As of December 18, 2017, Chembio Diagnostics, Inc. (the "Company") entered into an employment agreement (the "Employment Agreement") with Neil A. Goldman to serve as Executive Vice President and Chief Financial Officer of the Company. This Employment Agreement is described in Item 5.02(c) below, which description is incorporated by reference into this Item 1.01.

Item Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;
5.02. Compensatory Arrangements of Certain Officers.

(c) As of December 18, 2017 (the "Effective Date"), the Company entered into an Employment Agreement with Neil A. Goldman to serve as the Company's Executive Vice President and Chief Financial Officer. Under the Employment Agreement, the Company will pay Mr. Goldman an annual base salary of \$300,000, with the possibility of a discretionary, performance-based annual cash bonus of up to 40% of his base salary.

In the event Mr. Goldman's employment is terminated by reason of disability or for "cause," as defined in the Employment Agreement, or due to Mr. Goldman's resignation or voluntary termination, all compensation, including his base salary, his right to receive a performance bonus, and benefits, and the vesting of any unvested options, will cease as of his termination date, and Mr. Goldman will receive no severance benefits.

If the Company terminates Mr. Goldman's employment without cause or Mr. Goldman terminates his employment for a reasonable basis, as defined in the Employment Agreement (which includes involuntary termination within a six-month period upon a "Change of Control"), then the Company will pay Mr. Goldman his base salary for a period of twelve months and the Company's monthly share of health insurance premiums as severance.

The Employment Agreement also contains provisions prohibiting Mr. Goldman from (i) soliciting the Company's employees for a period of twenty-four months following his termination, (ii) soliciting the Company's customers, agents, or other sources of distribution of the Company's business for a period of twelve months following his termination, and (iii) except where termination is involuntary upon a "Change in Control", for a period of twelve months following termination of the Employment Agreement (or for a period of six months after termination if Mr. Goldman is not entitled to severance under the Employment Agreement), engaging or participating in any business that directly competes with the business activities of the Company in any market in which the Company is in business or plans to do business.

The Employment Agreement, which is for a term of one year, also provides that as of December 18, 2017, the Company's Board Of Directors grant Mr. Goldman stock options, pursuant to the Company's 2014 Stock Incentive Plan (the "Plan"), to purchase 125,000 shares of the Company's common stock, with the exercise price equal to the volume weighted average traded price of the Company's common stock on Nasdaq on December 18, 2017, and with options to purchase (i) 41,666 shares to be exercisable on December 18, 2018, (ii) 41,667 shares to be exercisable on December 18, 2019, and (iii) 41,667 shares to be exercisable on December 18, 2020. That portion of the stock options granted to Mr. Goldman that become exercisable in any given year with an aggregate exercise price of up to, but not more than, \$100,000 shall be incentive stock options under the Plan, and within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and any other stock options that become exercisable in that year shall be non-qualified stock options under the Plan. If not exercised sooner, the stock options expire on December 18, 2024.

The foregoing description of the Employment Agreement is qualified in its entirety by the full text of the Employment Agreement.
