PROXY STATEMENT

June 8, 2006, 10:00 a.m. EST,
Marriott Hotel
1001 Okeechobee Blvd.
West Palm Beach, Florida

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Metropolitan of proxies from the holders of Metropolitan's common stock (the "Common Stock"), for use at the 2006 Annual Meeting of Shareholders of Metropolitan, to be held at the Marriott Hotel, 1001 Okeechobee Blvd., West Palm Beach, Florida on Thursday, June 8, 2006, at 10:00 a.m. EST, or at any adjournment(s) or postponement(s) thereof, pursuant to the foregoing Notice of Annual Meeting of Shareholders.

The approximate date that this Proxy Statement and the enclosed form of proxy are first being sent to shareholders is May 5, 2006. Shareholders should review the information provided herein in conjunction with Metropolitan's 2005 Annual Report on Form 10-K, which accompanies this Proxy Statement. The complete mailing address, including zip code, of Metropolitan's principal executive offices is 250 Australian Avenue, Suite 400, West Palm Beach, Florida 33401 and its telephone number is (561) 805-8500.

PURPOSES OF THE MEETING

At the Annual Meeting, Metropolitan's shareholders will consider and vote upon the following matters:

1. The election of eight members to Metropolitan's Board of Directors to serve until the next Annual Meeting of Shareholders of Metropolitan or until their successors are duly elected and qualified;
2. To consider and vote upon a proposal to approve of and ratify the selection of Kaufman, Rossin & Co. ("Kaufman") as Metropolitan's independent auditors for the fiscal year ending December 31, 2006; and
3. Such other business as may properly come before the 2006 Annual Meeting, including any adjournments or postponements thereof.

Unless contrary instructions are indicated on the enclosed proxy card, all shares represented by valid proxies received pursuant to this solicitation (and which have not been revoked in accordance with the procedures set forth below) will be voted: (1) **FOR** the election of the eight nominees for director named below; and (2) **FOR** the approval of and ratification of Kaufman, Rossin & Co., P.A. as Metropolitan's independent auditors for the fiscal year ending December 31, 2006.

In the event a shareholder specifies a different choice by means of the enclosed proxy card, his or her shares will be voted in accordance with the specification so made. The Board of Directors does not know of any other matters that may be brought before the Annual Meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate director nominees. In the event that any other matter should come before the Annual Meeting or any director nominee is not available for election, the persons named in the enclosed proxy card will have

discretionary authority to vote all proxies not marked to the contrary with respect to such matters, in accordance with their best judgment.

GENERAL INFORMATION ABOUT VOTING

Who can vote?

You can vote your shares of Common Stock if Metropolitan's records show that you owned the shares on Friday, April 14, 2006. A total of 49,876,526 shares of Common Stock can vote at the Annual Meeting. You are entitled to one vote for each share of Common Stock. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to Metropolitan in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote for each of the eight director nominees and in favor of the ratification of the auditors.

Can I vote in person at the Annual Meeting rather than by completing the proxy card?

Although Metropolitan encourages you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change or revoke your vote by:

- giving Metropolitan's Secretary a written notice revoking your proxy card at or before the Annual Meeting;
- signing, dating, and returning to Metropolitan a new proxy card at or before the Annual Meeting; or
- attending the Annual Meeting and voting in person.

Attendance at the Annual Meeting will not, by itself, revoke a proxy. Any written notice of revocation or subsequent proxy may be sent to Metropolitan Health Networks, Inc., Attn: Roberto Palenzuela, Secretary, 250 Australian Avenue, Suite 400, West Palm Beach, Florida 33401, or hand delivered to the Secretary of Metropolitan at or before voting at the Annual Meeting.

When was this proxy statement sent to shareholders?

This proxy statement was first mailed on May 5, 2006 to Metropolitan's shareholders of record as of April 14, 2006, the record date for voting at the Annual Meeting.

What if other matters come up at the Annual Meeting?

The matters described in this proxy statement are the only matters Metropolitan knows will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares as they see fit.

