Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Represents payout in shares of common stock of performance share rights previously reported on Table II. The corresponding entry for the disposition of the performance share rights is shown on Table II. The maximum target performance objectives of the performance share rights were achieved resulting in the earning of 160% of the original target shares. Also includes dividend rights previously accrued on such performance share rights and now paid in the form of additional shares of common stock.
- (2) Represents shares withheld to cover taxes in connection with the vesting of the performance share rights.
- (3) Represents the disposition (as a result of vesting and payout) of performance share rights where the performance objective for determining the number of shares earned is the Issuer's adjusted return on equity over a three year period. The actual number of shares received could range from 0-160% of the target number of shares based on a sliding scale of performance levels. The corresponding payout of shares of common stock (160% of the original target shares) for the achievement of the maximum performance objectives, together with shares for accrued dividend rights, are reported on Table I.
