NEVSTAR GAMING AND ENTERTAINMENT CORPORATION NOTES TO FINANCIAL STATEMENTS MARCH 31, 2003

Note 1 - Emergence from Bankruptcy Proceedings

On July 10, 2000, the Company, a Nevada Corporation filed a voluntary petition for relief under Chapter 11 (the "Chapter 11 Proceeding") in the Bankruptcy Court, Case No. BK-S-00-15075-LBR. During the Chapter 11 Proceeding, the Company acted as debtor in possession.

In April, 2001, the Company and W/F Investment Corp. ("W/F") submitted to the Bankruptcy Court a plan of reorganization, which was amended from time to time (the "Plan of Reorganization").

On February 20, 2002, the Bankruptcy Court issued an order confirming the Plan of Reorganization.

On November 22, 2002 the plan of reorganization became effective. The Company issued 15,141,674 shares of common stock to holders of unsecured claims; 156,428 shares of common stock to certain administrative claimants and to a previously secured claim, and 27,807,219 shares of common stock to the Plan Proponents. The 7,583,687 shares of Common Stock that were previously outstanding were retained by the holders of those shares. There are a total of 50,715,008 shares of common Stock outstanding after the issuance of shares under the Plan of Reorganization.

The Company does not currently have any operations.

Note 2 - Going Concern and Summary of Significant Accounting Policies

Going Concern

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company does not generate any revenue, and has a net capital deficiency. These factors among others may indicate that the Company will be unable to continue as a going concern for a reasonable period of time. The Company currently funds its disbursements by a line of credit from one of its Plan

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-Q

Proponents. There are insufficient funds available under that line of credit to meet the Company's current obligations.

These financial statements do not include any adjustments relating to the recoverability of assets and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

The Company is no longer operating, and will attempt to locate a new business (operating company) and offer itself as a merger vehicle for a company that may desire to go public through a merger rather than through its own public stock offering.

NEVSTAR GAMING AND ENTERTAINMENT CORPORATION NOTES TO FINANCIAL STATEMENTS MARCH 31, 2003

Note 2 - Going Concern and Summary of Significant Accounting Policies (Continued)

Accounting for Reorganization

The Company applied Financial Accounting Standards No. 15 ("Accounting for Debtors and Creditors for Troubled Debt Restructuring") for its emergence from Bankruptcy. The Company also adopted the Fresh Start Reporting (see Note 6).

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the accompanying financial statements. Significant estimates made in preparing these financial statements include the value of shares of common stock issued to the unsecured creditors in accordance with the Plan of Reorganization. Management uses its knowledge and expertise in making these estimates. Actual results could differ from those estimates.

Income Taxes

The Company utilizes the liability method to account for income taxes. Under this method, deferred taxes and liabilities are determined based on differences between financial reporting and tax bases of assets and liabilities and are measured using the enacted rates and laws expected to apply when the differences are expected to reverse.

Note 3 - Pre-petition Tax Liabilities

Pre-petition tax liabilities consist of \$194,858 payable to the Nevada Department of Taxation and the Nevada Gaming Authority. Pursuant to the Bankruptcy Code and stipulations entered into between the parties and the Company, the amounts will be paid in full, plus interest at 5% in quarterly payments commencing January, 2004 and ending September, 2009. Payments due on these liabilities during the next five years are as follows:

Fiscal Year Ending June 30,

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-Q

2003	\$ -
2004	\$ 16,000
2005	\$ 32,000
2006	\$ 32,000
2007	\$ 32,000

Note 4 - Long Term Credit Facility, Related Party

The credit facility consists of \$250,672 outstanding on a \$250,000 revolving line of credit issued to the Company by W/F Investment Corp, a shareholder of the Company and a proponent of the bankruptcy Plan of Reorganization. The line of credit has been used to pay the Company's obligations through the November 22, 2002, the Effective Date of the Plan of Reorganization, including the allowed administrative expenses, accounting, legal and related expenses. The line of credit bears interest at prime plus 2%, payable monthly. It is due no earlier than October 31, 2003 and no later than October 31, 2007.

8

Note 5 - Income Taxes

At March 31, 2003 the Company had net operating loss carryforwards of approximately \$19 million for federal tax purposes, which expire from 2012 to 2015. Because of statutory ownership changes, the amount of net operating losses which may be utilized in future years may be subject to significant annual limitations. At November 22, 2002, total deferred tax assets, consisting principally of net operating loss carry forwards, amounted to approximately \$7.5 million. For financial reporting purposes, a valuation allowance has been recognized in an amount equal to such deferred tax assets due to the uncertainty surrounding their ultimate realization.

Note 6 - Fresh Start Reporting

In accordance with its Plan of Reorganization, the Company converted unsecured liabilities amounting to approximately \$18,300,000 to 15,167,674 shares of its common stock. The Company also issued 156,248 shares of its common stock in payment of administrative claims totaling approximately \$20,000, and 27,807,219 shares of its common stock to its Plan Proponents. The shares issued were valued at \$0.01 per share, generating a gain on debt forgiveness of approximately \$18,000,000. The amount of accumulated deficit prior to the reclassification in accordance with Fresh Start Reporting amounted to approximately \$19,000,000. Management estimated the fair value of the shares issued at par value, based on the fact that no cash flows are expected in the foreseeable future. The balance of accumulated deficit after the adjustment required by the Fresh Start Reporting represents the "Excess Reorganization Value", which was impaired due to the fact that no cash flows are expected in the foreseeable future.
