Kowloon Bay, Kowloon, Hong Kong, and at any adjournment thereof (the "Annual Meeting"), for the following purposes:

1. To elect seven (7) directors to the Board of Directors of the Company to serve until the next annual meeting of stockholders and until their successors are duly elected and qualified;
2. To approve a new stock option plan, the Company's 2005 stock option plan (the "2005 Plan");
3. To ratify the appointment of Clancy and Co., P.L.L.C. as the Company's independent auditors; and
4. To transact any other business as may properly be presented at the Annual Meeting or any adjournment or postponement thereof.

The Board of Directors has set November 16, 2004 as the record date (the "Record Date") to determine those holders of Common Stock, who are entitled to notice of, and to vote at the Annual Meeting. The Company expects that the Notice of Annual Meeting, Proxy Statement and form of proxy will first be mailed to stockholders on or about November 30, 2004.

GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE?

You can vote your shares of Common Stock if our records show that you owned the shares on the Record Date. As of the close of business on the Record Date, a total of 8,420,762 shares of Common Stock are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one (1) vote on matters presented at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope.

The enclosed proxy, when properly signed and returned to the Company, will be voted by the proxy holders at the Annual Meeting as directed by the proxy. Proxies which are signed by stockholders but which lack any such specification will be voted in favor of the proposals set forth in the Notice of Annual Meeting.

WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

The matters described in this proxy statement are the only matters we know of that will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. A proxy card may be revoked by a stockholder at any time before its exercise at the Annual Meeting by giving Victor Tong, our Secretary, a written notice revoking your proxy card, or a duly executed proxy bearing a later date, or by attendance at the Annual Meeting and electing to vote in person.

CAN I VOTE IN PERSON AT THE ANNUAL MEETING RATHER THAN BY COMPLETING THE PROXY CARD?

Although we encourage you to complete and return the proxy card to ensure that

Edgar Filing: PACIFICNET INC - Form DEF 14A

your vote is counted, you can attend the Annual Meeting and vote your shares in person.

3

HOW ARE VOTES COUNTED?

We will hold the Annual Meeting if holders of a majority of the shares of Common Stock entitled to vote in person or by proxy either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

The election of directors under proposal 1 will be by the affirmative vote of a plurality of the shares of Common Stock presented in person or represented by proxy at the Annual Meeting. Proposals 2 and 3 shall be approved upon the affirmative vote of a majority of the shares of Common Stock presented in person or represented by proxy at the Annual Meeting. Unless otherwise stated, the enclosed proxy will be voted in accordance with the instructions thereon.

Brokers holding shares of the Company's Common Stock in street name who do not receive instructions are entitled to vote on the election of Directors and the ratification of the Company's independent auditors. Under applicable Delaware law, "broker non-votes" on any other non-routine proposal, such as Proposal 2 (where a broker submits a proxy but does not have authority to vote a customer's shares on such proposal) would not be considered entitled to vote on that proposal and will, therefore, have no legal effect on the vote of that particular matter.

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this.

AUDIT COMMITTEE

The Board of Directors adopted a written charter for the Audit Committee. The Audit Committee's charter states that the responsibilities of the Audit Committee shall include: nominating the Company's independent auditors and reviewing any matters that might impact the auditors' independence from the Company; reviewing plans for audits and related services; reviewing audit results and financial statements; reviewing with management the adequacy of the Company's system of internal accounting controls, including obtaining from independent auditors management letters or summaries on such internal accounting controls; determining the necessity and overseeing the effectiveness of the internal audit function; reviewing compliance with the U.S. Foreign Corrupt Practices Act and the Company's internal policy prohibiting insider trading in its Common Stock; reviewing compliance with the SEC requirements for financial reporting and disclosure of auditors' services and audit committee members and activities; reviewing related-party transactions for potential conflicts of interest; and reviewing with corporate management and internal and independent auditors the policies and procedures with respect to corporate officers' expense accounts and perquisites, including their use of corporate assets. The Audit Committee met four times during 2003.

The Board of Directors has established an audit committee in accordance with Section 3(a)(58(A)) of the Securities Exchange Act of 1934. The members of

Edgar Filing: PACIFICNET INC - Form DEF 14A

the Audit Committee are Messrs. Michael Chun Ha, Richard Chi Ho Lo and Peter Wang, each of whom are independent as defined in the TheNasdaq SmallCap Market listing standards currently in effect. None of the Audit Committee members is a current officer or employee of the Company or any of its affiliates.

