REPORTS RESULTS FOR THE QUARTER AND NINE MONTHS ENDED

Springfield, New Jersey - May 30, 2003 - Village Super Market, Inc. (NSD-VLGEA) today reported sales and net income for the third quarter ended April 26, 2003.

Net income was \$1,897,000 (\$.60 per diluted share) in the third quarter of fiscal 2003, a decrease of 19% from the prior year. Third quarter results were adversely impacted by increased contributions to union health and pension plans, a soft economy and a higher effective tax rate.

Sales in the third quarter were \$221,450,000, an increase of 2.3% from the prior year. Same store sales increased 1.2%. Approximately half of the same store sales increase is due to higher sales at the Garwood, NJ store, which opened September 26, 2001, and is included in same store sales beginning in the second quarter of fiscal 2003. Same store sales increased less this fiscal year than in recent years due to a substantial number of store openings by competitors near the Company's stores in the last year, a softening of the economy and increased levels of promotional activity in New Jersey.

Net income for the nine month period of fiscal 2003 was \$8,388,000 (\$2.66 per diluted share), a decrease of 3% from the prior year. Excluding \$1,639,000 (pre tax) of income received from two partnerships in fiscal 2003 and a \$640,000 (pre tax) non-cash impairment charge in the prior year, net income declined 19% in the nine month period. Sales were \$671,899,000 for the nine month period of fiscal 2003, an increase of 2.1% from the prior year. Same store sales increased 1.3% for the first nine months of fiscal 2003.

James Sumas, Chief Executive Officer, said "Despite the challenges of a competitive marketplace and a weak economic environment, we achieved positive operating results in the third quarter. We don't anticipate any easing of competitive activities in the fourth quarter. We expect same store sales in the fourth quarter of fiscal 2003 to be flat to a 1.0% increase. Based on these factors, we believe it will be difficult to match the earnings level achieved in the fourth quarter of the prior fiscal year."

Village Super Market operates a chain of 23 supermarkets under the ShopRite name in New Jersey and eastern Pennsylvania.
