnify, defend and hold harmless Seller, Seller's Affiliates, and their respective directors, officers, attorneys, accountants, agents and employees, and their heirs, successors and

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

assigns (collectively, the "Seller Indemnified Parties"), from, against and in respect of any Losses imposed on, sustained, incurred or suffered by or asserted against any of the Seller Indemnified Parties, directly or indirectly relating to or arising out of any of the following (collectively, "Seller Losses"):

(a) any fact or circumstance that constitutes a breach of any representation or warranty of Buyer or Acquisition Sub contained herein; or

(b) any act or omission that constitute a breach of any covenant or agreement of Buyer or Acquisition Sub contained herein; or

(c) any Assumed Liability.

Section 8.3 Disposition of Indemnification Escrow.

Claims for indemnification by Buyer under this Article VIII shall be satisfied first from the Escrow Amount to the extent and in the manner contemplated by the Escrow Agreement. The escrow period shall terminate on March 31, 2005 (the "Escrow Period"), provided, however, that, in the event a Claim Notice has been delivered to the Escrow Agent and Seller prior to the termination of the Escrow Period in accordance with Section 8.4 and the Claims or Losses specified in such Claim Notice have not been resolved or satisfied, then that portion of the Indemnity Escrow necessary to satisfy such unresolved or unsatisfied Claims or Losses shall remain in the Escrow Fund until such Claims or Losses have been resolved.

Section 8.4 Indemnification Procedures.

(a) During the Escrow Period, the Buyer Indemnified Parties' Claims for indemnification under this Article VIII will be satisfied first out of the Indemnification Escrow, as provided by Section 8.3 of this Agreement. Once the Indemnification Escrow is exhausted, the Buyer Indemnified Parties may assert Claims for indemnification directly against Seller, subject to this Section 8.4.

(b) In the event that an Indemnified Party has a Claim for indemnification under this Article VIII, or an action, suit or legal proceeding for which an Indemnifying Party would be liable to an Indemnified Party hereunder is commenced against an Indemnified Party by a third party, the Indemnified Party will promptly (but in no event more than twenty (20) days following commencement of any such third party action, suit or other legal proceeding) notify the Indemnifying Party and the Escrow Agent (if the Escrow Agreement is then in effect) of such Claim and the amount or the estimated amount thereof to the extent then feasible (which estimate will not be conclusive of the final amount of such Claim) (the "Claim Notice"); provided, however, that no failure or delay by any Indemnified Party in giving any Claim Notice will relieve any Indemnifying Party from any obligation or liability under this Agreement, except to the extent that the Indemnifying Party is prejudiced by such failure or delay.

(c) The Indemnifying Party will have thirty (30) days from the effective date of the Claim Notice as determined under Section 10.1 of this Agreement (the "Notice Period") to notify the Indemnified Party (i) whether or not the Indemnifying Party disputes its liability to the Indemnified Party hereunder with respect to such Claim, and (ii) in the case of a litigated Claim, whether or not it desires to defend the Indemnified Party against such litigated Claim. All reasonable costs and expenses incurred by the Indemnifying Party in defending such litigated Claim and all reasonable costs and expenses of the Indemnified Party incurred prior to the Indemnifying Party assuming such defense will be a Liability of, and will be paid by, the Indemnifying Party.

(d) Except as provided in Section 8.4(e) of this Agreement, in the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against a litigated Claim, the Indemnifying Party will have the right so to defend the Indemnified Party by appropriate proceedings with counsel of the Indemnifying Party's choosing, and will have the sole power to direct and control such defense. If any Indemnified Party desires to participate in any such defense it may do so at its sole cost and expense.

(e) If the Indemnifying Party elects not to defend the Indemnified Party against a litigated Claim, whether by not giving the Indemnified Party timely notice as provided by Section 8.4(c) of this Agreement or otherwise, then the Indemnified Party will have the right so to defend the litigated Claim by appropriate proceedings with counsel of the Indemnified Party's choosing, and will have the sole power to direct and control such defense. The portion of such litigated Claim as to which the defense by the Indemnified Party is unsuccessful (and the reasonable costs and expenses pertaining to the defense of the entire litigated Claim) will be the Liability of the Indemnifying Party hereunder. The Indemnified Party will use commercially reasonable efforts in the defense of all such litigated Claims subject to the limitations contained in Section 8.4(f) of this Agreement.