The Board of Directors has determined that all of the members of the audit committee qualify as an "audit committee financial expert" under the Securities and Exchange Commission's definition.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the committee are "independent" as required by applicable listing standards of the Nasdaq SmallCapThe Committee operates pursuant to a Charter that was approved by the Board in fiscal 2000. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of this oversight function, the Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEE, as currently in effect. Finally, the Committee has received written disclosures and the letter from the independent auditors required by Independence Standard Board Standard No. 1, INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES, as currently in effect, and has considered whether the provision of non-audit services by the independent auditors to the Company is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the reports, review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003, as filed with the Securities and Exchange Commission.

INDEMNIFICATION

The Company's Certificate of Incorporation limits the liability of its directors for monetary damages arising from a breach of their fiduciary duty as directors, except to the extent otherwise required by the General Corporation Law of the State of Delaware. Such limitation of liability does not affect the availability of equitable remedies such as injunctive relief or rescission.

The Company's Bylaws provide that the Company shall indemnify its directors and officers to the fullest extent permitted by Delaware law, including in circumstances in which indemnification is otherwise discretionary under Delaware law. The Company has entered into indemnification agreements with its officers and directors containing provisions that may require the Company, among other things, to indemnify such officers and directors against certain liabilities that may arise by reason of their status or service as directors or officers (other than liabilities arising from willful misconduct of a culpable nature), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain directors' and officers' insurance if available on reasonable terms.

PROPOSAL 2

PROPOSAL TO APPROVE THE COMPANY'S 2005 STOCK OPTION PLAN

The Company is seeking approval to adopt the PacificNet, Inc. 2005 Stock Option Plan (the "2005 Plan"). The purpose of the 2005 Plan is to enable the Company to attract and retain top-quality employees, officers, directors and consultants and to provide such employees, officers, directors and consultants with an incentive to promote the success of the Company.

DESCRIPTION OF THE PROPOSED 2005 PLAN

The following summary of the proposed 2005 Plan, is qualified in its entirety by reference to the Company's full text of the proposed 2005 Plan as it appears as Annex I to this Proxy Statement. The 2005 Plan would provide for the grant to directors, officers, employees and consultants of the Company (including its subsidiaries) of options to purchase up to an aggregate of 2,000,000 shares of Common Stock. The 2005 Plan may be administered by the Board of Directors or a committee of the Board of Directors (in either case, the "Committee"), which has complete discretion to select the optionees and to establish the terms and conditions of each option, subject to the provisions of the 2005 Plan. Options granted under the 2005 Plan may be "incentive stock options" as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified options.

The exercise price of incentive stock options may not be less than 100% of the fair market value of the Common Stock as of the date of grant (110% of the fair market value if the grant is to an employee who owns more than 10% of the total combined voting power of all classes of capital stock of the Company). The Code currently limits to \$100,000 the aggregate value of Common Stock that may be acquired in any one year pursuant to incentive stock options under the 2005 Plan or any other option plan adopted by the Company. Nonqualified options may be granted under the 2005 Plan at an exercise price of not less than 100% of the fair market value of the Common Stock on the date of grant (110% of the fair market value if the grant is to a director, officer or employee who owns more than 10% of the voting power of all classes of stock of the Company or any Parent or subsidiary). Nonqualified options also may be granted without regard to any restriction on the amount of Common Stock that may be acquired pursuant

Edgar Filing: PACIFICNET INC - Form DEF 14A

to such options in any one year.

Subject to the limitations contained in the 2005 Plan, options granted under the 2005 Plan will become exercisable at such times and in such installments (but not less than 20% per year) as the Committee shall provide in the terms of each individual stock option agreement. The Committee must also provide in the terms of each stock option agreement when the option expires and becomes unexercisable, and may also provide the option expires immediately upon termination of employment for any reason. No option held by directors, executive officers or other persons subject to Section 16 of the Securities Exchange Act of 1934, as amended, may be exercised during the first six months after such option is granted.

Unless otherwise provided in the applicable stock option agreement, upon the termination of employment of an employee, all options that were then vested shall remain exercisable until the expiration of the term of the option set forth in the stock option agreement. If no time period is specified in the stock option agreement then the option shall remain exercisable for twelve (12) months following termination of employment. Any options which were not exercisable on the date of such termination would immediately terminate concurrently with the termination of employment.

