**Revised Validus Merger Offer**

Validus Holdings, Ltd. ("Validus") has delivered a letter containing an increased offer to the board of directors (the "Transatlantic Board") of Transatlantic Holdings, Inc. ("Transatlantic") pursuant to which Validus would acquire Transatlantic through an exchange offer and a second-step merger transaction for 1.5564 voting common shares, par value \$0.175 per share of Validus (the "Validus Shares"), for each outstanding share of common stock, par value \$1.00 per share, of Transatlantic (the "Transatlantic Shares") and Transatlantic would pay a special dividend of \$11.00 in cash per Transatlantic Share (which may be increased by the amount of the Special Excess Dividend (as defined below)) immediately prior to the expiration time of the exchange offer (the "Validus Merger Offer"). The Validus Merger Offer could be structured to be tax-free to Transatlantic stockholders with respect to the Validus Shares to be issued thereunder. The special dividend of \$11.00 in cash and any Special Excess Dividend in the Validus Merger Offer will generally be taxable to U.S. stockholders of Transatlantic and may be subject to withholding taxes for non-U.S. stockholders of Transatlantic, although many such non-U.S. stockholders may be eligible for a reduced rate of withholding tax, or an elimination of withholding tax, under an applicable tax treaty. Because individual circumstances may differ, Validus urges Transatlantic stockholders to consult with their own tax advisors as to the specific tax consequences of the Validus Merger Offer and the Special Excess Dividend, including the applicability of U.S., federal, state, local, non-U.S. and other tax laws.

Validus expects that the cash special dividend would be financed by new indebtedness incurred by Transatlantic. Validus has obtained a highly confidential letter from J.P. Morgan Securities LLC in connection with the arrangement of financing for the full amount of the \$11.00 per share cash special dividend.

Validus has notified Transatlantic that it would permit Transatlantic, pursuant to the terms of the Validus Merger Offer and Validus Exchange Offer (as defined below), to pay up to a \$2.00 per share cash special dividend (less applicable taxes and without interest); the aggregate amount available to pay this cash special dividend to all Transatlantic stockholders would be reduced on a dollar-for-dollar basis for any funds used by Transatlantic for share repurchases made after October 31, 2011 (such dividend, the "Special Excess Dividend"). Therefore, if Transatlantic continues share repurchases from selling stockholders it will result in a lower Special Excess Dividend payable to all Transatlantic stockholders in a transaction with Validus. Validus cannot be assured of the timing or amounts of any ongoing Transatlantic share repurchases and therefore cannot ensure that the full amount of the Special Excess Dividend would be made available to all Transatlantic stockholders. Any Special Excess Dividend will be funded from available cash on hand at Transatlantic.

The Transatlantic Board has failed to accept the Validus Merger Offer.

**Amendment to Validus Exchange Offer**

On November 3, 2011, Validus announced that it had amended the terms of the exchange offer that it commenced on July 25, 2011 (the "Validus Exchange Offer") to include offer consideration of 1.5564 Validus Shares and \$11.00 in cash (less applicable withholding taxes and without interest) per Transatlantic Share and to permit Transatlantic to pay up to a \$2.00 per share Special Excess Dividend (less applicable taxes and without interest) prior to the expiration time of the Validus Exchange Offer. A copy of the press release announcing, among other matters, the amendment to the Validus Exchange Offer is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference in its entirety.

The Validus Exchange Offer and second-step merger pursuant to which Validus will acquire any Transatlantic Shares outstanding following consummation of the Validus Exchange Offer will be a taxable transaction for U.S. federal income tax purposes. U.S. holders of Transatlantic Shares generally will recognize gain or loss equal to the difference, if any, between (i) the sum of the cash and fair market value of the Validus Shares received by such U.S. holder in the Validus Exchange Offer and

second-step merger (including cash received in lieu of fractional shares) and (ii) such U.S. holder's adjusted tax basis in the Transatlantic Shares surrendered in exchange therefor. Any gain or loss recognized upon the Validus Exchange Offer or second-step merger generally will be treated as capital gain or loss. Any Special Excess Dividend received by Transatlantic stockholders will generally be taxable to U.S. stockholders of Transatlantic and may be subject to withholding taxes for non-U.S. stockholders of Transatlantic, although many such non-U.S. stockholders may be eligible for a reduced rate of withholding tax, or an elimination of withholding tax, under an applicable tax treaty. Because individual circumstances may differ, Validus urges Transatlantic stockholders to consult with their own tax advisors as to the specific tax consequences of the Validus Exchange Offer and the Special Excess Dividend, including the applicability of U.S., federal, state, local, non-U.S. and other tax laws.

#### **Validus Share Repurchase Program**

On November 3, 2011, Validus announced that the board of directors of Validus (the "Validus Board") has approved, through open market purchases or otherwise, an increase in Validus' existing share repurchase authorization to a total of \$1 billion, contingent upon the consummation of the acquisition of Transatlantic by Validus.

#### **Updates to Transaction Background Since September 23, 2011**

On September 23, 2011, Transatlantic and Validus entered into a confidentiality agreement (the "Confidentiality Agreement") pursuant to which they exchanged non-public information. Pursuant to the Confidentiality Agreement, Validus agreed, during a period that expired at 11:59 p.m., Eastern time, on October 31, 2011 (the "Restricted Period"), not to take or enter into an agreement with any third party regarding certain actions, including acquiring any additional Transatlantic Shares, mailing Validus' consent solicitation statement regarding the removal and replacement of the Transatlantic Board to Transatlantic stockholders or collecting consent cards in connection therewith or seeking to call a special meeting of Transatlantic's stockholders pursuant to Transatlantic's bylaws. Validus and Transatlantic also agreed to take no action with respect to their pending litigation in the Chancery Court of Delaware and United States District Court for the State of Delaware during the Restricted Period.

Also on September 23, 2011, Validus issued a press release announcing that it had entered into the Confidentiality Agreement and extended the Validus Exchange Offer to 5:00 p.m., Eastern time, on October 31, 2011, unless further extended by Validus.

On September 24, 2011 and September 25, 2011, Edward Noonan, Chief Executive Officer and Chairman of the board of directors of Validus, and Michael Sapnar, Executive Vice President and Chief Operating Officer of Transatlantic, and representatives of Greenhill & Co., LLC ("Greenhill"), Validus' financial advisor, and Goldman, Sachs & Co. ("Goldman Sachs") and Moelis & Company LLC ("Moelis"), Transatlantic's financial advisors, engaged in discussions regarding the processes under which Transatlantic and Validus would exchange non-public information.

Beginning on September 26, 2011 and continuing through November 2, 2011, representatives of Transatlantic and Validus and their respective advisors engaged in mutual due diligence, including through electronic data rooms, conference calls and in-person meetings. This diligence process, performed in consultation with an internationally recognized actuarial firm, generally confirmed Validus' prior view of Transatlantic's business, operations and reserve levels.

On October 5, 2011, representatives of Transatlantic and Validus and their respective advisors met to discuss structuring the Validus Exchange Offer and the second-step merger to permit Validus Shares issuable to Transatlantic stockholders to be received on a tax-free basis.

