PROXY STATEMENT/PROSPECTUS

A HOLDING COMPANY MERGER IS PROPOSED YOUR VOTE IS VERY IMPORTANT

To the Shareholders of Alexander & Baldwin, Inc.:

You are invited to attend the 2012 Annual Meeting of Shareholders of Alexander & Baldwin, Inc. ("A&B" or the "Company"), to be held in the Bankers Club on the 30th Floor of the First Hawaiian Center, 999 Bishop Street, Honolulu, Hawaii, on _____, 2012 at _____ a.m., Honolulu time.

At the Annual Meeting, you will be asked to vote on a proposal, which we refer to as the "holding company merger proposal," to approve an agreement and plan of merger to create a holding company structure for A&B.

Reorganizing into a holding company will help facilitate the previously announced plan to pursue the separation of A&B into two independent, publicly traded companies (one company comprising A&B's real estate and agriculture businesses and the other comprising A&B's transportation business). The reorganization will allow A&B to organize and segregate the assets of its different businesses in an efficient manner prior to the separation and will assist in facilitating the third party and governmental consents and approvals process. Through this planned separation, we are creating two strong public companies A&B and Matson to maximize long-term shareholder value.

In addition, reorganizing into a holding company will help protect the long-term value of Matson by helping to ensure our continuing compliance with the U.S. maritime and vessel documentation laws applicable to our company, popularly referred to as the Jones Act. Under the Jones Act, only those vessels that are owned and controlled by U.S. citizens, manned by predominantly U.S. crews and built in and registered under the laws of the United States are allowed to engage in the transportation of merchandise and passengers for hire in U.S. territorial waters, referred to as the "Coastwise Trade." The Jones Act is a long-standing U.S. maritime policy that serves to foster a strong homeland defense. Cabotage laws, which restrict the right to ship cargo between domestic ports to only domestic vessels, are not unique to the U.S. and exist in more than 50 countries around the world.

As described in this proxy statement/prospectus, shares of the new holding company common stock to be issued to A&B shareholders in the holding company merger will be subject to certain transfer and ownership restrictions, referred to as the "Maritime Restrictions," designed to prevent certain situations from occurring that could jeopardize our eligibility as a U.S. citizen under the Jones Act and, therefore, our ability to engage in Coastwise Trade. The Maritime Restrictions, which are similar to the restrictions in the governing documents of other publicly traded companies engaged in the Coastwise Trade, include a 22% limit on the maximum percentage of shares that may be owned by non-U.S. citizens. Any purported transfer that would result in more than 22% of the outstanding shares being owned by non-U.S. citizens will be void and ineffective. Also, such non-U.S. citizens will not be entitled to any voting, dividend or distribution rights with respect to such shares in excess of the maximum percentage and may be required to disgorge any profits, dividends or distributions received with respect to such excess shares. Other than the Maritime Restrictions, your rights as a shareholder of the new holding company will be substantially the same as your rights as a shareholder of A&B.

Table of Contents

In the holding company merger, your existing shares of A&B common stock will be automatically converted, on a one-for-one basis, into shares of the new holding company common stock. As a result, you will own the same number and percentage of shares of the new holding company common stock as you own of A&B common stock before the merger. The merger will be tax-free for A&B shareholders. We expect the shares of the new holding company common stock to trade on the New York Stock Exchange under A&B's current trading symbol, "ALEX." On February 13, 2012, the last trading day before announcement of the holding company merger proposal, the closing price per share of A&B common stock was \$48.11.

Our Board has carefully considered the agreement and plan of merger and believes that it is advisable and in the best interest of our shareholders, and unanimously recommends that you vote "FOR" the holding company merger proposal.

Approval of the holding company merger proposal requires the affirmative vote of at least three-fourths of all of the issued and outstanding shares of A&B common stock. Shareholder approval is not required for the separation and you are not being asked to vote on the separation. The separation is not conditioned in any way on the holding company merger proposal. If a sufficient number of affirmative votes are not cast in favor of the holding company merger proposal, the Board intends to continue to pursue the separation. However, the separation remains subject to a number of contingencies and there can be no assurances that the separation will occur.

At the Annual Meeting, in addition to the holding company merger proposal (Item 1 on the proxy card), you will be asked to vote on proposals to: (i) approve, if necessary, the adjournment of the Annual Meeting to solicit additional proxies in favor of the holding company merger proposal (Item 2 on the proxy card); (ii) elect ten directors (Item 3 on the proxy card); (iii) approve, in an advisory (non-binding) vote, the compensation of our named executive officers (Item 4 on the proxy card); and (iv) ratify the Audit Committee's appointment of Deloitte & Touche LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2012 (Item 5 on the proxy card). In addition to voting on the matters described above, we will have the opportunity to discuss A&B's financial performance during 2011, and our future plans and expectations.

Our Board unanimously recommends that you vote "FOR" the adjournment proposal, "FOR" all nominees for director, "FOR" the non-binding executive compensation proposal and "FOR" ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the ensuing year.

Your vote is important no matter how many or how few shares you may own **Whether or not you now plan to attend the Annual Meeting, please vote as soon as possible.** You may vote via the Internet, by telephone or by signing, dating and mailing the enclosed proxy card. Specific instructions for shareholders of record who wish to use Internet or telephone voting procedures are included in the enclosed proxy statement/prospectus. Any shareholder attending the Annual Meeting may vote in person even if a proxy has been returned.

The accompanying notice of meeting and this proxy statement/prospectus provide specific information about the Annual Meeting and explain the various proposals. Please read these materials carefully. **In particular, you should consider the discussion of risk factors beginning on page 16 before voting on the holding company merger proposal.**

Thank you for your continued support of A&B.

Sincerely,

/s/ STANLEY M. KURIYAMA

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Who may attend the Annual Meeting?

All shareholders are invited to attend the Annual Meeting. If you are the beneficial owner of shares held in the name of your broker, bank or other nominee, you must bring proof of ownership (e.g., a current broker's statement) in order to be admitted to the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

You are entitled to receive notice of, and to vote at, the Annual Meeting if you own shares of A&B common stock at the close of business on _____, 2012, the record date for the Annual Meeting. At the close of business on the record date, there were _____ shares of A&B common stock issued and outstanding.

What matters will be voted on at the Annual Meeting?

There are five proposals scheduled to be considered and voted on at the Annual Meeting:

Approval of an agreement and plan of merger that will create a new holding company structure in order to facilitate the previously announced plan to pursue the separation of A&B into two independent, publicly traded companies and to help ensure our continued compliance with the Jones Act (the holding company merger proposal);

Approval, if necessary, of the adjournment of the Annual Meeting to solicit additional proxies in favor of the holding company merger proposal (the adjournment proposal);

Election of ten directors;

Advisory vote on executive compensation; and

Ratification of appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2012.

Shareholders also will be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Board is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

What are the Board's voting recommendations?

The Board recommends that you vote as follows:

"FOR" the ratification of the appointment of our independent registered public accounting firm.

How do I vote by proxy before the Annual Meeting?

Submitting a Proxy by Telephone: You can submit a proxy for your shares by telephone until 11:59 p.m. Eastern Standard Time (6:59 p.m. Honolulu Time), on _____, 2012, by calling

1-866-540-5760. Telephone proxy submission is available 24 hours a day. Easy-to-follow voice prompts allow you to submit a proxy for your shares and confirm that your instructions have been properly recorded. Our telephone proxy submission procedures are designed to authenticate shareholders by using individual control numbers.

Submitting a Proxy Via the Internet: You can submit a proxy via the Internet until 11:59 p.m. Eastern Standard Time (6:59 p.m. Honolulu Time), on _____, 2012, by accessing the website listed on your proxy card, <http://www.proxyvoting.com/alex>, and following the instructions you will find on the website. Internet proxy submission is available 24 hours a day. As with telephone proxy submission, you will be given the opportunity to confirm that your instructions have been properly recorded.

Submitting a Proxy by Mail: If you choose to submit a proxy by mail, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided.

By casting your vote in any of the three ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions. You may also attend the Annual Meeting and vote in person.

If you are a "street name" holder, you must provide instructions on voting to your broker, bank, trust or other nominee holder.

What is the difference between a "shareholder of record" and a "street name" holder?

These terms describe how your shares are held. If your shares are registered directly in your name with our independent transfer agent and registrar, Computershare Shareowner Services LLC, you are a "shareholder of record." If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a "street name" holder and you are considered the "beneficial owner" of the shares. As the beneficial owner of shares, you have the right to direct your broker, trustee or nominee how to vote your shares, and you will receive separate instructions from your broker, bank or other holder of record describing how to vote your shares.

How many proxy cards will I receive?

You will receive multiple proxy cards if you hold your shares in different ways (e.g., joint tenancy, trusts and custodial accounts) or in multiple accounts. If your shares are held in "street name," you will receive your proxy card or other voting information from your broker, bank, trust or other nominee, and you will return your proxy card or cards to such broker, bank, trust or other nominee. You should complete and sign each proxy card you receive.

Can I vote my shares in person at the Annual Meeting?

Yes. If you decide to join us in person at the Annual Meeting and you are a "shareholder of record," you may vote your shares in person at the Annual Meeting. If you hold your shares as a "street name" holder, you must obtain a proxy from your broker, bank, trust or other nominee, giving you the right to vote the shares at the Annual Meeting.

Can I change my vote after I have submitted a proxy?

You may revoke your proxy at any time before it is exercised by:

delivering to the Company Secretary a written notice of revocation, dated later than the proxy, before the vote is taken at the Annual Meeting;

delivering to the Company Secretary an executed proxy bearing a later date, before the vote is taken at the Annual Meeting;

Table of Contents

submitting a proxy on a later date by telephone or via the Internet (only your last telephone or Internet proxy will be counted), before 11:59 p.m. Eastern Standard Time (6:59 p.m. Honolulu Time), on _____, 2012; or

attending the Annual Meeting and voting in person (your attendance at the Annual Meeting, in and of itself, will not revoke the proxy).

Any written notice of revocation, or later dated proxy, should be delivered to:

Alyson J. Nakamura
Secretary and Assistant General Counsel
Alexander & Baldwin, Inc.
822 Bishop Street
Honolulu, Hawaii 96813
(808) 525-6611

Alternatively, you may hand deliver a written revocation notice, or a later dated proxy, to the Company Secretary at the Annual Meeting before we begin voting.

If your shares are held by a bank, broker or other nominee, you must follow the instructions provided by the bank, broker or other nominee if you wish to change your vote.

What constitutes a quorum for the Annual Meeting?

In order to take action on the proposals at the Annual Meeting, a quorum, consisting of a majority of the issued and outstanding shares entitled to vote as of the record date, must be present in person or by proxy. Abstentions and broker non-votes will be counted as shares that are present for purposes of determining quorum.

What are the voting requirements for each of the proposals?

The affirmative vote of at least three-fourths of all the issued and outstanding shares of common stock is required to approve the holding company merger proposal. Provided a quorum is present, the affirmative vote of a majority of the shares of common stock present or represented at the Annual Meeting, and entitled to vote thereat, is required to approve the adjournment proposal. Provided a quorum is present, the affirmative vote of a majority of the shares of common stock present or represented at the Annual Meeting is required to approve the election of each director nominee, the advisory vote on executive compensation and the ratification of the appointment of the Company's independent registered public accounting firm.

What is a broker "non-vote"?

A broker non-vote occurs when a broker or other nominee who holds shares for a beneficial owner is unable to vote those shares for the beneficial owner because the broker or other nominee does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares. Brokers will have discretionary voting power to vote shares for which no voting instructions have been provided by the beneficial owner only with respect to the proposal to ratify the appointment of the Company's independent registered public accounting firm. Brokers will not have such discretionary voting power to vote shares with respect to the holding company merger proposal, the adjournment proposal, the election of directors or the advisory vote on executive compensation.

Table of Contents

How will abstentions and broker non-votes affect the votes?

Abstentions will have the same effect as a vote "AGAINST" the holding company merger proposal, the adjournment proposal, the advisory vote on executive compensation and the ratification of the appointment of the independent registered public accounting firm. Broker non-votes will have the same effect as a vote to withhold authority in the election of directors and will have the same effect as a vote "AGAINST" the holding company merger proposal and the advisory vote on executive compensation. Broker non-votes will have no effect on the outcome of the vote on the adjournment proposal.

How will my shares be voted if I give my proxy but do not specify how my shares should be voted?

If you provide specific voting instructions, your shares will be voted at the Annual Meeting in accordance with your instructions. If you hold shares in your name and sign and return a proxy card without giving specific voting instructions, your shares will be voted "FOR" each of the proposals in accordance with the Board's recommendations.

Who will count the votes?

At the Annual Meeting, votes will be counted by an election inspector from Computershare Shareowner Services LLC. Such representative will be present at the Annual Meeting to process the votes cast by our shareholders, make a report of inspection, count the votes cast by our shareholders and certify as to the number of votes cast on each proposal.

Who will conduct the proxy solicitation and how much will it cost?

We are soliciting proxies from shareholders on behalf of our Board and will pay for all costs incurred by it in connection with the solicitation. In addition to solicitation by mail, the directors, officers and employees of A&B and its subsidiaries may solicit proxies from shareholders in person or by telephone, facsimile or email without additional compensation other than reimbursement for their actual expenses.

We have retained Morrow & Co., a proxy solicitation firm, to assist us in the solicitation of proxies for the Annual Meeting. A&B will pay Morrow & Co. a fee of approximately \$25,000 and reimburse the firm for reasonable out-of-pocket expenses.

Arrangements also will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons, and we will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection with the forwarding of solicitation materials to the beneficial owners of our stock.

Where can I find the voting results of the annual meeting?

We will announce preliminary voting results at the Annual Meeting and publish final results on a Form 8-K filed with the SEC within four business days after the Annual Meeting.

If you have any questions about voting your shares or attending the Annual Meeting, please call our Corporate Secretary at (808) 525-8450 or Morrow & Co. at (203) 658-9400 or (888) 813-7566.

QUESTIONS AND ANSWERS ABOUT THE HOLDING COMPANY MERGER PROPOSAL

What is the holding company merger proposal?

We are asking you to approve the creation of a new holding company structure for A&B to help facilitate the previously announced plan to pursue the separation of A&B into two independent, publicly traded companies (one company comprising A&B's real estate and agriculture businesses and the other comprising A&B's transportation business) and to help ensure our continued compliance with the Jones Act.

The proposal is for shareholders to approve an agreement and plan of merger (the "Merger Agreement") by and among (i) A&B, (ii) Alexander & Baldwin Holdings, Inc., a Hawaii corporation and a direct, wholly owned subsidiary of A&B, which we refer to herein as "Holdings" and (iii) A&B Merger Corporation, a Hawaii corporation and a direct, wholly owned subsidiary of Holdings, which we refer to herein as "Merger Sub." Holdings and Merger Sub are newly formed entities organized by A&B for the purpose of participating in the Merger (as defined below).

