THE PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF ISLE OF CAPRI CASINOS, INC.

On what am I being asked to vote?

At the Annual Meeting, the Company's stockholders will be asked to vote on the following proposals:

- (1) To elect nine persons to the Board of Directors;
- (2) To approve the adoption of the Isle of Capri Casinos, Inc. 2009 Long-Term Incentive Plan; and
- (3) The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the 2010 fiscal year.

The stockholders may also transact any other business that may properly come before the meeting.

Who is entitled to vote at the Annual Meeting?

The record date for the Annual Meeting is August 14, 2009, and only stockholders of record at the close of business on that date may vote at and attend the Annual Meeting.

What constitutes a quorum for the purposes of voting?

A majority of the shares of the Company's common stock outstanding, represented in person or by proxy at the Annual Meeting, will constitute a quorum for the purpose of transacting business at the Annual Meeting. Abstentions and "broker non-votes" (explained below) are counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business. As of the record date, August 14, 2009, there were 32,286,855 shares of the Company's common stock outstanding and entitled to vote, which excludes 4,327,623 shares held by us in treasury.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present during the meeting, we may adjourn the meeting. In addition, in the event that there are not sufficient votes for approval of any of the matters to be voted upon at the meeting, the meeting may be adjourned in order to permit further solicitation of proxies.

How many votes do I have?

Each outstanding share of the Company's common stock entitles its owner to one vote on each matter that comes before the meeting. Your proxy card indicates the number of shares of the Company's common stock that you owned as of the record date, August 14, 2009.

How many votes are needed to approve each item?

Provided a quorum is present, directors will be elected by the affirmative vote of a plurality of the shares of our common stock present at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal. Withheld votes, if any, and broker non-votes if any, will have no effect on the vote for the proposal. Stockholders are not allowed to cumulate their votes for the election of directors.

Approval of the adoption of the Isle of Capri Casinos, Inc. 2009 Long-Term Incentive Plan requires the affirmative vote of at least a majority of the shares of our common stock present at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal. Broker non-votes, if any, will have no effect on the vote for this proposal. Abstentions will have the same effect as a vote against the proposal.

Ratification of the selection of Ernst & Young as our independent registered public accounting firm for the 2010 fiscal year requires the affirmative vote of at least a majority of the shares of our common stock present at the Annual Meeting, in person or by proxy, and entitled to vote on the

proposal. Broker non-votes, if any, will have no effect on the vote for this proposal. Abstentions will have the same effect as a vote against this proposal. If this selection is not ratified by our stockholders, our Audit Committee may reconsider its selection.

What if my stock is held by a broker?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, must vote those shares in accordance with your instructions. In accordance with the Marketplace Rules of the National Association of Securities Dealers, Inc. (the "Marketplace Rules"), certain matters submitted to a vote of stockholders are considered to be "routine" items upon which brokerage firms may vote in their discretion on behalf of their customers if such customers have not furnished voting instructions within a specified period prior to the meeting, so called "broker non-votes." For those matters that are considered to be "non-routine," brokerage firms that have not received instructions from their customers will not be permitted to exercise their discretionary authority.

How do I vote?

Stockholders of record can choose one of the following ways to vote:

- (1) By mail: Please download and print the proxy card from the Internet at www.proxyvote.com, complete, sign, date and return the proxy card to:

Isle of Capri Casinos, Inc.
c/o Broadridge
51 Mercedes Way
Edgewood, NY 11717
- (2) By Internet: www.proxyvote.com
- (3) By telephone: 1-800-690-6903
- (4) In person at the Annual Meeting.

By casting your vote in any of the four ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions.

If you hold our voting securities in "street name," only your broker or bank can vote your shares. If you want to vote in person at our Annual Meeting and you hold our voting securities in street name, you must obtain a proxy from your broker and bring that proxy to our Annual Meeting.

How do I vote using the proxy card?

If the proxy is properly signed and returned, the shares represented by the proxy will be voted at the Annual Meeting according to the instructions indicated on your proxy. If the proxy does not specify how your shares are to be voted, your shares represented by the proxy will be voted:

1. For the election of the directors recommended by the Board of Directors;
2. To approve the adoption of the Isle of Capri Casinos, Inc. 2009 Long-Term Incentive Plan;
3. To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for the 2010 fiscal year; and

4.

In their discretion, upon such other business as may properly come before the meeting.

Can I change my vote after I have submitted my proxy?

Yes, a stockholder who has submitted a proxy may revoke it at any time prior to its use by:

1. Delivering a written notice to the Secretary;
2. Executing a later-dated proxy; or
3. Attending the Annual Meeting and voting in person.

A written notice revoking the proxy should be sent to the Company's Secretary at the following address:

Edmund L. Quatmann, Jr.
Senior Vice President, General Counsel and Secretary
Isle of Capri Casinos, Inc.
600 Emerson Road
St. Louis, Missouri 63141

How will the votes be tabulated at the meeting?

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspectors appointed for the Annual Meeting, and such election inspectors also will determine whether or not a quorum is present.

Will the Company solicit proxies in connection with the Annual Meeting?

Yes, the Company will solicit proxies in connection with the Annual Meeting. We will bear all costs of soliciting proxies including charges made by brokers and other persons holding stock in their names or in the names of nominees for reasonable expenses incurred in sending proxy material to beneficial owners and obtaining their proxies. In addition to solicitation by mail, our directors, officers, and employees may solicit proxies personally and by telephone, facsimile and email, all without extra compensation. We may retain a proxy solicitation firm to assist in the solicitation of proxies. If we retain such a firm, the fee to be paid for such services will be borne by us and is not expected to exceed \$7,500 plus reasonable expenses.

ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will vote on the election of nominees listed below to serve as directors until the next annual meeting of stockholders or until their respective successors, if any, are have been elected and qualified. Each of these individuals is currently serving on the Company's Board of Directors other than Richard A. Goldstein. The Company does not know of any reason why any nominee would be unable or unwilling to serve as a director. Meetings

During the fiscal year ended April 26, 2009, which we refer to as "fiscal 2009," the Board of Directors met in person or telephonically twelve times. During fiscal 2009, each of our directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board and (ii) the total number of meetings held by all committees of the Board on which he served. Directors are expected to attend each Annual Meeting of Stockholders. Each member of the current Board of Directors that was a member of the Board in October 2008 attended last year's Annual Meeting of Stockholders.

Committees

The Board of Directors has three standing committees: the Stock Option and Compensation Committee, the Audit Committee, and the Nominating Committee. During fiscal 2009, the Stock Option and Compensation Committee met seven times, the Audit Committee met ten times and the Nominating Committee met on an informal basis from time to time.

Stock Option and Compensation Committee. Messrs. Hayes, Glazer, Baker, Brackenbury and Wielansky are members of the Stock Option and Compensation Committee. Mr. Hayes acts as chairman of the Stock Option and Compensation Committee. The Stock Option and Compensation Committee acts as an advisory committee to the full Board with respect to compensation of our executive officers and other key employees, including administration of the stock option plan, option grants, and bonuses. Additional information regarding the policies of the Committee is set forth in the "Stock Option and Compensation Committee Report on Executive Compensation" included in this proxy statement. In accordance with Nasdaq Rule 5605(d)(1)(B), each member of the Stock Option and Compensation Committee is "independent" as defined in Nasdaq Rule 5605(a)(2). The Stock

Each member of the Audit Committee is "independent" as defined in Nasdaq Rule 5605(a)(2). The Board has determined that each member of the audit committee is free from any relationship that would interfere with the exercise of independent judgment as a committee member. Mr. Glazer has been designated as our "audit committee financial expert" under the SEC Rules. The Audit Committee is governed by a written charter approved by the Board of Directors. The Nominating Committee considers and makes recommendations concerning the size and composition of the Board of Directors, the number of non-executive members of the Board of Directors, and membership of committees of the Board of Directors. As a policy, the Nominating Committee generally does not consider nominees recommended by the Company's stockholders. In determining the criteria for membership on the Board of Directors, the Nominating Committee considers the skills and personal characteristics required in light of the then-current makeup of the Board and in the context of the perceived needs of the Company at the time, including the following attributes: financial acumen, general business experience, industry knowledge, leadership abilities, high ethical standards and independence. In accordance with Nasdaq Rule 5605(e)(1)(B), Messrs. Alan J. Glazer and Shaun Hayes are "independent" as defined in Nasdaq Rule 5605(a)(2). EXECUTIVE COMPENSATION
Compensation Discussion and Analysis

For purposes of the following Compensation Discussion and Analysis, the terms "executives" and "executive officers" refer to the Named Executive Officers of the Company as set forth in the Summary Compensation Table, which appears on page 24 of this proxy statement, and the term the "Committee" refers to the Stock Option and Compensation Committee.

Executive Compensation Philosophy

Our executive compensation program is designed to attract and retain superior executive talent, incentivize our executives to drive profitable growth and enhance long-term value for our shareholders. Key elements of the program include base salary and performance-based incentives (including both cash and equity opportunities).

Key components of our executive compensation policy include:

Administering a competitive executive compensation program in which total compensation opportunities will be comparable to those in our peer group;

Relating total compensation opportunities for executives to the financial performance of the Company, both overall and in comparison to our industry; and

Establishing and ensuring internal equity and measurements for organizational effectiveness/contribution for executives.

Our executive compensation program is designed to reward the achievement of difficult but fair performance criteria and enhance stock ownership among the executive team. The following principles provide the framework for the Company's executive compensation program:

Targeted total compensation

Overall total compensation opportunities and individual program elements are compared to our peer group. Actual pay may vary depending on performance level achievement in the Company's short- and long-term incentive programs.

A number of factors are considered when establishing targeted pay levels, including the value to our shareholders, future leadership potential, level of job responsibility, critical experience/skills, the level of sustained performance, and the market demands for talent.

Stockholder alignment

Total compensation opportunities are tied to quantifiable performance metrics, such as Operating Free Cash Flow and EBITDA, and, through the use of equity grants, the Company's stock price.

Total compensation mix

The Company's targeted pay mix (salary vs. performance-based incentive pay) is designed to reflect a combination of competitive market practices and strategic business needs. The degree of performance-based incentive pay ("at risk" compensation) and the level of total compensation opportunities should increase with an executive's responsibility level, because executives that are at higher levels in the organization are more likely to affect the Company's results. Accordingly, the Committee determined that the appropriate total compensation mix for the Chief Executive Officer (Mr. Perry), the President and Chief Operating Officer (Ms. McDowell) and the Senior Vice President and Chief Financial Officer (Mr. Black) is 25% of total compensation delivered in base salary, 15% in bonus compensation and 60% in long-term incentive. With respect to the other Named Executive Officers (Messrs. Burgess and Burkhalter), the Committee determined that the appropriate total compensation mix is 50% of total compensation delivered in base salary, 25% in bonus and 25% in long-term incentive.

