

UNITED SECURITY BANCSHARES

Form 424B3

January 18, 2007

Filed Pursuant to Rule 424(b)(3)

Registration No. 333-139139

To the Shareholders of Legacy Bank, N.A.

APPROVAL OF A MERGER PROPOSAL

YOUR VOTE IS VERY IMPORTANT

The Board of Directors of Legacy Bank, N.A. has approved a merger combining Legacy Bank with United Security Bank, which will continue as the subsidiary of United Security Bancshares. This document serves as both the proxy statement of Legacy Bank and the prospectus of United Security.

In the transaction, shareholders of Legacy Bank will receive shares of stock in United Security for each share of Legacy Bank common stock that they own. It is most likely that the shareholders of Legacy Bank will receive at least \$12.8471 worth of United Security common stock for each share of Legacy Bank common stock.

We expect the transaction will be tax-free to Legacy Bank's shareholders that do not choose to exercise dissenter's rights, except that cash paid in lieu of fractional shares will be taxable. Upon completion of the merger, we expect that the shareholders of Legacy Bank will own approximately 9.5% of the outstanding common stock of United Security.

We will hold a special meeting at which we will ask our shareholders to approve the merger. Information about this meeting and the merger is contained in this proxy statement-prospectus. **In particular, see Risk Factors beginning on page 10.** We urge you to read this document carefully and in its entirety.

Whether or not you plan to attend the meeting, please vote as soon as possible to make sure that your shares are represented at the meeting. If you do not vote, it will have the same effect as voting against the merger.

Our board of directors unanimously recommends that our shareholders vote FOR the merger.

Legacy Bank, N.A.

Notice of Special Meeting of Shareholders

February 14, 2007

To: The Shareholders of
Legacy Bank, N.A.

Notice is hereby given that, under the terms of its Bylaws and the call of its Board of Directors, the special meeting of shareholders of Legacy Bank will be held at Legacy Bank's head office, located at 125 East Campbell Avenue, Campbell, California, on Wednesday, February 14, 2007, at 8:00 a.m., for the purpose of considering and voting upon the following matters:

1. **Approval of the Merger Agreement.** To approve the merger agreement dated October 6, 2006, as amended on December 1, 2006, attached as Appendix A to the proxy statement-prospectus and the merger of Legacy Bank with United Security Bank.
2. **Transaction of Other Business.** To transact other business that may properly be presented at the special meeting and any adjournment or adjournments of the special meeting.

The merger agreement sets forth the terms of the acquisition of Legacy Bank by United Security. As a result of the acquisition, all shareholders of Legacy Bank will receive newly issued shares of United Security common stock for their shares of Legacy Bank common stock. The transaction is also more fully described in the enclosed proxy statement-prospectus and in Appendix A. Based on United Security's recent trading prices, it is anticipated that the shareholders of Legacy Bank will receive at least \$12.8471 worth of United Security common stock for each share of Legacy Bank common stock. The closing price per share of Legacy Bank common stock as of October 6, 2006 was \$10.00.

The Board of Directors has fixed the close of business on December 22, 2006, as the record date for determination of shareholders entitled to notice of, and the right to vote at, the special meeting of shareholders.

Since the affirmative vote of shareholders holding not less two-thirds of the outstanding shares of Legacy Bank common stock is required to approve the merger agreement, as amended and the merger of Legacy Bank with United Security Bank, it is essential that all shareholders vote. You are urged to vote in favor of the proposal by signing and returning the enclosed proxy as promptly as possible, whether or not you plan to attend the special meeting of shareholders in person. If you do attend the meeting you may then withdraw your proxy. The proxy may be revoked at any time prior to its exercise.

Shareholders who wish to exercise dissenters' rights to receive from United Security the value of the Legacy Bank shares as of the date of the meeting based upon a valuation by a committee of three persons must vote against the merger or give written notice to Legacy Bank prior to the meeting that they dissent from the merger and must also fully comply with all applicable provisions of Section 214a of Title 12 of the United States Code, including making a written demand for dissenters' rights and surrendering their certificates to United Security Bank for endorsement within 30 days of completion of the merger. If the dissenting shareholder believes that the appraisal is unsatisfactory, the dissenting shareholder may appeal to the Office of the Comptroller of the Currency, or the OCC, whose determination of value shall be final and binding. The OCC does not permit the appraisal value of the dissenting shares to include appreciation or depreciation as a result of the merger. Please read the section entitled "The Merger - Dissenters' Rights of Legacy Bank Shareholders" and Appendix B for additional information on dissenters' rights.

By Order of the Board of Directors

Questions and Answers About the Merger

This question and answer summary highlights selected information contained in other sections of this proxy statement-prospectus. To understand the merger more fully, you should carefully read this entire proxy statement-prospectus, including all appendices and financial statements.

Q: What am I being asked to vote on?

A: You are being asked to vote on an agreement which, if approved, will result in Legacy Bank being merged with United Security Bank, a subsidiary of United Security.

Q: What will happen if Legacy Bank shareholders approve the merger?

A: If Legacy Bank shareholders approve the merger, Legacy Bank will merge with United Security Bank, a bank subsidiary of United Security, and Legacy Bank will cease to operate. We expect this to take place on or about February 16, 2007. In the merger, each outstanding share of Legacy Bank common stock will be converted into that number of shares of United Security common stock determined pursuant to the terms of the merger agreement.

Q: If the merger is approved what is the merger consideration to Legacy Bank shareholders?

A: If you do not exercise dissenters' rights, you will receive newly issued shares of United Security common stock in exchange for your shares of Legacy Bank common stock. The actual number of shares of United Security common stock to be issued is based upon a formula in the merger agreement that considers the average closing price of United Security common stock over a 20 business day period prior to the completion of the merger, the options and warrants of Legacy Bank exercised prior to the completion of the merger, and the costs associated with the termination of certain Legacy Bank data processing agreements. The number of shares of United Security common stock you will likely receive for a share of Legacy Bank common stock is estimated to range between .5139 shares to .6424 shares of United Security common stock. Please read the sections entitled "Risk Factors - Risks Regarding the Merger" and "The Merger - Calculation of Consideration to be Paid to Legacy Bank Shareholders," and the merger agreement included as Appendix A for additional information.

Q: Do Legacy Bank shareholders have dissenters' rights in the merger?

A: Yes. Holders of Legacy Bank common stock who vote against the merger, or who give written notice to Legacy Bank prior to the meeting that they dissent from the merger, and who have fully complied with all applicable provisions of Section 214a of Title 12 of the United States Code, including making a written demand for dissenters' rights and surrendering their certificates to United Security Bank for endorsement within 30 days of completion of the merger, have the right to receive from United Security the value of the Legacy Bank shares as of the date of the meeting based upon a valuation by a committee of three persons. If the dissenting shareholder believes that the appraisal is unsatisfactory, the dissenting shareholder may appeal to the Office of the Comptroller of the Currency, or the OCC, whose determination of value shall be final and binding. The OCC does not permit the appraisal value of the dissenting shares to include appreciation or depreciation as a result of

the merger. Please read the section entitled "The Merger - Dissenters' Rights of Legacy Bank Shareholders" and Appendix B for additional information.

Q: Why is Legacy Bank merging with United Security Bank?

A: United Security's and Legacy Bank's respective managements believe that their respective shareholders will benefit from the merger because the business potential for the combined companies exceeds what each company could individually accomplish. United Security and Legacy Bank believe that their similar and complementary financial products and services in their respective markets will contribute to enhanced future performance, as well as providing a larger shareholder base. United Security and Legacy Bank believe a larger shareholder base will increase shareholder liquidity and provide for increased shareholder value. Please read the section entitled "The Merger - Background and Reasons for the Merger; Recommendation of the Board of Directors" for additional information.

Q: Should I send in my certificates now?

A: No. You should not send your Legacy Bank stock certificates in the envelope provided for use in returning your proxy. You will be sent written instructions for exchanging your stock certificates only if the merger is approved and completed.

Q: What happens if I do not return my proxy card?

A: If you fail to execute and return your proxy card, it will have the same effect as voting against the merger.

Q: What risks should I consider before I vote on the merger?

A: The risks that you should consider in deciding how to vote on the merger are explained in the section of this proxy statement-prospectus entitled "Risk Factors." You are urged to read this section, as well as the rest of this proxy statement-prospectus, before deciding how to vote.

Q: How do I vote?

A: Just indicate on your proxy card how you want to vote. Sign and mail your proxy card in the enclosed envelope as soon as possible so that your shares will be represented at the Legacy Bank special shareholders meeting. Alternatively, you may attend the meeting and vote in person.

If you sign and send in your proxy card and do not indicate how you want to vote, your proxy will be voted in favor of the merger. If you do not sign and send in your proxy card or you abstain from voting, it will have the effect of voting against the merger.

You may attend the meeting and vote your shares in person, rather than voting by proxy. In addition, you may withdraw your proxy up to and including the day of the Legacy Bank special shareholders' meeting by following the directions on pages 22-23 and either change your vote or attend the meeting and vote in person.

Q: If my shares are held in my broker's name, will my broker vote them for me?

A: No. Your broker can only vote your shares of Legacy Bank common stock if you provide instructions on how to vote them. You should, therefore, instruct your broker on how to vote your shares by following the directions your broker provides when forwarding these proxy materials to you. If you do not provide voting instructions to your broker, your broker will not be able to vote your shares. This will have the effect of voting against the merger.

Q: How do Legacy Bank's directors plan to vote?

A: All of Legacy Bank's directors have committed to vote their shares in favor of the merger. Legacy Bank's directors collectively hold, as of the record date for the special shareholders' meeting, 559,371 shares, or approximately 33.4%, of Legacy Bank common stock eligible to vote. The affirmative vote of 66²/₃% of Legacy Bank's issued and outstanding shares of common stock eligible to vote is needed to approve the merger.

Q: Who can help answer my other questions?

A: If you want to ask any additional questions about the merger, you should contact Mr. Thomas E. Ray, President and Chief Executive Officer, Legacy Bank, N.A., 125 E. Campbell Avenue, Campbell, California 95008, telephone (408) 641-1000.

Special Shareholders Meeting (Page 22)

Legacy Bank will hold its special shareholders meeting at Legacy Bank's head office, located at 125 East Campbell Avenue, Campbell, California 95008 on Wednesday, February 14, 2007 at 8:00 a.m. At this important meeting, Legacy Bank shareholders will consider and vote upon the approval of the merger and any other matter that is properly presented at the special shareholders meeting. You may vote at the Legacy Bank special shareholders meeting if you owned shares at the close of business on December 22, 2006. On that date, Legacy Bank had 1,674,373 shares of common stock issued and outstanding and entitled to be voted.

Each Legacy Bank shareholder is entitled to one vote for each share he or she held on December 22, 2006. The affirmative vote by holders of at least two-thirds of Legacy Bank's outstanding shares is required to approve the merger. United Security's shareholders are not required to approve the merger. Please read the section entitled "The Legacy Bank Meeting" for additional information.

The Merger (Page 24)

The merger will result in Legacy Bank being merged out of existence and into United Security Bank. The merger will not occur without Legacy Bank's shareholders approval. There are also other customary conditions which must be met in order for the merger to be completed. Please read the sections entitled "The Merger - Structure of the Merger" and "Certain Effects of the Merger" for additional information.

The Merger Agreement (Page 44)

The merger agreement is the legal document that contains the merger's terms and governs United Security's and Legacy Bank's merger process, including the issuance of United Security common stock to Legacy Bank's shareholders in the merger. Please read the entire merger agreement which is attached to this proxy statement-prospectus as Appendix A. Also, please read the section entitled "The Merger - The Merger Agreement" for additional information.

Consideration to be Paid to Legacy Bank Shareholders (Page 29)

You will have the right to receive newly issued shares of United Security common stock in exchange for your shares of Legacy Bank common stock. The number of shares of United Security common stock to be issued is based upon an exchange ratio contained in the merger agreement.

The merger agreement provides that the number of shares of United Security common stock into which a share of Legacy Bank common stock shall be converted shall be determined in accordance with a formula. The formula for the calculation of the number of shares of United Security received for each Legacy Bank share is as follows:

First, we determine the amount of the per share merger consideration to be paid to the Legacy Bank shareholders. The merger consideration for each share of Legacy Bank common stock is the amount equal to the quotient of (A) the sum of (i) the product of \$13.00 multiplied by 1,672,373 plus (ii) the aggregate dollar amount of capital added to Legacy Bank's shareholders' equity account upon the exercise of the Legacy Bank stock options or Legacy Bank warrants, as applicable, minus (iii) the costs associated with the cancellation of Legacy Bank's data processing/technology agreements, divided by (B) the sum of (i) 1,672,373 plus (ii) the number of additional shares of Legacy Bank common stock issued upon exercise of any Legacy Bank stock option and/or Legacy Bank warrant, as applicable.

To determine the number of shares of United Security common stock, to be paid to for each share of Legacy Bank common stock, we then divide the per share merger consideration by the average closing price of a share of United Security common stock during the 20 business days ending on the fifth business day immediately prior to the closing of the merger, provided, however, that the average closing price for purposes of the calculation shall not be more than \$25.00.

In the event the average closing price is less than \$20.00, the merger agreement will terminate unless the parties renegotiated the merger terms.

As of November 17, 2006, one holder of a Legacy Bank stock option has exercised his option and has acquired 2,000 shares of newly issued Legacy Bank common stock.

Assuming

- no other holders of Legacy Bank stock options or Legacy Bank warrants exercise either their options or warrants
- the costs associated with canceling Legacy Bank's data processing/technology agreements are approximately \$250,000, and
- the average closing price for United Security common stock is \$24.4696,

then, the shareholders of Legacy Bank will receive approximately .5250 shares of United Security common stock for each share of Legacy Bank common stock held. The closing per share price of United Security common stock as of January 12, 2007 was \$25.00. Please read the sections entitled Risk Factors - Risks Regarding the Merger and The Merger - Calculation of Consideration to be Paid to Legacy Bank Shareholders for additional information.

Regulatory Approvals (Page 33)

United Security has filed applications with the Federal Reserve Board, or FRB, and the California Department of Financial Institutions, or the DFI for the merger. United Security has no reason to believe that the applications will not be approved. Please read the section entitled The Merger - Regulatory Approvals for additional information.

Votes Required; Securities Held by Insiders (Page 22)

Approval of the merger requires the affirmative vote of two-thirds of the outstanding shares, or 1,114,916 shares, of Legacy Bank's 1,674,373 issued and outstanding shares of common stock. Your failure to vote in person or by proxy, or your abstention from voting entirely, will have the same effect as voting against the merger. Please read the section entitled "The Legacy Bank Meeting."

Directors and executive officers owned approximately 572,371 shares, or 34.2%, of Legacy Bank's outstanding shares of common stock. Legacy Bank's directors have entered into separate agreements in which they have agreed, among other things, to vote "FOR" approval of the merger agreement. Please read the section entitled "The Merger - The Merger Agreement - Director Voting Agreements" for additional information.

Opinion of Legacy Bank's Financial Advisor (Page 37)

In deciding to approve the merger, Legacy Bank's Board of Directors considered, among other things, the opinion dated October 6, 2006 of Howe Barnes Hoefler & Arnett, Inc., Legacy Bank's financial advisor, regarding the fairness, from a financial point of view, of the consideration to be received by Legacy Bank's shareholders as a result of the merger. The financial advisor determined that the merger agreement is fair to Legacy Bank's shareholders from a financial standpoint. The advisor's written opinion is attached as Appendix C. You should read it carefully to understand the assumptions made, matters considered and limitations of the review undertaken by the advisor in providing its opinion. Please read the section entitled "The Merger - Opinion of Financial Advisor" for additional information.

Recommendation of Legacy Bank's Board of Directors (Page 28)

On October 6, 2006, Legacy Bank's Board of Directors unanimously approved the merger agreement and the merger of Legacy Bank with United Security Bank. Moreover, they unanimously believe that the merger's terms are fair to you and in your best interests. Accordingly, they unanimously recommend a vote "FOR" the proposal to approve the merger agreement and the merger. The conclusions of Legacy Bank's Board of Directors regarding the merger are based upon a number of factors. Please read the sections entitled "The Merger - Background and Reasons for the Merger; Recommendation of the Board of Directors" and "Opinion of Financial Advisor" for additional information.

Exchange of Share Certificates (Page 45)

After completing the merger, holders of Legacy Bank stock certificates will need to exchange those certificates for new certificates of United Security common stock. Shortly after completing the merger, Wells Fargo Shareowner Services, United Security's exchange agent, will send Legacy Bank's shareholders detailed instructions on how to exchange their shares. Please do not send any stock certificates until you receive these instructions. Please read the section entitled "The Merger - The Merger Agreement - Exchange Procedures" for additional information.

Conditions to Closing the Merger (Page 48)

In addition to shareholder approval, United Security's and Legacy Bank's obligations to close the merger depend on other conditions being met prior to the completion of the merger. Please read the section entitled "The Merger - The Merger Agreement - Conditions to the Parties' Obligations" for additional information.

Closing the Merger (Page 45)

If shareholder approval is received as planned, and if the conditions to the merger have either been met or waived, United Security and Legacy Bank anticipate that the merger will close on or about February 16, 2007. However, neither United Security nor Legacy Bank can assure you whether or when the merger will actually close. Please read the section entitled "The Merger - The Merger Agreement - The Closing" for additional information.

Termination of the Merger (Pages 48 and 50)

United Security and Legacy Bank can mutually agree to terminate or extend the merger agreement. Either United Security or Legacy Bank can terminate the merger agreement in the event of a material breach or the occurrence of certain other events, including receipt of an offer from a third party.

United Security and Legacy Bank have agreed that in the event the merger agreement is terminated because of a material breach, the non-breaching party will be entitled to receive up to \$200,000 from the breaching party. Additionally, a fee of \$300,000 must be paid by Legacy Bank if it completes an alternative merger or similar proposal within twelve months following a termination of the merger agreement by either Legacy Bank or United Security because of certain events specified in the merger agreement. Please read the section entitled "The Merger - The Merger Agreement - Termination and - Discussions with Third Parties" for additional information.

Federal Income Tax Consequences (Page 31)

The merger is intended to qualify as a reorganization for United States federal income tax purposes under Section 368(a) of the Internal Revenue Code, and the merger is conditioned on the receipt of a legal opinion that the merger will so qualify. If the merger qualifies as a reorganization, Legacy Bank shareholders, will not recognize any gain or loss upon the receipt of United Security common stock in exchange for Legacy Bank common stock in connection with the merger, except with respect to cash received in lieu of a fractional United Security common stock or in connection with dissenters' rights. For a more complete discussion of the federal income tax consequences of the merger, you should carefully read the discussion in the section entitled "Material United States Federal Income Tax Consequences" beginning on page 31 of this proxy statement/prospectus. Further, you are encouraged to consult your tax advisor because tax matters can be complicated, and the tax consequences of the merger to you will depend upon your own situation. You should also consult your tax advisor concerning all state, local and foreign tax consequences of the merger.

Accounting Treatment (Page 44)

United Security must account for the merger as a purchase. Under this method of accounting, the assets and liabilities of the company acquired are recorded at their respective fair value as of

completion of the merger, and are added to those of the acquiring company. Financial statements of the acquiring company issued after the merger takes place reflect these values, but are not restated retroactively to reflect the historical financial position or results of operations of the company that was acquired. Please read the section entitled *The Merger - Accounting Treatment* for additional information.

United Security's Management and Operations After the Merger (Page 35)

At the time of the merger, one current director of Legacy Bank shall be appointed as a director of both United Security and United Security Bank. The Legacy Bank director will be selected by the then existing board of directors of United Security from a list of three candidates determined by Legacy Bank. All other directors of United Security shall remain as members of the board of directors of United Security, and all other directors of United Security Bank shall remain as members of the board of directors of United Security Bank. In addition, the current executive officers of United Security and United Security Bank will remain the executive officers of those corporations. Please read the section entitled *The Merger - Certain Effects of the Merger* and *Financial Interests in the Merger of Directors and Executive Officers of Legacy* for additional information.

Financial Interests in the Merger of Directors and Officers of Legacy (Page 35)

The directors and executive officers of Legacy Bank have financial interests in the merger over and above those of Legacy Bank shareholders. As previously discussed, as condition to the merger, one of the Legacy Bank directors will be appointed as a director of United Security and United Security Bank. In addition, United Security has agreed to offer each director of Legacy Bank who is not selected to serve as a member of United Security's and United Security Bank's boards of directors, the title of Director Emeritus which includes a monthly stipend of \$400 as long as the director continues to hold at least 50% of the shares of United Security common stock issued to the director at the completion of the merger, and takes no actions construed as detrimental to United Security Bank. Under the merger agreement, the Legacy director will be selected by the Board of Directors of United Security from a list of three candidates determined by Legacy Bank. Legacy Bank has not made a determination of the three candidates. Finally, the directors and officers of Legacy Bank will also receive continuing insurance protections under the existing directors' and officers' liability insurance policy of Legacy Bank. You should consider these interests in deciding how to vote. Please read the section entitled *The Merger - Financial Interests in the Merger of Directors and Executive Officers of Legacy* for additional information.

Differences in Your Rights as a Shareholder (Page 75)

As a Legacy Bank shareholder, your rights are currently governed by Legacy Bank's Articles of Association and Bylaws and by the national banking laws. If you do not exercise your dissenters' rights, you will receive United Security common stock in exchange for your Legacy Bank common stock, and you will become a United Security shareholder. Consequently, your rights as a United Security shareholder will be governed by United Security's Articles of Incorporation and Bylaws and by the California Corporations Code, rather than national banking laws. Therefore, the rights of United Security shareholders differ from the rights of Legacy Bank shareholders in certain respects. Please read the section entitled *Comparison of Shareholder Rights* for additional information.

Dissenters' Rights (Page 36)

In order to perfect dissenters' rights and to receive cash instead of shares of United Security common stock in the merger, a shareholder of Legacy Bank common stock must do the following:

- vote against the merger, or give written notice to Legacy Bank prior to the meeting that he or she dissents from the merger; and
- within 30 days of the completion of the merger, make a written demand for dissenters' rights and surrender his or her certificate to United Security Bank at 2121 Inyo Street, Fresno, California 93721, Attention: Ken Donahue, for endorsement of dissenting shares.

Following receipt of the certificate by United Security Bank, the dissenting shareholder of Legacy Bank shall have the right to receive from United Security, the value of the Legacy Bank shares as of the date of the shareholders' meeting based upon a valuation by a committee of three persons, one to be selected by majority of the dissenting shareholders entitled to receive the value of their shares, one by the directors of United Security Bank, and the third by the two so chosen.

If the dissenting shareholder believes that the appraisal is unsatisfactory, the dissenting shareholder may appeal to the Office of the Comptroller of the Currency, or the OCC, whose determination of value shall be final and binding. The OCC does not permit the appraisal value of the dissenting shares to include appreciation or depreciation as a result of the merger. Please read the section entitled "The Merger - Dissenters' Rights of Legacy Bank's Shareholders" and Appendix B for additional information.

Dividends

United Security has paid quarterly cash dividends since its first full year of operation. Resale of United Security Common Stock by Former Legacy Bank Shareholders (Page 35)

United Security common stock that you receive in the merger will be freely transferable, unless you are considered an affiliate of Legacy Bank. Please refer to the section entitled "The Merger - Resale of United Security Common Stock" for additional information.

Risk Factors

In addition to the other information included in this proxy statement-prospectus or incorporated by reference, you are urged to carefully consider the following factors which contain all known material risks, before making a decision to approve the merger.

Risks Regarding the Merger

Combining United Security and Legacy Bank May Be More Difficult Than Expected

If United Security and Legacy Bank are unable to successfully integrate their businesses, operating results may suffer. Both United Security and Legacy Bank have operated and, until completion of the merger, will continue to operate independently of one another. It is possible that the integration process could result in the loss of key employees, disruption of United Security's and Legacy Bank's ongoing business or inconsistencies in standards, controls, policies or procedures. These could negatively affect both United Security's and Legacy Bank's ability to maintain relationships with customers and employees, or achieve the anticipated benefits of the merger within the time period expected, if at all. In addition, if United Security is unable to successfully manage its expansion in the Silicon Valley, operating results may also suffer. As with any merger of financial institutions, there may also be disruptions that cause customers, both deposit and loan, to take their business to competitors. Further, Legacy Bank has recently experienced a high turnover in senior management positions including its president, chief financial officer and chief credit officer which may have affected Legacy Bank's implementing consistent policies and procedures. Although United Security believes that it has strong management, policies and procedures, and experience through other bank acquisitions to integrate Legacy Bank's operations, no guarantees exist that Legacy Bank's integration within United Security's operations will be successful.

You Will Not Know in Advance the Value of the Merger Consideration You Will be Entitled to Receive

The merger agreement provides that the number of shares of United Security common stock into which a share of Legacy Bank common stock shall be converted will be determined by a formula which has variables that will not be known until shortly before the merger is completed. Please read the section entitled "Summary - Consideration to be Paid to Legacy Bank Shareholders."

Because of these variables affecting the exchange ratio and per share value of your shares of Legacy Bank common stock, you will not know in advance either the number of shares of United Security common stock or the value of the shares of United Security common stock that you will receive until the merger is completed. Under the terms of the merger agreement, for purposes of the calculation of the exchange ratio, the average closing price per share of United Security common stock shall not exceed \$25.00. In addition, in the event that the average closing price per share of United Security common stock is less than \$20.00, the merger may be terminated. Please read the sections entitled "The Merger - Calculation of Consideration to be Paid to Legacy Bank Shareholders."

If The Merger Does Not Qualify As A Tax-Free Reorganization For U.S. Federal Income Tax Purposes, You Will Recognize Gain Or Loss On The Exchange Of Your Shares Of Legacy Bank Common Stock.

Although the U.S. Internal Revenue Service, referred to in this proxy statement/prospectus as the IRS, has not provided a ruling on the merger, United Security and Legacy Bank will obtain a legal opinion from counsel that, subject to the assumptions and qualifications included in such opinion, the merger will qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code. This opinion, however, neither binds the IRS nor prevents the IRS from adopting a contrary position. If the merger fails to qualify as a tax-free reorganization, you would generally

recognize gain or loss on each share of Legacy Bank common stock surrendered in the merger in the amount of the difference between your basis in such share and the fair market value of the United Security common stock you receive in exchange for each share of Legacy Bank common stock.

Risks Regarding United Security Common Stock

United Security Can Issue Common Stock Without Your Approval, Diluting Your Proportional Ownership Interest

United Security's articles of incorporation authorize it to issue 20,000,000 shares of common stock. Currently, United Security has 11,300,156 shares of common stock issued and outstanding, with up to an additional 1,192,821 additional shares to be issued in the merger. United Security also has 299,500 shares reserved under various stock option plans covering its directors, officers and employees at exercise prices ranging between \$5.67 and \$22.54. Consequently, any shares of common stock that United Security issues after the merger with Legacy Bank will dilute your proportional ownership interest in United Security.

