The Company's Restated Certificate of Incorporation provides that each person who received Shares pursuant to the Agreement of Merger, dated March 7, 1986, which was approved by the shareholders of Carlisle Corporation and became effective on May 30, 1986, is entitled to five votes per Share. Persons acquiring Shares after May 30, 1986 (the effective date of the Merger) are entitled to one vote per share until the Shares have been beneficially owned (as defined in the Restated Certificate of Incorporation) for a continuous period of four years. Following continuous ownership for a period of four years, the Shares are entitled to five votes per share. BOARD OF DIRECTORS

A. Election of Directors

The Company's Restated Certificate of Incorporation provides for a classified Board of Directors under which the Board is divided into three classes of Directors, each class as nearly equal in number as possible.

At the Annual Meeting four (4) Directors are to be elected. The Directors will be elected to serve for a three-year term until the 2006 Annual Meeting and until their successors are elected and qualified. Directors will be elected by a plurality of the votes cast. Only votes cast for a nominee will be counted, except that the accompanying Proxy will be voted for the four nominees in the absence of instructions to the contrary. Abstentions, broker non-votes, and instruction on the accompanying Proxy to withhold authority to vote for one or more of the nominees will result in the respective nominees receiving fewer votes. For voting purposes, proxies requiring confirmation of the date of beneficial ownership received by the Board of Directors with such confirmation not completed so as to show which Shares beneficially owned by the shareholder are entitled to five votes will be voted with one vote for each Share. (See "Voting by Proxy and Confirmation of Beneficial Ownership" beginning on page 18.) In the event any nominee is unable to serve (an event management does not anticipate), the Proxy will be voted for a substitute nominee selected by the Board of Directors or the number of Directors will be reduced.

B. Meetings of the Board and Certain Committees; Remuneration of Directors

During 2002, the Board of Directors of the Company held eight (8) meetings. The annual fee paid to each Director who is not a member of management was \$25,000. Each non-management Director may elect to receive the entire annual fee in cash or one-half of the fee in cash and the other half in Shares with a market value equal to that amount. In addition, the non-management Directors received an attendance fee of \$1,500 for each Board meeting attended.

The Board has standing Executive, Audit, Compensation and Pension and Benefits Committees.

The Executive Committee has the authority to exercise all powers of the Board of Directors between regularly scheduled Board meetings. During 2002, the Executive Committee met once. Each member of the Executive Committee (other than Mr. Munn, the Company's Chairman during 2002 and the Chairman of the Committee) received an annual fee of \$15,000.

The functions of the Audit Committee consist of annually recommending the independent accountants to be appointed by the Board of Directors as the auditors of the Company and its subsidiaries, and reviewing the arrangements for and the results of the auditors' examination of the Company's books and records, auditors' compensation, internal accounting control procedures, and activities and recommendations of the Company's internal auditors as well as the Company's accounting policies, control systems and compliance activities. In addition to the members identified in the tables under "Nominees for Election" and "Directors with Unexpired Terms" beginning on page 5, George F. Ohrstrom served as a member of the Audit Committee until his resignation from the Board, effective September 3, 2002. During 2002, the Audit Committee held nine (9) meetings. During 2002, the Compensation Committee met twice. Each member of the Compensation Committee received an annual fee of \$1,000. The Chairman of the Committee received an additional annual fee of \$3,000.

Edgar Filing: CARLISLE COMPANIES INC - Form DEF 14A

The Pension and Benefits Committee monitors the performance of the Company's pension and benefits programs and implements changes recommended by the Board. During 2002, the Pension and Benefits Committee held three (3) meetings. Each member of the Pension and Benefits Committee received an annual fee of \$1,000. The Chairman of the Committee received an additional annual fee of \$3,000.

Each non-management member of a Committee received an attendance fee of \$400 for each meeting attended. In addition, Directors are occasionally asked to serve on special committees and are typically paid \$400 for each meeting attended or \$1,000 for a visit to a plant site which may require an overnight stay.

For 2002, all Directors attended at least seventy-five percent (75%) of the aggregate of (i) the total number of Board of Directors meetings which he or she was eligible to attend and (ii) all meetings of Committees of the Board on which the Director served.

