PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
OF
CENTRAL VALLEY COMMUNITY BANCORP
To Be Held on May 21, 2014
7100 N. Financial Drive, Suite 101, Fresno, California 93720

GENERAL INFORMATION FOR SHAREHOLDERS

The following information is furnished in connection with the solicitation of the accompanying proxy by and on behalf of the Board of Directors of Central Valley Community Bancorp (the Company or Central Valley) for use at the Annual Meeting of Shareholders to be held at the Company's corporate office located at 7100 N. Financial Drive, Suite 101, Fresno, California on Wednesday, May 21, 2014 at 6:00 p.m. Only shareholders of record at the close of business on March 24, 2014, (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, the Company had outstanding and entitled to vote at the Annual Meeting, and any adjournments thereof 10,925,085 shares of its no par value common stock. This proxy statement will be first mailed to shareholders on or about April 11, 2014.

Vote By Proxy

As many of the Company's shareholders are not expected to attend the Annual Meeting in person, the Company solicits proxies so that each shareholder is given an opportunity to vote. Shares represented by a duly executed proxy in the accompanying form, received by the Board of Directors prior to the Annual Meeting, will be voted at the Annual Meeting. A shareholder executing and delivering the enclosed proxy may revoke the proxy at any time prior to exercise of the authority granted by the proxy by (i) filing with the secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date; or (ii) attending the Annual Meeting and voting in person. A proxy is also revoked when written notice of the death or incapacity of the maker of the proxy is received by the Company before the vote is counted. If a shareholder specifies a choice with respect to any matter on the accompanying form of proxy, the shares will be voted accordingly. If no specification is made, the shares represented by the proxy will be voted in favor of the specified proposal.

Method of Counting Votes

Holders of common stock of the Company (Common Stock) are entitled to one vote for each share.

The proxy holders, Daniel J. Doyle and Steven D. McDonald, both of whom are directors of the Company, will vote all shares of Common Stock represented by the proxies unless authority to vote such shares is withheld or the proxy is revoked. However, the proxy holders cannot vote the shares of the shareholder unless the shareholder signs and returns a proxy card. Proxy cards also confer upon the proxy holders discretionary authority to vote the shares represented thereby on any matter that was not known at the time this Proxy Statement was mailed, which may properly be presented for action at the Annual Meeting, including a motion to adjourn, and with respect to procedural matters pertaining to the conduct of the Annual Meeting. The total expense of soliciting the proxies in the accompanying form will be borne by the Company. While proxies are normally solicited by mail, proxies may also be solicited directly by officers, directors and employees of the Company or its subsidiary, Central Valley Community Bank (the Bank). Such officers, directors and employees will not be compensated for this service beyond normal compensation to them. If Management determines that the Company should engage proxy solicitation agents to obtain sufficient votes for proposals that require a majority approval by the Company's outstanding shares, the cost of such agents would be borne by the Company.

Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present, and each is tabulated separately. Discussion in the Proxy Statement of required votes for approval assumes a quorum is present at the Annual Meeting.

Unless contrary instructions are indicated on the Proxy, all shares represented by valid Proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted as follows:

FOR the election of all nominees for director named herein; and

FOR ratification of the selection of Crowe Horwath LLP as the Company's independent registered public accounting firm.

In the event a shareholder specifies a different choice on the Proxy, his or her shares will be voted in accordance with the specification so made. In addition, such shares will, at the proxy holder's discretion, be voted on such other matters, if any, which may come before the Annual Meeting (including any proposal to adjourn the Annual Meeting). Boxes and a designated blank space are provided on the proxy card for shareholders to mark if they wish either to abstain on one or more of the proposals or to withhold authority to vote for one or more nominees for director. A copy of the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2013 is enclosed with this Proxy Statement, and is incorporated herein by reference.

Vote Required

The nine (9) nominees receiving the highest number of votes of the shares of the Company's Common Stock represented and entitled to vote at the Annual Meeting will be elected directors of the Company.

The affirmative vote of the holders of a majority of the shares of the Company's Common Stock represented and entitled to vote at the Annual Meeting is necessary for the ratification of the selection of auditors. Abstentions will have the effect of a vote against the proposal. Although the appointment of independent public accountants is not required to be approved by shareholders, the Company has historically requested shareholder ratification.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on March 24, 2014, are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on that date, the Company had outstanding 10,925,085 shares of its no par value common stock.

SHAREHOLDINGS OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Management does not know of any person who owns, beneficially or of record, either individually or together with associates, five percent (5%) or more of the outstanding shares of Common Stock, except as set forth in the table below.

The following table sets forth, as of the Record Date, the number and percentage of shares of Common Stock beneficially owned, directly or indirectly, by each of the Company's directors, named executive officers and principal shareholders and by the directors and executive officers of the Company as a group. The shares "beneficially owned" are determined under Securities and Exchange Commission rules, and do not necessarily indicate ownership for any other purpose. In general, beneficial ownership includes shares over which the director, principal shareholder or executive officer has sole or shared voting or investment power and shares which such person has the right to acquire within 60 days of the Record Date. For purposes of the table below, the address for all directors and officers is 7100 N. Financial Drive, Suite 101, Fresno, California 93720. All Directors, except for Mr. Doyle, are independent under NASDAQ independence standards. The percentage ownership is calculated based on 10,925,085 shares of outstanding no par value common stock.

