Notes to Consolidated Financial Statements

(Unaudited)

Note 1

General

SuperMedia Inc. and its subsidiaries (collectively, SuperMedia, We, Our, Us, or the Company) sells advertising solutions to our clients and places their advertising into our various advertising media. Our advertising media include Superpages yellow page directories, Superpages.com, our online local search resource, the Superpages.com network, an online advertising network, Superpages direct mailers, and Superpages mobile, our local search application for wireless subscribers. The Company offers the SuperGuarantee program, which is a consumer focused program designed to make it easier and faster for consumers to find businesses they trust.

We are the official publisher of Verizon Communications Inc. (Verizon) print directories in the markets in which Verizon is currently the incumbent local telephone exchange carrier. We use the Verizon brand on our print directories in these and other specified markets. We also have agreements with FairPoint Communications, Inc. (FairPoint) and Frontier Communications Corporation (Frontier) in connection with the transfer by Verizon to FairPoint and Frontier of certain local telephone exchange assets in various Northeast and Midwest states. These agreements include a publishing agreement, a branding agreement and a non-competition agreement, each of which has a term expiring in 2036.

Basis of Presentation

The Company prepares its financial statements in accordance with accounting principles generally accepted in the United States (U.S. GAAP). Pursuant to the rules and regulations of the United States Securities and Exchange Commission (the SEC), the accompanying unaudited consolidated financial statements contain all adjustments, consisting of normal recurring items and accruals, necessary to fairly present the financial position, results of operations and cash flows of SuperMedia Inc. and its subsidiaries. These unaudited interim financial statements do not contain all information and footnote disclosures normally included in financial statements prepared in accordance with U.S. GAAP and, as such, should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2010. The results of operations for the three months ended March 31, 2011 are not necessarily indicative of results of operations for the 2011 fiscal year.

The preparation of these financial statements requires management to make estimates and judgments that affect the reported amount of assets and liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities at the date of the financial statements. Certain prior period amounts have been reclassified to conform to current year presentation.

Edgar Filing: SUPERMEDIA INC. - Form 10-Q

On December 31, 2009, upon emergence from bankruptcy, the Company adopted fresh start accounting in accordance with U.S. GAAP. Accordingly, the Company's 2010 financial results were significantly impacted. At December 31, 2009, the balances of deferred revenue and deferred directory costs were adjusted to their fair value of zero, which had a significant non-cash impact on our 2010 operating results. As a result, approximately \$846 million of deferred revenue (\$826 million net of estimated sales allowances) and \$213 million of deferred directory costs were not recognized in our 2010 annual consolidated statement of operations. These non-cash fresh start adjustments only impacted our 2010 consolidated statements of operations and do not affect current year results. Likewise, these non-cash fresh start adjustments did not affect cash flows as client billing and collection activities remained unchanged.

Recent Accounting Pronouncements

In December 2010, the Financial Accounting Standards Board issued Accounting Standards Update No. 2010-28, "When to Perform Step 2 of the Goodwill Impairment Test for Reporting Units with Zero or Negative Carrying Amounts (Topic 350) Intangibles—Goodwill and Other" (ASU 2010-28). ASU 2010-28 amends the criteria for performing Step 2 of the goodwill impairment test for reporting units with zero or negative carrying amounts and requires performing Step 2 if qualitative factors indicate that it is more likely than not that a goodwill impairment exists. The amendments in ASU 2010-28 are effective for fiscal years, and interim periods within those years, beginning after December 15, 2010. The adoption of ASU 2010-28 did not have an impact on the Company's consolidated financial position or results of operations.

Table of Contents**Note 2****Earnings (Loss) Per Share**

Basic earnings (loss) per share are computed by dividing net income (loss) available to common stockholders by the number of weighted-average common shares outstanding during the reporting period. Diluted earnings per share are calculated to give effect to all potentially dilutive common shares that were outstanding during the reporting period. The effect of potentially dilutive common shares for the three months ended March 31, 2011 was not material, and due to the reported net loss for the three months ended March 31, 2010, the effect of potentially dilutive common shares was anti-dilutive and therefore not included in the calculation of diluted earnings (loss) per share in that period.

During 2011 and 2010, certain employees and certain non-management directors were granted restricted stock awards, which entitles those participants to receive non-forfeitable dividends during the vesting period on a basis equivalent to the dividends paid to holders of the Company's common stock. As such, these unvested restricted stock awards met the definition of a participating security. Participating securities are defined as unvested share-based payment awards that contain non-forfeitable rights to dividends or dividend equivalents (whether paid or unpaid) and are included in the computation of earnings per share pursuant to the two-class method. At March 31, 2011, there were 386,703 such participating securities outstanding. Under the two-class method, all earnings, whether distributed or undistributed, are allocated to each class of common stock and participating securities based on their respective rights to receive dividends. However, the loss from continuing operations in the three months ended March 31, 2010 was not allocated to these participating securities, as these awards do not share in any loss generated by the Company.