Overview of Executive Compensation Elements

The Company's executive compensation program consists of a variety of elements, as summarized in the table below:

	Pay Element Overview	Purpose of the Pay Element
Base Salary	Base salary pays for competence in the executive role. An executive's salary level depends on the scope of responsibilities, individual performance, and the relationship to amounts paid to other executives at peer companies.	Provide a competitive base level of compensation based on sustained performance in the role and competitive market practice.
Non-Equity Incentive Plan	Annual achievement of objectives set by the Board of Directors. If plan objectives are achieved, payout is made at target. Final payout is subject to adjustments at the discretion of the Board of Directors.	Motivate and focus our executive team on the achievement of annual performance goals that support the sustained long-term success of the Company.
Long-Term Incentives	Equity awards (historically consisting of stock options but now consisting of restricted stock) are granted to executives based on their position with the Company.	<p>The Company strives to deliver a balanced long-term incentive portfolio to executives, focusing on equity and the achievement of internal financial objectives. The primary objectives of the overall design include the following:</p> <ul style="list-style-type: none"> Align management and stockholder interests by rewarding executives for growth of the business, increased profitability, and sustained shareholder value creation. Increase management's potential for stock ownership opportunities. Attract and retain excellent management talent.
Benefits	<p>Executives participate in the Company plans available to all employees, including health, dental, vision, disability and life insurance. All officers are enrolled in the Medical Executive Reimbursement Plan (the "MERP") in which an allocation of 5% of base pay aids with payment of expenses other than premiums.</p> <p>Executives may participate in the Company's 401(k) Plan, which is available for all Company employees. The Company plan allows employees to defer up to 50% of their salary (subject to IRS limits) and provides for a Company match of 25% of each dollar deferred.</p> <p>Executives may participate in the non-qualified Deferred Compensation Plan. A Company match is available.</p>	The Company's benefit plan is designed to attract and retain team members and provide an element of security for their health and welfare needs. We believe that the benefit plan design is reasonable, competitive, and cost effective.

Pay Element Overview

Purpose of the Pay Element

The Company provides life insurance benefits to all salaried team members at no cost up to \$100,000 of coverage. An additional \$540,000 of coverage may be purchased. Short and long-term disability insurance is available to all team members. Coverage includes up to $\frac{2}{3}$ of base salary with a maximum monthly payment of \$5,000.

In connection with the hiring of new executives needing to relocate, the Company provided relocation support and reimbursement to its executive officers. Additional payments for taxes on relocation benefits are provided.

Perquisites

The Company does not provide perquisites or personal benefits to executives, other than the MERP.

Not applicable.

Post-Termination Coverage

Post-termination coverage is defined and outlined in individual employment agreements, as disclosed later in this section, in addition to the notes to the Potential Liabilities Upon Termination tables.

Severance protection not related to a change in control is designed to ease the consequences of an unexpected termination, under approved circumstances. Severance protection related to a change in control is designed to facilitate leadership continuity during a threatened or actual change in ownership.

The use of the above compensation tools enables the Company to reinforce its pay for performance philosophy as well as strengthen its ability to attract and retain high performing executive officers. The Company believes that this combination of programs provides an appropriate mix of fixed and variable pay, balances short-term operational performance with long-term shareholder value creation, and facilitates executive recruitment and retention in a high-performance culture.

The Committee reviews pay competitiveness from a total compensation perspective. The Company relies primarily on market data to determine pay opportunities for each component.

Additional Information on the Company's Compensation Elements Market Data The Compensation Comparator Group

The Committee analyzes market data and evaluates individual executive performance with a goal of setting compensation at levels it believes, based on its general business and industry knowledge and experience, are comparable with compensation levels of executives in other companies of similar size operating in the gaming industry. The Committee engages compensation consulting firms to provide guidance regarding competitive compensation practices, industry peer analysis and recommendations. Using this guidance and peer group compensation information as a point of reference, the Committee then focuses on the Company's and individual performance in determining each component of annual compensation.

In January 2008, the Committee engaged Watson Wyatt as its compensation consultant. In reviewing the Company's fiscal 2008 compensation of its executive officers, and in connection with setting fiscal 2009 compensation, Watson Wyatt assembled competitive market compensation information from published compensation surveys, including the 2007/2008 Watson Wyatt Top Management Compensation Survey, the 2006/2007 Watson Wyatt Gaming Industry Survey and the 2007 Mercer Executive Compensation Survey, and from a peer group of publicly traded gaming/

entertainment companies comparable in size to the Company. Watson Wyatt's peer group consisted of the following seven companies:

Ameristar Casinos, Inc.
Boyd Gaming Corp.
Gaylord Entertainment, Co.
Penn National Gaming, Inc.
Pinnacle Entertainment, Inc.
Trump Entertainment Resorts
Vail Resorts, Inc.

Watson Wyatt presented its analysis at the Committee's meetings in April and July 2008.

Base Salary

Base salary levels at the Company reflect a combination of factors, including competitive pay levels, the executive's experience and tenure, internal pay equity, the need to attract and retain excellent management talent, the Company's overall annual budget for merit increases and the executive's individual performance.

The Committee reviewed base salaries for the executive officers for fiscal 2009 in April 2008 and July 2008. After reviewing and considering Watson Wyatt's analysis, and based on performance and the recommendation of the CEO, in July 2008 the Committee awarded Ms. McDowell a 3% merit increase (to \$670,000) and Mr. Black received a merit and market-based increase of \$50,000 (to \$450,000). Pursuant to the terms of their employment agreements, the annual base salaries of Messrs. Burgess and Burkhalter increased from \$275,000 to \$300,000 effective September 10, 2008. The Committee did not change Mr. Perry's annual base salary of \$800,000.

In November 2008, Mr. Perry and Ms. McDowell (along with our then Chairman of the Board, Bernard Goldstein, and our Vice Chairman of the Board, Robert S. Goldstein) voluntarily requested a 25% reduction in their base salaries for one year. In making their request, Mr. Perry and Ms. McDowell expressed, among other things, their desire to accentuate the greater prominence the Committee is placing on the long-term performance-based aspect of their overall compensation. On December 12, 2008, the Committee ratified the request and, effective November 1, 2008, Mr. Perry's annual base salary was reduced to \$600,000 and Ms. McDowell's annual base salary was reduced to \$502,500.

Annual Non-Equity Incentive Plan

The purpose of the Company's annual bonus plan is to tie compensation directly to specific business goals and management objectives. The Committee believes that basing annual cash bonuses for executive officers on pre-determined company performance metrics establishes a direct and powerful link between our executives' pay and our financial and operational success. The Committee further believes that the achievement of the goals for these operating performance metrics are closely correlated to the creation of long-term shareholder value.

Annual incentive opportunities are expressed as a percentage of base salary and are set forth in each executive's employment agreement. Targets are developed considering competitive practices and consistency with the Company's internal structure. Executives are grouped together in our internal structure according to their position and relative importance to the Company. The Company's competitive posture for the executives varies by position. Based on Watson Wyatt's executive pay study, the target annual incentive opportunities as a percentage of base salary are generally between the

median and 75th percentile of market practices. The following targets (as a percentage of salary) were in place for fiscal 2009:

Mr. Perry	60%
Ms. McDowell	60%
Mr. Black	60%
Mr. Burgess	50%
Mr. Burkhalter	50%

For fiscal 2009, each executive was eligible to earn the target bonus opportunity based on the achievement of the performance goals. If the minimum specified goals are not achieved, then an executive will not earn a bonus payment. The Committee believes these performance goals can be met.

In April 2008, the Board (based on the recommendation of the Committee) established performance criteria for the annual incentive plan for fiscal 2009. With respect to Messrs. Perry and Black and Ms. McDowell, the Board determined that Operating Free Cash Flow growth was the appropriate criteria, and with respect to Messrs. Burgess and Burkhalter, the Board determined that the criteria should be based on the achievement of budgeted consolidated EBITDA, less maintenance capital expenditures. The Board determined that measurements would be made quarterly, and payments would be made quarterly at 80% of the calculated result. A final calculation would be made at fiscal year-end and the payments "trued-up" to actual if necessary. The Committee retained discretion to increase the amount actually paid by up to 25% of the bonus amount based on individual performance.

Additionally, during fiscal 2009 the Committee determined that it would be prudent to establish criteria under the annual non-equity incentive plan for five fiscal years for the chief executive officer and his direct reports in order to incent them to take a long-term view of the business and to encourage retention. For each year that Operating Free Cash Flow growth is at least target, then the bonus payout to the chief executive officer and his direct reports shall be at target. In the event that actual Operating Free Cash Flow growth for any fiscal year exceeds target, then the chief executive officer and his direct reports will earn a percentage of each executive's salary, which will be "banked." If Operating Free Cash Flow for fiscal 2013 meets or exceeds the established goal, then the chief executive officer and his direct reports will be paid target for fiscal 2013, plus the entire banked amount.

For fiscal 2009, measurements were made quarterly against the criteria and quarterly bonuses (at 80% of the calculated result) were paid to Messrs. Perry and Black and Ms. McDowell for performance in the first fiscal quarter and for Messrs. Burgess and Burkhalter for performance in the first and second fiscal quarters. In June 2009 the Committee reviewed management's final calculation of actual performance for fiscal 2009 against the performance metrics. With respect to the CEO and his direct reports (Ms. McDowell and Mr. Black), the Company exceeded the Operating Free Cash Flow growth target established by the Committee and the Committee approved fiscal year-end bonuses to the CEO and his direct reports at target. Because actual Operating Free Cash Flow growth exceeded two times targeted growth, a portion of each of the executive's fiscal 2009 bonus was "banked." With respect to Messrs. Burgess and Burkhalter, the Company slightly underperformed as it relates to the EBITDA target established by the Committee. Based on the individual performance of Messrs. Burgess and Burkhalter, the CEO recommended that the Committee exercise its discretion to pay bonuses at target and the Committee concurred. Accordingly the Committee approved fiscal 2009 year-end bonuses to Messrs. Burgess and Burkhalter at target.

Long-Term Incentives

Prior to the long-term incentive awards for performance in fiscal 2008 (which awards were granted in October 2008), our primary long-term incentive for executives was the granting of stock options.

However, after reviewing Watson Wyatt's analysis and recommendations, the Committee determined that, beginning with long-term incentive awards for fiscal 2008 performance, the primary long-term incentive for executives would be shares of restricted stock vesting ratably over three years. Until the shares vest, they remain subject to forfeiture upon termination of employment or position as a director and restrictions on transfer. If and when the shares vest, they are no longer "restricted," and the recipient is free to hold, transfer or sell them, subject to required tax withholding and compliance with applicable securities laws, our securities trading policies and any other legal requirements. The Committee switched to restricted stock because the value of a stock option fluctuates based on changes in the market price of our stock to a greater degree than the value of a share of restricted stock of equivalent value. Additionally, stock options have no realizable value when the market price of the underlying shares declines below the option exercise price. In contrast, restricted stock continues to have value even if the market price of our stock declines below its value at the time of grant.

