SunCom Wireless Commences Consent Solicitation to Amend Indenture Governing  
Outstanding 8 1/2% Senior Notes due 2013

BERWYN, Pa - SunCom Wireless, Inc. ("SunCom"), a wholly-owned subsidiary of SunCom Wireless Holdings, Inc. ("SunCom Holdings"), today announced that it is commencing a consent solicitation to amend the indenture under which its 8 1/2% Senior Notes due 2013 (the "Notes") were issued. The consent solicitation is being conducted in connection with the proposed merger between SunCom Holdings and a wholly-owned subsidiary of T-Mobile USA, Inc. (the "Merger"), pursuant to which SunCom will survive as a wholly-owned subsidiary of T-Mobile USA. T-Mobile USA is a wholly-owned subsidiary of Deutsche Telekom AG. The terms and conditions of the consent solicitation are described in the Consent Solicitation Statement, dated February 1, 2008 (the "Consent Solicitation Statement"), and the related Consent Form, which will be distributed to holders of the Notes.

The proposed amendments to the indenture governing the Notes would eliminate substantially all the existing requirements for SunCom to provide periodic reports and financial statements. The proposed amendments would also limit SunCom's compliance certificate obligations to the requirements set forth in the Trust Indenture Act. Completion of the Merger is not conditioned on success of the consent solicitation.

The consent solicitation will expire at 5:00 p.m., New York City time, on February 14, 2008, unless extended or earlier terminated by SunCom (the "Expiration Time"). Persons in whose name the Notes were registered as of the close of business on January 31 (the "Record Date") or any other person who has been validly authorized to vote Notes by such registered person (each, a "Holder") are eligible to deliver their consent to the amendments (a "Consent"). A Holder may revoke such Consent at any time prior to the time SunCom has received valid Consents from Holders of a majority in principal amount of the Notes outstanding and notified the Trustee of such receipt.

## Edgar Filing: SUNCOM WIRELESS HOLDINGS, INC. - Form 8-K

Consummation of the consent solicitation is conditioned upon satisfaction or waiver of the conditions set forth in the Consent Solicitation Statement, including closing of the Merger and receipt of Consents from a majority in principal amount of the Notes outstanding prior to the Expiration Time (excluding for this purpose certain Holders described in the Consent Solicitation Statement). Assuming the conditions to the consent solicitation are met, SunCom will promptly pay, upon the consummation of the Merger, a consent payment to each Holder who has delivered (and not validly revoked) a Consent prior to the Expiration Time. The consent payment will be in the amount of \$1.00 for each \$1,000 principal amount of Notes with respect to which such Holder has validly delivered a Consent.

The Notes will be redeemable beginning June 1, 2008 at a price of \$1,042.50 per \$1,000 principal amount plus accrued and unpaid interest. T-Mobile USA has advised SunCom that, subject to the consummation of the Merger, it intends to issue a call notice exercising this redemption right on or promptly after the later of April 2, 2008 (the earliest date allowed by the Indenture for issuing such notices) and the closing of the Merger.

Approval of the proposed amendments would reduce SunCom's costs following the Merger, including costs associated with preparation of SEC reports, quarterly preparation of compliance certificates and other administrative matters.

Citi is acting as solicitation agent for the consent solicitation. For additional information regarding the terms of the consent solicitation, please contact Citi at 800-558-4745 (toll-free) or 212-723-6106 (collect). Requests for documents may be directed to Global Bondholder Services, which is acting as the information agent and tabulation agent for the consent solicitation, at 866-873-6300 (toll-free) or 212-430-3774 (collect).

This press release is for informational purposes only and is not a solicitation of consent with respect to the Notes. The consent solicitation is being made solely pursuant to the Consent Solicitation Statement and the related Consent Form, which set forth the complete terms of the consent solicitation.

SunCom is a provider of digital wireless communications services in the southeastern United States, Puerto Rico and the U.S. Virgin Islands.
