GENERAL

This Information Statement is being furnished to the stockholders of GenesisIntermedia.com, Inc., a Delaware corporation, in connection with the approval of an amendment to our Certificate of Incorporation by the written consent of the holders of a majority in interest of our voting capital stock. On February 14, 2001, our board of directors approved an amendment to our Certificate of Incorporation to change our name from "GenesisIntermedia.com, Inc." to "GenesisIntermedia, Inc." and to increase the authorized shares of Common Stock to 125,000,000 from 25,000,000 and Preferred Stock to 25,000,000 from 5,000,000.

On March 21, 2001, the holders of approximately 72% of our outstanding Common Stock beneficially owned by Ramy El-Batrawi and Ultimate Holdings, Ltd., gave their written consent to the adoption of the proposed amendment. The authorization of the amendment to effect the name change shall not become effective until at least 20 days after the mailing of this Information Statement to all stockholders of record. This Information Statement will be sent to stockholders of record on or about March 21, 2001. The record date established by the Company for purposes of determining our outstanding number of shares of Common Stock was March 21, 2001.

No special meeting of stockholders to approve the proposed amendment is required under Section 228 of the Delaware General Corporation Law, which provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a meeting.

Pursuant to Section 242 of the Delaware General Corporation Law, a majority of the outstanding shares of voting capital stock entitled to vote is required to amend our Certificate of Incorporation. The holders of a majority of the outstanding shares of our Common Stock desired to proceed without a meeting of stockholders to (i) eliminate the costs and management time required to hold a special meeting of stockholders and (ii) effect the proposed amendment as soon as possible and therefore accomplish the purposes of the proposed amendment in a timely manner.

Accordingly, all corporate actions necessary to authorize the amendment to the Certificate of Incorporation have been taken. Pursuant to the rules and regulations under the Securities Exchange Act of 1934, the authorization of the amendment by the board of directors and stockholders shall not become effective until at least 20 days after we have mailed this Information Statement to our stockholders. Promptly following the expiration of this 20-day period, we intend to file a Certificate of Amendment to our Certificate of Incorporation with the Delaware Secretary of State. The amendment will become effective on the date of that filing.

2

Under Section 228 of the Delaware General Corporation Law, we are required to provide prompt notice of the taking of the corporate action without a meeting to stockholders who have not consented in writing to the action. No additional action will be undertaken as a result of the written consent, and no dissenters' rights under the Delaware General Corporation Law are afforded to stockholders as a result of the adoption of the proposed amendment.

THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION HAS BEEN APPROVED BY THE STOCKHOLDERS WHO HOLD SUFFICIENT VOTING SECURITIES TO APPROVE THIS ACTION. THIS INFORMATION STATEMENT IS BEING PROVIDED TO YOU SOLELY FOR YOUR INFORMATION. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY NAME (ITEM I)

Our board of directors and the holders of a majority of the outstanding shares of our common stock approved the amendment to change our name from "GenesisIntermedia.com, Inc." to "GenesisIntermedia, Inc."

Reasons for the proposed name change

Our current name is GenesisIntermedia.com, Inc. We operate through numerous distinct marketing channels. Through Centerling, we are a leading provider of public Internet access portals in shopping malls. We also market products and services that we or third parties develop via network, cable television, radio, newspapers, magazines and the Centerling network. The holders of a majority in interest of our voting capital stock and our board of directors believe that the ".com" suffix does not accurately characterize our present multi-faceted operations and that it is in our best interest to delete the ".com" suffix from our name. Because the board believes there is substantial goodwill in the "Genesis Intermedia" name, the board determined to change our name to "GenesisIntermedia, Inc."

4

AMENDMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBERS OF AUTHORIZED SHARES (ITEM II)

Our Certificate of Incorporation currently authorizes the issuance of 25,000,000 shares of common stock, with a par value of \$.001 per share, and 5,000,000 shares of preferred stock with a par value of \$.001 per share. Our board of directors and the holders of a majority of the outstanding shares of our common stock approved an amendment to the Company's Certificate of Incorporation to increase the authorized number of shares of common stock to 125,000,000 and to increase the authorized number of shares of preferred stock to 25,000,000.