United Security intends to seek acquisitions of other banks where it believes that those acquisitions will enhance shareholder value or satisfy other strategic objectives. United Security can make future acquisitions, if any, by issuing additional shares of its common stock or other securities convertible into or exercisable for its common stock. As of the date of this proxy statement-prospectus, United Security has not entered into any agreements or understanding to acquire other banks, bank holding companies or any other entities.

The Price of United Security Common Stock May Decrease, Preventing You from Selling Your Shares at a Profit

The market price of United Security common stock could decrease and prevent you from selling your shares at a profit. The market price of United Security common stock has fluctuated in recent years. Fluctuations may occur, among other reasons, due to:

- operating results;
- market demand;
- announcements by competitors;
- economic changes;
- general market conditions; and
- legislative and regulatory changes.

The trading price of United Security common stock may continue to fluctuate in response to these factors and others, many of which are beyond United Security's control. We strongly urge you to consider the likelihood of these market fluctuations before deciding how to vote for the merger. Please read the section entitled "Markets; Market Prices and Dividends" for additional information regarding the trading prices of United Security common stock.

Risks Regarding the Businesses of United Security and Legacy Bank

Legacy Bank has Entered into a Formal Agreement with the Office of the Comptroller of the Currency

On December 21, 2006, Legacy entered into a formal written agreement with the Office of the Comptroller of the Currency (OCC) to address certain issues, including Legacy Bank's management, underwriting and credit risk policies, portfolio management and capital and liquidity maintenance. (See Information Regarding Legacy Legal Proceedings). United Security believes that it has the management and policies to address all of the issues raised by the OCC. In addition, in the event the merger is completed, the formal written agreement will terminate and will have no impact on United Security Bank as the successor.

United Security and Legacy Bank Face Lending Risks

The risk of loan defaults or borrowers' inability to make scheduled payments on their loans is inherent in the banking business. Moreover, United Security and Legacy Bank focus primarily on lending to small- and medium-sized businesses. Consequently, United Security and Legacy Bank may assume greater lending risks than other financial institutions which have a smaller concentration of those types of loans, and which tend to make loans to larger businesses. Borrower defaults or borrowers' inability to make scheduled payments may result in losses which may exceed United Security's and Legacy Bank's allowances for loan losses. Furthermore, should United Security and Legacy Bank be required to fund currently unfunded loan commitments and letters of credit at higher than anticipated levels, there may be an increased exposure to loan losses, necessitating higher loan loss provisions. Other than these unfunded loan commitments and letters of credit, neither United Security nor Legacy Bank have any off balance sheet exposure. These risks, if they occur, may require higher than expected loan loss provisions which, in turn, can materially impair profitability, capital adequacy and overall financial condition. Please read the section entitled Information About Legacy Bank Management's Discussion and Analysis of Financial Condition and Results of Operations for additional information.

United Security and Legacy Bank Are Limited in the Amount They Can Lend to Any Individual Borrower

United Security, through its subsidiary, United Security Bank, and Legacy Bank are limited in the amount that they can lend to a single borrower. Therefore, the size of the loans which they can offer to potential customers is less than the size of loans that their competitors with larger lending limits can offer. Legal lending limits also affect United Security Bank's and Legacy Bank's ability to seek relationships with larger and more established businesses. Through previous experience and relationships with a number of other financial institutions, participations in loans which exceed lending limits are sometimes sold. However, United Security and Legacy Bank cannot assure you of any future success that they may have in attracting or retaining customers seeking larger loans or that they can successfully engage in participation transactions for those loans on favorable terms. For additional information, please read the section entitled Information About Legacy Bank -Banking Services - Competition.

An Increase in Classified Loans May Hurt Performance

Some of the loans that United Security and Legacy Bank make may, with the passage of time, pose a higher risk of becoming uncollectible. These loans may be classified and require a larger than anticipated amount of loss reserves which, in turn, may reduce United Security's and Legacy Bank's liquidity, earnings and ultimately their capitalization and financial condition. Classified loans as of September 30, 2006, of United Security and Legacy Bank were 20.3% and 12.5% of capital respectively. United Security and Legacy Bank continually evaluate the credit risks associated with loans that indicate a higher than normal risk of collectability. United Security and Legacy Bank believe that they have adequately provided for the related credit risks of their respective loans. However, their respective loan portfolios are vulnerable to adverse changes in the economy and in the particular industries in which their borrowers operate. Therefore, United Security and Legacy Bank cannot assure you that the level of their classified loans will not increase in the future. For additional information, please read the section entitled Information About Legacy Bank Management's Discussion and Analysis of Financial Condition and Results of Operations.

Declines in Real Estate Values Could Materially Impair Profitability and Financial Condition

Approximately 70% and 47% respectively, of United Security's and Legacy Bank's loans are secured by real estate collateral. A substantial portion of the real estate securing these loans is located in Central and Northern California. Real estate values are generally affected by factors such as:

- the socioeconomic conditions of the area where real estate collateral is located;
- fluctuations in interest rates;
- property and income tax laws;
- local zoning ordinances governing the manner in which real estate may be used; and
- federal, state and local environmental regulations

Management and the Boards of Directors of United Security and Legacy Bank monitor the concentrations of loans secured by real estate, which are within pre-approved limits. However, declines in real estate values could significantly reduce the value of the real estate collateral securing United Security's and Legacy Bank's loans, increasing the likelihood of defaults. Moreover, if the value of real estate collateral declines to a level that is not enough to provide adequate security for the underlying loans, United Security and Legacy Bank will need to make additional loan loss provisions which, in turn, will reduce their profits. Also, if a borrower defaults on a real estate secured loan, United Security and Legacy Bank may be forced to foreclose on the property and carry it as a nonearning asset which, in turn, may reduce net interest income. For additional information, please read the section entitled Information About Legacy Bank Management's Discussion and Analysis of Financial Condition and Results of Operations.

Interest Rates and Other Conditions Impact Profitability

United Security's and Legacy Bank's profitability depends on the difference between the rates of interest they earn on their loans and investments, and the interest rates they pay on deposits and other borrowings. Like other financial institutions, United Security's and Legacy Bank's net interest income is affected by general economic conditions and other uncontrollable factors, like the monetary policies of the FRB, which influence market interest rates. Therefore, the ability to adjust the interest rates on investments, loans and deposit products in response to changes in market interest rates may be limited for a period of time. Consequently, United Security's and Legacy Bank's inability to immediately respond to changes in market interest rates can have either a positive or negative effect on net interest income, capital, liquidity and financial condition. United Security and Legacy Bank cannot assure you that any positive trends or developments that they have experienced will continue, or that they will not experience negative trends or developments in the future. Due to the mix and composition of United Security's and Legacy Bank's assets and liabilities, changing interest rates may adversely impact their net interest incomes and margins. For additional information, please read the section entitled "Supervision and Regulation - United Security Bank and Legacy Bank - Impact of Monetary Policies."

United Security Is Limited in its Ability to Pay Cash Dividends

While United Security and United Security Bank have paid quarterly cash dividends for the last 18 years, United Security depends on dividends from United Security Bank, and if the merger is completed, from the profit contribution of Legacy Bank to United Security Bank, in order to pay cash dividends to its shareholders. Moreover, the amount and timing of any dividends is at the discretion of United Security's board of directors. Please refer to the section entitled "Description of United Security - Description of Capital Stock" for additional information. Also, please read the sections entitled "Supervision and Regulation - United Security - Bank Holding Company Liquidity" and "Limitations on Dividend Payments" for additional information.

United Security's Future Growth May Be Limited If it Is Not Able to Raise Additional Capital

Banks and bank holding companies are required to conform to regulatory capital adequacy guidelines and maintain their capital at specified percentages of their assets. These guidelines may limit United Security's ability to grow and could result in banking regulators requiring increased capital levels or reduced loan and other earning asset levels. Therefore, in order to continue to increase its earning assets and net income, United Security may, from time to time, need to raise additional capital. United Security cannot assure you that additional sources of capital will be available or, if they are, that the additional capital will be available on economically reasonable terms. Currently, United Security is well capitalized and has no plans to raise additional capital to facilitate the merger with Legacy Bank or for any other purpose. For additional information, please read the section entitled "Supervision and Regulation - United Security Bank and Legacy Bank - Risk-Based Capital Guidelines."

United Security and Legacy Bank Compete Against Larger Banks and Other Institutions

United Security and Legacy Bank compete for loans and deposits with other banks, savings and thrift associations and credit unions located in their service areas, as well as with other financial services organizations such as brokerage firms, insurance companies and money market mutual funds. These competitors aggressively solicit customers within their market area by advertising through direct mail, the electronic media and other means. Many of their competitors have been in business longer, have established customer bases and are substantially larger. These competing financial institutions offer services, including international banking services, that United Security and Legacy Bank can only offer through correspondents, if at all. Additionally, their larger competitors have greater capital resources and, consequently, higher lending limits. Finally, some of their competitors are not subject to the same degree of regulation. For additional information, please read the section entitled Information About Legacy Bank - Banking Services - Competition.

Current Banking Laws and Regulations Affect Activities

United Security and Legacy Bank are subject to extensive regulation. Supervision, regulation and examination of banks and bank holding companies by regulatory agencies are intended primarily to protect depositors rather than stockholders. These regulatory agencies examine bank holding companies and commercial banks, establish capital and other financial requirements and approve acquisitions or other changes of control of financial institutions. United Security's and Legacy Bank's ability to establish new facilities or make acquisitions requires approvals from applicable regulatory bodies. Changes in legislation and regulations will continue to have a significant impact on the banking industry. Although some of the legislative and regulatory changes may benefit United Security and Legacy Bank, others may increase their costs of doing business and assist their nonbank competitors who are not subject to similar regulation. For additional information, please read the section entitled Supervision and Regulation.

A Warning about Forward Looking Statements

Certain statements contained in this proxy statement-prospectus or in documents incorporated by reference, including, without limitation, statements containing the words believes, anticipates, intends, expects, and words of similar import, constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward looking statements, including among others those found in Questions and Answers About the Merger, Summary, and The Merger involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the combined companies to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements.

In particular, we have made statements in this document regarding expected cost savings to result from the merger, the anticipated accretive effect to earnings of the combined enterprise, an improved ability to compete with larger competitors, restructuring charges expected to be incurred in connection with the merger, and the operation of the combined companies. With respect to estimated cost savings, we have made assumptions about the anticipated overlap between the costs of the two banks for data processing and other operations, the amount of general and administrative expenses, the costs of converting Legacy Bank's data processing to United Security Bank's systems, the size of anticipated reductions in fixed labor costs, the effort involved in aligning accounting

policies and the transactional costs of the merger. The realization of the anticipated cost savings is subject to the risk of possible inaccuracy of the foregoing assumptions.

In addition to the risks discussed in Risk Factors, the following factors may also affect the accuracy of forward looking statements in this proxy statement-prospectus:

- demographic changes;
- changes in business strategy or development plans;
- the availability of capital to fund the expansion of the combined business; and
- other factors referenced in this proxy statement-prospectus or the documents incorporated by reference.

Given these uncertainties, you are cautioned not to place undue reliance on such forward-looking statements. United Security and Legacy Bank disclaim any obligation to update any such factors or to publicly announce the results of any revisions to any of the forward-looking statements contained in this proxy statement-prospectus to reflect future events or developments.

Only holders of record of Legacy Bank common stock at the close of business on December 22, 2006, the record date for Legacy Bank's special shareholders' meeting, are entitled to receive notice of and to vote at the special shareholders' meeting. On the record date, Legacy Bank had 1,674,373 shares of its common stock issued, outstanding and eligible to vote at the special shareholders' meeting. A majority of the shares of Legacy Bank common stock issued and outstanding and entitled to vote on the record date must be represented in person or by proxy at the special shareholders' meeting in order for a quorum to be present for purposes of transacting business. In the event that a quorum is not present, it is expected that the special shareholders' meeting will be adjourned or postponed to solicit additional proxies.

Number of Votes

Each holder of Legacy Bank common stock will be entitled to one vote, in person or by proxy, for each share of Legacy Bank common stock held on the record date on approval of the merger agreement.

Votes Required

Approval of the merger agreement and the merger requires the affirmative vote of at least two-thirds of the shares of Legacy Bank common stock outstanding on the record date. As of the record date, Legacy Bank's directors and executive officers owned 572,371 shares, representing approximately 34.2%, of Legacy Bank's issued and outstanding shares of common stock entitled to vote.

Voting of Proxies

Submitting Proxies

Legacy Bank shareholders may vote their shares in person by attending the special shareholders' meeting or they may vote their shares by proxy. In order to vote by proxy, Legacy Bank shareholders must complete the enclosed proxy card, sign and date it and mail it in the enclosed postage pre-paid envelope.

If a written proxy card is signed by a shareholder and returned without instructions, the shares represented by the proxy will be voted **FOR** approval of the merger. Legacy Bank shareholders whose shares are held in street name (i.e., in the name of a broker, bank or other record holder) must either direct the record holder of their shares as to how to vote their shares or obtain a proxy

from the record holder to vote at the Legacy Bank special shareholders' meeting. It is important that you follow the directions provided by your broker regarding instructions on how to vote your shares. Your failure to instruct your broker on how to vote your shares will have the same effect as voting against the proposal to approve the merger agreement and the merger.

Revoking Proxies

Legacy Bank shareholders of record may revoke their proxies at any time before the time their proxies are voted at the Legacy Bank special shareholders' meeting. Proxies may be revoked by written notice, including by telegram or telecopy, to the Corporate Secretary of Legacy Bank, by a later-dated proxy signed and returned by mail or by attending the special shareholders' meeting and voting in person. Attendance at the special shareholders' meeting will not, in and of itself, constitute a revocation of a proxy. Instead, Legacy Bank shareholders who wish to revoke their proxies must inform Legacy Bank's Corporate Secretary at the special shareholders' meeting, prior to the vote, that he or she wants to revoke his or her proxy and vote in person. Written notices of proxy revocations must be sent so that they will be received before the taking of the vote at Legacy Bank's special shareholders' meeting as follows:

Legacy Bank, N.A.

125 E. Campbell Avenue

Campbell, California 95008

Attention: Kevin Gilday

Corporate Secretary

Abstentions and Broker Nonvotes

The presence, in person or by properly executed proxy, of the holders of a majority of Legacy Bank's outstanding shares entitled to vote is necessary to constitute a quorum at the special shareholders' meeting. Abstentions and broker nonvotes will be counted in determining whether a quorum is present. Under the applicable rules of the National Association of Securities Dealers, Inc., brokers or members who hold shares in street name for customers who are the beneficial owners of Legacy Bank common stock are prohibited from giving a proxy to vote those shares regarding approval of the merger and the merger agreement, in the absence of specific instructions from beneficial owners. We refer to these as broker nonvotes. Abstentions and broker nonvotes will not be counted as a vote FOR or AGAINST the merger agreement and merger at the Legacy Bank special shareholders' meeting. However, abstentions and broker nonvotes will have the same effect as a vote AGAINST the merger agreement and merger.

Other Matters

In addition to voting for approval of the merger, any other matters that are properly presented at the special shareholders' meeting will be acted upon. Legacy Bank's management does not presently know of any other matters to be presented at the Legacy Bank special shareholders' meeting other than those set forth in this proxy statement-prospectus. If other matters come before the special shareholders' meeting, the persons named in the accompanying proxy intend to vote according to the recommendations of Legacy Bank's Board of Directors.

Solicitation of Proxies

Legacy Bank's Board of Directors is soliciting the proxies for the Legacy Bank special shareholders' meeting. Legacy Bank will pay for the cost of solicitation of proxies. In addition to solicitation by mail, Legacy Bank's directors, officers and employees may also solicit proxies from shareholders by telephone, facsimile, telegram or in person. If Legacy Bank's management deems it advisable, the services of individuals or companies that are not regularly employed by Legacy Bank may be used in connection with the solicitation of proxies. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to send the proxy materials to beneficial owners. Legacy Bank will, upon request, reimburse those brokerage houses and custodians for their reasonable expenses in so doing.

Legacy Bank shareholders who submit proxy cards should not send in any stock certificates with their proxy cards. Instructions for the surrender of stock certificates representing shares of Legacy Bank common stock will be mailed by Wells Fargo Shareowner Services, United Security's exchange agent, to former Legacy Bank shareholders shortly after the merger is completed. Please read the section entitled "The Merger - The Merger Agreement - Exchange of Stock Certificates" for additional information.

The Merger

This section of the proxy statement-prospectus describes certain aspects of the proposed merger. Because this is a summary, it does not contain all the information that may be important to you. You should read this entire proxy statement-prospectus, including the appendices. A copy of the merger agreement is attached as Appendix A to this proxy statement-prospectus. The following discussion, and the discussion under the subsection entitled "The Merger Agreement," describes important aspects of the merger and the material terms of the merger agreement. These descriptions are qualified by reference to Appendix A.

Background and Reasons for the Merger; Recommendation of the Board of Directors

Legacy Bank, based in Campbell, California, has conducted general banking operations serving individuals and small- to medium-sized businesses since October 1, 2003. In serving individuals and small businesses, Legacy Bank has focused on a community-based approach to banking. Legacy Bank for the first two years through December 31, 2005 did not achieve profitability and incurred a net loss. During 2006, through the first nine months of operations Legacy Bank has achieved net income of \$258,930 but as of September 30, 2006 the shareholders equity showed a negative undivided profit of \$5,728,930 and the book value per share of Legacy Bank was \$6.40 per share.

In the third quarter of 2003, Legacy Bank completed its initial capitalization by selling 1,217,373 shares of common stock at \$10.00 per share. From the commencement of operations in October 2003, Legacy Bank has been impacted by a significant change in interest rates, a softening of the general economy and high non-interest expense levels. During the first quarter of 2005, the board of directors commenced a private placement of Legacy Bank common stock and warrants. Under the private placement 450,000 units were sold at a price of \$10.00 per unit. Each unit consisted of one share of common stock and one warrant to purchase an additional share of common stock at \$10.00 per share. The purpose of the capital offering was to increase the capital accounts to

enable Legacy Bank to grow faster, remain in line with regulatory capital levels and extend larger credits.

Over the past year, Legacy Bank has been contacted by individuals and financial institutions with respect to potential acquisitions and business combinations. Until the third quarter of 2006, the board of directors did not want to consider an acquisition or business combination where Legacy Bank would not be a stand alone entity. At the July 2006 regular board of directors meeting, the board of directors of Legacy Bank determined that because of the increased competition in the marketplace, the challenge of finding management personnel that would be acceptable to Legacy Bank's regulatory authorities, the concerns expressed by several of Legacy Bank's larger shareholders and the difficulty in implementing an acceptable business plan, Legacy Bank should contact several financial institutions concerning their interest in possibly acquiring Legacy Bank. The board of directors of Legacy Bank retained the services of Gary Steven Findley & Associates, Legacy Bank's corporate counsel in order to disseminate information out to prospective acquirors of Legacy Bank. Gary Steven Findley, a principal of Gary Steven Findley & Associates, has served as an investment banker for a number of merger transactions involving commercial banking institutions through his firm The Findley Group and was familiar with the financial institutions who would have interest in possibly acquiring Legacy Bank.

In July and August 2006, six financial institutions were contacted to determine whether they had interest in reviewing a confidential information package concerning Legacy Bank. The six institutions contacted were selected on the basis of Legacy Bank's board's desire to find an acquirer that was a successful entity that would continue Legacy Bank's business in the general San Jose area, be able to obtain regulatory approval quickly and provide a majority of the merger consideration in the form of stock rather than cash. Of the six financial institutions, three expressed interest. The only information about Legacy Bank provided at this time to the three financial institutions that expressed an interest was limited to information that was publicly available. One of the three was a financial institution that was eight years old, never done an acquisition, never achieved a consistent return on average equity over ten percent until 2005, had a price earnings ratio that was greater than 23 and its common stock was thinly traded. The second financial institution was seven years old, never done an acquisition, experienced a change in ownership and a realignment of management within the last two years, and had common stock that was thinly traded. The third bank was United Security. United Security had a strong price to earnings ratio because of its strong financial performance, had prior experience in completing other acquisitions, inclusive of an entity that had an informal regulatory enforcement action, and had the desire to expand into the California Bay Area. While no formal offers to merge were made by the three financial institutions that expressed an interest in acquiring Legacy Bank, all three interested financial institutions as part of their indication of interest were asked to give a range of value for an outstanding share of Legacy Bank common stock. United Security stated a value in the \$12 to \$13 range, and the other two indicated a preliminary value in the \$10 to \$11 range. After reviewing the financial condition and earnings performance of the three financial institutions, the board of directors of Legacy Bank decided to have direct discussions with United Security. Thereafter United Security executed a confidentiality agreement and was forwarded financial and related information concerning Legacy Bank.

In late August, 2006 representatives of United Security met with the board of directors of Legacy Bank and discussed a strategic alliance where Legacy Bank would be merged with and into United Security with shareholders of Legacy Bank receiving shares of common stock of United Security. United Security's initial offer was for \$12.45 per share, and the board of directors of Legacy Bank rejected that offer. Over the next several weeks, Legacy Bank's CEO, acting on behalf

of the board of directors negotiated the terms of a term sheet that was executed by the parties on September 8, 2006. As a condition to the term sheet, if United Security did not proceed with the acquisition of Legacy Bank after completion of due diligence, United Security would pay to Legacy Bank the amount of \$100,000 to offset Legacy Bank's costs and the disruption caused by due diligence.

The parties conducted due diligence on each other from September 8, 2006 to October 5, 2006. During this time negotiations continued between the parties and Legacy Bank's board of directors retained Howe Barnes Hoefer & Arnett, a reputable investment banking firm that has experience in the valuation of California commercial banking institutions, to issue a fairness opinion concerning the consideration to be received by Legacy Bank's shareholders. On October 5, 2006, the Legacy Bank board of directors deliberated at length concerning the transaction. The final agreement demonstrated a \$13.00 per share price, minus data processing termination costs. Based upon the estimates of the costs of the data processing termination costs, the price per share would be approximately \$12.85.

The Legacy Bank board of directors reviewed the merger agreement and related documents, its strategic alternatives, the competitive banking environment in California, and the prospects for Legacy Bank if it remained independent. At this meeting, Howe Barnes Hoefer & Arnett discussed with the Legacy Bank board of directors its analysis of the merger and delivered to the Legacy Bank board of directors its opinion that the consideration to be received in the merger was fair to the Legacy Bank shareholders from a financial point of view. Thereafter, the Legacy Bank board of directors unanimously approved, and authorized the execution of the merger agreement. On October 6, 2006, the merger agreement was executed by Legacy Bank and United Security.

The terms of the merger agreement, including the consideration to be paid to Legacy Bank shareholders, were the result of arms length negotiations. In evaluating the proposal to merge with United Security, the Legacy Bank board of directors considered a number of factors at meetings of its board of directors in August, September and October 2006, including the following:

- information concerning the financial performance and condition, business operations, capital levels, asset quality, loan portfolio breakdown, and prospects of United Security, including the stability of United Security's management team and the upward performance trend;
- the structure of the transaction, including the fact that the options and warrants of Legacy Bank would be paid out in cash at approximately \$2.85 per share, and that the shareholders would receive approximately 9.5% of the common stock of United Security;
- the terms of the merger agreement and other documents to be executed in connection with the merger, including the premium over book value and the fact that Legacy Bank had only reached profitability in 2006 but still had a large negative undivided profits;
- the presentation of Howe Barnes Hoefer & Arnett and the opinion of Howe Barnes Hoefer & Arnett that the merger is fair to the shareholders of Legacy Bank from a financial point of view;

- the prices paid and the terms of other recent comparable combinations of banks and bank holding companies and the success of United Security's previous acquisitions;
- the Legacy Bank board of directors' review with its legal and financial advisors of alternatives to the merger, the range of possible values to Legacy Bank shareholders obtainable through implementation of alternatives and the timing and likelihood of the same;
- the current and prospective economic environment and increasing regulatory and competitive burdens and constraints facing community banks;
- the advantages of being part of a larger entity, including the potential for operating efficiencies, the effect of a higher lending limit with respect to Legacy Bank's customers and prospective customers of \$16 million versus Legacy's Bank current \$1.7 million, and the generally higher trading multiples of larger financial institutions;
- the business strategies, the strength and depth of management of the combined entity and the extent of their interest in continuing Legacy Bank's business relationships in the Silicon Valley;
- the ability of a larger institution to compete in the banking environment and to leverage overhead costs;
- the anticipated positive effect of the merger on existing shareholders, employees, officers and customers of Legacy Bank as Legacy Bank's office will remain open, staff elimination will be kept to a minimum, and remaining staff will receive a strong benefits program;
- information concerning the ability of Legacy Bank and United Security to achieve operating efficiencies;
- the anticipated impact on the communities served by Legacy Bank and United Security in the merger, and the increased ability to serve the communities through the larger branch network;
- the unprecedented consolidation that has occurred during the past few years in the banking industry and increased competition from larger banks in California;
- the value of the consideration offered by United Security compared to the value of the consideration offered in other similar acquisitions of financial institutions in California in 2005-2006 and the prospects for enhanced value of the combined entity in the future;
- the tax-free nature of the United Security offer;

- the United Security common stock to be issued in the merger to the Legacy Bank shareholders will be listed on the Nasdaq Global Select Market, the quality of the United Security common stock, and the liquidity of the United Security common stock; and
- the prospect for Legacy Bank on a stand alone basis and on the basis of alternative stand alone strategies, such as dividends, share repurchases, restructurings and growth through acquisitions.

In addition to the advantages, discussed in the previous paragraph, of a merger with a larger financial institution, the board of directors and management of Legacy Bank also discussed the various risks of combining with United Security, including:

- the disadvantages of being part of a larger entity, including the potential for decreased customer service; and
- the integration of Legacy Bank and United Security may divert the combined entities' management from other activities.

However, after weighing the advantages and disadvantages of a merger with United Security and Bank, the Legacy Bank board of directors determined that the advantages clearly outweighed the disadvantages. For example,

- the substantially larger lending limits of the combined entity will better serve customers and prospective customers of Legacy Bank;
- the prospects of the combined entity are substantially greater than the prospects of Legacy Bank on a stand alone basis;
- the liquidity of the United Security stock to be received by the Legacy Bank shareholders will be substantially greater than the current liquidity of Legacy Bank stock; and
- the likelihood that Legacy Bank's financial performance would continue to suffer due to the inability to implement the business plan and to satisfy the OCC.

The foregoing discussion of the information and factors considered by the Legacy Bank board of directors is not intended to be exhaustive, but constitutes the material factors considered by the Legacy Bank board of directors. In reaching its determination to approve and recommend the principal terms of the merger, the Legacy Bank board of directors did not assign relative or specific weights to the foregoing factors and individual directors may have weighed such factors differently.

