- (8) Each performance stock unit represents a contingent right to receive one share of Issuer's Common Stock.

Represents grant of performance stock units under Issuer's 2007 Stock Plan. The number of shares reflected is at the target award amount. The award is eligible to vest at 45% of the target award amount based upon the Issuer's achievement of certain performance criteria based on EBIT growth and return on invested capital during a two year performance period. Subject to certain continued employment conditions and subject to accelerated vesting in certain circumstances, the actual number of shares earned will vest on the third anniversary of the original grant date.
- (9) Represents grant of performance stock units under Issuer's 2007 Stock Plan. The award is eligible to vest following a three year performance period (from January 1, 2015 through December 31, 2017) as follows: (1) 70% of the award is eligible to vest upon achievement of certain performance criteria based on EBIT growth, and (2) 30% of the award is eligible to vest upon achievement of certain performance criteria based on return on invested capital. Subject to certain continued employment conditions and subject to accelerated vesting in certain circumstances, the actual number of shares earned will be determined and vest following the three year performance period. The number of shares reflected is at the target award amount. No performance stock units will vest below a minimum level of performance. At or above the minimum level of performance, the actual number of shares earned may range from 0% to 150% of the target award amount.
- (10) Represents grant of performance stock units under Issuer's 2007 Stock Plan. The award is eligible to vest following a three year performance period (from January 1, 2016 through December 31, 2018) as follows: (1) 70% of the award is eligible to vest upon achievement of certain performance criteria based on EBIT growth, and (2) 30% of the award is eligible to vest upon achievement of certain performance criteria based on return on invested capital. Subject to certain continued employment conditions and subject to accelerated vesting in certain circumstances, the actual number of shares earned will be determined and vest following the three year performance period. The number of shares reflected is at the target award amount. No performance stock units will vest below a minimum level of performance. At or above the minimum level of performance, the actual number of shares earned may range from 0% to 150% of the target award amount.
