Item 1.01 Entry into a Material Definitive Agreement.

On November 2, 2007, Kratos Government Solutions, Inc. (*Parent*), a wholly-owned subsidiary of Kratos Defense & Security Solutions, Inc. (*Kratos*), entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Haverstick Consulting, Inc. (*Haverstick*). Pursuant to the Merger Agreement, a wholly-owned subsidiary of Parent shall be merged with and into Haverstick (the *Merger*), and Haverstick shall be the surviving corporation in the Merger and shall continue its corporate existence under the laws of the State of Indiana as a wholly-owned subsidiary of Parent after the Merger. The completion of the Merger is subject to customary closing conditions. The Board of Directors of each of Parent and Haverstick approved the Merger and the Merger Agreement.

Upon completion of the Merger, all outstanding shares of capital stock of Haverstick will be exchanged for an aggregate consideration equal to approximately 7,480,000 shares of Kratos common stock and \$69,500,000 in cash, subject to certain adjustments. Approximately 2,858,000 shares of Kratos common stock and \$1,170,000 in cash shall be withheld as security for satisfaction of certain indemnification obligations and payable over a twenty-one month period following the closing date of the Merger pursuant to the terms of the Merger Agreement.

The shares of Kratos common stock issued in connection with the Merger will be issued in a private placement transaction pursuant to Section 4(2) of the Securities Act of 1933, as amended (the *Securities Act*), and the rules and regulations promulgated thereunder. Pursuant to the terms of the Merger Agreement, Parent has agreed to use its reasonable best efforts to file a resale registration statement covering the shares issuable in connection with the Merger promptly following the closing date. In the event that the shares of Kratos common stock issued at the closing (the *Closing Stock*) are not salable under Rule 144 promulgated under the Securities Act (*Rule 144*) or pursuant to an effective registration statement as of the twelve month anniversary of the closing date, holders of the Closing Stock may elect to exchange such shares for a cash amount equal to \$2.74 per share in accordance with the terms of the Merger Agreement. Until the date on which the shares of Closing Stock are salable under Rule 144 or pursuant to an effective registration statement, interest shall accrue on the value of the Closing Stock at a floating rate of one-month LIBOR plus four percent (4%) per annum. The value of the Closing Stock for purposes of calculating the accrued interest shall be determined in accordance with the terms of the Merger Agreement and the aggregate interest amount shall be payable by Parent in shares of Kratos common stock. Parent shall pay the cash portion of the purchase price with cash to be provided under a \$75,000,000 credit facility to be provided by KeyBank Capital Markets (*KeyBank*) pursuant to the terms of that certain Facility Letter by and among Kratos and KeyBank, dated October 24, 2007 (collectively, the *Facility Letter*).

The foregoing descriptions of the Merger Agreement and the Facility Letter do not purport to be complete and are qualified in their entirety by the Merger Agreement and the Facility Letter attached as Exhibit 2.1 and Exhibit 10.1, respectively, to this Current Report on Form 8-K and incorporated herein by reference. Kratos issued a press release on November 5, 2007 regarding the execution of the Merger Agreement, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Kratos, Parent and Haverstick. The Merger Agreement contains representations and warranties that each of Kratos, Parent and Haverstick made to the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Merger Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts at the time they were made or otherwise.
