On November 14, 2014, Steel Dynamics, Inc. (the Company) amended, restated and expanded its senior secured revolving credit facility and entered into a new term loan facility. The Second Amended and Restated Credit Agreement expanded the senior secured revolving credit facility from the prior \$1.1 billion level to a renewed five year \$1.2 billion facility and provided for a new five year \$250.0 million term loan facility, both of which mature on November 14, 2019 (the Maturity Date). Subject to certain conditions, the Company also has the ability to increase the combined facility size by a minimum of \$750.0 million. The Second Amended and Restated Credit Agreement is guaranteed by certain of the Company's subsidiaries and is secured by substantially all of its accounts receivable and inventories. The proceeds from the new term loan facility were used to refinance the Company's existing \$226.9 million term loan facility and for general corporate purposes. Quarterly principal payments under the new term loan facility are required to be made in the amount of 1.25% of the original principal amount, with the unpaid principal balance of approximately \$191.0 million due on the Maturity Date. The revolver will be available for working capital and other general corporate purposes.

A copy of the Second Amended and Restated Credit Agreement is filed as Exhibit 10.54 and is incorporated herein by reference.
