QUESTIONS AND ANSWERS ABOUT THIS PROXY STATEMENT AND VOTING

Why am I receiving these materials?

Tyco Electronics' Board of Directors is soliciting your proxy to vote at the Extraordinary General Meeting to be held at 2:00 p.m., Central European Summer Time (8:00 a.m., Eastern Daylight Time), on October 8, 2009, at the Radisson Blu Hotel, Zurich Airport, Zurich, Switzerland. The information provided in this proxy statement is for your use in determining how you will vote on the proposals described within.

We have sent this proxy statement and proxy card to each person who is registered as a holder of our shares in the register of shareholders (such owners are often referred to as "holders of record") as of the close of business (Eastern Daylight Time) on August 24, 2009. We will also send a copy of this proxy statement and proxy card to any additional shareholders who become registered in our share register after the close of business (Eastern Daylight Time) on August 24, 2009 and continue to be registered in our share register at the close of business (Eastern Daylight Time) on September 21, 2009.

We have requested that banks, brokerage firms and other nominees who hold Tyco Electronics shares on behalf of the owners of the shares (such owners are often referred to, and we refer to them below, as "beneficial shareholders" or "street name holders") as of the close of business (Eastern Daylight Time) on August 24, 2009 forward these materials, together with a proxy card or voting instruction card, to those beneficial shareholders. We have also requested that banks, brokerage firms and other nominees who hold Tyco Electronics shares on behalf of beneficial owners forward these materials, together with a proxy card or voting instruction card, to any additional beneficial owners who acquire their shares after August 24, 2009 and continue to hold them at the close of business (Eastern Daylight Time) on September 21, 2009. We have agreed to pay the reasonable expenses of the banks, brokerage firms and other nominees for forwarding these materials. We also have provided for these materials to be sent to persons who have interests in our shares through participation in our employee share purchase plans. These individuals are not eligible to vote directly at the Extraordinary General Meeting, but they may instruct the trustees of these plans how to vote the shares represented by their interests. The enclosed proxy card also will serve as voting instructions for the trustees of the plans.

Are proxy materials available on the Internet?

Yes.

Important Notice Regarding the Availability of Proxy Materials for the Extraordinary General Meeting to be held on October 8, 2009.

Our proxy statement for the Extraordinary General Meeting to be held on October 8, 2009 and other proxy material is available at <http://www.tycoelectronics.com/SpecialMeetingOct2009>.

What proposals are scheduled to be voted on at the meeting?

The two proposals scheduled for a vote are:

Proposal 1: To approve payment of a distribution to shareholders through a reduction of the par value of our shares, such payment to be made in two installments on or before March 26, 2010 (the end of the second fiscal quarter of 2010) (the "Shareholder Distribution Proposal"); and

Proposal 2: To approve any adjournments or postponements of the meeting (the "Adjournment/Postponement Proposal").

Table of Contents

What is the recommendation of the Board of Directors on each of the proposals scheduled to be voted on at the meeting? How do the Board of Directors and executive officers intend to vote with respect to the proposals?

Tyco Electronics' Board of Directors recommends that you vote **FOR** the Shareholder Distribution Proposal and **FOR** the Adjournment/Postponement Proposal. Our directors and executive officers have indicated that they intend to vote their shares in favor of both of the proposals. On July 31, 2009, our directors and executive officers and their affiliates beneficially owned less than one percent of the outstanding shares.

What is the difference between being a shareholder of record and a beneficial owner?

If your shares are registered directly in your name in our share register operated by our stock transfer agent, you are considered the "shareholder of record" of those shares.

If your shares are held in a stock brokerage account or by a bank or other nominee on your behalf and the broker, bank or nominee is registered in our share register as a shareholder with voting rights, your broker, bank or other nominee is considered the shareholder of record and you are considered the "beneficial owner" or "street name holder" of those shares. In this case, the shareholder of record that is registered as a shareholder with voting rights has forwarded these proxy materials, and separate voting instructions, to you. As the beneficial owner, you have the right to direct the shareholder of record how to vote your shares by following the voting instructions they have provided with these materials. Because you are not the shareholder of record, you may not vote your shares in person at the meeting unless you receive a valid proxy from your broker, bank or other nominee that holds your shares giving you the right to vote the shares in person at the meeting.

