If no such specifications are made, the Proxies for the Common Stock will be voted by those persons named in the Proxies at the Annual Meeting FOR the election of the nominees specified under the caption "Election of Directors". If any other matters properly come before the Annual Meeting, the Proxies will vote upon such matters according to their judgment.

Employee Benefit Plans

Sharps Compliance Corp. 1993 Stock Plan

General. Effective November 16, 1993, the stockholders of the Company approved the Stock Plan. Under the Stock Plan, (a) employees of the Company and any subsidiary of the Company may be awarded incentive stock options ("ISOs"), as defined in Section 422A(b) of the Internal Revenue Code of 1986, as amended (the "Code"), and (b) employees, consultants and affiliates or any other person or entity, as determined by the Administrator to be in the best interests of the Company, may be granted (i) stock options which do not qualify as ISOs ("Non-qualified Options"), (ii) awards of stock in the Company ("Awards"), (iii) stock appreciation rights ("SARs") in conjunction with, or independently of, options granted thereunder, (iv) performance awards in the form of units ("Units") representing phantom shares of stock, (v) non-employee director options and (vi) opportunities to make direct purchases of stock in the Company ("Purchases"). ISOs and Non-qualified Options are collectively referred to as "Options," and together with Awards, SARs, Units, Purchases and non-employee director options are collectively referred to as "Stock Rights."

Shares Subject to the Stock Plan. The Stock Plan authorizes the issuance of up to 3,000,000 shares. At October 24, 2003, options to purchase 2,513,890 shares had been granted under the Stock Plan. If any Stock Right granted under the Stock Plan terminates, expires or is surrendered, new Stock Rights may thereafter be granted covering such shares.

Administration. The Stock Plan is administered by the Board of Directors (the "Administrator"). Subject to the terms of the Stock Plan, the Administrator has the authority to determine the persons to whom Stock Rights (except non-employee director options) shall be granted, the number of shares covered by each such grant, the exercise or purchase price per share, the time or times at which Stock Rights shall be granted, whether each option granted shall be an ISO or a Non-qualified Option, whether restrictions such as repurchase options are to be imposed on shares subject to Stock Rights and the nature of such restrictions, if any. The interpretation or construction by the Administrator of the Stock Plan or with respect to any Stock Rights granted thereunder shall, unless otherwise determined by the Board of Directors, be final. The option price for ISOs may not be less than 100%

15

of the fair market value of the Common Stock on the date of grant, or 110% of the fair market value with respect to any ISO issued to a holder of 10% or more of the Company's shares. There is no price requirement for Non-qualified Stock Options. In no event may the aggregate fair market value (determined on the date of the grant of an ISO) of Common Stock for which ISOs granted to any employee under the Stock Plan are exercisable for the first time by such employee during any calendar year exceed \$100,000. The Stock Plan further directs the Administrator to set forth provisions in Option agreements regarding the exercise and expiration of Options according to stated criteria. The Administrator oversees the methods of exercise of Options, with attention being given to compliance with appropriate securities laws and regulations. The Stock Plan permits the use of already owned Common Stock as payment for the exercise price of Stock Rights.

Eligibility for Granting of Stock Rights. ISOs may be granted under the Stock Plan only to employees of the Company. Non-qualified Options, SARs and Units may be granted to any officer, employee, consultant or affiliate of the Company, or any other person or entity, as determined by the Administrator to be in the best interests of the Company.

Non-employee Director Options. Under the Stock Plan, any director who is not an officer or full-time employee of the Company or a related company (totaling five eligible individuals at October 24, 2003) is granted a three-year Option to purchase 25,000 shares of Common Stock at the then fair market value upon joining the Board of Directors. In addition, non-employee directors will receive, on the first business day after the date of each annual meeting of stockholders of the Company commencing with the annual meeting of stockholders immediately following the full vesting of any previously granted non-employee director Option, an Option to purchase an additional 10,000 shares of Common Stock at an exercise price per share equal to the fair market value of the Common Stock on the date of grant. The Options vest one-third a year for three years. In addition, the Stock Plan provides for the granting of discretionary stock options to qualified directors. Upon the resignation of a director, the non-employee director Option may, at the discretion of the Administrator, be continued as a Non-qualified Option under the Stock Plan if the director continues to be affiliated with the Company.

Awards. Restricted stock awards may be granted under the Stock Plan at the discretion of the Administrator. The grantee purchases the number of shares subject to the Award, usually for a nominal price such as the par value. The shares, however, are held in escrow and may not be sold until they are vested in accordance with the terms of the grant, such as continued employment for a specific period of time, accomplishment by the Company of certain goals, or a combination of criteria. Upon termination of the Award, all unvested shares are repurchased by the Company for the same nominal purchase price originally paid for the stock. As of October 24, 2003, the Company had not granted any Awards under the Stock Plan.

Stock Appreciation Rights. Options (except non-employee director options) granted under the Stock Plan may be granted in tandem with SARs ("tandem SARs") or independently of and not in tandem with an Option ("naked SARs"). SARs will become exercisable at such time or times, and on such conditions, as specified in the grant. Any tandem SAR granted with an ISO may be granted only at the date of grant of such ISO. Any tandem SAR granted with a Non-qualified Option may be granted either at or after the time such Option is granted. As of October 24, 2003, the Company had not granted any SARs under the Stock Plan.