A copy of the Company's Nominating Committee charter may be accessed electronically at the Company website at www.cvcb.com or by writing Cathy Ponte, Assistant Corporate Secretary, Central Valley Community Bancorp, 7100 N. Financial Drive, Suite 101, Fresno, California 93720. The Committee considers suggestions from many sources, including shareholders, regarding possible candidates for director. In order for shareholder suggestions regarding possible candidates for director to be considered by the Committee, such information should be provided to the Committee in writing at least 60 days prior to the date of the next scheduled Annual Meeting. Shareholders should include in such communications the name and biographical data of the individual who is the subject of the communication and the individual's relationship to the shareholder. The Committee does not set specific criteria for directors but believes the Company is well served when its directors bring to the Board a variety of experience and backgrounds, evidence leadership in their particular fields, demonstrate the ability to exercise sound business judgment and have substantial experience in business and outside the business community in, for example, the academic or public communities. The Committee evaluates its selection criteria and evaluation process periodically, and may in the future include additional qualifications, such as the diversity of backgrounds of candidates. Each of the individuals nominated to serve as a director has been determined by the Committee to meet such qualifications. The Committee considers shareholder nominees for director in the same manner as nominees for director from other sources. As set forth in the Notice of Annual Meeting that accompanies this Proxy Statement, the Company's Bylaws require that notice of intention to make any nomination must be delivered to the President of the Corporation on a timely basis and must contain certain information. Please refer to the Notice of Annual Meeting. Any such notices will be forwarded to the Committee.

Strategic Planning Committee

The Committee develops, along with the Board and management, the Company's Strategic Plan. It also is responsible for reviewing potential locations for offices of the Bank, overseeing premises-related matters, and reviewing feasibility of potential mergers/acquisitions. Members of the Strategic Planning Committee are Mr. McMurray, Chairman, and Messrs. Cunningham, Darden, Doyle, McDonald, and Smittcamp. The Committee met three times in 2013.

Audit/Compliance Committee

The Audit/Compliance Committee of the Company's Board of Directors is composed of Mr. McDonald as Chairman, and Messrs. Cunningham, Cox and Weirick. In accordance with its charter, all of the members of the Audit/Compliance Committee are independent directors as defined under the rules of the SEC and the NASDAQ Stock Market, Inc. as currently in effect. The Board of Directors has determined that Mr. Cunningham is an "audit committee financial expert" as defined under applicable Securities and Exchange Commission rules.

The Company's Audit/Compliance Committee held eight meetings during 2013. The functions of the Audit/Compliance Committee are to recommend the appointment of and to oversee the independent registered public accounting firm who audits the books and records of the Company for the fiscal year for which they are appointed, to approve each professional service rendered by such accountants and to evaluate the possible effect of each such service on the independence of the Company's accountants. The Audit/Compliance Committee also reviews internal

controls and reporting procedures of the Bank's branch offices, periodically consults with the independent registered public accounting firm with regard to the adequacy of internal controls and reviews, recommends inclusion of the audited consolidated financial statements in regulatory reports, and reviews and discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies.

Report of Audit/Compliance Committee

NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN ANY OF THE COMPANY'S FILINGS UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, THE FOLLOWING REPORT OF THE AUDIT/COMPLIANCE COMMITTEE SHALL NOT BE INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

The Audit/Compliance Committee of the Central Valley Community Bancorp Board of Directors (the Audit Committee) is composed of independent directors and operates pursuant to a Charter adopted by the Board. A copy of the Company's Audit Committee charter may be accessed electronically at the Company website at www.cvcb.com or by writing Cathy Ponte, Assistant Corporate Secretary, Central Valley Community Bancorp, 7100 N. Financial Drive, Suite 101, Fresno, California 93720. The members of the Audit Committee are Steven D. McDonald, Chairman; Daniel N. Cunningham; Sidney B. Cox; and Joseph B. Weirick. The Audit Committee recommends to the Board of Directors, subject to shareholder ratification, the selection of the Company's independent accountants. All participants in the Audit Committee attended at least 75% of the meetings of the Audit Committee during 2013. The function of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, and maintaining appropriate accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for planning and carrying out appropriate audits and reviews, auditing the Company's consolidated financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America. In the performance of its oversight function, the Committee has considered and discussed the consolidated audited financial statements with management, and the independent registered public accounting firm, with, and without, management present. The Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Committee has also discussed with management and the independent registered public accounting firm the quality and adequacy of the internal controls of the Company. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with them their independent status. The independent registered public accounting firm did not perform any prohibited services for the Company.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect to auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Company's independent registered public accounting firm are in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in its Charter, the Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 to be filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION COMPENSATION DISCUSSION AND ANALYSIS

The Executive/Directors Resources Committee (the “Committee”) of the Board of Directors reviews human resources issues and compensation relating to the Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”) and three most highly compensated executive officers who were serving as executive officers at the end of the last completed fiscal year (collectively, The “Named Executive Officers” or “NEOs”). The NEOs are identified in the Summary Compensation Table, below.