As a result of the Merger, Holdings will replace A&B as the Hawaii-based, publicly held corporation through which our operations are conducted. Pursuant to the Merger Agreement, Merger Sub will merge with and into A&B, with A&B continuing as the surviving corporation, and each outstanding share of A&B common stock will be automatically converted into one share of Holdings common stock (the "Merger"). **Following consummation of the Merger, (i) A&B will be a direct, wholly owned subsidiary of Holdings, (ii) Holdings, as the new holding company, will (through its subsidiaries) conduct all of the operations conducted by A&B immediately prior to the Merger and (iii) you will own the same ownership percentage of Holdings as you owned of A&B immediately prior to the Merger.**

A copy of the Merger Agreement is attached as Annex I to this proxy statement/prospectus. You are encouraged to read the Merger Agreement carefully.

Why are you creating a holding company structure for A&B?

On December 1, 2011, we announced that our Board had unanimously approved a plan to pursue the separation of A&B into two independent, publicly-traded companies (the "Separation"). The holding company structure created by the Merger will help facilitate the Separation by allowing A&B to organize and segregate the assets of its different businesses in an efficient manner prior to the Separation and by facilitating the third party and governmental consents and approvals process.

In addition, the holding company reorganization will help protect the long-term value of A&B's transportation business by helping preserve A&B's status as a U.S. citizen under certain U.S. maritime and vessel documentation laws (popularly referred to as the Jones Act) by, among other things, limiting the percentage of outstanding shares of common stock in the holding company that may be owned (of record or beneficially) or controlled in the aggregate by non-U.S. citizens (as defined by the Jones Act) to a maximum permitted percentage of 22%. Under the Jones Act, only those vessels that are owned and controlled by U.S. citizens, manned by predominantly U.S. crews and built in and registered under the laws of the United States are allowed to engage in the transportation of merchandise and passengers for hire in U.S. territorial waters, referred to as the "Coastwise Trade." The Jones Act is a long-standing U.S. maritime policy that serves to foster a strong homeland defense. Cabotage laws, which restrict the right to ship cargo between domestic ports to only domestic vessels, are not unique to the U.S. and exist in more than 50 countries around the world.

For more information, see "The Holding Company Merger Proposal Reasons for the Merger," beginning on page 21.

Table of Contents

If the shareholders do not approve the holding company merger proposal, does A&B intend to continue to pursue the Separation?

Yes. The Separation is not conditioned in any way on the holding company merger proposal. If a sufficient number of affirmative votes are not cast in favor of the holding company merger proposal, we intend to continue to pursue the Separation. However, there can be no assurances that the Separation will be completed as it remains subject a number of contingencies, including final approval by our Board.

Am I being asked to vote on the Separation?

No. Shareholder approval of the Separation is not required and you are not being asked to vote on the Separation. You are only being asked to approve the holding company merger proposal as a means to facilitate the Separation.

Will the management or the businesses of A&B change as a result of the Merger?

No. The management and businesses of our Company will not change as a result of the Merger.

What will the name of the public company be following the Merger?

The name of the public company following the Merger will be "Alexander & Baldwin Holdings, Inc." If the Separation is consummated, we expect that Holdings' name will be changed to "Matson, Inc."

Will the company's CUSIP number change as a result of the Merger?

Yes. Following the Merger, Holdings' CUSIP number will be .

What will happen to my A&B stock as a result of the Merger?

In the Merger, your shares of A&B common stock will automatically be converted into the same number of shares of common stock of Holdings. As a result, you will become a shareholder of Holdings and will own the same number and percentage of shares of Holdings common stock that you owned of A&B common stock immediately prior to the Merger. We expect that Holdings common stock will be listed on the New York Stock Exchange ("NYSE") under A&B's current trading symbol, "ALEX."

Will I have to turn in my stock certificates?

No. You do not have to turn in your stock certificates. We will not require you to exchange your stock certificates as a result of the Merger. After the Merger, your A&B common stock certificates will represent the same number of shares of Holdings common stock as they represented of A&B common stock prior to the Merger.

Within a reasonable period of time following consummation of the Merger, Holdings will mail you a letter of transmittal, in customary form, and instructions for use in effecting the surrender of your A&B stock certificates, if you so choose, in exchange for Holdings stock certificates or non-certificated shares of Holdings common stock in book-entry form.

How will being a shareholder of Holdings be different from being a shareholder of A&B?

Your rights as a shareholder of Holdings will be substantially the same as your rights as a shareholder of A&B, including rights as to voting and dividends, except that your shares of Holdings common stock will be subject to certain transfer and ownership restrictions (the "Maritime

Table of Contents

Restrictions") designed to prevent certain situations from occurring that could jeopardize our eligibility as a U.S. citizen under the Jones Act and, therefore, our ability to engage in the Coastwise Trade. The Maritime Restrictions include a 22% limit on the maximum percentage of shares that may be owned by non-U.S. citizens. Any purported transfer that would result in more than 22% of the outstanding shares being owned by non-U.S. citizens will be void and ineffective. In the event such transfers are unable to be voided, shares in excess of the maximum percentage are subject to automatic sale by a trustee appointed by Holdings or, if such sale is ineffective, redemption by Holdings. In any event, such non-U.S. citizens will not be entitled to any voting, dividend or distribution rights with respect to such excess shares and may be required to disgorge any profits, dividends or distributions received with respect to such excess shares. If the Merger is completed, the Maritime Restrictions will be binding on your shares of Holdings common stock even if you do not vote for the holding company merger proposal.

For more information, see "The Holding Company Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock" and "Description of Holdings Capital Stock."

Will the Merger affect my U.S. federal income taxes?

The Merger is intended to be a tax-free transaction under U.S. federal income tax laws. We expect that you will not recognize any gain or loss for U.S. federal income tax purposes upon receipt of Holdings common stock in exchange for your shares of A&B common stock. However, the tax consequences to you will depend on your own situation. You are urged to consult your own tax advisors concerning the specific tax consequences of the Merger to you, including any state, local or foreign tax consequences of the reorganization.

For more information, see "The Holding Company Merger Proposal Material U.S. Federal Income Tax Consequences."

How will the Merger be treated for accounting purposes?

For accounting purposes, the Merger will be treated as a merger of entities under common control. Accordingly, the consolidated financial position and results of operations of A&B will be included in the consolidated financial statements of Holdings on the same basis as currently presented.

What vote is required to approve the holding company merger proposal?

The required vote is the affirmative vote of at least three-fourths of all issued and outstanding shares of A&B common stock. Therefore, if you abstain or otherwise do not vote on the holding company merger proposal, it will have the same result as a vote "AGAINST" the holding company merger proposal.

What percentage of the outstanding shares do directors and executive officers hold?

On _____, 2012, directors, executive officers and their affiliates beneficially owned approximately _____ % of our outstanding shares of common stock. To that extent, their interest in the holding company merger proposal is the same as the interest of our shareholders generally.

If the shareholders approve the holding company merger proposal, when will the Merger occur?

We plan to complete the Merger on or about _____, 2012, provided that our shareholders approve the holding company merger proposal at the Annual Meeting and that all other conditions to completion of the Merger, as set forth in the Merger Agreement, have been satisfied or waived on or prior to such date. However, there can be no assurance that the Merger will be consummated even if

Table of Contents

the shareholders approve the holding company merger proposal. Our Board can terminate the Merger Agreement at any time prior to consummation of the Merger if it determines that, for any reason, the completion of the Merger would be inadvisable or not in the best interest of A&B or its shareholders.

Do I have dissenters' (or appraisal) rights in connection with the Merger?

Yes. You are entitled to dissenters' rights under Section 414-342 of the Hawaii Business Corporation Act.

For more information, see "The Holding Company Merger Proposal Dissenters' Rights."

How do I exercise my dissenters' rights?

Prior to the Annual Meeting, you must deliver notice to A&B of your intent to demand payment for your A&B shares if the Merger is effectuated. You must not vote in favor of the holding company merger proposal or you will forfeit your dissenters' rights. If the Merger is approved by holders of the requisite number of A&B shares and ultimately consummated, no later than 10 days thereafter A&B will deliver a dissenters' notice to all dissenting shareholders, which will include additional information on the procedures for perfecting your dissenters' rights. If you perfect your dissenters' rights, your shares of A&B common stock will not be converted into shares of Holdings common stock in the Merger and A&B will be obligated to pay you the amount that A&B estimates to be the fair value of your A&B shares, plus accrued interest. If you are unsatisfied with A&B's estimate, you may object, and if you and A&B cannot settle on an estimate, the estimate will be determined by a court in Hawaii.

QUESTIONS AND ANSWERS ABOUT THE MARITIME RESTRICTIONS

What is the purpose of the Maritime Restrictions?

Under U.S. maritime and vessel documentation laws applicable to A&B, only those vessels that are owned and managed by U.S. citizens (as determined by such laws), manned by predominantly U.S. crews and built in and registered under the laws of the United States are allowed to engage in the Coastwise Trade. The Jones Act is a long-standing U.S. maritime policy that serves to foster a strong homeland defense. Cabotage laws, which restrict the right to ship cargo between domestic ports to only domestic vessels, are not unique to the U.S. and exist in more than 50 countries around the world.

For the purposes of the applicable U.S. maritime and vessel documentation laws, a corporation is a U.S. citizen only if:

the corporation is organized under the laws of the United States or any state thereof;

the chairman of the board of directors and the chief executive officer, by whatever title, of the corporation are U.S. citizens;

directors representing no more than a minority of the number of directors of the corporation that is necessary to constitute a quorum of the board for the transaction of business are non-U.S. citizens; and

at least a majority or, in the case of an endorsement for operating a vessel in Coastwise Trade, 75% of the interest in the corporation is owned by, voted by or controlled by U.S. citizens free from any trust or fiduciary obligations in favor of, or any contract or understanding under which voting power or control may be exercised directly or indirectly on behalf of, non-U.S. citizens.

The Maritime Restrictions are intended to protect the long-term value of our transportation business by ensuring that Holdings can maintain its status as a U.S. citizen, which it must do to continue to engage in the Coastwise Trade that includes its U.S. West Coast Hawaii shipping activities. As such, the Board believes that including the Maritime Restrictions is prudent and in shareholders' long term best interests, despite the restrictions they place on the sale and/or transfer of stock in certain circumstances.

The Maritime Restrictions, which are similar to the restrictions in the governing documents of other publicly traded companies engaged in the Coastwise Trade, are designed to assist Holdings in maintaining its status as a U.S. citizen under the applicable U.S. maritime and vessel documentation laws by, among other things:

limiting the aggregate ownership (record or beneficial) or control by non-U.S. citizens of shares of Holdings common stock to a maximum permitted percentage of 22% (any shares in excess of that percentage are referred to as "excess shares") and voiding any transfers of shares of Holdings common stock which would result in non-U.S. citizens owning (of record or beneficially) or controlling excess shares;

causing any excess shares (including any associated voting rights and rights to dividends and other distributions) to be automatically transferred to a trust for the exclusive benefit of a charitable beneficiary that is a U.S. citizen in the event of any of the following situations (each, a "restricted event"):

the restrictions voiding transfers to non-U.S. citizens would be ineffective for any reason;

Edgar Filing: Alexander & Baldwin Holdings, Inc. - Form S-4

a change in the status of an owner of shares of Holdings common stock from a U.S. citizen to a non-U.S. citizen would result in such person's shares becoming excess shares; or

the original issuance of shares of Holdings common stock by Holdings to a non-U.S. citizen (including the shares of Holdings common stock being issued in the Merger) would result in

Table of Contents

such shares constituting excess shares (the proposed recipient of excess shares in any of the foregoing restricted events, a "restricted person");

in the event of a restricted event, causing the trustee of the trust to which excess shares have been transferred to sell such excess shares and remit certain proceeds from such sale to the restricted person from whom the trust received such excess shares and to the charitable beneficiary of such trust, in accordance with the procedures set forth in Holdings' Amended and Restated Articles of Incorporation, a copy of which is attached as Annex II to this proxy statement/prospectus;

in the event such trust transfer provisions are ineffective for any reason, permitting Holdings to redeem any excess shares, to withhold the voting rights of such excess shares and to pay any dividends and distributions with respect to such excess shares to an escrow account in accordance with the procedures set forth in Holdings' Amended and Restated Articles of Incorporation;

permitting Holdings to establish and maintain a dual stock certificate system under which different forms of stock certificates representing outstanding shares of Holdings common stock are issued to U.S. citizens and non-U.S. citizens;

mandating that all shares of Holdings common stock include a legend as specified in Holdings' Amended and Restated Articles of Incorporation regarding the Maritime Restrictions (and notifying holders of uncertificated shares of the information contained in such legend); and

permitting Holdings to determine the citizenship of the owners or the proposed transferees of shares of Holdings common stock in order to comply with the Maritime Restrictions.

How will the Maritime Restrictions limit my ability to transfer or purchase shares of Holdings common stock?

As described above, the Maritime Restrictions are designed to limit the aggregate ownership (record or beneficial) or control of shares of Holdings common stock by non-U.S. citizens to a maximum permitted percentage of 22%. To the extent that a purported transfer of shares of Holdings common stock by you to a non-U.S. citizen would result in the percentage of shares owned (of record or beneficially) or controlled by non-U.S. citizens to exceed the maximum permitted percentage, such transfer will be void and ineffective, and neither Holdings nor its transfer agent will register such purported transfer on the record books of Holdings or recognize the purported transferee as a shareholder of Holdings (except to the extent necessary to effect any remedy available to Holdings under Holdings' Amended and Restated Articles of Incorporation).

Will the Maritime Restrictions apply to me if I am a U.S. citizen?

Yes. The Maritime Restrictions will apply to all owners of shares of Holdings common stock, regardless of such shareholder's citizenship or status, insofar as such owner seeks to transfer its shares of Holdings common stock to a non-U.S. citizen (or becomes a non-U.S. citizen).

Will the Maritime Restrictions apply to me if I vote against the adoption of the Merger Agreement?

Yes. If the holders of at least three-fourths of the outstanding shares of A&B common stock approve the Merger Agreement and the Merger is completed, your shares of A&B common stock will automatically be converted into shares of Holdings common stock, which will be subject to the Maritime Restrictions, even if you vote against the adoption of the Merger Agreement.

Table of Contents

Can I sell my shares before consummation of the Merger without being subject to the Maritime Restrictions?

Yes. Transfers of shares of A&B common stock prior to the completion of the Merger will not be subject to the Maritime Restrictions.

Will Holdings' Board of Directors be able to make exceptions for transfers that would otherwise be restricted?

No. The Maritime Restrictions are intended to protect the long-term value to our Company of remaining eligible to engage in Coastwise Trade by assuring that Holdings complies with the U.S. ownership and other requirements of the applicable U.S. maritime and vessel documentation laws. Violations of U.S. maritime and vessel documentation laws could result in our ineligibility to engage in Coastwise Trade, the imposition of substantial penalties against us, which may include seizure or forfeiture of our vessels, and/or the inability to register our vessels in the United States, each of which could have a material adverse effect on our financial condition and results of operation.