On October 16, 2011, Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden, Arps"), Validus' outside legal counsel, delivered a draft of an agreement and plan of merger to Gibson Dunn & Crutcher LLP ("Gibson Dunn"), Transatlantic's outside legal counsel, which contemplated that Validus would acquire

all issued and outstanding Transatlantic Shares pursuant to an amended Validus Exchange Offer and second-step merger.

On October 25, 2011, the Validus Board met to receive an update on the due diligence on Transatlantic that had been conducted by Validus' management and its advisors and discuss a possible revision to the terms of the transaction proposal initially publicly announced by Validus on July 12, 2011 (the "Initial Validus Proposal"). During this meeting, the Validus Board discussed with Validus' management the parameters of a potential increase in the cash component of the Initial Validus Proposal.

On October 26, 2011, based on instruction from Validus' management, Greenhill advised Goldman Sachs and Moelis that, based in part on Validus' findings in due diligence, Validus was considering a potential increase in the size of the special dividend contemplated by the Initial Validus Proposal by \$3.00 in cash per share, for a total of \$11.00 per share, while maintaining the exchange ratio at 1.5564 Validus Shares per Transatlantic Share. Greenhill noted that this transaction would be consummated on the basis of the two-step merger agreement that had been delivered by Skadden, Arps to Gibson Dunn on October 16, 2011. Greenhill advised Goldman Sachs and Moelis of its view that agreement by Validus and Transatlantic on such a transaction could be reached prior to the expiration of the Restricted Period under the Confidentiality Agreement.

On October 27, 2011, Greenhill, Goldman Sachs and Moelis engaged in discussions regarding transaction related diligence matters raised by Transatlantic. Mr. Noonan and Mr. Sapnar also had a telephone conversation which covered these additional diligence matters.

On October 28, 2011, Mr. Noonan and Joseph E. (Jeff) Consolino, President and Chief Financial Officer of Validus, met with Mr. Sapnar and Steven Skalicky, Executive Vice President and Chief Financial Officer of Transatlantic, to discuss transaction related diligence matters. Later that evening, representatives of Greenhill, Goldman Sachs and Moelis engaged in further discussion regarding these matters.

On October 29, 2011 and October 30, 2011, Mr. Noonan and Mr. Sapnar and representatives of Greenhill, Goldman Sachs and Moelis continued their discussions.

On October 31, 2011, Goldman Sachs and Moelis contacted Greenhill to report the Transatlantic Board's views regarding the potential increase to the Initial Validus Proposal that had been discussed the previous week, including the potential parameters of an acceptable increased offer. Later that day, following discussions with Transatlantic management, Greenhill called Goldman Sachs and Moelis to discuss the possibility of Validus permitting Transatlantic to pay a \$2.00 per share dividend out of Transatlantic's cash on hand in addition to the \$11.00 per share special dividend previously proposed by Validus and to review governance issues. Mr. Noonan and Mr. Sapnar engaged in telephone discussions regarding a potential transaction following this call.

At 11:59 p.m., Eastern time, on October 31, 2011, the Restricted Period under the Confidentiality Agreement expired.

On November 1, 2011, Validus announced in a press release that it had extended the expiration time of the Validus Exchange Offer to 5:00 p.m., Eastern time, on Friday, November 25, 2011, and that Validus and Transatlantic continued to exchange information and remained in discussions regarding a possible transaction. Validus thereafter filed Amendment No. 19 to Validus' Schedule TO relating to the Validus Exchange Offer to reflect the extension of the expiration time of the Validus Exchange Offer.

Also on November 1, 2011, Goldman Sachs and Moelis reported to Greenhill that the Transatlantic Board was unable to act on the increased offer from Validus and had failed to accept the increased offer.

On November 2, 2011, Mr. Noonan called Mr. Sapnar to discuss Validus' increased offer. Mr. Sapnar advised that the Transatlantic Board had failed to accept the increased offer.

Also on November 2, 2011, Validus delivered to the Transatlantic Board a letter containing the Validus Merger Offer. The Validus Merger Offer increased the amount of the one-time special dividend

contemplated to be paid as part of the Initial Validus Proposal to \$11.00 in cash per Transatlantic Share and provided that this amount may be increased by the up to \$2.00 per share Special Excess Dividend. The letter reads as follows:

Re:

Compelling Increased Offer to Acquire Transatlantic Holdings, Inc.

Dear Sirs,

We are disappointed that you have failed to accept our increased offer which as of November 2, 2011 would have delivered total value of \$55.35 per Transatlantic share based on Validus' closing share price on November 2, 2011, including an increase in the cash component of our offer of \$3.00 per share and the ability for Transatlantic to pay up to an additional \$2.00 per share. As a result, we have resumed our Consent Solicitation and Exchange Offer.

#### **Background**

It has been almost four months since Validus first announced its cash-and-stock offer to acquire Transatlantic on July 12th.

We had hoped that it would be possible to pursue a consensual transaction between Validus and Transatlantic after Transatlantic terminated its merger agreement with Allied World on September 16th following overwhelming Transatlantic stockholder opposition to that transaction. Following that time, Validus and Transatlantic entered into a confidentiality agreement on September 23rd, clearing the way for a mutual exchange of non-public information and negotiations to allow both Validus and Transatlantic to better understand each other's business and value, and Validus suspended its Consent Solicitation until November 1st so that the parties could focus their energies on reaching a consensual transaction.

#### **Due Diligence and Increased Offer**

We and our advisors have spent the past six weeks reviewing the information that Transatlantic was willing to share with us in an effort to better understand your business, operations and reserve adequacy and to determine whether we could provide greater value to your stockholders. This diligence process, performed in consultation with an internationally recognized actuarial firm, generally confirmed Validus' prior view of Transatlantic's business, operations and reserve levels.

Based on the additional work that we have done, Validus has determined that it will increase its offer. Our increased offer provides that Transatlantic stockholders would receive (1) 1.5564 Validus voting common shares pursuant to an exchange offer and merger, (2) \$11.00 per share in cash pursuant to a pre-closing dividend from Transatlantic immediately prior to closing of the Exchange Offer and (3) up to an additional \$2.00 cash per share in a pre-closing dividend. Our increased offer could be structured with Transatlantic's cooperation to be tax-free to Transatlantic stockholders with respect to the Validus shares they receive in the Exchange Offer and the Merger. As we have communicated to you and your advisors, we believe that the transaction can be consummated prior to year-end.

The aggregate amount available to pay the additional \$2.00 cash pre-closing dividend to all Transatlantic stockholders would be reduced on a dollar-for-dollar basis for any funds used by Transatlantic for share repurchases made after October 31st. Therefore, if Transatlantic continues

share repurchases from selling stockholders it will result in a lower pre-closing cash dividend payable to all Transatlantic stockholders in a transaction with Validus.

We believe that our increased offer (including the full amount of the additional cash dividend of \$2.00 per share), which represented a 6.0% premium to Transatlantic's closing share price on November 2nd, presents a compelling proposition for your stockholders and provides full and fair value for Transatlantic shares. In addition, this increased offer represented as of November 2nd:

a 25.8% premium to Transatlantic's closing share price on June 10th, the last trading day prior to the announcement of Transatlantic's merger agreement with Allied World; and

a 12.9% premium to Transatlantic's closing share price on July 12th, the last trading day prior to Validus' announcement of its intention to acquire Transatlantic. §

When we asked our financial advisors at Greenhill to initially share our view with respect to a potential increase to our initial offer, we did so with the sincere hope that it would be possible to work with Transatlantic on an accelerated basis to achieve a consensual transaction by the October 31st deadline set by our confidentiality agreement. Given the work that has been done on both sides over the past six weeks, Validus was extremely disappointed that the Transatlantic board has failed to accept our increased offer.

