Havant, UK June 30, 2010 Xyratex Ltd (Nasdaq: XRTX), a leading provider of enterprise class data storage subsystems and storage process technology, today announced results for the second fiscal quarter ended May 31, 2010. Revenues for the second quarter were \$455.9 million, an increase of 134.1% compared to revenues of \$194.7 million for the same period last year.

For the second quarter, GAAP net income was \$43.7 million, or \$1.39 per diluted share, compared to GAAP net loss of \$9.6 million, or \$0.33 per share, in the same period last year. Non-GAAP net income was \$46.8 million, or \$1.49 per diluted share, compared to non-GAAP net loss of \$6.6 million, or \$0.22 per share, in the same quarter a year ago (1).

Gross profit margin in the second quarter increased to 18.1%, compared to 12.9% in the same period last year, primarily due to significantly increased volumes of Storage Infrastructure products.

Revenues from our Networked Storage Solutions products were \$343.9 million as compared to \$184.3 million in the same quarter a year ago, an increase of 86.6%. Gross profit margin in the Networked Storage Solutions business was 12.8% as compared to 12.7% a year ago. Revenues from our Storage Infrastructure products were \$112.0 million as compared to \$10.5 million in the same quarter a year ago. Gross profit margin in the Storage Infrastructure business was 34.6% as compared to 18.0% a year ago.

Xyratex had an outstanding quarter with record revenue and earnings. We executed very well and were able to meet the strong demand from our customers, while continuing to invest in technologies and resources that will position us for growth going forward, said Steve Barber, CEO of Xyratex. Our priorities for the remainder of 2010 include strategic investment in new growth opportunities and securing new customers. We feel we are well positioned to capitalize on the positive industry dynamics that are creating significant

demand for our storage products.

A replay will be available through July 7, 2010 following the live call by dialing +1 (888) 286-8010 in the United States and +1 (617) 801-6888 outside the United States, replay code 69420917.

(1) Non-GAAP net income (loss) and diluted earnings (loss) per share excludes (a) amortization of intangible assets, (b) equity compensation expense, (c) specified non-recurring items such as restructuring costs and (d) the related tax effects. Reconciliation of non-GAAP net income (loss) and diluted earnings (loss) per share to GAAP net income (loss) and GAAP diluted earnings (loss) per share is included in a table immediately following the condensed consolidated statements of cash flow below.

The intention in providing these non-GAAP measures is to provide supplemental information regarding the Company's operational performance while recognizing that

they have material limitations and that they should only be referred to with reference to the corresponding GAAP measure.

The Company believes that the provision of these non-GAAP financial measures is useful to investors and investment analysts because it enables comparison to the Company's historical operating results, those of competitors and other industry participants and also provides transparency to the measures used by management in operational and financial decision making. In relation to the specific items excluded: (a) intangible assets represent costs incurred by the acquired business prior to acquisition, are not cash costs and will not be replaced when the assets are fully amortized and therefore the exclusion of these costs provides management and investors with better visibility of the costs required to generate revenue over time; (b) equity compensation expense is non-cash in nature, is outside the control of management during the period in which the expense is incurred; (c) restructuring costs are not comparable across periods or with other companies; (d) the exclusion of the related tax effects of excluding items (a) to (c) is necessary to show the effect on net income of the change in tax expense that would have been recorded if these items had not been incurred.