Are there risks that I should consider in deciding how to vote on the holding company merger proposal?

Yes. You should carefully read this proxy statement/prospectus, including the factors described in the section entitled "Risk Factors" beginning on page 16.

Table of Contents

Reasons for the Merger (Page 21)

The holding company structure created by the Merger will help facilitate the previously announced plan to pursue the separation of A&B into two independent, publicly-traded companies by allowing A&B to organize and segregate the assets of its different businesses in an efficient manner prior to the separation and by facilitating the third party and governmental consents and approvals process.

In addition, the Merger will help preserve the long-term value of our transportation business by helping to ensure our continued compliance with the Jones Act. Shares of Holdings common stock to be issued to our shareholders in the Merger will be subject to the Maritime Restrictions, which are designed to prevent certain situations from occurring that could jeopardize our eligibility as a U.S. citizen under the Jones Act and, therefore, our ability to engage in Coastwise Trade.

Treatment of Common Stock in the Merger (Page 23)

As a result of the Merger, each issued and outstanding share of common stock of A&B (other than shares held by shareholders that properly exercise dissenters' rights) will be converted automatically into one share of common stock of Holdings.

Treatment of A&B Equity Incentive Compensation Plans and Outstanding Awards in the Merger (Page 23)

At the time of the Merger, Holdings will assume each of the following A&B equity incentive compensation plans (collectively, the "A&B Plans"): the A&B 2007 Incentive Compensation Plan, as amended, the A&B 1998 Stock Option/Stock Incentive Plan, as amended, the A&B 1998 Non-Employee Director Stock Option Plan and the Restricted Stock Bonus Plan. Holdings will also assume all options to purchase A&B common stock and all restricted stock and restricted stock unit awards covering shares of A&B common stock that are outstanding under the A&B Plans at the time of the Merger. Upon the Merger, the reserve of A&B common stock under each A&B Plan will automatically be converted on a one-share-for-one-share basis into shares of Holdings common stock, and the terms and conditions that are in effect immediately prior to the Merger under each outstanding equity award assumed by Holdings will continue in full force and effect after the Merger, except that the shares of common stock issuable under each such award will be shares of Holdings common stock.

Conditions to Completion of the Merger (Page 25)

The completion of the Merger depends on the satisfaction or waiver of the following conditions:

absence of any stop order suspending the effectiveness of the registration statement, of which this proxy statement/prospectus forms a part, relating to the shares of Holdings common stock to be issued to A&B shareholders in the Merger;

approval of the Merger Agreement by the affirmative vote of at least three-fourths of all issued and outstanding shares of A&B common stock;

receipt of approval for listing on the NYSE of shares of Holdings common stock to be issued in the Merger;

absence of any order or proceeding that would prohibit or make illegal completion of the Merger;

receipt by A&B of a private letter ruling from the Internal Revenue Service, in form and substance reasonably satisfactory to A&B, indicating that holders of A&B common stock will not

Table of Contents

recognize gain or loss for United States federal income tax purposes as a result of the transactions contemplated by the Merger Agreement;

receipt by A&B of a legal opinion of Skadden, Arps, Slate, Meagher & Flom LLP indicating that the shareholders of A&B will not recognize gain or loss for United States federal income tax purposes as a result of the transactions contemplated by the Merger Agreement; and

receipt of all material approvals, licenses and certifications from, and notifications and filings to, governmental entities and non-governmental third parties required to be made or obtained in connection with the Merger.

Termination of Merger Agreement (Page 25)

We may terminate the Merger Agreement at any time prior to consummation of the Merger, even after approval of the holding company merger proposal by our shareholders, if our Board determines that, for any reason, the completion of the Merger would be inadvisable or not in the best interest of A&B or its shareholders.

Material U.S. Federal Income Tax Consequences (Page 25)

The Merger is intended to be a tax-free transaction under U.S. federal income tax laws. We expect that A&B shareholders will not recognize any gain or loss for U.S. federal income tax purposes upon receipt of Holdings common stock in exchange for shares of A&B common stock. However, the tax consequences to you will depend on your own situation. You are urged to consult your own tax advisors concerning the specific tax consequences of the Merger to you, including any state, local or foreign tax consequences of the Merger.

Dissenters' Rights (Page 27)

Under Hawaii law, A&B's shareholders have dissenters' rights in connection with the Merger. A&B shares held by shareholders that properly exercise dissenters' rights under Hawaii law will not be converted into shares of Holdings common stock in the Merger and such dissenting shareholders will instead be entitled to receive payment of the fair value of such shares in accordance with Section 414-356 of the Hawaii Business Corporation Act unless such dissenting shareholder fails to perfect, withdraws or otherwise loses the right to dissent.

Markets and Market Prices (Page 28)

Holdings common stock is not currently traded on any stock exchange. Following the Merger, we expect Holdings common stock to trade on the NYSE under A&B's current trading symbol, "ALEX." On February 13, 2012, the last trading day before the announcement of the holding company merger proposal, the closing price per A&B share was \$48.11.

Board of Directors and Executive Officers of Holdings Following the Merger (Page 28)

A&B expects that Holdings' executive officers and directors following the Merger will be the same as those of A&B immediately prior to the Merger.

Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock (Page 28)

Holdings' organizational documents are substantially similar in all material respects to A&B's organizational documents, other than the differences noted in "The Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock," including, among others, that shares of Holdings' common stock will be subject to the Maritime Restrictions.

Table of Contents

CERTAIN FINANCIAL INFORMATION

We have not included pro forma financial comparative per share information concerning A&B that gives effect to the holding company merger proposal because, immediately after the completion of the Merger, the consolidated financial statements of Holdings will be the same as A&B's consolidated financial statements immediately prior to the Merger, and the Merger will result in the conversion of each share of A&B common stock (other than shares held by the shareholders that properly exercise dissenters' rights) into one share of Holdings common stock. In addition, we have not provided financial statements of Holdings because, prior to the Merger, it will have no assets, liabilities or operations other than incident to its formation.

RISK FACTORS

In addition to the other information in this proxy statement/prospectus, you should carefully consider the following risk factors in determining whether or not to vote for approval of the holding company merger proposal. You should carefully consider the additional risks described in A&B's annual, quarterly and current reports, including those identified in A&B's annual report on Form 10-K for the year ended December 31, 2010. For more information, see "Where You Can Find Additional Information." This section includes or refers to certain forward-looking statements. You should refer to the explanation of the qualifications and limitations on these forward-looking statements in "Special Note About Forward-Looking Information."

Our Board may choose to defer or abandon the Merger.

Completion of the Merger may be deferred or abandoned, at any time prior to consummation, by action of our Board, whether before or after the Annual Meeting. Assuming that the holding company merger proposal is approved at the Annual Meeting, we currently expect the Merger to take place on or about _____, 2012. However, the Board may defer completion of the Merger or may terminate the Merger Agreement and abandon the Merger should it determine, for any reason, that the Merger would not be in the best interests of A&B or its shareholders. In the event of such termination and abandonment, the Merger Agreement will become void and none of A&B, Holdings or Merger Sub shall have any liability with respect to such termination and abandonment.

Even if shareholders approve the holding company merger proposal and the Merger is ultimately consummated, there can be no assurances that the Separation will be consummated.

We expect the Merger to help facilitate the Separation by allowing A&B to organize and segregate the assets of its different businesses in an efficient manner prior to the Separation and by facilitating the third party and governmental consents and approvals process. However, whether or not the holding company merger proposal is approved and the Merger is ultimately consummated, there can be no assurances that the Separation will be completed. The Separation remains subject to a number of contingencies, including final approval by our Board.

As a holding company, Holdings will depend on dividends from its operating subsidiaries to satisfy its obligations.

After the completion of the Merger, Holdings will be a holding company with no business operations of its own. Its only significant assets will be the outstanding equity interests in A&B. As a result, it will rely on funds from A&B and any subsidiaries that it may form in the future to meet its obligations.

Our business could be adversely affected if the Merger Agreement is not adopted.

Although we believe we currently are a U.S. citizen, we do not have restrictions in place that protect our ability to maintain our status as a U.S. citizen under the applicable U.S. maritime and vessel documentation laws. If the Merger Agreement is not adopted, we may not have the ability to prohibit or prevent non-U.S. citizens from owning in the aggregate 25% or more of our common stock or other situations from occurring that may cause us to lose our status as a U.S. citizen under the applicable U.S. maritime and vessel documentation laws. As a result, non-U.S. citizens could intentionally or inadvertently own in the aggregate more than 25% of our common stock, and we would no longer be considered a U.S. citizen under the applicable laws. Such an event could result in our ineligibility to engage in Coastwise Trade, the imposition of substantial penalties against us, including seizure or forfeiture of our vessels, and the inability to register our vessels in the United States, each of which could have a material adverse effect on our financial condition and results of operation.

Table of Contents

The Maritime Restrictions may cause the market price of shares of Holdings common stock to be lower than the current market price of shares of A&B common stock.

If the Merger is completed, you will receive shares of Holdings common stock that will be subject to the Maritime Restrictions described in this proxy statement/prospectus, which are designed to assist us in maintaining our status as a U.S. citizen under the Jones Act and protect the long-term value of our transportation business. These Maritime Restrictions currently do not apply to shares of A&B common stock. Other public companies that are subject to the Jones Act impose restrictions similar to the Maritime Restrictions on their shareholders. We do not believe that our common stock trades at a premium to these other public companies with Jones Act restrictions as a result of our current lack of such restrictions, but we cannot assure you that the market price of shares of Holdings common stock will be comparable to the market price of shares of A&B common stock and it is possible that the Maritime Restrictions will have an adverse effect on the market price of the shares of Holdings common stock.

The Maritime Restrictions may result in transfers to non-U.S. citizens being void and ineffective and, thus, may impede or limit your ability to transfer or purchase shares of Holdings common stock.

To be eligible to document vessels in the United States and to operate those vessels in Coastwise Trade, at least 75% of the outstanding shares of each class or series of our capital stock must be owned by U.S. citizens within the meaning of the Jones Act. We believe we currently are a U.S. citizen. The Maritime Restrictions provide that if a transfer of shares of Holdings common stock by you to a non-U.S. citizen would result in non-U.S. citizens owning (of record or beneficially) or controlling, in the aggregate, more than a maximum permitted percentage of 22% of the outstanding shares of Holdings common stock (such shares in excess of the maximum permitted percentage, "excess shares"), then such purported transfer will be void and the purported transferee will not be recognized as the owner (of record or beneficially) of such excess shares. To the extent transfers of excess shares are voided, the liquidity or market value of your shares of Holdings common stock may be adversely impacted.

The Maritime Restrictions provide for the automatic transfer of excess shares to a trust for sale and may result in non-U.S. citizens suffering losses from the sale of excess shares.

In the event (i) the restrictions voiding purported transfers described above would be ineffective, (ii) of a change in the citizenship of a shareholder or (iii) of the original issuance of shares of Holdings common stock to a non-U.S. citizen (each, a "restricted event") that would otherwise result in the number of shares of Holdings common stock owned (of record or beneficially) or controlled, in the aggregate, by non-U.S. citizens to exceed the maximum permitted percentage of 22%, the resulting excess shares will be automatically transferred to a trust.

The trustee of the trust will be a U.S. citizen and the trustee (and not the proposed recipients of excess shares, or "restricted persons") will have all voting rights and rights to dividends or other distributions. The trustee will sell the excess shares to a U.S. citizen designated by the trustee, which may be Holdings.

Upon the sale, the trustee will distribute the net proceeds of the sale and any dividends or other distributions received by the trust as follows:

The restricted person will receive (net of broker's commissions and other selling expenses, applicable taxes and other costs and expenses of the trust) the lesser of: (i) the price paid by the restricted person for the shares or, if the restricted person did not give value for the shares (e.g., a gift, devise or other similar transaction or change in citizenship status), the fair market value (determined in accordance with the formula set forth in Holdings' Amended and Restated

Table of Contents

Articles of Incorporation) of the shares on the date of the restricted event; and (ii) the price received by the trustee from the sale of the shares.

The charitable beneficiary will receive any net sale proceeds in excess of the amount payable to the restricted person, and any dividends or other distributions paid with respect to such excess shares.

If the trustee sells the excess shares to Holdings, the sale price will be equal to the lesser of (i) fair market value of the excess shares on the date Holdings accepts the offer; and (ii) the price paid by the restricted person in connection with the restricted event (or, in the case of a gift, devise or other similar transaction or change in citizenship status, the fair market value on the date of the restricted event).

As a result, a restricted person will not profit on its investment in the excess shares and is instead likely to sustain a loss with respect to such investment. In addition, Holdings has set the maximum permitted percentage at 22%, which is lower than the maximum percentage of 25% permitted by the Jones Act for Coastwise Trade. As a result, non-U.S. citizens may be deprived of shares of Holdings common stock at a time when their ownership did not jeopardize Holdings' status as a U.S. citizen under the Jones Act for Coastwise Trade.

The Maritime Restrictions permit Holdings to redeem shares of Holdings common stock, which may result in shareholders who are non-U.S. citizens being required to sell their excess shares of Holdings common stock at an undesirable time or price or on unfavorable terms.

If the trust sale provisions would be ineffective to prevent the shares of Holdings common stock owned (of record or beneficially) or controlled, in the aggregate, by non-U.S. citizens from exceeding the maximum permitted percentage, Holdings will have the power (but not the obligation) to redeem all or any portion of such excess shares, unless such redemption is not permitted under applicable law.

The redemption price of such excess shares will be an amount equal to: (i) the lesser of the fair market value of the excess shares on the redemption date and the price paid by the restricted person in connection with the restricted event (or, in the case of a gift, devise or other similar transaction or change in citizenship status, the fair market value on the date of the restricted event), minus (ii) any dividends or distributions received by such restricted person with respect to such excess shares.

As a result, shareholders who are non-U.S. citizens may be required to sell their excess shares of Holdings common stock at an undesirable time or price, will not receive any return on their investment in such shares and are likely to sustain a loss on their investment. In addition, a shareholder may not immediately receive cash in the redemption as Holdings may, at its option, pay the redemption price in the form of a promissory note with a maturity of up to 10 years and bearing interest at a fixed rate equal to the yield on the U.S. Treasury Note of comparable maturity.

In addition, until such excess shares are redeemed or no longer constitute excess shares, the restricted persons owning such shares will not be entitled to any voting rights with respect to such shares and Holdings will pay any dividends or distributions with respect to such shares into an escrow account.

Holdings' financial condition may be adversely affected by a redemption of excess shares or it may not have the funds or the ability to redeem any excess shares.

Holdings may have to incur additional indebtedness, or use available cash (if any), to fund all or a portion of such redemption, in which case Holdings' financial condition may be adversely affected.

In addition, Holdings may be unable to redeem excess shares because its operations may not have generated sufficient excess cash flow to fund such redemption or because certain agreements governing

Table of Contents

our outstanding indebtedness, which will be assumed by Holdings, contain covenants that may prevent Holdings from redeeming such excess shares. Consequently, there is no guarantee that Holdings will be able to obtain the funds necessary to affect such redemption on terms satisfactory to Holdings or at all.

