**Item 1.01 Entry into a Material Definitive Agreement.**

On March 7, 2008, Vista Gold Corp. ( Vista or the Corporation ) entered into a Subscription Agreement, a Note Indenture and an Agency Agreement, and issued Agent Warrants (each as defined below), in connection with Vista's completion of a private placement financing in which Vista sold and issued \$30 million in aggregate principal amount of senior secured convertible notes (the Notes ) pursuant to a brokered private placement. The Notes are convertible into common shares of Vista at any time at the option of the holder at a conversion price of \$6.00 per share, subject to adjustment in certain circumstances, including if Vista's common shares are trading on the American Stock Exchange at less than \$5.00 on the first anniversary of the date of issuance of the Notes, or if Vista issues common shares, or securities convertible into common shares, at a price of less than \$6.00 during the term of the Notes, subject to a minimum conversion price of \$4.80.

The financing was effected pursuant to the terms of the Agency Agreement (the Agency Agreement ) between Vista and Casimir Capital L.P. (the Agent ). Vista agreed to pay to the Agent in respect of the offering of the Notes an agent's fee equal to 4% of the gross proceeds of the offering (being \$1.2 million) and to issue common share purchase warrants (the Agent Warrants ) equal to 4% of number of common shares issuable upon the conversion of the Notes sold in the offering, assuming a conversion price of \$6.00 (being 200,000 Agent Warrants). Each Agent Warrant will be exercisable for one common share for \$6.00 per share until three years following the date of issuance. Each subscriber executed a form of Subscription Agreement with Vista in the form attached hereto as Exhibit 10.2 (the Subscription Agreement ). The terms of the Notes are set forth in the Note Indenture, dated March 4, 2008 (the Note Indenture ), among Vista, Minera Paredones Amarillos S.A. de C.V., as guarantor, HSBC Bank USA, N.A., as trustee and HSBC México, S.A. De C.V., Institución de Banca Múltiple, Grupo Financiero HSBC, División Fiduciaria, as collateral agent.

The Notes bear interest from the date of issuance at a rate of 10% per annum (calculated and payable semi-annually in arrears) and mature three years from the date of issuance (or on the earlier occurrence of an event of default). Vista's obligations under the Notes are guaranteed by the Corporation's Mexican operating subsidiary, Minera Paredones Amarillos S.A. de C.V., and the guarantee will be secured by the personal property and real property associated with the Paredones Amarillos gold project.

Vista can prepay the outstanding principal and accrued interest at any time after one year from the date the Notes are issued, upon payment of one year's additional interest.

Vista will use the net proceeds of the offering of the Notes to finance the previously announced purchase of gold processing equipment to be used at the Paredones Amarillos gold project and to fund ongoing operations at the Paredones Amarillos gold project.

The preceding descriptions of the terms of the Agency Agreement, the Subscription Agreement and the Note Indenture are qualified in their entirety by reference to the Agency Agreement, the Subscription Agreement and the Note Indenture filed herewith as Exhibit 10.1, Exhibit 10.2 and Exhibit 4.1, respectively, and incorporated herein by reference.