In addition, at its February, 2000 meeting, the Board of Directors adopted a Nonemployee Director Stock Option Plan. In February, 2002, the Plan was amended to condition option grants on the attainment of financial criteria established by the Board from time to time. With respect to the calendar year ended December 31, 2002, the financial criterion was a specified increase in earnings per share. The Company achieved the specified increase in earnings per share and, as a result, each eligible non-employee director received an option to acquire 1,000 Shares at an option price of \$40.06, which was equal to the closing market price of the Shares on the date of the grant. All options expire ten years following the date of grant. With respect to calendar year-ended December 31, 2003, the financial criterion is also a specified increase in earnings per share.

At its February, 2003 meeting, the Board established a Corporate Governance and Nominating Committee to develop and recommend to the Board for its approval a set of corporate governance guidelines, to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for shareholder approval at the Company's annual meetings, to review the Board's committee structure and recommend to the Board for its approval directors to serve as members of each committee and to periodically evaluate the performance of the Chief Executive Officer, discuss succession planning and recommend a new Chief Executive Officer if a vacancy occurs. The initial members of the Corporate Governance and Nominating Committee are Donald G. Calder, Paul J. Choquette, Jr., Peter F. Krogh and Anthony W. Ruggiero, with Mr. Choquette serving as Chairman. Each member of the Corporate Governance and Nominating Committee will receive an annual fee of \$5,000. The Chairman of the Committee will receive an additional annual fee of \$10,000.

8

In addition, at its February, 2003 meeting, the Board increased the annual fee paid to each Director who is not a member of management to \$35,000. Moreover, each member of the Audit Committee will receive an annual fee of \$10,000 and the Chairman of the Audit Committee will receive an additional annual fee of \$5,000 and each member of the Compensation and Pension and Benefits Committees will receive an annual fee of \$5,000 and the Chairman of such Committees will receive an additional annual fee of \$10,000. Finally, a \$5,000 attendance fee will be paid to all Directors who attend at least 75% of the aggregate of (i) the total number of Board of Directors meetings which he or she is eligible to attend, and (ii) all meetings of Committees of the Board on which the Director serves. All of the compensation changes described in this paragraph are effective January 1, 2003.

Each Director who is not a member of management is a participant in a Director Retirement Program. Each such Director who has attained five years of service on the Board as a non-employee from the date of his or her election to the Board is eligible to receive retirement benefits under the Program. Upon retirement from the Board, each eligible Director will receive monthly payments equal to \$1,667. The Program payments continue for the number of months equal to the Director's months of service on the Board; or until the death of the Director, whichever occurs first. In the event a retired Director receiving payments dies before receiving his or her full benefit, the Director's surviving spouse will receive the remaining benefits until the spouse's death or the benefit is completed, whichever occurs first.

C. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and Directors, and persons who beneficially own more than ten percent (10%) of the Company's equity securities, to file reports of security ownership and changes in such ownership with the Securities and Exchange Commission (the "SEC"). Executive officers, Directors and greater than ten-percent beneficial owners also are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of copies of such forms and written representations from its executive officers and Directors, the Company believes that all Section 16(a) filing requirements were complied with on a timely basis during and for 2002.

B. Stock Option Grants in 2002

The following table discloses information on stock option grants in fiscal 2002 to the named executive officers.

Name	Individual Grants		Exercise Price (\$/Sh)	Expiration Date(1)	Pre-tax(2) Grant Date Present Value(3)
	Number of Securities Underlying Options Granted (#)	% of Total Options Granted to Employees in Fiscal Year (%)			
Stephen P. Munn					
Richmond D. McKinnish	100,000	55.40%	\$ 36.57	2/19/12	\$ 891,200
Kirk F. Vincent	10,000	5.54%	\$ 36.57	2/19/12	\$ 89,120

Steven J. Ford	3,000	1.66%	\$ 35.76	7/31/11	\$ 26,136
	3,000	1.66%	\$ 36.57	2/19/12	\$ 26,736