If the Maritime Restrictions are ineffective, Holdings could be forced to suspend its Coastwise Trade activities, be subject to substantial penalties, which may include seizure or forfeiture of our vessels, and/or lose its ability to register its vessels in Coastwise Trade.

If all of the citizenship-related safeguards in Holdings' Amended and Restated Articles of Incorporation fail at a time when non-U.S. citizens, in the aggregate, own, vote or control more than 25% of outstanding shares of Holdings common stock, Holdings would likely no longer be considered a U.S. citizen under the applicable U.S. maritime and vessel documentation laws for Coastwise Trade. Such an event could result in ineligibility of Holdings to engage in Coastwise Trade, the imposition of substantial penalties against Holdings, including seizure or forfeiture of our vessels, and/or the inability to register its vessels in the United States, each of which could have a material adverse effect on its financial condition and results of operation.

The maximum permitted percentage of 22% will change automatically in the event the maximum percentage permitted by the applicable U.S. maritime and vessel documentation laws changes.

In the event that the U.S. maritime and vessel documentation laws are amended to change the maximum percentage of shares of capital stock that may be owned by, voted by or controlled by non-U.S. citizens, Holdings' Amended and Restated Articles of Incorporation provides that the maximum permitted percentage of 22% will automatically be changed to a percentage that is three percentage points lower than the percentage that would cause Holdings to violate the U.S. maritime and vessel documentation laws as amended. As a result, the shares of Holdings common stock held by a non-U.S. citizen may become excess shares, and be subject to the trust transfer and redemption provisions contained in Holdings' Amended and Restated Articles of Incorporation, without such non-U.S. citizens taking any action.

THE HOLDING COMPANY MERGER PROPOSAL

This section of the proxy statement/prospectus describes the holding company merger proposal. Although we believe that the description in this section covers the material terms of the holding company merger proposal, this summary may not contain all of the information that is important to you. The summary of the material provisions of the Merger Agreement provided below is qualified in its entirety by reference to the Merger Agreement, which we have attached as Annex I to this proxy statement/prospectus and which we incorporate by reference into this proxy statement/prospectus. You should carefully read the entire proxy statement/prospectus and the Merger Agreement for a more complete understanding of the holding company merger proposal. Your approval of the holding company merger proposal will constitute your approval of the Merger Agreement, the Merger, Holdings' Amended and Restated Articles of Incorporation, which we have attached as Annex II to this proxy statement/prospectus ("Holdings' Charter"), and Holdings' Amended and Restated Bylaws, which we have attached as Annex III to this proxy statement/prospectus ("Holdings' Bylaws").

Reasons for the Merger

On December 1, 2011, we announced that our Board had unanimously approved a plan to pursue the separation of A&B into two independent, publicly traded companies (one company comprising A&B's real estate and agriculture businesses and the other comprising A&B's transportation business) (the "Separation"). We have evaluated various alternative methods to segregate the assets of our different businesses and, ultimately, to effectuate the Separation. As a large number of parcels of real estate are owned at the parent company level (i.e., owned by A&B directly), we have determined that it would be desirable, prior to the Separation, to reorganize into a holding company structure through the Merger. The holding company structure created by the Merger will allow A&B to organize and segregate the assets of its different businesses in an efficient manner in advance of the Separation and will facilitate the third party and governmental consents and approvals process. The Separation is not conditioned in any way on the holding company merger proposal. If a sufficient number of affirmative votes are not cast in favor of the holding company merger proposal, the Board intends to continue to pursue the Separation.

In addition, reorganizing into a holding company will help protect the long-term value of A&B's transportation business by helping to ensure our continuing compliance with the Jones Act. Under the Jones Act, only those vessels that are owned and controlled by U.S. citizens, manned by predominantly U.S. crews and built in and registered under the laws of the United States are allowed to engage in the Coastwise Trade. The Jones Act is a long-standing U.S. maritime policy that serves to foster a strong homeland defense. Cabotage laws, which restrict the right to ship cargo between domestic ports to only domestic vessels, are not unique to the U.S. and exist in more than 50 countries around the world.

As described in this proxy statement/prospectus, shares of Holdings common stock to be issued to our shareholders in the Merger will be subject to the Maritime Restrictions, which are designed to prevent certain situations from occurring that could jeopardize our eligibility as a U.S. citizen under the Jones Act and, therefore, our ability to engage in Coastwise Trade. The Maritime Restrictions include a 22% limit on the maximum percentage of shares that may be owned by non-U.S. citizens. Any purported transfer that would result in more than 22% of the outstanding shares being owned by non-U.S. citizens will be void and ineffective. In the event such transfers are unable to be voided, shares in excess of the maximum percentage are subject to automatic sale by a trustee appointed by Holdings or, if such sale is ineffective, redemption by Holdings. In any event, such non-U.S. citizens will not be entitled to any voting, dividend or distribution rights with respect to such excess shares and may be required to disgorge any profits, dividends or distributions received with respect to such excess shares.

Recommendation of our Board

After careful consideration, our Board concluded that the Merger is advisable and in the best interests of A&B and its shareholders and approved the Merger Agreement. **The Board recommends a vote "FOR" the approval of the holding company merger proposal.**

Merger Procedure

A&B currently owns all of the issued and outstanding common stock of Holdings and Holdings currently owns all of the issued and outstanding common stock of Merger Sub. Following the approval of the Merger Agreement by A&B shareholders and the satisfaction or waiver of the other conditions to the Merger specified in the Merger Agreement (which are described below), Merger Sub will merge with and into A&B, with A&B continuing as the surviving corporation, and the separate corporate existence of Merger Sub will cease. As a result of the Merger:

Each outstanding share of A&B common stock (other than shares held by shareholders that properly exercise dissenters' rights) will automatically be converted into one share of Holdings common stock and current shareholders of A&B will become shareholders of Holdings;

A&B will become a direct, wholly owned subsidiary of Holdings; and

Holdings, as the new holding company, will (through its subsidiaries) conduct all of the operations currently conducted by A&B.

Pre-Merger and Post-Merger Structure

Below is the current structure of A&B, as well as the structure of Holdings immediately following the Merger.

Current Structure

Table of Contents

Post-Merger Structure

*

Promptly following the Merger, Alexander & Baldwin, Inc. will be converted into a Hawaii limited liability company called "Alexander & Baldwin, LLC."

Treatment of Common Stock in the Merger

Each share of A&B common stock (other than shares held by shareholders that properly exercise dissenters' rights) will automatically be converted into one share of Holdings common stock. Therefore, after the completion of the Merger, you will own the same number and percentage of shares of Holdings common stock as you own of A&B common stock immediately prior to the Merger.

Treatment of A&B Equity Incentive Compensation Plans and Outstanding Awards in the Merger

Pursuant to the terms of the Merger Agreement, A&B will assign to Holdings, and Holdings will assume, and agree to perform, all obligations of A&B pursuant to the A&B Plans and each outstanding award granted thereunder. Accordingly, Holdings will assume each of the A&B Plans, including (i) all unexercised and unexpired options to purchase A&B common stock and all restricted stock and restricted stock unit awards covering shares of A&B common stock that are outstanding under the A&B Plans at the time of the Merger and (ii) the remaining unallocated reserve of A&B common stock issuable under each such A&B Plan. Upon the Merger, the reserve of A&B common stock under each A&B Plan, whether allocated to outstanding equity awards under such plan or unallocated at that time, will automatically be converted on a one-share-for-one-share basis into shares of Holdings common stock, and the terms and conditions that are in effect immediately prior to the Merger under each outstanding equity award assumed by Holdings will continue in full force and effect after the Merger, including (without limitation) the vesting schedule and applicable issuance dates, the per share exercise price, the expiration date and other applicable termination provisions, except that the shares of common stock issuable under each such award will be shares of Holdings common stock.

Table of Contents

Issuances of Holdings Common Stock Under the A&B Plans

The approval of the holding company merger proposal by the holders of A&B common stock will also constitute approval of the assumption by Holdings of the A&B Plans (including the existing share reserves under such plans), which were previously approved by shareholders, and all the outstanding awards under such plans and all future issuances of shares of Holdings common stock in lieu of shares of A&B common stock under each of the A&B Plans, as each will be amended in connection with the Merger without further shareholder action.

Corporate Name Following the Merger

The name of the public company following the Merger will be "Alexander & Baldwin Holdings, Inc." If the Separation is consummated, we expect that Holdings' name will be changed to "Matson, Inc."

No Surrender of Stock Certificates Required

In the Merger, your shares of A&B common stock will be converted automatically into shares of Holdings common stock. Your certificates of A&B common stock, if any, will represent, after the Merger, an equal number of shares of Holdings common stock, and no action with regard to stock certificates will be required on your part. If your shares are held in book-entry form (i.e., uncertificated), a book entry will be made in the shareholder records of Holdings to evidence the issuance to you of the number of shares of Holdings common stock into which your shares of A&B common stock have been converted.

If you hold certificates representing outstanding shares of A&B common stock (each, an "A&B Certificate") immediately prior to the consummation of the Merger, within a reasonable period of time following the effective time of the Merger (taking into consideration the Separation and the Name Change (as defined below)), Holdings will mail, or will cause to be mailed, to you (i) a letter of transmittal, in customary form, that will require you to specify (A) whether you are a U.S. Citizen or Non-U.S. Citizen (as each term is defined in Holdings' Charter) and (B) all other information as may be required by Holdings in accordance with Holdings' Charter and (ii) instructions for use in effecting the surrender of your A&B Certificates, if you so choose, in exchange for a certificate (each, a "Holdings Certificate"), or uncertificated shares in book-entry form, representing the number of shares of Holdings common stock into which the shares of A&B common stock represented by your A&B Certificates have been converted.

Each Holdings Certificate will contain the legend required by Holdings' Charter (the "Maritime Restrictions Legend"). Promptly following the Effective Time, Holdings will send, or cause to be sent, to each holder of uncertificated shares of Holdings common stock in book-entry form a written notice containing the information set forth in the Maritime Restrictions Legend. The Maritime Restrictions Legend shall be substantially in the form attached as Annex A to the Merger Agreement, with such changes thereto as the Board of Directors of Holdings shall approve prior to the effective time of the Merger.

A&B and Holdings expect that, in connection with the consummation of the Separation, Holdings' name will be changed to "Matson, Inc." (the "Name Change") and that, to the extent the Separation is consummated within a reasonable time following the effective time of the Merger, the exchange of stock certificates provided for in the Merger Agreement and described above will result in the issuance of Holdings Certificates reflecting the Name Change.

Conditions to Completion of the Merger

We will complete the Merger only if each of the following conditions is satisfied or waived:

absence of any stop order suspending the effectiveness of the registration statement, of which this proxy statement/prospectus forms a part, relating to the shares of Holdings common stock to be issued in the Merger;

approval of the Merger Agreement by the affirmative vote of at least three-fourths of all issued and outstanding shares of A&B common stock;

receipt of approval for listing on the NYSE of shares of Holdings common stock to be issued in the Merger;

absence of any order or proceeding that would prohibit or make illegal completion of the Merger;

receipt by A&B of a private letter ruling from the Internal Revenue Service, in form and substance reasonably satisfactory to A&B, indicating that holders of A&B common stock will not recognize gain or loss for United States federal income tax purposes as a result of the transactions contemplated by the Merger Agreement;

receipt by A&B of a legal opinion of Skadden, Arps, Slate, Meagher & Flom LLP indicating that the shareholders of A&B will not recognize gain or loss for United States federal income tax purposes as a result of the transactions contemplated by the Merger Agreement; and

receipt of all material approvals, licenses and certifications from, and notifications and filings to, governmental entities and non-governmental third parties required to be made or obtained in connection with the Merger.

Effectiveness of Merger

The Merger will become effective on the date we file the Articles of Merger with the Director of Commerce and Consumer Affairs of the State of Hawaii or a later date that we specify therein. We expect that we will specify in the Articles of Merger that the Merger will be effective on or about _____, 2012.

Termination of Merger Agreement

The Merger Agreement may be terminated at any time prior to the completion of the Merger (even after approval by our shareholders) by action of the Board if it determines that, for any reason, the completion of the transactions provided for therein would be inadvisable or not in the best interest of our Company or our shareholders.

Amendment of Merger Agreement

The Merger Agreement may, to the extent permitted by Chapter 414 of the Hawaii Revised Statutes (the "HRS"), titled the Hawaii Business Corporation Act (the "HBCA"), be supplemented, amended or modified at any time prior to the completion of the Merger (even after approval by our shareholders), by the mutual consent of the parties thereto.

Material U.S. Federal Income Tax Consequences

The following discussion summarizes the material U.S. federal income tax consequences of the Merger, together with the LLC conversion described in the next sentence, to U.S. holders of A&B common stock. Promptly following the consummation of the Merger, A&B will convert into a Hawaii limited liability company under applicable Hawaii law. We refer to this below as the "LLC conversion."

Table of Contents

The following discussion is based upon current provisions of the Internal Revenue Code of 1986, as amended (which we refer to as the "Code"), current and proposed Treasury regulations and judicial and administrative decisions and rulings as of the date of this proxy statement/prospectus, all of which are subject to change (possibly with retroactive effect) and all of which are subject to differing interpretation. This discussion does not address all aspects of U.S. federal income taxation that may be relevant to you in light of your particular circumstances or to persons subject to special treatment under U.S. federal income tax laws. In particular, this discussion deals only with shareholders that hold A&B common stock as capital assets within the meaning of the Code (generally, assets held for investment). In addition, this discussion does not address the tax treatment of special classes of shareholders, such as banks, insurance companies, cooperatives, tax-exempt organizations, financial institutions, broker-dealers, persons holding shares of A&B common stock as part of a hedge, straddle or other risk reduction, constructive sale or conversion transaction, U.S. expatriates, persons subject to the alternative minimum tax and persons who acquired shares of A&B common stock in compensatory transactions. If you are not a U.S. holder (as defined below), this discussion does not apply to you.

As used in this summary, a "U.S. holder" is:

an individual U.S. citizen or resident alien;

a corporation or other entity treated as a corporation for U.S. federal income tax purposes created or organized under the laws of the United States or any state thereof or in the District of Columbia;

an estate that is subject to U.S. federal income tax on its income regardless of its source; or

a trust, the substantial decisions of which are controlled by one or more U.S. persons and which is subject to the primary supervision of a U.S. court, or a trust that validly has elected under applicable Treasury Regulations to be treated as a U.S. person for U.S. federal income tax purposes.

If a partnership (including, for this purpose, any entity treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of A&B common stock, the U.S. federal income tax consequences to a partner in the partnership will generally depend on the status of the partner and the activities of the partnership. A holder of A&B common stock that is a partnership, and the partners in such partnership, are urged to consult their own tax advisors regarding the U.S. federal income tax consequences of the Merger.