A tandem SAR is the right of an optionee, without payment to the Company (except for applicable withholding taxes), to receive the excess of the fair market value per share on the date which such SAR is exercised over the option price per share as provided in the related underlying Option. A tandem SAR granted with an Option shall pertain to, and be exercised only in conjunction with, the related underlying Option granted under the Stock Plan and shall be exercisable and exercised only to the extent that the underlying Option is exercisable. The tandem SAR shall become either fully or

partially non-exercisable and shall then be fully or partially unexercisable and fully or partially forfeited if the exercisable portion, or any part thereof, of the underlying Option is exercised, and vice versa.

A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any Options under any stock plan of the Company. A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any tandem SARs. A naked SAR may be made exercisable without regard to the exercisability of any Option.

Units. The Stock Plan provides that performance awards in the form of Units may be granted either independently of or in tandem with a Stock Right, except that such Units shall not be granted in tandem with ISOs. Units granted shall be based on various performance factors and have such other terms and conditions at the discretion of the Administrator. As of October 24, 2003, the Company had not granted any Units under the Stock Plan.

Termination and Amendment of the Stock Plan. The Board of Directors may terminate or amend the Stock Plan in any respect or at any time, except that no amendment requiring stockholder approval under the provisions of the Code and related regulations relating to ISOs or under Rule 16b-3 will be effective without approval of stockholders as required and within the times set by such rules.

Employment Agreements

The Company entered into an employment agreement with Dr. Burton J. Kunik on December 11, 2002 (effective January 1, 2003). This agreement provides for a two-year term, unless terminated as provided therein, an annual salary of \$200,000 and an incentive bonus at the discretion of the Compensation Committee. In conjunction with the execution of the Agreement in December 2002, Mr. Kunik received a cash bonus in the amount of \$80,000.

The employment agreement with Dr. Kunik provides that if he is terminated without "cause" (as defined in the employment agreement) or if he resigns his employment for "good reason" (as defined in the employment agreement), he will be entitled to, at his election, either (i) a lump-sum payment in the amount equal to his base salary for the unexpired term of the agreement or (ii) continuation of his base salary and benefits through the unexpired term of the employment agreement.

Dr. Kunik's employment agreement is subject to early termination as provided therein, including termination by the Company for "cause" (as defined in the employment agreement) or termination by the employee for "good reason" (as defined in the employment agreement). The employment agreement also provides that if, at any time within 12 months of a change of control (as defined), the employee ceases to be an employee by reason of (i) termination by the employer without "cause" (as defined in the employment agreement) or (ii) voluntary termination by the employee for "good reason upon change of control" (as defined in the employment agreement), in addition to the severance stated above, he shall receive an additional payment that, when added to all other payments received in connection with a change of control, will result in the maximum amount allowed to be paid to an employee without triggering an excess parachute payment (as defined by the Internal Revenue Code), and all benefits (as defined by the employment agreement) shall continue throughout the remainder of the term of the agreement. In the event the

employer is merged or acquires a company in a field outside of the current product alignment, the employer and the employee could consider the assignment of existing product lines and technology to the employee or his assignee as part of or in lieu of the above severance pay.

The Company entered into an employment agreement with its Chief Operating Officer, Ronald E. Pierce on July 14, 2003. The agreement expires one year from its effective date, subject to automatic annual extensions, unless the Company elects to terminate the agreement. 17

one year's salary (\$170,000), plus a pro-rata portion of any earned bonus. Additionally, Mr. Pierce would be entitled to continuation of benefits until the earlier of the end of the severance period or employment with another organization.

Mr. Pierce is entitled to a bonus of \$40,000 immediately after the first month when the Company reports at least \$10 million in revenue and \$500,000 in net profit for a trailing twelve month period. Additionally, Mr. Pierce is entitled to an additional bonus of \$40,000 immediately after the first month when the Company reports at least \$12 million in revenue and \$500,000 in net profit for a trailing twelve month period. No bonus payments have been made under this arrangement. Subsequent to the achievement of the above noted parameters, Mr. Pierce will be entitled to participate in a Board of Director approved incentive compensation plan.

The Company entered into an employment agreement with its Senior Vice President and Chief Financial Officer, David P. Tusa on July 14, 2003. The agreement expires one year from its effective date, subject to automatic annual extensions, unless the Company elects to terminate the agreement. The employment agreement provides that if the Company terminates the employment without cause (including the Company's election to not extend the employment agreement at any renewal date), Mr. Tusa would be entitled to nine month's salary (\$112,500), plus a pro-rata portion of any earned bonus. Additionally, Mr. Tusa would be entitled to continuation of benefits until the earlier of the end of the severance period or employment with another organization. Mr. Tusa is also entitled to participate in a Board of Director approved incentive compensation plan.

The Company entered into an employment agreement with its Senior Vice President of Sales and Marketing, Michael D. Archer on July 14, 2003. The agreement expires one year from its effective date, subject to automatic annual extensions, unless the Company elects to terminate the agreement. The employment agreement provides that if the Company terminates the employment without cause (including the Company's election to not extend the employment agreement at any renewal date), Mr. Archer would be entitled to six month's salary (\$75,000), plus a pro-rata portion of any earned bonus. Additionally, Mr. Archer would be entitled to continuation of benefits until the earlier of the end of the severance period or employment with another organization.