- (1) Options with a February 19, 2012 expiration date are exercisable, 33.3% on February 20, 2002 an additional 33.3% on February 20, 2003 and the balance on February 20, 2004 and thereafter, cumulatively, through the expiration date. Options with a July 31, 2011 expiration date are exercisable, 33.3% on February 6, 2002, and additional 33.3% on February 6, 2003 and the balance on February 6, 2004 and thereafter, cumulatively, through the expiration date. In addition, the options are immediately exercisable upon a Change of Control (as defined on page 12).
- (2) Prior to applicable federal, state and other taxes.
- (3) The Black-Scholes model used to calculate the hypothetical values at date of grant considers the following factors to estimate the options present value: the stock's historic volatility calculated using the quarterly market price of the Shares since March, 1991, the expected life of the option, risk-free interest rates and the Shares expected dividend yield. The assumptions used in the model for this valuation were: return volatility of 28.6%; expected life of 7 years; risk-free interest of 4.9%; and an expected dividend yield of 2.3%. This resulted in a value of \$11.14 per option for the options with a February 19, 2012 expiration date and \$10.89 for the options with a July 31, 2011 expiration date. The Black-Scholes model assumes that an option is not cancelable and that it can be sold at any time for cash. Since those assumptions are not applicable here, the Company has reduced the above grant date present values by 20%.

D. Pension Plan

The pension plans of the Company and its subsidiaries provide defined benefits including a cash balance formula whereby participants accumulate a cash balance benefit based upon a percentage of compensation allocation made annually to the participants' cash balance accounts. The allocation percentage ranges from 2% to 7% and is determined on the basis of each participant's years of service. The cash balance account is further credited with interest annually. The interest credit is based on the One Year Treasury Constant Maturities as published in the Federal Reserve Statistical Release over the one year period ending on the December 31st immediately preceding the applicable plan year. The interest rate for the plan year ending December 31, 2002 was 4.00%. Compensation covered by the pension plan of the Company and its subsidiaries includes total cash remuneration in the form of salaries and bonuses, including amounts deferred under Sections 401(k) and 125 of the Internal Revenue Code of 1986, as amended (the "Code").

The annual annuity benefit payable starting at normal retirement age (age 65 with five years of service) as accrued through December 31, 2002 under the pension plans of the Company and its subsidiaries for the executives named in the Summary Compensation table were as follows: Mr. Munn, \$400,000; Mr. McKinnish, \$254,993; Mr. Vincent, \$789; Mr. Forster, \$24,265; and Mr. Ford, \$16,091.

As of December 31, 2002, the full years of credited service under the plans for each of the following individuals were as follows: Mr. Munn, 13 years; Mr. McKinnish, 27 years; Mr. Vincent, .42 years; Mr. Forster, 16 years; and Mr. Ford, 6 years.

Section 401(a)(17) of the Code currently places a limit of \$200,000 on the amount of annual compensation covered under a qualified pension plan such as the one maintained by the Company (the "Retirement Plan"). Under an unfunded supplemental pension plan maintained by the Company, the Company will make payments as permitted by the Code to plan participants in an amount equal to the difference, if any, between the benefits that would have been payable under the Retirement Plan without regard to the limitations imposed by the Code and the actual benefits payable under the Retirement Plan as so limited.

E. Compensatory Arrangements and Related Transactions

The Company has outstanding agreements with certain executive employees of the Company selected by the Board of Directors, which agreements provide that the individuals will not, in the event of the commencement of steps to effect a Change of Control (defined generally as an acquisition of 20% or more of the outstanding voting shares or a change in a majority of the Board of Directors), voluntarily leave the employ of the Company until a third person has terminated his or its efforts to effect a Change of Control or until a Change of Control has occurred.

In the event of a termination of the individual's employment within three (3) years of a Change in Control, the executive is entitled to three years' compensation, including bonus, retirement benefits equal to the benefits he would have received had he completed three additional years of employment, continuation of all life, accident, health, savings, and other fringe benefits for three years, and relocation assistance.

At any time prior to a Change of Control, the Board of Directors of the Company may amend, modify or terminate any such agreement. The Board of Directors may also, at any time, terminate an agreement with respect to any executive employee who is affiliated with any group

seeking or accomplishing a Change of Control. Messrs. Munn, McKinnish, Vincent, Forster and Ford are each a party to such an agreement.

The policies of the Compensation Committee of the Board of Directors of the Company are highly performance-related and are intended to motivate and reward individual performance that contributes to the attainment of the operational, financial and strategic goals set by management to build shareholder value.