We believe that our increased offer is a far better value-enhancing alternative for Transatlantic stockholders than waiting for Transatlantic to pursue a theoretical transaction, a third party-sponsored run-off, a minority investment from a third party or pursuing a "go it alone" approach for the following reasons:

We believe an alternative transaction will be subject to greater execution, financing and regulatory delay and risks than a transaction with Validus.

Validus commenced its Exchange Offer to acquire Transatlantic on July 25th and its registration statement was declared effective by the Securities and Exchange Commission on August 22nd. The exchange offer can be used as the first step in a two-step transaction that can be consummated prior to year-end.

Validus has obtained from J.P. Morgan Securities LLC a highly confident letter in connection with the arrangement of the financing required to pay the \$11.00 per Transatlantic share pre-closing cash dividend.

Validus has obtained, or is well along in the process of obtaining, all insurance, antitrust and other regulatory approvals required to complete the acquisition of Transatlantic.

Based on these factors, we believe no other party can provide more transaction certainty or speed of execution to Transatlantic stockholders than Validus.

Validus does not believe that there is any economic rationale under which a standalone Transatlantic is a better option for Transatlantic stockholders than a transaction with Validus. A "go it alone" Transatlantic appears to face significant hurdles and negative implications for Transatlantic stockholders:

*No premium:* A "go it alone" approach provides no premium for Transatlantic's stockholders, no cash for Transatlantic's stockholders and no catalyst for a trading multiple expansion for Transatlantic shares. In contrast, Validus' increased offer that was not accepted by the Transatlantic board represented as of November 2nd a 25.8% premium to Transatlantic's June 10th unaffected closing share price and provides Transatlantic stockholders with a significant equity interest in Validus, whose stock has consistently traded at a higher multiple than Transatlantic.

*Inflexible structure:* On a "go it alone" approach, Transatlantic's capital remains trapped within a tax-inefficient U.S. structure. In contrast, Validus' Bermuda domicile provides flexibility that permits Validus to shift capital as needed to maximize returns.

*No insurance experience:* Despite its attempts to obtain access to U.S. primary insurance business through Putnam Reinsurance Company, a "go it alone" Transatlantic provides its stockholders with no insurance experience or track record as a potential avenue for growth. Combining with Validus would provide access to a skilled management team that has produced a company with a top tier position at Lloyd's, with over \$1 billion of gross premiums written and top quartile Lloyd's financial performance. Moreover, Talbot will give Transatlantic immediate access to the U.S. excess and surplus market.

*No E.U. passport:* A "go it alone" Transatlantic will continue to lack an E.U. passport a key deficiency previously identified by Transatlantic's management. Validus would provide Transatlantic with an E.U. passport through Validus Re Europe Limited, which can be funded as appropriate to support the combined company's expanding business.

*Smaller size:* A "go it alone" Transatlantic will remain the number 10 ranked property and casualty reinsurance company, while a combination with Validus would create a top six property and casualty reinsurance company worldwide, as well as a market leader in the U.S. and Bermuda.

*No synergies:* A "go it alone" Transatlantic cannot create stockholder value through realizing synergies, as compared to the significant opportunities to expand earnings, return on equity and book value growth through a combination with Validus.

*Inferior capital management opportunities:* Although a "go it alone" Transatlantic can continue to pursue its recently announced share repurchase program, subject to rating agency and other business constraints, it lacks the incremental excess capital that would be created by a combination with Validus. Moreover, active capital management is, and has been, a core element of Validus' strategy, and Validus has a senior management team skilled in managing capital for the benefit of all of its shareholders. A combination of Validus and Transatlantic would create approximately \$1 billion of pre-synergy, pre-catastrophe earnings power which, together with excess capital created by the transaction, would be available for expanded share repurchase activity by the combined company. Accordingly, the Validus Holdings, Ltd. board of directors has approved, through open market purchases or otherwise, an increase in the current Validus share repurchase authorization to an aggregate of \$1 billion, contingent upon the consummation of the acquisition of Transatlantic.\*\*

## **Conclusion**

Validus firmly believes that Transatlantic stockholders will find our increased offer compelling. Our preference remains to reach a consensual transaction with the Transatlantic board. However, because the Transatlantic board has failed to accept Validus' compelling increased offer, Validus will take its offer directly to Transatlantic's stockholders through its Exchange Offer and Consent Solicitation to replace the Transatlantic board.

Sincerely,

/s/ Edward J. Noonan

Validus expects the share repurchases to be made from time to time in the open market or in privately negotiated transactions. The timing, form and amount of the share repurchases under the program will depend on a variety of factors, including market conditions, Validus' capital position relative to internal and rating agency targets, legal requirements and other factors. The repurchase program may be modified, extended or terminated by the Validus Holdings, Ltd. board of directors at any time.

Additionally, on November 2, 2011, Validus delivered to Transatlantic a letter demanding that the Transatlantic Board set a record date in connection with Validus' consent solicitation. Further, on November 2, 2011, Validus delivered a letter demanding that Transatlantic deliver to Validus, among other things, a list of Transatlantic stockholders as of such date.

On November 3, 2011, Validus publicly disclosed the terms of the Validus Merger Offer in a press release and announced that it had amended the terms of the Validus Exchange Offer to include offer consideration of 1.5564 Validus Shares and \$11.00 in cash (less applicable withholding taxes and without interest) per Transatlantic Share and to permit Transatlantic to pay up to a \$2.00 per share Special Excess Dividend prior to the expiration time of the Validus Exchange Offer. Validus thereafter filed Amendment No. 20 to Validus' Schedule TO relating to the Validus Exchange Offer to reflect the revised terms of the Validus Exchange Offer.

Also on November 3, 2011, Validus announced that the Validus Board has approved, through open market purchases or otherwise, an increase in Validus' existing share repurchase authorization to a total of \$1 billion, contingent upon the consummation of the acquisition of Transatlantic by Validus.

