ITEM 4: CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANTS

The Registrant hereby amends Item 4 of the 8-K filed on August 1, 2002 to read as follows:

Effective July 19, 2002, the Company's Board of Directors approved a change in the Company's independent accountant. The independent account who was dismissed and had been previously engaged as the principal accountant to audit the Company's financial statements was Gerald R. Hendricks & Co., P.C. ("Hendricks"). Hendricks' reports covered each of the years ended March 31, 2000, through to March 31, 2002. The financial statements of the Company for the periods reported on by Hendricks did not contain any adverse opinion or disclaimer of opinion, or were qualified or modified as to uncertainty, audit scope, or accounting principles, except that the reports of Hendricks contained a going concern emphasis paragraph. In connection with the audits of the Company's financial statements for each of the fiscal years ended March 31, 2000, through to March 31, 2002, and in connection with the subsequent interim period up to the date of dismissal there were no disagreements with Hendricks on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Hendricks, would have caused Hendricks to make reference to the matter in its report. Hendricks has not reported on financial statements for any subsequent periods after March 31, 2002.

The Company has retained the accounting firm of Moore Stephens Ellis Foster Ltd., Chartered Accountants ("Ellis Foster") to serve as the Company's independent accountant to audit the Company's financial statements. Prior to its engagement as the Company's independent accountant, Ellis Foster had not been

Edgar Filing: IRV INC - Form 8-K/A

consulted by the Company either with respect to the application of accounting principles to a specific transaction or the type of audit opinion that might be rendered on the Company's financial statements or on any matter that was the subject of any prior disagreement between the Company and its previous certifying accountant. The engagement of Ellis Foster was effective on July 19, 2002.

In connection with the filing of this Form 8-K, Hendricks was provided with a copy of this disclosure and was requested by the Company to furnish to the Company a letter addressed to the SEC stating whether Hendricks agrees with the above statements. A copy of Hendricks' letter to the SEC will be filed with the SEC within two business days after its receipt by the Company.

REPORT OF INDEPENDENT ACCOUNTANTS

Edgar Filing: IRV INC - Form 8-K/A

TO THE BOARD OF DIRECTORS AND STOCKHOLDERS

SCARAB SYSTEMS, INC.
(A development stage enterprise)

We have audited the balance sheet of Scarab Systems, Inc. ("the Company") (a development stage enterprise) as at March 31, 2002, the related statement of stockholders' equity for the period from October 8, 2001 (inception) to March 31, 2002 and the statement of operations and cash flows from October 8, 2001 (inception) to March 31, 2002. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Company as at March 31, 2002 and the results of its operations and cash flows for the period from October 8, 2001 (inception) to March 31, 2002 in conformity with generally accepted accounting principles in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the financial statements, the Company has not generated any revenue from operations that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 1. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Notes to Financial Statements
March 31, 2002
(EXPRESSED IN U.S. DOLLARS)

Edgar Filing: IRV INC - Form 8-K/A

1. INCORPORATION AND CONTINUANCE OF OPERATIONS

The Company was formed on October 8, 2001 under the laws of the State of Nevada. The Company, a development stage enterprise, is in the business of providing a comprehensive range of services to the e-commerce sector. The Company is presently engaged in the development and distribution of card-based alternative payment systems.

These financial statements have been prepared in accordance with generally accepted accounting principles applicable to a going concern, which contemplates the realization of assets and the satisfaction of liabilities and commitments in the normal course of business. The Company has not generated any revenue and requires additional funds to maintain its operations. Management's plans in this regard are to raise equity financing as required.

These conditions raise substantial doubt about the Company's ability to continue as a going concern. These financial statements do not include any adjustments that might result from this uncertainty.

The Company has not generated any operating revenues to date.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Cash and Cash Equivalents

Cash equivalents comprise certain highly liquid instruments with a maturity of three months or less when purchased. As at March 31, 2002, cash and cash equivalents consist of cash only.

(b) Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

(c) Advertising Expenses

The Company expenses advertising costs as incurred. There were no advertising expenses incurred by the Company for the periods ended March 31, 2002.