Unless otherwise provided in the applicable stock option agreement, upon the death or disability of an optionee, all options that were then vested shall remain exercisable until such period of time as is specified in the stock option agreement, but in no event later than the expiration of the term of such option as set forth in the stock option agreement. If no time period is specified in the stock option agreement then the option shall remain exercisable for twelve (12) months following the optionee's death or disability.

The Board of Directors may at any time amend, alter, suspend or terminate the Plan. No amendment, alteration, suspension or termination of the Plan will impair the rights of any optionee, unless mutually agreed otherwise between the optionee and the Committee, which agreement must be in writing and signed by the optionee and the Company. Termination of the Plan will not affect the Committee's ability to exercise the powers granted to it hereunder with respect to options granted under the Plan prior to the date of such termination.

Options granted under the 2005 Plan may not be exercised more than ten years after the grant (five years after the grant if the grant is an incentive stock option to an employee who owns more than 10% of the total combined voting power of all classes of capital stock of the Company). Options granted under the 2005 Plan are not transferable and may be exercised only by the respective grantees during their lifetime or by their heirs, executors or administrators in the event of death. Under the 2005 Plan, shares subject to cancelled or terminated options are reserved for subsequently granted options. The number of options outstanding and the exercise price thereof are subject to adjustment in the case of certain transactions such as mergers, recapitalizations, stock splits or stock dividends. The 2005 Plan is effective for ten years, unless sooner terminated or suspended.

15

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

Incentive stock options granted under the 2005 Plan will be afforded favorable federal income tax treatment under the Code. If an option is treated as an incentive stock option, the optionee will recognize no income upon grant or exercise of the option unless the alternative minimum tax rules apply. Upon an optionee's sale of the shares (assuming that the sale occurs at least two years after grant of the option and at least one year after exercise of the option),

Edgar Filing: PACIFICNET INC - Form DEF 14A

any gain will be taxed to the optionee as long-term capital gain. If the optionee disposes of the shares prior to the expiration of the above holding periods, then the optionee will recognize ordinary income in an amount generally measured as the difference between the exercise price and the lower of the fair market value of the shares at the exercise date or the sale price of the shares. Any gain or loss recognized on such a premature sale of the shares in excess of the amount treated as ordinary income will be characterized as capital gain or loss.

All other options granted under the 2005 Plan will be nonstatutory stock options and will not qualify for any Annual tax benefits to the optionee. An optionee will not recognize any taxable income at the time he or she is granted a nonstatutory stock option. However, upon exercise of the nonstatutory stock option, the optionee will recognize ordinary income for federal income tax purposes in an amount generally measured as the excess of the then fair market value of each share over its exercise price. Upon an optionee's resale of such shares, any difference between the sale price and the fair market value of such shares on the date of exercise will be treated as capital gain or loss and will generally qualify for long-term capital gain or loss treatment if the shares have been held for more than one year. Recently enacted legislation provides for reduced tax rates for long-term capital gains based on the taxpayer's income and the length of the taxpayer's holding period.

The foregoing does not purport to be a complete summary of the federal income tax considerations that may be relevant to holders of options or to the Company. It also does not reflect provisions of the income tax laws of any municipality, state or foreign country in which an optionee may reside, nor does it reflect the tax consequences of an optionee's death.

The 2005 Plan may be amended, altered, suspended or terminated by the Board at any time; provided however, that the Board shall obtain stockholder approval of any amendment to the 2005 Plan to the extent necessary and desirable to comply with U.S. state corporate laws, U.S. federal and state securities laws, the Internal Revenue Code of 1986, as amended, the Nasdaq SmallCap Market or any other market in which the Company's Common Stock may be traded, and the applicable laws of any other country or jurisdiction where options are granted under the Plan. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any optionee, unless mutually agreed otherwise between the optionee and the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO ADOPT THE COMPANY'S 2005 PLAN.