In September 2008, we offered eligible directors and employees the opportunity to exchange, on a grant-by-grant basis, their outstanding eligible stock options that were granted under the Isle of Capri Casinos, Inc. 1993 Long-Term Stock Incentive Plan (the "1993 Plan") and the Isle of Capri, Inc. 2000 Amended and Restated Long-Term Incentive Plan (the "2000 Plan" together with the 1993 Plan, the "Plans"), whether vested or unvested, for either shares of restricted stock granted under the 2000 Plan or cash, depending on the number of options exchanged. We made the offer because we determined that our substantially out-of-the-money options were not achieving the purposes for which they were intended. In addition, because many of the eligible options had been out-of-the-money for extended periods of time, they had remained outstanding and had added to an increase in the "overhang" of options outstanding in relation to the aggregate number of shares of our common stock outstanding and had increased the amount of recordkeeping for the Plans, which increased our costs. The purpose of this offer was to promote the interests of our stockholders by (i) enhancing our ability to motivate and retain valued directors and employees, (ii) reducing our "overhang" of outstanding awards by exchanging eligible options under an exchange ratio for a lesser number of shares of restricted stock and (iii) reducing the administrative burden on the Company relating to the Plans. We completed the offer in October 2008 and issued 293,760 shares of restricted stock in exchange for stock options exercisable for 2,067,201 shares of our common stock, which options were then canceled. The shares of restricted stock awarded in the exchange vest 100% on the third anniversary of the grant date, October 8, 2011.

Also in October 2008, the Committee granted restricted stock awards to the executives for performance in fiscal 2008. Based on Watson Wyatt's analysis and the compensation mix previously established by the Committee for each executive, Mr. Perry recommended a dollar value of long-term incentive compensation for each executive and further recommended that 75% of such value be delivered in shares of restricted stock and 25% in cash. The rationale for paying 25% of the long-term incentive in cash is to promote and facilitate retention of the shares of restricted stock granted. After reviewing and considering Watson Wyatt's analysis, the Committee concurred with Mr. Perry's recommended value for each executive and his recommend mix of cash and restricted stock. On October 6, 2008, the Committee made the following awards, pro-rated based on start date:

Executive	Shares(#)	Cash(\$)	Total Value(\$)
Mr. Perry	37,945	78,421	313,680
Mr. Black	36,427	75,286	301,133
Ms. McDowell	133,188	275,251	1,101,017
Mr. Burgess	8,727	18,039	72,146
Mr. Burkhalter	8,727	18,039	72,146

The shares of restricted stock vest in three (3) equal annual installments beginning on October 6, 2009. The Committee also determined that, going forward, the Committee would make its annual award of restricted stock in July as opposed to October, commencing with July 2009.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

With respect to fiscal 2009, within the first 90 days of the fiscal year, the "outside directors" (as that term is used in Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code")) on the Committee established \$2.00 per share of Operating Free Cash Flow as the fiscal 2009 threshold level of performance for the executives with respect to long-term incentives that may be granted as "performance-based" awards under the 2000 Plan. If this threshold level of performance was met, each executive would be eligible to receive up to 500,000 shares of restricted stock, which is the maximum amount permitted under the 2000 Plan. The Committee retained discretion to reduce the value of any "performance-based" award and to award non-performance-based equity awards.

In July 2009, the "outside directors" (as that term is used in Section 162(m) of the Code) on the Committee certified that the fiscal 2009 threshold level of performance that was established for the executives was satisfied and, accordingly, the executives were eligible to receive performance-based restricted stock awards under the 2000 Plan. These equity awards were designated as "performance-based compensation" (as that term is used in Section 162(m) of the Code). Similar to the awards made in October 2008 for performance in fiscal 2008, Mr. Perry recommended a dollar value of long-term incentive compensation for each participant and recommended that 75% of such value be delivered in shares of restricted stock and 25% in cash. After reviewing and considering Watson Wyatt's analysis, the Committee concurred with Mr. Perry's recommended value for each executive and his recommend mix of cash and restricted stock. On July 23, 2009, the Committee made the following awards:

Executive	Shares(#)	Cash(\$)	Total Value(\$)
Mr. Perry	175,612	762,453	3,049,800
Mr. Black	61,464	266,861	1,067,430
Ms. McDowell	107,065	464,839	1,859,361
Mr. Burgess	8,546	37,112	148,424
Mr. Burkhalter	8,546	37,112	148,424

The shares of restricted stock vest in three (3) equal annual installments beginning on July 23, 2010.

Equity Grant Policy and Stock Holding Policy

The Committee's procedure for timing of equity grants help to provide assurance that grants are never manipulated or timed to result in favorable pricing for executives. The Company schedules Board and Committee meetings in advance. Meeting schedules and award decisions are made without regard to the timing of Company SEC filings or press releases.

Equity awards are granted on the date approved by the Committee or, in the case of new hires, pursuant to the terms of an employment agreement. If the equity award is a stock option, the stock option exercise price is based on the average market price of the trading date on which the options are granted. The average price is calculated by adding the highest and lowest price for that date and dividing by two.

In fiscal 2009, equity awards were made in October 2008, similar to historical practice. In addition, stock option grants were made to executive officers in connection with their entry into employment agreements with the Company. As discussed above, the Committee determined that, going forward, equity awards to executives will occur in July as opposed to October.

The Committee encourages executives to manage from an owner's perspective by having and maintaining an equity stake in the Company. To that end, all of our Named Executive Officers are also stockholders of the Company. In January 2009, the Board adopted the Isle of Capri Casinos, Inc. Stock Holding Policy, which replaced and superseded all prior policies relating to stock ownership or retention. The Stock Holding Policy provides that members of the Board of Directors and certain members of management are required to hold a certain percentage of the shares of our common stock received by them upon lapse of the restrictions on restricted stock and upon exercise of stock options (net of any shares utilized to pay for tax withholding and the exercise price of the option). The

percentage ranges from 20% for our general managers to 50% for members of our Board of Directors, our chief executive officer and his direct reports.

Role of Executive Officers in Compensation Decisions

The Chief Executive Officer and the President assist the Committee in making compensation decisions for the executives. The Chief Executive Officer, the President, and other executives do not play a role in determining their own compensation, and are not present at the executive sessions in which their pay is discussed.

Perquisites

The Company does not provide perquisites to its executives, other than those available generally to the Company's employees and the MERP. The Committee believes that the other elements of the Company's compensation package provide adequate incentives to the executives.

Impact of Prior Compensation

Amounts realized from prior compensation grants did not serve to increase or decrease, fiscal 2009 compensation grants or amounts. The Company's and the Committee's primary focus is competitive pay opportunities on an annual basis.

Tax Deductibility of Compensation Programs

Section 162(m) of the Code limits our deduction for compensation paid to the Named Executive Officers to \$1 million unless certain requirements are met. The policy of the Committee with regard to Section 162(m) of the Code is to establish and maintain a compensation program that will optimize the deductibility of compensation. In that regard, in July 2008 our "outside directors" (as that term is used in Section 162(m) of the Code) on the Committee established Operating Free Cash Flow as the fiscal 2009 performance measure for certain executives, the satisfaction of which was a condition to receiving an equity award for fiscal 2009. The equity awards granted in July 2009 were designated as "performance-based compensation" (as that term is used in Section 162(m) of the Code). The Committee reserves the right to use its judgment, where merited by the Committee's need for flexibility to respond to changing business conditions or by an executive's individual performance, to authorize compensation that may not, in a specific case, be fully deductible.

Fiscal 2010 Compensation Actions

At the Committee's request, Watson Wyatt updated its executive compensation market analysis and presented it to the Committee at its April 2009 meeting. The analysis consisted of a competitive review of the compensation provided to executive officers and included compensation information for the peer group companies based on more recent proxy statements. Watson Wyatt concluded that, overall, the competitiveness of the executives' total direct compensation is mixed. With a few exceptions, the executives' base salaries and target total annual cash is generally at the market reference point and the competitiveness of the midpoint long-term incentive values is mixed. Watson Wyatt also determined that the executives' target pay mix approximates the market practices. After considering Watson Wyatt's analysis and based on the CEO's recommendation (other than for himself), at its meeting in June 2009 the Committee determined to leave fiscal 2010 executive compensation essentially unchanged from fiscal 2009. However, the Committee did authorize a 3% increase in executive base salaries to remain current and competitive. The Committee also determined to leave the CEO's fiscal 2010 compensation

essentially unchanged from its fiscal 2009 level, but for a 3% increase in his base salary. Accordingly, the bases salaries for fiscal 2010 for the executives are as follows:

Mr. Perry	\$ 618,000
Ms. McDowell	\$ 517,575
Mr. Black	\$ 463,500
Mr. Burgess	\$ 309,000
Mr. Burkhalter	\$ 309,000

The above base salaries for Mr. Perry and Ms. McDowell continue to reflect the voluntary 25% reductions that went into effect on November 1, 2008. The Committee's current expectation is that Ms. McDowell will be returned to her full base salary on November 1, 2009.

In June 2009, the "outside directors" (as that term is used in Section 162(m)) on the Committee established \$2.70 per share of Operating Free Cash Flow as the fiscal 2010 performance measure for executives, the satisfaction of which is a condition to receiving a "performance-based" equity award for fiscal 2010. The Committee reserved the right to award non-performance-based awards.

- (1) As described in Executive Compensation Compensation Discussion and Analysis, long-term equity incentive awards are delivered 75% in shares of restricted stock and 25% in cash. The amounts in this column reflect the cash component of the long-term equity incentive awards granted in fiscal 2009.
- (2) The amounts in this column are calculated in accordance with Statement of Financial Accounting Standards, No. 123 (revised 2004) "Share-Based Payment" ("FAS 123R") and equal the financial statement compensation cost for awards as reported in our consolidated statement of operations for the fiscal year. The amounts do not represent cash payments made to the executive or amounts realized, or amounts that may be realized. Under FAS 123R, the fair value of awards granted to employees is recognized ratably over the applicable service period generally corresponding with the vesting schedule of the grant. The assumptions used in the calculation of these amounts for stock option awards are disclosed in Note 10 to our Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended April 26, 2009 with the exception that for the employees included no forfeiture rate is applied.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

We have employment agreements with each of our Named Executives Officers. Below is a summary of each agreement as currently in effect:

In July 2007, we entered into an employment agreement with Virginia M. McDowell, our current President and Chief Operating Officer. The material terms of Ms. McDowell's employment agreement are set forth below:

One-year term that continues for a series of successive one-year terms unless earlier terminated pursuant to the terms of the agreement.

An initial base salary of \$650,000 (which was Ms. McDowell's annual base salary for fiscal 2009) and eligibility for an annual incentive bonus of 60% of annual base salary if she meets minimum targets. Ms. McDowell also received an initial stock option grant to purchase 250,000 of the Company's common stock, vesting over a five-year period.