(f) The Indemnified Party will not settle any Claim without the consent of the Indemnifying Party, which consent will not be unreasonably withheld; provided, however, that the Indemnifying Party will not settle, compromise or offer to settle or compromise any Claim on a basis that would result in the imposition of a consent order, injunction or decree that would restrict the future activity or conduct of the Indemnified Party or any Affiliate thereof without the consent of the Indemnified Party or any Affiliate thereof, which consent may be withheld for any reason.

(g) To the extent that the Indemnifying Party directs, controls or participates in the defense or settlement of any Litigated Claim, the Indemnified Party will give the Indemnifying Party and its counsel, during normal business hours, access to the relevant business records and other documents, and will permit them to consult with the employees and counsel of the Indemnified Party.

(h) All amounts paid by Seller or Buyer, as the case may be, under this Article VIII, and all payments to Buyer out of the Indemnification Escrow, will be treated as adjustments to the Purchase Price for Tax purposes.

(i) No claim for indemnification under this Article VIII shall be made more than two (2) years after the Closing Date. This provision shall not extinguish claims that are made within two (2) years of the Closing Date but that remain unresolved on or after the date that is two (2) years after the Closing Date.

Section 8.5 Indemnification Limitations.

(a) No Indemnifying Party shall have any Liability hereunder to indemnify the Indemnified Party for Buyer Losses or Seller Losses, as applicable, until the aggregate amount of Buyer Losses or Seller Losses, as applicable, exceed seventy-five thousand dollars (\$75,000) in which event the Indemnified Party shall be entitled to indemnification for all such Losses.

(b) The aggregate indemnification obligation of Seller or Buyer hereunder for Buyer Losses or Seller Losses, as applicable, shall not exceed the amount of the Closing Consideration, as adjusted.

Edgar Filing: PERFORMANCE TECHNOLOGIES INC \DE\ - Form 8-K/A

(c) Notwithstanding anything to the contrary contained herein, Seller shall not have any Liability hereunder (i) for Buyer Losses relating to any breach of the representations and warranties contained in Section 3.22 (Environmental Matters), except to the extent such Buyer Losses represent amounts actually incurred by Buyer for the performance of remedial action or the payment of any fine, penalty or damage award in each case ordered by Governmental Entity or in reasonable settlement of a claim of noncompliance with any Environmental Laws asserted by any Governmental Entity or other third party (and related out-of-pocket expenses), (ii) with respect to Buyer Losses arising out of the breach of any representation or warranty of Seller to the extent that Seller has made a corresponding reserve in accordance with GAAP on the Provisional Balance Sheet, , and (iii) with respect to consequential damages, special damages, incidental damages, indirect damages, lost profits, unrealized expectations or other similar items, nor shall any Buyer Losses be calculated using a "multiplier" or an similar method having a similar effect.

(d) In determining the foregoing thresholds and in otherwise determining the amount of any Losses for which an indemnified party is entitled to assert a claim for indemnification, the amount of any such Losses shall be determined after deducting therefrom the amount of any third party recoveries received by the indemnifying party in respect of such Losses. The amount of Losses shall also take into account third party recoveries by, the indemnifying party as a result of the matters giving rise to the Losses. If an indemnification payment is received by an indemnified party and such indemnified party later receives third party recoveries in respect of the related Losses, the indemnified party shall immediately repay to the indemnifying party a sum equal to the lesser of (x) the actual amount of third party recoveries and (y) the actual amount of the indemnification payment previously paid by the indemnifying party with respect to such Losses. Buyer shall use all reasonable efforts to obtain such recoveries from such third parties and, if requested by Seller, shall deliver evidence of such efforts.

(e) Absent fraud, the indemnification provided for in this Article VIII shall be the sole and exclusive remedy available to any party against any other party for any Claims or Losses.

Article IX.TERMINATION

Section 9.1 Termination.

This Agreement may be terminated at any time prior to Closing as follows:

(a) by mutual agreement of Buyer and Seller;

(b) by either Buyer or Seller if: (i) there is in effect any Law that prohibits or prevents Closing, (ii) if Closing would violate any order, decree or judgment of any Governmental Entity; or (iii) if any Governmental Entity issues any final, non-appealable order, decree, judgment or ruling or otherwise attempts to prohibit or prevent the Closing or to modify the material terms of the Transaction;

(c) by Seller if, as a result of any action or inaction by Buyer or its Affiliates, Closing has not occurred within thirty (30) days following the date on which all of the conditions to Closing set forth in Sections 7.1 and 7.2 have become capable of satisfaction (or have been waived);