The Shares may be authorized but unissued, or reacquired Common Stock. If an Option expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Option Exchange Program, the unpurchased Shares which were subject thereto shall become available for future grant or sale under the Plan (unless the Plan has terminated). However, Shares that have actually been issued under the Plan, upon exercise of an Option, shall not be returned to the Plan and shall not become available for future distribution under the Plan. (i) to determine the Fair Market Value;

(iii) to determine the number of Shares to be covered by each such award granted hereunder;

(iv) to approve forms of Option Grants for use under the Plan;

Edgar Filing: PACIFICNET INC - Form DEF 14A

(v) to determine the terms and conditions, of any Option granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Options may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option or the Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vi) to determine whether and under what circumstances an Option may be settled in cash under subsection 9(e) instead of Common Stock;

(ix) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating to sub-plans established for the purpose of qualifying for preferred tax treatment under foreign tax laws;

(x) to allow Optionees to satisfy withholding tax obligations by electing to have the Company withhold from the Shares to be issued upon exercise of an Option that number of Shares having a Fair Market Value equal to the amount required to be withheld. The Fair Market Value of the Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by Optionees to have Shares withheld for this purpose shall be made in such form and under such conditions as the Administrator may deem necessary or advisable;

(xi) to construe and interpret the terms of the Plan and awards granted and pursuant to the Plan.

(c) Effect of Administrator's Decision. All decisions, determinations and interpretations of the Administrator shall be final and binding on all Optionees.

5. ELIGIBILITY.

(a) Nonstatutory Stock Options may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

(b) Each Option shall be designated in the Option Grant as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds \$100,000, such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 5(b), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

(c) Neither the Plan nor any Option shall confer upon any Optionee any right with respect to continuing the Optionee's relationship as a Service Provider with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate such relationship at any time, with or without cause.

6. TERM OF PLAN. The Plan shall become effective upon its adoption by the Board. It shall continue in effect for a term of ten (10) years unless sooner

Edgar Filing: PACIFICNET INC - Form DEF 14A

terminated under Section 14 of the Plan.

7. TERM OF OPTION. The term of each Option shall be stated in the Option Grant; provided, however, that the term shall be no more than ten (10) years from the date of grant thereof. In the case of an Incentive Stock Option granted to an Optionee who, at the time the Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Option Grant.

21

8. OPTION EXERCISE PRICE AND CONSIDERATION.

(a) The per share exercise price for the Shares to be issued upon exercise of an Option shall be such price as is determined by the Administrator, but shall be subject to the following:

(i) In the case of an Incentive Stock Option

(A) granted to an Employee who, at the time of grant of such Option, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) granted to any other Employee, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(ii) In the case of a Nonstatutory Stock Option

(A) granted to a Service Provider who, at the time of grant of such Option, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(B) granted to any other Service Provider, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

(iii) Notwithstanding the foregoing, Options may be granted with a per Share exercise price other than as required above pursuant to a merger or other corporate transaction.

(b) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant). Such consideration may consist of (1) cash, (2) check, (3) promissory note, (4) other Shares which (x) in the case of Shares acquired upon exercise of an Option, have been owned by the Optionee for more than six months on the date of surrender, and (y) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised, (5) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan, or (6) any combination of the foregoing methods of payment. In making its determination as to the type of consideration to accept, the Administrator shall consider if acceptance of such consideration may be reasonably expected to benefit the Company.

9. EXERCISE OF OPTION.

Edgar Filing: PACIFICNET INC - Form DEF 14A

(a) Procedure for Exercise; Rights as a Shareholder. Any Option granted hereunder shall be exercisable according to the terms hereof at such times and under such conditions as determined by the Administrator and set forth in the Option Grant. Except in the case of Options granted to Officers, Directors and Consultants, Options shall become exercisable at a rate of no less than 20% per year over five (5) years from the date the Options are granted. Unless the Administrator provides otherwise, vesting of Options granted hereunder shall be tolled during any unpaid leave of absence. An Option may not be exercised for a fraction of a Share. An Option shall be deemed exercised when the Company receives: (i) written or electronic notice of exercise (in accordance with the Option Grant) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Grant and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 11 of the Plan. Exercise of an Option in any manner shall result in a decrease in the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

22

(b) Termination of Relationship as a Service Provider. If an Optionee ceases to be a Service Provider, such Optionee may exercise his or her Option within such period of time as is specified in the Option Grant (of at least thirty (30) days) to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of the Option as set forth in the Option Grant). In the absence of a specified time in the Option Grant, the Option shall remain exercisable for three (3) months following the Optionee's termination. To the extent the Optionee is not vested as to his or her Option on the date he or she ceases to be a Service Provider, his or her Option shall terminate and the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(c) Disability of Optionee. If an Optionee ceases to be a Service Provider as a result of the Optionee's Disability, the Optionee may exercise his or her Option within such period of time as is specified in the Option Grant (of at least six (6) months) to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Option Grant). In the absence of a specified time in the Option Grant, the vested portion of Option shall remain exercisable for twelve (12) months following the Optionee's termination. To the extent the Optionee is not vested as to his or her Option on the date he or she ceases to be a Service Provider, his or her Option shall terminate and the Shares covered by the unvested portion of the Option shall revert to the Plan. If after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(d) Death of Optionee. If an Optionee dies while a Service Provider, the Option may be exercised within such period of time as is specified in the Option Grant (or at least six (6) months) to the extent that the Option is vested on the date