What do I do if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

Metropolitan will hold the Annual Meeting if holders of a majority of the shares of Common Stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether Metropolitan has a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

If your shares are held in the name of a broker or other nominee, and you do not instruct the nominee in a timely fashion how to vote your shares (so-called "Broker Nonvotes"), the broker or nominee can vote your shares as it sees fit only on matters that are determined to be routine, and not on any other proposal. Broker Nonvotes will be counted as present to determine if a quorum exists at the Annual Meeting but will not be counted as present and entitled to vote on any non-routine proposal.

Who pays for this proxy solicitation?

Metropolitan does. In addition to sending you these materials, Metropolitan may engage a proxy solicitation firm to contact you directly by telephone, mail or in person. Metropolitan will bear such costs, if any, which are not expected to exceed \$5,000.

OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

The Board of Directors has set the close of business on Friday, April 14, 2006 as the record date (the "Record Date") for determining shareholders of Metropolitan entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were 49,876,526 shares of Common Stock issued and outstanding, all of which are entitled to be voted at the Annual Meeting.

Each share of Common Stock is entitled to one vote on each matter submitted to shareholders for approval at the Annual Meeting.

Shareholders do not have the right to cumulate their votes for directors.

Metropolitan's Amended and Restated Bylaws (the "Bylaws") provide that the presence, in person or by proxy, of the holders of record of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum.

Pursuant to the Bylaws, the eight persons receiving the highest number of votes cast in his or her favor by the shares of Common Stock represented in person or by proxy at the Annual Meeting will be elected as directors (Proposal No. 1). Pursuant to the Bylaws, the affirmative vote of a majority of the outstanding shares of Common Stock represented in person or by proxy at the Annual Meeting is required to approve the ratification of auditors (Proposal No. 2).

Abstentions are counted as present for purposes of determining the presence of a quorum. Abstentions are not counted as votes cast "for" or "against" the election of any director (Proposal No. 1). **However, abstentions are treated as present and entitled to vote and thus have the effect of a vote against the ratification of auditors (Proposal No. 2).**

If less than a majority of the outstanding shares of Common Stock entitled to vote are represented at the Annual Meeting, a majority of the shares so represented may adjourn the Annual Meeting to another date, time or place, and notice need not be given for the new date, time or place, if the new date, time or place is announced at the Annual Meeting before an adjournment is taken.

Prior to the Annual Meeting, Metropolitan will select one or more inspectors of election for the meeting. Such inspectors shall determine the number of shares of Common Stock represented at the Annual Meeting, the existence of a quorum and the validity and effect of proxies and shall receive, count and tabulate ballots and votes and determine the results thereof.

A list of shareholders entitled to vote at the Annual Meeting will be available at Metropolitan's offices, 250 Australian Avenue, Suite 400, West Palm Beach, Florida 33401, for a period of ten (10) days prior to the Annual Meeting and at the Annual Meeting itself, for examination by any shareholder.

ELECTION OF DIRECTORS**(Proposal No. 1)**

The size of Metropolitan's Board of Directors is currently set at eight members. There are currently seven persons serving on the Board of Directors and one vacancy. The Board of Directors has named Mr. Robert (Gene) Shields to fill this vacancy. Mr. Shields term is scheduled to begin effective as of May 15, 2006.

Eight directors are to be elected at the Annual Meeting to hold office until the next Annual Meeting of Shareholders or until their successors are elected and qualified. It is intended that the accompanying proxy will be voted in favor of the following persons to serve as directors unless the shareholder indicates to the contrary on the proxy card. Under Florida law and Metropolitan's Bylaws, the eight persons receiving the highest number of votes cast in his or her favor in person or by proxy at the Annual Meeting will be elected as directors of Metropolitan. Management expects that each of the nominees will be available for election, but if any of them is not a candidate at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the Board of Directors to fill any such vacancy. Each of the eight director nominees listed below has been approved by the Governance & Nominating Committee of the Board of Directors.

The Board of Directors recommends a vote FOR the eight director nominees listed below:

**THE BOARD OF DIRECTORS RECOMMENDS THAT METROPOLITAN'S SHAREHOLDERS
VOTE "FOR" EACH OF THE EIGHT DIRECTOR NOMINEES LISTED ABOVE.**

**APPROVAL AND RATIFICATION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

(Proposal No. 2)

The Audit & Finance Committee is responsible for the appointment, compensation, retention and oversight of the work of Metropolitan's independent registered public accounting firm.