#### **Source and Amount of Funds**

##### ***Commitments***

Validus has obtained commitments from J.P. Morgan Securities LLC, as lead arranger, and JPMorgan Chase Bank, N.A. to provide, subject to certain conditions, senior bank financing consisting of up to \$350 million under a proposed new unsecured credit facility (the "Bridge Facility"), for financing a portion of the cash component of the consideration to be paid to Transatlantic stockholders in connection with the Validus Exchange Offer. These commitments supersede and replace the previously disclosed commitments from J.P. Morgan Securities LLC and JPMorgan Chase Bank, N.A. to provide up to \$200 million of senior bank financing. The documentation governing the credit facility contemplated by these commitments has not been finalized, and accordingly, the actual terms may differ from the summary below. the lenders shall have received (i) audited consolidated financial statements of Validus for the three most recent fiscal years ended at least 90 days prior to the closing date of the Bridge Facility and (ii) unaudited consolidated financial statements of Validus for each interim quarterly period ended after the latest fiscal year referred to in clause (i) above and at least 45 days prior to the closing date of the Bridge Facility, and unaudited consolidated financial statements for the same period of the prior fiscal year;

the lenders shall have received a pro forma consolidated balance sheet of Validus as at the end of the most recent fiscal year ended at least 90 days prior to the closing date of the Bridge Facility and a pro forma statement of operations for each of (i) the most recent fiscal year of Validus ended at least 90 days prior to the closing date of the Bridge Facility and (ii) the most recent interim period of Validus ending at least 45 days prior to the closing date of the Bridge Facility, in each case adjusted to give effect to the consummation of the Validus Exchange Offer, the second-step merger and the financings contemplated in the commitment letter relating to the Bridge Facility as if such transactions had occurred on such date or on the first day of such period, as applicable. To the extent practicable, such pro forma financial statements shall be prepared in accordance with Regulation S-X, but it is acknowledged that to the extent Validus is limited as to information relating to Transatlantic and its subsidiaries, such preparation may not be practicable;

payment of all fees and expenses then due with respect to the Bridge Facility to the extent invoiced at least one business day prior to the closing date of the Bridge Facility;

the administrative agent shall have received such legal opinions, certificates (including a solvency certificate from the chief financial officer of Validus certifying the solvency of Validus and its subsidiaries on a consolidated basis, after giving effect to the Validus Exchange Offer, the second-step merger and the borrowings under the Bridge Facility), documents and other instruments and information (including PATRIOT Act and related compliance documentation and information), in each case, as are customary for transactions of this type as it may reasonably request; and

receipt by the administrative agent of a customary borrowing request from Validus.

***Maturity***

Validus expects that the contemplated Bridge Facility will mature on the earlier of (i) one year after the closing date of the Bridge Facility and (ii) March 12, 2013.

***Prepayments and Repayments***

The loans made under the Bridge Facility may be voluntarily prepaid without premium or penalty, subject to Validus' payment of breakage costs in connection with any Adjusted LIBOR Rate-based loans.

Subject to certain exceptions and thresholds, (i) the loans made under the Bridge Facility will be mandatorily prepaid and, (ii) after the execution of the commitment letter relating to the Bridge Facility, but prior to the closing date of the Bridge Facility, the commitments of the lenders under the Bridge Facility will be reduced, in each case, on a pro rata basis with (a) 100% of the net cash proceeds of any issuance of equity by Validus (other than any issuance of equity pursuant to the Validus Exchange Offer), (b) 100% of the net cash proceeds of any incurrence of indebtedness for borrowed money by Validus or any of its subsidiaries and (c) 100% of the net cash proceeds of any non-ordinary course sale or other disposition of assets by Validus or any of its subsidiaries.

***Guarantee***

All obligations of Validus and its subsidiaries under the Bridge Facility will, from and after the consummation of the second-step merger, be unconditionally guaranteed (the "Guarantee"), by Transatlantic so long as the provision of such Guarantee at such time is not prohibited by any material contract of Transatlantic or applicable law or regulation and would not result in material adverse tax consequences as reasonably determined by Validus and the administrative agent. In the event that (and for so long as) the Guarantee is not provided, the Bridge Facility will include the following additional covenants, in each case, consistent with the terms of the Existing Three-Year L/C Facility: (i) a minimum level of capital surplus at Validus Re equal to at least \$2,451,837,960, (ii) a limitation on direct or indirect investments by Validus and its subsidiaries (other than Transatlantic and its subsidiaries) in Transatlantic and its subsidiaries and (iii) a covenant to provide quarterly financial statements of Validus Re.

***Representations and Warranties; Covenants; Events of Default.***

The representations and warranties contained in and the events of default under the Bridge Facility shall be substantially similar to those of the Existing Three-Year L/C Facility, as modified to reflect and permit the Validus Exchange Offer, the second-step merger and the other transactions contemplated by the Exchange Offer Documents (as defined below).

**Validus Projected Financial Information**

Validus' senior management does not as a matter of practice prepare or disclose public forecasts or projections as to Validus' future performance, earnings or other operating metrics beyond the current fiscal year, and Validus does not place much emphasis on projections for extended periods due to the unpredictability of the underlying assumptions and estimates.

However, at the request of Transatlantic's management, certain financial projections prepared by, or as directed by Validus' management have been provided by Validus to Transatlantic in connection with the Validus Merger Offer. Summaries of the foregoing financial projections (the "Financial Projections") are being provided herein solely because they were provided to Transatlantic to assist Transatlantic in reviewing the terms of the Validus Merger Offer. The inclusion of these Financial Projections in this Current Report on Form 8-K should not be regarded as an indication that Validus, Transatlantic, the board of directors of Validus or Transatlantic (or any committee thereof), or any other recipient of this information considered, or now considers, such Financial Projections to be a reliable prediction of future results, and they should not be relied on as such.

## Edgar Filing: TRANSATLANTIC HOLDINGS INC - Form 425

The Financial Projections reflect numerous judgments, estimates and assumptions with respect to industry performance, general business, economic, regulatory, market and financial conditions and other future events, as well as matters specific to Validus' business, all of which are difficult to predict and many of which are beyond Validus' control. The Financial Projections are subjective in many respects and thus are susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. As such, the Financial Projections constitute forward-looking information and are subject to risks and uncertainties that could cause actual results to differ materially from the results forecasted in such projections, including the various risks set forth in this Current Report on Form 8-K and Validus' periodic reports. See the subheading of this Item 8.01 titled "Cautionary Statement Regarding Forward-Looking Statements." There can be no assurance that the projected results will be realized or that actual results will not be significantly higher or lower than projected. The Financial Projections cover multiple years and such information by its nature becomes meaningfully less reliable with each successive year.

The Financial Projections do not take into account any circumstances or events occurring after the date they were prepared, and they do not give effect to the Validus Merger Offer or the Validus Exchange Offer or the effect of any failure of the transactions contemplated by the Validus Merger Offer or the Validus Exchange Offer to occur, and should not be viewed as accurate or continuing as of any other such date or in the event of any such failure.

The Financial Projections were prepared solely for use in connection with evaluating the Validus Merger Offer and not with a view toward public disclosure or toward complying with generally accepted accounting principles, the published guidelines of the Securities and Exchange Commission (the "SEC") regarding projections or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Neither Validus' registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the Financial Projections included below, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and they assume no responsibility for, and deny any association with, the Financial Projections. The audit report included in the Validus 10-K refers exclusively to Validus' historical financial information. It does not extend to the Financial Projections and should not be read as such.

Validus has made publicly available its actual results of operations for the quarter ended September 30, 2011. Readers of this Current Report on Form 8-K are cautioned not to place undue reliance on the projections set forth below. No one has made or makes any representation to any stockholder regarding the information included in the Financial Projections.

The inclusion of the Financial Projections herein will not be deemed an admission or representation by Validus that they are viewed by Validus or any other party as material information of Validus. The Financial Projections are not included in this Current Report on Form 8-K in order to induce any holder of shares of Transatlantic common stock to deliver a written consent to Validus pursuant to the consent solicitation contemplated by the preliminary consent solicitation statement originally filed by Validus with the SEC on September 14, 2011 or to tender Transatlantic Shares pursuant to the Validus Exchange Offer. Validus does not intend to update or otherwise revise the Financial Projections to reflect circumstances existing since their preparation, to reflect the occurrence of unanticipated events even in the event that any or all of the underlying assumptions are shown to be in error, or to reflect changes in general economic or industry conditions.