ALL HOLDERS OF A&B COMMON STOCK ARE URGED TO CONSULT THEIR OWN TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE MERGER TO THEIR PARTICULAR SITUATION, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE AND LOCAL, FOREIGN AND OTHER TAX LAWS.

In connection with the filing of the registration statement of which this proxy statement/prospectus forms a part, Skadden, Arps, Slate, Meagher & Flom LLP, counsel to A&B, has delivered an opinion to A&B (which is filed as Exhibit 8.1 to the registration statement) to the effect that for U.S. federal income tax purposes, the Merger, together with the LLC conversion, will qualify as a "reorganization" within the meaning of section 368(a) of the Code and A&B and Holdings will each be a "party to the reorganization" within the meaning of section 368(b) of the Code. Accordingly, as part of a reorganization to which A&B and Holdings will each be a party, the Merger will have the following U.S. federal income tax consequences:

No gain or loss will be recognized by A&B or Holdings as a result of the Merger;

You will not recognize any gain or loss upon your receipt of Holdings common stock solely in exchange for your A&B common stock;

Table of Contents

The aggregate tax basis of the shares of Holdings common stock that you receive in exchange for your A&B common stock in the Merger will be the same as the aggregate tax basis of your A&B common stock; and

The holding period for shares of Holdings common stock that you receive in the Merger will include the holding period of your A&B common stock.

A&B shareholders are entitled to dissenters' rights in connection with the Merger, subject to properly perfecting such rights. See "Dissenters' Rights" below. If you receive cash pursuant to your exercise of dissenters' rights, you will recognize gain or loss, measured by the difference between the amount of cash you receive and the tax basis in your shares of A&B common stock. A holder of A&B common stock who exercises dissenters' rights is urged to consult his or her tax advisor.

The foregoing discussion is not intended to be a complete analysis or description of all potential U.S. federal income tax consequences or any other consequences of the Merger. In addition, the discussion does not address tax consequences which may vary with, or are contingent on, your individual circumstances. Moreover, the discussion does not address state, local, foreign or non-income tax consequences or tax return reporting requirements. Accordingly, you are strongly urged to consult your own tax advisor to determine the particular U.S. federal, state, local or foreign income or other tax consequences to you of the reorganization.

Anticipated Accounting Treatment

For accounting purposes, our reorganization into a holding company structure will be treated as a merger of entities under common control. Accordingly, the financial position and results of operations of A&B will be included in the consolidated financial statements of Holdings on the same basis as currently presented.

Authorized Capital Stock

A&B's Restated Articles of Association, as amended ("A&B's Charter"), authorize the issuance of 150,000,000 shares of common stock, without par value. Holdings' Charter, which will govern the rights of our shareholders after the Merger, authorizes the issuance of 150,000,000 shares of common stock, without par value. Upon completion of the Merger, the number of shares of Holdings common stock that will be outstanding will be equal to the number of shares of A&B common stock (excluding shares held by shareholders that properly exercise dissenters' rights) outstanding immediately prior to the Merger. The number of shares authorized for issuance under A&B's Plans as of December 31, 2011 was 4,888,027. No other shares are presently reserved for any other purpose.

Dissenters' Rights

If the Merger is consummated, shareholders of A&B will have certain rights under Section 414-342 of the HBCA to dissent and to receive payment in cash of the fair value of their shares of A&B common stock.

Prior to the annual meeting, shareholders who wish to exercise dissenters' rights must deliver notice to A&B of their intent to demand payment for their A&B shares if the Merger is effectuated. Such shareholders must not vote in favor of the holding company merger proposal or they will forfeit their dissenters' rights. If the Merger is approved by the requisite number of A&B shareholders and ultimately consummated, no later than 10 days thereafter A&B will deliver a dissenters' notice to all dissenting shareholders, which will include additional information on the procedures for perfecting their dissenters' rights.

Shareholders who perfect such rights by complying with the procedures set forth in Sections 414-352 and 414-354 of the HBCA will be paid A&B's estimate of the fair value of the dissenting shareholder's shares. Section 414-341 of the HBCA defines "fair value" as the value of the

Table of Contents

shares immediately before the effectuation of the corporate action to which the dissenter objects, excluding any appreciation or depreciation in anticipation of the corporate action unless exclusion would be inequitable.

Pursuant to Section 414-359 of the HBCA, if the dissenter is not satisfied with A&B's payment or offer of payment, the dissenter may estimate the fair value of his or her shares and demand payment of the dissenter's estimate. If a demand for payment under Section 414-359 of the HBCA remains unsettled, A&B must commence a proceeding in a Hawaii circuit court pursuant to Section 414-371 of the HBCA and petition the court to determine the fair value of the shares and accrued interest, or pay each dissenter whose demand remains unsettled the amount of the demand. In determining the fair value of the shares, the court may appoint appraisers to receive evidence and recommend a decision on the question of fair value. Each dissenter made a party to the proceeding would be entitled to judgment for the amount, if any, by which the court finds the fair value of the dissenter's shares, plus interest, exceeds the amount paid by A&B.

A copy of Part XIV of the HBCA, which contains the sections described above, is provided in Annex IV to this proxy statement/prospectus.

Markets and Market Prices

Holdings common stock is not currently traded on any stock exchange. The completion of the Merger is conditioned on the approval for listing of the shares of Holdings common stock issuable in the Merger (and any other shares to be reserved for issuance in connection with the Merger) on the NYSE. Following the Merger, we expect Holdings common stock to trade on the NYSE under A&B's current ticket symbol, "ALEX." On February 13, 2012, the last trading day before the announcement of the holding company merger proposal, the closing price per A&B share was \$48.11.

De-listing and De-registration of A&B Common Stock

Following the Merger, A&B's common stock will no longer be quoted on the NYSE and will no longer be registered under the Exchange Act. In addition, A&B will cease to be a reporting company under the Exchange Act.

Board of Directors and Executive Officers of Holdings Following the Merger

We expect that the directors and executive officers of Holdings following the Merger will be the same as those of A&B immediately prior to the Merger.

Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock

After consummation of the Merger, former A&B shareholders will hold shares of Holdings common stock and the rights of such holders will be governed by the HBCA, Holdings' Charter and Holdings' Bylaws (together "Holdings' Organizational Documents"). Other than the differences noted below, Holdings' Organizational Documents are substantially similar in all material respects to A&B's Charter and A&B's Revised Bylaws, as amended ("A&B's Bylaws" and together with A&B's Charter, "A&B's Organizational Documents"), respectively.

Shareholder Voting

Under A&B's Bylaws, except as otherwise provided by law or by A&B's Organizational Documents, shareholder action requires the affirmative vote of a majority of the shares of stock present or represented at any meeting of the shareholders at which a quorum is present. As a result, abstentions have the same effect as a vote against a matter.

Under Holdings' Bylaws, except as provided in Holdings' Charter or the HBCA, if a quorum exists at a meeting of the shareholders, action on a matter (other than election of directors) is approved if the votes cast favoring the action exceed the votes cast opposing the action. As a result, abstentions are disregarded and have no effect on the vote.

Table of Contents

Election of Directors

Under A&B's Bylaws, directors are annually elected by the affirmative vote of holders of a majority of the shares present or represented at a meeting at which quorum is present.

Section 414-149(a) of the HBCA provides that, unless otherwise provided in a corporation's articles of incorporation, directors shall be elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which quorum is present. As Holdings' Charter does not provide for a different voting requirement, members of the Board of Directors of Holdings are annually elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which quorum is present.

Removal of Directors

A&B's Bylaws provide that directors may only be removed for cause by a majority vote of the shareholders.

Holdings' Bylaws provide that directors may be removed with or without cause by a majority vote of the shareholders.

Vacancies on the Board of Directors

A&B's Bylaws provide that any vacancy on the Board of Directors shall be filled by resolution adopted by a majority of the directors then in office. Under A&B Bylaws, shareholder may not fill a vacancy on the Board of Directors.

Under Holdings' Bylaws, a vacancy on the Board of Directors may be filled by: (i) shareholders; (ii) the Board of Directors; or (iii) the affirmative vote of a majority of all the directors remaining in office if the directors remaining in office constitute fewer than a quorum of the Board of Directors.

Action by Written Consent of the Shareholders

A&B's Bylaws provide that shareholders may only take action at a meeting of the shareholders.

Holdings' Bylaws provide that shareholders may take action at a meeting of the shareholders or, as provided in Section 414-124 of the HBCA, by unanimous written consent in lieu of a meeting.

Rights to Call Special Meetings of the Shareholders

A&B's Bylaws provide that a special meeting of the shareholders may only be called by the Chairman of the Board, the President or a majority of the directors then in office, or under certain limited circumstances described in Section 416-73 of the HRS (which section has since been repealed).

Holdings' Bylaws provide that a special meeting of shareholders may be called by (i) the Chairman of the Board, if appointed, the President or a majority of the directors then in office or (ii) the holders of at least 10% of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting if such holders sign, date and deliver to the Company Secretary one or more written demands for the meeting describing the purpose or purposes for which it is to be held. The right of shareholders to call a special meeting is subject to certain procedural and informational requirements that are intended to facilitate Holdings and shareholders receiving basic information about the special meeting and to ensure, among other things, that the special meeting is not duplicative of matters that were or, in the near term, could be covered at an annual meeting.

Jones Act-Related Provisions

As described below, Holdings' Organizational Documents include certain restrictions not included in A&B's Organizational Documents which are intended to ensure our continuing compliance with the Jones Act.

Table of Contents

Board and Management Restrictions. Holdings' Bylaws require that: (i) Holdings' Chairman of the Board and chief executive officer, by whatever title, be U.S. citizens; (ii) not more than a minority of the minimum number of directors of the Board of Directors necessary to constitute a quorum of the Board of Directors (or such other portion as the Board of Directors may determine to be necessary to comply with the applicable U.S. maritime and vessel documentation laws) be non-U.S. citizens; and (iii) not more than a minority of the minimum number of directors of any committee of the Board of Directors necessary to constitute a quorum of such committee (or such other portion as the Board of Directors may determine to be necessary to comply with the applicable U.S. maritime and vessel documentation laws) be non-U.S. citizens.

Maritime Restrictions. Holdings' Charter subjects the shares of Holdings common stock to the Maritime Restrictions. The following summary of the Maritime Restrictions is qualified in its entirety by reference to the full text of Holdings' Charter set forth in Annex II to this proxy statement/prospectus. We urge shareholders to carefully read Holdings' Charter in its entirety.

1.
General

In order to protect Holdings' ability to register vessels in the U.S. under the applicable U.S. maritime and vessel documentation laws and operate those vessels in Coastwise Trade, Holdings' Charter limits the aggregate ownership (record or beneficial) or control of shares of Holdings common stock by non-U.S. citizens (as such term is determined by the applicable U.S. maritime and vessel documentation laws for purposes of Coastwise Trade) to 22% of the total issued and outstanding shares. We refer to such percentage limitation on foreign ownership of shares of Holdings common stock as the "Maximum Permitted Percentage" and any such shares owned by non-U.S. citizens in excess of the Maximum Permitted Percentage as "Excess Shares." To the extent the applicable U.S. maritime and vessel documentation laws are amended to change the legal foreign ownership maximum percentage, Holdings' Charter provides that the Maximum Permitted Percentage will automatically be changed to a percentage that is three percentage points lower than the legal foreign ownership maximum percentage, as amended. In the event Holdings is subject to any other U.S. federal law that restricts the ownership of shares of Holdings common stock by non-U.S. citizens, Holdings' Board of Directors will have discretion to impose ownership restrictions and other provisions that are substantially consistent with such applicable law on the shares of Holdings common stock (as long as such restrictions and other provisions are no more restrictive than the Maritime Restrictions). In addition, Holdings' Charter provides that a person will not be deemed to be a "record owner," "beneficial owner" or "controller" of shares of Holdings common stock if the Board of Directors of Holdings determines, in good faith, that such person is not an owner of such shares in accordance with and for the purposes of the applicable U.S. maritime and vessel documentation laws.

2.
Restriction on Transfers of Excess Shares

Holdings' Charter provides that any purported transfer of any shares of Holdings common stock that would result in the aggregate ownership of shares of Holdings common stock by non-U.S. citizens in excess of the Maximum Permitted Percentage will be void and ineffective, and neither Holdings nor its transfer agent will register any such purported transfer on the stock transfer records of Holdings or recognize any such purported transferee as a shareholder of Holdings for any purpose (including for purposes of voting, dividends and distributions), except to the extent necessary to effect the remedies available to Holdings under Holdings' Charter (as described under " 3. Additional Remedies for Exceeding the Maximum Permitted Percentage" and " 4. Redemption of Excess Shares" below).

3.
Additional Remedies for Exceeding the Maximum Permitted Percentage

In the event such restrictions voiding purported transfers would be ineffective for any reason, Holdings' Charter provides that if any transfer (a "Proposed Transfer") to a transferee (a "Proposed

Table of Contents

Transferee") would otherwise result in the ownership by non-U.S. citizens of an aggregate number of shares of Holdings common stock in excess of the Maximum Permitted Percentage, such Excess Shares will automatically be transferred to a trust for the exclusive benefit of one or more charitable beneficiaries that are U.S. citizens. The Proposed Transferee will not acquire any rights in the Excess Shares transferred into the trust.

Holdings' Charter also provides that the above trust transfer provisions apply to (i) any change in the status (a "Status Change") of an owner of shares of Holdings common stock from a U.S. citizen to a non-U.S. citizen (a "Disqualified Person") that results in non-U.S. citizens, in the aggregate, owning shares of Holdings common stock in excess of the Maximum Permitted Percentage and (ii) any issuance of shares of Holdings common stock (including the shares of Holdings common stock being issued in the Merger) (a "Deemed Original Issuance" and, together with a Proposed Transfer and a Status Change, each, a "Restricted Event") to a non-U.S. citizen (a "Disqualified Recipient" and, together with a Proposed Transferee and Disqualified Person, a "Restricted Person") that would result in non-U.S. citizens, in the aggregate, owning shares of Holdings common stock in excess of the Maximum Permitted Percentage.

The automatic transfer will be deemed to be effective as of immediately before the consummation of the Restricted Event. Shares of Holdings common stock held in the trust will remain issued and outstanding shares. Any Restricted Person will not profit from ownership of any shares of Holdings common stock held in the trust, will have no rights to dividends or distributions and will have no rights to vote or other rights attributable to the shares of Holdings common stock held in the trust. The trustee of the trust, who will be a U.S. citizen chosen by Holdings and unaffiliated with Holdings or any owner of such Excess Shares, will have all voting rights and rights to dividends or other distributions with respect to Excess Shares held in the trust. The trustee of the trust may rescind as void any vote given by a holder with respect to Excess Shares and revoke any proxy given by such holder with respect to Excess Shares and recast such vote or resubmit such proxy for the benefit of the charitable beneficiary of such trust, unless prohibited from doing so by applicable law or Holdings has already taken corporate action in respect of which such vote was cast or proxy was given. These rights will be exercised by the trustee of the trust for the exclusive benefit of the charitable beneficiary of such trust. In each case, any dividend or distribution authorized and paid by Holdings to a Restricted Person with respect to such Restricted Person's Excess Shares after the automatic transfer of such Excess Shares into a trust must be paid by the Restricted Person to the trustee. Any dividend or distribution authorized with respect to any Excess Shares after the automatic transfer of such Excess Shares into the trust but unpaid will be paid when due to the trustee. Any dividend or distribution paid to the trustee will be held in trust for distribution to the charitable beneficiary. The amount of any such dividends or distribution received by a Restricted Person with respect to Excess Shares and not paid to the trustee may be withheld by the trustee from the proceeds of the sale of such Excess Shares remitted to such Restricted Person (as further described below).