The Audit & Finance Committee has designated Kaufman as Metropolitan's independent registered public accounting firm for the fiscal year ending December 31, 2006. Kaufman served as Metropolitan's independent registered public accounting firm for the fiscal year ended December 31, 2005.

Although ratification by shareholders is not a prerequisite to the ability of the Audit & Finance Committee to select Kaufman as Metropolitan's independent registered public accounting firm, Metropolitan believes such ratification to be desirable. Accordingly, shareholders are being requested to ratify, confirm and approve the selection of Kaufman as Metropolitan's independent registered public accounting firm to conduct the annual audit of the consolidated financial statements of Metropolitan and its subsidiaries for the year ended December 31, 2006. If the shareholders do not ratify the selection of Kaufman, the selection of the independent registered public accounting firm will be reconsidered by the Audit & Finance Committee; however, the Audit & Finance Committee may select Kaufman notwithstanding the failure of the shareholders to ratify its selection. The Audit Committee believes ratification is advisable and in the best interests of the shareholders. If the appointment of Kaufman is ratified, the Audit & Finance Committee will continue to conduct an ongoing review of Kaufman's scope of engagement, pricing and work quality, among other factors, and will retain the right to replace Kaufman at any time.

The Audit & Finance Committee selected Kaufman as the best firm to deliver independent audits in light of factors such as the auditor's depth of experience, breadth of reserves, commitment to provide exceptional service, ability to handle transaction issues and location of key personnel.

Independent Registered Public Accounting Firm Fees

Kaufman has served as Metropolitan's independent registered public accounting firm for each of Metropolitan's last two fiscal years. The following table presents fees billed in each of the last two fiscal years for services rendered to Metropolitan by Kaufman:

Fiscal Year Ended	Audit Fees(1)	Audit-Related Fees(2)	Tax Fees(3)	All Other Fees(4)
December 31, 2005	\$ 376,701	\$ 12,565	\$ 38,651	\$ 0
December 31, 2004	\$ 233,318	\$ 22,943	\$ 24,810	\$ 16,651

(1) "Audit Fees" represents the aggregate fees billed during the applicable fiscal year for professional services rendered for the audit of Metropolitan's annual financial statements, the reviews of the financial statements included in Metropolitan's Quarterly Reports on Form 10-Q and the audits of Metropolitan's internal controls and/or services normally provided by Kaufman in connection with statutory or regulatory filings or engagements by Metropolitan during such fiscal year.

(2) "Audit Related Fees" represents the aggregate fees billed during the applicable fiscal year for assurance and related services reasonably related to the performance of the audit of Metropolitan's annual financial statements for those years. For the two years, all audit-related fees were incurred in connection with SEC registration statement consent

procedures.

(3) "Tax Fees" represents the aggregate fees billed during the applicable fiscal year for the preparation of Metropolitan's federal and state income tax returns. The "Tax Fees" also included fees billed for professional services related to tax compliance.

(4) "All Other Fees" represents fees billed during the applicable fiscal year for other products and services rendered by Kaufman to Metropolitan. In 2004, these fees consisted primarily of services provided in connection with the investigation of Metropolitan by the U.S. Attorneys' Office in Wilmington, Delaware.

-8-

Independent Registered Public Accounting Firm's Independence and Attendance at the Annual Meeting

Metropolitan believes that Kaufman has no direct or indirect financial interest in Metropolitan or in any of its subsidiaries, nor has it had any connection with Metropolitan or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee director, officer or employee.

Metropolitan anticipates representatives of Kaufman will be present at the meeting of shareholders and will be afforded an opportunity to make a statement, if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

Audit & Finance Committee Pre-Approval Policy

Consistent with policies of the Securities and Exchange Commission regarding auditor independence, the Audit & Finance Committee has responsibility for the appointment, compensation and oversight of the work of the independent auditor. As part of this responsibility, the Audit & Finance Committee has adopted, and our Board has ratified, an Audit and Non-Audit Services Pre-Approval Policy pursuant to which the Audit & Finance Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to assure that these services do not impair the auditor's independence from Metropolitan.

