PROXY STATEMENT ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

This Proxy Statement is furnished by the Board of Directors of BIOMERICA, INC., a Delaware corporation (together with its subsidiaries, the "Company"), in connection with the solicitation of proxies for use at the Company's Annual Meeting of Stockholders to be held on November 22, 2005, at the offices of the Company, 1533 Monrovia Avenue, Newport Beach, California 92663 at 10:00 a.m., and at any and all adjournments thereof (the "Annual Meeting"). The Annual Meeting has been called for the purposes set forth in the accompanying Notice of the Annual Meeting of Stockholders (the "Notice"). This Proxy Statement, and the Annual Report of the Company for the year ended May 31, 2005, will be mailed on or about October 21, 2005, to each stockholder of record as of the close of business on October 14, 2005.

RECORD DATE AND OUTSTANDING SHARES

The close of business on October 14, 2005, has been set as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). However, brokers and other institutions hold many shares on behalf of the Company's stockholders and the Company has been informed that there are approximately 1,978 beneficial owners.

QUORUM

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock held of record on the Record Date is necessary to constitute a quorum for the purposes of electing directors and each other items of business. The holder of each share of Common Stock held of record on the Record Date is entitled to vote on each matter to be considered at the Annual Meeting.

VOTES REQUIRED

If the stockholder or his, her or its broker marks "Abstain" on a duly submitted proxy card representing such stockholder's shares, or if the stockholders attend the Annual Meeting in person, but elect not to vote on a particular proposal or proposals, then such shares will be considered present at the meeting for purposes of determining the required quorums and will not be taken into account in determining the outcome of the election of directors.

Brokers holding shares of record for customers generally are not entitled to vote on some matters unless they receive voting instructions from their customers. "Broker non-votes" are votes that could have been cast on the matter in question if the brokers had received their customers' instructions, and as to which the broker has notified the Company on a proxy form in accordance with industry practice or has otherwise advised us that it lacks voting authority. Shares represented by brokers' non-votes (i) will be considered present at the meeting for purposes of determining the required quorums and (ii) will not be taken into account in determining the outcome of the election of directors.

All votes will be tabulated by the inspector of elections appointed for the meeting, who will separately tabulate, for the proposal, affirmative and negative votes, abstentions and broker non-votes.

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee. The Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended May 31, 2005 for filing with the Securities and Exchange Commission. INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The Company's independent auditors for the fiscal years ended May 31, 2003 and 2002 were BDO Seidman, LLP ("BDO"). Effective May 29, 2004, the Company, upon approval of the audit committee of the Board of Directors of the Company, dismissed BDO. BDO last reported on the Company's financial statements on August 11, 2003. The report, which covered the two fiscal years ended May 31, 2003, was modified for going concern. BDO expressed substantial doubt as to the Company's ability to remain a going concern.

The auditors' report of BDO Seidman on the consolidated financial Statements of Biomerica, Inc. and subsidiaries as of and for the years ended May 31, 2003 and 2002 contained the following paragraph:

"The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. The Company has historically reported net losses and negative cash flows from operations, which raise serious liquidity concerns. Management estimates that its available cash resources as of May 31, 2003 along with cost reductions will be sufficient to fund planned operations through May 31, 2004. These operating and liquidity issues, amongst other concerns, raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are described in Note 1 to the accompanying consolidated financial statements. The consolidated financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or the amount and classification of liabilities that might result should the Company be unable to continue as a going concern."

The change of independent accountants was ratified by the Board of Directors of the Company on May 29, 2004.

During the two fiscal years ended May 31, 2003 and the subsequent interim period through May 29, 2004, there were no disagreements between the Company and BDO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved, to BDO's satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

Edgar Filing: BIOMERICA INC - Form DEF 14A

During the two fiscal years ended May 31, 2003 and subsequent interim period through May 29, 2004, there have been no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)).

During the two fiscal years ended May 31, 2003 and the subsequent interim period through May 29, 2004 BDO did not advise the Company that the internal controls necessary for the Company to develop reliable financial statements do not exist.

During the two fiscal years ended May 31, 2003 and the subsequent interim period through May 29, 2004, BDO did not advise the Company that any information had come to their attention which had led them to no longer be able to rely on management's representation, or that had made BDO unwilling to be associated with the financial statements prepared by management.

During the two fiscal years ended May 31, 2003 and the subsequent interim period through May 29, 2004, BDO did not advise the Company that the scope of any audit needed to be expanded significantly or that more investigation was necessary.

During the two fiscal years ended May 31, 2003 and the subsequent interim period through May 29, 2004, BDO did not advise the Company that there was any information which the accountants concluded would materially impact the fairness and reliability of either (i) a previously issued audit report or the underlying statements, or (ii) the financial statements issued or to be issued covering the fiscal period(s) subsequent to the date of the most recent financial statements covered by an audit report (including information that, unless resolved to the accountant's satisfaction, would prevent it from rendering an unqualified audit report on those financial statements).

The Company engaged PKF, Certified Public Accountants, A Professional Corporation (San Diego) ("PKF") as its new independent accountant on May 29, 2004. Prior to May 29, 2004, the Company had not consulted with PKF regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and no written report or oral advice was provided to the Company by PKF concluding there was an important factor to be

considered by the Company in reaching a decision as to an accounting, auditing or financials reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K.

It is expected that a representative of the independent registered accounting firm of PKF San Diego, the Company's auditor for the fiscal year ended May 31, 2005 and 2004, and for the current fiscal year, will be present at the Annual Meeting to respond to appropriate questions or to make a statement if he or she so desires.