Executive officers of the Company receive an annual base salary and are eligible for grants of stock options and performance-based cash bonuses. The Compensation Committee evaluates subjective individual and objective Company performance criteria in determining the size of the various components of compensation. However, no pre-established compensation targets are set nor are any specific objective performance criteria or pre-established weights thereof assigned to any component to the exclusion of others.

Base salaries are normally adjusted annually, based upon general industry changes in salary levels, individual and Company performance and levels of duties and responsibilities.

Annual cash bonuses awarded to executive officers are based on a percentage of each officer's base salary. The percentage of base salary for each officer is determined each year by the Compensation Committee based on an evaluation of individual performances as reported to the Compensation Committee by the Chief Executive Officer, a review of overall Company and divisional performance criteria, such as sales (with an emphasis on organic growth), operating earnings, net earnings per share, cash flow generation (with an emphasis on working capital management), stock price, acquisitions, strategic accomplishments and other factors as the Compensation Committee deems appropriate.

Amounts paid as annual cash bonuses to the Chief Executive Officer and the four remaining highest compensated officers of the Company are included as compensation under Section 162(m) of the Internal Revenue Code for purposes of determining the extent to which a tax deduction will be disallowed to the Company for annual compensation paid to any such person in excess of \$1,000,000. In order to exclude annual cash bonuses from the calculation of the \$1,000,000 limitation, such amounts must be paid solely on account of the attainment of one or more performance goals that precludes the exercise of discretion by the Compensation Committee. The Compensation Committee believes that its policy of evaluating subjective individual performances in awarding annual cash bonuses is important to attracting, retaining and motivating key personnel of the Company and has determined that such discretion should be maintained in order to serve the best interests of the Company.

Stock options are generally awarded annually under a provision of the Company's Executive Incentive Plan which gives the Compensation Committee discretion to award stock options to executive employees. Under amendments to the stock option plan approved by the shareholders, compensation paid in the form of nonqualified stock options will constitute "performance-based compensation" under Section 162(m) of the Internal Revenue Code. In addition to preserving the Company's income tax deduction for compensation paid in the form of nonqualified stock options, the amendments enhance the performance-related policies of the Compensation Committee by assuring that compensation attributable to the exercise of stock options is paid solely on account of the attainment of a specified performance goal, namely, appreciation in value of the Company's stock. The amendments also function to reward executive officers only to the extent that the Company's shareholders have benefited from share appreciation. Under the amendments, stock options will generally be granted with an option price equal to the fair market value of the Company's stock on the date of grant. Additionally, in order to provide an objective formula for determining the maximum amount of compensation an executive officer may receive on the exercise of stock options, no participant may receive options to acquire more than one hundred thousand (100,000) option shares in any one fiscal year period. While the number of stock options awarded to any executive officer by the Compensation Committee is not determined by a

pre-established plan formula, the Compensation Committee reviews individual and Company performance criteria and other factors it deems appropriate in awarding stock options.

With respect to compensation earned by the executive officers of the Company in 2002 (including bonus compensation paid in 2003) the Compensation Committee reviewed and measured each executive's individual contributions to the progress made by the Company toward accomplishing its financial and strategic goals, including the Company's performance against prior year financial figures and ratios. The Compensation Committee determined, as reflected in the financial statements of the Company for the year ending December 31, 2002, that the Company performed favorably in 2002 against prior year sales (+7%), earnings (+33%) (prior to the 2002 evaluation of goodwill required by SFAS 142 and after adjusting 2001 earnings for the 2001 restructuring charge and the discontinuance of goodwill amortization) and stock price (+14.4%). With respect to stock performance, the Compensation Committee also found that the Company's share price performed favorably against the S&P 500 Composite Index and Russell 2000 Index over the 12 month period ended December 31, 2002 (+36.4% and +34.7%, respectively) and the 36 month period ended December 31, 2002 (+60% and +42.6%, respectively). The Compensation Committee also found that the Company achieved record cash flow from operations of \$226.1 million in 2002. Moreover, quarterly dividends increased over 4%, enabling the Company to pass on a portion of the Company's earnings to shareholders. Of course, industry standards and global economic conditions also influenced executive compensation decisions by the Committee.