Who is entitled to vote?

Shareholders of record

All shareholders registered in our share register at the close of business (Eastern Daylight Time) on **September 21, 2009** are entitled to vote on the matters set forth in this proxy statement and any other matter properly presented at the meeting for consideration, provided such shareholders become registered as shareholders with voting rights. See " I am a shareholder of record. How do I become registered as a shareholder with voting rights?"

Beneficial owners

Beneficial owners whose banks, brokers or nominees are shareholders registered in our share register with respect to the beneficial owners' shares at the close of business (Eastern Daylight Time) on **September 21, 2009** are entitled to vote on the matters set forth in this proxy statement and any other matter properly presented at the meeting for consideration, provided such banks, brokers or nominees become registered as shareholders with voting rights. See " I am a shareholder of record. How do I become registered as a shareholder with voting rights?"

What if I am the record holder or beneficial owner of shares at the close of business (Eastern Daylight Time) on August 24, 2009 but sell or otherwise transfer those shares before the close of business (Eastern Daylight Time) on September 21, 2009?

Holders of record and beneficial owners will not be entitled to vote their shares if they hold shares at the close of business (Eastern Daylight Time) on August 24, 2009 but sell or otherwise transfer those shares before the close of business (Eastern Daylight Time) on September 21, 2009.

I am a shareholder of record. How do I become registered as a shareholder with voting rights?

For purposes of the Extraordinary General Meeting, which is the first to take place after the discontinuation of Tyco Electronics from Bermuda and the continuation of Tyco Electronics as a Swiss

corporation, Tyco Electronics will register all persons (including nominees and their designees) who are shareholders of record as of the close of business (Eastern Daylight Time) on September 21, 2009 as shareholders with voting rights with respect to all shares held as of the close of business (Eastern Daylight Time) on September 21, 2009, unless they notify us by mail that they do not wish to be registered as shareholders with voting rights. Such notifications must be received no later than the close of business (Eastern Daylight Time) on September 21, 2009 and are to be mailed to: Tyco Electronics Ltd., Attention: Secretary, Rheinstrasse 20, CH-8200 Schaffhausen, Switzerland.

How do I attend the Extraordinary General Meeting?

For admission to the meeting, shareholders of record with voting rights should bring the admission ticket attached to the enclosed proxy card to the check-in area, where their ownership will be verified. Those who have beneficial ownership of registered shares held by a bank, brokerage firm or other nominee which has voting rights must bring to the check-in area account statements or letters from their banks, brokers or nominees showing that they own Tyco Electronics registered shares as of the close of business (Eastern Daylight Time) on September 21, 2009. Registration will begin at 1:00 p.m., Central European Summer Time (7:00 a.m., Eastern Daylight Time), and the meeting will begin at 2:00 p.m., Central European Summer Time (8:00 a.m., Eastern Daylight Time). See " How do I vote? At the Extraordinary General Meeting" for a discussion of how to vote in person at the Extraordinary General Meeting.

How do I vote?

You can vote in the following ways:

At the Extraordinary General Meeting: If you are a shareholder of record with voting rights of Tyco Electronics registered shares who plans to attend the Extraordinary General Meeting and wishes to vote your shares in person, we will give you a ballot at the meeting. Shareholders who own their shares in street name are not entitled to vote in person at the Extraordinary General Meeting unless they have a proxy, executed in their favor, from the bank, broker or nominee holder of record of their shares.

Even if you plan to be present at the Extraordinary General Meeting, we encourage you to complete and mail the enclosed card to vote your shares by proxy. If you are a holder of record, you may still attend the Extraordinary General Meeting and vote in person.