The Committee establishes the compensation plans and specific compensation of the NEOs with input from the CEO.

The Committee reviews executive compensation annually referring to periodic outside reviews of California peers as well as national peers utilizing the California Bankers Association Salary Survey, salary and benefits information from the California Department of Financial Institutions and other databases.

The Company’s compensation programs and policies are designed to enhance shareholder value by aligning the financial interest of the executive officers of the Company with those of the Company’s shareholders. The compensation program has two goals: To help the Company compete with other financial entities to attract and retain highly qualified individuals as executive officers; and to pay executive officers based upon their contribution to the Company’s performance and the executive officers’ estimated future contribution to the success of the Company. The incentive plan for 2013 was designed to support the Company’s goals related to asset quality, growth and CAMELS ratings as determined in annual Safety & Soundness examinations by our state and federal regulators. The Committee met during 2013 at least as often as required under any other federal law to review compensation of senior management, and to ensure that such compensation is not structured in any way that would encourage the senior management to take excessive risks in light of their job responsibilities.

Salaries, non-equity incentives, and perquisites of executive officers are paid in cash and reviewed annually. The long-term compensation components (equity incentives and post-termination benefits) are reviewed in the context of the other compensation provided to executives, but adjustments to long-term compensation are not necessarily made annually.

Equity compensation and post-termination benefits are intended to provide retention incentives to executives, and are not specifically intended to reward current performance. Salary, incentive and perquisite compensation are related to, and affected by, current performance.

Stock options are awarded to encourage key employees to remain with the Company and provide employees with a long-term interest in the Company’s overall performance. The Company intends to retain the flexibility necessary to provide total cash compensation in line with competitors’ practices, the Company’s compensation philosophy and the Company’s best interests, including compensation that may not be deductible for tax purposes.

Components of Executive Officer Compensation

The primary components of executive compensation are base salaries, incentive compensation and long-term compensation, which includes 401(k) match and profit sharing, equity compensation, health and welfare benefits and benefits from a salary continuation plan.

BASE SALARIES:

Base salaries for our executive officers are based on the scope of their responsibilities as well as review of competitive compensation data from a comparison group of financial services companies. The Committee approves and the Board of Directors ratifies, the annual base salary for the CEO, CFO and other NEOs. Base salaries are reviewed annually, and increased from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience. Salary ranges and midpoints for all employees are based on market analysis within the banking industry in California.

The base salary for the CEO for 2013 was determined by (i) examining the Company's performance against its preset goals, (ii) comparing the Company's performance against its peer group competitors, (iii) evaluating the effectiveness and performance of the CEO, and (iv) comparing the base salary of the CEO to that of other chief executive officers in the Company's peer group. The total compensation received by the Company's CEO is detailed in the Summary Compensation Table.

INCENTIVE COMPENSATION:

The Committee determines the amount of annual incentive compensation payable to executive officers, if performance goals are met, subject to a maximum limit on the incentive compensation.

The CEO's annual incentive compensation was based on an incentive target multiplied by a performance modifier. The incentive target for 2013 was \$189,000 (60% percent of his base salary at January 1, 2013). Eighty percent (80%) of the incentive represents Bank performance, including criteria for net income, direct expenses, operating revenue, loans, deposits, investment management, classified loans to capital, Community Reinvestment Act (CRA) loan goals, classified loans and past due loans, and 20% of the incentive target represents subjective judgment of management performance in such areas as strategic planning leadership, marketing, regulatory compliance, community involvement, franchise value and stockholder relations. The total incentive target attained can be adjusted up or down based on a performance modifier. The performance modifier was determined based on the outcome of regulatory exams, regulators' rating for the Bank and outside and internal audit outcomes. Mr. Doyle's 2013 incentive compensation totaled \$230,000, consisting of 119.12% of his incentive target for the Bank's performance component in 2013 and, for outstanding performance, his incentive for the management component was 20% of his 2013 incentive target. See the Summary Compensation Table below for further information.

The Company has a Senior Management Incentive Plan (SMIP) to provide annual incentive compensation to attract, retain, and motivate key executives of the Company, other than the CEO. The SMIP is tied to financial achievements for the Bank and Company which are set annually. The executive must be employed on the last day of the fiscal year to receive payment under the SMIP. The Committee has discretion to determine which executives are eligible to participate in the SMIP, to determine the bases for and the amount of any incentive awards and to consider any additional or extraordinary performance factors for a particular participant. Where an executive is responsible for a particular business unit or division, performance goals are weighted based on operational performance of those units. Where an executive has broader corporate responsibilities, such as the CFO, goals are based on particular objectives set by the Committee. For 2013, Messrs. Kinross, Quisenberry and Sommer, and Ms. Shaw's total incentive compensation was based on a target bonus of 30% of their base salary as of February 1, 2013 which was weighted 50% for targeted Company level thresholds of performance and 50% for individual targeted performance thresholds. Bank performance thresholds include consolidated net income and total direct Bank non-interest expenses.