Edgar Filing: CARLISLE COMPANIES INC - Form DEF 14A

Salary and bonus paid to Mr. McKinnish, the Company's Chief Executive Officer, were assessed on both qualitative and quantitative performance based measures consistent with the policies set forth above. The increase in salary paid to Mr. McKinnish was intended to reward him for his past accomplishments and to conform his salary to that of Chief Executive Officers of comparable companies. The option grant to Mr. McKinnish was intended to more closely align his interest with the long-term interests of the Company's shareholders, and was consistent with the awards made to the Company's prior Chief Executive Officer. With respect to bonus compensation, the Committee included in Mr. McKinnish's performance measurement a comparative review of Company financial figures and ratios which, as discussed above, it found favorable, as well as the Company's share performance over the last one and three year periods as compared to the S&P 500 Composite Index and Russell 2000 Index.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors of the Company is comprised of six non-employee directors. The Board has made a determination that the members of the Audit Committee satisfy the requirements of the New York Stock Exchange as to independence, financial literacy and experience. The responsibilities of the Audit Committee are set forth in the Charter of the Audit Committee, which was adopted by the Board of Directors of the Company on May 3, 2000 and amended and restated on August 2, 2000, and which is reviewed annually by the Committee. The Committee, among other matters, is responsible for the annual recommendation of the independent accountants to be appointed by the Board of Directors as the auditors of the Company and its subsidiaries, and reviews the arrangements for and the results of the auditors' examination of the Company's books and records, auditors' compensation, internal accounting control procedures, and activities and recommendations of the Company's internal auditors. It also reviews the Company's accounting policies, control systems and compliance activities. The Committee also reviews the Charter of the Audit Committee and, at this time, is reviewing certain changes intended to conform the Charter with the requirements of the Sarbanes-Oxley Act of 2002 and the proposed rules of the New York Stock Exchange. At its February, 2003 meeting, the Board appointed Anthony W. Ruggiero as Chairman of the Audit Committee and determined that he is an "audit committee financial expert" as defined by the rules of the Securities and Exchange Commission, and appointed Robin W. Sternbergh to continue to serve on the Committee. Below is a report on the Committee's activities relating to fiscal year 2002.

Review of Audited Financial Statements with Management

The Audit Committee reviewed and discussed the audited financial statements with the management of the Company.

Review of Financial Statements and Other Matters with Independent Accountant

The Audit Committee discussed with the independent auditors the audited financial statements and the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380), as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with the independent accountant the independent accountant's independence. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors (as described below) were compatible with their independence.

Recommendation that Financial Statements be Included in Annual Report

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.

SELECTION OF AUDITORS

On May 1, 2002, the Board of Directors of the Company, as recommended by its Audit Committee, decided to no longer engage Arthur Andersen LLP ("Arthur Andersen" or "AA") as the Company's independent public accountants and engaged KPMG LLP ("KPMG") to serve as the Company's independent public accountants for the fiscal year 2002. KPMG's engagement commenced May 1, 2002.

Arthur Andersen's reports on the Company's consolidated financial statements for each of the years ended 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2001 and 2000 and through the date of the change in the Company's independent public accountants, there were no disagreements with Arthur Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to AA's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Company's consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Arthur Andersen with a copy of the foregoing disclosures. Attached as Exhibit 16 to the Company's related Form 8-K, dated May 1, 2002, is a copy of AA's letter, dated May 6, 2002, stating its agreement with such statements.

During the years ended December 31, 2001 and 2000 and prior to the date the Company engaged KPMG, the Company did not consult KPMG with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of the Regulation S-K.

The Audit Committee has decided to retain KPMG to audit the accounts of the Company and its subsidiaries for the year-ending December 31, 2003. One or more representatives of KPMG are expected to be present at the Annual Meeting and will be given an opportunity to make a statement, if they so desire, and to respond to appropriate questions of shareholders in attendance.

Set forth below are the fees billed to the Company by KPMG during the year ended December 31, 2002.

Audit Fees: \$330,348

Financial Information Systems Design and Implementation Fees: \$0

All Other Fees: \$322,687 consisting of tax services.