The projections include the effects of capital management over the projection period (either by means of share repurchases or dividends).

(1) General and administrative expenses for the years ended December 31, 2007 and 2006 include \$4,000,000 and \$1,000,000 respectively, related to Validus' advisory agreement with Aquiline Capital Partners, LLC (together with its related companies, "Aquiline"). Validus' advisory agreement with Aquiline terminated upon completion of Validus' initial public offering, in connection with which Validus recorded general and administrative expense of \$3,000,000 in the year ended December 31, 2007.

(2) Validus adopted ASC 820 and ASC 825 as of January 1, 2007 and elected the fair value option on all securities previously accounted for as available-for-sale. Unrealized gains and losses on available-for-sale investments at December 31, 2006 of \$875,000, previously included in accumulated other comprehensive income, were treated as a cumulative-effect adjustment as of January 1, 2007. The cumulative-effect adjustment transferred the balance of unrealized gains and losses from accumulated other comprehensive income to retained earnings and had no impact on the results of operations for the annual or interim periods beginning January 1, 2007. Validus' investments were accounted for as trading for the annual or interim periods beginning January 1, 2007 and as such all unrealized gains and losses are included in net income.

balance. On March 1, 2007 Validus effected a 1.75 for 1 reverse stock split of our outstanding common shares. The stock split does not affect Validus' financial statements other than to the extent it decreases the number of outstanding shares and correspondingly increases per share information for all periods presented. The share consolidation has been reflected retroactively in this financial data.

- (4) The losses and loss expense ratio is calculated by dividing losses and loss expenses by net premiums earned.
- (5) The policy acquisition cost ratio is calculated by dividing policy acquisition costs by net premiums earned.
- (6) The general and administrative expense ratio is calculated by dividing the sum of general and administrative expenses and share compensation expenses by net premiums earned. The general and administrative expense ratio for the year ended December 31, 2007 is calculated by dividing the total of general and administrative expenses plus share compensation expenses less the \$3,000,000 termination fee payable to Aquiline by net premiums earned.
- (7) The expense ratio is calculated by combining the policy acquisition cost ratio and the general and administrative expense ratio.
- (8) The combined ratio is calculated by combining the losses and loss expense ratio, the policy acquisition cost ratio and the general and administrative expense ratio.
- (9) Annualized return on average equity is calculated by dividing the net income for the period by the average shareholders' equity during the period. Annual average shareholders' equity is the average of the beginning, ending and intervening quarter-end shareholders' equity balances.
- (10) Book value per common share is defined as total shareholders' equity available to Validus divided by the number of common shares outstanding as at the end of the period, giving no effect to dilutive securities.
- (11) Diluted book value per common share is calculated based on total shareholders' equity plus the assumed proceeds from the exercise of outstanding options and warrants, divided by the sum of common shares, unvested restricted shares, options and warrants outstanding (assuming their exercise). Diluted book value per common share is a Non-GAAP financial measure as described under Item 7, "Management's Discussion and Analysis of Financial Condition and Results of Operations Financial Measures," in the Validus Form 10-K.
- (12) Operating results of IPC Holdings, Ltd. have been included from the September 2009 date of acquisition.
- (13) The gain on bargain purchase, net of expenses is from the acquisition of IPC Holdings, Ltd. in September 2009 and is net of transaction expenses.

**(Expressed in thousands of U.S. dollars, except share and per share data)**

**1. Basis of Presentation**

The unaudited condensed consolidated pro forma financial information gives effect to the proposed acquisition as if it had occurred at September 30, 2011 for the purposes of the unaudited condensed consolidated pro forma balance sheet and at January 1, 2010 for the purposes of the unaudited condensed consolidated pro forma statements of operations for the year ended December 31, 2010 and nine months ended September 30, 2011. Note 3(g) below sets forth the changes to this presentation that would be effected if the Validus Exchange Offer and the second-step merger were instead consummated pursuant to the terms of the Validus Merger Offer. The unaudited condensed consolidated pro forma financial information has been prepared by Validus' management and is based on Validus' historical consolidated financial statements and Transatlantic's historical consolidated financial statements. Certain amounts from Transatlantic's historical consolidated financial statements have been reclassified to conform to the Validus presentation. The unaudited condensed consolidated pro forma financial statements have been prepared using Transatlantic's publicly available financial statements and disclosures. Therefore, certain pro forma adjustments, such as recording fair value of assets and liabilities and adjustments for consistency of accounting policy, are not reflected in these unaudited condensed consolidated pro forma financial statements. Additional reclassifications of Transatlantic data to conform to the Validus presentation may also be required.

This unaudited condensed consolidated pro forma financial information is prepared in conformity with United States Generally Acceptable Accounting Principles ("US GAAP"). The unaudited condensed consolidated pro forma balance sheet as of September 30, 2011 and the unaudited condensed consolidated pro forma statements of operations for the year ended December 31, 2010 and the nine month period ended September 30, 2011 have been prepared using the following information:

- (a) Audited historical consolidated financial statements of Validus as of December 31, 2010 and for the year ended December 31, 2010;
- (b) Audited historical consolidated financial statements of Transatlantic as of December 31, 2010 and for the year ended December 31, 2010;
- (c) Unaudited historical consolidated financial statements of Validus as of September 30, 2011 and for the nine months ended September 30, 2011;
- (d) Unaudited historical consolidated financial statements of Transatlantic as of September 30, 2011 and for the nine months ended September 30, 2011; and
- (e) Such other known supplementary information as considered necessary to reflect the acquisition in the unaudited condensed consolidated pro forma financial information.

The pro forma adjustments reflecting the consummation of the Validus Exchange Offer and the second-step merger under the acquisition method of accounting are based on certain estimates and assumptions. The unaudited condensed consolidated pro forma adjustments may be revised as additional information becomes available. The actual adjustments upon consummation of the Validus Exchange Offer and the second-step merger and the allocation of the final purchase price will depend on a number of factors, including additional financial information available at such time, changes in values and changes in Transatlantic's operating results between the date of preparation of this unaudited condensed consolidated pro forma financial information and the effective date of the Validus Exchange Offer and the second-step merger. Therefore, it is likely that the actual adjustments will

differ from the pro forma adjustments and it is possible the differences may be material. Validus' management believes that its assumptions provide a reasonable basis for presenting all of the significant effects of the transactions contemplated based on information available to Validus at the time and that the pro forma adjustments give appropriate effect to those assumptions and are properly applied in the unaudited condensed consolidated pro forma financial information.

The unaudited condensed consolidated pro forma financial information does not include any financial benefits, revenue enhancements or operating expense efficiencies arising from the Validus Exchange Offer and the second-step merger.

Estimated costs of the transaction as well as the benefit of the negative goodwill have been reflected in the unaudited condensed consolidated pro forma balance sheet, but have not been included on the pro forma income statement due to their non-recurring nature.

The unaudited condensed consolidated pro forma financial information is not intended to reflect the results of operations or the financial position that would have resulted had the Validus Exchange Offer and the second-step merger been effected on the dates indicated and if the companies had been managed as one entity. The unaudited condensed consolidated pro forma financial information should be read in conjunction with the Validus Q3 Earnings Release, the Validus 10-K, the Transatlantic Q3 Earnings Release and the Transatlantic 10-K, as filed with the SEC.