For reasons set forth above, the Legacy Bank board of directors has unanimously approved the merger agreement as being in the best interest of Legacy Bank and its shareholders and unanimously recommends that the Legacy Bank shareholders approve the principal terms of the merger.

Structure of the Merger

The merger agreement provides that Legacy Bank will merge with United Security Bank, United Security's subsidiary. As a result of the merger, United Security Bank will be the surviving bank and will operate under the name United Security Bank. Each share of Legacy Bank common stock issued and outstanding, other than shares with respect to which dissenters' rights have been perfected, will be converted into the right to receive shares of United Security common stock. Each share of United Security common stock outstanding will remain outstanding after the merger. Please read the sections entitled The Merger - Calculation of Consideration to be Paid to Legacy Bank Shareholders and - Dissenters Rights for additional information.

Calculation of Consideration to be Paid to Legacy Bank Shareholders

The merger agreement provides that the number of shares of United Security common stock into which a share of Legacy Bank common stock shall be converted shall be determined in accordance with a formula. The formula for the calculation of the number of shares of United Security received for each Legacy Bank share is as follows:

First, we determine the amount of the per share merger consideration to be paid to the Legacy Bank shareholders. The merger consideration for each share of Legacy Bank common stock is the amount equal to the quotient of (A) the sum of (i) the product of \$13.00 multiplied by 1,672,373 plus (ii) the aggregate dollar amount of capital added to Legacy Bank's shareholders' equity account upon the exercise of the Legacy Bank stock options or Legacy Bank warrants, as applicable, minus (iii) the costs associated with the cancellation of Legacy Bank's data processing/technology agreements, divided by (B) the sum of (i) 1,672,373 plus (ii) the number of additional shares of Legacy Bank common stock issued upon exercise of any Legacy Bank stock option and/or Legacy Bank warrant, as applicable.

To determine the number of shares of United Security common stock, to be paid to for each share of Legacy Bank common stock, we then divide the per share merger consideration by the average closing price of a share of United Security common stock during the 20 business days ending on the fifth business day immediately prior to the closing of the merger, provided, however, that the average closing price for purposes of the calculation shall not be more than \$25.00.

In the event the average closing price is less than \$20.00, the merger agreement will terminate unless the parties renegotiate the merger terms.

As of November 17, 2006, one holder of a Legacy Bank stock option has exercised his option and has acquired 2,000 shares of newly issued Legacy Bank common stock.

On a per share basis, each share of Legacy Bank common stock will be entitled to receive the merger consideration described above, in shares of United Security common stock. In addition, cash will be paid to Legacy Bank shareholders in lieu of any fractional shares of United Security common stock they would otherwise be entitled to receive.

The following table provides as illustration, at various assumed United Security average stock prices, of the number of shares of United Security common stock to be issued, the aggregate value of merger consideration to be received by Legacy Bank shareholders, and the Legacy Bank per

Edgar Filing: UNITED SECURITY BANCSHARES - Form 424B3

share consideration, based upon the assumption that there are 1,674,373 shares of Legacy Bank common stock outstanding, that the costs associated with the cancellation of Legacy Bank's data processing/technology agreements are \$250,000, and that the aggregate dollar of capital added to Legacy Bank's shareholders' equity account upon the exercise of the Legacy Bank stock options or Legacy Bank warrants, as applicable is \$20,000. Please note that the following table is only an illustration.

Assumed Average United Security Stock Prices

	Number of United Security Shares to be Received for each Legacy Bank Share	Aggregate Value of Merger Consideration	Value of Legacy Bank per Share Merger Consideration
\$ 20.00	.6424	\$ 21,510,849	\$ 12.8471
\$ 21.00	.6118	\$ 21,510,849	\$ 12.8471
\$ 22.00	.5840	\$ 21,510,849	\$ 12.8471
\$ 23.00	.5586	\$ 21,510,849	\$ 12.8471
\$ 24.00	.5353	\$ 21,510,849	\$ 12.8471
\$ 25.00	.5139	\$ 21,510,849	\$ 12.8471
\$ 26.00	.5139	\$ 22,371,283	\$ 13.3610
\$ 27.00	.5139	\$ 23,231,717	\$ 13.8749
\$ 28.00	.5139	\$ 24,092,151	\$ 14.3888
\$ 29.00	.5139	\$ 24,952,585	\$ 14.9026
\$ 30.00	.5139	\$ 25,813,019	\$ 15.4165

Assuming

- no other holders of Legacy Bank stock options or Legacy Bank warrants exercise either their options or warrants
- the costs associated with canceling Legacy Bank's data processing/technology agreements are approximately \$250,000, and
- the average closing price for United Security common stock is \$24.4695,

then, the shareholders of Legacy Bank will receive approximately .525 shares of United Security common stock for each share of Legacy Bank common stock held. Please read the sections entitled "Risk Factors - Risks Regarding the Merger" and "The Merger - Calculation of Consideration to be Paid to Legacy Bank Shareholders" for additional information.

Fractional Shares

It is very likely that most of Legacy Bank's shareholders will be entitled to receive a fractional interest of a share of United Security common stock in addition to a whole number of shares of United Security common stock. The merger agreement provides that, in lieu of receiving a fractional share, Legacy Bank's shareholders entitled to a fractional share will receive cash equal to the value of the fractional interest.

Material United States Federal Income Tax Consequences

General. The following represents a summary of an opinion of Bullivant Houser Bailey PC that discusses the material United States federal income tax consequences to Legacy Bank shareholders who exchange Legacy Bank stock for United Security common stock pursuant to the merger, subject to the limitations, qualifications and assumptions set forth in such opinion, and to the extent it reflects statements of law or legal conclusions with respect thereto. This discussion is based on the Internal Revenue Code of 1986, as amended (the Code), United States Treasury Regulations promulgated under the Code, administrative rulings and pronouncements and judicial decisions as of the date hereof, all of which are subject to change, possibly with retroactive effect. Any such change could alter the tax consequences discussed in this proxy statement/prospectus.

As used in this section, a Legacy Bank shareholder is a citizen or resident of the United States; a corporation (or other entity treated as a corporation for United States federal income tax purposes) organized under the laws of the United States or any State or the District of Columbia; an estate the income of which is subject to United States federal income taxation regardless of its source; or a trust if (i) a court within the United States is able to exercise primary supervision over the administration of the trust, and (ii) one or more United States persons have the authority to control all substantial decisions of the trust.

This discussion does not address the effects of any state, local, or non-United States tax laws. This discussion does not discuss the tax consequences of transactions effectuated prior or subsequent to, or concurrently with, the merger, whether or not in connection with the merger. Furthermore, this discussion relates only to Legacy Bank shareholders who hold Legacy Bank stock, and will hold United Security common stock, as capital assets. The tax treatment of a Legacy Bank shareholder may vary depending upon such shareholder's particular situation, and certain shareholders may be subject to special rules not discussed below. Such shareholders would include, for example, insurance companies, tax-exempt organizations, financial institutions, investment companies, broker-dealers, domestic shareholders whose functional currency is not the United States dollar, shareholders who hold Legacy Bank stock as part of a hedge, straddle, constructive sale or conversion transaction, and individuals who receive United Security stock pursuant to the exercise of employee stock options or otherwise as compensation.

You are strongly urged to consult with your tax advisor with respect to the tax consequences to you of the merger in light of your own particular circumstances, including tax consequences under state, local, foreign and other tax laws and the possible effects of changes in United States federal or other tax laws.

Consequences of the Merger. The completion of the merger is conditioned upon the delivery, at closing of the merger, by Bullivant Houser Bailey PC of its opinion that the merger will constitute a reorganization for United States federal income tax purposes within the meaning of Section 368(a) of the Code. The closing tax opinion of counsel will be subject to certain assumptions, limitations and qualifications and will be based on the truth and accuracy of certain customary factual representations of Legacy Bank and United Security. Assuming that the merger will be conducted and completed in a manner as set forth in this proxy statement/prospectus, and subject to the limitations and qualifications referred to herein, the following material United States federal income tax consequences will result from qualification of the merger as a reorganization within the meaning of Section 368(a) of the Code:

- a Legacy Bank shareholder will not recognize any gain or loss upon the receipt of United Security common stock in exchange for Legacy Bank common stock in connection with the merger, except with respect to cash received in lieu of a fractional share of United Security common stock;
- a Legacy Bank shareholder will have an aggregate tax basis in the United Security common stock received in the merger (including a fractional share deemed received and redeemed as described below) equal to the shareholder's aggregate tax basis in its shares surrendered pursuant to the merger, reduced by the portion of the shareholder's tax basis in its shares surrendered in the merger that is allocable to a fractional share of United Security common stock. If a Legacy Bank shareholder acquired any of its shares of Legacy Bank common stock at different prices or at different times, Treasury Regulations provide guidance on how such shareholder may allocate its tax basis to United Security common stock received in the merger. Legacy Bank shareholders that hold multiple blocks of Legacy Bank common stock are urged to consult their tax advisors regarding the proper allocation of their basis among shares of United Security common stock received under the Treasury Regulations;
- the holding period of the United Security common stock received by a Legacy Bank shareholder in connection with the merger (including a fractional share of United Security common stock deemed received and redeemed) will include the holding period of the Legacy Bank common stock surrendered in connection with the merger;
- cash received by a Legacy Bank shareholder in lieu of a fractional share of United Security common stock in the merger will be treated as if such fractional share had been issued in connection with the merger and then redeemed by United Security for cash in a separate transaction, and a Legacy Bank shareholder will generally recognize capital gain or loss with respect to such cash payment, measured by the difference between the amount of cash received and the tax basis in such fractional share. Any capital gain will be long-term capital gain if, as of the date of the merger, the Legacy Bank shareholder's holding period in the Legacy Bank stock is greater than one year.

If a Legacy Bank shareholder receives cash pursuant to the exercise of dissenters' rights, that shareholder generally will recognize gain or loss measured by the difference between the cash received and the adjusted tax basis in the shareholder's Legacy Bank common stock. This gain will be long-term capital gain or loss if the shareholder's holding period in the Legacy Bank stock is greater than one year. In certain circumstances, you can be deemed for tax purposes to own shares that are actually owned by a nondissenter who is related to you, or to own shares of United Security common stock, with the possible result that the cash received upon the exercise of your rights could be treated as a dividend received in a corporate distribution rather than as an amount received in a sale or exchange of Legacy Bank common stock. Any Legacy Bank shareholder that plans to exercise dissenters' rights in connection with the merger is urged to consult a tax advisor to determine the related tax consequences.

Treatment of United Security, United Security Bank and Legacy Bank. No gain or loss will be recognized by United Security, United Security Bank and Legacy Bank as a result of the merger.

Neither United Security nor Legacy Bank will request a ruling from the Internal Revenue Service regarding the tax consequences of the merger to Legacy Bank shareholders. The closing tax opinion does not bind the Internal Revenue Service and does not prevent the Internal Revenue Service from successfully asserting a contrary opinion.

A successful Internal Revenue Service challenge to the reorganization status of the merger would result in each Legacy Bank shareholder recognizing taxable gain or loss equal to the difference between the sum of the fair market value of the Legacy Bank stock, as of the closing date of the merger, and the amount of cash received in the merger (including cash received in lieu of fractional shares of United Security common stock) and the shareholder's tax basis in Legacy Bank stock surrendered in exchange therefore. United Security common stock so received would equal its fair market value as of the closing date of the merger, and the shareholder's holding period for such stock would begin the day after the merger. Further, if the Internal Revenue Service successfully challenged the reorganization status of the merger, Legacy Bank would be subject to tax on the merger. In addition, if any of the representations or assumptions upon which the closing tax opinion is based are inconsistent with the actual facts, the tax consequences of the merger could be adversely affected.

Backup Withholding. Any cash payments to Legacy Bank shareholders in connection with the merger may be subject to backup withholding at a rate of 28% on a shareholder's receipt of cash, unless such shareholder furnishes a correct taxpayer identification number and certifies that he or she is not subject to backup withholding. Any amount withheld under the backup withholding rules will generally be allowed as a refund or credit against the shareholder's U.S. federal income tax liability, provided the required information is furnished to the Internal Revenue Service.

HOLDERS OF SHARES OF LEGACY BANK COMMON STOCK ARE URGED TO CONSULT THEIR TAX ADVISORS AS TO THE UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER, AS WELL AS THE EFFECTS OF STATE, LOCAL, AND FOREIGN TAX LAWS.

Regulatory Approvals

Federal Reserve Board

Because the survivor of the merger will be a state-chartered member bank, the merger is subject to approval of an application by United Security Bank to the FRB. In reviewing the application, the FRB takes into consideration, among other things, competition, the financial and managerial resources and future prospects of the companies, and the convenience and needs of the communities to be served. Federal law prohibits the FRB from approving the merger if the merger would result in undue concentration of resources or decreased or unfair competition, unless the anti-competitive effects of the merger are clearly outweighed by the benefits to the public.

The FRB has the authority to deny United Security Bank's application if the FRB concludes that the combined organization would have an inadequate capital structure, taking into account, among other factors, the nature of the business and operations and plans for expansion. Furthermore, the FRB must also evaluate the records of United Security Bank in meeting the credit needs of its community, including low- and moderate-income neighborhoods, consistent with safe and sound operation. United Security Bank has an Outstanding Community Reinvestment Act evaluations.

United Security Bank submitted its application for FRB approval of the merger on November 13, 2006. United Security Bank received approval from the FRB on December 22, 2006.

California Department of Financial Institutions

Because the survivor of the merger will be a California-chartered bank, the approval of the DFI is also required. In determining whether to approve the merger, the DFI evaluates the application to determine, among other things, that:

- the merger will not result in a monopoly;
- the merger will not have the effect of substantially lessening competition;
- the shareholders' equity of United Security will be adequate and will not jeopardize United Security Bank's financial condition;
- the directors and executive officers of United Security Bank after the merger will be competent;
- the merger will afford a reasonable promise of successful operation and that United Security Bank will be operated in a safe and sound manner, in compliance with all applicable laws; and
- the merger will be fair, just and equitable.

The application for DFI approval of the merger was submitted on November 30, 2006. United Security Bank has no reason to believe that its application will not be approved.

Statutory Waiting Period

Under federal banking laws, a 30-day waiting period must expire following the FRB's approval of the merger. Within that 30-day waiting period the Department of Justice may file objections to the merger under federal antitrust laws. The FRB may reduce the waiting period to 15 days with the concurrence of the Department of Justice. The Department of Justice could take such action under antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the merger unless divestiture of an acceptable number of branches to a competitively suitable purchaser can be made. If the Department of Justice commences an action challenging the merger on antitrust grounds during either the 30-day or 15-day waiting periods, commencement of that action would stay the effectiveness of the regulatory approvals, unless a court of competent jurisdiction specifically orders otherwise.

The merger cannot proceed in the absence of the regulatory approvals and the expiration of the statutory waiting period. United Security and Legacy Bank are not aware of any reasons why regulatory approvals will not be received. United Security and Legacy Bank have agreed to use their reasonable best efforts to obtain all necessary regulatory approvals. ***However, there can be no assurance that approvals will be obtained, nor can there be assurance as to the date of any approval. There also can be no assurance that any approvals will not contain unacceptable conditions or requirements.***

Resale of United Security Common Stock

The shares of United Security common stock that you receive as a result of the merger will be registered under the Securities Act of 1933, or the Securities Act. You may freely trade these shares of United Security common stock if you are not considered an affiliate of Legacy Bank, as that term is defined in the federal securities laws. Generally, an affiliate of Legacy Bank is any person or entity directly or indirectly controlling or who is controlled by Legacy Bank. Legacy Bank's affiliates generally include directors, certain executive officers and holders of 10% or more of Legacy Bank's common stock.

Legacy Bank's affiliates may not sell their shares of United Security common stock acquired in the merger, unless those shares are registered under an effective registration statement under the Securities Act, or by complying with Securities Act Rule 145 or another applicable exemption from the registration requirements of the Securities Act. United Security may also place restrictive legends on certificates representing shares of United Security common stock issued to all persons considered affiliates of Legacy Bank.

Before United Security and Legacy Bank complete the merger, the merger agreement requires each affiliate of Legacy Bank to execute and deliver to United Security a letter acknowledging that such person or entity will not dispose of any United Security common stock in violation of the Securities Act or Securities Act Rule 145.

Certain Effects of the Merger

The merger agreement requires Legacy Bank to merge into United Security Bank, with United Security Bank as the surviving entity. After the merger, United Security Bank will continue to be United Security's subsidiary, and will continue to have its headquarters at 2151 West Shaw Avenue, Fresno, California 93710. United Security and United Security Bank will continue to operate with its present directors and executive officers.

After the merger, there will be no more trading in Legacy Bank's common stock. Each Legacy Bank shareholder will receive instructions from United Security's exchange agent regarding exchanging Legacy Bank stock certificates.

Financial Interests in the Merger of Directors and Executive Officers of Legacy

Legacy Bank's executive officers have interests in the merger in addition to their interests as Legacy Bank shareholders. Legacy Bank's board of directors was aware of these interests and considered them, among other matters, in approving the merger agreement. As a condition to the merger, one of the Legacy Bank directors will be appointed as a director of United Security and United Security Bank. In addition, United Security has agreed to offer each director of Legacy Bank who is not selected to serve as a member of United Security's and United Security Bank's boards of directors, the title of Director Emeritus which includes a monthly stipend of \$400 as long as the director continues to hold at least 50% of the shares of United Security common stock issued to the director at the completion of the merger, and takes no actions construed as detrimental to United Security Bank. Under the merger agreement, the Legacy director will be selected by the Board of Directors of United Security from a list of three candidates determined by Legacy Bank. Legacy Bank has not made a determination of the three candidates.

Legacy Bank's bylaws provide Legacy Bank's directors and officers with contractual rights to indemnification binding upon a successor. Please read the section entitled "Comparison of Shareholder Rights - Indemnification of Directors and Officers" for additional information.

The discovery period for Legacy Bank's policy of directors and officers liability insurance will be extended for up to 48 months with respect to all matters arising from facts or events which occurred before the effective time of the merger for which Legacy Bank would have an obligation to indemnify its directors and officers. The cost of this extension shall not exceed \$50,000 under the terms of the merger agreement.

Dissenters' Rights of Legacy Bank's Shareholders

Dissenters' rights will be available to the Legacy Bank shareholders in accordance with Section 214a(b) of Title 12 of the United States Code. ***The required procedure set forth in Section 214a(b) of the United States Code must be followed exactly or any dissenters' rights may be lost.***

The information set forth below is a general summary of dissenters' rights as they apply to Legacy Bank shareholders and is qualified in its entirety by reference to Section 214a(b) of Title 12 of the United States Code which is attached to this proxy statement-prospectus as Appendix B.

Fair Market Value of Shares

If the merger is approved, Legacy Bank shareholders who dissent from the merger by complying with the procedures set forth in Section 214a(b) of Title 12 of the United States Code will be entitled to receive an amount equal to the fair market value of their shares as of February 14, 2007, the date of the shareholders' meeting.

Voting Procedure

In order to be entitled to exercise dissenters' rights, the shares of Legacy Bank common stock which are outstanding and are entitled to be voted at the special shareholders' meeting must be voted AGAINST the merger by the holder of such shares, or the holder of such shares must give written notice to Legacy Bank at or prior to the special meeting of shareholders that such shareholder dissents from the merger agreement. Thus, any Legacy Bank shareholder who wishes to dissent and executes and returns a proxy in the accompanying form or votes at the special shareholders' meeting must vote AGAINST the merger. If the shareholder does not return a proxy or provide written notice of dissent, or returns a proxy without voting instructions or with instructions to vote FOR or ABSTAIN with respect to the merger, or votes in person or by proxy at the special shareholders' meeting FOR the merger, his or her shares will be counted as votes in favor of the merger and the shareholder will lose any dissenters' rights.

Written Demand

Furthermore, in order to preserve his or her dissenters' rights, a Legacy Bank shareholder must make a written demand upon Legacy Bank for the purchase of dissenting shares and payment to the shareholder of their fair market value, specifying the number of shares held of record by the shareholder and a statement of what the shareholder claims to be the fair market value of those shares as of February 14, 2007, the date of the special meeting of shareholders. The demand must be

addressed to United Security Bank, 2126 Inyo Street, Fresno, California 93721; Attention: Ken Donahue, Assistant Corporate Secretary, and the demand must be received by United Security Bank not later than 30 days after the date of completion of the merger. A vote AGAINST the merger does not constitute the written demand.

Surrender of Certificates

Within 30 days after the date of completion of the merger, the dissenting shareholder must surrender to United Security Bank, both the written demand and the certificates representing the dissenting shares to be stamped or endorsed with a statement that they are dissenting shares or to be exchanged for certificates of appropriate denomination so stamped or endorsed. Any shares of Legacy Bank common stock that are transferred prior to their submission for endorsement lose their status as dissenting shares.

Valuation of Shares and Payment

The value of the shares of Legacy Bank common stock will be determined by a committee of three persons, one to be selected by the majority vote of the dissenting shareholders entitled to receive the value of their shares, one by the directors of United Security Bank and the third by the two so chosen. The valuation agreed upon by any two of the three appraisers shall be the value used for payment to the dissenters.

Disagreement on Price and Comptroller Determination

If the value decided by the appraisers is not satisfactory to a dissenting shareholder who has requested payment, such shareholder may within five days after being notified of the appraised value of his or her shares appeal to the Comptroller of the Currency, who shall cause a reappraisal to be made, which shall be final and binding as to the value of the shares. If within ninety days from the date of completion of the merger, for any reason one or more of the appraisers is not selected as provided above, or the appraisers fail to determine the value of the shares, the Comptroller shall upon written request of any interested party, cause an appraisal to be made, which shall be final and binding on all parties.

Withdrawal of Demand

A dissenting shareholder may not withdraw his or her dissent or demand for payment unless Legacy Bank consents to the withdrawal.

Opinion of Financial Advisor

Legacy Bank's board of directors retained Howe Barnes to render financial advisory and investment banking services. Howe Barnes is a nationally recognized investment banking firm with substantial expertise in transactions similar to the proposed transaction and is familiar with Legacy Bank and its business. The firm is a member of the National Association of Securities Dealers (NASD) with direct access to inter-dealer markets in NASD Automated Quotation (NASDAQ) and Over-the-Counter (OTC) securities, and makes markets in securities. As part of its investment banking activities, Howe Barnes is regularly engaged in the independent valuation of financial institutions and securities in connection with mergers, acquisitions, underwritings, sales and

distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes.

On October 6, 2006, the Legacy Bank board of directors held a meeting to evaluate the proposed merger with United Security. At this meeting, Howe Barnes rendered an opinion that the terms of the proposed merger of Legacy Bank with and into United Security was fair, from a financial point of view, to Legacy Bank shareholders. Howe Barnes has confirmed its October 6, 2006 opinion by delivering to the Legacy Bank board a written opinion dated the date of this proxy statement-prospectus. In rendering its updated opinion, Howe Barnes confirmed the appropriateness of its reliance on the analyses used to render its earlier opinion by reviewing the assumptions upon which its analyses were based, performing procedures to update certain of its analyses and reviewing certain other factors considered in rendering its opinion. The full text of Howe Barnes opinion is attached as Appendix C to this proxy statement-prospectus and should be read in its entirety.

In rendering its opinion, Howe Barnes reviewed and analyzed, among other things, the following:

- the merger agreement;
- certain publicly available financial statements, both audited (where available) and un-audited, and related financial information of Legacy Bank and United Security, including those included in their respective annual reports for the past three years and their respective quarterly reports for the past two years;
- held discussions with members of senior management of Legacy Bank regarding financial forecasts and projections of Legacy Bank, as well as the amount and timing of the cost savings and related expenses and synergies expected to result from the merger;
- held discussions with members of senior management of Legacy Bank and United Security regarding past and current business operations, regulatory matters, financial condition and future prospects of the respective companies;
- reviewed reported market prices and historical trading activity of Legacy Bank and United Security common stock;
- reviewed certain aspects of the financial performance of Legacy Bank and United Security and compared such financial performance of Legacy Bank and United Security, together with stock market data relating to Legacy Bank and United Security common stock, with similar data available for certain other financial institutions and certain of their publicly traded securities;
- compared the proposed financial terms of the merger with the financial terms of certain other transactions deemed to be relevant;
- reviewed the potential pro forma impact of the merger; and

- certain other information, financial studies, analyses and investigations and financial, economic and market criteria as Howe Barnes deemed relevant.

Howe Barnes has assumed and relied, without independent verification, upon the accuracy and completeness of all of the financial and other information that has been provided to it by Legacy Bank, United Security, and their respective representatives, and of the publicly available information that was reviewed by it. Howe Barnes is not an expert in the evaluation of allowances for loan losses and has not independently verified such allowances, and has relied on and assumed that the aggregate allowances for loan losses set forth in the balance sheets of each of Legacy Bank and United Security are adequate to cover such losses and complied fully with applicable law, regulatory policy and sound banking practice as of the date of such financial statements. Howe Barnes was not retained to and it did not conduct a physical inspection of any of the properties or facilities of Legacy Bank or United Security, did not make any independent evaluation or appraisal of the assets, liabilities or prospects of Legacy Bank or United Security, was not furnished with any such evaluation or appraisal, and did not review any individual credit files.

Howe Barnes' opinion is necessarily based on economic, market, and other conditions as in effect on, and the information made available to it as of, the date hereof. Events occurring after the date of issuance of the opinion, including but not limited to, changes affecting the securities markets, the results of operations or material changes in the assets or liabilities of Legacy Bank or United Security could materially affect the assumptions used in preparing the opinion. Howe Barnes assumed that all of the representations and warranties contained in the merger agreement and all related agreements are true and correct, that each party to such agreements will perform all of the covenants required to be performed by such party under such agreements and that the conditions precedent in the merger agreement are not waived.

No limitations were imposed by Legacy Bank's board of directors upon Howe Barnes with respect to the investigations made or procedures followed in rendering its opinion. Howe Barnes' opinion as expressed herein is limited to the fairness, from a financial point of view, of the merger consideration to be paid by United Security to holders of Legacy Bank common stock in the merger and does not address Legacy Bank's underlying business decision to proceed with the merger. Howe Barnes has been retained on behalf of the Board of Directors of Legacy Bank, and its opinion does not constitute a recommendation to any director of Legacy Bank as to how such director should vote with respect to the merger agreement.