(d) by Buyer if, as a result of any action or inaction by Seller or its Affiliates, Closing has not occurred within thirty (30) days following the date on which all of the conditions to Closing set forth in Sections 7.1 and 7.3 have become capable of satisfaction (or have been waived);

(e) by Buyer upon the occurrence of a Material Adverse Effect; and

(f) by either party, by giving written notice of such termination to the other party, if Closing has not occurred on or prior to January 16, 2004; provided, however, that such terminating party is not in material breach of any of its obligations under this Agreement; and

(g) by Seller, if Seller's board of directors concludes in good faith that it is necessary for such board to act in a manner consistent with its fiduciary duty to the stockholders of Seller under applicable law, provided that, Seller shall reimburse Buyer for its reasonable expenses incurred in connection with this Agreement (such reasonable expenses not to exceed three hundred fifty thousand dollars (\$350,000) immediately upon consummation of a Purchase Transaction.

Section 9.2 Effect of Termination.

In the event of the termination of this Agreement, as provided by Section 9.1, this Agreement will thereupon become void and have no effect, and no party will have any Liability to any other party or their respective Affiliates, directors, officers or employees, except for the obligations of the parties contained in this Section 9.2 and in Sections 5.6 (Confidentiality), 5.7 (Public Disclosure), 10.1 (Notices), 10.5 (Expenses), 10.7 (Governing Law), 10.8 (Alternative Dispute Resolution), 10.9 (Submission to Jurisdiction) and 10.13 (Entire Agreement) (and any related definitional provisions set forth in Article I), and except that nothing in this Section 9.2 will relieve any party from Liability for any willful breach of this Agreement that arose prior to such termination, for which Liability the provisions of Article VIII will remain in effect in accordance with the provisions and limitations thereof.

Except as otherwise expressly provided in Article VIII of this Agreement, whether or not the Transaction is consummated, all costs and expenses incurred in connection with this Agreement and the Transactions will be borne by the party incurring the same.

Section 10.6 Schedules, Exhibits, Etc.

(a) Each Schedule, Exhibit (when and as executed), certificate provided hereunder and written disclosure required hereby is incorporated by reference into this Agreement and will be considered a part hereof as if set forth herein in full; provided, however, that information set forth on any Schedule, certification or written disclosure constitutes a representation and warranty of the party providing the same, and not the mutual agreement of the parties as to the facts therein stated. Unless otherwise specifically noted herein, the contents of the Schedules will not vary, change or alter the language or substance of the representations and warranties contained in this Agreement but will qualify and be deemed a part hereof. Each Schedule is annexed hereto on the date hereof and, if Buyer consents, will be updated as necessary or amended on or before the Closing Date. Unless otherwise specifically noted herein, all Schedules shall be deemed the sole responsibility, obligation, disclosure and work-product of Seller.

(b) Each party's rights to indemnification or other remedies provided hereby based on any breach by the other party (or parties) of its representations, warranties, covenants and agreements will not be affected by any investigation conducted with respect to, or any knowledge acquired (or capable of being acquired) by such party at any time, whether before or after the execution and delivery of this Agreement or the Closing Date, with respect to the accuracy or inaccuracy of or compliance with, any such representation, warranty, covenant or agreement. The due diligence review conducted by Buyer and its representatives will not relieve Seller of any duties concerning its representations, warranties, covenants or agreements contained in this Agreement or in any Ancillary Agreement.

Section 10.7 Governing Law.

This Agreement will be governed by and construed in accordance with the Laws of the State of New York without regard to its principles of conflicts of laws.

Section 10.8 Alternate Dispute Resolution.

If any dispute arises between Buyer and Seller regarding this Agreement, any Closing Document or the Transaction (other than a dispute relating to Intellectual Property which the parties reserve all rights to litigate in accordance with Section 10.9 of this Agreement, or otherwise address as they may

agree at the time such dispute arises), the chief executive officer (or his or her designee), on behalf of Buyer, and P. Eric Krauss on behalf of Seller, or their respective designees, will attempt in good faith to resolve the dispute. If the such Persons have not agreed to a resolution within fifteen (15) days from the date on which the dispute was first presented to them, either party, by written notice to the other, may require that the dispute be submitted for resolution to the chief executive officer (or his or her designee), on behalf of Buyer, and P. Eric Krauss, on behalf of Seller, or their designees (collectively, the "Senior Managers"). The Senior Managers will meet, in person or by other means mutually satisfactory to them, to attempt to resolve the dispute within fifteen (15) days after reference of the matter to them. If the Senior Managers reach a decision within such fifteen (15) day period, their decision will be final and binding on the parties for all purposes. If the Senior Managers fail to resolve the dispute within such period, Buyer and Seller may, if they then so agree, refer the matter for arbitration on such terms as they may then agree or, failing that, proceed to litigation.