Reasons for the proposed increase of authorized shares.

As of March 21, 2001, we had approximately 21,222,767 shares of common stock issued and outstanding.

The board of directors and the holders of a majority of the outstanding shares of Common Stock believe that the availability of authorized but unissued shares will provide the Corporation with the flexibility to issue Common Stock for a variety of corporate purposes, such as to effect future stock splits in the form of stock dividends, to make acquisitions through the use of stock, to raise equity capital, to adopt additional employee benefit plans or to reserve additional shares for issuance under such plans and under plans of acquired companies. The board of directors believes that the proposed increase in authorized Common Stock would facilitate the Corporation's ability to accomplish stock splits in the form of a stock dividend and other business and financial objectives in the future without then necessity of delaying such activities for further shareholder approval, except as may be required in particular cases by the Corporation's charter documents, applicable law or the rules of any stock exchange or national securities association trading system on which the

Edgar Filing: GENESISINTERMEDIA COM INC - Form PRE 14C

Corporation's securities may then be listed. Other than as permitted or required under the Corporation's employee benefit plans and under outstanding options, warrants and other securities convertible into common stock, and the acquisition described above, the board of directors has no immediate plans, understandings, agreement or commitments to issue additional common stock for any purposes. Whether or not the Corporation's shareholders approve this proposal will not impact the Corporation's existing agreements to issue stock, including pursuant to the acquisition described above. No additional action or authorization by the Corporation's stockholders would be necessary prior to the issuance of such additional shares, unless required by applicable law or the rules of any stock exchange or national securities association trading system on which the Common Stock is then listed or quoted. The Corporation reserves the right to seek a further increase in authorized shares from time to time in the future as considered appropriate by the board of directors.

Under the Corporation's Certificate of Incorporation, the Corporation's stockholders do not have preemptive rights with respect to Common Stock. Thus, should the board of directors elect to issue additional shares of Common Stock, existing stockholders would not have any preferential rights to purchase such shares. If the board of directors elects to issue additional shares of Common Stock, such issuance could have a dilutive effect on the earnings per share, book value per share voting power and shareholdings of current stockholders.

The proposal could have an anti-takeover effect, although that is not its intention. For example, if the Corporation were the subject of a hostile

5

takeover attempt, it could try to impede the takeover by issuing shares of Common Stock, thereby diluting the voting power of the other outstanding shares and increasing the potential cost of the takeover. The availability of this defensive strategy to the Corporation could discourage unsolicited takeover attempts, thereby limiting the opportunity for the Corporation's stockholders to realize a higher price for their shares than is generally available in the public markets. The board of directors is not aware of any attempt, or contemplated attempt, to acquire control of the Corporation, and this proposal is not being presented with the intent that it be utilized as a type of anti-takeover device. In addition to the Corporation's Common Stock, the Corporation's Certificate of Incorporation currently empowers the board of directors to authorize the issuance of one or more series of preferred stock without stockholder approval. No shares of preferred stock of the Corporation are issued or outstanding.

The proposed Amendment will become effective upon filing of a Certificate of Amendment to the Corporation's Certificate of Incorporation with the Delaware Secretary of State. However, the board of directors retains discretion under Delaware law not to implement the proposed amendment. If the board of directors exercised such discretion, the number of authorized shares would remain at current levels.

No dissenter's rights

Under Delaware law, stockholders are not entitled to dissenter's rights of appraisal with respect to the proposed amendment.

The complete text of the amendment is set forth in Exhibit A to this Information Statement and incorporated by reference. The text is, however, subject to change as may be required by the Delaware Secretary of State. Upon filing of a Certificate of Amendment with the Delaware Secretary of State, the amendment will be effective.