The following table sets forth the calculation of basic and diluted earnings (loss) per share for the three months ended March 31, 2011 and 2010:

	Three Months Ended March 31,	
	2011	2010

The Company's financial assets or liabilities required to be measured at fair value on a recurring basis include cash and cash equivalents held in money market funds. At March 31, 2011, the Company's cash and cash equivalents were valued at \$165 million using Level 1 inputs where the fair value is based on quoted prices in active markets for identical assets. The fair values of trade receivables, short-term investments and accounts payable approximate their carrying amounts due to their short-term nature. The fair values of debt instruments are determined based on debt with similar maturities and credit quality discounted at current quoted market rates.

The following table sets forth the carrying amount and fair value for total debt obligations at March 31, 2011 and December 31, 2010:

Debt Obligations

The following table sets forth the Company's outstanding debt obligations on the consolidated balance sheets as of March 31, 2011 and December 31, 2010:

Edgar Filing: SUPERMEDIA INC. - Form 10-Q

	Interest Rates	Original Maturity	At March 31, 2011	At December 31, 2010
			(in millions)	
Senior secured term loans	ABR + 7.00%	2015	\$ 2,171	\$ 2,171

Senior Secured Term Loan Agreement

On December 31, 2009, the Company emerged from bankruptcy and entered into a loan agreement with certain financial institutions and JPMorgan Chase Bank, N.A., as administrative agent and collateral agent. On December 13, 2010, the loan agreement was amended (the Loan Agreement). The senior secured term loans bear interest at an annual rate equal to, at the Company's option, either (i) the Alternate Base Rate (ABR) plus an Applicable Margin, or (ii) adjusted London Inter-Bank Offered Rate (LIBOR) plus an Applicable Margin. The Applicable Margin is 7.0% for loans with interest rates determined by reference to ABR and 8.0% for loans with interest rates determined by reference to adjusted LIBOR. The senior secured term loans have a floor interest rate of 4.0% in the case of ABR and 3.0% in the case of LIBOR. As long as interest rates remain at or below 4.0% for ABR and 3.0% for LIBOR, which is currently the case, our effective interest rate will be 11.0%.

All of the Company's present and future domestic subsidiaries (other than a certain insignificant subsidiary) are guarantors under the Loan Agreement. In addition, the obligations under the Loan Agreement are secured by a lien

Table of Contents

on substantially all of the Company's and its domestic subsidiaries' tangible and intangible assets, including a mortgage on certain real property.

Debt Covenants and Maturities

As of March 31, 2011, the Company is in compliance with all of the covenants of its Loan Agreement.

The Company has a mandatory debt principal payment due after each fiscal quarter prior to the December 31, 2015 maturity date on the outstanding senior secured term loans in an aggregate amount equal to 67.5% of the amount of any increase in the Company's Available Cash, as defined in the Loan Agreement. The Company has the right to make early payments at par on the senior secured term loans in whole or in part, from time to time, without premium or penalty, subject to specified requirements as to size and manner of payments.

The Company did not generate positive cash flow for the three months ended March 31, 2011, as defined in the Loan Agreement and, therefore, no debt principal payments were made and no current maturities of long-term debt are reflected on the accompanied consolidated balance sheet as of March 31, 2011.

Note 6

Employee Benefits

Pension and Other Post-Employment Benefit Costs

The Company provides pension and other post-employment benefits (OPEB) to many of its employees. The Company's pension plans are noncontributory defined benefit pension plans. The pension plans include the SuperMedia Pension Plan for Management Employees and the SuperMedia Pension Plan for Collectively Bargained Employees. The assets of the two plans are held in a master trust. We also maintain a nonqualified pension plan for certain employees. The Company's OPEB includes post-employment health care and life insurance plans for the Company's retirees and their dependents that are both contributory and noncontributory and include a limit on the Company's share of cost for current and future retirees.

Net Periodic Cost

The following table sets forth the benefit costs (income) related to the Company's pension and post-employment health care and life insurance plans for the three months ended March 31, 2011 and 2010:

Edgar Filing: SUPERMEDIA INC. - Form 10-Q

Three Months Ended March 31,	Pension		Health Care and Life	
	2011	2010	2011	2010
	(in millions)			
Service cost	\$ 1	\$ 1	\$ 1	\$ 1
Interest cost	7	7	4	4
Expected return on plan assets	(10)	(8)		
Settlement loss	2			
Net periodic benefit cost	\$ 2	\$ 0	\$ 4	\$ 5

The Company recorded a pension settlement loss of \$2 million for the three months ended March 31, 2011 related to employees that received lump-sum distributions. These charges were recorded in accordance with applicable accounting guidance for settlements associated with defined benefit pension plans, which requires that settlement gains and losses be recorded once prescribed payment thresholds have been reached.

Savings Plans Benefits

The Company sponsors a defined contribution savings plan to provide opportunities for eligible employees to save for retirement on a tax-deferred basis and non-tax-deferred basis. Substantially all of the Company's employees are eligible to participate in the plan. Under the plan, a certain percentage of eligible employee contributions are matched with Company cash allocated to the participants' current investment elections. The Company recognizes savings plan expenses based on its matching obligation attributable to participating employees. The Company recorded total savings plan expenses of \$4 million and \$6 million for the three months ended March 31, 2011 and 2010, respectively.