Howe Barnes relied upon the management of Legacy Bank as to the reasonableness of the financial and operating forecasts, and projections (and the assumptions and bases therefor) provided to it, and Howe Barnes assumed that such forecasts and projections reflect the best currently available estimates and judgments of Legacy Bank management. Legacy Bank does not publicly disclose internal management forecasts, projections or estimates of the type furnished to Howe Barnes in connection with its analysis of the financial terms of the proposed transaction, and such forecasts and estimates were not prepared with a view towards public disclosure. These forecasts and estimates were based on numerous variables and assumptions which are inherently uncertain and which may not be within the control of the management of Legacy Bank, including without limitation to, the general economic, regulatory and competitive conditions.

Accordingly, actual results could vary materially from those set forth in such forecasts and estimates. The following is a summary of the material financial analyses performed by Howe Barnes in connection with the preparation of its opinion and does not purport to be a complete description of

all the analyses performed by Howe Barnes. The summary includes information presented in tabular format, which should be read together with the text that accompanies those tables. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, an opinion is not necessarily susceptible to partial analysis or summary description. Howe Barnes believes that its analyses must be considered as a whole and that selecting portions of such analyses and the factors considered therein, without considering all factors and analyses, could create an incomplete view of the analyses and the processes underlying its opinion. In its analyses, Howe Barnes made numerous assumptions with respect to industry performance, business and economic conditions, and other matters, many of which are beyond the control of Legacy Bank, United Security and Howe Barnes. Any estimates contained in Howe Barnes' analyses are not necessarily indicative of future results or values, which may be significantly more or less favorable than such estimates. Estimates of values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold.

Summary of Proposal. Howe Barnes reviewed the financial terms of the proposed transaction. Based on a market price of \$22.05 for United Security, assuming data processing/technology cancellation costs of \$300,000 and assuming all Legacy Bank Stock Options accept cash consideration, the merger consideration would equal \$12.82 per share and each share of Legacy Bank common stock would have the right to receive 0.5814 shares of United Security common stock.

Analysis of Selected Bank Merger Transactions. Howe Barnes reviewed certain publicly available information regarding eight selected merger and acquisition transactions (the Comparable Transactions) announced from January 1, 2005 to September 27, 2006 involving California banking organizations with total assets between \$50 and \$200 million.

Howe Barnes reviewed the multiples of transaction value to stated book value, transaction value to tangible book, transaction value to last twelve months earnings, transaction value to assets and tangible book premium to core deposits and calculated high, low, mean and median multiples for the Comparable Transactions. The median multiples were then applied to Legacy's balance sheet information as of June 30, 2006 and estimated 2006 earnings (last twelve months earnings were negative) to derive an imputed range of values per share of Legacy's common stock. The following table sets forth the median multiples as well as the imputed values based upon those median multiples.

	Comparable Transaction Median Multiple		Implied Value
Transaction Value/Book Value	2.05	x	\$ 12.74
Transaction Value/Tangible Book Value	2.05	x	\$ 12.60
Transaction Value/Earnings	20.00	x	\$ 5.08
Transaction Value/Assets	26.01	%	\$ 12.64
Tangible Premium/Core Deposits	21.66	%	\$ 13.83

The transaction value of \$12.82 per share falls within the range of values computed in using the Comparable Transactions, which supports the fairness of the transaction.

Present Value Analysis. Howe Barnes calculated the present value of theoretical future earnings of Legacy Bank and compared the transaction value to the calculated present value of Legacy Bank's stock on a stand-alone basis. Based on projected earnings for Legacy Bank for 2006 through 2010, discount rates ranging from 10% to 18%, and including a residual value, the stand-alone present value of Legacy Bank's stock ranged from \$3.81 to \$8.95.

Discounted Cash Flow Analysis. Using a discounted cash flow analysis, Howe Barnes estimated the net present value of the future streams of after-tax cash flow that Legacy Bank could produce to benefit a potential acquiror, referred to as dividendable net income, and added a terminal value. Based on projected earnings for Legacy Bank for 2006 through 2010, Howe Barnes calculated assumed after-tax distributions to a potential acquiror such that its tier 1 leverage ratio would be maintained at 7.00%. The terminal values for Legacy Bank were calculated based on Legacy Bank's projected 2010 equity and earnings, the median price to book and price to earnings multiples paid in the Comparable Transactions and utilized a discount rate of 12%. This discounted cash flow analysis indicated implied values of \$8.54 and \$8.47.

Pro Forma Merger Analysis. Howe Barnes performed pro forma merger analyses to calculate the financial implications of the merger to the Legacy Bank stockholders. This analysis assumes, among other things, the terms of the transaction as indicated above, that the merger closes at year-end 2006 and cost savings and revenue enhancement opportunities equaling approximately 20% of Legacy Bank's estimated 2006 overhead expenses. This analysis utilized the First Call consensus earnings per share estimates for 2006 and 2007 for United Security. This analysis

indicated that the merger would be approximately 62% accretive to Legacy Bank's projected earnings per share in 2007.

Howe Barnes has not previously provided investment banking and financial advisory services to Legacy Bank or United Security and received compensation for such services. Howe Barnes provides a full range of financial advisory and securities services and, in the course of its normal trading activities, may effect transactions and hold securities of Legacy Bank and United Security for its own account and for the accounts of customers.

In its engagement letter, dated September 20, 2006, Legacy Bank agreed to pay Howe Barnes a fee of \$22,500. In addition, Legacy Bank has agreed to indemnify Howe Barnes against certain liabilities and expenses arising out of or incurred in connection with its engagement, including liabilities and expenses which may arise under the federal securities laws.

Accounting Treatment

United Security must account for the merger under the purchase method of accounting prescribed by accounting principles generally accepted in the United States. Under this method, United Security's purchase price will be allocated to Legacy Bank's assets acquired and liabilities assumed based upon their estimated fair values as of the completion of the merger. Deferred tax assets and liabilities will be adjusted for the difference between the tax basis of the assets and liabilities and their estimated values. The excess, if any, of the total acquisition cost over the sum of the assigned fair values of the tangible and identifiable intangible assets acquired, less liabilities assumed will be recorded as goodwill and periodically evaluated for impairment. United Security's financial statements issued after completion of the merger will reflect these values, but historical data are not restated retroactively to reflect the combined historical financial position or results of operations of United Security and Legacy Bank. For additional information, please read the section entitled "Description of United Security Management's Discussion and Analysis of Financial Condition and Results of Operations."

The Merger Agreement

The Merger

United Security and Legacy Bank entered into the merger agreement on October 6, 2006. Under the merger agreement's terms, Legacy Bank will merge with United Security Bank. The separate corporate existence of Legacy Bank will cease, and United Security Bank will be the survivor. Each share of Legacy Bank common stock issued and outstanding, other than shares with respect to which dissenters' rights have been perfected, will be converted into shares of United Security common stock.

Each share of United Security common stock outstanding immediately before the merger closes will remain outstanding after the merger closes. Please read the sections entitled "The Merger - Calculation of Consideration to be Paid to Legacy Bank Shareholders" and "Dissenters' Rights" for additional information.

United Security and Legacy Bank have structured the merger to qualify as a tax-free reorganization from their perspectives. For more information, you are urged to read the section entitled "The Merger - Certain Federal Income Tax Consequences" for additional information.

The Closing

The merger will be effective at the date and time a short-form merger agreement is filed with the DFI, after having been filed with the California Secretary of State and previously approved by the DFI. At the closing the parties will exchange various documents, including officers certificates, as required by the merger agreement. The merger agreement provides that the timing for the closing and the completion of the merger shall be mutually agreed upon by the parties and shall be held within 30 days after the last to occur of:

- all conditions to the completion of the merger being satisfied or waived;
- the receipt of all regulatory approvals; and
- the expiration of all applicable waiting periods in connection with the regulatory approvals.

Based upon the timing for Legacy Bank's special shareholders' meeting and the present and anticipated timing of the regulatory approvals, it is presently anticipated that the merger will be closed on or about February 16, 2007. Neither United Security nor Legacy Bank can assure you that the merger will close on that date.

Exchange Procedures

United Security's current transfer agent, Wells Fargo Shareowner Services, will be United Security's exchange agent to effect the exchange of shares of United Security common stock for shares of Legacy Bank common stock. A letter of transmittal will be sent to you shortly after the merger is completed. If you do not exercise dissenters' rights, you must use the letter of transmittal to receive shares of United Security common stock in exchange for your shares of Legacy Bank common stock.

In order to promptly receive shares of United Security common stock, you must deliver to the exchange agent:

- a properly completed letter of transmittal form;
- your certificates representing former shares of Legacy Bank common stock; and
- any other required documents described in the letter of transmittal.

Do not return your certificates representing shares of Legacy Bank common stock with the enclosed proxy. The certificates should only be forwarded to the exchange agent with the letter of transmittal.

Following the completion of the merger and upon surrender of all of the certificates representing former shares of Legacy Bank common stock registered in your name, or a satisfactory indemnity if any of such certificates are lost, stolen or destroyed, together with a properly completed letter of election and transmittal, the exchange agent will mail to you the United Security common stock to which you are entitled, less the amount of any required withholding taxes.

Representations and Warranties

The merger agreement contains various customary representations and warranties that United Security and Legacy Bank make for each other's benefit. The representations and warranties relate to:

- corporate organization and similar corporate matters;
- authorization, execution, delivery, performance and enforceability of the merger agreement and related matters;
- conflicts under charter documents, required consents or approvals, and violations of any agreements or law;
- capital structure;
- the accuracy of documents filed with the Securities and Exchange Commission and bank regulatory agencies;
- absence of certain material adverse events, changes, effects or undisclosed liabilities;
- retirement and other employee plans and matters relating to the Employee Retirement Income Security Act of 1974, as amended;
- litigation;
- compliance with laws, including environmental laws;
- tax returns and audits;
- ownership of real property;
- regulatory actions; and
- labor matters.

The foregoing is an outline of the representations and warranties made by United Security and Legacy Bank contained in the merger agreement attached as Appendix A. You should carefully review the entire merger agreement, and in particular Articles 3 and 4, containing the detailed representations and warranties of the parties.

Conduct of Business Before the Merger

The merger agreement places restrictions on and requires commitments by United Security and Legacy Bank regarding the conduct of their respective businesses between the date of the merger agreement and the closing. Legacy Bank has agreed to make its books and records available to United Security for ongoing review. Additionally, Legacy Bank has agreed to allow a representative from United Security to attend the meetings of its Board of Directors and loan committees. Both

United Security and Legacy Bank have agreed to use their best efforts to prepare and file the necessary regulatory applications and to obtain the approvals from the various regulatory agencies as well as to work together for the purpose of preparing this proxy statement-prospectus. Also, both United Security and Legacy Bank have agreed to use their best efforts to prevent any material changes to their respective representations and warranties contained in the merger agreement.

In addition, Legacy Bank has agreed that until the closing it will not without United Security's prior written consent (which consent shall not be unreasonably withheld and which consent shall be deemed granted if within five (5) business days of United Security's receipt of written notice of a request for prior written consent written notice of objection is not received by Legacy Bank):

- declare or pay any dividend;
- issue any stock options to acquire shares of Legacy Bank common stock;
- amend its Articles of Association or Bylaws;
- authorize another acquisition proposal to acquire Legacy Bank unless the Board of Directors of Legacy Bank has determined that the proposal is more favorable to Legacy Bank's shareholders and that the action is necessary for Legacy Bank to comply with its fiduciary duties to shareholders under applicable law;
- make the credit underwriting policies less stringent than those in effect on December 31, 2005 or reduce the amount of the loan loss reserves;
- take into other real estate owned any commercial property without an environmental report reporting no adverse environmental condition on the property; or
- materially change its pricing practices on loans or deposit products.

In addition, Legacy Bank has agreed that until the closing it will not without United Security's prior written consent (which consent shall not be unreasonably withheld and which consent shall be deemed granted if within two (2) business days of United Security's receipt of written notice of a request for prior written consent written notice of objection is not received by Legacy Bank) make, renew, or extend any loan if the aggregate indebtedness of the borrower exceeds or will exceed \$50,000 if unsecured and \$100,000 if secured.

Until the closing, Legacy Bank has agreed to use its best efforts to take certain actions and to:

- maintain a reserve for loan losses at an adequate level and charge off all loans deemed uncollectible;
- provide Legacy Bank's monthly board reports, copies of all material reports filed with or received from any governmental entity, and monthly unaudited balance sheets, statements of income and changes in shareholders' equity to United Security; and

- provide copies of each credit authorization package for credit of \$250,000 or more for secured loans, \$100,000 for unsecured loans, and renewals of any classified or criticized loans, concurrently with submission to Legacy Bank's loan committee.

Until the closing, subject to certain exceptions including Legacy Bank's prior approval, United Security has agreed that it will not, other than in the ordinary and usual course of business, declare or pay any extraordinary dividend.

The foregoing is a summary of the material negative and affirmative covenants of the merger agreement. You are encouraged to carefully read the terms of the merger agreement attached as Appendix A, including the specific covenants contained in Articles 5 and 6.

Discussions with Third Parties

The merger agreement provides that Legacy Bank shall not solicit or encourage third party proposals which would result in a merger, exchange offer, or other form of combination and requires that if such a proposal is received, notification must be given to United Security.

Notwithstanding the prohibition on soliciting or encouraging such proposals, the merger agreement recognizes that an unsolicited third party proposal might be received. Moreover, the merger agreement permits Legacy Bank engaging in discussions or negotiations with the third party if the proposal is determined, after consultation with counsel and a financial advisor, to be superior, from the shareholders' perspective, to the merger.

In the event the merger agreement is terminated because Legacy Bank elects to proceed with a third party transaction, Legacy Bank will be obligated to pay a termination fee to United Security in the amount of \$500,000.

The foregoing is a summary of the material provisions of the merger agreement regarding discussions with third parties. You are encouraged to read the terms of the merger agreement attached as Appendix A, including the specific provisions contained in Sections 6.2.5 and 8.5. of the merger agreement.

Employee Benefits

Immediately prior to the closing, Legacy Bank shall terminate any employee benefit arrangement requested by United Security. After completion of the merger, all employees of Legacy Bank at the date of the completion of the merger, shall be entitled to participate in all of United Security's and United Security Bank's employee benefit arrangements on the same basis as other similarly situated employees of United Security and United Security Bank. Each of these employees will be credited for eligibility, participation and vesting purposes with such employee's respective years of past service with Legacy Bank as though they had been employees of United Security and United Security Bank, except with respect to United Security's Employee Stock Option Plan and 401(k) Plan.

Conditions to the Parties' Obligations

The obligations of United Security and Legacy Bank to complete the merger are subject to certain mutual conditions, including, but not limited to the following:

- absence of any statute, rule, regulation or order, being in effect and prohibiting completion of the merger;
- the registration statement having become effective regarding the shares of United Security common stock to be issued upon completion of the merger;
- the receipt and continued effectiveness of all qualifications or registrations under state securities laws necessary for the issuance of the shares of United Security common stock to be issued upon completion of the merger;
- receipt of a tax opinion stating, among other things, that the merger will qualify as a tax-free reorganization for federal income tax purposes; and

- delivery of affiliate letters executed by each of Legacy Bank's affiliates;
- delivery of voting agreements executed by each of Legacy Bank's directors, as well as other various and customary closing documents; and
- the number of shares of Legacy Bank common stock which are eligible to be dissenting shares under Section 214a of the National Bank Act shall not exceed an amount which, when combined with other cash amounts payable in connection with the merger, would result in the merger being disqualified from a tax free reorganization.

In addition, Legacy Bank's obligation to complete the merger is also subject to the fulfillment or waiver by Legacy Bank of certain conditions, including but not limited to the following:

- United Security's representations and warranties being and remaining true, accurate and correct in all material aspects;

- United Security performing, in all material respects, all of its required obligations contained in the merger agreement before the closing;
- receipt of a fairness opinion to the effect that the terms of the merger are fair, from a financial standpoint, to Legacy Bank and its shareholders;
- the fairness opinion shall not have been withdrawn prior to the Legacy Bank meeting; and
- United Security shall have offered each director of Legacy Bank who is not selected to serve as a member of United Security's and United Security Bank's boards of directors, the title of Director Emeritus which includes a monthly stipend of \$400 provided the director meets certain conditions.

The foregoing is a summary of the material conditions of the merger agreement. You are encouraged to read the terms of the merger agreement attached as Appendix A, including the specific provisions contained in Article 7 of the merger agreement.

Termination

United Security and Legacy Bank can mutually agree to terminate the merger agreement and abandon the merger at any time.

Under certain circumstances, either United Security or Legacy Bank can terminate the merger agreement:

- if the other party materially breaches any representation, warranty, covenant, or agreement contained in the merger agreement that is not cured prior to completion of the merger; or
- if the conditions to the merger have not been met by March 31, 2007; or
- if there is a breach or default that would be reasonably likely to have, a material adverse effect upon the consummation of the merger.

United Security can terminate the merger agreement if Legacy Bank's board of directors approves a merger agreement with a party other than United Security or fails to publicly oppose an offer to acquire 25% of the outstanding shares of Legacy Bank common stock.

If the merger agreement is terminated by United Security or Legacy Bank due to a material breach of any representation, warranty, covenant or agreement, the breaching party will owe the other party liquidated damages of \$200,000. If United Security terminates the merger agreement due to lack of shareholder approval by Legacy Bank's shareholders, Legacy Bank will owe United Security liquidated damages of \$200,000. In addition, if Legacy Bank's board of directors approves an alternative merger or similar proposal within one year of United Security's termination of the merger agreement, Legacy Bank will owe United Security an additional \$300,000. The payment of these fees shall be made as reasonable liquidated damages and not as a penalty or forfeiture.

The foregoing is a summary of the material termination provisions of the merger agreement. You are encouraged to read the terms of the merger agreement attached as Appendix A, including the specific provisions contained in Article 8 of the merger agreement.

Expenses

The merger agreement provides that United Security and Legacy Bank shall bear their own costs and expenses incurred in connection with the merger agreement and the merge. The total estimated cost of the merger is approximately \$400,000. United Security will bear approximately \$200,000 and Legacy Bank will bear approximately \$200,000. For example, United Security shall bear, among others, the expenses of:

- preparation of the merger agreement;
- preparation and delivery of the tax opinion from Bullivant, Houser, Bailey, PC;
- preparation of the registration statement, including filing fees;
- filing fees and related costs of regulatory applications; and
- any notifications and press releases to United Security shareholders, including printing expenses.

Legacy Bank shall bear, among others, the expenses of:

- preparation of the merger agreement;
- preparation of its proxy materials;
- the fairness opinion; and
- any notifications and press releases to Legacy Bank shareholders, including printing expenses.

Director Voting Agreements

United Security has entered into voting agreements with each of Legacy Bank's directors who hold, in the aggregate, shares representing approximately 33.4% of Legacy Bank common stock entitled to vote. The director's agreements, in the form attached as Exhibit 7.2.7 to the merger agreement, require each of Legacy Bank's directors to vote in favor of the merger at Legacy Bank's shareholders' meeting.

Each director's agreement also provides that the directors will not take any action that will alter or affect in any way the director's right to vote his or her shares of Legacy Bank common stock.

The director's agreements bind the actions of the directors only in their capacity as Legacy Bank shareholders. The directors are not and could not be contractually bound to abrogate their fiduciary duties as directors of Legacy Bank. Accordingly, while the directors are contractually bound to vote as a Legacy Bank shareholder in favor of the merger, their fiduciary duties as directors

nevertheless require them to act in their capacities as directors in the best interests of Legacy Bank when they consider the merger. In addition, the directors will continue to be bound by their fiduciary duties as Legacy Bank's directors with respect to any further decisions they make in connection with the merger.

The director's agreements also provide that for a period of two years after the completion of the merger, the director agrees not to compete with United Security through the ownership of more than 1% of, or be connected as an officer, director, employee, principal, agent or consultant to any financial institution whose deposits are insured by the Federal Deposit Insurance Corporation, or FDIC, that has its head offices or a branch office within 50 miles of the head office of Legacy Bank.

The director's agreements terminate at the earlier of two years following the completion of the merger or when the merger agreement terminates according to its terms.

United Security is a California corporation incorporated during March of 2001 and is registered with the Board of Governors of the Federal Reserve System as a bank holding company under the Bank Holding Company Act of 1956, as amended. United Security's stock is listed on NASDAQ under the symbol "UBFO". United Security Bank is a wholly-owned bank subsidiary of United Security and was formed in 1987. United Security Bancshares Capital Trust I (the "Trust") is also a wholly-owned subsidiary of United Security and was formed during June of 2001 as a Delaware business trust for the sole purpose of issuing Trust Preferred securities.

United Security Bank is a California state-chartered bank headquartered in Fresno, California. It is also a member of the Federal Reserve System. United Security Bank originally commenced business on December 21, 1987 as a national bank and, in February, 1999, converted to a state-chartered bank. United Security Bank's operations are currently subject to federal and state laws applicable to state-chartered, member banks and its deposits are insured up to the applicable limits by the FDIC. United Security Bank is also subject to the Federal Deposit Insurance Act and regulatory reporting requirements of the FDIC. As a state-chartered bank and a member of the Federal Reserve System, United Security Bank is subject to supervision and regular examinations by the FRB and the DFI. In addition, United Security Bank is required to file reports with the FRB and provide such additional information as the FRB may require.

Effective August 25, 1995, United Security Bank consummated a merger with Golden Oak Bank, a two branch California state chartered bank located in Oakhurst, California, with assets of approximately \$45 million at the date of merger. The merger was accounted for as a pooling of interests.

During February of 1997, United Security Bank completed the purchase of the deposits and certain assets of two branches of Wells Fargo Bank located in Caruthers and San Joaquin, both located in Fresno County. This brought the total branches operated at that time by United Security Bank to six and the total assets to approximately \$190 million. United Security Bank paid a premium of approximately \$1.2 million to purchase deposit accounts totaling approximately \$33.4

million. United Security Bank also purchased cash balances as well as certain fixed assets of the branch operations.

During October of 1997, United Security Bank completed the purchase from Bank of America of two of its branches located in Firebaugh and Coalinga, both located in Fresno County. The acquisition brought the total branches operated by United Security Bank to eight at that time and the total assets to approximately \$238 million. The premium paid by United Security Bank totaled approximately \$3.0 million and the amount of deposits totaled approximately \$44.4 million. The transaction included the receipt of cash balances of approximately \$1.0 million and the purchase of premises and equipment totaling approximately \$600,000.

USB Investment Trust Inc. was incorporated effective December 31, 2001 as a special purpose real estate investment trust, or REIT, under Maryland law. The REIT is a subsidiary of United Security Bank and was funded with \$133.0 million in real estate-secured loans contributed by United Security Bank. USB Investment Trust was originally formed to give United Security Bank flexibility in raising capital, and reduce the expenses associated with holding the assets contributed to USB Investment Trust.

On April 23, 2004, United Security completed its acquisition of Taft National Bank headquartered in Taft, California. Taft was merged into United Security Bank and Taft's two branches are operated as branches of United Security Bank. The total consideration paid to Taft shareholders was 482,894 shares of United Security's common stock valued at just over \$6 million. In the merger, United Security acquired \$15.4 million in cash and short-term investments, \$23.3 million in loans, and \$48.2 million in deposits. The transaction was accounted for using the purchase accounting method, and resulted in the purchase price being allocated to the assets acquired and liabilities assumed from Taft based on the fair value of those assets and liabilities. The consolidated statement of income includes the operations of Taft from the date of the acquisition through December 31, 2004.

During August 2005, United Security Bank formed a new subsidiary named United Security Emerging Capital Fund, or the Fund, for the purpose of providing investment capital for Low-Income Communities (LIC's). The Fund was formed as a Community Development Entity (CDE) and was certified by the Community Development Financial Institutions Fund of the United States Department of the Treasury. The Fund submitted an application to apply for an allocation of New Market Tax Credits (NMTC) in September 2005, which was denied. The Fund will reapply for the allocation of NMTC's. If the Fund is successful in the application process, the Fund can attract investments and make loans and investments in LIC's and thereby qualify its investors to receive Federal Income Tax Credits. The maximum that can be applied for under the NMTC program by any one CDE is \$150 million, and United Security Bank is subject to an investment limitation of 10% of its risk-based capital. Federal new market tax credits would be applied over a seven-year period, 5% for the first three years, and 6% for the next four years for a total of 39%.

At September 30, 2006, United Security operated ten full-service bank branches and one construction lending office; with seven branches in Fresno County, two branches in Kern County, and one branch in Madera County. United Security Bank operates three branches (including its main office) and one construction lending office in Fresno and one branch each, in Oakhurst, Caruthers, San Joaquin, Firebaugh, Coalinga, Bakersfield, and Taft. In addition, United Security and United Security Bank have administrative headquarters at 2126 Inyo Street, Fresno, California, 93721. As a community-oriented bank, United Security continues to seek ways to better meet its customers

needs for financial services, and to expand its business opportunities in today's ever-changing financial services environment. United Security's strategy is to be a better low-cost provider of services to its customer base while enlarging its market area and corresponding customer base to further its ability to provide those services.

Current rental payments under the aforementioned leases total approximately \$26 thousand per month. Legacy Bank is also responsible for common area maintenance, taxes and insurance.

Legal Proceedings

From time to time, Legacy Bank is a party to claims and legal proceedings arising in the ordinary course of business. Legacy Bank's management is not aware of any material pending litigation proceedings to which it is a party or has recently been a party, which will have a material adverse effect on the financial condition or results of operations of Legacy Bank.

On December 21, 2006, Legacy Bank entered into a formal written agreement within the meaning of 12 U.S.C. 1818(b)(1) with the OCC which requires Legacy Bank to take actions to ensure Legacy Bank has competent management in place on a permanent full time basis; review and revise Legacy Bank's written loan policy to strengthen underwriting and reduce credit risk; develop a written program to improve loan portfolio management; develop a three year capital program and maintain Tier 1 capital, at least equal to 10% of the risk-weighted assets and Tier 1 capital, at least equal to 8% of adjusted total assets; and maintain a level of liquidity to sustain Legacy Bank's operations and revise the liquidity plans.

Market Area and Competition

The area from which Legacy Bank expects to attract most of its business and which is coextensive with its Community Reinvestment Act designated community (assessment area), will include the communities of Santa Clara County, California and the contiguous surrounding counties.

The banking business in California, generally, and specifically in the greater San Jose and adjacent areas, is highly competitive with respect to both loans and deposits. The business is dominated by a relatively small number of major banks, most of which have many offices operating over wide geographic areas. Many of the major commercial banks and their affiliates, including those headquartered outside California, offer certain services (such as trust and securities brokerage services) that are not offered directly by Legacy Bank. By virtue of their greater total capitalization, such banks have substantially higher lending limits than Legacy Bank and substantially larger advertising and promotional budgets. In addition, Legacy Bank faces competition from other community banks headquartered in the greater San Jose area that are also serving individuals and businesses.