SHAREHOLDER PROPOSALS FOR PRESENTATION AT THE 2004 ANNUAL MEETING

If a shareholder of the Company wishes to present a proposal for consideration for inclusion in the Proxy Statement for the 2004 Annual Meeting, the proposal must be sent by certified mail-return receipt requested and must be received at the executive offices of the Company, 13925 Ballantyne Corporate Place, Suite 400, Charlotte, North Carolina 28277, Attn: Secretary, no later than November 8, 2003. All proposals must conform to the rules and regulations of the Securities and Exchange Commission. The Securities and Exchange Commission ("SEC") has amended Rule 14a-4, which governs the use by the Company of discretionary voting authority with respect to other shareholder proposals. SEC Rule 14a-4(c)(1) provides that, if the proponent of a shareholder proposal fails to notify the Company at least forty-five (45) days prior to the month and day of mailing the prior year's proxy statement, the proxies of the Company's management would be permitted to use their

discretionary authority at the Company's next annual meeting of shareholders if the proposal were raised at the meeting without any discussion of the matter in the proxy statement. For purposes of the Company's 2004 Annual Meeting of Shareholders, the deadline is January 22, 2004.

VOTING BY PROXY AND CONFIRMATION OF BENEFICIAL OWNERSHIP

To ensure that your Shares will be represented at the Annual Meeting, please complete, sign, and return the enclosed Proxy in the envelope provided for that purpose whether or not you expect to attend. Shares represented by a valid proxy will be voted as specified.

Any shareholder may revoke a proxy by a later-dated proxy or by giving notice of revocation to the Company in writing (addressed to the Company at 13925 Ballantyne Corporate Place, Suite 400, Charlotte, North Carolina 28277 Attention: Secretary) or by attending the Annual Meeting and voting in person.

The number of votes that each shareholder will be entitled to cast at the Annual Meeting will depend on when the Shares were acquired and whether or not there has been a change in beneficial ownership since the date of acquisition, with respect to each of such holder's Shares.

Shareholders whose Shares are held by brokers or banks or in nominee name are requested to confirm to the Company how many of the Shares they own as of February 26, 2003 were beneficially owned before February 26, 1999, entitling such shareholder to five votes per Share, and how many were acquired after February 25, 1999, entitling such shareholder to one vote per Share. If no confirmation of beneficial ownership is received from a shareholder prior to the Annual Meeting, it will be deemed by the Company that beneficial ownership of all such Shares was effected after February 25, 1999, and the shareholder will be entitled to one vote for each Share. If a shareholder provides incorrect information, he or she may provide correct information at any time prior to the voting of his or her Shares at the Annual Meeting.

Proxy Cards are being furnished to shareholders of record on February 26, 2003 whose Shares on the records of the Company show the following:

- (i) that such shareholder had beneficial ownership of such Shares before February 26, 1999, and there has been no change since that date, thus entitling such shareholder to five votes for each Share; or
- (ii) that beneficial ownership of such Shares was effected after February 25, 1999, thus entitling such shareholder to one vote for each Share; or
- (iii) that the dates on which beneficial ownership of such Shares was effected are such that such shareholder is entitled to five votes for some Shares and one vote for other Shares.

Printed on the Proxy Card for each individual shareholder of record is the number of Shares for which he or she is entitled to cast five votes each and/or one vote each, as the case may be, as shown on the records of the Company.

Shareholders of record are urged to review the number of Shares shown on their Proxy Cards in the five-vote and one-vote categories. If the number of Shares shown in a voting category is believed to be incorrect, the shareholder should notify the Company in writing of that fact and either enclose the notice along with the Proxy Card in the postage-paid, return envelope, or mail the notice directly to the Company at the address indicated above. The shareholder should identify the Shares improperly classified for voting purposes and provide information as to the date beneficial ownership was acquired. Any notification of improper classification of votes must be made at least three (3) business days prior to the Annual Meeting or the shareholder will be entitled at the Annual Meeting to the number of votes indicated on the records of the Company.

In certain cases record ownership may change but beneficial ownership for voting purposes does not change. The Restated Certificate of Incorporation of the Company states the exceptions where beneficial ownership is deemed not to have changed upon the transfer of Shares.

Edgar Filing: CARLISLE COMPANIES INC - Form DEF 14A

Shareholders should consult the pertinent provision of the Restated Certificate of Incorporation attached as Exhibit A for those exceptions.

By resolution duly adopted by the Board of Directors of the Company pursuant to subparagraph B(v) of Article Fourth of the Restated Certificate of Incorporation, the following procedures have been adopted for use in determining the number of votes to which a shareholder is entitled.