Individual thresholds include, loans, deposits, net charge offs, classified loans to capital, past due loans, CRA goals, investments, and a management component. The total target bonus attained can be adjusted up or down based on a performance modifier. The performance modifier is based on the outcome of regulatory exams, regulators' rating for the Bank and outside and internal audit outcomes.

Incentive compensation payments for 2013 for each executive officer are detailed in the Summary Compensation Table on page 14.

LONG-TERM INCENTIVE COMPENSATION:

401(k)/Profit Sharing Plan:

The Company adopted a 401(k) Plan for benefit of all employees and incorporates a safe harbor matching contribution provision. The CEO and other senior management executives participate in the 401(k) Plan to the same extent as all other employees, subject to limitations imposed by regulation. The Company contributes a percentage matching contribution to the same degree as all other employees. The matching contribution is 100% on all deferred amounts up to 3% of eligible compensation and a 50% match on the next 2% of eligible compensation. The Profit Sharing Plan is a cash-based incentive profit sharing program. The Company may, but is not required to, make annual contributions to the Profit Sharing Plan based on the recommendation of the Committee. The cash incentive is paid by March 1st of each year. The percentage of the Company's contribution is recalculated each year based upon the recommendation of the Committee. Once they are eligible to participate, all employees are 100% vested, immediately, in both the 401(k) match and the Profit Sharing Plan. 401(k) and profit sharing contributions to the NEOs for 2013 are detailed in the Summary Compensation Table on page 14.

Equity Compensation:

The Company's compensation philosophy encourages ownership of the Company's Common Stock to retain and motivate key executives and to provide a direct link with the interest of the shareholders of the Company. In general,

stock-based award grants are determined based on (i) the impact the executive may have had on the Bank's and Company's earnings and stock price, (ii) the ability of the executive to provide enhanced opportunities for the success of the Bank and Company (iii) extraordinary deeds performed that warrant extraordinary rewards, (iv) prior award levels for the executive, (v) total awards received to date by the individual executives, (vi) the total stock-based award to be made and the executive's percentage participation in that award, (vii) the executive's direct ownership of Company's Common Stock, (viii) the number of awards vested and non-vested, and (ix) the options outstanding as a percentage of total shares

outstanding. Stock-based awards are issued at the discretion of the Board of Directors. Periodically the Directors determine a pool of the number of stock-based awards to be granted and management makes recommendations to the Directors to determine how many are granted to executive officers and others in the Company and the Directors make a final approval of the grants.

The Central Valley Community Bancorp 2005 Omnibus Incentive Plan (the 2005 Plan).

The 2005 Plan awards in the form of incentive stock options, non-statutory stock options, stock appreciation rights, and restricted stock. The plan allows for performance awards that may be in the form of cash or shares of the Company, including restricted stock. All awards are issued at market value, at the sole discretion of the Committee and generally have vesting periods of five years. The maximum number of shares that can be issued under the 2005 Plan is 476,000; to date there are 176,770 shares of common stock reserved for issuance for options already granted to employees and 296,540 remain reserved for future grants. The Company also has a total of 203,660 shares reserved for issuance under options granted under prior option plans.

See Notes Summary of Significant Accounting Policies and Share-based Compensation to the audited Consolidated Financial Statements included in the Annual Report for further information relating to all equity compensation plans. Additional information on long-term awards for executive officers is shown in the Outstanding Equity Awards at Fiscal Year-End Table on page 15.

Health and Welfare Benefits:

The Company offers health and welfare programs to all eligible employees. The programs include medical, wellness, pharmacy, dental, vision, life insurance and accidental death and disability. The NEOs received up to \$12,000 each in 2013 from the Bank for health and welfare benefits.

Salary Continuation Agreements:

Each of the Named Executive Officers is a party to a salary continuation agreement that will provide for an annual payment for a period of time following retirement from service as an executive of the Bank. The salary continuation agreements terminate upon the executives' death prior to retirement, voluntary termination of service prior to retirement, or involuntary termination of service for cause. The salary continuation agreements provide for payment of a lump sum in the event of a change of control of the Company, defined as the cumulative transfer of more than fifty percent (50%) of the voting stock of the Company. Each person's annual benefit is determined at the time of retirement, on the basis of (i) the individual's age upon retirement, (ii) the percentage of benefit vested upon retirement, and (iii) the maximum annual benefit assigned in the individual's Salary Continuation Agreements.

Additional information on the details of each participant's benefit under the agreements is shown in the Pension Benefits Table on page 16 and the Potential Payments Upon Termination or Change in Control section on page 18.

The Salary Continuation Agreements and the termination provisions under the CEO's Employment Agreement are subject to non-competition covenants.