Table of Contents

Severance Benefits

During the three months ended March 31, 2011 and 2010, the Company recorded severance expense of \$7 million and \$2 million, respectively. For the same periods, the Company paid severance benefits of \$4 million and \$1 million, respectively. These amounts include severance payments related to restructuring activities.

Note 7

Stock-Based Compensation

The 2009 Long-Term Incentive Plan (the 2009 Plan) provides for several forms of incentive awards to be granted to designated eligible employees, non-management directors, consultants and independent contractors providing services to the Company. The maximum number of shares of SuperMedia common stock authorized for issuance under the 2009 Plan is 1,500,000. During 2010 and 2011, the Company granted equity awards under the 2009 Plan to certain employees and to certain of our non-management directors.

Restricted Stock

The 2009 Plan provides for grants of restricted stock. These awards are classified as equity awards based on the criteria established by the applicable accounting rules for stock-based compensation. The fair value of the restricted stock awards was determined based on the price of SuperMedia common stock on the date of grant.

During 2010, certain employees were granted restricted stock awards that vest over three years in equal installments of one-third on the first, second, and third anniversaries of the grant date. All unvested shares of restricted stock will immediately terminate upon the employee's termination of employment with the Company for any reason on or before the third anniversary date of the award, except that the Compensation Committee of the Board of Directors, at its sole option and election, may permit the unvested shares not to terminate if the employee is terminated without cause. If a change in control occurs on or before the third anniversary of the grant date, all unvested shares of restricted stock will immediately vest. Grant award recipients would receive all regular cash dividends if the Company were to declare dividends.

During 2011, certain non-management directors were granted restricted stock awards that vest one year after the grant date. All unvested shares of restricted stock will immediately terminate if a non-management director ceases to be a member of the board of directors of the Company on or before the vesting date. If a change in control occurs on or before the vesting date, all unvested shares of restricted stock will immediately vest. Grant award recipients would receive all regular cash dividends if the Company were to declare dividends.

A portion of the cost related to these awards is included in the Company's compensation expense for the three months ended March 31, 2011.

Edgar Filing: SUPERMEDIA INC. - Form 10-Q

Changes in the Company's outstanding restricted stock awards were as follows:

	Restricted Stock Awards	Weighted-Average Grant-Date Fair Value
Outstanding restricted stock at January 1, 2011	427,867	\$ 27.01
Granted	63,488	8.82
Vested	(88,240)	38.15
Forfeitures	(16,412)	38.76
Outstanding restricted stock at March 31, 2011	386,703	\$ 20.99

Restricted Stock Units

The 2009 Plan provides for grants of restricted stock units (RSUs) that can be settled in cash, shares of SuperMedia common stock or a combination thereof. These awards are classified as either liability or equity awards based on the criteria established by the applicable accounting rules for stock-based compensation.

During 2010, certain non-management directors were granted RSU awards that vest over three years in equal installments of one-third on the first, second, and third anniversaries of the grant date. If a director ceases to be a member of the board of directors of the Company on or before the third anniversary date of the award, the RSUs will vest on a prorated basis by dividing the number of days commencing on the anniversary vesting date or date of award, as applicable, and ending on the date of separation from service by, (i) 1,095 days if the date of separation from service occurs prior to the first anniversary date of the award, (ii) 730 days if the date of separation from

service occurs after the first anniversary date of the award but before the second anniversary date of the award, and (iii) 365 days if the date of separation from service occurs after the second anniversary date of the award but before the third anniversary date of the award, and the number of RSUs remaining will immediately terminate. If a change in control occurs on or before the third anniversary date of the award, all unvested shares of restricted stock units will immediately vest.

During 2011, certain employees were granted RSU awards that vest over three years in equal installments of one-third on the first, second, and third anniversaries of the grant date. All unvested RSUs will immediately terminate upon the employee's termination of employment with the Company for any reason on or before the third anniversary date of the award, except that the Compensation Committee of the Board of Directors, at its sole option and election, may permit the unvested RSUs not to terminate if the employee is terminated without cause. If a change in control occurs on or before the third anniversary date of the award, all unvested shares of restricted stock units will immediately vest.

The fair value of the RSUs was determined based on the price of SuperMedia common stock on the date of grant. The RSUs are settled in stock, and therefore, classified as an equity award. No dividends are payable on the RSUs. However, dividend equivalents, equal to the amount of the dividend that would have been paid on an equivalent number of shares of SuperMedia common stock, are granted in the form of additional RSUs. The dividend equivalent RSUs are subject to the same vesting, forfeiture and other terms and conditions applicable to the RSUs.

A portion of the costs of this award is included in the Company's compensation expense for the three months ended March 31, 2011.

Changes in the Company's outstanding restricted stock units were as follows:

	Restricted Stock Units		Weighted- Average Fair Value
Outstanding RSUs at January 1, 2011	12,093	\$	33.09
Granted	67,500		7.47
Dividend equivalents			
Payments			
Forfeitures			
Outstanding RSUs at March 31, 2011	79,593	\$	11.36

Stock Options

The 2009 Plan provides for grants of stock options. These awards are classified as equity awards based on the criteria established by the applicable accounting rules for stock-based compensation.