Within 20 days of receiving notice from Holdings that shares of Holdings common stock have been transferred to the trust, the trustee will sell the shares to a U.S. citizen designated by the trustee (or to Holdings in accordance with the procedures described below). Upon the sale, the interest of the charitable beneficiary in the shares sold will terminate and the trustee will distribute the proceeds of the sale (net of broker's commissions and other selling expenses, applicable taxes and other costs and expenses of the trust) to the Restricted Person and to the charitable beneficiary as follows:

In the case of Excess Shares transferred into the trust as a result of a Proposed Transfer, the Proposed Transferee will receive the lesser of (i) the price paid by the Proposed Transferee for the shares or, if the Proposed Transferee did not give value for the shares in connection with the event causing the shares to be held in the trust (e.g., a gift, devise or other similar transaction), the fair market value (determined in accordance with the formula set forth in Holdings' Charter)

Table of Contents

of the shares on the date of the Proposed Transfer (the "Proposed Transfer Price") and (ii) the price received by the trustee from the sale of the shares.

In the case of Excess Shares transferred into the trust as a result of a Status Change, the Disqualified Recipient will receive the lesser of (i) the fair market value (determined in accordance with the formula set forth in Holdings' Charter) of the shares on the date of the Status Change (the "Status Change Price") and (ii) the price received by the trustee from the sale of the shares.

In the case of Excess Shares transferred into the trust as a result of a Deemed Original Issuance (including any shares of Holdings common stock being issued in the Merger), the Disqualified Recipient will receive the lesser of (i) the price paid by the Disqualified Recipient for the shares or, if the Disqualified Recipient did not give value for the shares in connection with the Deemed Original Issuance, the fair market value (determined in accordance with the formula set forth in Holdings' Charter) of the shares on the date of the Deemed Original Issuance (the "Deemed Original Issuance Price") and (ii) the price received by the trustee from the sale of the shares.

Any net sale proceeds in excess of the amount payable to the Restricted Person will be promptly paid to the charitable beneficiary. If such shares are sold by the Restricted Person prior to Holdings' discovery that shares should have been transferred to the trust, then (i) the shares will be deemed to have been sold on behalf of the trust and (ii) to the extent that the Restricted Person received an amount for the shares that exceeds the amount such Restricted Person was entitled to receive, the excess will be paid to the trustee upon demand.

In addition, shares of Holdings common stock held in the trust will be deemed to have been offered for sale to Holdings at a price per share equal to the lesser of (i) the fair market value (determined in accordance with the formula set forth in Holdings' Charter) on the date Holdings accepts the offer and (ii) the Proposed Transfer Price, the Status Change Price or the Deemed Original Issuance Price, as the case may be, of such Excess Shares. Holdings will have the right to accept the offer until the trustee has sold the shares. Upon a sale to Holdings, the interest of the charitable beneficiary in the shares sold will terminate and the trustee will distribute to the Restricted Person the portion of the net proceeds from the sale due to the Restricted Person and pay the remainder, if any, to the charitable beneficiary of the trust.

4.

Redemption of Excess Shares

To the extent that the above trust transfer provisions would be ineffective for any reason, Holdings' Charter provides that, to prevent the percentage of aggregate shares of Holdings common stock owned by non-U.S. citizens from exceeding the Maximum Permitted Percentage, Holdings, by action of its Board of Directors, in its sole discretion, will have the power (but not the obligation) to redeem all or any portion of such Excess Shares, unless such redemption is not permitted under applicable law.

Until such Excess Shares are redeemed, the Restricted Persons owning such shares will not be entitled to any voting rights with respect to such shares and Holdings will pay any dividends or distributions with respect to such shares into an escrow account. Full voting, distribution and dividend rights will be restored to such Excess Shares (and any dividends or distributions paid into an escrow account will be paid to holders of record of such shares), promptly after the time and to the extent the Board of Directors determines that such shares no longer constitute Excess Shares, unless such shares have already been redeemed by Holdings.

If the Board of Directors of Holdings determines to redeem Excess Shares, the redemption price of such Excess Shares will be an amount equal to (i) the lesser of (A) the fair market value (determined in accordance with the formula set forth in Holdings' Charter) on the redemption date and (B) the Proposed Transfer Price, the Status Change Price or the Deemed Original Issuance Price, as the case may be, of such Excess Shares, minus (ii) any dividends or distributions received by such

Table of Contents

Restricted Person with respect to such Excess Shares prior to and including the redemption date instead of being paid into the escrow account. The Board of Directors of Holdings may, in its discretion, pay the redemption price in cash or by the issuance of interest-bearing promissory notes with a maturity of up to 10 years and bearing a fixed rate equal to the yield on the U.S. Treasury Note of comparable maturity. Upon redemption, any dividends or distributions that have been paid into an escrow account with respect to such redeemed shares will be paid by the escrow agent for such account to a charitable organization that is a U.S. citizen designated by Holdings, net of any taxes and other costs and expenses of the escrow agent.

5.

Permitted Actions by the Board of Directors Relating to the Maritime Restrictions

In addition to the foregoing restrictions, so that Holdings may assure compliance with the applicable U.S. maritime and vessel documentation laws, Holdings' Charter authorizes its Board of Directors to effect any and all measures necessary or desirable (consistent with the provisions thereof) to fulfill the purpose of and to implement the Maritime Restrictions, including:

obtaining, as a condition precedent to the transfer of shares of Holdings common stock, a citizenship certification and any other documentation Holdings or its transfer agent deems advisable from the transferee of such shares (and persons on whose behalf shares of Holdings common stock are to be held);

determining the citizenship of any owner of shares of Holdings common stock and, in making such determination, relying upon the stock transfer records of Holdings, the citizenship certificates and other documentation given by owners or their transferees and such other written statements and affidavits and such other proof as Holdings may deem reasonable;

developing issuance, transfer, redemption, escrow and legend notice provisions and procedures regarding certificated and uncertificated shares of Holdings common stock;

establishing and maintaining a dual stock certificate system under which different forms of certificates are issued to U.S. citizens and non-U.S. citizens; and

mandating that all shares of Holdings common stock issued by Holdings include the legend specified in Holdings' Charter (or other appropriate legend reflecting the Maritime Restrictions) or, in the case of uncertificated shares, mandating that the record holder thereof be sent a written notice containing the information in the applicable legend within a reasonable time after the issuance or transfer thereof.

6.

Maritime Restrictions Severable

The Maritime Restrictions are intended to be severable. If any one or more of the Maritime Restrictions is held to be invalid, illegal or unenforceable, Holdings' Charter provides that the validity, legality or enforceability of any other provision will not be affected.

7.

National Securities Exchange

In order for Holdings to comply with any conditions to listing the shares of Holdings common stock that may be specified by any applicable national securities exchange or automated inter-dealer quotation service, Holdings' Charter also provides that nothing therein, such as the provisions voiding transfers to non-U.S. citizens, will preclude the settlement of any transaction entered into through any such applicable national securities exchange or automated inter-dealer quotation service if such preclusion is prohibited by such exchange or quotation service.

DESCRIPTION OF HOLDINGS CAPITAL STOCK

Holdings is incorporated in the State of Hawaii. The rights of shareholders of Holdings will generally be governed by Hawaii law and Holdings' Organizational Documents. As described under the caption "The Holding Company Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock" on page 28, other than the Maritime Restrictions, the rights of shareholders of Holdings are substantially similar in all material respects to the rights of A&B shareholders. The following is a summary of the material provisions of the Holdings Organizational Documents. This summary is not complete and is qualified by reference to Hawaii law and the full text of Holdings' Charter, a copy of which is attached as Annex II to this proxy statement/prospectus, and Holdings' Bylaws, a copy of which is attached as Annex III to this proxy statement/prospectus.

General

Upon the completion of the Merger, the authorized capital of Holdings will be 150,000,000 shares of common stock, without par value. Holdings does not have any authorized preferred stock or any other class of capital stock other than common stock. All of the shares issued and outstanding upon completion of the Merger will be fully paid and nonassessable.

Upon completion of the Merger, the number of shares of Holdings common stock that will be outstanding will be equal to the number of shares of A&B common stock (excluding shares held by shareholders that properly exercise dissenters' rights) outstanding immediately prior to the Merger.

Common Stock

Dividends and Distributions. The holders of outstanding shares of Holdings common stock will be entitled to ratably receive dividends and other distributions out of assets legally available at times and in amounts as the Board of Directors of Holdings may determine from time to time. The dividend and distribution rights of the shares of Holdings common stock are subject to the Maritime Restrictions as described under "The Holding Company Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock Jones Act-Related Provisions."

Liquidation Rights. If Holdings is liquidated, dissolved or wound up, voluntarily or involuntarily, holders of Holdings' common stock are entitled to share ratably in all assets of Holdings available for distribution to Holdings' shareholders, subject to the Maritime Restrictions described under "The Holding Company Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock Jones Act-Related Provisions."

Voting Rights. Holders of Holdings common stock are entitled to one vote per share on all matters to be voted upon by shareholders. The voting rights are subject to the Maritime Restrictions as described under "The Holding Company Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock Jones Act-Related Provisions." There are no cumulative voting rights. Shareholders entitled to vote at a meeting of shareholders may vote by proxy.

Other. There are no preemption, redemption, sinking fund or conversion rights applicable to the Holdings common stock except with respect to the Maritime Restrictions, as described under "The Holding Company Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock Jones Act-Related Provisions," and except as described under "Description of Holdings Capital Stock Anti-Takeover Effects Under Holdings' Organizational Documents and Certain Hawaii Laws Certain Provisions of the HBCA and Other Hawaii Statutes Control Share Acquisitions."

Action by Written Consent of the Shareholders

Holdings' Bylaws provide that shareholders may take action at a meeting of the shareholders or, as provided in Section 414-124 of the HBCA, by unanimous written consent in lieu of a meeting.

Rights to Call Special Meetings of the Shareholders

Holdings' Bylaws provide that a special meeting of shareholders may be called by (i) the Chairman of the Board, if appointed, the President or a majority of the directors then in office or (ii) the holders of at least 10% of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting if such holders sign, date and deliver to the corporation's secretary one or more written demands for the meeting describing the purpose or purposes for which it is to be held. The right of shareholders to call a special meeting is subject to certain procedural and informational requirements that are intended to facilitate Holdings and shareholders receiving basic information about the special meeting and to ensure, among other things, that the special meeting is not duplicative of matters that were or, in the near term, could be covered at an annual meeting.

Jones Act-Related Provisions

Holdings' Organizational Documents include certain restrictions which are intended to ensure our continuing compliance with the Jones Act. For more information, see "The Holding Company Merger Proposal Comparative Rights of Holders of Holdings Common Stock and A&B Common Stock Jones Act-Related Provisions."

Transfer Agent

We expect that the transfer agent for Holdings common stock will be Computershare Shareowner Services LLC, PO Box 358015, Pittsburgh, PA 15252-8015, 1-800-454-0477.

NYSE Listing

We expect that Holdings common stock will be listed on the NYSE under the trading symbol "ALEX."

Indemnification

The indemnity provisions of Holdings' Charter require Holdings to indemnify its directors and officers to the fullest extent permitted by law. Section 414-242 of the HBCA provides that a corporation may indemnify a director, who is a party to a proceeding in his/her capacity as a director of the corporation, against liability incurred in the proceeding if:

the individual conducted himself or herself in good faith and the individual reasonably believed (i) in the case of conduct in the individual's official capacity, that the individual's conduct was in the best interests of the corporation, and (ii) in all other cases, that the individual's conduct was at least not opposed to the best interests of the corporation; and

in the case of any criminal proceeding, the individual had no reasonable cause to believe the individual's conduct was unlawful; or

the individual engaged in conduct for which broader indemnification has been made permissible or obligatory under a provision of the articles of incorporation.

Edgar Filing: Alexander & Baldwin Holdings, Inc. - Form S-4

To the extent that a director is wholly successful in the defense of any proceeding to which the director was a party in his/her capacity as director of the corporation, the corporation is required by Section 414-243 of the HBCA to indemnify such director for reasonable expenses incurred thereby.

Table of Contents

Under Section 414-244 of the HBCA, a corporation, before final disposition of a proceeding, may advance funds to pay for or reimburse the reasonable expenses incurred by a director, who is a party to a proceeding in his/her capacity as a director of the corporation, if the director delivers certain written affirmations and certain undertakings. Under certain circumstances, under Section 414-245 of the HBCA a director may apply for and obtain indemnification or an advance for expenses to the court conducting the proceeding or to another court of competent jurisdiction.

Furthermore, under Section 414-246 of the HBCA, indemnification may be made only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because a director has met the applicable standard, with such determination to be made:

by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the proceeding or who do not have a familial, financial, professional or employment relationship with the director whose indemnification is the subject of the decision being made, which relationship would reasonably be expected to influence the director's judgment when voting on the decision being made;

by special legal counsel; or

by a majority vote of the shareholders.

Under Section 414-247 of the HBCA, a corporation may indemnify and advance expenses to an officer, who is a party to a proceeding because the officer is an officer of the corporation:

to the same extent as a director; and

if the person is an officer, but not a director, to such further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract except for liability in connection with a proceeding by or in the right of the corporation other than for reasonable expenses incurred in connection with the proceeding, or liability arising out of conduct that constitutes (i) receipt by the officer of a financial benefit to which the officer is not entitled, (ii) an intentional infliction of harm on the corporation or the shareholders; or (iii) an intentional violation of criminal law.

The above-described provision applies to an officer who is also a director if the basis on which the officer is made a party to the proceeding is an act or omission solely as an officer. Furthermore, an officer of a corporation who is not a director is entitled to mandatory indemnification under Section 414-243 of the HBCA and may apply to a court under Section 414-245 of the HBCA for indemnification or an advance for expenses, in each case to the same extent to which a director may be entitled to indemnification or advance for expenses.

Limitations on Directors' Liability

Holdings' Charter limits the liability of Holdings' directors in any action brought by shareholders for monetary damages to the fullest extent permitted by the HBCA, which permits a corporation to eliminate directors' liability in such actions except for:

the amount of a financial benefit received by a director to which the director is not entitled;

an intentional infliction of harm on the corporation or the shareholders;

payment of a dividend or other distribution in violation of Section 414-223 of the HBCA; or

an intentional violation of criminal law.

