Item 1.01 Entry into a Material Definitive Agreement

See Item 2.01 of this report.

Item 2.01 Completion of Acquisition or Disposition of Assets

On January 14, 2019 the Company acquired a 50% interest in a privately held limited liability company (the "LLC") engaged in the international sale of fertilizer additives. The interest in the LLC was acquired from a third party which did not have, and does not have, any relationship with the Company or the Company's officers or directors.

The purchase price for the 50% interest in the LLC was \$3.5 million. Cash of \$1.00 million was paid at closing. The remaining \$2.5 million will be paid over the next two years if the earnings of the LLC reach certain amounts.

The Company expects that its investment in the LLC will be accounted for under the equity method, and as a result, beginning in the first quarter of 2019, 50% of the net income of the LLC will be recorded in the Company's statements of operations.

In addition, the Company's subsidiary, NanoChem, will be manufacturing products for the LLC. As a result of the foregoing, the Company expects that its revenues will increase significantly in 2019.

On January 18, 2019 the Company issued a press release, filed as Exhibit 99 with this report, describing the acquisition.
