ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 3, 2008, TESSCO Technologies Incorporated (the Company) and its primary operating subsidiaries, as borrowers, entered into a Second Modification Agreement (the Second Modification Agreement), dated as of November 26, 2008, with SunTrust Bank and Wachovia Bank, National Association, amending the Credit Agreement for the Company's existing \$50 million unsecured revolving credit facility.

The Second Modification Agreement amended a negative covenant in the Credit Agreement by increasing from \$15 million to \$25 million the amount of stock permitted to be repurchased by the Company over the term of the revolving credit facility. In addition, the Second Modification Agreement modified on a going forward basis certain other of the financial covenants applicable to the Company under the Credit Agreement, to adjust the definitions of cash flow and tangible net worth and to afford the Company limited relief from dividend restrictions.

Pursuant to the terms of the relevant documents, the financial covenants included in the Credit Agreement are also applicable to the Company's existing Term Loan with the same lenders, having an original principal amount of \$5.5 million. Accordingly, the Second Modification Agreement also has the effect of amending the terms applicable to the Term Loan.

The foregoing description of the Second Modification Agreement is qualified in its entirety by reference to the complete terms and conditions of the Second Modification Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
