PROXY STATEMENT

EXPLANATORY NOTE

Throughout this proxy statement, the words "DCAP Group," "DCAP," "we," "our," and "us" refer to DCAP Group, Inc. and the operations of DCAP Group, Inc. as a whole. References to "DCAP Insurance" in this proxy statement mean our wholly-owned subsidiary, Dealers Choice Automotive Planning, Inc., and affiliated companies.

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being mailed to all stockholders of record at the close of business on November 12, 2002 in connection with the solicitation by

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

the Board of Directors of proxies to be voted at the Annual Meeting of Stockholders to be held on December 12, 2002 at 12:00 p.m., local time, or any adjournment thereof. The proxy and this proxy statement were mailed to stockholders on or about November 15, 2002.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. Proxies so received without specified instructions will be voted as follows:

(1) FOR the nominees named in the proxy to our Board of Directors; and

(2) FOR the approval of an increase in the number of common shares authorized to be issued pursuant to our 1998 Stock Option Plan from 3,000,000 to 3,750,000.

Our Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees to the Board. In the event that any other matter should come before the meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with their best judgment.

The total number of common shares outstanding and entitled to vote as of November 12, 2002 was 12,353,402. The common shares are the only class of securities entitled to vote on matters presented to our stockholders, each share being entitled to one vote.

Our Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (four) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees. A majority of the common shares outstanding and entitled to vote as of November 12, 2002, or 6,176,702 common shares, must be present at the meeting in person or by proxy in order to constitute a quorum for the transaction of business. Only stockholders of record as of the close of business on November 12, 2002 will be entitled to vote. With regard to the election of directors, votes may be cast in favor or withheld. The directors shall be elected by a plurality of the votes cast in favor. Accordingly, based upon there being four nominees, each person who receives one or more votes will be elected as a director. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals.

Stockholders may expressly abstain from voting on Proposal 2 by so indicating on the proxy. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted as present in the tabulation of votes on Proposal 2. Broker non-votes are not counted for the purpose of determining whether Proposal 2 has been approved. Since Proposal 2 requires the affirmative approval of a majority of the common shares present in person or represented by proxy at the meeting and entitled to vote (assuming a quorum is present at the meeting), abstentions will have a negative vote while broker non-votes will have no effect.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a stockholder who attends the meeting need not revoke a proxy given and vote in person unless the stockholder wishes to do so. Written revocations or amended proxies should be sent to us at 1158 Broadway, Hewlett, New York 11557, Attention: Corporate Secretary.

The proxy is being solicited by our Board of Directors. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Solicitations will be made primarily by mail, but certain of our directors, officers or employees may solicit proxies in person or by telephone, telecopier or telegram without special compensation.

A list of stockholders entitled to vote at the meeting will be available for examination by any stockholder for any purpose germane to the meeting, during ordinary business hours, for ten days prior to the meeting, at our offices, 1158 Broadway, Hewlett, New York 11557, and also during the whole time of the meeting for inspection by any stockholder who is present. To contact us, stockholders should call (516) 374-7600.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Sale of Interests in Stores

Prior to May 31, 2000, four of the DCAP stores were owned one-half by the daughter of Mr. Certilman and one-half by us. Effective May 31, 2000 we sold our 50% interest in each of the stores to Mr. Certilman upon the following material terms and conditions:

- The purchase price for our interest in the stores was approximately \$141,000, after certain credits.
- The purchase price was payable as follows:
 - \$66,000 was payable at the rate of \$6,000 per month, starting on the first anniversary of the closing, and
 - the balance of the purchase price was payable over five years, together with 6% interest, in equal monthly installments commencing on the second anniversary of the closing.
- We agreed to waive all indebtedness owing by the stores to us. As of the closing, the approximate amount of such indebtedness, which related to advances made by us on behalf of the stores for operating

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

expenses, was \$210,000.