Severance Plan:

Each NEO other than the CEO is a party to a severance pay plan to provide transitional benefits if employees who are terminated involuntarily without cause, laid off, or terminated as a result of a reduction in force under this plan are paid in a lump sum based on two weeks pay for each year of service with a minimum 12 weeks and a maximum 26 weeks. See Potential Payments Upon Termination or Change in Control section on page 18.

Employment Agreements:

The Bank has an employment agreement with Daniel J. Doyle, the Company and Bank's CEO. The agreement was originally formed in 1998 and renews automatically for one-year terms, unless terminated by either party not later than sixty days prior to expiration. Under the employment agreement, the Board of Directors sets Mr. Doyle's salary for each year.

Under the agreement, Mr. Doyle is entitled to receive incentive compensation, based on the achievement each year of certain performance goals. The goals and the target amount of the incentive are established at the beginning of each year by the Board, and the evaluation of the achievement of the goals and the amount of bonus payable with respect to each year are determined by the Board following the conclusion of the year. For 2013, Mr. Doyle's incentive compensation was determined as described above.

The employment agreement with Mr. Doyle also provides for: (a) a Bank-paid membership in a local country club; (b) an automobile allowance of \$1,500 per month; (c) participation in medical, dental and similar plans offered by the Bank for Mr. Doyle and his dependents, as well as Bank-paid term life insurance coverage of at least \$100,000; and (d) five weeks of vacation annually. See the Summary Compensation Table.

Under the terms of the agreement, Mr. Doyle is entitled to certain benefits for involuntary termination by the Company for reasons other than cause.

For early termination upon disability, Mr. Doyle shall receive his then current base salary for 180 days from the date of his first absence due to disability, should the Board, at its option terminate the employment agreement.

For a change in ownership or effective control of the Company, Mr. Doyle would be eligible to receive a lump sum termination payment equal to the average total cash compensation paid to Mr. Doyle during the most recent three fiscal years multiplied by two.

If the Company terminates the employment agreement without cause, Mr. Doyle is entitled to receive up to 24 monthly payments, at his annual base salary rate at the time of termination, provided that if Mr. Doyle obtains other comparable employment within the 24 month period, payments will cease.

Mr. Doyle also has an Executive Salary Continuation Agreement with the Bank. In the event of involuntary termination for reasons other than cause he is entitled to receive the following:

Change in control lump sum payment equal to the present value of 100% of the normal retirement benefit that he would have received had he been employed by the Bank until the date of the change in control. His change in control benefit as of December 31, 2013 is estimated at \$1,786,000.

For early termination upon disability, he would receive an annual benefit equal to the early retirement benefit or normal retirement benefit that he would have received had he retired from the Bank. As of December 31, 2013 he would receive an annual disability benefit based on early retirement of \$170,000 for 15 years, paid monthly. The disability benefit will be increased each year by 3% to account for cost of living increases.

In the event of a termination of Mr. Doyle by the Company "for cause", Mr. Doyle would forfeit benefits under the Executive Salary Continuation Agreement.

Compensation Committee Interlocks and Insider Participation:

No member of the Executive/Directors Resources Committee serves or has served as an employee of the Company or its subsidiaries, and there are no common participants between the compensation committee of any other entity and the Company.

Executive/Directors Resources Committee Report

The Executive/Directors Resources Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis (the C D & A) with management. Based on these reviews and discussions, the Committee recommends to the Board of Directors that the C D & A be included in the Company's Definitive Proxy Statement for the 2014 Annual Meeting of Shareholders.

The Compensation Committee certifies that it has reviewed with senior risk officers the senior executive officer incentive compensation arrangements. Based on the analysis of the incentives, potential risks, and the evaluation of factors to mitigate such potential risks, the Committee determined that the Company's executive compensation program does not encourage the NEOs to take unnecessary and excessive risks that threaten the value of the Company, and that no changes to the program were required.

The method used to calculate the retirement benefit, based on assumptions used for financial reporting purposes under generally accepted accounting principles, is a present value calculation using a discount rate of 4.55%. See (4) Notes Summary of Significant Accounting Policies and Share-based Compensation in the audited Consolidated Financial Statements in the Annual Report for further details on Salary Continuation Plans.

(5) Under the terms of Mr. Doyle's agreement he became eligible for normal retirement on December 31, 2010. His retirement benefit is \$170,000 per year, payable in monthly installments, over a 15 year period which adjusts for inflation at 3% each year. Beginning on the thirteenth month that the normal retirement benefit is paid, and

continuing thereafter until paid in full, the normal retirement benefit shall be increased annually by 3% from the previous year's normal retirement benefit amount to account for cost of living increases. In the event of death, the Salary Continuation Agreement immediately terminates. Additionally, under the terms of Mr. Doyle's Life Insurance Endorsement Method Split Dollar Plan, his beneficiaries are entitled to receive certain benefits in the event of his death. The division of the death proceeds to Mr. Doyle's beneficiaries should he be employed by the Bank at the time of death would be (i) a lump sum payment equal to the present value of the normal retirement benefit under his Salary Continuation Agreement or (ii) 100% of the total death proceeds of the policy, whichever amount is less. The division of the death proceeds to Mr. Doyle's beneficiaries should he be retired from the Bank at the time of death would be a lump sum payment equal to the present value of 100% of the sum of all

remaining payments that would have been made under his Salary Continuation Agreement, but for the insured's death, or 100% of the total death proceeds of the policy, whichever amount is less.