If employee voluntarily terminates the term of employment due to Retirement (as defined in the employment agreement), then all stock options shall become fully vested and exercisable and employee's deferred bonus payments shall be fully vested and paid.

The maximum period of salary and benefit continuation in the event of termination, death or disability is 12 months, and the agreement provides for severance payments equal to two times annual base salary in the event of termination following a change of control, plus all stock options shall become fully vested and exercisable.

In December 2007, we entered into an employment agreement with Dale R. Black, our current Senior Vice President and Chief Financial Officer. The material terms of Mr. Black's employment agreement are substantially the same as Ms. McDowell's agreement. Mr. Black's initial annual base salary was \$400,000 and he is eligible for an annual incentive bonus of 60% of his annual base salary. Mr. Black also received an initial stock option grant to purchase 125,000 shares of the Company's common stock, vesting over a five-year period.

In February 2008, we entered into an employment agreement with R. Ronald Burgess, our current Senior Vice President of Human Resources. The material terms of the employment agreement are as follows:

One-year term that continues for a series of successive one-year terms unless earlier terminated pursuant to the terms of the agreement.

An initial annual base salary of \$275,000 (to be increased to \$300,000 in 2008) and eligibility for an annual incentive bonus of 50% of annual base salary.

If employee dies or becomes disabled during the employment term, employee (or employee's estate) is entitled to "Basic Severance" (consisting of (i) the continuation of employee's annualized base compensation for 12 months, (ii) the bonus due under the Company's annual incentive plan with respect to the Company's most recently completed fiscal year to the extent such bonus has not already been paid and (iii) subject to employee making a timely election to continue coverage, a monthly amount equal to the Company's portion of employee's premium or similar contribution required under the Company's group medical plan, such amount to be paid for the 12-month period following the termination date).

If we terminate the term of employment without "cause" (as defined in the employment agreement), employee is entitled to Basic Severance in the event that employee executes a general release.

If the Company terminates employee's employment without cause or if employee terminates employee's employment on account of "Good Reason" (as defined in the employment agreement), in either case, within the 12-month period following the occurrence of a "Change of Control" (as defined in the employment agreement) then the employee shall be entitled to (1) an amount equal to 200% of employee's annualized base compensation, (2) the average of employee's annual bonus payable under the Company's annual incentive plan during the Company's three most recently completed fiscal years (or such shorter period as employee has been employed by the Company), (3) the bonus due under the Company's annual incentive plan with respect to the Company's most recently completed fiscal year to the extent such bonus has not already been paid, (4) subject to employee making a timely election to continue coverage, a monthly amount equal to the Company's portion of employee's premium or similar contribution required under the Company's group medical plan, such amount to be paid for the 18-month period following the termination date, (5) any stock options granted to employee outstanding as of the occurrence of a Change of Control shall be deemed fully vested.

In March 2008, we entered into an employment agreement with James B. Perry, our current Chief Executive Officer. The material terms of Mr. Perry's employment agreement are substantially the same as Ms. McDowell's agreement; provided, however, that Mr. Perry's initial term is two years. Mr. Perry's initial annual base salary was \$800,000. Mr. Perry also received an initial stock option grant to purchase 500,000 shares of the Company's common stock, vesting over a five-year period. Mr. Perry's agreement also provides that, in the event of a termination without cause, any unvested stock options that would have vested had employee remained employed for one year following the date of termination shall vest and become exercisable.

In May 2008, we entered into an employment agreement with D. Douglas Burkhalter, our current Senior Vice President, Marketing. The material terms of Mr. Burkhalter's employment agreement are substantially the same as Mr. Burgess's agreement. For fiscal 2009, Mr. Burkhalter's annual base salary was \$300,000 and he was eligible for an annual incentive bonus of 50% of his annual base salary.

In December 2008, we amended the employment agreements between us and each of Messrs. Perry and Black and Ms. McDowell to comply with Section 409A of the Internal Revenue Code of 1986, as amended.

Potential Payments Upon Termination or Change of Control

The information below describes and quantifies compensation that would become payable under existing arrangements in the event of a termination of each Named Executive Officer's employment under several different circumstances or a change in control. The amounts shown assume that such termination or change in control was effective as of April 26, 2009, and thus include amounts earned through such time and are estimates of the amounts that would be paid to the Named Executive Officers upon their termination or a change in control. The actual amounts to be paid can only be

determined at the time of such Named Executive Officer's separation from the Company or a change in control.

The following tables quantify the amounts payable to each of the Named Executive Officers under the described termination circumstances and upon a change in control.

On April 26, 2005, one of our wholly owned subsidiaries, Isle of Capri Bettendorf, L.C., entered into a Development Agreement with the City of Bettendorf, Iowa and Green Bridge Company relating to the development of a conference/events center in Bettendorf, Iowa, the expansion of the hotel at the Isle-Bettendorf and related facilities, including a skywalk between the hotel and conference/events center and a parking facility. Green Bridge Company is indirectly wholly owned by members of the Goldstein family, including Robert S. Goldstein, Jeffrey D. Goldstein and Richard A. Goldstein. Pursuant to the Development Agreement, Isle of Capri Bettendorf, L.C. purchased certain real estate owned by Green Bridge Company for approximately \$393,000, which was determined by an appraisal process to be the fair market value.

We retained the consulting services of John G. Brackenbury, one of our directors, in connection with our development and licensing efforts in the United Kingdom. We agreed to pay Mr. Brackenbury up to \$5,000 per month for his consulting services and expenses, subject to an overall cap of \$60,000 in fees paid during any prior consecutive twelve month period. Our consulting agreement with Mr. Brackenbury terminated during fiscal 2009. During fiscal 2009 we paid Mr. Brackenbury \$10,000 for his consulting services.

Prior to joining our Board of Directors, Lee S. Wielansky provided real estate development consulting services to us. On May 1, 2007, shortly after joining our Board of Directors, we entered into a consulting agreement with Mr. Wielansky in connection with our real estate development efforts, primarily in Pompano Beach, Florida. Pursuant to our agreement with Mr. Wielansky, we paid him \$6,500 per month for his consulting services, plus reimbursement of expenses. Although our consulting agreement with Mr. Wielansky terminated September 12, 2008, we did not pay him any consulting fees during fiscal 2009.

The Company expects that any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships (including any indebtedness or guarantee of indebtedness) in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) the Company is a participant, and (3) any related party has or will have a direct or indirect interest will be either approved or ratified by the Board of Directors. In deciding whether to approve a related party transaction, the Board of Directors will take into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. If a related party transaction will be ongoing, the Board of Directors may establish guidelines for the Company's management to follow in its ongoing dealings with the related party. Thereafter, the Board of Directors, on at least an annual basis, would review and assess ongoing relationships with the related party to see that the transaction remains appropriate.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the Company's internal control over financial reporting. In fulfilling its oversight responsibilities, the Committee reviewed and discussed with management the audited consolidated financial statements in the Annual Report on Form 10-K for the fiscal year ended April 26, 2009, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

The Committee reviewed with our independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under the standards of the Public Company Accounting Oversight Board (United States). In addition, the Committee has discussed with our independent registered public accounting firm the accounting firm's independence from management and the Company, including the matters in the written disclosures required by the Public Company Accounting Oversight Board, considered the compatibility of non-audit services with the independent registered public accounting firm's independence and discussed matters required under SAS 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Company's management is responsible for the preparation and integrity of the Company's financial statements, establishing and maintaining adequate internal control over financial reporting, and for management's report on internal control over financial reporting. The Company's independent registered public accounting firm is responsible for attesting to the effectiveness of the Company's internal control over financial reporting. The Committee's responsibility in this regard is to oversee the Company's financial reporting process and internal control over financial reporting. Throughout the year the Audit Committee monitored the Company's compliance with Section 404 of the Sarbanes-Oxley Act of 2002, and was satisfied that the Company would conclude that internal control over financial reporting would be effective as of April 26, 2009. Management, in fact, concluded that the Company's internal control over financial reporting was effective as of April 26, 2009. The independent registered public accounting firm provided an attestation that the Company maintained effective internal control over financial reporting in all material respects as of April 26, 2009.

The Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Committee meets with the internal auditors and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referenced above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the year ended April 26, 2009 for filing with the Securities and Exchange Commission. The Committee also appointed, subject to stockholder ratification, the Company's independent registered public accounting firm for this year ended April 25, 2010.

PROPOSAL 2
APPROVAL OF THE ISLE OF CAPRI CASINOS, INC. 2009 LONG-TERM INCENTIVE PLAN

Stockholders are being requested to vote on the adoption of the Isle of Capri Casinos, Inc. 2009 Long-Term Incentive Plan (the "2009 Plan"). The purpose of the 2009 Plan is to furnish additional compensation and incentives to our employees, officers and directors. A copy of the 2009 Plan is attached to this proxy statement as Appendix A. The following description of the 2009 Plan is a summary of its principal terms and so is qualified by reference to the complete text of the 2009 Plan.

Background

The 2009 Plan was adopted by our Board of Directors on August 20, 2009 (the "effective date"), effective upon approval of our stockholders, to (a) attract and retain persons eligible to participate in the 2009 Plan; (b) motivate participants, by means of appropriate incentives, to achieve long-range goals; (c) provide incentive compensation opportunities that are competitive with those of other similar companies; and (d) further identify participants' interests with those of our other stockholders through compensation that is based on our common stock, and thereby promote our long-term financial interest, including the growth in value of our equity and enhancement of long-term stockholder return. The 2009 Plan replaces the Isle of Capri Casinos, Inc. Amended and Restated 2000 Long-Term Stock Incentive Plan (the "2000 Plan"). No awards will be made under the 2009 Plan unless and until it is approved by our stockholders.

To achieve the foregoing objectives, the 2009 Plan provides for the grant of non-qualified stock options ("NQSOs") and incentive stock options ("ISOs"), stock appreciation rights ("SARs"), and full value awards (as described below).

Administration

The 2009 Plan is administered by our Stock Option and Compensation Committee. The Stock Option and Compensation Committee selects the employees, officers and directors who will be granted awards under the 2009 Plan and thereby become "participants" in the 2009 Plan. All of our employees, officers and directors, and the directors, officers and employees of our affiliates are eligible to participate in the 2009 Plan. Generally, a corporation, partnership, joint venture or other entity is our affiliate during any period in which we, directly or indirectly, own at least 50% of the combined voting power of all classes of stock or 50% of the ownership interests in such entity, or if the entity, directly or indirectly, owns at least 50% of the combined voting power of all of our classes of stock. In the case of an ISO, an affiliate means a subsidiary corporation as defined under Internal Revenue Code rules.

The Stock Option and Compensation Committee also determines the types of awards to be granted and the applicable terms, conditions, performance criteria, restrictions and other provisions of such awards. The Stock Option and Compensation Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by the Stock Option and Compensation Committee, except to the extent prohibited by applicable law or the applicable rules of a stock exchange.