- As part of the transaction, the stores became conversion franchisees, and the first annual franchise charge of \$18,000 per store was paid in full at the closing in consideration for a waiver of the annual franchise charges during the second year.
- The stores entered into franchise agreements with us, which are similar in most respects to our standard conversion franchise agreement (including standard territorial rights), except that
 - the stores have a right of first refusal with regard to franchise locations to be offered in zip codes adjoining those in which the stores are located, and
 - in the event we sell another franchise to be located in the territory with respect to which a store currently has certain rights (which is more expansive than the rights granted pursuant to the franchise agreements), the annual franchise fee for the particular store will be waived for six months.

These rights were granted in consideration of the waiver of certain other geographic rights not granted to other franchisees.

- Certain license fees totaling \$40,000 previously prepaid by Mr. Certilman will be retained by us, to be applied generally against franchise fees for any new franchises granted to Mr. Certilman or his designee.

The terms of sale were the result of arm's length negotiations between Mr. Certilman and us. No independent appraisal or valuation was received in connection with the sale.

The purchase price for the 50% interest in the stores acquired by Mr. Certilman (prior to the credits applied) was equal to approximately one-half of the aggregate commissions for the stores for the year ended December 31, 1999. We believe that a purchase price for a 50% interest in a store equal to one-half of the store's annual commissions represented fair market value at that time.

See "March 2001 Transactions" for a discussion of the cancellation of the above amount due by Mr. Certilman as well as of agreements to sell DCAP stores to Mr. Certilman as well as to Messrs. Kevin Lang and Abraham Weinzimer, principal stockholders and former DCAP officers and directors.

March 2001 Transactions

In March 2001, the following transactions occurred:

- We entered into agreements with Messrs. Lang, Weinzimer and Certilman that provided for our sale to them of a total of eight of our DCAP stores. Pursuant to the agreements, which were closed in November 2001 following shareholder approval, Mr. Lang acquired three of the stores for a total purchase price of approximately \$257,000, Mr. Weinzimer acquired three of the stores for a total purchase price of \$285,000 and an entity owned by Mr. Certilman (we refer to the entity as "Mr. Certilman") acquired two of the stores for a total purchase price of approximately \$225,000. The locations of the stores are as follows:
 - Lang: Amityville, New York

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

Medford, New York
Seaford, New York

- Weinzimer: Hempstead, New York
Hicksville, New York
Jamaica, New York
- Certilman: East Meadow, New York
Flushing, New York

At the time of execution of the agreements with Messrs. Lang and Weinzimer, each of them paid to us the total amount of his respective purchase price. At the time of execution of the agreement with Mr. Certilman, we received approximately \$197,000 of the purchase price. The balance of \$28,000 was paid at the closing of the acquisition through the assumption of our obligation to an unaffiliated third party in that amount. The obligation was incurred in May 2000 in connection with our acquisition of the third party's interest in one of the stores acquired by Mr. Certilman. Pending the closing of the sales, each of Messrs. Lang, Weinzimer and Certilman managed his respective stores and was entitled to receive a management fee equal to the net profits of the stores. Each of them was also responsible for all losses incurred during the interim period.

- At the closing, we entered into franchise agreements with Lang, Weinzimer and Certilman on terms similar to those entered into by Mr. Certilman in May 2000 (as described above under "Sale of Interests in Stores"), except that, in general, none of the franchisees will be allowed to terminate their respective franchise agreement prior to March 31, 2003. Pending the closing, Messrs. Lang, Weinzimer and Certilman were responsible for charges as if the franchise agreements had been executed.
- We reacquired a total of 3,714,616 of the shares owned by Messrs. Lang and Weinzimer in consideration of the cancellation of indebtedness owed to us by them in the aggregate amount of \$928,654.
- We agreed with Mr. Lang to terminate his employment agreement that was scheduled to expire in February 2004, and DCAP Management, our wholly-owned subsidiary that operates our franchise business, entered into a new employment agreement with him which expired on September 30, 2001. Based upon Mr. Lang's agreement to forgo the compensation otherwise payable to him for the balance of the original employment term (\$667,000, net of the amount payable to him pursuant to his new employment agreement), we granted to Mr. Lang a price concession of approximately \$85,000 in connection with his purchase of three stores. This price concession resulted in a purchase price of \$257,000 for Mr. Lang.
- We agreed with Mr. Weinzimer to terminate his employment agreement that was scheduled to expire in February 2004. Based upon Mr. Weinzimer's agreement to forgo the compensation otherwise payable to him for the balance of the employment term (\$729,000), we granted to Mr. Weinzimer a price concession of approximately \$85,000 in connection with his purchase of three stores. This price concession resulted in a purchase price of \$285,000 for Mr. Weinzimer.
- We agreed with Mr. Certilman to terminate his employment agreement that was scheduled to expire in February 2004. Concurrently, based