Section 10.9 Submission to Jurisdiction.

Each party agrees that it may bring any action or proceeding in respect of any Claim arising out of or related to Intellectual Property between the parties, whether in tort or contract or at law or in equity, in the U.S. District Court for the Western District of New York, sitting in Monroe County, New York (the "Chosen Court") and, solely in connection with Claims arising out of or related to Intellectual Property, (a) irrevocably submits to the jurisdiction of the Chosen Court, (b) waives any objection to laying venue in any such action or proceeding in the Chosen Court, (c) waives any objection that the Chosen Court is an inconvenient forum or does not have jurisdiction over any party, and (d) agrees that service of process in any method specified in Section 10.1 of this Agreement will constitute valid in personam service upon such party and its permitted successors and permitted assigns in any action or proceeding with respect to any matter as to which it has submitted to jurisdiction hereunder. EACH PARTY HEREBY ACKNOWLEDGES THAT THIS IS A COMMERCIAL TRANSACTION, THAT THE FOREGOING PROVISIONS FOR CONSENT TO JURISDICTION AND SERVICE OF PROCESS HAVE BEEN READ, UNDERSTOOD AND VOLUNTARILY AGREED TO BY SUCH PARTY AND THAT BY AGREEING TO SUCH PROVISIONS SUCH PARTY IS WAIVING IMPORTANT LEGAL RIGHTS.

Section 10.10 Remedies Cumulative.

The various rights and remedies herein provided will be cumulative and not exclusive of any other rights or remedies herein provided or any rights or remedies provided by Law.

Section 10.11 Inferences.

Inasmuch as this Agreement is the result of negotiations between sophisticated parties of equal bargaining power represented by counsel, no inference in favor of or against either party will be drawn from the fact that any portion of this Agreement has been drafted by or on behalf of such party.

Section 10.12 Severability.

The provisions of this Agreement will be deemed severable and the invalidity or unenforceability of any provision will not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision will be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances will not be affected by such invalidity or unenforceability, nor will such invalidity or unenforceability affect the

validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 10.13 Entire Agreement.

This Agreement, including the Exhibits, the Schedules, the Ancillary Agreements and the other Closing Documents contain the entire agreement between the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, including, without limitation, that certain Memorandum of Agreement between Buyer and Seller dated November 7, 2003.

Section 10.14 Headings.

The heading references herein and any tables of contents, indexes or similar items hereto are for convenience purposes only, do not constitute a part of this Agreement, and will not be deemed to limit or affect any of the provisions hereof.

Section 10.15 Counterparts.

This Agreement may be executed in one or more counterparts, each of which will be deemed an original, and all of which will constitute one and the same Agreement.

Section 10.16 Facsimiles.

The parties agree that facsimile copies of signatures shall be deemed originals for all purposes hereof and that a party may produce such copies, without the need to produce original signatures, to prove the existence of this Agreement in any proceeding brought hereunder.

Section 10.17 Stockholder Representative.

The parties agree that if Seller is dissolved after Closing at a time while Buyer continues to have executory obligations under this Agreement with respect to the Earn Out Consideration, P. Eric Krauss shall serve as the representative of Seller's stockholders for the purpose of communicating with Buyer regarding such matters (the "Stockholder Representative"). Specifically, the function of the Stockholder Representative shall be to facilitate communications between Buyer and Seller's stockholders and, if necessary, to receive and distribute payments due to Seller with respect to the Earn Out Consideration. The Stockholder Representative shall not have any additional liability under this Agreement by virtue of serving as the Stockholder Representative, nor shall the Stockholder Representative have any additional ability to bind the other Stockholders in connection with this Agreement by virtue of serving as the Stockholder Representative. The Stockholder Representative shall not be liable for any act done or omitted hereunder as Stockholder Representative while acting in good faith and in the exercise of reasonable judgment, and any act done or omitted pursuant to the advice of counsel shall be conclusive evidence of such good faith. The Stockholder Representative may be changed from time to time upon not less than ten (10) days' prior written notice to Buyer and upon the agreement of a majority of Seller's stockholders.