By Mail: If you are a holder of record with voting rights, you may vote by marking, dating and signing the enclosed proxy card and returning it by mail for receipt by no later than indicated below. You may appoint the officers of Tyco Electronics named in the proxy card as your proxy. Alternatively, you may authorize the independent proxy, Dr. Jvo Grundler, with full rights of substitution, to vote your shares on your behalf. If you appoint officers of Tyco Electronics as your proxy, you will need to send your proxy card to Tyco Electronics Ltd., c/o BNY Mellon Shareowner Services, P. O. Box 3550, South Hackensack, NJ 07606-9250, United States of America. If you appoint the independent proxy, you will need to send your proxy card directly to the independent proxy at the following address: Dr. Jvo Grundler, Ernst & Young AG, Legal, Bleicherweg 21, P.O. Box, CH-8022 Zurich, Switzerland.

If you hold your shares in street name, you can vote by following the instructions on your voting instruction card.

In order to assure that your votes are tabulated in time to be voted at the Extraordinary General Meeting, you must submit your proxy card so that it is received by 5:00 p.m., Central European Summer Time (11:00 a.m., Eastern Daylight Time) on October 7, 2009.

If you have timely submitted a properly executed proxy card and clearly indicated your votes, your shares will be voted as indicated. If you have timely submitted a properly executed proxy card and have not clearly indicated your votes, your shares will be voted **FOR** all of the proposals. If any other

Table of Contents

matters properly come before the meeting, the Tyco Electronics officers or the independent proxy, as applicable, will vote the shares represented by all properly executed proxies in accordance with the recommendation of the Board of Directors.

How do I appoint Tyco Electronics officers as my proxy?

If you properly fill in your proxy card and mark the appropriate box so as to appoint officers of Tyco Electronics as your proxy, with full rights of substitution, and send it to us in time to vote, your proxy, meaning one of the individuals named on your proxy card, will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares **FOR** each of the agenda items listed above as recommended by the Board of Directors. Alternatively, you can grant a proxy to the independent proxy as described below.

If a new agenda item or a new motion or proposal for an existing agenda item is properly presented to the Extraordinary General Meeting, the Tyco Electronics officers acting as your proxy will vote in accordance with the recommendation of our Board of Directors. At the time of printing this proxy statement, we know of no matters to be acted on at the Extraordinary General Meeting other than those discussed in this proxy statement.

Whether or not you plan to attend the Extraordinary General Meeting, we urge you to submit your proxy. Returning the proxy card will not affect your right to attend the Extraordinary General Meeting.

How do I appoint the independent proxy as my proxy?

If you are a shareholder of record with voting rights, you may authorize the independent proxy, Dr. Jvo Grundler, with full rights of substitution, to vote your shares on your behalf by marking the box corresponding to the independent proxy on the enclosed proxy card. If you authorize the independent proxy to vote your shares without giving instructions, your shares will be voted in accordance with the recommendations of the Board of Directors with regard to the items listed in the meeting invitation. If new agenda items (other than those in the meeting invitation) or new proposals or motions with respect to those agenda items set forth in the meeting invitation are properly being put forth before the Extraordinary General Meeting, the independent proxy will vote in accordance with the recommendation of the Board of Directors. Proxy forms authorizing the independent proxy to vote shares on your behalf must be sent by mail directly to the independent proxy at the following address: Dr. Jvo Grundler, Ernst & Young AG, Legal, Bleicherweg 21, P.O. Box, CH-8022, Zurich, Switzerland. These forms must be received no later than 5:00 p.m., Central European Summer Time (11:00 a.m., Eastern Daylight Time), on October 7, 2009.

If my shares are held in "street name" by my broker, will my broker vote my shares for me?

We recommend that you contact your broker. Your broker can give you directions on how to instruct the broker to vote your shares. Your broker will be able to vote your shares with respect to the Adjournment/Postponement Proposal if you have not provided instructions to the broker; however, your broker will not be able to vote your shares with respect to the Shareholder Distribution Proposal unless the broker receives appropriate instructions from you.

What if I am a proxy holder of deposited shares?