In recent years, a large number of mergers and consolidations of both banks and savings entities have occurred in California and throughout the nation. A substantial number of the larger banks have been involved in major mergers. The result is that these institutions generally have centralized and standardized their services. Similarly, most lending functions and decisions are sent outside the area. Acquisitions by major interstate bank holding companies and other large acquirers in the greater San Jose vicinity have resulted in numerous branch consolidations in the area. Many long-standing relationships have been disrupted or severed, while many other customers are now subjected to less personalized and more standardized services.

Legacy Bank believes that this recent merger and consolidation activity presents Legacy Bank with the opportunity to attract customers who are dissatisfied with the level of service provided by larger banks. Legacy Bank solicits customers displaced by the recent and current merger activity.

In order to compete with the major financial institutions in Legacy Bank's primary service areas, Legacy Bank uses to the fullest extent possible the contacts of its organizers, founders, advisors, directors and officers with residents and businesses in Legacy Bank's primary service areas. Legacy Bank emphasizes specialized services, local promotional activity and personal contacts by Legacy Bank's officers, directors and other employees. Programs have been developed to specifically address the needs of small to medium-sized businesses, professional businesses, and individuals in the community. As necessary, Legacy Bank can arrange for loans that are too large for Legacy Bank to make by itself to be made on a participation basis with other financial institutions and intermediaries.

Legacy Bank also helps its customers who require other services not offered by Legacy Bank to obtain such services from its correspondent banks or other sources. In addition, Legacy Bank has joined the STAR® and PLUS® ATM networks and also offers, among other services, a night depository, courier services, bank-by-mail services, direct deposit, and on-line Internet banking.

Effect of Government Policies and Recent Legislation

Banking is a business that depends on rate differentials. In general, the difference between the interest rate paid by Legacy Bank on its deposits and its other borrowings and the interest rate received by Legacy Bank on loans extended to its customers and securities held in Legacy Bank's portfolio comprise the major portion of Legacy Bank's earnings. These rates are highly sensitive to many factors that are beyond the control of Legacy Bank. Accordingly, the earnings and growth of Legacy Bank are subject to the influence of domestic and foreign economic conditions, including inflation, recession and unemployment.

The commercial banking business is not only affected by general economic conditions but is also influenced by the monetary and fiscal policies of the federal government and the policies of regulatory agencies, particularly the Federal Reserve Board. The Federal Reserve Board implements national monetary policies, with objectives such as curbing inflation and combating recession, by its open-market operations in United States Government securities, by adjusting the required level of reserves for financial institutions subject to its reserve requirements and by varying the discount rates applicable to borrowings by depository institutions. The actions of the Federal Reserve Board in these areas influence the growth of bank loans, investments and deposits and also affect interest rates charged on loans and paid on deposits. The nature and impact on Legacy Bank of any future changes in monetary policies cannot be predicted.

From time to time, legislation is enacted which has the effect of increasing the cost of doing business, limiting or expanding permissible activities or affecting the competitive balance between banks and other financial institutions. Proposals to change the laws and regulations governing the operations and taxation of banks, bank holding companies and other financial institutions are frequently made in Congress, in the California legislature and before various bank regulatory and other professional agencies. See Supervision and Regulation.

Overview

Legacy Bank received preliminary approval from the Comptroller of the Currency to organize as a national bank and was incorporated on September 30, 2002. Prior to that date, and up to the inception of business of October 1, 2003, organizers of Legacy Bank incurred costs in connection with the organizational process and raising of the initial capitalization of Legacy Bank. These costs were reimbursed at the inception of business from the proceeds of the initial capitalization, which totaled \$12.2 million.

As of September 30, 2006 and December 31, 2005, Legacy Bank had assets of \$83.3 million and \$82.6 million, respectively. Gross loans were \$65.1 million at September 30, 2006 and \$63.5 million at December 31, 2005. Total deposits were \$72.3 million at September 30, 2005 and \$68.9 million at December 31, 2005. Total stockholders equity at September 30, 2006 was \$10.7 million compared to \$10.3 million at December 31, 2005. For the nine months ended September 30, 2006, Legacy Bank recorded net income of \$259 thousand compared to a net loss of \$925 thousand for the same period in 2005.

As of December 31, 2005 and 2004, Legacy Bank had assets of \$82.6 million and \$59.6 million, respectively. Gross loans were \$63.5 million and \$36.0 million at December 31, 2005 and 2004, respectively. Total deposits were \$68.9 million at December 31, 2005 and \$52.6 million at December 31, 2004. Total stockholders equity at December 31, 2005 was \$10.3 million compared to \$6.8 million at December 31, 2004. Results of Operations

Net Interest Income and Net Interest Margin

Net Interest Income. Legacy Bank's primary source of revenue is net interest income, which is the difference between interest income on interest earning assets and interest expense on interest bearing liabilities. For the nine month periods ended September 30, 2006 and 2005, average interest earning assets were \$76.9 million and \$60.1 million, respectively, generating net interest income of \$3.6 million and \$2.3 million, respectively. The significant increase in net interest income in 2006 reflects the substantial increase in interest earning assets, primarily loans, which reflects the use of the additional funds provided by stock proceeds and the continued transition of cash and short-term investments to higher yielding adjustable rate loans per Legacy Bank's strategic plan. The net interest margins are calculated on an annualized basis

The net interest margin (net interest income annualized divided by average interest-earning assets) for the nine month periods ended September 30, 2006 and 2005, were 6.26% and 5.22%, respectively.

The increase in the net interest margin, when comparing the nine month periods ended September 30, 2006 and 2005, was primarily due to: (1) the increases in the average balances of loans as a percentage of the earning assets; (2) increases in the prime rate, which is the primary index for the majority of Legacy Bank's loan portfolio; (3) increases in the short-term interest rates, which

Edgar Filing: UNITED SECURITY BANCSHARES - Form 424B3

benefit Legacy Bank's short-term investments and (4) transitioning interest bearing liabilities to certificates of deposits to reduce the interest rate risk in the current increasing rate environment.

The following table sets forth, for the nine months ended September 30, 2006 and 2005, information related to Legacy Bank's average balance sheet and average yields on assets and average costs of liabilities. These yields were derived by dividing income or expense by the average balance of the corresponding assets or liabilities. Average balances were derived from the daily balances throughout the periods indicated.

Net interest income was \$3.5 million in 2005 compared to \$1.1 million in 2004, an increase of 215.7%. Legacy Bank's net interest margin was 5.46% for the year ended December 31, 2005 as compared to 3.38% for the year ended December 31, 2004. The increase in net interest income and net interest margin was primarily the result of higher interest earning assets and higher general market rates. The level of net interest income is also determined by the level of earning assets and the successful management of the net interest margin. Changes in interest rates paid on assets and liabilities, the rate of growth of the asset and liability base, the ratio of interest-earning assets to interest-bearing liabilities, and management of the balance sheet's interest rate sensitivity all factor into changes in net interest income.

The following table sets forth, for the years ended December 31, 2005 and 2004, information related to Legacy Bank's average balance sheet and average yields on assets and average costs of liabilities. These yields were derived by dividing income or expense by the average balance of the corresponding assets or liabilities. Average balances were derived from the daily balances throughout the periods indicated.

Volume, Mix and Rate Analysis of Net Interest Income

The following table presents the extent to which changes in volume, changes in interest rates, and changes in the interest rates times the changes in volume of interest earning assets and interest bearing liabilities affected Legacy Bank's interest income and interest expense during the periods indicated. Information is provided on changes in each category due to (1) changes attributable to changes in volume (change in volume times the prior period interest rate), (2) changes attributable to changes in interest rate (changes in rate times the prior period volume), and (3) changes attributable to changes in rate/volume (changes in interest rate times changes in volume). Changes attributable to the combined impact of volume and rate have been allocated proportionally to the changes due to volume and the changes due to rate:

Provision for Loan Losses

Legacy Bank's management performs quarterly detailed reviews to identify the risks inherent in Legacy Bank's loan portfolio, to assess the overall quality of the loan portfolio, and to determine the adequacy of the allowance for loan losses and the related provision for loan losses to be charged to expense. The systematic reviews follow the methodology set forth in the Comptroller's policy statement on the allowance for loan losses. The allowance for loan losses is reduced by charge-offs and increased by provisions for loan losses charged to operating expense and recoveries of previously charged-off loans.

Legacy Bank provided \$125 thousand for loan losses for the nine months ended September 30, 2006. There were no charge-offs for the nine months ended September 30, 2006. Recoveries for the nine months ended September 30, 2006 totaled \$77 thousand. There were net charge-offs for the nine months ended September 30, 2005 of \$273 thousand.

As of September 30, 2006, Legacy Bank had established an allowance for loan losses of \$1.04 million compared to \$842 thousand at December 31, 2005. The allowance for loan losses was approximately 1.60% of total loans at September 30, 2006 and 1.33% of total loans at December 31, 2005. There were no nonperforming loans at September 30, 2006. As of December 31, 2005, the Bank had one nonperforming loan for \$300 thousand.

Legacy Bank provided \$261 thousand for loan losses for the year ended December 31, 2005. Net charge-offs for the year ended December 31, 2005 totaled \$238 thousand. There were no charge-offs during the year 2004.

As of December 31, 2005, Legacy Bank had established an allowance for loan losses of \$842 thousand compared to \$820 thousand at December 31, 2004. The allowance for loan losses was approximately 1.33% of total loans at December 31, 2005 and 2.28% of total loans at December 31, 2004. As of December 31, 2005, Legacy Bank had one nonperforming loan totaling \$300 thousand. There were no nonperforming loans at December 31, 2004.

Legacy Bank's management is of the opinion that the allowance for loan losses is maintained at a level adequate for known and unidentified losses inherent in the loan portfolio. However, Legacy Bank's loan portfolio could be adversely affected if economic conditions in California and Santa Clara County and surrounding areas were to weaken. The effect of such events, although uncertain at this time, could result in an increase in the level of non-performing loans and the level of the allowance for loan losses, which could adversely affect Legacy Bank's future growth and profitability.

Noninterest Income and Noninterest Expense

Noninterest Income Total non-interest income was \$635.3 thousand and \$73.1 thousand for the nine month period ended September 30, 2006 and 2005, respectively. The increase in the non-interest income was primarily due to: (1) \$401.7 thousand in gain on sale of SBA loans; (2) increase of \$139.3 thousand in service charges on deposit accounts and (3) \$21.2 thousand in other SBA-related fee income.

Noninterest income in 2005 was \$228 thousand, an increase of \$190 thousand compared to noninterest income of \$38 thousand in 2004. The increase was primarily the result of additional volume of service charges and fees on deposits and gain on sale of SBA loans.

Noninterest Expense Non-interest expenses increased by \$675.2 thousand or 21.2% for the nine months ended September 30, 2006, compared to the nine months ended September 30, 2005. The largest increases were in salaries and employee benefits, which increased \$481.4 thousand, which was attributable to increased lending staff and one-time severance costs related to the Bank's former chief executive officer; occupancy expenses increased \$131.9 thousand, which was related to short-term lease of additional space to relocate certain administrative personnel. Data processing expenses also increased by \$102.3 thousand due to the normal operational growth of Legacy Bank.

Noninterest expense in 2005 totaled \$4.3 million of which salaries and employee benefits totaled \$2.4 million. Professional services fees were \$484 thousand while occupancy expenses was the next largest expense at \$446 thousand followed by data services \$376 thousand and marketing \$179 thousand.

Income Taxes

No tax benefit was recognized in 2006, 2005 and 2004 for the net operating losses incurred, as the ultimate realization was not reasonably assured.

This agreement was secured by a security with a market value of approximately \$3.3 million. There were no other repurchase agreement transactions during 2005.

At December 31, 2005, Legacy Bank had one unused Federal funds purchased lines of credit totaling \$2.3 million.

Liquidity and Liability Management

Liquidity management for banks requires that funds always be available to pay deposit withdrawals and maturing financial obligations in accordance with their terms and to meet customer requests for loans. The acquisition of deposits has been Legacy Bank's primary source of funds used to invest in earning assets. Legacy Bank expects that deposits will continue to be the primary source of funds in future periods. Legacy Bank emphasizes seeking demand deposits from business customers in Legacy Bank's market area. When necessary, Legacy Bank also pursues the higher cost time deposits, including brokered deposits, typically attracting large certificates of deposit at high interest rates. Other sources of funds have been the cash provided from operations, the proceeds of common stock sales and from borrowings.

At September 30, 2006 and December 31, 2005, the Bank had brokered deposits of \$1.9 million and \$15.8 million, respectively.

To meet liquidity needs, the Bank maintains a portion of its funds in cash deposits in other banks, federal funds sold, and investment securities. As of September 30, 2006 and December 31, 2005, Legacy Bank's liquidity ratio was 21.0% and 20.9%, respectively (defined as liquid assets as a percentage of client deposits). Liquid assets were composed of federal funds sold, available-for-sale investment securities less securities that are pledged to secure treasury, tax and loan deposits and other purposes as required by law, interest bearing deposits in other financial institutions and cash and due from banks. Client deposits exclude broker deposits and all CDARS deposits. The Bank monitors Legacy Bank's liquidity ratios daily to ensure the ratio is above Legacy Bank's policy target of 20.0%. The Bank attempts to maximize its loan to deposit ratios and minimize its liquidity ratio, consistent with its liquidity needs and policy, to maximize net interest margin.

The table below sets forth the interest rate sensitivity of Legacy Bank's interest-earning assets and interest-bearing liabilities as of September 30, 2006 using the interest rate sensitivity gap ratio. For purposes of the following table, an asset or liability is considered rate-sensitive within a specified period when it can be repriced or matures within its contractual terms:

The objective of Legacy Bank's asset/liability strategy is to manage liquidity and interest rate risks to ensure the safety and soundness of Legacy Bank and its capital base, while maintaining adequate net interest margins and spreads to provide an appropriate return to Legacy Bank's shareholders.

Legacy Bank manages its interest rate risk exposure by limiting the amount of long-term fixed rate loans it holds for investment, increasing emphasis on shorter-term, higher yield loans for portfolio, increasing or decreasing the relative amounts of long-term and short-term borrowings and deposits, originating SBA loans for sale to the secondary market, and/or purchasing commitments to sell loans.

The table below sets forth the interest rate sensitivity of Legacy Bank's interest-earning assets and interest-bearing liabilities as of December 31, 2005, using the interest rate sensitivity gap ratio. For purposes of the following table, an asset or liability is considered rate-sensitive within a specified period when it can be repriced or matures within its contractual terms:

Liquidity refers to Legacy Bank's ability to maintain a cash flow adequate to fund both on-balance sheet and off-balance sheet requirements on a timely and cost-effective basis. Potentially significant liquidity requirements include funding of commitments to loan customers and withdrawals from deposit accounts.

Legacy Bank's liquidity ratio is defined as: the sum of cash and due from banks, federal funds sold, interest-bearing deposits with other financial institutions and investment securities, divided by the sum of total deposits. Using this definition at December 31, 2005, Legacy Bank's liquidity ratio was 26.7%.

Capital Resources

The banking industry is subject to regulatory capital adequacy requirements based on risk-adjusted assets. These requirements take into consideration the risk inherent in investments, loans, and other assets for both on-balance sheet and off-balance sheet items. Under these requirements, the regulatory agencies have set minimum thresholds for Tier 1 capital, total capital and leverage ratios. At September 30, 2006 and December 31, 2005 Legacy Bank's capital exceeded all minimum regulatory requirements and Legacy Bank was considered to be well capitalized as defined in the regulations issued by the FDIC. However, on December 21, 2006, Legacy Bank, entered into a formal written agreement within the meaning of 12 U.S.C. 1818(b)(1) with the OCC pursuant to findings contained in the Report of Examination for the examination that commenced on July 31, 2006. (See Information Regarding Legacy Legal Proceedings.)

As part of the formal written agreement, Legacy Bank is required to achieve and maintain Tier 1 capital at least equal to ten (10%) of risk-weighted assets, and Tier 1 capital at least equal to eight (8%) of adjusted total assets. The requirement of the formal written agreement to meet and maintain a specific capital level means that Legacy Bank may not be deemed to be well-capitalized for purposes of 12 U.S.C. 1831 and 12 C.F.R. Part 6 pursuant to 12 C.F.R. 6.4(b)(1)(iv).

Legacy Bank's risk-based capital ratios, shown below as of September 30, 2006 and December 31, 2005, have been computed in accordance with regulatory accounting policies.

September 30, 2006	Minimum Requirements	Legacy Bank	
Tier 1 Capital	4	% 14.6	%
Total Capital	8	% 15.9	%
Leverage Ratio	4	% 13.3	%

For the first nine months ended September 30, 2006, the return on average assets was .43%, the return on average equity was 3.27%, and the average equity to average assets was 14.7%.

December 31, 2005	Minimum Requirements	Legacy Bank	
Tier 1 Capital	4	% 14.6	%
Total Capital	8	% 15.8	%
Leverage Ratio	4	% 13.7	%

For 2005, the return on average assets was (1.31)%, the return on average equity was (8.91)%, and the average equity to average assets was 14.7%.

Effects of Inflation

The financial statements and related financial information presented herein have been prepared in accordance with generally accepted accounting principles, which require the measurement of financial position and operating results in terms of historical dollars without considering changes in the relative purchasing power of money over time due to inflation. Unlike

most industrial companies, virtually all of the assets and liabilities of a financial institution are monetary in nature. As a result, interest rates have a more significant impact on a financial institution's performance than the effects of general levels of inflation. Interest rates do not necessarily move in the same direction or same magnitude as the price of goods and services.

Impact of New Accounting Pronouncements

See Note A of the NOTES TO FINANCIAL STATEMENTS for information concerning recent accounting pronouncements. Except as discussed in Note A, Legacy Bank believes there are no new accounting pronouncements that will have a material impact on Legacy Bank.

Comparison of Shareholder Rights

The following discusses some of the similarities and some of the differences in the rights of shareholders of Legacy Bank and United Security. This discussion is applicable to those shareholders of Legacy Bank who will receive United Security common stock in the merger and become shareholders of United Security.

Comparison of Corporate Structure

Legacy Bank has authorized 10,000,000 shares of common stock, \$5.00 par value and United Security has authorized 20,000,000 shares of common stock, no par value. The shares of common stock of Legacy Bank are fully paid and assessable by order of the OCC, while the shares of common stock of United Security are fully paid and nonassessable. There are no preemptive or other subscription rights, and there are no conversion rights or redemption or sinking fund provisions.

After completion of the merger, Legacy Bank will cease to exist and will be merged into United Security Bank, a subsidiary of United Security. Thus, after completion of the merger, matters requiring the approval of United Security Bank's shareholders, such as amendments to United Security Bank's articles of incorporation or approval of a merger with another corporation, will be subject to the approval of United Security as United Security Bank's sole shareholder. Legacy Bank's present shareholders who become shareholders of United Security will be entitled to vote on similar matters pertaining to United Security but will not be entitled to vote on matters affecting United Security Bank or United Security's other subsidiaries.

With respect to their charter documents, under National Bank Law amendments to Legacy Bank's articles of association require the approval of the OCC, in addition to any shareholder approvals which may be required. Amendments to United Security's articles of incorporation only require the approval of United Security's shareholders.

Voting Rights

Legacy Bank and United Security have different voting rights. Although as a general rule shareholders of Legacy Bank and United Security are entitled to one vote for each share of common stock held, Legacy Bank has supermajority voting provisions specific to national banks with respect to approval of certain corporate matters, including the vote on this merger, while United Security does not have any supermajority voting provisions.

Dividends

One of the most important differences between Legacy Bank and United Security involves dividends. Under California law, United Security would be prohibited from paying dividends unless: (1) its retained earnings immediately prior to the dividend payment equals or exceeds the amount of the dividend; or (2) immediately after giving effect to the dividend (i) the sum of United Security's assets would be at least equal to 125% of its liabilities, or, if the average of its earnings before taxes on income and before interest expense for the two preceding fiscal years was less than the average of its interest expense for the two preceding fiscal years, the current assets of United Security would be at least equal to 125% of its current liabilities. The primary source of funds with which dividends will be paid to shareholders will come from cash dividends received by United Security from United Security Bank.

United Security Bank as a state-chartered bank is subject to dividend restrictions set forth in California state banking law, and administered by the DFI. Under such restrictions, United Security Bank may not pay cash dividends in an amount which exceeds the lesser of the retained earnings of United Security Bank or United Security Bank's net income for the last three fiscal years (less the amount of distributions to shareholders during that period of time). If the above test is not met, cash dividends may only be paid with the prior approval of the DFI, in an amount not exceeding United Security Bank's net income for its last fiscal year or the amount of its net income for the current fiscal year. Such restrictions do not apply to stock dividends, which generally require neither the satisfaction of any tests nor the approval of the DFI. Notwithstanding the foregoing, if the DFI finds that the shareholders' equity is not adequate or that the declarations of a dividend would be unsafe or unsound, the DFI may order the state bank not to pay any dividend. The FRB may also limit dividends paid by United Security Bank.

Legacy Bank as a national bank is subject to dividend restrictions set forth by the OCC. Under such restrictions, Legacy Bank may not, without the prior approval of the OCC, declare dividends in excess of the sum of the current year's earnings (as defined) plus the retained earnings (as defined) from the prior two years, provided that Legacy Bank's surplus fund is at least equal to its common capital. If the capital surplus falls below the balance of the common capital account, then further restrictions apply.

Number of Directors

Legacy Bank's bylaws provide for a range of five to twenty-five directors, with the exact number fixed by amendment to the bylaws or by resolution adopted by Legacy Bank's Board of directors or shareholders. Legacy Bank has currently fixed the number of its directors at eleven. United Security's bylaws provide for a range of eight to fifteen directors, with the exact number fixed by amendment to the bylaws or by resolution adopted by United Security's Board of Directors or shareholders. United Security has currently fixed the number of its directors at ten.

Indemnification of Directors and Officers

The articles of incorporation of United Security and bylaws of Legacy Bank authorize indemnification of directors, officers and agents to the fullest extent permissible under California law, and authorize the purchase of liability insurance. In addition, United Security's articles of incorporation eliminate directors' liability for monetary damages to the fullest extent permissible under California law. Both Legacy Bank and United Security have directors' and officers' liability

insurance, and United Security has also entered into indemnification agreements with its directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling United Security under the foregoing provisions, United Security has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Supervision and Regulation

Introduction

Banking is a complex, highly regulated industry. The primary goals of the regulatory scheme are to maintain a safe and sound banking system, protect depositors and the FDIC's insurance fund, and facilitate the conduct of sound monetary policy. In furtherance of these goals, Congress and the states have created several largely autonomous regulatory agencies and enacted numerous laws that govern banks, bank holding companies and the financial services industry. Consequently, the growth and earnings performance of United Security, United Security Bank and Legacy Bank can be affected not only by management decisions and general economic conditions, but also by the requirements of applicable state and federal statutes, regulations and the policies of various governmental regulatory authorities, including:

- the FRB;
- the FDIC;
- the Office of the Comptroller of the Currency, or OCC; and
- the DFI.

The system of supervision and regulation applicable to United Security, its banking subsidiaries, and Legacy Bank governs most aspects of their business, including:

- the scope of permissible business;
- investments;
- reserves that must be maintained against deposits;
- capital levels that must be maintained;
- the nature and amount of collateral that may be taken to secure loans;
- the establishment of new branches;
- mergers and consolidations with other financial institutions; and
- the payment of dividends.

The following summarizes the material elements of the regulatory framework that apply to United Security, United Security Bank, and Legacy Bank. It does not describe all of the statutes, regulations and regulatory policies that are applicable. Also, it does not restate all of the requirements of the statutes, regulations and regulatory policies that are described. Consequently, the following summary is qualified in its entirety by reference to the applicable statutes, regulations and regulatory policies discussed in this proxy statement-prospectus. Any change in these applicable laws, regulations or regulatory policies may have a material effect on the business of United Security, United Security Bank and Legacy Bank.

United Security

United Security is a bank holding company within the meaning of the Bank Holding Company Act and is registered as such with, and subject to the supervision of, the Federal Reserve Board. United Security is required to file with the Federal Reserve Board quarterly and annual reports and such additional information as the Federal Reserve Board may require under the Bank Holding Company Act. The Federal Reserve Board may conduct examinations of bank holding companies and their subsidiaries.

United Security is required to obtain the approval of the Federal Reserve Board before it may acquire all or substantially all of the assets of any bank or ownership or control of the voting shares of any bank if, after giving effect to such acquisition of shares, United Security would own or control more than 5% of the voting shares of such bank. Prior approval of the Federal Reserve Board is also required for the merger or consolidation of United Security and another bank holding company.

United Security is prohibited by the Bank Holding Company Act, except in certain statutorily prescribed instances, from acquiring direct or indirect ownership or control of more than 5% of the outstanding voting shares of any company that is not a bank or bank holding company and from engaging, directly or indirectly, in activities other than those of banking, managing or controlling banks or furnishing services to its subsidiaries. However, United Security may, subject to the prior approval of the Federal Reserve Board, engage in any, or acquire shares of companies engaged in, activities that are deemed by the Federal Reserve Board to be so closely related to banking or managing or controlling banks as to be acceptable.

The Federal Reserve Board may require that United Security terminate an activity or terminate control of or liquidate or divest subsidiaries or affiliates when the Federal Reserve Board determines that the activity or the control or the subsidiary of affiliates constitutes a significant risk to the financial safety, soundness or stability of any of its banking subsidiaries. The Federal Reserve Board also has the authority to regulate provisions of certain bank holding company debt, including authority to impose interest ceiling and reserve requirements on such debt. Under certain circumstances, United Security must file written notice and obtain approval from the Federal Reserve Board prior to purchasing or redeeming its equity securities.

Under the Federal Reserve Board's regulations, a bank holding company is required to serve as a source of financial and managerial strength to its subsidiary banks and may not conduct its operations in an unsafe and unsound manner. In addition, it is the Federal Reserve Board's policy that in serving as a source of strength to its subsidiary banks, a bank holding company should stand ready to use available resources to provide adequate capital funds to its subsidiary banks during periods of financial stress or adversity and should maintain the financial flexibility and capital-raising capacity to obtain additional resources for assisting its subsidiary banks. A bank holding

company's failure to meet its obligations to serve as a source of strength to its subsidiary banks will generally be considered by the Federal Reserve Board to be an unsafe and unsound banking practice or a violation of the Federal Reserve Board's regulations or both. Under certain conditions, the FRB may conclude that certain actions of a bank holding company, such as payment of cash dividends, would constitute unsafe and unsound banking practices because they violate the FRB's source of strength doctrine.

A bank holding company and its subsidiaries are prohibited from certain tie-in arrangements in connection with any extension of credit, sale or lease of property or furnishing of services. For example, with certain exceptions, a bank may not condition an extension of credit on a promise by its customer to obtain other services by it, its holding company or other subsidiaries, or on a promise by its customer not to obtain services from a competitor. In addition, federal law imposes certain restrictions between United Security and its subsidiaries, including United Security Bank. As an affiliate of United Security Bank, United Security is subject, with certain exceptions, to provisions of federal law imposing limitations on, and requiring collateral for, extensions of credit by United Security Bank to its affiliates.