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

upon Mr. Certilman's agreement to forgo the compensation otherwise due him for the balance of the term of the employment agreement (\$365,000), we agreed to cancel indebtedness of approximately \$141,000 that Mr. Certilman owed to us pursuant to his purchase of our interest in four DCAP stores as discussed above under "Sale of Interests in Stores."

- We agreed with Mr. Haft to terminate his employment agreement that was scheduled to expire in February 2004.
- Each of Messrs. Lang, Weinzimer, Certilman and Haft resigned as an officer of DCAP Group. Messrs. Lang and Weinzimer also resigned as our directors.

The terms of the above sales agreements were the result of arm's length negotiations between us and each of Messrs. Lang, Weinzimer and Certilman that were based upon the terms of other recent sales of our stores to persons who are not affiliated with us, then current market conditions and the termination of the employment agreements with each of them, as discussed above. No independent appraisal or valuation was received in connection with the agreements. We did not utilize a special independent committee of our Board of Directors to perform an analysis of the fairness of the transactions or to negotiate the terms of the sales on our behalf.

Relationship

Certilman Balin Adler & Hyman, LLP, a law firm of which Mr. Certilman is a member, serves as our counsel. It is presently anticipated that such firm will continue to represent us and will receive fees for its services at rates and in amounts not greater than would be paid to unrelated law firms performing similar services. Certilman Balin has also served as counsel to DCAP Insurance and The Robert Plan with respect to certain matters; however, it did not serve as counsel to DCAP Insurance or Messrs. Lang and Weinzimer in connection with our acquisition of DCAP Insurance, to Messrs. Lang or Weinzimer in connection with the transactions with them discussed under "March 2001 Transactions" or to Eagle in connection with the issuance of shares to Eagle. In addition, Certilman Balin did not serve as counsel to either us or Mr. Certilman in connection with the transactions with him discussed under "Sale of Interests in Stores" and "March 2001 Transactions" above.

PROPOSAL 1: ELECTION OF DIRECTORS

Four directors are to be elected at the meeting to serve until the next annual meeting of stockholders and until their respective successors shall have been elected and have qualified.

Our Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (four) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees.

Nominees for Directors

All four of the nominees are currently directors of DCAP Group. The following table sets forth each nominee's age as of November 12, 2002, the positions and offices presently held by him with us, and the year in which he became a director. The Board recommends a vote FOR all nominees. The person named as proxy intends to vote cumulatively all shares represented by proxies equally among all nominees for election as directors, unless proxies are marked

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

to the contrary.

Report of the Audit Committee

In overseeing the preparation of DCAP's financial statements as of December 31, 2001 and for the years ended December 31, 2001 and 2000, the Audit Committee met with management to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with management. The Committee also discussed with Holtz Rubenstein LLP, DCAP's outside auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communication with Audit Committees).

The Committee received the written disclosures and letter from Holtz Rubenstein LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and the Committee discussed the independence of Holtz Rubenstein LLP with that firm.

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the audited financial statements be included in DCAP's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2001, for filing with the Securities and Exchange Commission.