Prior to engagement of the independent auditor for the next year's audit, the independent auditor and the Chief Financial Officer submit a list of services and related fees expected to be rendered during that year within each of four categories of services to the Audit & Finance Committee for approval:

(i) **Audit Services:** Audit services include the annual financial statement audit (including required quarterly reviews), subsidiary audits, equity investment audits and other procedures required to be performed by the independent auditor to be able to form an opinion on Metropolitan's consolidated financial statements. Audit Services also include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control, and consultations relating to the audit or quarterly review as well as the attestation engagement for the independent auditor's report on management's report on internal controls for financial reporting.

(ii) **Audit-Related Services:** Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of Metropolitan's financial statements, including due diligence related to potential business acquisitions/dispositions; accounting consultations related to accounting, financial reporting or disclosure matters not classified as "Audit Services"; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; financial audits of employee benefit plans; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements.

(iii) **Tax Services:** Tax services include services such as tax compliance, tax planning and tax advice; however, the Audit & Finance Committee will not permit the retention of the independent registered public accounting firm in connection with a transaction initially recommended by the independent registered public accounting firm, the sole business purpose of which may be tax avoidance and treatment which may not be supported in the Internal Revenue Code and related regulations.

(iv) **All Other Services:** All other services are those permissible non-audit services that the Audit & Finance Committee believes are routine and recurring and would not impair the independence of the auditor and are consistent with the Securities & Exchange Commission's rules on auditor independence.

Prior to engagement, the Audit & Finance Committee pre-approves the services and fees of the independent auditor within each of the above categories. During the year, it may become necessary to engage the independent auditor for additional services not previously contemplated as part of the engagement. In those instances, the Audit and

Non-Audit Services Pre-Approval Policy requires that the Audit & Finance Committee specifically approve the services prior to the independent auditor's commencement of those additional services. Under the Audit and Non-Audit Services Pre-Approval Policy, the Audit & Finance Committee may delegate the ability to pre-approve audit and non-audit services to one or more of its members provided the delegate reports any pre-approval decision to the Audit & Finance Committee at its next scheduled meeting. As of the date hereof, the Audit & Finance Committee has not delegated its ability to pre-approve audit services.

All of the 2004 and 2005 fees paid to Kaufman described above were pre-approved by the full Audit & Finance Committee in accordance with the Audit and Non-Audit Services Pre-Approval Policy.

The Governance & Nominating Committee has affirmatively determined that Karl M. Sachs, Martin W. Harrison, Eric Haskell, Barry T. Zeman, David A. Florman and Robert E. Shields meet the definition of "independent director" under Section 121A of the AMEX Company Guide.

There are no family relationships among Metropolitan's officers and directors, nor are there any arrangements or understandings between any of the directors or officers of Metropolitan or any other person pursuant to which any officer or director was or is to be selected as an officer or director.

During the fiscal year ended December 31, 2005, Metropolitan's Board of Directors held 11 regular meetings and took two actions by unanimous written consent. * Independent Directors

The Audit & Finance Committee

The Audit & Finance Committee's primary function is to assist the Board in fulfilling its oversight responsibilities relating to (i) the quality and integrity of the Metropolitan's financial statements and corporate accounting practices, (ii) Metropolitan's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence and (iv) the performance of the Metropolitan's internal audit function and independent auditors. The

specific responsibilities in carrying out the Audit & Finance Committee's oversight role are delineated in the Audit & Finance Committee Charter.

The Board of Directors has determined that each member of the Audit & Finance Committee is independent pursuant to Rule 121A of the AMEX Company Guide. The Board of Directors has determined that Mr. Sachs and Mr. Haskell each qualify as a "financial expert" as that term is defined in rules of the Securities and Exchange Commission implementing requirements of the Sarbanes-Oxley Act of 2002.

During the fiscal year ended December 31, 2005, Metropolitan's Audit & Finance Committee held 11 meetings and took one action by unanimous written consent.