Shares Reserved

The number of shares of our common stock reserved for issuance under the 2009 Plan is the sum of (a) 1,000,000 shares plus (b) any shares of common stock remaining for issuance under the 2000 Plan as of the effective date (including any shares added back to the 2000 Plan pursuant to the terms of the 2000 Plan from a plan other than the 2000 Plan), plus (c) any shares of common stock that would have been available for awards granted under the 2000 Plan due to forfeiture, expiration or cancellation of awards without delivery of shares of common stock or which result in the forfeiture of

the shares of common stock back to us (including any shares that would have been available under the 2000 Plan pursuant to the terms of the 2000 Plan due to forfeiture, expiration or cancellation of awards made under a plan other than the 2000 Plan). Any shares allocated to an award which is forfeited or cancelled or that is settled in cash or used to satisfy applicable tax withholding obligations will again become subject to awards under the 2009 Plan. The common stock with respect to which awards may be made under the 2009 Plan may be shares currently authorized but unissued, or currently held or subsequently acquired by us as treasury shares.

The following additional limits will apply to awards under the 2009 Plan: (1) no more than 1,000,000 shares of common stock authorized under the Plan may be issued for ISOs; (2) in the case of options or SARs that are intended to be "performance-based compensation" (determined under Internal Revenue Code rules), no more than 500,000 shares of common stock may be subject to options or SARs granted to any one individual in any one fiscal year period; (3) in the case of full value awards that are intended to be "performance-based compensation" and that are denominated in shares of common stock, no more than 500,000 shares of common stock may be subject to such awards granted to any one individual in any one fiscal year period; and (4) in the case of any full value award that is intended to be "performance-based compensation" and that is denominated in cash, no more than \$1,500,000 may be subject to such awards to any one individual during any one fiscal year period. If a full value award is denominated in common stock but an equivalent amount of cash is delivered in lieu of shares of common stock, the foregoing limits are applied based on the methodology used to convert the number of shares into cash and if the award is denominated in cash but an equivalent number of shares are delivered in lieu of cash, the foregoing limits are applied based on the methodology used to convert the cash to shares of common stock.

In the event of a corporate transaction involving us (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the Stock Option and Compensation Committee will adjust awards to preserve the benefits or potential benefits of the awards. Action by the Stock Option and Compensation Committee may include, in its discretion: (1) adjustment of the number and kind of shares which may be delivered under the 2009 Plan (including adjustments to the number and kind of shares that may be granted to an individual during a specified time as described above); (2) adjustment of the number and kind of shares subject to outstanding awards; (3) adjustment of the exercise price of outstanding options and SARs; and (4) any other adjustments that the Stock Option and Compensation Committee determines to be equitable (which may include, without limitation, (I) replacement of awards with other awards that the Stock Option and Compensation Committee determines have comparable value and which are based on stock of a company resulting from the transaction, and (II) cancellation of the award in return for a cash payment of the current value of the award, determined as though the award is fully vested at the time of payment, which, in the case of an option or SAR, the amount of such payment may be the excess of the value of the stock subject to the option or SAR at the time of the transaction over the exercise price.

Options and SARs

Under the 2009 Plan, the Stock Option and Compensation Committee may grant (a) options to purchase our common stock, which options may be either ISOs or NQSOs and (b) SARs. An option entitles the participant to purchase shares of our common stock at an exercise price established at the time the option is granted. An SAR entitles the participant to receive, in shares of our common stock or cash, as determined at the time the SAR is granted, value equal to (or based on) the excess of the value of a specified number of shares of our common stock over an exercise price established at the time the SAR is granted. In no event can the exercise price under an option or SAR be less than the fair market value of a share of our common stock on the date the award is granted.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

Each option and SAR will be exercisable in accordance with the terms established by the Stock Option and Compensation Committee at the time of grant and the committee may, in its discretion, accelerate the vesting dates set at the time of grant. In no event will an option or SAR be exercisable more than 10 years after it is granted.

In order to exercise an option, a participant must deliver to us the full exercise price of each share of common stock purchased upon the exercise of the option. The exercise price may be paid in cash or cash equivalents or in shares of our common stock (valued at fair market value as of the day of exercise), or in any combination thereof. The Stock Option and Compensation Committee may permit a participant to pay the exercise price by irrevocably authorizing a third party to sell shares acquired upon exercise of the option and to remit proceeds to pay the exercise price and tax withholding, in which case the exercise price may be paid as soon as practicable after the exercise.

The Stock Option and Compensation Committee may impose restrictions on the shares of common stock acquired upon exercise of an option or SAR, including restrictions relating to the disposition of the shares of common stock and forfeiture restrictions based on service, performance, stock ownership and other factors.

Except for adjustments made in connection with corporate transactions or reductions of the exercise price approved by our stockholders, the exercise price for any outstanding option or SAR granted under the 2009 Plan may not be decreased after the date of grant and no outstanding option or SAR granted under the 2009 Plan can be surrendered to us for cash (other than as necessary to satisfy tax withholding obligations), another award or as consideration for the grant of a replacement option or SAR with a lower exercise price. In addition, no repricing of an option or SAR will be permitted without the approval of our stockholders if that approval is required under the rules of any stock exchange on which such our shares of common stock are listed

Full Value Awards

The Stock Option and Compensation Committee may grant full value awards under the 2009 Plan. A full value award is the grant of one or more shares of our common stock or a right (other than an option or SAR) to receive one or more shares of our common stock in the future. The grant of a full value award may be in consideration of a participant's previously performed service or surrender of other compensation, may be contingent on the achievement of performance or other objectives during a specified period, may be subject to a risk of forfeiture or other restrictions that lapse on the achievement of one or more goals relating to completion of service or the achievement of performance or other objectives or may be subject to such other conditions, restrictions and contingencies as the Stock Option and Compensation Committee determines.

If an employee's right to become vested in a full value award is conditioned on the completion of a specified period of service with us, without achievement of performance targets or other performance objectives (including the performance measures described below with respect to performance-based compensation) being required as a condition of vesting, and without it being granted in lieu of other compensation, then the required period of service for full vesting will be not less than one year. The Stock Option and Compensation Committee may, however, provide for pro rata vesting over the course of the one year period and acceleration of vesting in the event of the participant's death, disability, retirement, change in control or involuntary termination. The foregoing vesting requirements do not apply to (a) grants made to newly eligible participants to replace awards from a prior employer and (b) grants that are a form of payment of earned performance awards or other incentive compensation.

Settlement of Awards

Awards under the 2009 Plan may be settled through cash payments, the delivery of shares of our common stock, the granting of replacement awards, or a combination thereof, as the Stock Option and

Compensation Committee determines. Settlement may be subject to such conditions, restrictions and contingencies as the Stock Option and Compensation Committee shall determine.

The Stock Option and Compensation Committee may permit or require the deferral of any payment with respect to an award, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest or dividend equivalents or may include converting such credits into deferred common stock equivalents. Dividend equivalents may not be granted with respect to options or SARs, and options or SARs may not be converted into common stock equivalents.

Dividends and Dividend Equivalents

An award under the 2009 Plan (other than an option or SAR) may provide the participant with the right to receive dividend payments or dividend equivalent payments with respect to our common stock subject to the award (both before and after the common stock subject to the award is earned, vested, or acquired). The dividends or dividend equivalent units may either be made currently or credited to an account for the participant and may be settled in cash or shares of our common stock, as determined by the Stock Option and Compensation Committee. Any settlements, and any crediting of dividends or dividend equivalents or reinvestment in shares of common stock, may be subject to such conditions, restrictions and contingencies as the Stock Option and Compensation Committee establishes, including the reinvestment of such credited amounts in common stock equivalents.

Performance-Based Compensation

The Stock Option and Compensation Committee may designate whether any award being granted to any participant under the 2009 Plan is intended to be "performance-based compensation" as that term is used in section 162(m) of the Internal Revenue Code. Any such awards (other than options and SARs) that are designated as intended to be "performance-based compensation" shall be conditioned on the achievement of one or more performance targets and one or more of the following "performance measures", as selected by the Stock Option and Compensation Committee: revenue; increases in stock price; market share; primary or fully diluted earnings per share; earnings before interest, taxes, depreciation and/or amortization; free cash flow; cash flow from operations; total cash flow; return on equity; return on capital; return on assets; management staffing; or any combination thereof. Generally, full value awards that are intended to be performance-based compensation cannot be settled or paid until the Stock Option and Compensation Committee has determined that the performance targets have been satisfied. If, however, a participant's employment terminates because of death, disability or if a change in control (as defined in the 2009 Plan) occurs prior to a participant's termination date, a full value award may become vested without regard to whether the award will be performance-based compensation.

Imposition of Additional Restrictions

The Stock Option and Compensation Committee, in its discretion, may impose such conditions, restrictions, and contingencies on common stock acquired pursuant to the 2009 Plan as the Stock Option and Compensation Committee determines to be desirable.

Nontransferability

Except as otherwise provided by the Stock Option and Compensation Committee, awards under the 2009 Plan are not transferable except as designated by the participant by will or by laws of descent and distribution. In no event may any award be transferred for value. To the extent that a participant has the right to exercise an award made under the 2009 Plan, the award may be exercised during the lifetime of the participant only by the participant.

Change in Control

Generally, upon a change in control (as defined in the 2009 Plan), all outstanding awards granted under the 2009 Plan will become fully vested and exercisable.

Withholding of Taxes

We may require a participant to pay the amount of any withholding taxes payable upon the settlement of any award under the 2009 Plan or withhold from amounts otherwise payable (including in the form of common stock) to the participant under the 2009 Plan.

Amendment and Termination

The 2009 Plan may be amended or terminated at any time by the Board, provided that no amendment or termination may adversely affect the rights of any participant (or, if the participant is not living, an affected beneficiary) without the participant's or beneficiary's consent. Adjustment to awards in the context of corporate transactions are not subject to the foregoing limitations. In addition, no amendment or termination of the 2009 Plan is permitted without stockholder approval if that approval is necessary to comply with any tax or regulatory requirement applicable to the plan (including any applicable stock exchange listing requirement or to prevent us from being denied a tax deduction under section 162(m) of the Internal Revenue Code). No amendment of the option re-pricing provisions of the 2009 Plan can be made unless our shareholders approve the amendment.

Federal Income Tax Effects

The following is a brief description of the U.S. federal income tax treatment that will generally apply to awards under the 2009 Plan based on current U.S. federal income taxation with respect to us and participants who are subject to U.S. federal income tax. Note that Section 409A of the Internal Revenue Code which generally became effective as of January 1, 2005, may apply to certain types of awards under the 2009 Plan.

The grant of an NQSO will not result in taxable income to the participant and we will not be entitled to a deduction at the time of grant. Except as described below, the participant will realize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the common stock acquired over the exercise price for those shares, and we will be entitled to a corresponding deduction. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such common stock equal to the fair market value of the shares at the time of exercise.