Edgar Filing: PACIFICNET INC - Form DEF 14A

of death (but in no event later than the expiration of the term of such Option as set forth in the Option Grant) by the Optionee's estate or by a person who acquires the right to exercise the Option by bequest or inheritance. In the absence of a specified time in the Option Grant, the Option shall remain exercisable for twelve (12) months following the Optionee's termination. To the extent that, at the time of death, the Optionee is not vested as to the entire Option, the Option shall terminate and the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(e) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares, an Option previously granted, based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

10. NON-TRANSFERABILITY OF OPTIONS. The Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee.

11. ADJUSTMENTS UPON CHANGES IN CAPITALIZATION, MERGER OR ASSET SALE.

(a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each outstanding Option, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option, as well as the price per share of Common Stock covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company. The conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option.

23

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Optionee as soon as practicable prior to the effective date of such proposed transaction. The Administrator in its discretion may provide for an Optionee to have the right to exercise his or her Option until fifteen (15) days prior to such transaction as to all of the Optioned Stock covered thereby, including Shares as to which the Option would not otherwise be exercisable. In addition, the Administrator may provide that any Company repurchase option applicable to any Shares purchased upon exercise of an Option shall lapse as to all such Shares, provided the proposed dissolution or liquidation takes place at the time and in the manner contemplated. To the extent it has not been previously exercised, an Option will terminate immediately prior to the consummation of such proposed action.

(c) Merger or Asset Sale. In the event of a merger of the Company with or into another corporation, or the sale of substantially all of the assets of the Company, each outstanding Option shall be assumed or an equivalent option or

Edgar Filing: PACIFICNET INC - Form DEF 14A

right substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the Option, the Optionee shall fully vest in and have the right to exercise the Option as to all of the Optioned Stock, including Shares as to which it would not otherwise be vested or exercisable. If an Option becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify the Optionee in writing or electronically that the Option shall be fully exercisable for a period of fifteen (15) days from the date of such notice, and the Option shall terminate upon the expiration of such period. For the purposes of this paragraph, the Option shall be considered assumed if, following the merger or sale of assets, the option or right confers the right to purchase or receive, for each Share of Optioned Stock subject to the Option immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Option, for each Share of Optioned Stock subject to the Option, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

12. TIME OF GRANTING OPTIONS. The date of grant of an Option shall, for all purposes, be the date on which the Administrator makes the determination granting such Option, or such other date as is determined by the Administrator. Notice of the determination shall be given to each Employee to whom an Option is so granted within a reasonable time after the date of such grant.

13. AMENDMENT AND TERMINATION OF THE PLAN.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) Shareholder Approval. The Board shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws. Without limiting the foregoing, outstanding options may be repriced downward without shareholder approval.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Optionee, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Options granted under the Plan prior to the date of such termination.

14. CONDITIONS UPON ISSUANCE OF SHARES.

(a) Legal Compliance. Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations. As a condition to the exercise of an Option, the

Edgar Filing: PACIFICNET INC - Form DEF 14A

Administrator may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

15. INABILITY TO OBTAIN AUTHORITY. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

16. RESERVATION OF SHARES. The Company, during the term of this Plan, shall at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

17. SHAREHOLDER APPROVAL. The Plan shall be subject to approval by the shareholders of the Company within twelve (12) months after the date the Plan is adopted. Such shareholder approval shall be obtained in the degree and manner required under Applicable Laws.

18. INFORMATION TO OPTIONEES AND PURCHASERS. The Company shall provide to each Optionee and to each individual who acquires Shares pursuant to the Plan, not less frequently than annually during the period such Optionee or purchaser has one or more Options outstanding, and, in the case of an individual who acquires Shares pursuant to the Plan, during the period such individual owns such Shares, copies of annual financial statements. The Company shall not be required to provide such statements to key employees whose duties in connection with the Company assure their access to equivalent information.