**2. Recent Accounting Pronouncements**

In May 2011, the FASB issued Accounting Standards Update No. 2011-04, "*Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs*" ("ASU 2011-04"). The objective of ASU 2011-04 is to provide common fair value measurement and disclosure requirements in U.S. GAAP and IFRSs. Consequently, the amendments change the wording used to describe many of the requirements in U.S. GAAP for measuring fair value and for disclosing information about fair value measurements. For many of the requirements, the amendments do not result in a change in the application of the requirements in Topic 820 "*Fair Value Measurements*." ASU 2011-04 is effective for interim and annual periods beginning after December 15, 2011. Validus is currently evaluating the impact of this guidance, however it is not expected to have a material impact on Validus' consolidated financial statements.

In June 2011, the FASB issued Accounting Standards Update No. 2011-05, "*Presentation of Comprehensive Income*" ("ASU 2011-05"). The objective of ASU 2011-05 is to improve the comparability, consistency and transparency of financial reporting and to increase the prominence of items reported in other comprehensive income. ASU 2011-05 is effective for interim and annual periods beginning after December 15, 2011. Validus is currently evaluating the impact of this guidance; however, since this update affects disclosures only, it is not expected to have a material impact on Validus' consolidated financial statements.

In September 2011, the FASB issued Accounting Standards Update No. 2011-08, "*Testing Goodwill for Impairment*" ("ASU 2011-08"). The objective of ASU 2011-08 is to simplify how entities test goodwill for impairment. The amendments permit an entity to first assess qualitative factors to determine whether it is more likely than not that the fair value of a reporting unit is less than its carrying amount as a basis for determining whether it is necessary to perform the two-step goodwill

impairment test described in Topic 350 "Intangibles - Goodwill and Other." The amendments are effective for annual and interim goodwill impairment tests performed for fiscal years beginning after December 15, 2011. Early adoption is permitted, including for annual and interim goodwill impairment tests performed as of a date before September 15, 2011, if an entity's financial statements for the most recent annual or interim period have not yet been issued. Validus is currently evaluating the impact of this guidance; however it is not expected to have a material impact on Validus' consolidated financial statements.

**3. Purchase Adjustments**

Validus is offering to exchange for each outstanding Transatlantic Share that is validly tendered and not properly withdrawn prior to the expiration time of the Validus Exchange Offer, 1.5564 Validus Shares and \$11.00 in cash (less applicable withholding taxes and without interest) and to permit Transatlantic to pay up to a \$2.00 per share Special Excess Dividend prior to the expiration time of the Validus Exchange Offer. The Validus Exchange Offer is made upon the terms and subject to the conditions contained in the Validus S-4 and its accompanying letter of transmittal, as amended by Amendment No. 20 to Validus' Schedule TO relating to the Validus Exchange Offer. Validus intends, promptly following acceptance for exchange and exchange of Transatlantic Shares in the Validus Exchange Offer, to effect the second-step merger pursuant to which Validus will acquire all Transatlantic Shares of those Transatlantic stockholders who choose not to tender their Transatlantic Shares pursuant to the Validus Exchange Offer in accordance with the DGCL.

In connection with the Validus Exchange Offer, transaction costs currently estimated at \$55,035 will be incurred and expensed. As a result of the termination of the agreement and plan of merger by and among Transatlantic, Allied World Assurance Company Holdings, AG ("Allied World") and Go Sub, LLC, \$48,300 of the Allied World termination fee (including \$13,300 of expense reimbursement) has been incurred and expensed. In the event that, prior to September 15, 2012, Transatlantic enters into any definitive agreement in respect of any competing transaction or recommends or submits a competing transaction to its stockholders for adoption, or a transaction in respect of a competing transaction is consummated and agreed to, Transatlantic will incur and expense amount in respect of the Allied World termination fee equal to \$66,700. The Allied World termination fee is not tax deductible.

As discussed above, these pro forma purchase adjustments are based on certain estimates and assumptions made as of the date of the unaudited condensed consolidated pro forma financial information. The actual adjustments will depend on a number of factors, including the review of Transatlantic's books and records, and changes in the estimated fair value of net balance sheet assets and operating results of Transatlantic between September 30, 2011 and the date of the consummation of the Validus Exchange Offer and second-step merger. Validus expects to make such adjustments at such time. These adjustments are likely to be different from the adjustments made to prepare the unaudited condensed consolidated pro forma financial information and such differences may be material.

The share prices for both Validus and Transatlantic used in determining the preliminary estimated purchase price are based on the closing share prices on November 2, 2011. The preliminary total purchase price is calculated as follows:

## 3. Purchase Adjustments (Continued)

## Calculation of Total Purchase Price

Transatlantic Shares outstanding as of September 30, 2011	61,644,506
Exchange ratio	1.5564
Total Validus Shares to be issued	95,943,509
Validus closing share price on November 2, 2011	\$ 27.21
Total value of Validus Shares to be issued	\$ 2,610,623
Total cash consideration paid	\$ 697,931
Total Purchase Price	\$ 3,308,554

The allocation of the purchase price is as follows:

## Allocation of Purchase Price

Transatlantic stockholders' equity	\$ 4,294,893
Allied World termination fee	(66,700)
Less reserve increase, after tax	(325,000)
Transatlantic stockholders' equity, adjusted (B)	\$ 3,903,193
Total purchase price (A)	\$ 3,308,554
Negative goodwill (A-B)	\$ 594,639

- (a) In connection with the exchange offer, 95,943,509 Validus Shares are expected to be issued for all Transatlantic Shares, shares of common stock issued pursuant to option exercises, and shares of common stock issued following vesting of restricted shares, restricted share units and performance share units resulting in additional share capital of \$16,790 and additional paid-in capital of \$2,593,833.
- (b) It is expected that total transaction costs currently estimated at \$55,035, the Allied World termination fee of \$115,000, and expenses related to bank debt of \$6,107 will be incurred by the consolidated entity. Based on an expected investment return of 2.29% for Validus and 3.70% for Transatlantic per annum, pre-tax investment income of \$6,036 would have been foregone during the year end December 31, 2010 had these payments of \$176,142 been made.

Approximately \$29,283 of the estimated \$55,035 total transaction costs and \$48,300 of the Allied World termination fee have been incurred and expensed in the nine months ended September 30, 2011. The expenses have been eliminated from the unaudited condensed consolidated pro forma results of operations for the nine months ended September 30, 2011. In addition, an adjustment of \$92,452 was made to retained earnings and \$6,107 to other assets as deferred financing fees as at September 30, 2011 to reflect the remaining transaction costs, the Allied World termination fee, and the debt refinancing costs. Based on an expected investment return of 1.87% for Validus and 3.60% for Transatlantic per annum, pre tax investment income of \$2,395 would have been foregone during the nine months ended September 30, 2011 had these remaining payments of \$98,559 been made.

**3. Purchase Adjustments (Continued)**

- (c) Employees of Transatlantic hold 2,024,855 options to purchase Transatlantic Shares. The weighted average exercise price of these options is \$63.00 per Transatlantic Share. It is expected that no net shares would be issued upon exercise of these options.