The grant of an ISO will not result in taxable income to the participant and we will not be entitled to a deduction at the time of grant. The exercise of an ISO will not result in taxable income to the participant provided that the participant was, without a break in service, our employee or the employee of one of our direct corporate subsidiaries (determined under Internal Revenue Code rules) during the period beginning on the date of the grant of the option and ending on the date three months prior to the date of exercise (one year prior to the date of exercise if the participant dies or is disabled as determined under Internal Revenue Code rules). The excess of the fair market value of the common stock at the time of the exercise of an ISO over the exercise price is an adjustment that is included in the calculation of the participant's alternative minimum taxable income for the tax year in which the ISO is exercised. For purposes of determining the participant's alternative minimum tax liability for the year of disposition of the shares acquired pursuant to the ISO exercise, the participant will have a basis in those shares equal to the fair market value of the common stock at the time of exercise.

If the participant does not sell or otherwise dispose of the common stock acquired upon exercise of an ISO within two years from the date of the grant of the ISO or within one year after the transfer

of such common stock to the participant, then upon disposition of such stock, any amount realized in excess of the exercise price will be taxed to the participant as capital gain, and we will not be entitled to a corresponding deduction for federal income tax purposes. The participant will recognize capital loss to the extent that the amount realized is less than the exercise price. If these holding period requirements are not met, the participant will generally realize ordinary income at the time of the disposition of the shares, in an amount equal to the lesser of (1) the excess of the fair market value of the common stock on the date of exercise over the exercise price, or (2) the excess, if any, of the amount realized upon disposition of the shares over the exercise price. If the amount realized exceeds the value of the shares on the date of exercise, any additional amount will be capital gain. If the amount realized is less than the exercise price, the participant will recognize no income, and a capital loss will be recognized equal to the excess of the exercise price over the amount realized upon the disposition of the shares.

The grant of an SAR under the 2009 Plan will not result in taxable income to the participant and we will not be entitled to a deduction at the time of grant. Upon exercise of an SAR, the amount of cash or the fair market value of common stock received will be taxable to the participant as ordinary income, and we will be entitled to a corresponding deduction. Gains and losses realized by the participant upon disposition of any such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of exercise.

Generally, a participant who has been granted a full value award will not realize taxable income at the time of grant, and we will not be entitled to a deduction at that time. The participant will have taxable income at the time of distribution equal to the amount of cash received and the then fair market value of the distributed shares, and we will be entitled to a corresponding deduction.

If the full award consists of shares of common stock that is subject to restrictions, then assuming that the restrictions on the award constitute a "substantial risk of forfeiture" for U.S. federal income tax purposes, the participant will not realize taxable income at the time of grant and we will not be entitled to a deduction at that time. Upon the vesting of common stock subject to the award, the holder will realize ordinary income in an amount equal to the then fair market value of those shares and we will be entitled to a corresponding deduction. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of vesting. Dividends, if any, paid to the holder during the restriction period will also be compensation income to the participant and deductible as compensation expense by us. If the restrictions on the award do not constitute a substantial risk of forfeiture or if the participant elects, pursuant to section 83(b) of the Internal Revenue Code, to recognize income at the date of grant of the award, the participant will recognize income at the date of grant equal to the fair market value of the shares at the date of grant, the applicable capital gain holding period will commence as of that date, and we will be entitled to a deduction for compensation expense at the time of grant.

Any acceleration of the vesting or payment of awards under the 2009 Plan in the event of a change in control of us may cause part or all of the amounts paid to be treated as an "excess parachute payment" under the Internal Revenue Code, which may subject the participant to a 20% excise tax and preclude our deduction.

Under section 162(m) of the Internal Revenue Code, we generally will not be able to deduct annual compensation in excess of \$1 million paid to our chief executive officer and our four most highly compensated employees. However, amounts that constitute "performance-based compensation" are not counted toward the \$1 million limit. Certain awards under the 2009 Plan will automatically qualify as performance-based compensation and the Stock Option and Compensation Committee may designate whether any other award is intended to constitute performance-based compensation.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ADOPTION OF THE 2009 PLAN.

PROPOSAL 3
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending April 25, 2010, and has recommended to the Board of Directors that the stockholders ratify such selection. Although stockholder ratification of our Audit Committee's action in this respect is not required, the Board of Directors considers it desirable for stockholders to pass upon the selection of our independent registered public accounting firm and, if the stockholders do not ratify the selection, may reconsider its selection.

Ratification of the appointment of an independent registered public accounting firm requires the affirmative vote of at least a majority of the shares of our common stock present at the annual meeting, in person or by proxy, and entitled to vote on the proposal. Abstentions from voting will have the same effect as voting against the proposal and broker non-votes, if any, will have no effect on the vote for this proposal.

Representatives of Ernst & Young LLP, who are expected to be present at the annual meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders.

We have been informed by Ernst & Young LLP that neither the firm nor any of its members or their associates has any direct financial interest or material indirect financial interest in us or any of our affiliates.

The following table summarizes the fees billed to the Company for professional services by Ernst & Young LLP for the fiscal years 2009 and 2008:

	2009	2008
Audit Fees	\$2,563,865	\$2,564,745
Audit-Related Fees	22,825	5,085
Tax Fees		43,224
	\$2,566,690	\$2,613,057

Audit-related fees for 2009 include fees for the audit of our employee benefit plan. Tax fees consist of amounts billed for tax compliance assistance and tax planning and advice.

The Audit Committee is responsible for reviewing and pre-approving any non-audit services to be performed by the Company's outside accounting firm. The Audit Committee may delegate its pre-approval authority to the Chairman of the Audit Committee to act between meetings of the Audit Committee. Any pre-approval given by the Chairman of the Audit Committee pursuant to this delegation is presented to the full Audit Committee at its next regularly scheduled meeting. The Audit Committee or Chairman of the Audit Committee reviews, and if appropriate, approves all non-audit service engagements, taking into account the proposed scope of the non-audit services, the proposed fees for the non-audit services, whether the non-audit services are permissible under applicable law or regulation, and the likely impact of the non-audit services on the principal accountant's independence.

The Audit Committee pre-approved each engagement of the Company's independent registered public accounting firm to perform non-audit related services during fiscal year 2009.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence and believes the provision of the services referenced above is compatible.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS ISLE OF CAPRI CASINOS, INC. INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

**ISLE OF CAPRI CASINOS, INC.
2009 LONG-TERM STOCK INCENTIVE PLAN**

**SECTION 1
GENERAL**

1.1. *Purpose and History.* The Isle of Capri Casinos, Inc. 2009 Long-Term Stock Incentive Plan (the "Plan") has been established effective as of the Effective Date by Isle of Capri Casinos, Inc. (the "Company") to (a) attract and retain persons eligible to participate in the Plan; (b) motivate Participants, by means of appropriate incentives, to achieve long-range goals; (c) provide incentive compensation opportunities that are competitive with those of other similar companies; and (d) further identify Participants' interests with those of the Company's other stockholders through compensation that is based on the Company's common stock, and thereby promote the long-term financial interest of the Company and its Affiliates, including the growth in value of the Company's equity and enhancement of long-term stockholder return. The Plan replaces the Isle of Capri Casinos, Inc. Amended and Restated 2000 Long-Term Stock Incentive Plan (the "Prior Plan"). The Plan was adopted by the Board on August 20, 2009 and shall become effective upon approval by the Company's stockholders. No awards shall be made under the Plan unless and until it is approved by the Company's stockholders.

1.2. *Operation, Administration, and Definitions.* The operation and administration of the Plan, including the Awards made under the Plan, shall be subject to the provisions of Section 4 (relating to operation and administration). Capitalized terms used in the Plan are defined in Section 8.

1.3. *Participation.* Subject to the terms and conditions of the Plan, the Committee shall determine and designate, from time to time, from among the Eligible Persons those persons who will be granted one or more Awards under the Plan and thereby become Participants in the Plan.

**SECTION 2
OPTIONS AND SARS**

2.1. *Definitions.*

(a) The grant of an "Option" under the Plan entitles the Participant to purchase shares of Stock at an Exercise Price established by the Committee at the time the Option is granted. Any Option granted under this Section 2 may be either an incentive stock option (an "ISO") or a non-qualified stock option (an "NQSO"), as determined in the discretion of the Committee, provided that only employees of the Company or an Affiliate may receive a grant of ISOs. An "ISO" is an Option that is intended to satisfy the requirements applicable to an "incentive stock option" described in section 422(b) of the Code. An "NQSO" is an Option that is not intended to be an "incentive stock option" as that term is described in section 422(b) of the Code.

(b) The grant of a stock appreciation right (an "SAR") under the Plan entitles the Participant to receive, in cash or Stock (as determined in accordance with the terms of the Plan), value equal to (or otherwise based on) the excess of: (a) the Fair Market Value of a specified number of shares of Stock at the time of exercise; over (b) the Exercise Price established by the Committee at the time the SAR is granted.

2.2. *Exercise Price.* The "Exercise Price" of each Option and SAR granted under this Section 2 shall be established by the Committee, or shall be determined by a method established by the Committee, at the time the Option or SAR is granted; provided, however, that the Exercise Price shall

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

not be less than 100% of the Fair Market Value of a share of Stock on the date of grant (or, if greater, the par value of a share of Stock).

2.3. *Exercise/Vesting.* Except as otherwise expressly provided in the Plan, Options and SARs shall become vested and exercisable in accordance with such terms and conditions and during such periods as may be established by the Committee as set forth in the Award Agreement; provided, however, that notwithstanding any vesting dates set by the Committee in such Award Agreement, the Committee may, in its sole discretion, accelerate the exercisability of any Option or SAR, which acceleration shall not affect the terms and conditions of such Option or SAR other than with respect to exercisability. No Option or SAR may be exercised after the Expiration Date applicable to that Option or SAR.

2.4. *Payment of Option Exercise Price.* The payment of the Exercise Price of an Option granted under this Section 2 shall be subject to the following:

(a) Subject to the following provisions of this subsection 2.4, the full Exercise Price for shares of Stock purchased upon the exercise of any Option shall be paid at the time of such exercise (except that, in the case of an exercise arrangement approved by the Committee and described in paragraph 2.4(c), payment may be made as soon as practicable after the exercise).

(b) Subject to applicable law, the Exercise Price shall be payable (i) in cash or cash equivalents, (ii) by tendering, by either actual delivery or by attestation, shares of Stock acceptable to the Committee, and valued at Fair Market Value as of the day of exercise, or (iii) in any combination of (i) and (ii), as determined by the Committee.

(c) Subject to applicable law and procedures established by the Committee, the Committee may permit a Participant to elect to pay the Exercise Price upon the exercise of an Option by irrevocably authorizing a third party to sell shares of Stock (or a sufficient portion of the shares) acquired upon exercise of the Option and remit to the Company a sufficient portion of the sale proceeds to pay the entire Exercise Price and any tax withholding resulting from such exercise.

