This Form 8-K and other reports filed by Registrant from time to time with the Securities and Exchange Commission (collectively the "Filings") contain or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the Filings the words "anticipate", "believe", "estimate", "expect", "future", "intend", "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. ITEM ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

1.01

On November 10, 2011, Aethlon Medical, Inc. (the "Registrant") entered into a subscription agreement with one accredited investor (the "Purchaser") pursuant to which the Purchaser purchased an aggregate principal amount of \$210,000 of 5% Original Issue Discount Unsecured Convertible Debenture for an aggregate purchase price of \$200,000 (the "Debenture"). The Debenture bears interest at 20% per annum and matures on April 20, 2012. The Debenture will be convertible at the option of the holder at any time into shares of the Company's common stock, at a conversion price equal to \$0.0779, subject to adjustment. In connection with the Agreement, the Purchaser received a warrant to purchase 1,347,882 shares of Company Common Stock (the "Warrant"). The Warrant is exercisable for a period of five years from the date of issuance at a exercise price of \$0.11, subject to adjustment. The Purchaser may exercise the Warrant on a cashless basis. In the event the Purchaser exercises the Warrant on a cashless basis, we will not receive any proceeds. The conversion price of the Debenture and the exercise price of the Warrants are subject to customary adjustments provisions for stock splits, stock dividends, recapitalizations and the like.

Until December 31, 2012, upon any proposed issuance by the Company of its Common Stock or Common Stock Equivalents (or a combination thereof as defined in the subscription agreement) for cash consideration (the "Subsequent Financing"), the Purchaser may elect, in its sole discretion, to exchange all or some of the Debenture then held by such Purchaser for any securities issued in a Subsequent Financing on a \$1.00 for \$1.00 basis, provided, however, this right shall not apply with respect to (i) an Exempt Issuance (as defined in the Debenture) or (ii) an underwritten public offering of the Company's common stock.

The Purchaser has contractually agreed to restrict its ability to exercise the Warrant and convert the Debenture such that the number of shares of the Company common stock held by the Purchaser and its affiliates after such conversion or exercise does not exceed 4.99% of the Company's then issued and outstanding shares of common stock.

The full principal amount of the Debenture is due upon a default under the terms of the Debenture. The Debenture is a general unsecured debt obligation of the Company arising other than in the ordinary course of business which constitutes a direct financial obligation of the Company.