On June 30, 2011, the Compensation Committee of the Transatlantic Board approved the form of retention agreements that will be offered to certain executives of Transatlantic, including Steven S. Skalicky, Paul A. Bonny, and Javier E. Vijil, each a named executive officer of Transatlantic. Each of the retention agreements has a term beginning on the date of execution and ending on the earlier of December 31, 2013 or a mutually agreed upon termination date by the executive and Transatlantic. The retention agreements provide for a grant of restricted stock unit awards or phantom stock awards immediately prior to the Allied World Acquisition (or at a date chosen by the Transatlantic Board in its discretion, if the closing of the Allied World Acquisition does not occur), pursuant to Transatlantic's 2009 Long Term Equity Incentive Plan (but only in the case of the RSUs), consisting of that number of Transatlantic Shares equal in value to \$1,500 for each of Messrs. Skalicky and Vijil and \$2,000 for Mr. Bonny.

Validus has estimated that these grants will result in approximately 100,000 Transatlantic share units being issued, or 155,640 Validus share units after adjusting for the exchange ratio of 1.5564. This share issuance has been included in the calculation of pro forma diluted book value per share at September 30, 2011.

- (d) Elimination of Transatlantic ordinary shares of common stock of \$67,852, treasury shares of \$285,915, additional paid-in capital of \$335,511, accumulated other comprehensive income of \$270,612 and retained earnings of \$3,906,833.

- (e) A related party balance of \$3,855 for the nine months ended September 30, 2011 and \$5,363 for the year ended December 31, 2010 representing reinsurance ceded to Transatlantic by Validus was eliminated from gross premiums written and reinsurance ceded. Corresponding prepaid reinsurance premiums and unearned premiums of \$2,588 and premiums receivable and reinsurance balances payable of \$2,689 have been eliminated from the pro forma balance sheet. Loss reserves recoverable and reserves for losses and loss expenses of \$11,367 and paid losses recoverable and reinsurance balances payable of \$1,532 have also been eliminated from the pro forma balance sheet.

- (f) The unaudited condensed consolidated pro forma financial statements have been prepared using Transatlantic's publicly available financial statements and disclosures. Therefore, with the exception of note 3(h) below, the carrying value of assets and liabilities in Transatlantic's financial statements are considered to be a proxy for fair value of those assets and liabilities, with the difference between the net assets and the total purchase price considered to be negative goodwill. In addition, limited pro forma adjustments, such as recording fair value of assets and liabilities and adjustments for consistency of accounting policy, are reflected in these unaudited condensed consolidated pro forma financial statements. Pursuant to Accounting Standards Codification Topic 805, "Business Combinations" ("ASC 805"), a bargain purchase is defined as a business combination in which the total fair value of the identifiable net assets acquired on the date of acquisition exceeds the fair value of the consideration transferred plus any noncontrolling interest in the acquiree, and it requires the acquirer to recognize that excess in earnings as a gain

attributable to the acquirer. Negative goodwill of \$594,639 has been recorded as a credit to retained earnings as upon completion of the acquisition of Transatlantic shares of common stock negative goodwill will be treated as a gain in the consolidated statement of operations.

(g)

Validus is offering to exchange for each outstanding Transatlantic Share that is validly tendered and not properly withdrawn prior to the expiration time of the Validus Exchange Offer, 1.5564 Validus Shares and \$11.00 in cash (less applicable withholding taxes and without interest). The terms of the Validus Exchange Offer also permit Transatlantic to pay a \$2.00 per share Special Excess Dividend prior to the expiration time of the Validus Exchange Offer. This cash consideration of \$11.00 per share is expected to total \$697,931. Based on an expected interest rate of 3.25% per annum, additional finance expenses of \$22,683 would have been incurred during the year end December 31, 2010 had this credit facility been in place. Based on an expected interest rate of 3.25% per annum, additional finance expenses of \$17,012 would have been incurred during the nine months ended September 30, 2011 had this credit facility been in place. The effect of a change in the expected interest rate of one-eighth percent in preparation of these unaudited condensed consolidated pro forma financial statements would result in a change to finance expenses of \$872 for the year ended December 31, 2010 and \$654 for the nine months ended September 30, 2011.

Validus is domiciled in Bermuda, and as such is not subject to corporate income tax and does not benefit from a tax deduction for the additional finance expenses disclosed above. If the Validus Transaction Proposal is structured pursuant to the Validus Merger Offer instead of the Validus Exchange Offer and Second-Step Merger, the \$697,931 consideration payable to Transatlantic stockholders would instead be structured as a cash special dividend of \$11.00 per Transatlantic Share (which may be increased by the amount of the Special Excess Dividend), paid immediately prior to the expiration time of the Validus Exchange Offer (which would be amended to reflect the terms of the agreement and plan of merger delivered to the Transatlantic Board). If the \$11.00 per Transatlantic Share cash special dividend were funded through borrowings of Transatlantic at terms comparable to Validus', it would result in an additional pro forma tax benefit of \$7,939 for the year ended December 31, 2010, and revised pro forma consolidated basic earnings per share of \$3.48 and revised pro forma diluted earnings per share of \$3.42. For the nine months ended September 30, 2011, it would result in an additional pro forma tax benefit of \$5,954, and revised pro forma consolidated basic earnings per share of \$0.74 and revised pro forma diluted earnings per share of \$0.73. This change would have had no effect on the calculation of book value per share or diluted book value per share.

Validus has obtained a highly confident letter from J.P. Morgan Securities LLC in connection with the arrangement of the full amount of financing required for the \$11.00 per Transatlantic Share cash special dividend. While the interest rate payable by Transatlantic in connection with this financing could be greater or less than Validus' interest rates with respect to the financing contemplated in connection with the Validus Exchange Offer, any such difference is not expected to be material.

(h)

The unaudited condensed consolidated pro forma financial statements have been prepared using Transatlantic's publicly available financial statements and disclosures, without the benefit of inspection of Transatlantic books and records. However, it is expected that an additional reserve of

\$500,000 will be required to recognize potential reserve deficiencies at Transatlantic. This adjustment to loss reserves will also result in a current and deferred tax benefit of \$175,000, of which \$62,743 is deferred and \$112,257 is current. The net charge to the balance sheet of \$325,000 has been recorded as a debit to retained earnings.

- (i) Transatlantic reports unrealized gains and losses from fixed maturities available for sale, equities available for sale and other invested assets, as a separate component of AOCI, net of deferred income taxes, in stockholders' equity. Reclassification of these securities as trading would result in these unrealized gains and losses being reported as components of the income statement. Additional unrealized losses on investments of \$55,537 with a corresponding tax benefit of \$19,438 would have been reported on the income statement during the year ended December 31, 2010 had this reclassification been in place. Additional unrealized gains on investments of \$207,927 with a corresponding tax expense of \$72,775 would have been reported on the income statement during the nine months ended September 30, 2011 had this reclassification been in place.

In addition, other-than-temporary impairments charged to earnings of \$7,972 and \$3,140 in the year ended December 31, 2010 and nine months ended September 30, 2011 would have been reallocated to unrealized gains and losses following a reclassification of the securities as trading.