Under the terms of Mr. Kinross' Salary Continuation Agreement for normal retirement, if he retires on or after December 31, 2026, he is eligible to receive an annual benefit equal to \$60,000 per year, payable in monthly installments, over a 15 year period which adjusts for inflation at 3% each year. If Mr. Kinross retires on or after May 20, 2024 and prior to December 31, 2026, he is eligible for an early retirement benefit. The amount of early retirement benefit would be based on the present value of the early retirement benefit payments, payable over 15 years in monthly installments, and increased 3% annually for inflation. In the event of death, the Salary Continuation Agreement immediately terminates. Additionally, under the terms of Mr. Kinross' Life Insurance Endorsement Method Split Dollar Plan, his beneficiaries are entitled to receive certain benefits in the event of his death. Should he be employed by the Bank at the time of death, his beneficiaries are entitled to a lump sum payment equal to the present value of the retirement benefit provided for in the Executive Salary Continuation Agreement or 100% of the total insurance policy proceeds, whichever amount is less. Should he be retired from the Bank at the time of death, his beneficiaries are entitled to a lump sum payment equal to the present value of 100% of the sum of all remaining payments that would have been made under his Executive Salary Continuation Agreement or 100% of the total proceeds, whichever amount is less.

Under the terms of Ms. Shaw's Salary Continuation Agreement for normal retirement, if she retires on or after December 31, 2020, she is eligible to receive an annual benefit equal to \$60,000 per year, payable in monthly installments, over a 15 year period which adjusts for inflation at 3% each year. If Ms. Shaw retires on or after March 29, 2016 and prior to December 31, 2020, she is eligible for an early retirement benefit. The amount of early retirement benefit would be based on the present value of the early retirement benefit payments, payable over 15 years in monthly installments, and increased 3% annually for inflation. In the event of death, the Salary Continuation Agreement immediately terminates. Additionally, under the terms of Ms. Shaw's Life Insurance Endorsement Method Split Dollar Plan, her beneficiaries are entitled to receive certain benefits in the event of her death. Should she be employed by the Bank at the time of death, her beneficiaries are entitled to a lump sum payment equal to the present value of the retirement benefit provided for in the Executive Salary Continuation Agreement or 100% of the total insurance policy proceeds, whichever amount is less. Should she be retired from the Bank at the time of death, her beneficiaries are entitled to a lump sum payment equal to the present value of 100% of the sum of all remaining payments that would have been made under her Executive Salary Continuation Agreement or 100% of the total proceeds, whichever amount is less.

Under the terms of Mr. Sommer's Salary Continuation Agreement he became eligible for normal retirement on December 31, 2012. His retirement benefit is equal to \$50,000 per year, payable in monthly installments, over a 15 year period which increases for inflation at 3% each year. In the event of death, the Salary Continuation Agreement immediately terminates. Additionally, under the terms of Mr. Sommer's Life Insurance Endorsement Method Split Dollar Plan, his beneficiaries are entitled to receive certain benefits in the event of death. Should he be employed by the Bank at the time of death, his beneficiaries are entitled to a lump sum payment equal to the present value of the retirement benefit provided for in the Executive Salary Continuation Agreement or 100% of the total insurance policy proceeds, whichever amount is less. Should he be retired from the Bank at the time of death, his beneficiaries are entitled to a lump sum payment equal to the present value of 100% of the sum of all remaining payments that would have been made under his Executive Salary Continuation Agreement or 100% of the total proceeds, whichever amount is less.

Under the terms of Mr. Sommer's Second Executive Salary Continuation Agreement for normal retirement, if he retires on or after April 1, 2016, he is eligible to receive an annual benefit equal to \$20,000, payable in monthly installments, over a 15 year period which adjusts for inflation at 3% each year. If he retires on or after April 1, 2013 and prior to April 1, 2016, he is eligible for an early retirement benefit based on the present value of the early retirement benefit payments, payable over 15 years in monthly installments and increased 3% annually for inflation. These payments are in addition to Mr. Sommer's Executive Salary Continuation Agreement dated March 1, 2007 as described above.

(10)

Under the terms of Mr. Quisenberry's Salary Continuation Agreement for normal retirement, if he retires on or after December 31, 2015, he is eligible to receive an annual benefit equal to \$50,000 per year, payable in monthly installments, over a 15 year period which increases for inflation at 3% each year. If Mr. Quisenberry retires on or after May 26, 2011 and prior to December 31, 2015 he is eligible for an early retirement benefit. The amount of early retirement benefit for Mr. Quisenberry would be based on the month of retirement which would be discounted by the number of months left for full retirement, the early retirement benefit would be payable over 15 years in monthly installments, increased 3% annually for inflation. In the event of death, the Salary Continuation Agreement immediately terminates. Additionally, under the terms of Mr. Quisenberry's Life Insurance Endorsement Method Split Dollar Plan, his beneficiaries are entitled to receive certain benefits in the event of death. Should he be employed by the Bank at the time of death, his beneficiaries are entitled to a lump sum payment equal to the present value of the retirement benefit provided for in the Executive Salary Continuation

Agreement or 100% of the total insurance policy proceeds, whichever amount is less. Should he be retired from the Bank at the time of death, his beneficiaries are entitled to a lump sum payment equal to the present value of 100% of the sum of all remaining payments that would have been made under their Executive Salary Continuation Agreement or 100% of the total proceeds, whichever amount is less.

