Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The Reporting Person voluntarily agreed to amend outstanding stock options that were granted on October 1, 2001 by increasing the exercise price from \$6.98 to \$7.95 per share (a \$0.97 increase) because these stock options were mistakenly issued with an exercise price that was below the fair market value of TeleTech’s common stock on the appropriate accounting measurement date. As previously announced in TeleTech Holdings, Inc.’s Current Report on Form 8-K filed with the SEC on February 20, 2008, the Reporting Person volunteered to forego any benefits from measurement date errors identified in TeleTech’s review of equity-based accounting practices.
- (2) The Reporting Person did not receive any remuneration in exchange for the \$0.97 per share increase in the exercise price of the stock options and the Company’s Compensation Committee accepted and approved the Reporting Person’s offer to amend the stock options on September 17, 2008. All other terms of the stock options, including the vesting schedule, remain the same. For purposes of Section 16 reporting, this amendment is reported as a cancellation of the outstanding stock options and an issuance of new stock options.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