Table of Contents

Anti-Takeover Effects under Holdings' Organizational Documents and Certain Hawaii Laws

Certain Provisions of Holdings' Organizational Documents

Certain provisions of Holdings' Organizational Documents may delay or make more difficult unsolicited acquisitions or changes of control of Holdings. These provisions could have the effect of discouraging third parties from making proposals involving an unsolicited acquisition or change in control of Holdings, although these proposals, if made, might be considered desirable by a majority of our shareholders. These provisions may also have the effect of making it more difficult for third parties to cause the replacement of the current management without the concurrence of the Board of Directors. These provisions include:

the availability of authorized but unissued shares of stock for issuance from time to time at the discretion of the Board of Directors;

all shareholder actions must be effected at a duly called meeting of shareholders or, as provided in Section 414-124 of the HBCA, by unanimous written consent; and

requirements for advance notice for raising business or making nominations at shareholders meetings.

In addition, the Maritime Restrictions may have anti-takeover effects because they will restrict the ability of non-U.S. citizens to own, in the aggregate, more than 22% of the outstanding shares of Holdings common stock. The Maritime Restrictions are not in response to any effort to accumulate shares of A&B common stock or to obtain control of A&B prior to the Merger. The Board of Directors of A&B considers the Maritime Restrictions to be reasonable and in the best interests of A&B and its shareholders because the Maritime Restrictions reduce the risk that the our Company will not be a U.S. citizen under the U.S. maritime and vessel documentation laws applicable to registering vessels in the United States and operating those vessels in Coastwise Trade. In the opinion of the Board of Directors of A&B, the fundamental importance to our shareholders of maintaining eligibility under these laws is a more significant consideration than the indirect "anti-takeover" effect resulting from the Maritime Restrictions.

Certain Provisions of the Hawaii Business Corporation Act and Other Hawaii Statutes

As a Hawaii corporation, Holdings is governed by the HBCA and more broadly the HRS. Under specified circumstances, the following provisions of the HRS may delay, prevent or make more difficult unsolicited acquisitions or changes of control of Holdings. These provisions also may have the effect of preventing changes in the management of Holdings. It is possible that these provisions could make it more difficult to accomplish transactions which shareholders may otherwise deem to be in their best interest.

Control Share Acquisitions. Under Chapter 414E of the HRS, a person or group who proposes to make a "control share acquisition" in an "issuing public corporation" must obtain approval of the acquisition, in the manner specified in Chapter 414E of the HRS, by the affirmative vote of the holders of a majority of the voting power of all shares entitled to vote, exclusive of the shares beneficially owned by the acquiring person, and must consummate the proposed control share acquisition within 180 days after shareholder approval. If a control share acquisition is made without the requisite shareholder approval, unless the acquisition was approved by the Board, the statute provides that the shares acquired may not be voted for a period of one year from the date of acquisition, the shares will be nontransferable on the corporation's books for one year after acquisition and the corporation, during the one-year period, has the right to call the shares for redemption either at the price at which the shares were acquired or at book value per share as of the last day of the fiscal quarter ended prior to the date of the call for redemption.

Edgar Filing: Alexander & Baldwin Holdings, Inc. - Form S-4

Table of Contents

Under Chapter 414E of the HRS, "control share acquisition" means, subject to specified exceptions, the acquisition of shares of an issuing public corporation resulting in beneficial ownership of the acquiring person exceeding any of the following thresholds:

At least ten percent but less than twenty percent;

At least twenty percent but less than thirty percent;

At least thirty percent but less than forty percent;

At least forty percent but less than a majority; or

At least a majority.

An "issuing public corporation" means a corporation incorporated in Hawaii which has (i) 100 or more shareholders and (ii) its principal place of business or its principal office in Hawaii, or that has substantial assets located in Hawaii.

Consideration of Effects on Other Constituents. Section 414-221 of the HBCA also provides that a director, in discharging his or her duties, may consider, in the director's discretion:

the interests of the corporation's employees, customers, suppliers, and creditors;

the economy of the State of Hawaii and the United States;

community and societal considerations, including, without limitation, the impact of any action upon the communities in or near which the corporation has offices or operations; and

the long-term as well as short-term interests of the corporation and its shareholders, including, without limitation, the possibility that these interests may be best served by the continued independence of the corporation.

Corporate Take-Overs. Chapter 417E of the HRS, the Hawaii Corporate Take-Overs Act (the "HCTA"), generally applies to take-over offers made to residents of the State of Hawaii in cases where the offeror would become the beneficial owner of more than 10% of any class of equity securities of a target company, or where an offeror that already owns more than 10% of any class of equity securities of the target company would increase its beneficial ownership by more than 5%. Under the HCTA, no offeror may acquire from any Hawaii resident equity securities of a target company at any time within two years following the last purchase of securities pursuant to a take-over offer with respect to the same class of securities, including but not limited to acquisitions made by purchase, exchange, merger, consolidation, partial or complete liquidation, redemption, reverse stock split, recapitalization, reorganization, or any other similar transaction, unless the holders of the equity securities are afforded, at the time of the acquisition, a reasonable opportunity to dispose of the securities to the offeror upon substantially equivalent terms as those provided in the earlier take-over offer. The HCTA requires that any person making a covered take-over offer file a registration statement with the Hawaii Commissioner of Securities.

A "take-over offer" is an offer to acquire any equity securities of a target company from a Hawaii resident pursuant to a tender offer or request or invitation for tenders.

A "target company" is an issuer of publicly traded equity securities that is organized under the laws of Hawaii or has at least 20% of its equity securities beneficially held by Hawaii residents and has substantial assets in Hawaii.

The HCTA does not apply if the offer has been approved in writing by the board of directors of the target company, if the offeror is the issuer of the securities, if the offeror does not acquire more than 2% of any class of equity securities of the issuer during the preceding 12 month

period, or if the offer involves an exchange of securities that is registered under (or exempt from) the HCTA.

THE ADJOURNMENT PROPOSAL

General

If there are not sufficient votes at the time of the Annual Meeting to approve the holding company merger proposal, A&B's Chairman may propose to adjourn the Annual Meeting to a later date or dates in order to permit the solicitation of additional proxies. Under Hawaii law and the provisions of A&B's Bylaws, no notice of adjournment need be given to you other than the announcement of the adjournment at the Annual Meeting.

In order to permit proxies that have been received by A&B at the time of the Annual Meeting to be voted for an adjournment, if necessary, A&B has submitted the adjournment proposal to you as a separate matter for your consideration.

In the adjournment proposal, A&B is asking you to authorize the holder of any proxy solicited by the Board of Directors to vote in favor of adjourning the Annual Meeting and any later adjournments. If A&B's shareholders approve the adjournment proposal, A&B could adjourn the Annual Meeting, and any adjourned session of the Annual Meeting, to use the additional time to solicit additional proxies in favor of the holding company merger proposal, including the solicitation of proxies from shareholders that have previously voted against the holding company merger proposal. As a result, even if proxies representing a sufficient number of votes against the holding company merger proposal have been received, A&B could adjourn the Annual Meeting without a vote on the holding company merger proposal and seek to convince the holders of those shares of common stock to change their votes to votes in favor of the holding company merger proposal.

The Board of Directors believes that if the number of shares of common stock present or represented at the Annual Meeting and voting in favor of the holding company merger proposal is insufficient to approve the holding company merger proposal, it is in the best interests of the shareholders to enable the Board of Directors, for a limited period of time, to continue to seek to obtain a sufficient number of additional votes to approve the holding company merger proposal.

Required Vote

The affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting, and entitled to vote thereat, is required to approve the adjournment proposal. Abstentions and broker non-votes will be counted for purposes of establishing a quorum. Abstentions will be treated as a vote "AGAINST" the adjournment proposal. Broker non-votes will have no effect on the outcome of the vote on the adjournment proposal.

The Board of Directors recommends that shareholders vote "FOR" the approval of the adjournment proposal.

If the annual meeting is not called for a date which is within 25 days of the anniversary date of the prior annual meeting, a shareholder's notice must be given not later than 10 days after the date on which notice of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever occurs first. To be in proper written form, a shareholder's notice must include information about each nominee and the shareholder making the nomination. The notice also must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

Separate procedures have been established for shareholders to submit director candidates for consideration by the Nominating and Corporate Governance Committee. These procedures are described below under "Certain Information Concerning the Board of Directors Nominating Committee Processes."

Table of Contents

CERTAIN INFORMATION CONCERNING THE BOARD OF DIRECTORS

Director Independence

The Board has reviewed each of its current directors (the nominees named above) and has determined that all such persons, with the exception of Mr. Kuriyama, who is an executive officer of A&B, and Mr. Doane, who is a former executive officer of A&B, are independent under NYSE rules. In making its independence determinations, the Board considered the transactions, relationships or arrangements in "Certain Information Regarding Directors and Executive Officers Certain Relationships and Transactions" below, as well as the following: Dr. Chun a leasing relationship with, and an option to purchase property from, Kamehameha Schools, an entity with which Dr. Chun is employed, and A&B's banking relationships with Bank of Hawaii, an entity of which Dr. Chun is a director; Mr. Dods A&B's banking relationships with First Hawaiian Bank, an entity of which Mr. Dods is a director; and Mr. Watanabe A&B's banking relationships with American Savings Bank, an entity of which Mr. Watanabe is a director and Admiral Fargo is a director of the parent of American Savings Bank, and electricity sales by a division of A&B to a subsidiary of HEI, an entity of which Mr. Watanabe is Non-Executive Chairman of the Board and Admiral Fargo is a director.

Board Leadership Structure

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing Board leadership, and that given the dynamic and competitive environment in which we operate, the right Board leadership structure may vary as circumstances warrant. The Board currently has a separate Chairman of the Board and Chief Executive Officer ("CEO"). In separating these two positions, the Board recognizes that an independent Chairman can be beneficial in establishing a system of corporate checks and balances, and that managing the board can be a time-intensive responsibility. This leadership structure allows the CEO to focus on operating and managing the Company. The Board has determined that its leadership structure is appropriate for A&B at this time.

The Board's Role in Risk Oversight

The Board has oversight of the risk management process, which it administers in part through the Audit Committee. One of the Audit Committee's responsibilities involves discussing policies regarding risk assessment and risk management. Risk oversight plays a role in all major board decisions and the evaluation of risk is a key part of the decision-making process. For example, the identification of risks and the development of sensitivity analyses are key requirements for capital requests that are presented to the Board.

This risk management process occurs throughout all levels of the organization, but is also facilitated through a formal process in which a risk management working group and a risk management steering committee (comprised of senior management) meet regularly to identify and address significant risks. Risk management is reflected in the Company's compliance, auditing and risk management functions, and its risk-based approach to strategic and operating decision-making. Management reviews its risk management activities with the full Board of Directors on a regular basis. In 2011, the Board received various reports on risk-related matters, including presentations by senior management to the Board that covered an overview of the risk management program and the inclusion of risk management perspectives from each of A&B's business segments in the companywide strategic plan. The Board believes that its current leadership structure is conducive to the risk oversight process.

Pay Risk Assessment

The Compensation Committee has a formal review process to regularly consider and discuss the compensation policies, plans and structure for all of the Company's employees, including the Company's executive group, to ascertain whether any of the compensation programs and practices create risks or motivate unreasonably risky behavior that are reasonably likely to have a material adverse effect on the Company. Management worked with the Compensation Committee to review all Company incentive plans and related policies and practices, and the overall structure and positioning of total pay, pay mix, the risk management process and related internal controls.

Management and the Compensation Committee concluded that A&B's employee compensation programs represent an appropriate balance of fixed and variable pay, cash and equity, short-term and long-term compensation, financial and non-financial performance, and enterprise risk oversight. It was noted that various policies are in place to mitigate compensation-related risks, including:

minimum stock ownership guidelines,

vesting periods on equity,

capped incentive payments (for performance-based plans),

use of multiple performance metrics,

use of multiple organizational performance levels,

reasonable payout curves tied to performance goals (e.g., 50% at threshold, 100% at target, 200% maximum payout at extraordinary, with linear interpolation between each goal),

review of goal-setting by the Compensation Committee to ensure that goals are reasonable,

mix of pay that is consistent with competitive practices for organizations similar in size,

insider trading and hedging prohibitions,

a compensation clawback policy, and

oversight by a Compensation Committee composed of independent directors.

The Company concluded that any risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

Board of Directors and Committees of the Board

The Board of Directors held eleven meetings during 2011. In conjunction with six of these meetings, the non-management directors of A&B met in formally-scheduled executive sessions, led by the Chairman of the Board. In 2011, all directors were present at more than 75% of the meetings of the A&B Board of Directors and Committees of the Board on which they serve, and eight directors were present at 100 percent

of such meetings. The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which is governed by a charter, which is available on the corporate governance page of A&B's website at www.alexanderbaldwin.com.

Each member is an independent director under the applicable NYSE listing standards and SEC rules. In addition, the Board has determined that Messrs. Baird, Dods and Pasquale and Ms. Lau are "audit committee financial experts" under SEC rules. The duties and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board of Directors, and are summarized in the Audit Committee Report, which appears in this proxy statement/prospectus. The Audit Committee met a total of five times during 2011.

Compensation Committee: The current members of the Compensation Committee are:

Mr. King, Chairman,

Mr. Baird,

The Compensation Committee may form subcommittees and delegate such authority as the Compensation Committee deems appropriate, subject to any restrictions by law or listing standard. For further information on the processes and procedures for consideration of executive compensation, see "Executive Compensation Compensation Discussion and Analysis" section below. The Compensation Committee met a total of four times during 2011.

Nominating and Corporate Governance Committee: The current members of the Nominating and Corporate Governance Committee (the "Nominating Committee") are:

Mr. Dods, Chairman,

Dr. Chun,

Mr. King,

Mr. Pasquale, and

Mr. Watanabe.

Each member is an independent director under the applicable NYSE listing standards. The functions of the Nominating Committee include recommending to the Board individuals qualified to serve as directors; recommending to the Board the size and composition of committees of the Board and monitoring the functioning of the committees; advising on Board composition and procedures; reviewing corporate governance issues; overseeing the annual evaluation of the Board; and ensuring that an evaluation of management is occurring. The Nominating Committee met a total of four times during 2011.

Nominating Committee Processes

The Nominating Committee identifies potential nominees by asking current directors to notify the Nominating Committee of qualified persons who might be available to serve on the Board. The Nominating Committee also engages firms that specialize in identifying director candidates.

The Nominating Committee will consider director candidates recommended by shareholders. In considering such candidates, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. To have a candidate considered by the Nominating

Table of Contents

Committee, a shareholder must submit a written recommendation that includes the name of the shareholder, evidence of the shareholder's ownership of A&B stock (including the number of shares owned and the length of time of ownership), the name of the candidate, the candidate's qualifications to be a director and the candidate's consent for such consideration.

The shareholder recommendation and information described above must be sent to the Corporate Secretary at 822 Bishop Street, Honolulu, Hawaii, 96813 and must be received not less than 120 days before the anniversary of the date on which A&B's Proxy Statement was released to shareholders in connection with the previous year's annual meeting.