2.5. *Settlement of Award.* Settlement of Options and SARs is subject to subsection 4.8.

2.6. *Post-Exercise Limitations.* The Committee, in its discretion, may impose such restrictions on shares of Stock acquired pursuant to the exercise of an Option or SAR as it determines to be desirable, including, without limitation, restrictions relating to the disposition of the shares and forfeiture restrictions based on service, performance, Stock ownership by the Participant and such other factors as the Committee determines to be appropriate.

2.7. *No Repricing.* Except for either adjustments pursuant to subsection 4.3 (relating to the adjustment of shares), or reductions of the Exercise Price approved by the Company's stockholders, the Exercise Price for any outstanding Option or SAR may not be decreased after the date of grant nor may an outstanding Option or SAR granted under the Plan be surrendered to the Company for cash (other than pursuant to subsection 4.5), other Awards, or as consideration for the grant of a replacement Option or SAR with a lower exercise price. In addition, no repricing of an Option or SAR shall be permitted without the approval of the Company's stockholders if such approval is required under the rules of any stock exchange on which such shares of Stock are listed.

2.8. *Required Notice of ISO Share Disposition.* Each Participant who is awarded an ISO under the Plan shall notify the Company in writing immediately after the date he or she makes a disqualifying disposition of any Stock acquired pursuant to the exercise of such ISO. A disqualifying disposition is any disposition (including any sale) of such Stock before the later of (a) two years after the date of grant of the ISO or (b) one year after the date the Participant acquired the Stock upon exercise of the ISO.

2.9. *Limits on ISOs.* Notwithstanding anything to the contrary in this Section 2, if an ISO is granted to a Participant who owns stock representing more than ten percent of the voting power of all

classes of stock of the Company or of an Affiliate, the Expiration Date shall not be later than the fifth anniversary of the date on which the ISO was granted and the Exercise Price shall be at least 110 percent of the Fair Market Value of the Stock subject to the ISO (determined on the date of grant). To the extent that the aggregate fair market value of shares of Stock with respect to which ISOs are exercisable for the first time by any individual during any calendar year (under all plans of the Company and all Affiliates) exceeds \$100,000, such Options shall be treated as NQSOs to the extent required by section 422 of the Code.

2.10. *Expiration Date.* The "Expiration Date" with respect to an Option or SAR means the date established as the Expiration Date by the Committee at the time of grant. In no event shall the Expiration Date of an Option or SAR be later than the ten-year anniversary of the date on which the Option or SAR is granted.

SECTION 3 FULL VALUE AWARDS

3.1. *Definition.* A "Full Value Award" is a grant of one or more shares of Stock or a right to receive one or more shares of Stock in the future (other than the grant of an Option or SAR), with such grant subject to one or more of the following, as determined by the Committee:

(a) The grant shall be in consideration of a Participant's previously performed services or surrender of other compensation that may be due.

(b) The grant shall be contingent on the achievement of performance or other objectives during a specified period.

(c) The grant shall be subject to a risk of forfeiture or other restrictions that will lapse upon the achievement of one or more goals relating to completion of service by the Participant, or achievement of performance or other objectives.

(d) The grant of Full Value Awards may also be subject to such other conditions, restrictions and contingencies, as determined by the Committee, including dividend or dividend equivalent rights and deferred payment or settlement.

3.2. *Special Vesting Rules.* If an employee's right to become vested in a Full Value Award is conditioned on the completion of a specified period of service with the Company or the Affiliates, without achievement of performance targets or other performance objectives (whether or not related to Performance Measures) being required as a condition of vesting, and without it being granted in lieu of other compensation, then the required period of service for full vesting shall be not less than one year (subject, to the extent provided by the Committee, to pro rated vesting over the course of such one year period and to acceleration of vesting in the event of the Participant's death, disability, retirement, Change in Control or involuntary termination). The foregoing requirements shall not apply to (a) grants made to newly eligible Participants to replace awards from a prior employer and (b) grants that are a form of payment of earned performance awards or other incentive compensation.

3.3. *Performance-Based Compensation.* The Committee may designate a Full Value Award granted to any Participant as "Performance-Based Compensation" within the meaning of section 162(m) of the Code and regulations thereunder. To the extent required by section 162(m) of the Code, any such Award so designated shall be conditioned on the achievement of one or more performance targets and Performance Measures as determined by the Committee and the following additional requirements shall apply:

(a) The performance targets established for the performance period established by the Committee shall be objective (as that term is described in regulations under section 162(m) of the Code), and shall be established in writing by the Committee not later than 90 days after the

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

beginning of the performance period (but in no event after 25% of the performance period has elapsed), and while the outcome as to the performance targets is substantially uncertain. The performance targets established by the Committee may be with respect to corporate performance, operating group or sub-group performance, individual company performance, other group or individual performance, or division performance.

(b) A Participant otherwise entitled to receive a Full Value Award for any performance period shall not receive a settlement or payment of the Award until the Committee has determined that the applicable performance target(s) have been attained. To the extent that the Committee exercises discretion in making the determination required by this paragraph 3.3(b), such exercise of discretion may not result in an increase in the amount of the payment.

(c) To the extent provided by the Committee, if a Participant's employment terminates because of death or disability, or if a Change in Control occurs prior to the Participant's termination date, the Participant's Full Value Award may become vested without regard to whether the Full Value Award would be Performance-Based Compensation.

Nothing in this Section 3 shall preclude the Committee from granting Full Value Awards under the Plan that are not intended to be Performance-Based Compensation; provided, however, that, at the time of grant of Full Value Awards by the Committee, the Committee shall designate whether such Awards are intended to constitute Performance-Based Compensation. To the extent that the provisions of this Section 3 reflect the requirements applicable to Performance-Based Compensation, such provisions shall not apply to the portion of the Award, if any, that is not intended to constitute Performance-Based Compensation.

SECTION 4 OPERATION AND ADMINISTRATION

4.1. *Duration.* The Plan shall be unlimited in duration and, in the event of Plan termination, shall remain in effect as long as any Awards under it are outstanding; provided, however, that no Awards may be granted under the Plan after the ten-year anniversary of the Effective Date.

4.2. *Shares Subject to Plan.* The shares of Stock for which Awards may be granted under the Plan shall be subject to the following:

(a) The shares of Stock with respect to which Awards may be made under the Plan shall be shares currently authorized but unissued or, to the extent permitted by applicable law, currently held or subsequently acquired by the Company as treasury shares, including shares purchased in the open market or in private transactions.

(b) Subject to the provisions of subsection 4.3, the maximum number of shares of Stock that may be delivered to Participants and their beneficiaries under the Plan shall be equal to the sum of: (i) 1,000,000 shares of Stock; (ii) any shares of Stock available for future awards under the Prior Plan as of the Effective Date (including any shares added back to the Prior Plan, pursuant to the terms of the Prior Plan, from a plan other than the Prior Plan), and (iii) any shares of Stock that would have been available for awards granted under the Prior Plan due to forfeiture, expiration or cancellation of such awards without delivery of shares of Stock or which result in the forfeiture of the shares of Stock back to the Company (including any such shares which would have been available under the Prior Plan, pursuant to the terms of the Prior Plan, due to forfeiture, expiration or cancellation of awards made under a plan other than the Prior Plan).

(c) Except as expressly provided by the terms of this Plan, the issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property or for labor or services, either upon direct sale, upon the exercise of rights or warrants to subscribe therefor or upon conversion of shares or obligations of the Company convertible into

such shares or other securities, shall not affect, and no adjustment by reason thereof, shall be made with respect to Awards then outstanding hereunder.

(d) To the extent provided by the Committee, any Award may be settled in cash rather than Stock. To the extent any shares of Stock covered by an Award are not delivered to a Participant or beneficiary because the Award is forfeited or canceled, or the shares of Stock are not delivered because the Award is settled in cash or used to satisfy the applicable tax withholding obligation, such shares shall not be deemed to have been delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan.

(e) If the exercise price of an Option granted under the Plan is satisfied by tendering shares of Stock to the Company (by either actual delivery or by attestation), only the number of shares of Stock issued net of the shares of Stock tendered shall be deemed delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan.

(f) Subject to the provisions of subsection 4.3, the following additional maximums are imposed under the Plan:

(i) The maximum number of shares of Stock that may be issued by Options intended to be ISOs shall be 1,000,000.

(ii) For Awards of Options or SARs that are intended to be Performance-Based Compensation, no more than 500,000 shares of Stock may be subject to such Awards granted to any one individual during any one fiscal year period. If an Option is in tandem with an SAR, such that the exercise of the Option or SAR with respect to a share of Stock cancels the tandem SAR or Option right, respectively, with respect to such share, the tandem Option and SAR rights with respect to each share of Stock shall be counted as covering but one share of Stock for purposes of applying the limitations of this subparagraph (ii).

(iii) For Full Value Awards that are intended to be Performance-Based Compensation, no more than 500,000 shares of Stock may be subject to such Awards granted to any one individual during any one fiscal year period. If, after shares have been earned, the delivery is deferred, any additional shares attributable to dividends during the deferral period shall be disregarded. For Full Value Awards that are intended to be Performance-Based Compensation and that are denominated in cash, no more than \$1,500,000 may be subject to such Awards granted to any one individual during any one fiscal year period.

(1) If the Awards are denominated in Stock but an equivalent amount of cash is delivered in lieu of delivery of shares of Stock, the foregoing limit shall be applied based on the methodology used by the Committee to convert the number of shares of Stock into cash.

(2) If the Awards are denominated in cash but an equivalent amount of Stock is delivered in lieu of delivery of cash, the foregoing limit shall be applied to the cash based on the methodology used by the Committee to convert the cash into shares of Stock.

(3) Any adjustment in the number of shares of Stock or amount of cash delivered to reflect actual or deemed investment experience shall be disregarded.

4.3. *Adjustments to Shares.* In the event of a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the Committee shall adjust Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include, in its sole discretion: (a) adjustment of the number and kind of shares which may be delivered under the Plan (including adjustments to the number and kind of shares that may be granted to an individual during any specified time as described in subsection 4.2);

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

(b) adjustment of the number and kind of shares subject to outstanding Awards; (c) adjustment of the Exercise Price of outstanding Options and SARs; and (d) any other adjustments that the Committee determines to be equitable (which may include, without limitation, (i) replacement of Awards with other Awards which the Committee determines have comparable value and which are based on stock of a company resulting from the transaction, and (ii) cancellation of the Award in return for cash payment of the current value of the Award, determined as though the Award is fully vested at the time of payment, provided that in the case of an Option or SAR, the amount of such payment may be the excess of value of the Stock subject to the Option or SAR at the time of the transaction over the Exercise Price).