As a public company, United Security Bancshares is subject to the Sarbanes-Oxley Act of 2002. The Sarbanes-Oxley Act amends certain parts of the Securities and Exchange Act of 1934, and is intended to protect investors by, among other things, improving the reliability of financial reporting, increasing management accountability, and increasing the independence of Directors and United Security's external accountants.

United Security is subject to the periodic reporting requirements of the Securities Exchange Act of 1934, as amended, which include but are not limited to the filing of annual, quarterly and other current reports with the SEC.

United Security Bank and Legacy Bank

General

United Security Bank, as a California-chartered bank which is a member of the Federal Reserve System, is subject to regulation, supervision, and regular examination by the DFI and the FRB. Legacy Bank, as a nationally chartered banking association, is also a member of the Federal Reserve System and is subject to regulation, supervision and regular examination by the OCC. United Security Bank's and Legacy Bank's deposits are insured by the FDIC in an amount up to \$100,000 per customer, and, as such, both United Security Bank and Legacy Bank are subject to the regulations of the FDIC and the Federal Deposit Insurance Act. California law exempts all banks from usury limitations on interest rates. As a consequence of the extensive regulation of commercial banking activities in California and the United States, United Security Bank's and Legacy Bank's businesses are particularly susceptible to changes in California and federal legislation and regulation, which may have the effect of increasing the cost of doing business, limiting permissible activities or increasing competition.

United Security Bank is a member of the Federal Home Loan Bank System. Among other benefits, each Federal Home Loan Bank serves as a reserve or center bank for its members within its assigned region. Each Federal Home Loan Bank makes available to its members loans (i.e., advances) in accordance with the policies and procedures established by the Board of Directors of the individual Federal Home Loan Bank.

From time to time legislation is enacted which has the effect of increasing the cost of doing business and changing the competitive balance between banks and other financial and nonfinancial institutions. Various federal laws enacted over the past several years have provided, among other things, for:

- the maintenance of mandatory reserves with the Federal Reserve Bank on deposits by depository institutions;
- the phasing-out of the restrictions on the amount of interest which financial institutions may pay on certain types of accounts; and
- the authorization of various types of new deposit accounts, such as NOW accounts, Money Market Deposit accounts and Super NOW accounts, designed to be competitive with money market mutual funds and other types of accounts and services offered by various financial and non-financial institutions.

The lending authority and permissible activities of certain nonbank financial institutions such as savings and loan associations and credit unions have been expanded, and federal regulators have been given increased enforcement authority. These laws have generally had the effect of altering competitive relationships existing among financial institutions, reducing the historical distinctions between the services offered by banks, savings and loan associations and other financial institutions, and increasing the cost of funds to banks and other depository institutions.

Recent Legislation

The FRB in November 2005 approved amendments to Regulation CC that define remotely created checks and create transfer and presentment warranties that shift liability for an unauthorized remotely created check to the institution where it is first deposited. In place of a signature, a remotely created check generally bears a statement that the customer authorized the check or bears the customer's printed or typed name, such as when a debtor authorizes a credit card company to create a remotely created check by telephone so that the debtor may pay a credit card bill in a timely manner. Since the remotely created checks are vulnerable to fraud Regulation CC creates transfer and presentment warranties under which any bank that transfers or presents a remotely created check would warrant that the check is authorized by the person on whose account the check is drawn. The warranties would apply only to banks and would ultimately shift liability for losses attributable to an unauthorized remotely created check to the depository bank. These amendments would not affect the rights of checking account customers, as they are not liable for unauthorized checks drawn on their accounts. The amendments to Regulation CC became effective on July 1, 2006.

On August 2, 2005, the OCC, FDIC, and the FRB adopted a final rule to revise their Community Reinvestment Act (CRA) regulations. The effective date of the final rule was September 1, 2005. Major points of the final rule include:

- increasing the asset-size threshold for a small bank to \$1 billion. Small banks are not subject to certain data collection and reporting requirements and are eligible for evaluation under the small bank lending test.

- creating a new category of intermediate small banks for purposes of evaluation under the CRA. Intermediate small banks are those with at least \$250 million but less than \$1 billion in assets. The overall CRA rating for an intermediate small bank will be based both on the rating from the small bank lending test and the rating from a new community development test.
- Revising the definition of community development to increase the number and kinds of rural tracts in which bank activities are eligible for community development consideration.
- Revising the regulation to address the impact on a bank's CRA rating of evidence of discrimination or other illegal credit practices.

In May 2005, the FRB adopted a final rule to amend Regulation DD and the related official staff interpretations, to improve the uniformity and adequacy of information to consumers about certain services provided by banks to their deposit customers. These services are commonly referred to as bounced-check protection or courtesy overdraft protection services (overdraft services). These amendments became effective on July 1, 2006. These amendments require banks to disclose information about overdraft fees on periodic statements and account-opening disclosures, and to include certain disclosures in advertisements for overdraft services. Regulation DD generally requires that banks disclose the amount of any fee that may be imposed in connection with the account and the conditions under which a fee may be imposed. The final rule amends the official staff interpretations to state that, in satisfying this requirement with respect to fees for overdraft services, a bank must specify the categories of transactions for which an overdraft fee may be imposed.

The FRB issued a final rule on March 1, 2005 that amends Regulation H and Regulation Y to limit restricted core capital elements (including trust preferred securities) which count as Tier 1 capital to 25 percent of all core capital elements, net of goodwill less any associated deferred tax liability. Internationally active bank holding companies, defined as those with consolidated assets greater than \$250 billion or on-balance-sheet foreign exposure greater than \$10 billion, will be subject to a 15 percent limit, but they may include qualifying mandatory convertible preferred securities up to the generally applicable 25 percent limit. Amounts of restricted core capital elements in excess of these limits generally may be included in Tier 2 capital. The final rule provides a five-year transition period, ending March 31, 2009, for application of the quantitative limits.

During July 2002, President Bush signed into law the Sarbanes-Oxley Act of 2002. The purpose of the Sarbanes-Oxley Act is to protect investors by improving the accuracy and reliability of corporate disclosures made pursuant to the securities laws, and for other purposes.

The Sarbanes-Oxley Act amends the Securities Exchange Act of 1934 to prohibit a registered public accounting firm from performing specified nonaudit services contemporaneously with a mandatory audit. The Sarbanes-Oxley Act also vests the audit committee of an issuer with responsibility for the appointment, compensation, and oversight of any registered public accounting firm employed to perform audit services. It requires each committee member to be a member of the board of directors of the issuer, and to be otherwise independent. The Sarbanes-Oxley Act further requires the chief executive officer and chief financial officer of an issuer to make certain certifications as to each annual or quarterly report filed with the SEC.

In addition, the Sarbanes-Oxley Act requires officers to forfeit certain bonuses and profits under certain circumstances. Specifically, if an issuer is required to prepare an accounting restatement due to the material noncompliance of the issuer as a result of misconduct with any financial reporting requirement under the securities laws, the chief executive officer and chief financial officer of the issuer shall be required to reimburse the issuer for (1) any bonus or other incentive-based or equity-based compensation received by that person from the issuer during the 12-month period following the first public issuance or filing with the SEC of the financial document embodying such financial reporting requirement; and (2) any profits realized from the sale of securities of the issuer during that 12-month period.

The Sarbanes-Oxley Act also instructs the SEC to require by rule:

- disclosure of all material off-balance sheet transactions and relationships that may have a material effect upon the financial status of an issuer; and
- the presentation of pro forma financial information in a manner that is not misleading, and which is reconcilable with the financial condition of the issuer under generally accepted accounting principles.

The Sarbanes-Oxley Act also prohibits insider transactions in a company's stock during lock out periods of the company's pension plans, and any profits on such insider transactions are to be disgorged. In addition, there is a prohibition of company loans to its executives, except in certain circumstances. The Sarbanes-Oxley Act also provides for mandated internal control report and assessment with the annual report and an attestation and a report on such report by the company's auditor. The SEC is also required to issue a code of ethics for senior financial officers of the company. Further, the Sarbanes-Oxley Act adds a criminal penalty of fines and imprisonment of up to 10 years for securities fraud.

The FRB on October 31, 2002 approved a final Regulation W that comprehensively implements sections 23A and 23B of the Federal Reserve Act. Sections 23A and 23B and Regulation W restrict loans by a depository institution to its affiliates, asset purchases by a depository institution from its affiliates, and other transactions between a depository institution and its affiliates. Regulation W unifies in one public document the FRB's interpretations of sections 23A and 23B. Regulation W had an effective date of April 1, 2003.

In December of 2001 and January of 2002, the OCC, the FRB and the FDIC adopted final rules governing the regulatory capital treatment of equity investments in nonfinancial companies held by banks, bank holding companies and financial holding companies. The final rules became effective on April 1, 2002. The capital requirements apply symmetrically to equity investments made by banks and their holding companies in nonfinancial companies under the legal authorities specified in the final rules. Among others, these include the merchant banking authority granted by the Gramm-Leach-Bliley Act and the authority to invest in small business investment companies (SBICs) granted by the Small Business Investment Act. Covered equity investments will be subject to a series of marginal Tier 1 capital charges, with the size of the charge increasing as the organization's level of concentration in equity investments increases. The highest marginal charge specified in the final rules requires a 25 percent deduction from Tier 1 capital for covered investments that aggregate more than 25 percent of an organization's Tier 1 capital. Equity investments through SBICs will be exempt from the new charges to the extent such investments, in

the aggregate, do not exceed 15 percent of the banking organization's Tier 1 capital. The new charges would not apply to individual investments made by banking organizations prior to March 13, 2000. Grandfathered investments made by state banks under section 24(f) of the Federal Deposit Insurance Act also are exempted from coverage.

The terrorist attacks in September 2001, have impacted the financial services industry and led to federal legislation that attempts to address certain issues involving financial institutions. On October 26, 2001, President Bush signed into law the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001.

Part of the USA Patriot Act is the International Money Laundering Abatement and Financial Anti-Terrorism Act of 2001 (IMLA). IMLA authorizes the Secretary of the Treasury, in consultation with the heads of other government agencies, to adopt special measures applicable to banks, bank holding companies, and/or other financial institutions. These measures may include enhanced recordkeeping and reporting requirements for certain financial transactions that are of primary money laundering concern, due diligence requirements concerning the beneficial ownership of certain types of accounts, and restrictions or prohibitions on certain types of accounts with foreign financial institutions.

Among its other provisions, IMLA requires each financial institution to: (i) establish an anti-money laundering program; (ii) establish due diligence policies, procedures and controls with respect to its private banking accounts and correspondent banking accounts involving foreign individuals and certain foreign banks; and (iii) avoid establishing, maintaining, administering, or managing correspondent accounts in the United States for, or on behalf of, a foreign bank that does not have a physical presence in any country. In addition, IMLA contains a provision encouraging cooperation among financial institutions, regulatory authorities and law enforcement authorities with respect to individuals, entities and organizations engaged in, or reasonably suspected of engaging in, terrorist acts or money laundering activities. IMLA expands the circumstances under which funds in a bank account may be forfeited and requires covered financial institutions to respond under certain circumstances to requests for information from federal banking agencies within 120 hours. IMLA also amends the Bank Holding Company Act and the Bank Merger Act to require the federal banking agencies to consider the effectiveness of a financial institution's anti-money laundering activities when reviewing an application under these acts.

IMLA became effective July 23, 2002. Additional regulations establish minimum standards to verify customer identity, to encourage cooperation among financial institutions, federal banking agencies, and law enforcement authorities regarding possible money laundering or terrorist activities, to prohibit the anonymous use of concentration accounts, and to require all covered financial institutions to have in place a Bank Secrecy Act compliance program.

It is impossible to predict what effect the enactment of certain of the above-mentioned legislation will have on United Security or Legacy Bank. Moreover, it is likely that other bills affecting the business of banks may be introduced in the future by the United States Congress or California legislature.

Recent Accounting Developments

On July 13, 2006, the Financial Accounting Standards Board (FASB) issued FASB Interpretation 48 (FIN 48), *Accounting for Uncertainty in Income Taxes: an interpretation of FASB Statement No. 109*. FIN 48 clarifies SFAS No. 109, *Accounting for Income Taxes*, to indicate a criterion that an individual tax position would have to meet for some or all of the income tax benefit to be recognized in a taxable entity's financial statements. Under the guidelines of the Interpretation, an entity should recognize the financial statement benefit of a tax position if it determines that it is *more likely than not* that the position will be sustained on examination. The term *more likely than not* means a likelihood of more than 50 percent. In assessing whether the more-likely-than-not criterion is met, the entity should assume that the tax position will be reviewed by the applicable taxing authority.

The scope of FIN 48 is broad and includes *all* tax positions accounted for in accordance with SFAS No. 109. Additionally, besides business enterprises, FIN 48 applies to pass-through entities, and entities whose tax liability is subject to 100 percent credit for dividends paid (such as real estate investment trusts).

FIN 48 will be effective for United Security and Legacy Bank beginning after January 1, 2007. Any cumulative effect of applying FIN 48 would be reported as an adjustment to retained earnings at the beginning of the period in which the Interpretation is adopted. Neither United Security nor Legacy Bank has yet determined what impact FIN 48 will have on their respective financial statements.

Impact of Monetary Policies

Banking is a business which depends on rate differentials. In general, the difference between the interest rate paid by a bank on its deposits and its other borrowings and the interest rate earned by a bank on its loans, securities and other interest-earning assets comprises the major source of the bank's earnings. These rates are highly sensitive to many factors which are beyond the bank's control and, accordingly, the earnings and growth of the bank are subject to the influence of economic conditions generally, both domestic and foreign, including inflation, recession, and unemployment; and also to the influence of monetary and fiscal policies of the United States and its agencies, particularly the FRB. The FRB implements national monetary policy, such as seeking to curb inflation and combat recession, by:

- its open-market dealings in United States government securities;
- adjusting the required level of reserves for financial institutions subject to reserve requirements;
- placing limitations upon savings and time deposit interest rates; and
- adjustments to the discount rate applicable to borrowings by banks which are members of the Federal Reserve System.

The actions of the FRB in these areas influence the growth of bank loans, investments, and deposits and also affect interest rates. The nature and timing of any future changes in such policies and their impact on United Security and Legacy Bank cannot be predicted; however, depending on

the degree to which their respective interest-earning assets and interest-bearing liabilities are rate sensitive, increases in rates would have a temporary effect of increasing their respective net interest margin, while decreases in interest rates would have the opposite effect. In addition, adverse economic conditions, including a downturn in the local or regional economy and rising energy prices, could make a higher provision for loan losses a prudent course and could cause higher loan charge-offs, thus adversely affecting United Security's or Legacy Bank's net income or other operating costs.

LEGACY BANK, N.A.
NOTES TO FINANCIAL STATEMENTS

(Unaudited)

1. Nature of Business

Legacy Bank, National Association (the "Bank") was approved to open for business on October 1, 2003, in the State of California operating under the laws of a National Association ("N.A.") regulated by the Office of the Comptroller of the Currency. Legacy Bank, N.A. is a community based business bank that focuses on small and medium-sized businesses, professional firms, real estate professionals and investors, and sophisticated individuals residing principally in the San Francisco Bay Area. The Bank provides a wide range of banking services to meet the financial needs of the local residential community, with an orientation primarily directed towards owners and employees of our business client base. The Bank is subject to both the regulations and periodic examinations by the Office of the Comptroller of the Currency.

2. Summary of Significant Accounting Policies

The unaudited financial information included herein has been prepared in conformity with the accounting principles and practices disclosed in Note A to the Bank's audited financial statements as of December 31, 2005. The accompanying interim consolidated financial statements contained herein are unaudited. However, in the opinion of the management of the Bank, all adjustments, consisting of normal recurring items necessary for a fair presentation of the operating results for the periods shown, have been made.

3. Basis of Presentation

The accompanying unaudited financial statements of Legacy Bank, N.A. (the "Bank") have been prepared in accordance with accounting principles generally accepted in the United States and pursuant to the rules and regulations of the SEC. Certain information and note disclosures normally included in annual financial statements have been omitted pursuant to SEC rules and regulations; however, the Bank believes the disclosures made are adequate to ensure that the information presented is not misleading. The results of operations for the nine months ended September 30, 2006, are not necessarily indicative of the result of operations that may be expected for any other interim period or for the year ending December 31, 2006.

The comparative balance sheet information as of December 31, 2005 is derived from the audited financial statements.

4. Stock Based Compensation

Prior to January 1, 2006, the Bank accounted for stock-based awards to employees using the intrinsic value method in accordance with Accounting Principles Board (APB) Opinion No. 25, "Accounting for Stock Issued to Employees". No compensation expense has been recognized in the financial statements for employee stock option arrangements, as the Bank's stock option plan provides for the issuance of options at a price of no less than the fair market value at the date of the grant.

Statement of Financial Accounting Standards ("SFAS") No. 123, "Accounting for Stock-Based Compensation", requires the disclosure of pro forma net income and earnings per share had the Bank adopted the fair value method at the grant date of all stock options. Under SFAS No. 123, the fair value of stock-based awards to employees is calculated through the use of option pricing models, even though such models were developed to estimate the fair value of freely tradable, fully transferable options without vesting restrictions, which differ significantly from the Bank's stock option awards. Those models also require subjective assumptions, which greatly affect the calculated values. In December 2004, the FASB issued SFAS No. 123 (R), "Share-Based Payment". SFAS No. 123 (R) is a revision of SFAS No. 123 and

supersedes APB No. 25, and amends SFAS No. 95, Statement of Cash Flows and SFAS No. 128, Earnings Per Share. SFAS No. 123 (R) eliminates the ability to account for share-based compensation transactions using APB No. 25 and requires all share-based payments to employees, including grants of employee stock options, to be recognized in the financial statements using a fair value-based method. The Bank adopted SFAS No. 123 (R), as required, on January 1, 2006, using the modified prospective method.

During the first nine months of 2006, the Bank recorded stock based compensation expense of \$115.0 thousand. Amount of unrecognized stock based compensation at September 30, 2006 was \$397.1 thousand. The following table illustrates the effect on net income and earnings per share for the three and nine months ended September 30, 2005 if the fair value-based method under SFAS No. 123 had been applied to stock options granted.

	Three Months Ended September 30, 2005	Nine Months Ended September 30, 2005

As reported	\$ (435,344)	\$ (924,620)

Basic loss per share:		
As reported	\$ (0.26)	\$ (0.61)
Pro forma	\$ (0.28)	\$ (0.66)

The fair value of these options was estimated using the Black-Scholes option pricing model with the following weighted average assumptions: expected life of 89 months; risk free rate of 4.32%; no dividends; and disregarding any stock price volatility.

5. Earnings Per Share

Basic earnings (loss) per share is computed by dividing net income (loss) by the weighted average number of common shares outstanding for the period. Diluted earnings per share is computed using the weighted-average number of common shares outstanding plus the number of additional common shares that would have been outstanding if dilutive common shares had been issued. For all periods presented all potentially dilutive securities outstanding were anti-dilutive.

Board of Directors and Shareholders of
Legacy Bank, N.A.

We have audited the accompanying statements of financial condition of Legacy Bank, N.A. as of December 31, 2005 and 2004, and the related statements of operations, changes in shareholders' equity, and cash flows for the years then ended. These financial statements are the responsibility of the Bank's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Legacy Bank, N.A., as of December 31, 2005 and 2004, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Legacy Bank, N.A. (the Bank) received its first organizational funds on October 18, 2001, was organized as a national association under the laws of the United States of America on November 12, 2002, and commenced business on October 1, 2003. The bank is subject to regulation, supervision, and regular examination by the office of the Comptroller of the Currency and the Federal Deposit Insurance Corporation. The regulations of these agencies govern most aspects of the Bank's business. The financial statements of the Bank are prepared in conformity with accounting principles generally accepted in the United States of America and general practice within the financial institution industry. The following is a summary of the significant accounting and reporting policies used in preparing the financial statements.

Nature of Operations

The Bank has been organized as a single operating segment and operates one full-service office in Campbell, California. The Bank offers depository and lending services, including deposit accounts consisting of interest-bearing and non-interest bearing accounts, savings accounts and time deposits. The Bank's lending activities are directed primarily towards granting real estate and commercial loans to predominately small and middle-market business and individuals.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Presentation of Cash Flows

For purposes of reporting cash flows, cash and cash equivalents include cash, due from banks, federal funds sold, and interest bearing deposits due from banks. Generally, federal funds are sold for one-day periods.

Cash and Due From Banks

Banking regulations require that banks maintain a percentage of their deposits as reserves in cash or on deposit with the Federal Reserve Bank.

The Bank maintains amounts due from banks, which may exceed federally insured limits. The Bank has not experienced any losses in such accounts.

F-12

Investment Securities

Bonds, notes, and debentures for which the Bank has the positive intent and ability to hold to maturity are reported at cost, adjusted for premiums and discounts that are recognized in interest income using the interest method over the period to maturity.

Investments not classified as trading securities nor as held-to-maturity securities are classified as available-for-sale securities and recorded at fair value. Unrealized gains or losses on available-for-sale securities are excluded from net income and reported as an amount net of taxes as a separate component of other comprehensive income included in shareholders' equity. Premiums or discounts on held-to-maturity and available-for-sale securities are amortized or accreted into income using the interest method. Realized gains or losses on sales of held-to-maturity or available-for-sale securities are recorded using the specific identification method.

Declines in the fair value of individual held-to-maturity and available-for-sale securities below their cost that are other-than-temporary result in write-downs of the individual securities to their fair value. The related write-downs are included in earnings as realized losses. In estimating other-than-temporary impairment losses, management considers the length of time and the extent to which the fair value has been less than cost, the financial condition and near-term prospects of the issuer, and the intent and ability of the Bank to retain its investment in the issuer for a period of time sufficient to allow for any anticipated recovery in fair value.

Federal Reserve and Federal Home Loan Bank stock are required investments for institutions that are members of the Federal Reserve and Federal Home Loan Bank systems. The required investment in the common stock is based on a predetermined formula.

Loans

Loans receivable that management has the intent and ability to hold for the foreseeable future or until maturity or payoff are reported at their outstanding unpaid principal balances reduced by any charge-offs or specific valuation accounts and net of any deferred fees or costs on originated loans, or unamortized premiums or discounts on purchased loans.

Loan origination fees and certain direct origination costs are capitalized and recognized as an adjustment of the yield of the related loan.

Loans on which the accrual of interest has been discontinued are designated as non-accrual loans. The accrual of interest on loans is discontinued when principal or interest is past due 90 days or when, in the opinion of management, there is reasonable doubt as to collectibility. When loans are placed on non-accrual status, all interest previously accrued but not collected is reversed against current period interest income. Income on non-accrual loans is subsequently recognized only to the extent that cash is received and the loan's principal balance is deemed collectible. Interest accruals are resumed on such loans only when they are brought current with respect to interest and principal and when, in the judgment of management, the loans are estimated to be fully collectible as to all principal and interest.

The Bank considers a loan to be impaired when it is probable that the Bank will be unable to collect all amounts due (principal and interest) according to the contractual terms of the loan agreement. Measurement of impairment is based on the expected future cash flows of an impaired loan, which are

discounted at the loan's effective interest rate, or measured by reference to an observable market value, if one exists, or the fair value of the collateral for a collateral-dependent loan. The Bank selects the measurement method on a loan-by-loan basis except that collateral-dependent loans for which foreclosure is probable are measured at the fair value of the collateral. The Bank recognizes interest income on impaired loans based on its existing methods of recognizing interest income on non-accrual loans.

The Bank has adopted SFAS No. 140 Accounting for Transfers and Servicing of Financial Assets and Extinguishments of Liabilities. The Statement provides accounting and reporting standards for transfers and servicing of financial assets and extinguishments of liabilities. Under this Statement, after a transfer of financial assets, an entity recognizes the financial and servicing assets it controls and liabilities it has incurred, derecognizes financial assets when control has been surrendered, and derecognizes liabilities when extinguished.

To calculate the gain (loss) on sale of loans, the Bank's investment in the loan is allocated among the retained portion of the loan, the servicing retained, the interest-only strip and the sold portion of the loan, based on the relative fair market value of each portion. That portion of the excess servicing fees that represents contractually specified servicing fees (contractual servicing) is reflected as a servicing asset which is amortized over an estimated life using a method approximating the level yield method. The portion of excess servicing fees in excess of the contractual servicing fees is reflected as an interest-only (I/O) strip receivable, which is classified as available for sale and carried at fair value. The gain (loss) on the sold portion of the loan is recognized at the time of sale based on the difference between the sale proceeds and the allocated investment. As result of the relative fair value allocation, the carrying value of the retained portion is discounted, with the discount accreted to interest income over the life of the loan.

Allowance for Loan Losses

The allowance for loan losses is adjusted by charges to income and decreased by charge-offs (net of recoveries). Management's periodic evaluation of the adequacy of the allowance is based on the Bank's past loan loss experience, known and inherent risks in the portfolio, adverse situations that may affect the borrower's ability to repay, the estimated value of any underlying collateral, and current economic conditions.

Premises and Equipment

Premises and equipment are carried at cost less accumulated depreciation and amortization. Depreciation is computed using the straight-line method over the estimated useful lives, which ranges from three to ten years for furniture and fixtures. Leasehold improvements are amortized using the straight-line method over the estimated useful lives of the improvements or the remaining lease term, whichever is shorter.

Expenditures for betterments or major repairs are capitalized and those for ordinary repairs and maintenance are charged to operations as incurred.

Income Taxes

Deferred income taxes are computed using the asset and liability method, which recognizes a liability or asset representing the tax effects, based on current tax law, of future deductible or taxable amounts attributable to events that have been recognized in the consolidated financial statements. A valuation allowance is established to reduce the deferred tax asset to the level at which it is more likely than not that the tax asset or benefits will be realized. Realization of tax benefits of deductible temporary

differences and operating loss carryforwards depends on having sufficient taxable income of an appropriate character within the carryforward periods.

Comprehensive Income

Statement of Financial Accounting Standard (SFAS) No. 130, Reporting Comprehensive Income , requires the disclosure of comprehensive income and its components. At December 31, 2005 and 2004, the only component of other comprehensive income was the unrealized gain on available-for-sale securities.

Financial Instruments

In the ordinary course of business, the Bank enters into off-balance sheet financial instruments consisting of commitments to extend credit, commercial letters of credit, and standby letters of credit as described in Note J. Such financial instruments are recorded in the financial statements when they are funded or related fees are incurred or received.