The Nominating Committee believes that the minimum qualifications for serving as a director are high ethical standards, a commitment to shareholders, a genuine interest in A&B and a willingness and ability to devote adequate time to a director's duties. The Nominating Committee also may consider other factors it deems to be in the best interests of A&B and its shareholders, such as business experience, financial expertise and group decision-making skills. While the Nominating Committee does not have a written diversity policy, it considers diversity of knowledge, skills, professional experience, education, expertise, and representation in industries relevant to the Company, as important factors in its evaluation of candidates.

Once a potential candidate has been identified by the Nominating Committee, the Nominating Committee reviews information regarding the person to determine whether the person should be considered further. If appropriate, the Nominating Committee may request information from the candidate, review the person's accomplishments, qualifications and references, and conduct interviews with the candidate. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder.

In November 2011, Admiral Thomas Fargo (Ret.), who was recommended to the Nominating Committee by a non-management director, was appointed to the Board of Directors.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines to assist the Board in the exercise of its responsibilities and to promote the more effective functioning of the Board and its committees. The guidelines provide details on matters such as:

Table of Contents

Under A&B's retirement policy for directors, Ms. Shaw retired from the Board of Directors on April 26, 2011. Admiral Fargo was appointed as a director of A&B on November 30, 2011. In 2011, non-employee directors received a flat annual cash retainer of \$62,200 for board service. For any telephonic or in-person meetings in excess of seven A&B and Matson board meetings, a per meeting fee of \$750 and \$600, respectively, was paid. All Audit Committee members received an annual cash retainer of \$9,000, all Compensation Committee members received an annual cash retainer of \$7,500, and all Nominating and Corporate Governance Committee members received an annual cash retainer of \$6,000. For any telephonic or in-person meetings in excess of six meetings for the Audit Committee, five meetings for the Compensation Committee, and four meetings for the Nominating and Corporate Governance Committee, a fee of \$750 per meeting was paid. Mr. King received an additional annual retainer fee of \$10,000 for serving as Chair of the Compensation Committee and Mr. Pasquale received an additional annual retainer fee of \$14,000 for serving as Chair of the Audit Committee. Mr. Dods received a total cash retainer fee of \$145,800 for serving as non-executive Chairman of the Board. He did not receive any meeting or committee fees. Directors who are employees of A&B or its subsidiaries did not receive compensation for serving as directors. Non-employee directors may defer half or all of their annual cash retainer and meeting fees until retirement or until a later date they may select; no directors have deferred any of these fees.

Under the terms of the 2007 Incentive Compensation Plan (the "2007 Plan"), an automatic grant of approximately \$100,000 in restricted stock units is given to each director who is elected or reelected as a non-employee director of A&B at each Annual Meeting of Shareholders. These awards vest in equal increments over three years. Non-employee directors may defer all or a portion of their vested shares until cessation of board service, the fifth anniversary of the award date, or whichever is earlier. Two directors have elected to make such a deferral in 2011. In 2011, an additional annual grant of \$68,010 in restricted stock units was awarded to Walter A. Dods, Jr., as non-executive Chairman of the Board.

Under A&B's retirement plan for directors, which has been frozen since 2004, a director with five or more years of service will receive a lump-sum payment upon retirement or attainment of age 65, whichever is later, that is actuarially equivalent to a payment stream for the life of the director consisting of 50 percent of the amount of the annual retainer fee in effect at the time of his or her departure from the Board, plus 10 percent of that amount for each year of service as a director over five years (up to an additional 50 percent). Effective December 31, 2004, these retirement benefits were frozen based on a director's service and retainer on that date and no further benefits accrue.

Directors have business travel accident coverage of \$200,000 for themselves and \$50,000 for their spouses while accompanying directors on A&B business. They also may participate in the Company's matching gifts program for employees, in which the Company matches contributions to qualified cultural and educational organizations up to a maximum of \$3,000 annually.

Director Share Ownership Guidelines

The Board has a Share Ownership Guideline Policy that encourages each non-employee director to own A&B common stock (including restricted stock units) with a value of five times the amount of the current cash retainer of \$62,200, within five years of becoming a director. All non-employee directors have met the established guidelines, with the exception of Admiral Fargo, who joined the Board in November 2011.

Communications with Directors

Shareholders and other interested parties may contact any of the directors by mailing correspondence "c/o A&B Law Department" to A&B's headquarters at 822 Bishop Street, Honolulu, Hawaii 96813. The Law Department will forward such correspondence to the appropriate director(s).

Certain Relationships and Transactions

A&B has adopted a written policy under which the Audit Committee must pre-approve all related person transactions that are disclosable under SEC Regulation S-K, Item 404(a). Prior to entering into a transaction with A&B, directors and executive officers (and their family members) must make full disclosure of all facts and circumstances to the Law Department. The Law Department then determines whether such transaction requires the approval of the Audit Committee. The Audit Committee considers all of the relevant facts available, including (if applicable) but not limited to: the benefits to the Company; the impact on a director's independence in the event the person in question is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer; the availability of other sources for comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally. The Audit Committee will approve only those related person transactions that are in, or are not inconsistent with, the best interests of the Company and its shareholders.

The Audit Committee has established written procedures to address situations when approvals need to be sought between meetings. Whenever possible, proposed related person transactions will be included as an agenda item at the next scheduled Audit Committee meeting for review and approval. However, if it appears that a proposed related person transaction will occur prior to the next scheduled Audit Committee meeting, approval will be sought from Audit Committee members between meetings. Approval by a majority of the Audit Committee members will be sufficient to approve the related person transaction. If a related person transaction is approved in this manner, the action will be reported at the next Audit Committee meeting.

Executive Summary

Pay Philosophy. The following is an overview of the Company's pay philosophy:

A&B firmly believes in pay-for-performance and, thus, ties the majority of the NEO's compensation to performance to ensure alignment with the interests of the Company's shareholders. In 2011, 71 percent of the CEO's target total direct compensation was variable and performance-based. For the other NEOs, on average, 63 percent of total direct compensation was variable and performance-based.

All elements of compensation are generally targeted at the 50th percentile of survey data of pay.

All NEOs participate in the same health and welfare benefit plans, on substantially similar terms, as other salaried U.S.-based employees.

Table of Contents

Financial Performance in 2011. In 2011, the Company's overall performance was below the previous year and the 2011 operating plan. Net income decreased from \$92.1 million, or \$2.22 per share, in 2010 to \$34.2 million, or \$0.81 per share, in 2011. Total revenue increased to \$1.7 billion in 2011 compared to \$1.6 billion in 2010. The weak Transpacific freight rate environment and high fuel prices significantly impacted the performance of the Company's China CLX1 service. Additionally, during the year, the Company elected to discontinue its second China-Long Beach service in August, which accounted for significant losses. The Agribusiness operations performed well, driving significant earnings with continued improvement in sugar yields and factory performance, and favorable sugar prices. Leasing performance improved in 2011, driven in part by higher U.S. mainland occupancy. Real Estate sales were lower in 2011, and included losses from joint ventures.

Pay for Performance. The Company's below threshold performance in 2011 was reflected in elements of compensation earned by executives in 2011.

Base Salary: The Compensation Committee approved modest merit increases in 2011 to the NEOs, which was reflective of performance in 2010. Increases were based on individual performance, market data from compensation surveys, and the relationship of existing salary levels to comparable market data. The NEOs' salaries were from below the 25th to the 60th percentiles of competitive market rates.

Target Total Cash: NEO target total cash compensation levels were from below the 25th to the 50th percentiles. The annual incentive amounts earned reflect Company performance at below the threshold level against consolidated pre-tax income and ROIC targets for 2011 for six of the seven NEOs, including the CEO. NEO awards are based on a combination of Company, business unit and individual goal achievements.

Total Direct Compensation: The Committee provided target total direct compensation award opportunity for the NEOs from below the 25th percentile (for the CEO, who requested and was granted a significantly lowered long-term incentive award level versus market) to the 60th percentile. Long-term incentive award opportunity grants for each NEO ranged from below the 25th to the 75th percentiles.

2011 Performance-based Restricted Stock Units: Based upon the Company's below-threshold performance, the minimum level of performance was not met and the NEOs did not earn any performance-based units that were part of the 2011 LTI grants.

Say-on-Frequency and Say-on-Pay Votes in 2011. At the 2011 Annual Meeting of Shareholders, shareholders were presented with an advisory vote with respect to the frequency of the advisory vote on executive compensation. Of the annual, biennial, and triennial alternatives, the Company recommended the annual voting alternative, and a majority of voting shares cast also favored an annual vote. The Board has therefore determined that annual advisory votes will be held in the future.

The shareholders were also presented with an advisory vote on the compensation of the NEOs, as described in the Compensation, Discussion and Analysis, the compensation tables and the narrative disclosure contained in the proxy statement issued with respect to the meeting. Shareholder votes with respect to this resolution were: 32,240,721 for, 507,256 against and 838,267 abstaining. The Compensation Committee took these results into consideration and concluded it should focus on continuous improvements in the executive pay programs, as it has in previous years.

Improvement in Pay Practices. The Compensation Committee evaluates its executive compensation practices and modifies or adopts programs or practices to provide an appropriate balance of risk and

reward, as well as to adhere to good governance practices. The following compensation policies were adopted in 2011 and 2012:

Adopted a clawback policy, effective January 1, 2011, that applies to all senior management.

Adopted a policy prohibiting hedging and other speculative transactions involving Company stock, effective February 16, 2011.

Improved clarity and analysis of the executive pay programs in this Compensation Discussion and Analysis section for the benefit of shareholders.

Promote Good and Avoid Bad Pay Practices. In addition to modifications made to pay practices in 2011 and 2012, the Company continues to monitor its existing pay practices, as highlighted below, to ensure that it adopts the best practices to the extent that they are best aligned to the business goals and strategy of the Company as well as shareholder interests.

Compensation Overview

Compensation Philosophy and Objectives. The Company seeks to align its objectives with shareholder interests through a compensation program that attracts, motivates and retains qualified and effective executives, and rewards performance and results. To achieve this, the Company uses the following pay elements (described further under " Pay Elements" below):

Salary,

Annual cash incentives,

Long-term equity incentives,

Health and welfare benefits,

Retirement benefits, and

Executive Severance Plan ("Severance Plan") and Change in Control Agreements.

Table of Contents

Target Compensation Percentiles. In 2011, to achieve the Company's compensation philosophy, the Compensation Committee set target compensation percentile levels as follows:

Cash compensation (salary and annual incentives at target) at or about the 50th percentile of competitive survey data (described under " The Role of Survey Data").

Total direct compensation (cash compensation and long-term equity incentives) at or about the 50th percentile.

Total compensation (total direct compensation, plus health and welfare benefits, retirement benefits and perquisites) at or about the 50th percentile.

Actual compensation is dependent upon Company, business unit and individual performance.

Combination of Pay Elements. The Company's combination of pay elements is designed to place greater emphasis on performance-based compensation, while at the same time focusing on long-term talent retention and maintaining a balanced program to ensure an appropriate balance between pay and risk. The Compensation Committee believes that this is consistent with one of its key compensation objectives, which is to align management and shareholder interests. For 2011, the total direct compensation mix was generally within the same range as competitive practices for each element of pay. Mr. Kuriyama's mix of pay elements is less leveraged as compared to competitive practices due to his request to be paid more closely to the 25th percentile and receive a target long-term incentive award level of about one-half that of competitive practices. Mr. Kuriyama has expressed on numerous occasions his personal philosophy and desire for a lower ratio between CEO pay and other NEO pay compared to market practices.

Review of Total Compensation. In evaluating the mix of pay elements, the Compensation Committee reviews:

A summary of the value of all compensation elements provided to the executive during the year,

Competitive survey data,

Health and welfare benefits and retirement plan balances,

Prior compensation decisions for the past five years through tally sheets,

Economic environment,

Business unit strategic goals and performance expectations,

Expected and actual Company, business unit, and individual performance, and

Insight from the shareholder Say-on-Pay vote results.

The Compensation Committee uses the above information to evaluate the following:

Alignment of the pay program to the Committee's commitment to pay for performance,

Consistency with competitive survey data,

Reasonableness and balance of pay elements as they relate to pay risk,

Year-to-year pay movement for each NEO to ensure it reflects variations in annual performance,

Internal pay equity based on individual performance, job level and competitive compensation data, and

The effect of potential payments, awards and plan design changes on the executive's total pay package.

Internal Pay Equity. The Compensation Committee considers internal pay equity as a factor in establishing compensation for executives. While the Compensation Committee has not established a specific policy regarding the ratio of total compensation of the CEO to that of the other executive officers, it does review compensation levels to ensure that appropriate equity exists. In 2011, it reviewed the ratio of the CEO's salary, total cash and total direct compensation relative to the average compensation for the other NEOs, as reflected in the table below. These ratios were also compared to survey data to determine whether compensation relationships are consistent with industry practices. The Company's target and actual ratios were within a reasonable range and positively reflect a narrower ratio between the CEO and other NEOs than that of companies of similar size in general industry. The CEO has expressed on numerous occasions his personal philosophy and desire for a lower ratio between CEO pay and other NEO pay compared to market practices.

Pay Elements

The Company provides the following pay elements to its executive officers in varying combinations to accomplish its compensation objectives.

Salary: Salary is intended to provide a competitive fixed rate of pay based upon an executive's responsibilities. Because the Company believes that salary is less impactful than performance-based compensation in achieving the overall objectives of the Company's executive compensation program, at target, under 29% - 44% of an NEO's total compensation is paid as salary. The Company's general philosophy is to provide salaries at the median of salaries paid to officers with comparable job responsibilities in general industry companies of similar size to the Company. Factors that are considered in determining salary include:

- Job responsibilities and experience,
- The executive's performance,
- Competitive survey data,
- Positioning within the executive's salary range,
- Positioning in relation to the Company's pay philosophy,
- Internal pay equity,
- Projected salary increases in the general industry,
- The value of the executive's total pay package at target for the year,
- Proper balance of pay elements to discourage inappropriate risk behaviors,
- Economic conditions, and
- Company performance.

Generally, the Board of Directors determines the CEO's annual salary change on the basis of the factors listed above. The Board has a formal performance review process for the CEO that includes four key categories: operating plan, growth initiatives, strategic initiatives, and core CEO responsibilities. None of the categories is formally weighted, and there is no overall rating score. Each Board member provides written observations and rates the CEO's performance against the criteria. The Board of Directors discusses the results of the assessment with the CEO, including the areas of greatest strength and areas where improvements could be made. The result of this process is considered in determining the CEO's actual salary. However, the Compensation Committee has also taken into account the CEO's desire to keep the ratio between CEO and other NEO pay lower than market practices when recommending adjustments to the Board.

The CEO recommends annual salary changes for the other NEOs. Salary adjustments for NEOs are generally considered by the Compensation Committee in February of each year for implementation on April 1st. Base salary increases for NEOs in 2011 reflected merit increases based on performance and the factors listed above.