- (j) The unaudited condensed consolidated pro forma financial statements have been prepared using Transatlantic's publicly available financial statements and disclosures. Transatlantic does not separately list share compensation expense on its income statement, however disclosure of the amount recorded for the year ended December 31, 2010 was recorded in its notes to the financial statements. This amount of \$35,300 was therefore reclassified as share compensation expense on the income statement. Similar disclosure was not given for the nine months ended September 30, 2011, but an estimate of \$26,475 was calculated based on the amount recorded for the year ended December 31, 2010, and was reclassified as share compensation expense on the income statement.

**4. Adjustments to Cash and Cash Equivalents**

The acquisition of Transatlantic Shares will result in the payment of cash and cash equivalents by Transatlantic of \$78,035 and by Validus of \$20,524.

The unaudited condensed consolidated pro forma statements of operations reflect the impact of these reductions in cash and cash equivalents. Actual transaction costs may vary from such estimates which are based on the best information available at the time the unaudited condensed consolidated pro forma financial information was prepared.

## 7. Book Value per Share

Validus calculates diluted book value per share using the "as-if-converted" method, where all proceeds received upon exercise of warrants and stock options would be retained by Validus and the resulting common shares from exercise remain outstanding. In its public records, Transatlantic calculates only book value per share and not diluted book value per share. Accordingly, for the purposes of the Pro Forma Condensed Consolidated Financial Statements and notes thereto, Transatlantic's diluted book value per share has been calculated based on the "as-if-converted" method to be consistent with Validus' calculation.

The following table sets forth the computation of book value and diluted book value per share adjusted for the exchange offer as of September 30, 2011:

**9. Transatlantic Share Repurchase Program**

On September 16, 2011, Transatlantic announced the approval of a \$600,000 open market or negotiated share repurchase program, which added \$455,000 to Transatlantic's existing share repurchase authorization. Transatlantic committed to repurchasing \$300,000 of Transatlantic Shares through December 31, 2011 and plans to repurchase the remaining \$300,000 of Transatlantic Shares during 2012. During the quarter ended September 30, 2011, Transatlantic repurchased 844,390 of outstanding Transatlantic Shares under its previously announced share repurchase program for \$41,176. From October 1, 2011 through October 31, 2011, an additional 3,033,006 outstanding Transatlantic Shares have been repurchased for \$154,049 under the program. As of November 1, 2011, \$404,776 remained under the current share repurchase authorization.

Validus estimates that the Transatlantic Share repurchases made from October 1, 2011 to October 31, 2011 will result in 4,720,571 fewer Validus Shares issued in the exchange offer after adjusting for the exchange ratio of 1.5564, resulting in 190,262,560 Validus Shares outstanding and 209,882,371 diluted Validus Shares outstanding on a pro forma basis. The effect of these share repurchases on book value per share at September 30, 2011 would be as follows:

	Transatlantic Adjusted for share repurchases from October 1, 2011			Pro forma Adjusted for share repurchases from October 1, 2011		
	As at September 30, 2011	to October 31, 2011	Increase due to share repurchases	As at September 30, 2011	to October 31, 2011	Increase due to share repurchases

**Ratio of Earnings to Fixed Charges**

The ratio of earnings to fixed charges and ratio of earnings to fixed charges excluding Funds at Lloyd's costs ("FAL costs") are measures of Validus' ability to cover fixed costs with current period earnings. For purposes of computing the following ratios, earnings consist of net income before income tax expense plus fixed charges to the extent that such charges are included in the determination of earnings. Fixed charges consist of interest, amortization of debt issuance costs and credit facility fees and an imputed interest portion on operating leases. The following table is derived from unaudited results for the nine months ended September 30, 2011 and audited results for the years ended December 31, 2010 and 2009. In addition, the table presents the pro forma combined ratio of earnings to fixed charges for the nine months ended September 30, 2011 and year ended December 31, 2010.

	<b>Pro Forma Combined Nine Months Ended September 30, 2011</b>	<b>Pro Forma Combined Year Ended December 31, 2010</b>	<b>Nine Months Ended September 30, 2010</b>	<b>Year Ended December 31, 2010</b>	<b>Year Ended December 31, 2009</b>
Ratio of Earnings to Fixed Charges	2.27	6.39	0.88	8.18	20.93
Ratio of Earnings to Fixed Charges Excluding FAL Costs <sup>(1)</sup>	2.27	6.50	0.88	8.61	30.67

(1) FAL costs represent both fixed and variable costs paid for financing the Validus' operations at Lloyd's. The ratio of earnings to fixed charges excluding FAL costs demonstrates the degree to which the ratio changes if FAL costs are treated as variable rather than fixed costs.

**Comparative Per Share Data**

The Transatlantic historical per share data is taken from the Allied World/Transatlantic Joint Proxy Statement/Prospectus filed with the SEC by Transatlantic on August 19, 2011. The pro forma combined data is taken from the subheading of this Item 8.01 titled "Unaudited Condensed Consolidated Pro Forma Financial Information."

The historical earnings per share, dividends, and book value of Validus and Transatlantic shown in the table below are derived from their respective audited consolidated financial statements as of and for the year ended December 31, 2010 and unaudited consolidated financial statements as of and for the nine months ended September 30, 2010. The unaudited pro forma comparative basic and diluted earnings per share data give effect to the acquisition of Transatlantic using the acquisition method of accounting as if the acquisition had been completed on January 1, 2010. The unaudited pro forma book value and diluted book value per share information was computed as if the acquisition had been completed on December 31, 2010 and September 30, 2011.

(1) Validus' investments in fixed maturities are classified as trading and carried at fair value, with related net unrealized gains or losses included in earnings. Transatlantic classifies its fixed maturities as either held to maturity or available for sale. Reclassifying these securities as trading would result in these unrealized gains and losses being reported as components of the income statements. As a result, historical Transatlantic and equivalent per share of Transatlantic common stock are not comparable.

(2) Equivalent per share amounts are calculated by multiplying Validus pro forma per share amounts by the exchange offer ratio of 1.5564.

(3) Net operating income (loss), a non-GAAP financial measure, is defined by Validus as net income (loss) excluding net realized and unrealized gains (losses) on investments, foreign exchange gains (losses) and non-recurring items. This measure focuses on the underlying fundamentals of operations

without the influence of gains (losses) from the sale of investments, translation of non-U.S.\$ currencies and non-recurring items. Gains (losses) from the sale of investments are driven by the

timing of the disposition of investments, not by operating performance. Gains (losses) arising from translation of non-U.S.\$ denominated balances are unrelated to underlying business.

- (4) For purposes of calculating equivalent per share of Transatlantic common stock values for book value per common share, the equivalent per share amount does not include the \$11.00 per Transatlantic share cash consideration.

Equivalent per share amounts are calculated by multiplying Validus per share amounts by the exchange ratio of 1.5564 and adding \$11.00 in cash per Transatlantic Share and do not contemplate the payment of any Special Excess Dividend.

The value of the Validus Shares payable in the Validus Transaction Proposal will change as the market price of Validus Shares fluctuates, and may therefore be different from prices set forth above at the time the consent solicitation or the Validus Transaction Proposal may become effective. Please see the subheading of this Item 8.01 titled "Cautionary Statement Regarding Forward Looking Statements." Transatlantic stockholders are encouraged to obtain current market quotations for Validus Shares and Transatlantic Shares prior to making any decision with respect thereto.