During 2010, the Company granted a stock option award that vests over three years in equal installments of one-third on the first, second, and third anniversaries of the grant date and has a ten year term from the date of grant.

During 2011, certain employees were granted stock option awards that vest over three years in equal installments of one-third on the first, second, and third anniversaries of the grant date and have a ten year term from the date of grant.

A stock option holder may pay the option exercise price in cash by delivering unrestricted shares to the Company having a value at the time of exercise equal to the exercise price, by a cashless broker-assisted exercise, by a combination of these methods or by any other method approved by the Compensation Committee of the Company's Board of Directors. Options may not be re-priced without the approval of the Company's stockholders.

The fair value of each option award is estimated on the grant date using the Black-Scholes option pricing model. The model incorporates assumptions regarding inputs as follows:

- Expected volatility is a blend of the historical volatility of SuperMedia common stock over its history and the historical volatility of thirteen of SuperMedia's peers;
- Expected life is calculated based on the average life of the remaining vesting term and the remaining contractual life of each award; and

Table of Contents

- The risk-free interest rate is determined using the U.S. Treasury zero-coupon issue with a remaining term equal to the expected life of the option.

A portion of the cost related to these stock option awards is included in the Company's compensation expense for the three months ended March 31, 2011.

Changes in the Company's outstanding stock option awards were as follows:

	Number of Stock Option Awards	Weighted- Average Exercise price	Weighted- Average Remaining Contractual Term (years)	Aggregate Intrinsic Value (per share)
Outstanding stock option awards at January 1, 2011	150,000	\$ 7.25	9.94	\$ 1.46
Granted	211,750	8.59	10.00	0.00
Exercises				
Forfeitures/expirations				
Outstanding stock option awards at March 31, 2011	361,750	\$ 8.03	9.82	\$ 0.00

Stock-Based Compensation Expense

The compensation expense recognized for the three months ended March 31, 2011 and 2010, related to stock-based compensation was \$1 million and less than \$1 million, respectively. These costs are recorded as part of general and administrative expenses on the consolidated statements of operations.

As of March 31, 2011, unrecognized compensation expense related to the unvested portion of the Company's restricted stock and restricted stock unit awards was approximately \$9 million and is expected to be recognized over a weighted-average period of approximately 2.2 years.

Note 8

Income Taxes

Income taxes for the three months ended March 31, 2011 and 2010 have been included in the accompanying consolidated financial statements on the basis of an estimated annual effective tax rate. In determining the estimated annual effective tax rate, the Company included interest expense and the tax effect of other one-time discrete items. The Company anticipates the effective tax rate, including interest expense and other one-time discrete items, to approximate 36% for 2011. Our effective tax rate for 2011 may be subject to changes in future periods. The full year effective tax rate for 2010 was 35.3%.

On March 23, 2010 the Patient Protection and Affordable Care Act was signed into law, which was amended on March 30, 2010 by the Health Care and Education Reconciliation Act of 2010. These acts include provisions that eliminate a future tax deduction related to Medicare Part D subsidies received on or after January 1, 2013. This change in tax law required the Company to record a non-cash income tax charge of \$7 million to reduce the associated deferred tax asset during the three months ended March 31, 2010.

Note 9

Litigation

The Company is subject to various lawsuits and other claims in the normal course of business. In addition, from time to time, the Company receives communications from government or regulatory agencies concerning investigations or allegations of noncompliance with laws or regulations in jurisdictions in which the Company operates.

The Company establishes reserves for the estimated losses on specific contingent liabilities, for regulatory and legal actions where the Company deems a loss to be probable and the amount of the loss can be reasonably estimated. In other instances, the Company is not able to make a reasonable estimate of liability because of the uncertainties related to the outcome or the amount or range of potential loss. The Company does not expect that the ultimate resolution of pending regulatory and legal matters in future periods, including the matters described below, will have a material adverse effect on its statement of operations.

On April 30, 2009, May 21, 2009, and June 5, 2009, three separate putative class action securities lawsuits were filed in the U.S. District Court for the Northern District of Texas, Dallas Division, against certain of the Company's current and former officers (but not against the Company or its subsidiaries). The suits were filed by Jan Buettgen, John Heffner, and Alan Goldberg as three separate named plaintiffs on behalf of purchasers of the Company's common stock between August 10, 2007 and March 31, 2009, inclusive. On May 22, 2009, a putative class action securities lawsuit was filed in the U.S. District Court for the Eastern District of Arkansas against two of the Company's current officers (but not against the Company or its subsidiaries). The suit was filed by Wade L. Jones on behalf of purchasers of the Company's bonds between March 27, 2008 and March 30, 2009, inclusive. On August 18, 2009, the Wade Jones case from Arkansas federal district court was transferred to be consolidated with the cases filed in Texas. The complaints are virtually identical and generally allege that the defendants violated federal securities laws by issuing false and misleading statements regarding the Company's financial performance and condition. Specifically, the complaints allege violations by the defendants of Section 10(b) of the Exchange Act, Rule 10b-5 under the Exchange Act and Section 20 of the Exchange Act. The plaintiffs are seeking unspecified compensatory damages and reimbursement for litigation expenses. A class has not been certified. Since the filing of the complaints, all four cases have been consolidated into one court in the Northern District of Texas and a lead plaintiff and lead plaintiffs' attorney have been selected (the Buettgen case). On April 12, 2010, the Company filed a motion to dismiss the entire *Buettgen* complaint. On August 11, 2010, in a one line order without an opinion, the Court denied the Company's motion to dismiss. Subsequently, the Court entered a scheduling order setting out a timetable for proceedings to consider class certification and administratively closing the case. The plaintiffs have filed their class certification motion, the Company filed its opposition on January 14, 2011, and the motion is now fully briefed. The Company awaits the order of the court. The Company plans to honor its indemnification obligations and vigorously defend the lawsuit on the defendants' behalf.

