**Item 1.01. Entry into a Material Definitive Agreement**

On June 1, 2015, Echo Global Logistics, Inc. (the Company ) and Command Transportation, LLC ( Command ) and together with the Company, the Borrowers ) entered into the Revolving Credit and Security Agreement (the New Credit Agreement ), among the Company and Command, as co-borrowers, PNC Bank, National Association, as administrative agent, Bank of America, N.A. and JPMorgan Chase Bank, N.A., each as co-syndication agents, and the lenders from time to time party thereto. The New Credit Agreement replaces the Company's current Credit Agreement, dated as of May 2, 2014, by and among the Company, the lenders party thereto, and PNC Bank, National Association, as Administrative Agent (the Prior Credit Agreement ), and provides for a senior secured revolving credit facility in an initial aggregate principal amount of up to \$200 million (the ABL Facility ). The initial aggregate principal amount under the ABL Facility may be increased from time to time by an additional \$100 million to a maximum aggregate principal amount of \$300 million; provided that only four increases are permitted during the life of the loan and if, for each increase, certain requirements are satisfied. The Company's obligations under the New Credit Agreement are secured, on a first lien priority basis, by certain working capital assets.

Interest is payable at a rate per annum equal to, at the option of the Company, any of the following, plus, in each case, an applicable margin: (a) a base rate determined by reference to the highest of (1) the federal funds effective rate, plus 0.50%, (2) the base commercial lending rate of PNC Bank, National Association and (3) a daily LIBOR rate, plus 1.00%; (b) a LIBOR rate determined by reference to the costs of funds for deposits in the relevant currency for the interest period relevant to such borrowing adjusted for certain additional costs; or (c) a daily LIBOR rate. The applicable margin will be 0.25% to 0.75% for borrowings at the base rate and 1.25% to 1.75% for borrowings at the LIBOR rate, in each case, based on the excess availability under the ABL Facility. The Company will also be required to pay a commitment fee in respect of the unutilized commitments under the revolving credit facility of between 0.25% and 0.375% based on the excess availability for the prior calendar quarter under the ABL Facility.

The terms of the ABL Facility include various covenants, including a covenant that requires the Borrowers to maintain a fixed charge coverage ratio at any time (a) a specified default occurs or (b) if excess availability falls below certain specified levels.

Borrowings under the ABL Facility may be used (a) to pay fees and expenses relating to the New Credit Agreement, (b) to pay a portion of the purchase price for the Command Acquisition (as defined below), (c) for working capital and other general corporate purposes and (d) to reimburse drawings under letters of credit.

The description of the New Credit Agreement set forth above is qualified in its entirety by reference to the New Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.

**Item 1.02. Termination of a Material Definitive Agreement**
