## Edgar Filing: EVEREST RE GROUP LTD - Form 8-K

### Item 2.02 DISCLOSURE OF RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On October 18, 2004, the registrant issued a news release announcing its third quarter 2004 results. A copy of that news release is furnished herewith as Exhibit 99.1 and is incorporated herein by reference.

The news release furnished herewith contains information regarding the registrant's operating income. Operating income differs from net income, the most directly comparable generally accepted accounting principle financial measure, only by the exclusion of realized capital gains and losses on investments. Management believes that presentation of operating income provides useful information to investors because it more accurately measures and predicts the registrant's results of operations by removing the variability arising from the management of the registrant's investment portfolio. In addition, management, analysts and investors use operating income to evaluate the financial performance of the registrant and the insurance industry in general.

In accordance with general instruction B.2 of Form 8-K, the information in this report, including exhibits, is furnished pursuant to Item 2.02 and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liability of that section.