Earnings Per Share (EPS)

Basic EPS excludes dilution and is computed by dividing income available to common stockholders by the weighted-average number of common shares outstanding for the period. Weighted-average shares used in the computation of basic earnings per share were 1,562,373 in 2005 and 1,217,373 in 2004. Diluted EPS reflects the potential dilution that could occur if options or other contracts to issue common stock were exercised or converted into common stock or resulted in the issuance of common stock that then shared in the earnings of the entity. The Bank had no dilutive securities as of December 31, 2005 and 2004 as well as an operating loss, therefore, only basic EPS is reported.

Operating Segments

Reportable segments are based on products and services, geography, legal structure, management structure and any other manner in which management desegregates a company for making operating decisions and assessing performance. The Bank has determined that its business is comprised of a single operating segment.

F-15

Stock-Based Compensation

The Bank accounts for stock-based awards to employees using the intrinsic value method in accordance with Accounting Principles Board (APB) Opinion No. 25, Accounting for Stock Issued to Employees. No compensation expense has been recognized in the financial statements for employee stock option arrangements, as the Company's stock option plan provides for the issuance of options at a price of no less than the fair market value at the date of the grant.

Statement of Financial Accounting Standards (SFAS) No. 123, Accounting for Stock-Based Compensation, requires the disclosure of pro forma net income and earnings per share had the Bank adopted the fair value method at the grant date of all stock options. Under SFAS No. 123, the fair value of stock-based awards to employees is calculated through the use of option pricing models, even though such models were developed to estimate the fair value of freely tradable, fully transferable options without vesting restrictions, which differ significantly from the Bank's stock option awards. Those models also require subjective assumptions, which greatly affect the calculated values.

In December 2004, the FASB issued SFAS No. 123 (revised 2004), Share-Based Payment. This Statement requires that compensation costs related to share-based payment transactions be recognized in the financial statements. Measurement of the cost of employee service will be based on the grant-date fair value of the equity or liability instruments issued. That cost will be recognized over the period during which an employee is required to provide service in exchange for the award. Additionally, liability awards will be remeasured each reporting period. Statement 123R replaces SFAS No. 123, Accounting for Stock-Based Compensation and supercedes APB Opinion No. 25, Accounting for Stock Issued to Employees. This Statement is effective for interim periods beginning after June 15, 2005 and requires adoption using a modified prospective application or a modified retrospective application. However, on April 14, 2005, the SEC issued rule 2005-57, which allows companies to delay the implementation of the statement to the beginning of the next fiscal year. The Bank has not yet concluded on the method of adoption allowed by the Statement and is currently evaluating the impact of this accounting guidance on its financial condition and results of operations.

Disclosure of Fair Value of Financial Instruments

SFAS No. 107 specifies the disclosure of the estimated fair value of financial instruments. The Bank's estimated fair value amounts have been determined using available market information and appropriate valuation methodologies.

However, considerable judgment is required to develop the estimates of fair value. Accordingly, the estimates are not necessarily indicative of the amounts the Bank could have realized in a current market exchange. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Reclassifications

Certain amounts in 2004 have been reclassified to conform with the 2005 presentation.

Management evaluates securities for other-than-temporary impairment at least on a quarterly basis, and more frequently when economic or market concerns warrant such evaluation. Consideration is given to (1) the length of time and the extent to which the fair value has been less than cost, (2) the financial condition and near-term prospects of the issuer, and (3) the intent and ability of the Bank to retain its investment in the issuer for a period of time sufficient to allow for any anticipated recovery in fair value.

As of December 31, 2005, \$101,141 in unrealized losses was attributable to securities positioned for the period greater than 12 months. The unrealized losses on two investments which have been in an unrealized loss position for one year or longer as of December 31, 2005, were caused by market interest rate increases subsequent to the purchase of the securities. Because the Bank has the ability to hold these

investments until a recovery in fair value, which may be maturity, the unrealized losses on these investments are not considered to be other-than-temporarily impaired as of December 31, 2005.

The amortized cost and fair value of investment securities by contractual maturity at December 31, 2005 are shown below. Over certain interest rate environments, some, or all of these securities may be called for redemption by their issuers prior to scheduled maturities. Expected maturities for mortgage-backed securities will differ from contractual maturities because borrowers may have the right to call or retire obligations with or without prepayment penalties.

Securities may be pledged to meet collateral requirements imposed as a condition of receipt of deposits of public funds and other purposes. At December 31, 2005, the total market value of securities pledged was \$3.5 million. At December 31, 2004, the Bank had not pledged any securities.

NOTE C - LOANS

The Bank's loan portfolio consists primarily of loans to borrowers within Santa Clara County, California. Although the Bank seeks to avoid concentrations of loans to a single industry or based upon a single class of collateral, real estate and real estate associated businesses are among the principal industries in the Bank's market area and, as a result, the Bank's loan and collateral portfolios are, to some degree, concentrated in those industries.

The loan portfolio consisted of the following at December 31:

	2005	2004
Commercial	\$ 29,528,917	\$ 18,318,860
Real estate construction	9,495,433	1,791,718

As of December 31, 2005, the Bank had one nonperforming loan totaling \$300 thousand which was past due for ninety days or more and still accruing interest. There was no specific loan loss allowance related to the nonperforming loan. There were no loans on nonaccrual at December 31, 2005. The average recorded investment in impaired loans during the year was \$449 thousand. There were no nonperforming loans at December 31, 2004. The Bank had no other real estate owned at December 31, 2005 and 2004.

NOTE D - PREMISES AND EQUIPMENT

A summary of premises and equipment as of December 31 follows:

	2005	2004
Leasehold improvements	\$ 630,663	\$ 630,663
Furniture, fixtures, and equipment	441,380	341,118

Less: Accumulated depreciation and amortization	(381,638)	(197,798)
	\$ 912,237	\$ 973,753

Depreciation expense for the 2005 year was \$183,839 and for the 2004 year was \$159,781.

The Bank leases certain facilities under non-cancelable operating leases. The original terms of the leases range from one to five years. The leases contain options to extend for periods to fifteen years. The cost of the remaining unexercised options to extend has not been included in the following schedule. Rent expense for the years ended December 31, 2005 and 2004, under these lease agreements was \$241 thousand and \$189 thousand, respectively. Minimum non-cancelable future lease payments at December 31, 2005 are as follows:

Year	Amount
2006	\$ 348,168
2007	
	\$ 348,168

NOTE E - DEPOSITS

At December 31, 2005 the scheduled maturities of time deposits are as follows:

	2005
Maturing within one year	\$ 26,787,789
Maturing in one year through two years	732,271
	\$ 27,520,060

NOTE F - CREDIT ARRANGEMENTS

At December 31, 2005, federal funds line of credit arrangements aggregating \$2.3 million were available from a corresponding banking institution. There are no commitment fees and compensated balances are not required.

NOTE G - SECURITIES SOLD UNDER AGREEMENTS TO REPURCHASE

Securities sold under agreements to repurchase, which are classified as secured borrowings, generally mature within 90 days from the transaction date. Securities sold under these agreements are reflected at the amount of cash received in connection with the transaction and are classified as secured borrowings. The Bank may be required to provide additional collateral based on the fair value of the underlying securities. At December 31, 2005, the Bank had outstanding \$3.0 million in agreements to repurchase with an interest rate of 4.5%.

NOTE H - INCOME TAXES

The tax benefit related to the operating loss incurred during these years was not recognized, as realization of the benefit is dependent upon future income.

Deferred taxes are a result of differences between income tax accounting and generally accepted accounting principles with respect to income and expense recognition. The following is a summary of the components of the net deferred tax asset accounts recognized in the accompanying statements of financial condition at December 31:

	2005	2004
Deferred tax assets:		
Pre-opening expenses	\$ 407,000	\$ 506,000
Net operating loss carryforwards	1,828,000	1,284,000
Allowance for loan losses	230,000	268,000
Other	48,000	94,000
	2,513,000	2,152,000
Valuation allowance	(2,359,000)	(2,027,000)
Deferred tax liabilities:		
Depreciation differences	(125,000)	(96,000)
Other	(29,000)	(29,000)
	(154,000)	(125,000)
Net deferred tax assets	\$	\$

The valuation allowance was established because the Bank has not reported earnings sufficient enough to support the recognition of the deferred tax assets. The Bank has net operating loss carryforwards of approximately \$4,400,000 for tax purposes. Net operating loss carryforwards, to the extent not used, will expire in 2025 for federal and 2015 for California.

NOTE J COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, the Bank enters into financial commitments to meet the financing needs of its customers. These financial commitments include commitments to extend credit and standby letters of credit. Those instruments involve to varying degrees, elements of credit and interest rate risk not recognized in the Bank's financial statements.

The Bank's exposure to loan loss in the event of nonperformance on commitments to extend credit and standby letters of credit is represented by the contractual amount of those instruments. The Bank uses the same credit policies in making commitments as it does for loans reflected in the financial statements.

As of December 31, the Bank had the following outstanding financial commitments whose contractual amount represents credit risk:

	2005	2004
Commitments to extend credit	\$ 18,395,000	\$ 10,488,000
Standby Letters of Credit	1,728,186	250,000
	\$ 20,123,186	\$ 10,738,000

Commitments to extend credit are agreements to lend to a customer as long as there is no violation of any condition established in the contract. Since many of the commitments are expected to expire without being drawn upon, the total amounts do not necessarily represent future cash requirements. The Bank evaluates each client's credit worthiness on a case-by-case basis. The amount of collateral obtained if deemed necessary by the Bank is based on management's credit evaluation of the customer. The majority of the Bank's commitments to extend credit and standby letters of credit are secured by real estate or cash held on deposit.

The Bank is subject to claims and lawsuits that arise primarily in the ordinary course of business. It is the opinion of management that the disposition or ultimate resolution of such claims and lawsuits will not have a material adverse effect on the financial position of the Bank.

NOTE K - STOCK OPTION PLAN

The Bank's 2002 Stock Plan was approved by its shareholders on September 26, 2003. Under the terms of the 2002 Stock Plan, officers and key employees may be granted both nonqualified and incentive stock options and directors and other consultants, who are not also an officer or employee, may only be granted nonqualified stock options. The Plan provides for options to purchase 365,211 shares of common stock at a price not less than 100% of the fair market value of the stock on the date of grant. Stock options expire no later than ten years from the date of the grant.

The fair value of each option grant was estimated on the date of grant using the Black-Scholes option pricing model with the following assumptions: risk free rate between 3.93% and 4.50% in 2005 and 4.41% in 2004, expected lives of 7.5 years in 2005 and 10 years 2004, no dividends, and a 20% stock price volatility in 2005.

A summary of the activity in the Bank's fixed stock option plan for 2005 and 2004 is presented below:

	2005		2004	
	Shares	Weighted Average Exercise Price	Shares	Weighted Average Exercise Price

Weighted-average fair value of options granted during the year	\$ 3.50		\$ 3.56	

The following table summarizes information about fixed options outstanding at December 31, 2005:

NOTE L - REGULATORY MATTERS

The Bank is subject to various regulatory capital requirements administered by the federal banking agencies. Failure to meet minimum capital requirements can initiate certain mandatory - and possibly additional discretionary - actions by regulators that, if undertaken, could have a direct material effect on the Bank's financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, the Bank must meet specific capital guidelines that involve quantitative measures of the Bank's assets, liabilities, and certain off-balance-sheet items as calculated under regulatory accounting practices. The Bank's capital amounts and classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

Quantitative measures established by regulation to ensure capital adequacy require the Bank to maintain minimum amounts and ratios (set forth in the table below) of total and Tier 1 capital (as defined in the regulations) to risk-weighted assets (as defined), and of Tier 1 capital (as defined) to average assets (as defined). Management believes, as of December 31, 2005, that the Bank meets all capital adequacy requirements to which it is subject.

As of December 31, 2005, the most recent notification from the Office of the Comptroller of the Currency (the OCC) categorized the Bank as well capitalized under the regulatory framework for prompt corrective action (there are no conditions or events since that notification that management believes have changed the Bank's category). To be categorized as well capitalized, the Bank must maintain minimum ratios as set forth in the table below. The following table also sets forth the Bank's actual capital amounts and ratios (dollar amounts in thousands):

				Amount of Capital Required					
				To Be Adequately Capitalized			To Be Well-Capitalized		
	Actual Amount	Ratio		Amount	Ratio		Amount	Ratio	
As of December 31, 2005:									
Total capital to risk-weighted assets	\$ 11,237	15.8 %		\$ 5,692	8.0 %		\$ 7,115	10.0 %	
Tier 1 capital to risk-weighted assets	\$ 10,395	14.6 %		\$ 2,846	4.0 %		\$ 4,269	6.0 %	
Tier 1 capital to average assets	\$ 10,395	13.7 %		\$ 3,036	4.0 %		\$ 3,795	5.0 %	
As of December 31, 2004:									
Total capital to risk-weighted assets	\$ 7,319	16.2 %		\$ 3,640	8.0 %		\$ 4,551	10.0 %	
Tier 1 capital to risk-weighted assets	\$ 6,750	14.9 %		\$ 2,269	4.0 %		\$ 2,730	6.0 %	
Tier 1 capital to average assets	\$ 6,750	11.9 %		\$ 1,820	4.0 %		\$ 2,836	5.0 %	

In addition to these capital requirements, the FDIC requires the Bank to maintain its Tier 1 capital to average assets at 8% during its first three years of operations.

The Bank is restricted as to the amount of dividends, which can be paid. Dividends declared by national banks that exceed net income (as defined by OCC regulations) for the current year plus retained net income for the preceding two years must be approved by the OCC. Also, the Bank may not pay dividends that would result in capital levels being reduced below the minimum requirements shown above.

NOTE M - RELATED PARTY TRANSACTIONS

In the ordinary course of business, the Bank has accepted deposits from and granted loans to certain directors and the companies with which they are associated. In the Bank's opinion, all loans and loan commitments to such parties are made on substantially the same terms including interest rates and collateral, as those prevailing at the time of comparable transactions with other persons. Deposits from such related parties at December 31, 2005 and 2004 totaled \$2,560,970 and \$1,369,779, respectively. Loans outstanding as of December 31, 2005 and 2004 were \$2,453,131 and \$1,897,111, respectively. During 2005, total principal additions to related party loans were \$4,580,122 and total repayments on loans were \$4,024,102.

NOTE N - FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of a financial instrument is the amount at which the asset or obligation could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value estimates are made at a specific point in time based on relevant market information and information about the financial instrument. These estimates do not reflect any premium or discount that could result from offering for sale at one time the entire holdings of a particular financial instrument. Because no market value exists for a significant portion of the financial instruments, fair value estimates are based on judgments regarding future expected loss experience, current economic conditions, risk characteristics of various financial instruments, and other factors. These estimates are subjective in nature, involve uncertainties and matters of judgment, and therefore cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Fair value estimates are based on financial instruments both on and off the balance sheet without attempting to estimate the value of anticipated future business and the value of assets and liabilities that are not considered financial instruments. Additionally, tax consequences related to the realization of the unrealized gains and losses can have a potential effect on fair value estimates and have not been considered in many of the estimates.

The following methods and assumptions were used to estimate the fair value of significant financial instruments:

Financial Assets

The carrying amounts of cash, short term investments, due from customers on acceptances, and Bank acceptances outstanding are considered to approximate fair value. Short term investments include federal funds sold, securities purchased under agreements to resell, and interest bearing deposits with Banks. The fair values of investment securities, including available-for-sale, are generally based on quoted market prices. The fair value of loans are estimated using a combination of techniques, including discounting estimated future cash flows and quoted market prices of similar instruments where available.

F-26

Financial Liabilities

The carrying amounts of deposit liabilities payable on demand, commercial paper, and other borrowed funds are considered to approximate fair value. For fixed maturity deposits, fair value is estimated by discounting estimated future cash flows using currently offered rates for deposits of similar remaining maturities. The fair value of long term debt is based on rates currently available to the Bank for debt with similar terms and remaining maturities.

Off-Balance Sheet Financial Instruments

The fair value of commitments to extend credit and standby letters of credit is estimated using the fees currently charged to enter into similar agreements. The fair value of these financial instruments are not deemed to be material.

The estimated fair value of financial instruments at December 31, 2005 and 2004 is summarized as follows:

(dollars in thousands)	2005 Carrying Value	Fair Value

(a) Subject to the exceptions and limitations in Section 2.5.1(b), each outstanding share of Legacy Common Stock shall, without any further action on the part of Legacy or the holders of any such shares, be converted into the right to receive shares of Bancshares Common Stock in accordance with the Exchange Ratio.

(b) Certain Exceptions and Limitations. (A) Legacy Perfected Dissenting Shares shall not be converted into the right to receive shares of Bancshares Common Stock, but shall, after the Effective Time, be entitled only to such rights as are granted them by Section 214a of the NBA (each dissenting shareholder who is entitled to payment for his shares of Legacy Common Stock shall receive such payment in an amount as determined pursuant to Section 214a of the NBA), and (B) no fractional shares of Bancshares Common Stock shall be issued in the Merger and, in lieu thereof, each holder of Legacy Common Stock who would otherwise be entitled to receive a fractional share shall receive an amount in cash equal to the product (calculated to eight places) obtained by multiplying such fractional share interest by the Average Closing Price.

(c) The holders of certificates formerly representing shares of Legacy Common Stock shall cease to have any rights as shareholders of Legacy, except such rights, if any, as they may have pursuant to national banking laws. Except as provided above, until certificates representing shares of Legacy Common Stock are surrendered for exchange, the certificates of each holder shall, after the Effective Time, represent for all purposes only the right to receive shares of Bancshares Common Stock in accordance with the Exchange Ratio.

2.5.2 Reservation of Shares. Prior to the Effective Time, the Board of Directors of Bancshares shall reserve for issuance a sufficient number of shares of Bancshares Common Stock for the purpose of issuing its shares to the shareholders of Legacy in accordance herewith.

2.5.3 Exchange of Legacy Common Stock.

(a) As soon as reasonably practicable after the Effective Time, holders of record of certificates formerly representing shares of Legacy Common Stock (Certificates) shall be instructed to tender such Certificates to the Exchange Agent pursuant to a letter of transmittal that Bancshares shall deliver or cause to be delivered to such holders. Such letter of transmittal shall specify that risk of loss and title to Certificates shall pass only upon acceptance of such Certificates by Bancshares or the Exchange Agent.

(b) After the Effective Time, each holder of a Certificate that surrenders such Certificate to Bancshares or the Exchange Agent will, upon acceptance thereof by Bancshares or the Exchange Agent, be entitled to receive shares of Bancshares Common Stock in accordance with Section 2.5.1 hereof.

(c) Bancshares or the Exchange Agent shall accept Certificates upon compliance with such reasonable terms and conditions as Bancshares or the Exchange Agent may impose to effect an orderly exchange thereof in accordance with customary exchange practices. Certificates shall be appropriately endorsed or accompanied by such instruments of transfer as Bancshares or the Exchange Agent may reasonably require.

(d) Each outstanding Certificate, other than those representing Perfected Dissenting Shares, shall until duly surrendered to Bancshares or the Exchange Agent

A-9

be deemed to evidence the right to receive shares of Bancshares Common Stock in accordance with Section 2.5.1 hereof.

(e) After the Effective Time, holders of Certificates shall cease to have rights with respect to the Legacy Common Stock previously represented by such Certificates, and their sole rights (other than the holders of Certificates representing Perfected Dissenting Shares) shall be to exchange such Certificates for shares of Bancshares Common Stock in accordance with Section 2.5.1 hereof. At the Effective Time, Legacy shall deliver a certified copy of a list of its shareholders to Bancshares or the Exchange Agent. After the Effective Time, there shall be no further transfer of Certificates on the records of Legacy, and if such Certificates are presented to Legacy for transfer, they shall be canceled against delivery of the shares of Bancshares Common Stock in accordance with Section 2.5.1 hereof. Bancshares shall not be obligated to deliver any shares of Bancshares Common Stock to any holder of Legacy Common Stock until such holder surrenders the Certificates as provided herein. No dividends declared will be remitted, nor any voting rights granted, to any person entitled to receive Bancshares Common Stock under this Agreement until such person surrenders the Certificate representing the right to receive such Bancshares Common Stock, at which time such dividends on whole shares of Bancshares Common Stock with a record date on or after the Effective Time shall be remitted to such person, without interest and less any taxes that may have been imposed thereon, and voting rights will be restored. Certificates surrendered for exchange by any person constituting an affiliate of Legacy for purposes of Rule 145 under the Securities Act shall not be exchanged for certificates representing Bancshares Common Stock until Bancshares has received a written agreement from such person as specified in Section 5.3. Neither the Exchange Agent nor any party to this Agreement nor any affiliate thereof shall be liable to any holder of Legacy Common Stock represented by any Certificate for any consideration paid to a public official pursuant to applicable abandoned property, escheat or similar laws. Bancshares and the Exchange Agent shall be entitled to rely upon the stock transfer books of Legacy to establish the identity of those persons entitled to receive consideration specified in this Agreement, which books shall be conclusive with respect thereto. In the event of a dispute with respect to ownership of stock represented by any Certificate, Bancshares or the Exchange Agent shall be entitled to deposit any consideration in respect thereof in escrow with an independent third party or with a court of competent jurisdiction and thereafter be relieved with respect to any claims thereto.

(f) If any shares of Bancshares Common Stock are to be issued to a person other than a person in whose name a surrendered Certificate is registered, it shall be a condition of issuance that the surrendered Certificate shall be properly endorsed or otherwise in proper form for transfer and that the person requesting such issuance shall pay to Bancshares or the Exchange Agent any required transfer or other taxes or establish to the satisfaction of Bancshares or the Exchange Agent that such tax has been paid or is not applicable.

(g) In the event any Certificate shall have been lost, stolen or destroyed, the owner of such lost, stolen or destroyed Certificate shall deliver to Bancshares or the Exchange Agent an affidavit stating such fact, in form satisfactory to Bancshares, and, at Bancshares' discretion, a bond in such reasonable sum as Bancshares or the Exchange Agent may direct as indemnity against any claim that may be made against Bancshares or Legacy or its successor or any other party with respect to the Certificate alleged to have been lost, stolen or destroyed. Upon such delivery, the owner shall have the right to receive the shares of

Bancshares Common Stock in accordance with Section 2.5.1 hereof with respect to the shares represented by the lost, stolen or destroyed Certificate.

2.5.4 Cancellation of Legacy Stock Options and Warrants. Immediately prior to the Effective Time, each outstanding Legacy Stock Option and each outstanding Legacy Warrant will be cancelled and each optionee and warrant holder, as applicable, will receive payment by Legacy in an amount equal to (i) the difference between the Merger Consideration and the underlying exercise price of the Legacy Stock Option, or Legacy Warrant, as applicable, multiplied by (ii) the number of shares underlying the Legacy Stock Option, or Legacy Warrant, as applicable.

2.6 Dissenters' Rights. Shares of Legacy Common Stock, the holders of which have lawfully dissented from the Merger in accordance with Section 214a of the NBA and have timely filed with USB a written demand for purchase of his or her shares and have surrendered his or her stock certificates pursuant to paragraph (b) of Section 214a of the NBA, are herein called Dissenting Shares. Dissenting Shares, the holders of which have not effectively withdrawn or lost their dissenters' rights under paragraph (b) of Section 214a of the NBA (Perfect Dissenting Shares), shall not be converted pursuant to Section 2.5 but the holders thereof shall be entitled only to such rights as are granted by paragraph (b) of Section 214a of the NBA. Each holder of Perfect Dissenting Shares who is entitled to payment for his or her Legacy Common Stock pursuant to the provisions of paragraph (b) of Section 214a of the NBA shall receive payment therefore from USB (but only after the amount thereof shall have been agreed upon or finally determined pursuant to such provisions).

The Legacy director will be selected by the then existing Board of Directors of Bancshares from a list of three candidates determined by Legacy. All other directors of Bancshares shall remain as members of the Board of Directors, each to serve until the next annual meeting of shareholder of Bancshares and until such successors are elected and qualified, and all other directors of USB shall remain as members of the Board of Directors of the Surviving Corporation, each to serve until the next annual meeting of shareholder of USB and until such successors are elected and qualified.

At the Effective Time, the then existing executive officers of USB shall remain the executive officers of USB.

Section 2.9 Change of Structure. Bancshares and Legacy agree that Bancshares may change the structure of the Merger so long as the consideration received by Legacy shareholders under Section 2.5 hereof is not modified and the Closing of the Merger is not materially delayed.

3.21.4 Except as disclosed in Schedule 3.21.4, Legacy does not maintain (other than base salary and base wages) any form of current or deferred compensation, bonus, stock option, stock appreciation right, severance pay, salary continuation, retirement or incentive plan or arrangement for the benefit of any director, officer or employee, whether active or retired, of Legacy or for any class or classes of such directors, officers or employees. Except as disclosed in Schedule 3.21.4, Legacy does not maintain any group or individual health insurance, welfare or similar plan or arrangement for the benefit of any director, officer or employee of Legacy, whether active or retired, or for any class or classes of such directors, officers or employees. Neither Legacy, nor any Employee Plan nor any trusts created there under, nor any trustee, administrator nor any other fiduciary thereof has engaged in a prohibited transaction, as defined in Section 406 of ERISA and Section 4975 of the IRC, that could subject Legacy or Bancshares to liability under Section 409 or 502(i) of ERISA or Section 4975 of the IRC or that would adversely affect the qualified status of such plans; each plan official within the meaning of Section 412 of ERISA of each Employee Plan is bonded to the extent required by such Section 412; with respect to each Employee Plan, to Legacy's Knowledge, no employee of Legacy, nor any fiduciary of any Employee Plan, has engaged in any breach of fiduciary duty as defined in Part 4 of Subtitle B of Title I of ERISA which could subject Legacy or any of its Subsidiaries to liability if Legacy or any such Subsidiary is obligated to indemnify such Person against liability. Except as disclosed in Schedule 3.21.5, Legacy has not failed to make any material contribution or pay any amount due and owing as required by law or the terms of any Employee Plan or Benefit Arrangement.

3.21.6 Except as set forth on Schedule 3.21.6, no Employee Plan or Benefit Arrangement has any material liability of any nature, accrued or contingent, including, without limitation, liabilities for federal, state, local or foreign taxes, interest or penalty other than liability for claims arising in the course of the administration of each such Employee Plan. Except as set forth on Schedule 3.21.6, to Legacy's Knowledge there is no pending or threatened legal action, proceeding or investigation against any Employee Plan that could result in material liability to such Employee Plan, other than routine claims for benefits, and there is no basis for any such legal action, proceeding or investigation.

3.21.7 To Legacy's Knowledge, each Benefit Arrangement which is a group health plan (within the meaning of such term under IRC Section 4980B(g)(2)) materially complies and has materially complied with the requirements of Section 601 through 608 of ERISA or Section 4980B of the IRC governing continuation coverage requirements for employee-provided group health plans.

