Dear Callidus Team,

My name is Alex Atzberger, President of SAP Hybris. I'm so excited for the news that just was released that SAP intends to acquire Callidus. This is a very big moment for both of our companies. And it's very much an honor for me to be the first person from SAP to welcome you to the SAP family.

Callidus is a recognized market leader in the Lead to Money space. And bringing your company and your capabilities together with SAP's portfolio gives us the immense opportunity to win in the CRM market.

This means a lot for us as a company but also obviously for you, and I want to give you a little bit more context on who SAP is as a company. SAP is a purpose-driven business. And our CEO, Bill McDermott, focuses our company on growing our business, working closely with our customers, creating a diverse workforce, and obviously, driving purpose in today's economy and fulfilling our mission to make the world run better and improve people's lives.

And so we're excited to bring your capabilities into our portfolio so that we can work with customers and help them digitally transform their business.

Now, when I met Leslie, just a couple of weeks ago over dinner, I could see Leslie's passion to win in the marketplace and to actually bring our companies together quickly and effectively so that we could actually join up and make you know our customers successful through the capabilities that both our companies have.

So again, I want to give you a very, very warm welcome to SAP, and I look forward to meeting all of you and to the great journey ahead.

Thank you so much.