Under the terms of Mr. Quisenberry's Second Executive Salary Continuation Agreement for normal retirement, if he retires on or after April 1, 2018, he is eligible to receive an annual benefit equal to \$20,000, payable in monthly installments, over a 15 year period which adjusts for inflation at 3% each year. If he retires on or after (11) April 1, 2013 and prior to April 1, 2018, he is eligible for an early retirement benefit based on the present value of the early retirement benefit payments, payable over 15 years in monthly installments and increased 3% annually for inflation. These payments are in addition to Mr. Quisenberry's Executive Salary Continuation Agreement dated March 1, 2007 as described above.

Potential Payments Upon Termination or Change in Control

Executive Salary Continuation Agreements and the Bank's Severance Pay Plan require the Company to provide compensation to the CFO and other NEOs in the event of a termination of employment or a change in control of the Company. The CEO is not eligible for severance pay under the Severance Pay Plan and the amount of compensation payable to the CEO under his Executive Salary Continuation Agreement is explained above under his Employment Agreement. The CFO and NEOs qualify for benefits under certain circumstances.

Under the Executive Salary Continuation Agreements, if the executive is disabled prior to retirement or termination of employment, he is entitled to an annual disability benefit equal to the executive's accrual balance payable monthly for 15 years increased annually 3% for cost of living increases. The CFO and other NEOs are eligible for early involuntary termination benefits payable at normal retirement age. Involuntary termination means the executive's employment terminates by action of the Bank prior to retirement, and such termination of employment is not for cause. In the event the executive's employment terminates for cause prior to retirement, their Executive Salary Continuation Agreement immediately terminates and the executive forfeits all benefits under the agreement. Upon a change in control the Bank shall pay the executive a lump sum payment equal to the present value of 100% of the benefit that the executive would have received had the executive been employed until normal retirement. The Bank's Severance Pay Plan for Senior Vice Presidents provides two weeks pay per year of service with a minimum of 12 weeks and a maximum of 26 weeks. See details on the Bank's Severance Pay Plan on page 12. In the event of dissolution or liquidation of the Company or a merger or change in control, unexercised stock options vest immediately. See the Outstanding Equity awards at Fiscal Year-End table on page 15 for a break down of options outstanding.

Compensation of Directors

The Board of Directors of the Company has not approved payment of fees in connection with attendance at Company Board or Board Committee meetings.

The Chairman of the Board of the Bank receives \$34,896 annual fee and all other directors (including employee directors) of the Bank receive an annual fee of \$25,000. The fees paid to directors are based on comparable amounts paid by other financial institutions in the Company's geographic market area.

Aggregate Bank directors' fees in the sum of \$216,496 were paid (including amounts deferred under Deferred Compensation Agreements between the Bank and certain of its directors) during the year ended December 31, 2013. Deferred Compensation Agreements

Five of the Bank's non-employee directors have entered into deferred compensation agreements with the Bank, electing to defer some or all of their fees in exchange for the Bank's promise to pay a deferred benefit in the future. A deferred compensation agreement allows a non-employee director to reduce current taxable income in exchange for

larger payments at retirement, when the recipient could be in a lower tax bracket. Deferred director fees are expensed by the Bank and are set aside in a separate liability account. Credited on the account balance at a rate determined annually by the Board of Directors, interest on deferred fees continues to accrue until the director's service terminates and payment of benefits commences. Payment of accrued benefits, represented by the account balance, can be made in a lump sum or in installments, at each participating director's election. After retirement, benefit payments are taxable income to the participating director and are deductible expenses to the Bank as they are paid. The deferred compensation arrangement with non-employee directors is an unfunded plan, which means that a participating director has no rights beyond those of a general creditor of the Bank, and no specific Bank assets are set aside for payment of account balances. A director whose service terminates for cause forfeits all accrued interest and is entitled solely to the fees previously deferred.

The Bank has a universal life insurance policy insuring the life of each participating director. The Bank is the owner of each policy. Each non-employee director who has entered into a deferred compensation agreement has also entered into a related Split Dollar Agreement and Endorsement. Under the latter Split Dollar Agreement and Endorsement, the Bank and each participating director agree to a division of death benefits under the life insurance policies. A Split Dollar Agreement and Endorsement provides that a director's designated beneficiary(ies) is entitled at the director's death to receive life insurance proceeds:

- (a) In an amount equal to the balance of the Deferral Account maintained by the Bank for the Insured under the Deferred Fee Agreement as of the date of the Insured's death.

