Form FWP

April 30, 2007

Zions Bancorporation has filed a registration statement (including a prospectus) with the SEC (File no. 333-132868) for the offering to which this free writing prospectus relates. Before you invest, you should read the prospectus in that registration statement and other documents the issuer has filed with the SEC for more complete information about the issuer and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at www.sec.gov. Alternatively, Zions Bancorporation, any underwriter or any dealer participating in the offering will arrange to send you the prospectus if you request it by calling toll-free 1 (800) 524-8875. You may also get a copy at www.esoars.com.

The option exercise data set forth below relates to the exercises of options by the top 120 grantees in each year (measured by size of the grant) for our large option grants from 1998 to 2004. The data is intended to supplement the select historical summary information provided in our preliminary prospectus supplement filed with the SEC on April 24, 2007, related to our registration statement filed with the SEC on March 31, 2006 (File no. 333-132868). The select historical summary information is under the heading "HISTORICAL STOCK OPTION EXERCISE DATA" starting on page S-22 of the preliminary prospectus supplement.

This data is presented for each of the large option grants that we have made annually to select employees from 1998 to 2004. Unlike the separately filed data presented in our free writing prospectus dated April 27, 2006 that includes exercise information for all grantees, this data only includes exercises by the top 120 grantees in each year, as measured by the size of the grant. From time to time throughout each year, we have also made additional, smaller option grants, largely to newly-hired employees. We do not reflect these additional, smaller option grants in the data presented below. We also do not reflect option grants made to our directors and option grants made pursuant to the "You're the Owner" program, which has been discontinued. In 2000, we made two sizeable option grants, the exercise data for each of which we have provided below and selectively summarized in the preliminary prospective supplement. For option grants that have not yet expired, only option exercises that occurred on or before March 31, 2007 are shown.

The following data items are presented for each exercise of the relevant employee stock option grants. Please note that all prices have been adjusted for stock splits and dividends.

Grant Date - The date on which Zions Bancorporation's board of directors authorized the granting of the applicable options to employees.

Exercise Date - The date on which the options were exercised.

Number Exercised - The number of options exercised.

Grant Price - The grant price of the options exercised. This price is sometimes referred

to as the “strike price” or “exercise price” of the options.

Market Value at Exercise - The market price of Zions Bancorporation’s common stock at the time the options were exercised.
