**Item 1.01. Entry into a Material Definitive Agreement**

On November 5, 2004, we entered into a letter agreement ("Agreement") with The Research Works, Inc. ("RW"), to provide equity research services with respect to our common stock. RW is an independent research firm specializing in securities research. We have no prior material relationship with RW. The term of the Agreement shall be one year after the release of the first RW equity research report.

In consideration of RW's services, we have issued a total of 312,500 unregistered and restricted shares of our common stock to RW and its assigns. The entire payment is refundable to us in the following cases: if we cancel this Agreement for any reason within five business days of entering into it, or if RW fails to release its initial report on time through no fault of ours. After release of the initial report, a percentage of our payment shall be refunded to us based on the number of days elapsed since the Agreement was executed in the following cases: if we terminate the Agreement for cause, or if RW terminates the Agreement without cause.

**Item 3.02 Unregistered Sales of Equity Securities**

In connection with the agreement described in Item 1.01, we have agreed to issue a total of 312,500 shares of common stock, restricted in accordance with Rule 144, to three unrelated companies, as payment for services performed for us by one of the payees. The issuance was exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, and the investors were accredited investors.