On April 20, 2009, a lawsuit was filed in the district court of Tarrant County, Texas, against certain of the Company's officers and directors (but not against the Company or its subsidiaries) on behalf of Jack B. Corwin as Trustee of The Jack B. Corwin Revocable Trust, and Charitable Remainder Stewardship Company of Nevada, and as Trustee of the Jack B. Corwin 2006 Charitable Remainder Unitrust (the Corwin case). The *Corwin* case generally alleges that at various times in 2008 and 2009, the named Company officers and directors made false and misleading representations, or failed to state material facts, which made their statements misleading regarding the Company's financial performance and condition. The suit brings fraud and negligent misrepresentation claims and alleges violations of the Texas Securities Act and Section 27 of the Texas Business Commerce Code. The plaintiffs seek unspecified compensatory damages, exemplary damages, and reimbursement for litigation expenses. On June 3, 2009, the plaintiffs filed an amended complaint with the same allegations adding two additional Company directors as party defendants. On June 10, 2010, the court in the *Buettgen* case granted the Company's motion staying discovery in the *Corwin* case pursuant to the provisions of the Private Securities Litigation Reform Act. After the adverse decision in the *Buettgen* case, the parties agreed to a scheduling order consistent with the prior *Buettgen* stay order. The Company plans to honor its indemnification obligations and vigorously defend the lawsuit on the defendants' behalf.

On November 25, 2009, three former Bell retirees brought a putative class action lawsuit in the U.S. District Court for the Northern District of Texas, Dallas Division, against both the Verizon employee benefits committee and pension plans and the Company employee benefits committee (the EBC) and pension plans. All three named plaintiffs are receiving the single life monthly annuity pension benefits. All complain that Verizon transferred them against their will from the Verizon pension plans to the Company pension plans at or near the Company's spin-off from Verizon. The complaint alleges that both the Verizon and Company defendants failed to provide requested plan documents, which would entitle the plaintiffs to statutory penalties under ERISA; that both the Verizon and Company defendants breached their fiduciary duty for refusal to disclose pension plan information; and other class action counts aimed solely at the Verizon defendants. The plaintiffs seek class action status, statutory penalties, damages and a reversal of the employee transfers. The Company defendants filed their motion to dismiss the entire complaint on March 10, 2010. On October 18, 2010, the Court ruled on the pending motion dismissing all the claims against the Company pension plans and all of the claims against the Company's EBC relating to the production of documents and statutory penalties for failure to produce same. The only claims remaining against the Company are procedural ERISA claims against the Company's EBC. On November 1, 2010, the Company's EBC filed its answer to the complaint. On November 4, 2010, the Company's EBC filed a motion to dismiss one of the two remaining procedural ERISA claims against the EBC. Pursuant to an agreed order, the plaintiffs have obtained class certification against the Verizon defendants and discovery has commenced. The Company plans to honor its indemnification obligations and vigorously defend the lawsuit on the defendants' behalf.

Edgar Filing: SUPERMEDIA INC. - Form 10-Q

On December 10, 2009, a former employee with a history of litigation against the Company filed a putative class action lawsuit in the U.S. District Court for the Northern District of Texas, Dallas Division, against certain of

the Company's current and former officers, directors and members of the Company's EBC. The complaint attempts to recover alleged losses to the various savings plans that were allegedly caused by the breach of fiduciary duties in violation of ERISA of the defendants in administering the plans from November 17, 2006 to March 31, 2009. The complaint alleges that: (i) the defendants wrongfully allowed all the plans to invest in Idearc common stock, (ii) the defendants made material misrepresentations regarding the Company's financial performance and condition, (iii) the defendants had divided loyalties, (iv) the defendants mismanaged the plan assets, and (v) certain defendants breached their duty to monitor and inform the EBC of required disclosures. The plaintiffs are seeking unspecified compensatory damages and reimbursement for litigation expenses. At this time, a class has not been certified. The plaintiffs have filed a consolidated complaint. The Company filed a motion to dismiss the entire complaint on June 22, 2010. On March 16, 2011, the Court granted the Company defendants' motion to dismiss the entire complaint, however, the plaintiffs have replead their complaint which will cause the Company defendants to file another motion to dismiss. The Company plans to honor its indemnification obligations and vigorously defend the lawsuit on the defendants' behalf.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

Overview

SuperMedia Inc. and its subsidiaries (collectively, SuperMedia, We, Our, Us, or the Company) sells advertising solutions to our clients and places their advertising into our various advertising media. Our advertising media include Superpages yellow page directories, Superpages.com, our online local search resource, the Superpages.com network, an online advertising network, Superpages direct mailers, and Superpages mobile, our local search application for wireless subscribers. The Company offers the SuperGuarantee program, which is a consumer focused program designed to make it easier and faster for consumers to find businesses they trust.

