phantom stock units by means of previously elected participation through payroll deductions, in transactions exempt from liability under Rule 16b-3(d). Account statements report fund transactions and balances as cash amounts, so the number of phantom stock units reported as acquired in column (5) is based on the amount of the payroll deduction on the transaction date divided by the market price on that date, and the number of phantom stock units reports as beneficially owned in column (9) is based on the aggregate phantom stock unit account value on the transaction date divided by the market price on that date.

(3) There is no date that should appear in these columns. See footnote 1 above.