- (i) The Company may accept the written and signed statement of a shareholder to the effect that no change in beneficial ownership has occurred during the four years immediately preceding the date on which a determination is made of the shareholders of the Company who are entitled to vote or take any other action. Such statement may be abbreviated to state only the number of Shares as to which such shareholder is entitled to exercise five votes or one vote.
- (ii) In the event the Vice President, Treasurer of the Company, in his or her sole discretion, taking into account the standards set forth in the Company's Restated Certificate of Incorporation, deems any such statement to be inadequate or for any reason deems it in the best interest of the Company to require further evidence of the absence of change of beneficial ownership during the four-year period preceding the record date, he or she may require such additional evidence and, until it is provided in form and substance satisfactory to him or her, a change in beneficial ownership during such period shall be deemed to have taken place.
- (iii) Information supplementing that contemplated by paragraph (i) and additional evidence contemplated by paragraph (ii) may be provided by a shareholder at any time but must be furnished at least three business days prior to any meeting of shareholders at which such Shares are to be voted for any change to be effective at such meeting.

VOTING PROCEDURES

The presence, in person or by proxy, of the owners of a majority of the votes entitled to be cast is necessary for a quorum at the Annual Meeting.

All Shares in the Company's Employee Incentive Savings Plan that have been allocated to the account of a participant for which the Trustee receives voting instructions will be voted in accordance with those instructions.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors of the Company knows of no other business which will be or is intended to be presented at the Annual Meeting. Should any further business come before the Annual Meeting or any adjourned meeting, it is the intention of the proxies named in the enclosed Proxy to vote according to their best judgment.

By Order of the Board of Directors

Steven J. Ford,
Secretary

CARLISLE COMPANIES INCORPORATED

Voting Procedures Beneficial Owners
Common Stock of Carlisle Companies Incorporated

To All Banks, Brokers and Nominees:

Carlisle Companies Incorporated ("Carlisle") shareholders who were holders of record on February 26, 2003 and who acquired Carlisle Common Stock before February 26, 1999, will be entitled to cast five votes per share at the Annual Meeting to be held on April 21, 2003. Those holders of record who acquired their shares after February 25, 1999 are, with certain exceptions, entitled to cast one vote per share on the Common Stock they own.

To enable Carlisle to tabulate the voting by beneficial owners of Common Stock held in your name, a special proxy has been devised for use in tabulating the number of shares entitled to five votes each and one vote each. On this card, the beneficial owner must confirm the numbers of five-vote shares and one-vote shares, respectively, he or she is entitled to vote, and by the same signature, gives instructions as to the voting of those shares. ALL UNINSTRUCTED SHARES WILL BE VOTED UNDER THE 10-DAY RULE. ALL SHARES WHERE BENEFICIAL OWNERSHIP IS NOT CONFIRMED, WHETHER INSTRUCTED OR NOT, WILL BE LISTED AS ONE-VOTE SHARES. THIS IS NOT TO BE REGARDED AS A NON-ROUTINE VOTE MERELY BECAUSE OF THE NATURE OF THE VOTING RIGHTS OF THE COMMON STOCK. The confirmation of beneficial ownership is as follows:

VOTING CONFIRMATION

Please provide the number of shares beneficially owned for each category as of February 26, 2003.

_____ shares beneficially owned BEFORE February 26, 1999 entitled to five votes each.

_____ shares beneficially owned and acquired AFTER February 25, 1999 entitled to one vote each.

If no confirmation is provided, it will be deemed that beneficial ownership of all shares voted will be entitled to one vote each.

You do not have to tabulate votes. Only record the number of shares shown on the "Voting Confirmation" Section of the Proxy Card. If no shares are reported on the Proxy Card, record the shares for tabulation purposes as having been acquired **AFTER** February 25, 1999.

If you are a broker, do not confirm shares. Only the beneficial owner confirms shares in each voting category shown on the Proxy Card.

If you are a bank, you may wish to follow your usual procedures and furnish the Proxy Card to the beneficial owner. The beneficial owner will vote his beneficial ownership including the completion of the information required by the "Voting Confirmation." The beneficial owner may return the Proxy Card either to you or to Carlisle Companies Incorporated c/o Computershare Investor Services, 7600 South Grant Street, Chicago, Illinois 60527.
