Stock Option Program

On December 7, 2005, the Compensation Committee changed the stock option program target award levels for certain of the Named Executive Officers to reflect current market pay rates, taking into account the two-for-one split of the Company's Class A common shares consummated on September 1, 2005, as follows:

	Pre 2-for-1 Stock Split	Post 2-for-1 Stock Split
Mr. Henkel	150,000	225,000

2006 Incentive Compensation Arrangements for Named Executive Officers

On December 7, 2005, the Compensation Committee approved the terms of the AIM Bonus Program, Stock Option Program and Performance Share Program for 2006 (payable in February 2007) for the Named Executive Officers.

The Compensation Committee approved a change in Mr. Henkel's target bonus percentage under the Company's AIM Bonus Program from 150% of his base salary to 175% of his base salary. The target bonus guidelines of Messrs. McLevish, Lamach and Vasiloff and Ms. Nachtigal remained unchanged at 90%, 90%, 90% and 70%, respectively.

The stock option target award levels for the Named Executive Officers for 2006 remained unchanged from the revised 2005 levels disclosed above.

The Compensation Committee approved changes in the target number of common share equivalents under the Performance Share Program for all of the Named Executive Officers to reflect current market pay rates, taking into account the two-for-one stock split. In addition, the target number of common share equivalents under the Performance Share Program was changed for the Named Executive Officers as follows:

	Pre 2-for-1 <u>Stock</u> <u>Split</u>	Post 2-for-1 <u>Stock</u> <u>Split</u>
Mr. Henkel	50,000	100,000
Mr. McLevish	9,000	18,000
Mr. Lamach	6,000	12,000
Ms. Nachtigal	6,000	12,000
Mr. Vasiloff	9,000	12,000

The Compensation Committee reduced the maximum performance-based award opportunity from 225% to 200% of the target number of common share equivalents.

The Compensation Committee approved a change in the annual performance metrics for 2006 under the Performance Share Program for Messrs. McLevish, Lamach and Vasiloff and Ms. Nachtigal that results in basing their target award solely on enterprise financial objectives rather than a combination of those financial objectives and strategic objectives.

Elected Officers Supplemental Plan

In light of the American Jobs Creation Act of 2004 ("AJCA"), pursuant to authority previously granted by the Compensation Committee to management on December 1, 2004, (i) the Company's Elected Officers Supplemental Plan ("EOSP") was amended to freeze any further accruals under the EOSP effective December 31, 2004 and (ii) a new Elected Officers Supplemental Plan ("EOSP II") was established, effective January 1, 2005.

The AJCA applies to deferred compensation that is earned and vested after December 31, 2004. Under the amendment, the EOSP no longer permits any accruals that are subject to the AJCA and any accruals that would have been made under the EOSP that are subject to the AJCA will instead be made under the EOSP II. In addition, any accruals that were previously made under the EOSP that are subject to the AJCA will instead be provided under the EOSP II.

The other terms and provisions of the EOSP II are substantially similar to those of the EOSP, except that effective February 1, 2006, the definition of "final average pay" has been revised from the sum of (i) annualized base salary plus (ii) the average of the five highest annual bonus awards (under the AIM Bonus Program) to an individual during the most recent six years to the sum of (x) annualized base salary plus (y) the average of the three highest annual bonus awards (under the AIM Bonus Program) to an individual during the most recent six years.

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

On February 1, 2006, George W. Buckley informed the Board of Directors of the Company of his decision not to stand for re-election to the Board of Directors after his current term, which expires at the 2006 Annual General Meeting of Shareholders. Mr. Buckley's decision was made in connection with his appointment as Chairman of the Board, Chief Executive Officer and President of 3M Company and the increased demands on his time as a result of the appointment. Mr. Buckley also serves as a member of the Company's Audit Committee and Finance Committee.

In addition, the Board of Directors unanimously approved a decrease in the size of the Company's Board of Directors from eleven (11) to ten (10) members, effective as of the date of the 2006 Annual General Meeting of Shareholders.
