FORWARD LOOKING STATEMENTS

This Form 8-K and other reports filed by Registrant from time to time with the Securities and Exchange Commission (collectively the "Filings") contain or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the Filings the words "anticipate," "believe," "estimate," "expect," "future," "intend," "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

ITEM 8.01 OTHER EVENTS.

On December 13, 2013, Exosome Sciences, Inc. ("ESI"), a Nevada corporation and majority owned diagnostic subsidiary of Aethlon Medical, Inc. ("Registrant" or the "Company"), entered into a stock purchase agreement (the "Stock Purchase Agreement") with three accredited investors (collectively, the "Purchasers"), pursuant to which the Purchasers purchased an aggregate of 80,000 shares of the Company's common stock, par value \$.001 per share (the "Common Stock"), at a purchase price of \$5.00 per share, for an aggregate purchase price of \$400,000, or a post money valuation of \$7,500,000 for ESI.

The aggregate gross proceeds received by ESI under the Stock Purchase Agreement are \$1,500,000, including the sales previously reported by the Company in a report on Form 8-K filed on November 21, 2013 (the "Prior Sales"). As a result of the transaction, including the Prior Sales, the Company's percentage ownership of the outstanding capital stock of ESI was reduced from 100% to 80%.

The securities sold in the private placement were not registered under the Securities Act, or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering. Each Purchaser is an "accredited investor" as such term is defined in Regulation D promulgated under the Securities Act. This current report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall such securities be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such shares contain a legend

stating the same.

The foregoing description of the Stock Purchase Agreement does not purport to be complete and is qualified in its entirety by the form of Stock Purchase Agreement attached hereto as Exhibit 10.1, which is incorporated herein by reference. Readers should review that document for a complete understanding of the terms and conditions associated with this transaction.
