#### Item 2. Acquisition or Disposition of Assets

*Purchase of Eastgate Distribution Center III.* On March 19, 2004, we acquired a fee interest in a 423,500 square foot distribution facility ("Eastgate") located in Lebanon, Tennessee, a sub-market of Nashville. The total estimated costs of Eastgate is approximately \$14.8 million (which includes approximately \$429,000 that is payable to the Dividend Capital Advisor LLC (the "Advisor")), which was paid from proceeds from the Company's public offering.

*Purchase of Newpoint I Business Park.* On March 31, 2004, we acquired a fee interest in a generic Class A, 414,160 square foot distribution facility ("Newpoint") located in Lawrenceville, Georgia, which is part of the major I-85-Northeast sub-market of Atlanta. The total estimated costs of Newpoint is approximately \$15.2 million (which includes approximately \$453,000 that is payable to the Advisor), which was paid from proceeds from the Company's public offering.

Eastgate and Newpoint were acquired from First Industrial Development Services Inc. and Carmel River, LLC, an affiliate of Panattoni Investments, LLC, respectively, which are not affiliated with the Company. The purchase price was determined through negotiations between the seller and the Company's advisor. The total cost of these acquisitions may increase by additional costs which have not yet been finally determined. We expect additional costs to be immaterial.

**Item 7. Financial Statements and Exhibits.**

To be filed by amendment. Pursuant to Item 7(b)(2) of Form 8-K, the registrant hereby undertakes to file financials statements filed in response to this item on an amendment to the Current Report on Form 8-K no later than 60 days after April 5, 2004.

**Item 9. Regulation FD Disclosure.**

On March 26, 2004, we entered into a strategic relationship with Panattoni Investments, LLC ("Panattoni"), a leading national developer of industrial and distribution space. We have committed to fund up to \$15 million, at our option, in the form of equity and debt to serve as the funding needed to develop various industrial projects. On March 26, 2004, we made our initial contribution in the form of a loan in the amount of \$1,498,000. This initial funding plus a future funding of approximately \$2 million will be used to develop approximately 960,000 square feet of distribution space in the Plainfield sub-market of Indianapolis. Pursuant to the loan agreement, initial funding will become due on July 26, 2007, or at our option, April 26, 2007. In addition to the interest earned on the loan, we have obtained certain acquisition rights to the property being developed. Also, we have obtained an option that gives us the right to purchase an equity interest in the entity owning the property. This equity interest may be up to 5% of the total amount of the principal loan amount outstanding at the time of contribution. We can exercise this option effective January 1, 2005 through the loan's maturity date.
