Item 4. Description of Securities.

Bemis Company, Inc.'s common stock is registered under Section 12 of the Exchange Act and, therefore, the description of securities is omitted.

Item 5. Interests of Named Experts and Counsel.

Sheri H. Edison, Vice President, General Counsel and Secretary of Bemis Company, Inc. has opined on the legality of the issuance of the common stock offered pursuant to this registration statement. As of May 1, 2014, Ms. Edison beneficially owned 21,506 shares of our common stock.

Item 6. Indemnification of Directors and Officers.

Under Missouri law, a corporation may indemnify any person who was or is a party or is threatened to be made a party to an action (other than an action by or in the right of the corporation) by reason of that person's service as a director, officer, employee or agent of the corporation, or that person's service, at the corporation's request, as a director, officer, employee or agent of another corporation or other enterprise, against expenses (including attorneys' fees) that are actually and reasonably incurred by that person ("Expenses"), and judgments, fines and amounts paid in settlement that are actually and reasonably incurred, in connection with the defense or settlement of such action, provided that the person to be indemnified acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the conduct was unlawful. Although Missouri law permits a corporation to indemnify any person referred to above against Expenses in connection with the defense or settlement of an action by or in the right of the corporation, provided that the person to be indemnified acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, if such person has been judged liable to the corporation, indemnification is only permitted to the extent that the court in which the action was brought determines that, despite the adjudication of liability, such person is entitled to indemnity for such Expenses as the court deems proper. The General and Business Corporation Law of the State of Missouri also provides for mandatory indemnification of any director, officer, employee or agent against Expenses to the extent such person has been successful on the merits in any proceeding covered by the statute. Missouri law allows for the advancement of expenses pursuant to authorization by the board of directors in certain cases. Missouri law also allows a corporation to give further indemnity in its articles of incorporation, bylaws or by agreement of the Shareholders, provided such further indemnity does not indemnify a person for conduct finally adjudged to have been knowingly fraudulent, deliberately dishonest or a product of willful misconduct. In addition, the General Business and Corporation Law of the State of Missouri provides that indemnification provided by the statute shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the articles of incorporation, the bylaws, any agreement or vote of shareholders or disinterested directors, or otherwise.

Article V of our Bylaws requires indemnification of our directors and officers or directors and officers of our subsidiaries provided the person to be indemnified acted in good faith and in a manner reasonably believed to be in our best interests, and, in addition, in any criminal action, had no reason to believe the conduct was unlawful. However, Article V of the Bylaws prohibits indemnification to which the director or officer is otherwise entitled for: (1) conduct which is finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct; or (2) an accounting for profits pursuant to Section 16(b) of the Exchange Act, as amended from time to time, or pursuant to a successor statute or regulation. We maintain insurance coverage relating to certain liabilities of our directors and officers.

Item 7. Exemption from Registration Claimed.

Not Applicable.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a twenty percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Edgar Filing: BEMIS CO INC - Form S-8

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