We are the official publisher of Verizon Communications Inc. (Verizon) print directories in the markets in which Verizon is currently the incumbent local telephone exchange carrier. We use the Verizon brand on our print directories in these and other specified markets. We also have agreements with FairPoint Communications, Inc. (FairPoint) and Frontier Communications Corporation (Frontier) in connection with the transfer by Verizon to FairPoint and Frontier of certain local telephone exchange assets in various Northeast and Midwest states. These agreements include a publishing agreement, a branding agreement and a non-competition agreement, each of which has a term expiring in 2036.

Basis of Presentation

The Company prepares its financial statements in accordance with accounting principles generally accepted in the United States (U.S. GAAP). Pursuant to the rules and regulations of the United States Securities and Exchange Commission (the SEC), the accompanying unaudited consolidated financial statements contain all adjustments, consisting of normal recurring items and accruals, necessary to fairly present the financial position, results of operations and cash flows of SuperMedia Inc. and its subsidiaries. These unaudited interim financial statements do not contain all information and footnote disclosures normally included in financial statements prepared in accordance with U.S. GAAP and, as such, should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2010. The results of operations for the three months ended March 31, 2011 are not necessarily indicative of results of operations for the 2011 fiscal year.

The preparation of these financial statements requires management to make estimates and judgments that affect the reported amount of assets and liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities at the date of the financial statements. Certain prior period amounts have been reclassified to conform to current year presentation.

On December 31, 2009, upon emergence from bankruptcy, the Company adopted fresh start accounting in accordance with U.S. GAAP. Accordingly, the Company's 2010 financial results were significantly impacted. At December 31, 2009, the balances of deferred revenue and deferred directory costs were adjusted to their fair value of zero, which had a significant non-cash impact on our 2010 operating results. As a result, approximately \$846 million of deferred revenue (\$826 million net of estimated sales allowances) and \$213 million of deferred directory costs were not recognized in our 2010 annual consolidated statement of operations. These non-cash fresh start adjustments only impacted our 2010 consolidated statements of operations and do not affect current year results. Likewise, these non-cash fresh start adjustments did not affect cash flows as client billing and collection activities remained unchanged.

Advertising Sales

We have been experiencing reduced advertising sales and revenue over the past several years driven by reduced advertiser renewals, reflecting continued competition from other advertising media (including the Internet, cable television, newspaper and radio) and a weak economy. For the three months ended March 31, 2011, net advertising sales, which primarily reflect sales activity from the second half of 2010, declined 17.8% compared to the same period in 2010. For the three months ended March 31, 2010 net advertising sales declined 20.4% compared to the same period in 2009. Advertising sales for the three months ended March 31, 2011 include a negative adjustment of \$9 million, or 1.9%, related to the financial distress and operational wind down of a single certified marketing representative firm in our third-party national sales channel. If the factors driving these declines continue, then we will continue to experience declining advertising sales and revenues in the future.

Table of Contents**Results of Operations**

We emerged from Chapter 11 bankruptcy and adopted fresh start accounting on December 31, 2009. As required by U.S. GAAP, the implementation of fresh start accounting at December 31, 2009 included adjustments to deferred revenue and deferred directory costs and had a significant non-cash impact on our consolidated results of operations in 2010, but had no impact on the underlying cash, working capital assumptions or operation of our business. As a result of the application of fresh start accounting, the Company's 2010 financial statements are not comparable with our 2011 financial statements. However, in our discussion of the results of operations, the three months ended March 31, 2011 have been compared to the three months ended March 31, 2010 in our consolidated statements of operations. In this discussion, we quantify the impacts of fresh start accounting on our 2010 consolidated results of operations.

The financial information and the discussion below should be read in conjunction with the accompanying consolidated financial statements and notes thereto. Our operating results for any quarter may not be indicative of our operating results in any future period.

Three Months Ended March 31, 2011 Compared to Three Months Ended March 31, 2010

The following table sets forth our consolidated operating results for the three months ended March 31, 2011 and 2010:

Three Months Ended March 31,	2011	2010	Change	% Change

Operating Revenue

Edgar Filing: SUPERMEDIA INC. - Form 10-Q

Operating revenue of \$438 million in the three months ended March 31, 2011 increased \$284 million, or 184.4%, compared to \$154 million in the three months ended March 31, 2010. This increase was due primarily to the exclusion of approximately \$379 million of amortized revenue from our 2010 results, as required by fresh start accounting. This increase was partially offset by reduced advertiser renewals, reflecting continued competition from other advertising media (including the Internet, cable television, newspaper and radio) and a weak economy.

Operating Expense

Operating expense of \$335 million in the three months ended March 31, 2011 increased \$37 million, or 12.4%, compared to \$298 million in the three months ended March 31, 2010, for the reasons described below.