Institutions subject to the Swiss Federal Law on Banks and Savings Banks as well as professional asset managers who hold proxies for holders of record with voting rights who did not grant proxies to Tyco Electronics officers or the independent proxy must inform Tyco Electronics of the number of shares they represent by mail so that we receive notice no later than 5:00 p.m., Central European Summer Time (11:00 a.m., Eastern Daylight Time), on October 7, 2009. This information must be mailed to: Tyco Electronics Ltd., Attention: Secretary, Rheinstrasse 20, CH-8200 Schaffhausen, Switzerland.

Table of Contents

How many shares can vote at the Extraordinary General Meeting?

Our registered shares are our only class of voting stock. As of August 24, 2009, there were [] registered shares issued and outstanding and entitled to vote; however, shareholders who are not registered in our share register as shareholders as of the close of business (Eastern Daylight Time) on September 21, 2009 or do not become registered as shareholders with voting rights will not be entitled to attend, vote or grant proxies to vote at, the Extraordinary General Meeting. See " I am a shareholder of record. How do I become registered as a shareholder with voting rights?" Shares duly represented at the Extraordinary General Meeting will be entitled to one vote per share for each matter presented at the Extraordinary General Meeting. Shareholders who are registered in our share register as of the close of business (Eastern Daylight Time) on September 21, 2009 and who are registered with voting rights may vote in person at the Extraordinary General Meeting as discussed under " How do I vote? At the Extraordinary General Meeting."

What quorum is required for the Extraordinary General Meeting?

The presence, in person or by proxy, of at least the majority of the registered shares entitled to vote constitutes a quorum for the conduct of business at the Extraordinary General Meeting.

What vote is required for approval of each proposal and what is the effect of broker non-votes and abstentions?

Each proposal requires the affirmative vote of an absolute majority of the votes of registered shares with voting rights that are represented at the Extraordinary General Meeting in person or by proxy.

Registered shares which are represented by broker non-votes (which occur when a broker holding shares for a beneficial owner does not vote on a particular agenda item because the broker does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner) or shareholders or representatives that decide to abstain from voting on any matter, are counted towards the determination of a majority required to approve such agenda item and will therefore have the effect of an **AGAINST** vote on that item. Abstentions and broker non-votes are counted for quorum purposes.

Who will count the votes and certify the results?

An independent vote tabulator will count the votes. BNY Mellon Shareowner Services has been appointed by the Board of Directors as the independent Inspector of Election and will determine the existence of a quorum, validity of proxies and ballots, and certify the results of the voting.

If I vote and then want to change or revoke my vote, may I?

If you are a shareholder of record and have granted a proxy to designated officers of Tyco Electronics, you may revoke or change your proxy at any time before it is exercised at the meeting by submitting a later dated proxy card at or before the meeting, by notifying our Secretary in writing that you have revoked your proxy, or by attending the meeting and giving notice of revocation in person. If you wish to revoke your proxy, you must do so in sufficient time to permit the necessary examination and tabulation of the subsequent proxy or revocation before the vote is taken. Written revocations should be directed to:

Secretary
Tyco Electronics Ltd.

If you are a shareholder of record and have granted a proxy to the independent proxy, Dr. Jvo Grundler, you may revoke or change your proxy at any time before it is exercised at the meeting by

submitting a revocation letter, and new proxy, if applicable, directly to the independent proxy so that it is received by no later than 5:00 p.m., Central European Summer Time (11:00 a.m., Eastern Daylight Time) on October 7, 2009. Written revocations should be directed to the following address: Dr. Jvo Grundler, Ernst & Young AG, Legal, Bleicherweg 21, P.O. Box, CH-8022, Zurich, Switzerland.

Your presence without voting at the meeting will not automatically revoke your proxy, and any revocation during the meeting will not affect votes previously taken.

If your shares are held in a stock brokerage account or by a bank or other nominee on your behalf, follow the voting instructions provided to you with these materials to determine how you may change your vote.

Can other matters be decided at the meeting?