Meetings

Our Board of Directors held eight meetings during the fiscal year ended December 31, 2001. All of our then directors attended all such meetings with the exception of Mr. Wallach, who attended three of the meetings. Neither the Audit Committee nor the Finance Committee of the Board of Directors held any meetings during the fiscal year ended December 31, 2001.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 of the Exchange Act requires that reports of beneficial ownership of common shares and changes in such ownership be filed with the Securities and Exchange Commission by Section 16 "reporting persons," including directors, certain officers, holders of more than 10% of the outstanding common shares and certain trusts of which reporting persons are trustees. We are required to disclose in this proxy statement each reporting person whom we know to have failed to file any required reports under Section 16 on a timely basis during the fiscal year ended December 31, 2001. To our knowledge, based solely on a review of written representations that no reports were required, during the fiscal year ended December 31, 2001, our officers, directors and 10% stockholders complied with all Section 16(a) filing requirements applicable to them, except that (i) Kevin Lang and Abraham Weinzimer, former officers, directors and 10% stockholders, filed their respective Form 4 late (which forms reported one transaction) and (ii) Barry Goldstein filed his Form 3 late.

PROPOSAL 2: AMENDMENT TO 1998 STOCK OPTION PLAN TO INCREASE NUMBER OF AUTHORIZED SHARES

The Board of Directors recommends that stockholders approve an amendment to our 1998 Stock Option Plan to increase the number of common shares authorized to be issued from 3,000,000 to 3,750,000. As of October 31, 2002, there were 2,900,000 common shares issuable pursuant to the exercise of outstanding options

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

granted under the plan. The plan plays an important role in our efforts to attract and retain employees of outstanding ability and to align the interests of employees with those of the stockholders through increased stock ownership. In order to continue to provide appropriate equity incentives to employees in the future, the Board has approved an increase in the number of reserved shares subject to stockholder approval. As discussed below, the plan is also designed to provide incentives to non-employee directors of, and consultants and advisors to, us and our subsidiaries.

The following statements include summaries of certain provisions of the plan. The statements do not purport to be complete and are qualified in their entirety by reference to the provisions of the plan, a copy of which is available at our offices.

Purpose

The purpose of the plan is to advance the interests of DCAP by inducing persons or entities of outstanding ability and potential to join and remain with, or provide consulting or advisory services to, us and our subsidiaries by encouraging and enabling eligible employees, non-employee directors, consultants and advisors to acquire proprietary interests, and by providing such employees, non-employee directors, consultants and advisors with an additional incentive to promote success of DCAP.

Administration

The plan provides for its administration by the Board or by a committee consisting of at least one person chosen by the Board. The Board or the committee has authority (subject to certain restrictions) to select from the group of eligible employees, non-employee directors, consultants and advisors the individuals or entities to whom options will be granted, and to determine the times at which and the exercise price for which options will be granted. The Board or the committee is authorized to interpret the plan and the interpretation and construction by the Board or the committee of any provision of the plan or of any option granted thereunder shall be final and conclusive. The receipt of options by directors or any members of the committee shall not preclude their vote on any matters in connection with the administration or interpretation of the plan.

Nature of Options

The Board or committee may grant options under the plan which are intended to either qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code (we refer to this as the "Code") or not so qualify. We refer to options that do not so qualify as "nonstatutory stock options." The Federal income tax consequences relating to the grant and exercise of incentive stock options and nonstatutory stock options are described below under "Federal Income Tax Consequences."

Eligibility

Subject to certain limitations as set forth in the plan, options to purchase shares may be granted thereunder to persons or entities who, in the case of incentive stock options, are employees or, in the case of nonstatutory stock options, are employees or non-employee directors of, or certain consultants or advisors to, us or our subsidiaries. At October 31, 2002, approximately 73 employees and three non-employee directors were eligible to receive options under the plan.

Option Price

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

The option price of the shares subject to an incentive stock option may not be less than the fair market value (as such term is defined in the plan) of the common shares on the date upon which such option is granted. In addition, in the case of a recipient of an incentive stock option who, at the time the option is granted, owns more than 10% of the total combined voting power of all classes of our stock or of a parent or of any of our subsidiaries, the option price of the shares subject to such option must be at least 110% of the fair market value of the common shares on the date upon which such option is granted.