Selling. Selling expense of \$116 million in the three months ended March 31, 2011 increased \$7 million, or 6.4%, compared to \$109 million in the three months ended March 31, 2010. This increase resulted primarily from higher sales commissions as our 2010 results excluded approximately \$43 million of sales commissions, as required by fresh start accounting, partially offset by lower employee related costs and reduced advertising costs associated with our national advertising program.

Table of Contents

Cost of Sales. Cost of sales of \$110 million in the three months ended March 31, 2011 increased \$21 million, or 23.6%, compared to \$89 million in the three months ended March 31, 2010. This increase was primarily due to increased printing and distribution costs as our 2010 results excluded approximately \$49 million of printing and distribution costs, as required by fresh start accounting, partially offset by reduced employee related costs.

General and Administrative. General and administrative expense of \$65 million in the three months ended March 31, 2011 increased \$13 million, or 25.0%, compared to \$52 million in the three months ended March 31, 2010. The increase was driven by higher bad debt expense as our 2010 results excluded approximately \$30 million of bad debt expense associated with fresh start accounting, higher severance costs and higher settlement losses in 2011 associated with our pension plans, partially offset by reduced employee related costs. Bad debt expense of \$17 million in the three months ended March 31, 2011 increased by \$5 million, or 41.7%, compared to \$12 million in the three months ended March 31, 2010. Bad debt expense as a percent of total operating revenue was 3.9% for the three months ended March 31, 2011, compared to 7.8% for the three months ended March 31, 2010.

Depreciation and Amortization. Depreciation and amortization expense of \$44 million in the three months ended March 31, 2011 decreased \$4 million, or 8.3%, compared to \$48 million in the three months ended March 31, 2010. This decrease was primarily due to lower amortization expense associated with capitalized internal use software.

Interest Expense

Interest expense, net of interest income, of \$57 million decreased \$15 million, or 20.8%, compared to \$72 million in the three months ended March 31, 2010 due to lower outstanding long-term debt obligations.

Reorganization Items

In the three months ended March 31, 2011, the Company recorded less than \$1 million of reorganization items compared to \$2 million in the three months ended March 31, 2010.

Provision (Benefit) for Income Taxes

Provision (benefit) for income taxes of \$16 million in the three months ended March 31, 2011 increased \$91 million, compared to a benefit of (\$75) million in the three months ended March 31, 2010, primarily due to the impact of the items listed above. The effective tax rates for the three months ended March 31, 2011 and 2010 were 34.8% and 34.4%, respectively. The results for the three months ended March 31, 2011 and 2010, include the effects of one-time discrete items. We anticipate the effective tax rate, including interest expense and other one-time discrete items, to approximate 36% for 2011. Our effective tax rate for 2011 may be subject to changes in future periods. Our full year effective tax rate for 2010 was 35.3%.

Liquidity and Capital Resources

The following table sets forth a summary of cash flows for the three months ended March 31, 2011 and 2010:

Three Months Ended March 31,	2011		2010 (in millions)		Change
Cash Flows Provided By (Used In):					
Operating activities	\$	(6)	\$	92	\$ (98)
Investing activities		(3)		(11)	8
Financing activities					
Increase (Decrease) In Cash and Cash Equivalents	\$	(9)	\$	81	\$ (90)

Our primary source of funds continues to be cash generated from operations. In the three months ended March 31, 2011, net cash used in operating activities was \$6 million, compared to net cash provided by operating activities of \$92 million in the three months ended March 31, 2010. Our 2011 results were significantly impacted by a federal tax payment of \$72 million related to our 2010 income tax obligations. The remaining decrease was primarily due to lower cash collections associated with lower revenues, partially offset by reduced expenditures and lower interest payments due to our lower debt obligations.

As a result of not generating positive cash flow, as defined in the Loan Agreement, no debt principal payments were made for the three months ended March 31, 2011.

Table of Contents

We believe the net cash provided by our operating activities and existing cash and cash equivalents will provide sufficient resources to meet our working capital requirements, estimated principal and interest debt service requirements and other cash needs for the remainder of 2011.

Recent Accounting Pronouncements

In December 2010, the Financial Accounting Standards Board issued Accounting Standards Update No. 2010-28, "When to Perform Step 2 of the Goodwill Impairment Test for Reporting Units with Zero or Negative Carrying Amounts (Topic 350) Intangibles—Goodwill and Other" (ASU 2010-28). ASU 2010-28 amends the criteria for performing Step 2 of the goodwill impairment test for reporting units with zero or negative carrying amounts and requires performing Step 2 if qualitative factors indicate that it is more likely than not that a goodwill impairment exists. The amendments in ASU 2010-28 are effective for fiscal years, and interim periods within those years, beginning after December 15, 2010. The adoption of ASU 2010-28 did not have an impact on the Company's consolidated financial position or results of operations.