(d) Fixed Assets

Fixed assets are recorded at cost. Depreciation is based on the estimated useful lives of the assets and is computed using the double declining method as follows:

Furnitures and fixtures	30%
-------------------------	-----

(e) Loss Per Share

Loss per share is computed using the weighted average number of shares outstanding during the period. The Company adopted SFAS No. 128, "EARNINGS PER SHARE".

(f) Concentration of Credit Risk

The Company places its cash and cash equivalents with high credit quality financial institutions. As of March 31, 2002 the Company had no balance in a bank beyond insured limits.

(g) Foreign Currency Transactions

The Company maintains its accounting records in U.S. Dollars, as follows:

At the transaction date, each asset, liability, revenue and expense is translated into U.S. dollars by the use of the exchange rate in effect at that date. At the period end, monetary assets and liabilities are remeasured by using the exchange rate in effect at that date. The resulting foreign exchange gains and losses are included in operations.

(h) Fair Value of Financial Instruments

The respective carrying value of cash approximated its fair value due to its short-term nature. Management is of the opinion that the Company is not exposed to significant interest, credit or currency risks arising from these financial instruments.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

(i) Income Taxes

The Company has adopted Statement of Financial Accounting Standards (SFAS) No. 109, "ACCOUNTING FOR INCOME TAXES", which requires the Company to recognize deferred tax liabilities and assets for the expected future tax consequences of events that have been recognized in the Company's financial statements or tax returns using the

Edgar Filing: IRV INC - Form 8-K/A

liability method. Under this method, deferred tax liabilities and assets are determined based on the temporary differences between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect in the years in which the differences are expected to reverse.

(j) Comprehensive Income

The Company adopted SFAS No. 130, "REPORTING COMPREHENSIVE INCOME", which requires inclusion of foreign currency translation adjustments, reported separately in its Statement of Stockholders' Equity, in other comprehensive income. The Company had no other comprehensive income for the year ended March 31, 2002.

(k) Stock-based Compensation

The Company adopted the disclosure-only provisions of Statement of Financial Accounting Standards No. 123 (SFAS 123), "ACCOUNTING FOR STOCK-BASED COMPENSATION". SFAS 123 encourages, but does not require, companies to adopt a fair value based method for determining expense related to stock-based compensation. The Company will account for stock-based compensation using the intrinsic value method as prescribed under Accounting Principles Board Opinion (APB) No. 25, "ACCOUNTING FOR STOCK ISSUED TO EMPLOYEES" and related Interpretations.

The Company does not have a stock option plan nor granted any stock options since inception.

In August 2001, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 143 (SFAS 143), ASSET RETIREMENT OBLIGATIONS. 2. PRO-FORMA CONSOLIDATED FINANCIAL STATEMENTS ASSUMPTIONS

- (a) Agreement and Plan of Reorganization

Pursuant to an Agreement and Plan of Reorganization dated

Edgar Filing: IRV INC - Form 8-K/A

March 25, 2002, iRV agreed to issue 82,600,000 common stocks in exchange for all of the issued and outstanding shares of Scarab.

The proposed issuance of 82,600,000 common stocks is assumed to have taken effect on March 31, 2002 for the purpose of preparing the pro-forma information.

As part of the definitive agreement and plan of reorganization, iRV will transfer all its assets and liabilities to its subsidiaries and then spin off the subsidiaries. As iRV will then become a non-operating shell company without any assets or liabilities, the share exchange transaction will result in the management of Scarab having effective operating control of the combined company, with the shareholders of iRV continuing only as passive investors. Accounting principles applicable to reverse acquisition recapitalization have been applied to record this transaction. Under this basis of accounting, Scarab has been identified as the acquirer. Since iRV will have no assets or liabilities after the spin-off, the 14,147,903 shares of common stock outstanding at the date of reorganization will be recorded at \$Nil. The reorganization plan is accounted for as a reorganization of Scarab. It is deemed not to be the acquisition of a business and, accordingly, no pro-forma statement of operations is presented.