The option price of shares subject to a nonstatutory stock option will be determined by the Board of Directors or the committee at the time of grant and need not be equal to or greater than the fair market value of our common shares.

On November 13, 2002, the closing bid price for our common shares, as reported by the OTC Bulletin Board, was \$.40 per share.

Exercise of Options

An option granted under the plan shall be exercised by the delivery by the holder to our Secretary at our principal office of a written notice of the number of shares with respect to which the option is being exercised. The notice must be accompanied, or followed within ten days, by payment of the full option price of such shares which must be made by the holder's delivery of (i) a check in such amount or (ii) previously acquired common shares, the fair market value of which shall be determined as of the date of exercise, or a combination of (i) and (ii).

Duration of Options

No incentive stock option granted under the plan shall be exercisable after the expiration of ten years from the date of its grant. However, if an incentive stock option is granted to a 10% stockholder, the option shall not be exercisable after the expiration of five years from the date of its grant.

Nonstatutory stock options granted under the plan may be of such duration as shall be determined by the Board or the committee.

Non-Transferability

Options granted under the plan are not transferable otherwise than by will or the laws of descent and distribution and such options are exercisable, during a holder's lifetime, only by the optionee.

Death, Disability or Termination of Employment

Subject to the terms of the stock option agreement pursuant to which options are granted, if the employment of an employee or the services of a non-employee director, consultant or advisor shall be terminated for cause, or such employment or services shall be terminated voluntarily, any options held by such persons or entities shall expire immediately. If such employment or services shall terminate other than by reason of death or disability, voluntarily by the employee, non-employee director, consultant or advisor or for cause, then, subject to the terms of the stock option agreement pursuant to which options are granted, such option may be exercised at any time within three months after such termination, but in no event after the expiration of the option. For purposes of the plan, the retirement of an individual either pursuant to a pension or retirement plan adopted by us or at the normal retirement date prescribed from time to time by us shall be deemed to be a termination of such individual's employment other than voluntarily by the

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

employee or for cause.

Subject to the terms of the stock option agreement pursuant to which options are granted, if an option holder under the plan (i) dies while employed by us or any of our subsidiaries or while serving as a non-employee director of, or consultant or advisor to, us or any of our subsidiaries, or (ii) dies within three months after the termination of his employment or services other than voluntarily or for cause, then such option may be exercised by the estate of the employee, non-employee director, consultant or advisor, or by a person who acquired such option by bequest or inheritance from the deceased option holder, at any time within one year after his death. Subject to the terms of the stock option agreement pursuant to which options are granted, if the holder of an option under the plan ceases employment or services because of permanent and total disability (within the meaning of Section 22(e)(3) of the Code) while employed by, or while serving as a non-employee director of, or consultant or advisor to, us or any of our subsidiaries, then such option may be exercised at any time within one year after his termination of employment, termination of directorship, or termination of consulting or advisory arrangement or agreement due to the disability.

Amendment and Termination

The plan (but not options previously granted thereunder) shall terminate on November 2, 2008, ten years from the date that it was adopted by the Board. Subject to certain limitations, the plan may be amended or modified from time to time or terminated at an earlier date by the Board or by the stockholders.

Plan Benefits

The following table sets forth certain information regarding options granted under the plan to (i) each person listed in the Summary Compensation Table under "Executive Compensation," (ii) all current executive officers as a group, (iii) all current directors who are not executive officers as a group, (iv) each nominee for election as a director, (v) each associate of any such directors, executive officers or nominees, (vi) each other person who received 5% of the options granted and (vii) all employees, including current officers who are not executive officers, as a group:

Federal Income Tax Consequences

Nonstatutory Stock Options

Under the Code and the Treasury Department Regulations, a nonstatutory stock option does not ordinarily have a "readily ascertainable fair market value" when it is granted. This rule will apply to our grant of nonstatutory stock options. Consequently, the grant of a nonstatutory stock option to an optionee will result in neither income to him nor a deduction to us. Instead, the optionee will recognize compensation income at the time he exercises the nonstatutory stock option in an amount equal to the excess, if any, of the then fair market value of the shares transferred to him over the option price. Subject to the applicable provisions of the Code and the Regulations regarding withholding of tax, a deduction will be allowable to us in the year of exercise in the same amount as is includable in the optionee's income.

