**AMENDMENTS TO ARTICLES OF INCORPORATION OR BYLAWS; CHANGE IN FISCAL YEAR**

At the Annual Meeting of Stockholders of Helmerich & Payne, Inc. (the Company), held on March 6, 2013, the Company's stockholders approved a non-binding proposal to adopt a majority voting standard in the election of directors. The stockholder proposal contemplated the retention of a plurality voting standard for contested elections. On September 4, 2013, the Company's Board of Directors approved amendments to the Amended and Restated By-Laws of Helmerich & Payne, Inc. (the By-Laws). The By-Laws are effective as of September 4, 2013. Article II, Section 1 and Article III, Section 1 of the By-Laws were amended. Additionally, a new Section 2 was added to Article II. The amendments establish, for uncontested elections, a majority voting and resignation process for directors. The By-Laws provide that if in any uncontested election of directors a nominee receives a greater number of against votes than votes for, the nominee will tender his or her resignation. The Board of Directors will decide, through a process managed by a Board committee and in accordance with procedures set forth in the Company's amended Corporate Governance Guidelines, whether to accept or reject the resignation, or whether other action should be taken. The Company's amended Corporate Governance Guidelines are available on the Company's website under both the Governance or Investor Relations sections. Information made available on the Company's website does not constitute a part of this Current Report on Form 8-K. The By-Laws further provide that, in contested elections, directors will be elected using a plurality voting standard.

The foregoing description of the amendments to the By-Laws does not purport to be complete and is qualified in its entirety by reference to the By-Laws, as amended, that are attached hereto as Exhibit 3.1 and incorporated by reference herein.