Disclosure Controls

Edgar Filing: SUPERMEDIA INC. - Form 10-Q

Under the supervision and with the participation of our management, including our chief executive officer and chief financial officer, we have evaluated the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) promulgated under the Securities Exchange Act of 1934, as amended) as of the end of the period covered by this report. Changes in Internal Control Over Financial Reporting

There have not been any changes in our internal control over financial reporting during the period covered by this report that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

The plaintiffs are seeking unspecified compensatory damages and reimbursement for litigation expenses. A class has not been certified. Since the filing of the complaints, all four cases have been consolidated into one court in the Northern District of Texas and a lead plaintiff and lead plaintiffs' attorney have been selected (the Buettgen case). On April 12, 2010, the Company filed a motion to dismiss the entire Buettgen complaint. On August 11, 2010, in a one line order without an opinion, the Court denied the Company's motion to dismiss. Subsequently, the Court entered a scheduling order setting out a timetable for proceedings to consider class certification and administratively closing the case. The plaintiffs have filed their class certification motion, the Company filed its opposition on January 14, 2011, and the motion is now fully briefed. The Company awaits the order of the court. The Company plans to honor its indemnification obligations and vigorously defend the lawsuit on the defendants' behalf.

On April 20, 2009, a lawsuit was filed in the district court of Tarrant County, Texas, against certain of the Company's officers and directors (but not against the Company or its subsidiaries) on behalf of Jack B. Corwin as Trustee of The Jack B. Corwin Revocable Trust, and Charitable Remainder Stewardship Company of Nevada, and as Trustee of the Jack B. Corwin 2006 Charitable Remainder Unitrust (the Corwin case). The Corwin case generally alleges that at various times in 2008 and 2009, the named Company officers and directors made false and misleading representations, or failed to state material facts, which made their statements misleading regarding the Company's financial performance and condition. The suit brings fraud and negligent misrepresentation claims and alleges violations of the Texas Securities Act and Section 27 of the Texas Business Commerce Code. The plaintiffs seek unspecified compensatory damages, exemplary damages, and reimbursement for litigation expenses. On June 3, 2009, the plaintiffs filed an amended complaint with the same allegations adding two additional Company directors as party defendants. On June 10, 2010, the court in the Buettgen case granted the Company's motion staying discovery in the Corwin case pursuant to the provisions of the Private Securities Litigation Reform Act. After the adverse decision in the Buettgen case, the parties agreed to a scheduling order consistent with the prior Buettgen stay order. The Company plans to honor its indemnification obligations and vigorously

defend the lawsuit on the defendants' behalf.

On November 25, 2009, three former Bell retirees brought a putative class action lawsuit in the U.S. District Court for the Northern District of Texas, Dallas Division, against both the Verizon employee benefits committee and pension plans and the Company employee benefits committee (the EBC) and pension plans. All three named plaintiffs are receiving the single life monthly annuity pension benefits. All complain that Verizon transferred them against their will from the Verizon pension plans to the Company pension plans at or near the Company's spin-off from Verizon. The complaint alleges that both the Verizon and Company defendants failed to provide requested plan documents, which would entitle the plaintiffs to statutory penalties under ERISA; that both the Verizon and Company defendants breached their fiduciary duty for refusal to disclose pension plan information; and other class action counts aimed solely at the Verizon defendants. The plaintiffs seek class action status, statutory penalties, damages and a reversal of the employee transfers. The Company defendants filed their motion to dismiss the entire complaint on March 10, 2010. On October 18, 2010, the Court ruled on the pending motion dismissing all the claims against the Company pension plans and all of the claims against the Company's EBC relating to the production of documents and statutory penalties for failure to produce same. The only claims remaining against the Company are procedural ERISA claims against the Company's EBC. On November 1, 2010, the Company's EBC filed its answer to the complaint. On November 4, 2010, the Company's EBC filed a motion to dismiss one of the two remaining procedural ERISA claims against the EBC. Pursuant to an agreed order, the plaintiffs have obtained class certification against the Verizon defendants and discovery has commenced. The Company plans to honor its indemnification obligations and vigorously defend the lawsuit on the defendants' behalf.

On December 10, 2009, a former employee with a history of litigation against the Company filed a putative class action lawsuit in the U.S. District Court for the Northern District of Texas, Dallas Division, against certain of the Company's current and former officers, directors and members of the Company's EBC. The complaint attempts to recover alleged losses to the various savings plans that were allegedly caused by the breach of fiduciary duties in violation of ERISA of the defendants in administering the plans from November 17, 2006 to March 31, 2009. The complaint alleges that: (i) the defendants wrongfully allowed all the plans to invest in Idearc common stock, (ii) the defendants made material misrepresentations regarding the Company's financial performance and condition, (iii) the defendants had divided loyalties, (iv) the defendants mismanaged the plan assets, and (v) certain defendants breached their duty to monitor and inform the EBC of required disclosures. The plaintiffs are seeking unspecified compensatory damages and reimbursement for litigation expenses. At this time, a class has not been certified. The plaintiffs have filed a consolidated complaint. The Company filed a motion to dismiss the entire complaint on June 22, 2010. On March 16, 2011, the Court granted the Company defendants' motion to dismiss the entire complaint, however, the plaintiffs have replead their complaint which will cause the Company defendants to file another motion to dismiss. The Company plans to honor its indemnification obligations and vigorously defend the lawsuit on the defendants' behalf.