For purposes of determining the optionee's gain or loss on the sale or other disposition of the shares transferred to him upon exercise of a nonstatutory stock option, the optionee's basis in such shares will be the sum of his option price plus the amount of compensation income recognized by him on exercise. Such gain or loss will be capital gain or loss and will be long-term or short-term depending upon whether the optionee held the shares for more than one year or one year or less. No part of any such gain will be an "item of tax preference" for purposes of the "alternative minimum tax."

Incentive Stock Options

Options granted under the plan which qualify as incentive stock options under Section 422 of the Code will be treated as follows:

Except to the extent that the alternative minimum tax rule described below applies, no tax consequences will result to the optionee or us from the grant of an incentive stock option to, or the exercise of an incentive stock option by, the optionee. Instead, the optionee will recognize gain or loss when he sells or disposes of the shares transferred to him upon exercise of the incentive stock option. For purposes of determining such gain or loss, the optionee's basis in such shares will be his option price. If the date of sale or disposition of such shares is at least two years after the date of the grant of the incentive stock option, and at least one year after the transfer of the shares to him upon exercise of the incentive stock option, the optionee will realize long-term capital gain treatment upon their sale or disposition.

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

Generally, we will not be allowed a deduction with respect to an incentive stock option. However, if an optionee fails to meet the foregoing holding period requirements (a so-called disqualifying disposition), any gain recognized by the optionee upon the sale or disposition of the shares transferred to him upon exercise of an incentive stock option will be treated in the year of such sale or disposition as ordinary income, rather than capital gain, to the extent of the excess, if any, of the fair market value of the shares at the time of exercise (or, if less, in certain cases the amount realized on such sale or disposition) over their option price, and in that case we will be allowed a corresponding deduction.

For purposes of the alternative minimum tax, the amount, if any, by which the fair market value of the shares transferred to the optionee upon such exercise exceeds the option price will be included in determining the optionee's alternative minimum taxable income. In addition, for purposes of such tax, the basis of such shares will include such excess.

To the extent that the aggregate fair market value (determined at the time the option is granted) of the stock with respect to which incentive stock options are exercisable for the first time by the optionee during any calendar year exceeds \$100,000, such options will not be incentive stock options. In this regard, upon the exercise of an option which is deemed, under the rule described in the preceding sentence, to be in part an incentive stock option and in part a nonstatutory stock option, under existing Internal Revenue Service guidelines, we may designate which shares issued upon exercise of such options are incentive stock options and which shares are nonstatutory stock options. In the absence of such designation, a pro rata portion of each share issued is to be treated as issued pursuant to the exercise of an incentive stock option and the balance of each share treated as issued pursuant to the exercise of a nonstatutory stock option.

Recommendation and Required Vote

The affirmative vote of the holders of a majority of our outstanding common shares present at the meeting, in person or by proxy, is required for approval of this proposal. Our Board of Directors recommends a vote FOR this proposed amendment to the 1998 Stock Option Plan.

INDEPENDENT PUBLIC ACCOUNTANTS

Holtz Rubenstein & Co., LLP has served as our auditors since 1990 and was selected as our independent public accountants with respect to the fiscal year ended December 31, 2001.

It is not expected that a representative of Holtz Rubenstein will attend the meeting.

Audit Fees

The aggregate fees billed by Holtz Rubenstein for professional services rendered for the audit of our annual financial statements for the 2001 fiscal year and the review of the financial statements included in our Forms 10-QSB for that fiscal year were approximately \$60,000.