4.4. *General Restrictions.* Delivery of shares of Stock or other amounts under the Plan shall be subject to the following:

(a) Notwithstanding any other provision of the Plan, neither the Company nor any Affiliate shall have any obligation to deliver any shares of Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act of 1933), and the applicable requirements of any securities exchange or similar entity.

(b) In the case of a Participant who is subject to Section 16(a) and 16(b) of the Exchange Act, the Committee may, at any time, add such conditions and limitations to any Award to such Participant, or any feature of any such Award, as the Committee, in its sole discretion, deems necessary or desirable to comply with Section 16(a) or 16(b) and the rules and regulations thereunder or to obtain any exemption therefrom.

(c) To the extent that the Plan provides for issuance of stock certificates to reflect the issuance of shares of Stock, the issuance may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange.

4.5. *Tax Withholding.* All Awards and other payments and distributions under the Plan are subject to withholding of all applicable taxes, and the Committee may condition the delivery of any shares or other payments or benefits under the Plan on satisfaction of the applicable withholding obligations. The Committee, in its discretion, and subject to such requirements as the Committee may impose prior to the occurrence of such withholding, may permit such withholding obligations to be satisfied through (a) cash payment by the Participant, (b) through the surrender of shares of Stock acceptable to the Committee which the Participant already owns, or (c) through the surrender of shares of Stock to which the Participant is otherwise entitled under the Plan; provided, however, that previously-owned shares of Stock that have been held by the Participant or to which the Participant is entitled under the Plan may only be used to satisfy the minimum tax withholding required by applicable law (or other rates that will not have a negative accounting impact).

4.6. *Grant and Use of Awards.* In the discretion of the Committee, a Participant may be granted any Award permitted under the provisions of the Plan, and more than one Award may be granted to a Participant. Subject to subsection 2.7 (relating to repricing) Awards may be granted as alternatives to or replacement of awards granted or outstanding under the Plan, or any other plan or arrangement of the Company or an Affiliate (including a plan or arrangement of a business or entity, all or a portion of which is acquired by the Company or an Affiliate). Subject to the overall limitation on the number of shares of Stock that may be delivered under the Plan, the Committee may use available shares of Stock as the form of payment for compensation, grants or rights earned or due under any other compensation plans or arrangements of the Company or an Affiliate, including the plans and arrangements of the Company or an Affiliate assumed in business combinations. Notwithstanding the provisions of subsection 2.2, Options and SARs granted under the Plan in replacement for awards under plans and arrangements of the Company or an Affiliate assumed in business combinations may provide for Exercise Prices that are less than the Fair Market Value of the Stock at the time of the

replacement grants, if the Committee determines that such Exercise Price is appropriate to preserve the economic benefit of the award and provided that all requirements of section 409A of the Code are satisfied.

4.7. *Dividends and Dividend Equivalents.* An Award (other than an Option or SAR Award) may provide the Participant with the right to receive dividend payments or dividend equivalent payments with respect to Stock subject to the Award (both before and after the Stock subject to the Award is earned, vested, or acquired), which payments may be either made currently or credited to an account for the Participant, and may be settled in cash or Stock, as determined by the Committee. Any such settlements, and any such crediting of dividends or dividend equivalents or reinvestment in shares of Stock, may be subject to such conditions, restrictions and contingencies as the Committee shall establish, including the reinvestment of such credited amounts in Stock equivalents

4.8. *Settlement of Awards.* The obligation to make payments and distributions with respect to Awards may be satisfied through cash payments, the delivery of shares of Stock, the granting of replacement Awards, or combination thereof as the Committee shall determine. Satisfaction of any such obligations under an Award, which is sometimes referred to as "settlement" of the Award, may be subject to such conditions, restrictions and contingencies as the Committee shall determine. The Committee may permit or require the deferral of any Award payment, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest or dividend equivalents may include converting such credits into deferred Stock equivalents; provided, however, that dividend equivalents may not be granted with respect to Options or SARs and neither Options nor SARs may be converted to Stock equivalents. Each Affiliate shall be liable for payment of cash due under the Plan with respect to any Participant to the extent that such benefits are attributable to the services rendered for that Affiliate by the Participant. Any disputes relating to liability of an Affiliate for cash payments shall be resolved by the Committee.

4.9. *Transferability.* Except as otherwise provided by the Committee, Awards under the Plan are not transferable except as designated by the Participant by will or by the laws of descent and distribution. In no event, however, shall any Award be transferred for value. To the extent that the Participant who receives an Award under the Plan has the right to exercise such Award, the Award may be exercised during the lifetime of the Participant only by the Participant.

4.10. *Form and Time of Elections.* Unless otherwise specified herein, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification, or revocation thereof, shall be in writing filed with the Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee shall require.

4.11. *Agreement With Company.* An Award under the Plan shall be subject to such terms and conditions, not inconsistent with the Plan, as the Committee shall, in its sole discretion, prescribe. The terms and conditions of any Award to any Participant shall be reflected in an Award Agreement. A copy of the Award Agreement shall be provided to the Participant and the Committee may, but need not, require that the Participant sign a copy thereof.

4.12. *Action by Company or Affiliate.* Any action required or permitted to be taken by the Company or any Affiliate shall be by resolution of its board of directors, or by action of one or more members of the board (including a committee of the board) who are duly authorized to act for the board, or (except to the extent prohibited by applicable law or applicable rules of any stock exchange) by a duly authorized officer of such company. Any action required or permitted to be taken by an Affiliate which is a partnership shall be by a general partner of such partnership or by a duly authorized officer thereof.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

4.13. *Gender and Number.* Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

4.14. *Limitation of Implied Rights.*

(a) Neither a Participant nor any other person shall, by reason of participation in the Plan, acquire any right in or title to any assets, funds or property of the Company or any Affiliate whatsoever, including, without limitation, any specific funds, assets, or other property which the Company or any Affiliate, in its sole discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the Stock or amounts, if any, payable under the Plan, unsecured by any assets of the Company or any Affiliate, and nothing contained in the Plan shall constitute a guarantee that the assets of the Company or any Affiliate shall be sufficient to pay any benefits to any person.

(b) The Plan does not constitute a contract of employment or continued service, and selection as a Participant will not give any participating employee the right to be retained in the employ or continued service of the Company or any Affiliate, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan, no Award under the Plan shall confer upon the holder thereof any rights as a stockholder of the Company prior to the date on which the individual fulfills all conditions for receipt of such rights and shares of Stock are registered in his name.

4.15. *Evidence.* Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

4.16. *Payments to Persons Other Than Participants.* If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

4.17. *Governing Law.* The Plan shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to contracts made and performed wholly within the State of Delaware.

4.18. *Severability.* If any provision of the Plan or any Award agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

**SECTION 5
CHANGE IN CONTROL**

Subject to the provisions of subsection 4.3 (relating to the adjustment of shares), and except as otherwise provided in the Plan or the Award Agreement reflecting the applicable Award, upon the occurrence of a Change in Control:

- (a) All outstanding Options (regardless of whether in tandem with SARs) shall become fully exercisable.
- (b) All outstanding SARs (regardless of whether in tandem with Options) shall become fully exercisable.
- (c) All Full Value Awards shall become fully vested.

**SECTION 6
COMMITTEE**

6.1. *Administration.* The authority to control and manage the operation and administration of the Plan shall be vested in the Stock Option and Compensation Committee of the Board (the "Committee") in accordance with this Section 6. So long as the Company is subject to Section 16 of the Exchange Act, the Committee shall be selected by the Board and shall consist of not fewer than two members of the Board or such greater number as may be required for compliance with Rule 16b-3 issued under the Exchange Act and shall be comprised of persons who are independent for purposes of applicable stock exchange listing requirements. Any Award granted under the Plan which is intended to constitute Performance-Based Compensation (including Options and SARs) shall be granted by a Committee consisting solely of two or more "outside directors" within the meaning of section 162(m) of the Code and applicable regulations. If the Committee does not exist, or for any other reason determined by the Board, and to the extent not prohibited by applicable law or the applicable rules of any stock exchange, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.

6.2. *Powers of Committee.* The Committee's administration of the Plan shall be subject to the following:

- (a) Subject to the provisions of the Plan, the Committee will have the authority and discretion to select from among the Eligible Persons those persons who shall receive Awards, to determine the time or times of receipt, to determine the types of Awards and the number of shares covered by the Awards, to establish the terms, conditions, performance criteria, restrictions, and other provisions of such Awards, and (subject to the restrictions imposed by Section 7) to amend, cancel or suspend Awards.
- (b) To the extent that the Committee determines that the restrictions imposed by the Plan preclude the achievement of the material purposes of the Awards in jurisdictions outside the United States, the Committee will have the authority and discretion to modify those restrictions as the Committee determines to be necessary or appropriate to conform to applicable requirements or practices of jurisdictions outside of the United States.
- (c) Subject to the provisions of the Plan, the Committee will have the authority and discretion to determine the extent to which Awards under the Plan will be structured to conform to the requirements applicable to Performance-Based Compensation, and to take such action, establish such procedures, and impose such restrictions at the time such Awards are granted as the Committee determines to be necessary or appropriate to conform to such requirements.
- (d) Subject to the terms and conditions of the Plan, the Committee will have the authority and discretion to conclusively interpret the Plan, to establish, amend, and rescind any rules and

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

regulations relating to the Plan, to determine the terms and provisions of any Award Agreement made pursuant to the Plan, and to make all other determinations that may be necessary or advisable for the administration of the Plan.

(e) Any interpretation of the Plan by the Committee and any decision made by it under the Plan is final and binding on all persons.

(f) In controlling and managing the operation and administration of the Plan, the Committee shall take action in a manner that conforms to the certificate of incorporation and by-laws of the Company, and applicable state corporate law.

6.3. *Delegation by Committee.* Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time.

6.4. *Information to be Furnished to Committee.* The Company and the Affiliates shall furnish the Committee with such data and information as it determines may be required for it to discharge its duties. The records of the Company and the Affiliates as to an employee's or Participant's employment, termination of employment, leave of absence, reemployment and compensation shall be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits under the Plan must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.

SECTION 7 AMENDMENT AND TERMINATION

The Board may, at any time, amend or terminate the Plan, provided, however, that:

(a) no amendment or termination may, in the absence of written consent to the change by the affected Participant (or, if the Participant is not then living, the affected beneficiary), adversely affect the rights of any Participant or beneficiary under any Award granted under the Plan prior to the date such amendment is adopted by the Board;

(b) adjustments pursuant to subsection 4.3 shall not be subject to the foregoing limitations of this Section 7;

(c) the provisions of subsection 2.6 (relating to repricing) cannot be amended unless the amendment is approved by the Company's stockholders; and

(d) no such amendment or termination shall be made without stockholder approval if such approval is necessary to comply with any tax or regulatory requirement applicable to the Plan (including as necessary to comply with any applicable stock exchange listing requirement or to prevent the Company from being denied a tax deduction on account of section 162(m) of the Code).