No business shall be conducted at the meeting except business properly brought before the meeting in accordance with the procedures set forth in article 14 of the articles of association of Tyco Electronics or pursuant to Swiss law.

On the date this proxy statement was printed, we did not know of any other matters to come before the meeting other than those disclosed in this proxy statement. If other matters are properly presented for consideration, your proxy to designated officers of Tyco Electronics or the independent proxy gives the persons voting the proxies the authority to vote on the matter in accordance with the recommendation of the Board of Directors.

Are shareholders permitted to ask questions at the meeting?

During the Extraordinary General Meeting, shareholders may ask questions or make comments relating to proposals following the second of the motion and prior to the taking of the vote by the moderator.

**PROPOSAL NO. 1 APPROVAL OF A DISTRIBUTION TO
SHAREHOLDERS IN THE FORM OF A CAPITAL REDUCTION**

By resolutions adopted on July 27, 2009, our Board of Directors declared it advisable to make a distribution to shareholders in the form of a capital reduction in a Swiss franc amount equal to US\$ 0.32 per issued share (including treasury shares) to be calculated as described in the resolution below, such distribution to be paid in two installments of US\$ 0.16 each on or before March 26, 2010 (the end of the second fiscal quarter of 2010).

Our Board of Directors directed that approval of this distribution in the form of a reduction of registered share capital be submitted for consideration by our shareholders at the Extraordinary General Meeting.

Background

Swiss law requires that dividends and distributions through a reduction in par value be approved by shareholders. We are proposing that, in lieu of an ordinary dividend, a distribution to shareholders be made through such a reduction in the per share par value of our registered shares because distributions in the form of capital reductions are not subject to Swiss withholding tax. We are seeking your approval of a capital reduction of no more than a Swiss franc amount per share to be determined as discussed below, which will be paid in two equal installments of US\$ 0.16 per share (the "Distribution"), in accordance with the exchange ratio of Swiss francs ("CHF") per one US dollar ("USD") as published on the website of the Swiss National Bank two business days prior to the date of the Extraordinary General Meeting (the ratio being the "Rate").

To determine the CHF amount of the capital reduction, we will (1) multiply US\$ 0.32 by the Rate, (2) round the resulting CHF amount up to the nearest even 0.01 of a Swiss franc (by even, we mean .00, .02, .04, .06 or .08 of a Swiss franc, as opposed to .03, for example) (the "Capital Reduction") and (3) divide the Capital Reduction by two, which result we refer to as the "Installment." To convert the Capital Reduction to the USD amount that you will receive in two equal installments, each Installment will be converted from Swiss francs to US dollars by (1) dividing the Installment by the Rate rounded down to the nearest 0.01, and (2) rounding this result down to the nearest US\$ 0.01. The first payment of the Capital Reduction (\$0.16 in USD) is expected to be made during or soon after the quarterly period ending December 25, 2009 (the first fiscal quarter of 2010). The second payment of the Capital Reduction (\$0.16 in USD) is expected to be made during the quarterly period ending March 26, 2010 (the second fiscal quarter of 2010).

If the Capital Reduction is approved by shareholders at the Extraordinary General Meeting, in accordance with the resolution below, the par value of shares issued out of conditional share capital or authorized share capital between the date of approval and registration of the first partial Capital Reduction, which will have been issued at a par value equal to CHF 2.43, will be reduced by the amount equal to one Installment upon registration of the first partial Capital Reduction and further reduced by the amount equal to one Installment upon registration of the second partial Capital Reduction. The par value of shares issued out of conditional share capital or authorized share capital between registration of the first partial Capital Reduction and registration of the second partial Capital Reduction, which will have been issued at a par value equal to CHF 2.43 minus the amount equal to one Installment, will be reduced by the amount equal to one Installment upon registration of the second partial Capital Reduction.

No other modifications will be made to the registered shares of Tyco Electronics. Appraisal rights are not available to shareholders who vote against the Shareholder Distribution Proposal.

Immediately following the resolution, we have provided an illustrative example of the text of the resolution based on assumptions as to the number of registered shares and the Rate.