However, the amount paid to the Insured, the Insured's transferee and the Insured's beneficiary(ies) or estate shall be (b) reduced by any amounts paid under the Deferred Fee Agreement and the Insured, the Insured's transferee and the Insured's beneficiary(ies) or estate shall have no rights or interest in the Policy beyond the amount due and payable.

In either case, the Bank's obligations under a deferred compensation agreement are extinguished by the director's death. The Bank is entitled to any insurance policy death benefits remaining after payment to the director's beneficiary (ies). The Bank expects to recover in full from its portion of the policies' death benefits all life insurance premiums previously paid by the Bank. The policies serve informally as a source of financing for the Bank's deferred compensation obligations arising out of a director's death before retirement, as well as an investment to finance post-retirement payment obligations. Although the Bank expects the policies to serve as a source of funds for death benefits payable under the deferred compensation agreements, as noted above the directors' contractual entitlements are not funded. These contractual entitlements remain contractual liabilities of the Bank, payable after the directors' termination of service.

The information on Non-employee Directors' compensation in the table below is for the fiscal year ended December 31, 2013.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There have been no material transactions, except as disclosed below, since January 1, 2013, nor are there any currently proposed transactions, to which the Company or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$120,000 and in which any director, executive officer, five-percent shareholder or any member of the immediate family of any of the foregoing persons had, or will have, a direct or indirect material interest.

During the normal course of business, the Bank enters into loans with related parties, including executive officers and directors. These loans are made with substantially the same terms, including rates, collateral and repayment terms, as those prevailing at the same time with unrelated parties, and do not involve more than the normal risk of collectibility or represent other unfavorable features. See Note Loans to Related Parties in the audited Consolidated Financial Statements in the Company's Annual Report for detail on outstanding loans and commitments to related parties.

Policy and Procedures on Related Person Transactions

The Board of Directors of the Company has not adopted a related party transactions policy, but addresses such transactions pursuant to its written code of ethics. Under the code of ethics, Company personnel are expected to make immediate disclosure of situations that might create a conflict of interest, or the perception of a conflict of interest, which includes transactions involving entities with which such personnel are associated. The Board of Directors recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof). Such transactions, after full disclosure of the material terms to the Board, must be approved by the members of the Board who are not parties to the specific transaction to determine that they are just and reasonable to the Company at the time of such approval, with those members of the Board (if any) who have an interest in the transaction abstaining. Such procedures are consistent with the terms of California corporate law.

DIRECTOR ATTENDANCE AT SHAREHOLDER MEETINGS

The Company does not have a policy which specifically addresses director attendance at shareholder meetings. However, eight directors were in attendance at the 2013 Annual Meeting of Shareholders on May 15, 2013.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the SEC). Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 4 and 5 were required for those persons, the Company believes that for the 2013 fiscal year, the officers and directors of the Company complied with all applicable filing requirements, except that Steven D. McDonald filed a Form 5 to report shares acquired from the Visalia Community Bank merger transaction.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The firm of Crowe Horwath LLP, which served the Company as independent registered public accounting firm for 2013, has been selected by the Audit Committee of the Board of Directors of the Company to be the Company's independent registered public accounting firm for 2014. All Proxies will be voted "FOR" ratification of such selection unless authority to vote for the ratification of such selection is withheld or an abstention is noted. If the approval is not obtained, the Audit Committee will consider a change in accountants for the next year.

Representatives from the accounting firm of Crowe Horwath LLP will be present at the Annual Meeting, will be afforded the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Audit Fees

The following presents fees billed for the years ended December 31, 2013 and 2012 for professional services rendered by the Company's independent registered public accounting firm in connection with the audit of the Company's consolidated financial statements and fees billed by the Company's independent registered public accounting firm for other services rendered to the Company.

Fees	2013	2012
Audit Fees (1)	\$ 249,000	\$ 224,500
Audit-Related Fees (2)	19,000	33,000

Tax Fees (3)	36,000	35,500
All Other Fees (4)	112,000	19,000

(1) Audit fees include professional services in connection with the audit of the Company's consolidated financial statements, review of consolidated financial statements included in the Company's quarterly reports and services normally provided in connection with statutory and regulatory filings or engagements as well as travel related costs.

(2) Audit-related fees represent fees for professional services such as the audit of the Company's salary deferral plan and technical accounting, consulting and research.

Tax service fees consist of compliance fees for the preparation of original and amended tax returns and tax (3) payment-planning services. Tax service fees also include fees relating to other tax advice, tax consulting and planning other than for tax compliance and preparation.

(4) All other fees consisted primarily of consulting services for the Company's strategic plan, and merger.

The Audit/Compliance Committee has determined that the provision of services, in addition to audit services, rendered by Crowe Horwath LLP and the fees paid there for in fiscal years 2013 and 2012 were compatible with maintaining Crowe Horwath LLP's independence.

The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent registered public accounting firm, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF CROWE HORWATH LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. APPROVAL OF THE PROPOSAL REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE SHARES REPRESENTED AND VOTING AT THE ANNUAL MEETING.