In the event of termination of this Agreement for any reason, the parties shall promptly return, or at the election of the other party destroy, all nonpublic documents obtained from the other and any copies or notes of such documents (except as otherwise required by law) and, upon the request of the other party, confirm such destruction to the other in writing.

Section 5.2 Shareholder Approval. Legacy shall promptly call a meeting of its shareholders to be held at the earliest practicable date after the date on which the initial Registration Statement is declared effective by the SEC, but in no event later than January 31, 2007, for the purpose of approving this Agreement and authorizing the Merger Agreement and the Merger. Subject to its fiduciary duties, Legacy's Board of Directors will recommend to the shareholders approval of this Agreement, the Merger Agreement and the Merger.

Without limiting the foregoing, Bancshares and Legacy will use their reasonable efforts to obtain all consents of third parties and Government Entities necessary or, in the reasonable opinion of Bancshares or Legacy advisable for the consummation of the transactions contemplated by this Agreement. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement, the Merger Agreement, or to vest the Surviving Corporation with full title to all properties, assets, rights, approvals, immunities and franchises of Legacy, the proper officers or directors of Bancshares, USB or Legacy, as the case may be, shall take all such necessary action.

5.3.2 The obligations of Legacy contained in Section 6.2.5 of this Agreement shall continue to be in full force and effect despite any Default under Section 6.2.5 or Legacy's receipt of a Legacy Superior Proposal (defined below) and any Default under Section 6.2.5 by Legacy shall entitle Bancshares to such legal or equitable remedies as may be provided in this Agreement or by law notwithstanding that any action or inaction of the Board of Directors or officers of the defaulting party which is required to enable such party to fulfill such obligations may be excused based on the continuing fiduciary obligations of such party's Board of Directors and officers to its shareholders.

5.3.3 Legacy shall use its best efforts to cause each director, executive officer and other person who is an Affiliate of Legacy (for purposes of Rule 145 under the Securities Act) to deliver to Bancshares, on the date of this Agreement, a written agreement in the form attached hereto as Exhibit 5.3 (the Affiliates Agreement).

Each party will furnish all financial or other information, certificates, consents and opinions of counsel concerning it and its Subsidiaries received by such party.

5.4.2 Each party shall provide to the other at the request of the other party: (i) immediately prior to the filing thereof, copies of all material statements, applications, correspondence or forms to be filed with state securities law regulatory authorities, the SEC and other appropriate regulatory authorities to obtain the Requisite Regulatory Approvals; (ii) promptly after delivery to, or receipt from, such regulatory authorities all written communications, letters, reports or other documents relating to the transactions contemplated by this Agreement; and (iii) written summaries of all oral communications between the other party and any state securities law regulatory authorities, the SEC or other appropriate bank regulatory authorities regarding the Requisite Regulatory Approvals.

5.6.4 Legacy and Bancshares shall immediately notify the other in writing in the event that such party becomes aware that the Registration Statement or Proxy Statement/Prospectus at any time contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary in order to make the statement therein, in light of the circumstances under which they were made, not misleading or that the Registration Statement or the Proxy Statement/Prospectus otherwise is required to be amended and supplemented, which notice shall specify, in reasonable detail, the circumstances thereof. Bancshares shall promptly amend and supplement such materials and disseminate the new or modified information so as to fully comply with the Securities Act. If the amendment or supplement so required relates to information concerning or provided by Legacy, the out-of-pocket costs and expenses of preparing, filing and disseminating such amendment or supplement shall be borne by Legacy.

Immediately prior to the Closing Date, at Bancshares' request, Legacy shall, consistent with GAAP and applicable banking regulations, establish such additional accruals and reserves as may be necessary to conform Legacy's accounting and credit and OREO loss reserve practices and methods to those of Bancshares, provided, however, that no accrual or reserve made by Legacy pursuant to this Section 5.8, or any litigation or regulatory proceeding arising out of any such accrual or reserve, or any other effect on Legacy resulting from Legacy's compliance with this Section 5.8, shall constitute or be deemed to be a breach, violation of or failure to satisfy any representation, warranty, covenant, condition or other provision of this Agreement or otherwise be considered in determining whether any such breach, violation or failure to satisfy shall have occurred.

Section 5.9 Employee Plans. Immediately prior to the Closing Date, at Bancshares' request, Legacy shall terminate any Employment Plan or Benefit arrangement, provided, however, that no accrual or reserve made by Legacy as a result of a termination requested by Bancshares pursuant to this Section 5.9, or any litigation or regulatory proceeding arising out of any such accrual or reserve, or any other effect on Legacy resulting from Legacy's compliance with this Section 5.9, shall constitute or be deemed to be a breach, violation of or failure to satisfy any representation, warranty, covenant, condition or other provision of this Agreement or otherwise be considered in determining whether any such breach, violation or failure to satisfy shall have occurred.

6.3.5 File all necessary applications with the OCC, Federal Reserve and CDFI for the transaction as soon as possible, but no later than November 15, 2006 and furnish to Legacy, as soon as practicable, and in any event within fifteen days after it has prepared all applications to be submitted to the OCC, Federal Reserve and CDFI for approval of the Merger;

6.3.6 Bancshares agrees that through the Effective Time, as of their respect dates, (i) each Bancshares Filing will be true and complete in all material respects; and (ii) each Bancshares Filing will comply in all material respects with all of the statutes, rules and regulations enforced or promulgated by the Governmental Entity with which it will be filed and none will contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they will be made, not misleading. Any financial statement contained in any of such Bancshares Filings that is intended to present the financial position of Bancshares during the periods involved to which it relates will fairly present in all material respects the financial position of Bancshares and will be prepared in accordance with GAAP or consistent with applicable regulatory accounting principles and banking law and banking regulations, except as stated therein;

6.3.7 Insurance.

(a) Bancshares and USB shall permit Legacy to use commercially reasonable efforts to (i) extend the discovery period of its directors and officers liability insurance for a period of up to 48 months with respect to all matters arising from facts or events

which occurred before the Effective Time for which Legacy would have had an obligation to indemnify its directors and officers or (ii) buy peace of mind coverage from the California Bankers Association; provided, however, that the total costs to Legacy, Bancshares and USB of the premiums for either of such alternatives shall not exceed \$50,000. If Legacy is unable to maintain or obtain the insurance called for by this Section 6.3.7 as a result of the preceding provision, Legacy shall use commercially reasonable efforts to obtain as much comparable insurance as is available for \$50,000 with respect to acts or omissions occurring prior to the Effective Time of the Merger by such directors and officers in their capacities as such. If Bancshares shall consolidate with or merge into any other entity and shall not be the continuing or surviving entity of such consolidation or merger or shall transfer all or substantially all of its assets to any other entity, then and in each case, proper provision shall be made so that the successors and assigns of Bancshares shall assume the obligations set forth in this Section 6.3.7. The provisions of the penultimate sentence of this Section are intended to be for the benefit of each director or officer of Legacy and shall be enforceable by such director or officer and his or her heirs and representatives.

(b) For a period of four years after the Effective Time, Bancshares shall, and shall cause its subsidiaries to, maintain and preserve the rights to indemnification of officers and directors provided for in the Articles of Association and Bylaws of Legacy, or any indemnification agreement, as in effect on the date hereof with respect to indemnification for liabilities and claims arising out of acts, omissions, events, matters or circumstances occurring or existing prior to the Effective Time, including, without limitation, the Merger and the other transactions contemplated by this Agreement, to the extent such rights to indemnification are not in excess of that permitted by applicable state or federal laws or regulatory authorities.

(c) The provisions of this Section are intended to be for the benefit of, and shall be enforceable by, each director or officer of Legacy and his or her heirs and representatives.

6.3.8 Rule 144 Compliance. From and after the Effective Time of the Merger, Bancshares shall file timely all reports with the SEC necessary to permit the shareholders of Legacy who may be deemed underwriters (within the meaning of Rule 145 under the Securities Act) of Legacy Common Stock to sell Bancshares Common Stock received by them in connection with the Merger pursuant to Rules 144 and 145(d) under the Securities Act if they would otherwise be so entitled; provided, however, that Bancshares is otherwise obligated to file such reports with the SEC.

6.3.9 Blue Sky. Bancshares agrees to use commercially reasonable efforts to have the shares of Bancshares Common Stock to be issued in connection with the Merger qualified or registered for offer and sale, to the extent required, under the securities laws of each jurisdiction in which shareholders of Legacy reside.

6.3.10 Reservation, Issuance and Registration of Bancshares Common Stock. Bancshares shall reserve and make available for issuance in connection with the Merger and in accordance with the terms and conditions of this Agreement such number of shares of Bancshares Common Stock to be issued to the shareholders of Legacy in the Merger pursuant to Article 2 hereof.

6.3.11 Nasdaq Listing. Bancshares shall use its commercially reasonable efforts to cause the shares of Bancshares Common Stock to be issued in the Merger to be approved for quotation on the Nasdaq National Market System, subject to official notice of issuance, prior to the Effective Time of the Merger.

6.3.12 Compliance with Rules. Bancshares and USB shall comply with the requirements of all applicable Rules, the noncompliance with which would have a Material Adverse Effect on the assets, liabilities, business, financial condition or results of operations or prospects of Bancshares and USB.

6.3.13 Agreement of Merger. As soon as practicable, Bancshares and USB shall execute the Agreement of Merger.

6.3.14 Legacy Employees. Within seventy-five (75) days from the date of this Agreement, Bancshares shall provide written notice to Legacy of Bancshares' intentions with regard to its retention of Legacy employees. Bancshares shall use its best efforts to retain (whether through reassignment or otherwise) Legacy employees, and in particular shall retain all branch and loan center personnel.

6.3.15 Approval by Bancshares. In its capacity as the sole shareholder of USB, Bancshares shall formally approve this Agreement and further agreements and transactions contemplated by this Agreement. Such approval shall be granted by vote at a properly convened meeting of the sole shareholder of USB or by unanimous written consent.

Section 6.4 Negative Covenants of Bancshares. During the period from the date of execution of this Agreement through the Effective Time, except as contemplated by this Agreement, and subject to requirements of law and regulation generally applicable to banks, Bancshares shall not, without Legacy's prior written consent (which consent shall not be unreasonably withheld and which consent shall be deemed granted if within five (5) Business Days of Legacy's receipt of written notice of a request for prior written consent, written notice of objection is not received by Bancshares):

6.4.1 Declare, issue or pay any dividend or other distribution of assets, whether consisting of money, other personal property, real property or other things of value, to the shareholders of Bancshares, or split, combine or reclassify any shares of its capital stock, Bancshares Common Stock, or other Equity Securities of Bancshares, except for cash dividends payable by Bancshares to its shareholders in accordance with past practice;

6.4.2 Take any action that would or might result in any of the representations and warranties of Bancshares or USB set forth in the Agreement becoming untrue in any material respect or any of the conditions to the Merger set forth in Article 7 not being satisfied or otherwise materially delay or impair completion of the Merger, except to the extent such actions are required to be undertaken by applicable law, regulation or at the direction of any Regulatory Authority;

6.4.3 Take or cause to be taken any action which would disqualify the Merger as a reorganization within the meaning of Section 368(a) of the IRC as a tax-free reorganization;

6.4.4 Change its fiscal year or methods of accounting in effect at December 31, 2005, except as required by changes in GAAP or regulatory accounting principles as concurred to by Bancshares' independent public accountants or by Section 5.8 of this Agreement; or

6.4.5. Take any action which would or is reasonably likely to (i) adversely affect the ability of Bancshares or USB to obtain any necessary approval of any Governmental Entity required for the transactions contemplated hereby; (ii) adversely affect Bancshares' or USB's ability to perform their covenants and agreements under this Agreement; or (iii) result in any of the conditions to the performance of Bancshares' or USB's obligations hereunder, as set forth in Article 7 herein, not being satisfied

Section 6.5 Access to Operations and Employees.

6.5.1 Within fifteen (15) Business Days of the Closing Date, Legacy shall afford to USB and its authorized agents and representatives, access, during normal business hours, to the operations, books, and other information relating to Legacy for the sole purpose of assuring an orderly transition of operations, including the data processing conversion, in the Merger. USB shall give reasonable notice for access to Legacy, and the date and time of such access with then be mutually agreed to by USB and Legacy. USB's access shall be conducted in a manner which does not unreasonably interfere with Legacy's normal operations, customers and employee relations and which does not interfere with the ability of Legacy to consummate the transactions contemplated by this Agreement.

6.5.2 USB shall have the right, but not the obligation, within fifteen (15) Business Days of the Closing Date, to provide training to employees of Legacy who will become employees of USB. Such training shall be at the expense of USB and shall be conducted during normal business hours, or, if the foregoing is not possible, after business hours at a location reasonably requested by USB. At the request of USB, USB shall compensate employees, in accordance with Legacy's customary policies and practices, for the employee's time spent being trained by USB. Legacy shall cooperate with USB to make such employees available for such training prior to the Closing. Training shall not exceed 40 hours per employee. All travel and other reimbursable expense incurred by the employee for training are USB's responsibility. Nothing in this Section 6.5.2 is intended, nor shall it be construed, to confer any rights or benefits upon any persons other than USB, Bancshares or Legacy.

Bancshares shall be provided immediate notification by Legacy of the revocation of the Legacy Fairness Opinion; and

7.3.4 Bancshares shall offer each director of Legacy who is not selected to serve as a member of Bancshares' and USB's Boards of Directors, the title of Director Emeritus which includes a monthly stipend of \$400 as long as the director continues to hold at least 50% of the shares of Bancshares Common Stock issued to the director at the consummation of the Merger, and takes no actions construed as detrimental to the Surviving Corporation.

ARTICLE 8. TERMINATION, AMENDMENTS AND WAIVERS

Section 8.1 Termination of Agreement. Anything herein to the contrary notwithstanding, this Agreement and the transactions contemplated hereby including the Merger may be terminated at any time before the Effective Time, whether before or after approval by the shareholders of Legacy as follows, and in no other manner:

8.1.1 By mutual consent of Bancshares and USB, on the one hand, and Legacy, on the other;

8.1.2 By Bancshares or Legacy, (i) if any conditions set forth in Section 7.1 shall not have been met by March 31, 2007, or (ii) upon the expiration of 20 Business Days after any Governmental Entity denies or refuses to grant any approval, consent or authorization required to be obtained in order to consummate the transaction contemplated by this Agreement unless, within said 20 Business Day period after such denial or refusal, all Parties hereto agree to resubmit the application to the Governmental Entity that has denied, or refused to grant the approval, consent or authorization requested;

8.1.3 By Bancshares, if any conditions set forth in Section 7.2 shall not have been met, or by Legacy, if any conditions set forth in Section 7.3 shall not have been met, by March 31, 2007, or such earlier time as it becomes apparent that such condition cannot be met;

8.1.4 By Bancshares if there shall have been (i) a breach of any of the representations or warranties of Legacy set forth in this Agreement, (ii) a default in the observance or in the due and timely performance of any of its covenants and agreements herein contained, which breach or default, in the reasonable opinion of Bancshares, by its nature cannot be cured or is not cured prior to the Closing and which breach or default would, in the reasonable opinion of Bancshares, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Legacy or upon the consummation of the transactions contemplated hereby.

8.1.5 By Legacy if there shall have been (i) a breach of any of the representations or warranties of Bancshares or USB set forth in this Agreement, (ii) a default in the observance or in the due and timely performance of any of their covenants and agreements herein contained, which breach or default, in the reasonable opinion of Legacy, by its nature cannot be cured or is not cured prior to the Closing and which breach or default would, in the reasonable opinion of Legacy, individually or in the aggregate, have, or be reasonably likely to have, a Material Adverse Effect on Bancshares, USB or upon the consummation of the transactions contemplated hereby; or

8.1.6 By Bancshares or Legacy, if an Acquisition Event involving Legacy shall have occurred.

Section 8.2 Effect of Termination. of a Party to fulfill a condition to the performance of the obligations of any other Party or to perform a covenant of such Party in this Agreement, such Party shall, subject to the provision of Section 8.5, be fully liable for any and all damages, costs and expenses (including, but not limited to, reasonable attorneys' fees sustained or incurred by the other Party or Parties in connection with negotiating and implementing the transactions contemplated in this Agreement).

If any of the conditions specified in Section 7.3 have not been satisfied, Legacy may nevertheless, at its election, proceed with the transactions contemplated in this Agreement. If any Party elects to proceed pursuant to the provisions hereof, the conditions that are unsatisfied immediately prior to the Effective Time shall be deemed to be satisfied, as evidence by a certificate delivered by the electing Party.

Section 8.4 Force Majeure. Bancshares and Legacy agree that, notwithstanding anything to the contrary in this Agreement, in the event this Agreement is terminated as a result of a failure of a condition, which failure is due to a natural disaster or other act of God, or an act of war or of terror, and provided neither Party has materially failed to observe the obligations of such Party under this Agreement, neither Party shall be obligated to the other Party to this Agreement for any expenses or otherwise be liable hereunder.

Section 8.5 Expenses.

8.5.1 Legacy hereby agrees that if this Agreement is terminated by Bancshares (i) pursuant to Section 8.1.2, because of the failure of Legacy shareholders to approve the Agreement and the transactions contemplated hereby following the withdrawal or modification in any manner adverse to Bancshares of the Board of Directors of Legacy's recommendation of the Agreement and the transactions contemplated hereby, (ii) pursuant to Section 8.1.3 because of the failure of the condition set forth in Section 7.2, (iii) pursuant to Section 8.1.4, or (iv) pursuant to Section 8.1.6, Legacy shall promptly, and in any event within seven Business Days after such termination, pay Bancshares all Expenses (as defined below) of Bancshares and USB but not to exceed \$200,000.

Bancshares and USB's loss as a result of the transactions contemplated by this Agreement not being consummated.

8.5.4 Except as otherwise provided herein and in Section 5.5.1, all Expenses incurred by Bancshares/USB or Legacy in connection with or related to the authorization, preparation and execution of this Agreement, the solicitation of shareholder approvals and all other matters related to the closing of the transactions contemplated hereby, including, without limitation of the generality of the foregoing, all fees and expenses of agents, representatives, counsel, and accountants employed by either of the Parties or its affiliates, shall be borne solely and entirely by the Party which has incurred the same.

8.5.5 Expenses as used in this Agreement shall include all reasonable out-of-pocket expenses (including all fees and expenses of attorneys, accountants, investment bankers, experts and consultants to the Party and its Affiliates) incurred by the Party or on its behalf in connection with or related to the authorization, preparation and execution of this Agreement, the solicitation of shareholder approvals and all other matters related to the closing of the transactions contemplated hereby.

To the extent permissible under ERISA and similarly applicable laws and regulations, all employees of Legacy at the Effective Time, shall be entitled to participate in all Bancshares and USB Benefit Arrangements on substantially the same basis as other similarly situated employees of Bancshares and USB. Each of these employees will be credited for eligibility, participation and vesting purposes with such employee's respective years of past service with Legacy (or other prior service so credited by Legacy) as though they had been employees of Bancshares and USB, except with respect to Bancshares' Employee Stock Option Plan and 401(k) Plan.

APPENDIX B

12 U.S.C. Sec. 214a, Procedure for conversion, merger, or consolidation; vote of stockholders

SEC. 214a [Act of August 17, 1950, Sec. 2] A national banking association may, by vote of the holders of at least two-thirds of each class of its capital stock, convert into, or merge or consolidate with, a State bank in the same State in which the national banking association is located, under a State charter, in the following manner:

Approval of board of directors; publication of notice of stockholders meeting; waiver of publication; notice by registered or certified mail

(a) The plan of conversion, merger, or consolidation must be approved by a majority of the entire board of directors of the national banking association. The bank shall publish notice of the time, place, and object of the shareholders meeting to act upon the plan, in some newspaper with general circulation in the place where the principal office of the national banking association is located, at least once a week for four consecutive weeks: *Provided*, That newspaper publication may be dispensed with entirely if waived by all the shareholders and in the case of a merger or consolidation one publication at least ten days before the meeting shall be sufficient if publication for four weeks is waived by holders of at least two-thirds of each class of capital stock and prior written consent of the Comptroller of the Currency is obtained. The national banking association shall send such notice to each shareholder of record by registered mail or by certified mail at least ten days prior to the meeting, which notice may be waived specifically by any shareholder.

Rights of dissenting shareholders

(b) A shareholder of a national banking association who votes against the conversion, merger, or consolidation, or who has given notice in writing to the bank at or prior to such meeting that he dissents from the plan, shall be entitled to receive in cash the value of the shares held by him, if and when the conversion, merger, or consolidation is consummated, upon written request made to the resulting State bank at any time before thirty days after the date of consummation of such conversion, merger, or consolidation, accompanied by the surrender of his stock certificates. The value of such shares shall be determined as of the date on which the shareholders meeting was held authorizing the conversion, merger, or consolidation, by a committee of three persons, one to be selected by majority vote of the dissenting shareholders entitled to receive the value of their shares, one by the directors of the resulting State bank, and the third by the two so chosen. The valuation agreed upon by any two of three appraisers thus chosen shall govern; but, if the value so fixed shall not be satisfactory to any dissenting shareholder who has requested payment as provided herein, such shareholder may within five days after being notified of the appraised value of his shares appeal to the Comptroller of the Currency, who shall cause a reappraisal to be made, which shall be final and binding as to the value of the shares of the appellant. If, within ninety days from the date of consummation of the conversion, merger, or

consolidation, for any reason one or more of the appraisers is not selected as herein provided, or the appraisers fail to determine the value of such shares, the Comptroller shall upon written request of any interested party, cause an appraisal to be made, which shall be final and binding on all parties. The expenses of the Comptroller in making the reappraisal, or the appraisal as the case may be, shall be paid by the resulting State bank. The plan of conversion, merger, or consolidation shall provide the manner of disposing of the shares of the resulting State bank not taken by the dissenting shareholders of the national banking association.

Fairness Opinion of Howe Barnes Hoefer & Arnett, Inc.

October 6, 2006

Board of Directors
Legacy Bank, N.A.
125 E. Campbell Avenue
Campbell, California 95008

Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, to the holders of the outstanding shares of common stock of Legacy Bank, N.A., Campbell, California (Legacy) of the consideration to be received by Legacy in the merger (the Merger) of Legacy with and into United Security Bancshares, Fresno, California (Bancshares), pursuant to the draft of the Agreement and Plan of Reorganization and Merger, dated October 6, 2006, by and between Bancshares and Legacy (the Merger Agreement).

At the Effective Time of the Merger, subject to the exceptions and limitations in Section 2.5.1(b) of the Merger Agreement, each outstanding share of Legacy Common Stock (other than shares as to which statutory dissenters' appraisal rights have been exercised) shall be converted into shares of Bancshares Common Stock in accordance with the Exchange Ratio. Exchange Ratio means the number of shares of Bancshares Common Stock into which a share of Legacy Common Stock shall be converted which shall be equal to the amount determined by dividing the Merger Consideration by the Average Closing Price of Bancshares Common Stock. Merger Consideration is defined in the Merger Agreement to be the amount equal to the quotient of (A) the sum of (i) the product of \$13.00 multiplied by 1,672,373 plus (ii) the aggregate dollar amount of capital added to Legacy's shareholders' equity account upon the exercise of the Legacy Stock Option or Legacy Warrant, as applicable, minus (iii) the costs associated with the cancellation of Legacy's data processing/technology agreements as set forth on Schedule 3.18 of the Merger Agreement, divided by (B) the sum of (i) 1,672,373 plus (ii) the number of additional shares of Legacy Common Stock issued upon exercise of any Legacy Stock Option and/or Legacy Warrant, as applicable. All capitalized items used in this paragraph shall have the meanings ascribed to them in the Merger Agreement.

For purposes of this opinion and in connection with our review of the proposed transaction, we have, among other things:

C-1

1. Participated in discussions with representatives of Legacy and Bancshares concerning Legacy's and Bancshares's financial condition, businesses, assets, earnings, prospects, and such senior management's views as to its future financial performance;
2. Reviewed the terms of the Merger Agreement;
3. Reviewed certain publicly available financial statements, both audited (where available) and un-audited, and related financial information of Legacy and Bancshares, including those included in their respective annual reports for the past three years and their respective quarterly reports for the past two years;
4. Held discussions with members of senior management of Legacy Bank regarding financial forecasts and projections of Legacy, as well as the amount and timing of the cost savings and related expenses and synergies expected to result from the Merger;
5. Held discussions with members of senior management of Legacy and Bancshares regarding past and current business operations, regulatory matters, financial condition and future prospects of the respective companies;
6. Reviewed reported market prices and historical trading activity of Legacy and Bancshares common stock;
7. 9. Reviewed the potential pro forma impact of the Merger.

We have assumed and relied, without independent verification, upon the accuracy and completeness of all of the financial and other information that has been provided to us by Legacy, Bancshares, and their respective representatives, and of the publicly available information that was reviewed by us. We are not experts in the evaluation of allowances for loan losses and have not independently verified such allowances, and have relied on and assumed that the aggregate allowances for loan losses set forth in the balance sheets of each of Legacy and

Bancshares at June 30, 2006 are adequate to cover such losses and complied fully with applicable law, regulatory policy and sound banking practice as of the date of such financial statements. We were not retained to and we did not conduct a physical inspection of any of the properties or facilities of Legacy or Bancshares, did not make any independent evaluation or appraisal of the assets, liabilities or prospects of Legacy or Bancshares, were not furnished with any such evaluation or appraisal, and did not review any individual credit files. Our opinion is necessarily based on economic, market, and other conditions as in effect on, and the information made available to us as of, the date hereof.

(Howe Barnes), as part of its investment banking business, is regularly engaged in the valuation of banks and bank holding companies, thrifts and thrift holding companies, and various other financial services companies, in connection with mergers and acquisitions, initial and secondary offerings of securities, and valuations for other purposes. In rendering this fairness opinion, we have acted on behalf of the Board of Directors of Legacy and will receive a fee for our services.

Howe Barnes opinion as expressed herein is limited to the fairness, from a financial point of view, of the Merger Consideration to be paid by Bancshares to holders of Legacy common stock in the Merger and does not address Legacy's underlying business decision to proceed with the Merger. We have been retained on behalf of the Board of Directors of Legacy, and our opinion does not constitute a recommendation to any director of Legacy as to how such director should vote with respect to the Merger Agreement.

This letter is addressed and directed to the Board of Directors of Legacy in your consideration of the Merger and is not intended to be and does not constitute a recommendation to any stockholder as to how such stockholder should vote with respect to the Merger. We hereby consent to the reference to our firm in the proxy statement related to the transaction and to the inclusion of our opinion as an exhibit to the proxy statement related to the transaction.

Subject to the foregoing and based on our experience as investment bankers, our activities as described above, and other factors we have deemed relevant, we are of the opinion as of the date

C-3

hereof that the Merger Consideration is fair, from a financial point of view, to the holders of Legacy common stock.

Sincerely,

Howe Barnes Hoefer & Arnett, Inc.
