ASX Announcement	500 Bourke Street Melbourne Victoria 3000 Australia
Melbourne, Tuesday 27 <sup>th</sup> January 2004	
Update on unauthorised foreign currency options trading	
Following a detailed assessment, the National Australia Bank has announced a total pre-tax loss of A\$360 mil foreign currency options trading.	llion arising from unauthorised
The total pre-tax loss includes A\$185 million announced last week and an additional A\$175 million from revalual result in a post-tax loss of A\$252 million.	aluation of the trading book. This
The Chief Executive of the National, Mr Frank Cicutto, said a detailed internal revaluation, and a review of the external auditor, had confirmed the losses arising from the unauthorised foreign currency options trading.	nat revaluation by the National s
We have worked as quickly as possible to identify all of the losses arising from the foreign currency options ensure that our ongoing position will be managed in a prudent and conservative manner.	trading accurately, he said. We will
The foreign currency traders exploited weaknesses in our internal procedures. We have identified those weak conducting a comprehensive investigation into the matter and we will take whatever other action is necessary.	
Mr Cicutto also said the National expects to pay a full year dividend in line with market expectations and that in the first half.	the dividend will be fully franked

The Chairman of the National, Mr Charles Allen, said the Board of Directors are closely monitoring the investigations into the unauthorised foreign currency options trading and will ensure a comprehensive and transparent assessment.

We will provide the fullest possible account of the outcomes of the internal investigations when they are completed towards the end of February and ensure full responsibility is identified for the unauthorised foreign currency options trading, he said.
