The Common Shares reported were distributed by an investment club of which the reporting person is a non-controlling member. Common Shares were distributed by the investment club to each of its members on a pro rata basis without the payment of additional consideration. The investment club is comprised of 21 members, including the reporting person. The voting and disposition of securities (1) held by the investment club requires the approval of a majority of its members. The reporting person cannot cause any securities held by the investment club to be sold or distributed without the approval of others, and the securities held by the investment club may be sold or distributed over the reporting person's objection. Accordingly, the reporting person would not be deemed to be the beneficial owner of any securities held by the investment club.