Financial Information Systems Design and Implementation Fees

During fiscal 2001, Holtz Rubenstein did not render to us any of the professional services with regard to financial information systems design and implementation described in paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X.

All Other Fees

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

The aggregate fees billed for services rendered by Holtz Rubenstein for fiscal 2001, other than the services described above under "Audit Fees," were approximately \$15,000.

The Audit Committee has determined that the provision of the services covered in "All Other Fees" is compatible with maintaining Holtz Rubenstein's independence.

STOCKHOLDER PROPOSALS

Stockholder proposals intended to be presented at our next annual meeting of stockholders pursuant to the provisions of Rule 14a-8 of the Securities and Exchange Commission, promulgated under the Exchange Act, must be received at our offices in Hewlett, New York by July 18, 2003 for inclusion in our proxy statement and form of proxy relating to such meeting. We, however, intend to hold our next annual meeting earlier in 2003 than in 2002. Accordingly, we suggest that stockholder proposals intended to be presented at the next annual meeting be submitted well in advance of April 15, 2003, the earliest date upon which we anticipate the proxy statement and form of proxy relating to such meeting will be released to stockholders.

The following requirements with respect to stockholder proposals and stockholder nominees to our Board of Directors are included in our By-Laws.

1. Stockholder Proposals. In order for a stockholder to make a proposal at an annual meeting of stockholders, under our By-Laws, timely notice must be received by us in advance of the meeting. To be timely, the proposal must be received by our Secretary at our principal executive offices (as provided below) on a date which is not less than 60 days nor more than 90 days prior to the date which is one year from the date of the mailing of the proxy statement for the prior year's annual meeting of stockholders. If during the prior year we did not hold an annual meeting, or if the date of the meeting for which a stockholder intends to submit a proposal has changed more than 30 days from the date of the meeting in the prior year, then the notice must be received a reasonable time before we mail the proxy statement for the current year. A stockholder's notice must set forth as to each matter the stockholder proposes to bring before the annual meeting certain information regarding the proposal, including the following:

- a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at such meeting;
- the name and address of the stockholder proposing such business;
- the class and number of our shares which are beneficially owned by such stockholder; and
- any material interest of such stockholder in such business.

2. Stockholder Nominees. In order for a stockholder to nominate a candidate for director, under our By-Laws, timely notice of the nomination must be received by us in advance of the meeting. To be timely, the notice must be received at our principal executive offices (as provided below) not less than 60 days nor more than 90 days prior to the meeting; however, if less than 70 days' notice of the date of the meeting is given to stockholders and public disclosure of the meeting date, pursuant to a press release, is either not made at all or is made less than 70 days prior to the meeting date, notice by a stockholder to be timely made must be so received no later than the close of business on the tenth day following the earlier of the following:

Edgar Filing: DCAP GROUP INC/ - Form DEF 14A

- the day on which the notice of the date of the meeting was mailed to stockholders, or
- the day on which such public disclosure of the meeting date was made.

The stockholder sending the notice of nomination must describe various matters, including such information as:

- the name, age, business and residence addresses, occupation or employment and shares held by the nominee;
- any other information relating to such nominee required to be disclosed in a proxy statement; and
- the name, address and number of shares held by the stockholder.

These requirements are separate from and in addition to the requirements a stockholder must meet to have a proposal included in our proxy statement.

Any notice given pursuant to the foregoing requirements must be sent to our Secretary at 1158 Broadway, Hewlett, New York 11557. The foregoing is only a summary of the provisions of our By-Laws that relate to stockholder proposals and stockholder nominations for director. Any stockholder desiring a copy of our By-Laws will be furnished one without charge upon receipt of a written request therefor.

OTHER BUSINESS

While the accompanying Notice of Annual Meeting of Stockholders provides for the transaction of such other business as may properly come before the meeting, we have no knowledge of any matters to be presented at the meeting other than those listed as Proposals 1 and 2 in the notice. However, the enclosed proxy gives discretionary authority in the event that any other matters should be presented.