-10-

The Compensation Committee

The Compensation Committee's primary objectives include making recommendations to the Board of Directors regarding the compensation of Metropolitan's directors, executive officers, non-officer employees and consultants and administering Metropolitan's employee stock option plans.

The Board of Directors has determined that each member of the Compensation Committee is independent pursuant to Rule 121A of the AMEX Company Guide.

During the fiscal year ended December 31, 2005, Metropolitan's Compensation Committee held five meetings and took one action by unanimous written consent.

The Governance & Nominating Committee

The primary objectives of Metropolitan's Governance & Nominating Committee include: (1) assisting the Board by identifying individuals qualified to become Board members and recommending to the Board the director nominees for the next Annual Meeting of Shareholders; (2) overseeing the governance of the corporation including recommending to the Board Corporate Governance Guidelines for Metropolitan; (3) leading the Board in its annual review of the Board's performance; and (4) recommending to the Board director nominees for each Board Committee.

The Board of Directors has determined that each member of the Governance & Nominating Committee is independent pursuant to Rule 121A of the AMEX Company Guide.

During the fiscal year ended December 31, 2005, Metropolitan's Governance & Nominating Committee held four meetings and took one action by unanimous written consent.

The Governance & Nominating Committee's Charter provides that shareholder nominees to the Board of Directors will be evaluated using the same guidelines and procedures used in evaluating nominees nominated by other persons. In evaluating director nominees, the Governance & Nominating Committee considers the following factors:

- the appropriate size and the diversity of the Corporation's Board;
- the needs of the Corporation with respect to the particular talents and experience of its directors;
- the knowledge, skills and experience of nominees, including experience in technology, business, finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
 - familiarity with national and international business matters;
 - experience in political affairs;
 - experience with accounting rules and practices;
- whether such person qualifies as an "audit committee financial expert" pursuant to SEC rules;
- appreciation of the relationship of the Corporation's business to the changing needs of society; and
- the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members.

In identifying director nominees, the Governance & Nominating Committee will first evaluate the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to Metropolitan's business and who are willing to continue in service shall be considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. Generally, the Governance & Nominating Committee strives to assemble a Board of Directors that brings to Metropolitan a variety of perspectives and skills derived from business and professional experience. In doing so, the Governance & Nominating Committee also considers candidates with appropriate non-business backgrounds. If any member of the Board does not wish to continue in service or if the Governance & Nominating Committee or the

Board decides not to re-nominate a member for re-election, the Governance & Nominating Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Other than the foregoing, there are no specific, minimum qualifications that the Governance & Nominating Committee believes that a Committee-recommended nominee to the Board of Directors must possess, although the Governance & Nominating Committee may also consider such other factors as it may deem are in the best interests of Metropolitan and its shareholders.

In its deliberations, the Governance & Nominating Committee is aware that Metropolitan's Board must be comprised of a majority of "independent" directors, as such term is defined by the AMEX Company Guide, and at least one director who qualifies as an "audit committee financial expert" as defined by SEC rules. The Governance & Nominating Committee also believes it appropriate for certain key members of Metropolitan's management to participate as members of the Board.

-11-

The Governance & Nominating Committee and Board of Directors are polled for suggestions as to individuals meeting the criteria of the Governance & Nominating Committee. Research may also be performed to identify qualified individuals. To date, Metropolitan has not engaged third parties to identify or evaluate or assist in identifying potential nominees. Metropolitan reserves the right in the future to retain a third party search firm, if necessary.

Communication with the Board of Directors

In September 2004, the Board of Directors adopted a Shareholder Communication Policy for shareholders wishing to communicate with various Board committees and individual members of the Board of Directors. Shareholders wishing to communicate with the Board of Directors, Metropolitan's Governance & Nominating Committee, and specified individual members of the Board of Directors can send communications to the Board of Directors and, if applicable, to the Governance & Nominating Committee or to specified individual directors in writing c/o Roberto L. Palenzuela, General Counsel and Secretary, Metropolitan Health Networks, Inc., 250 Australian Avenue, Suite 400, West Palm Beach, Florida 33401. Metropolitan does not screen such mail and all such letters will be forwarded to the intended recipient.

Director Attendance at Annual Meetings

Metropolitan has adopted a formal written policy regarding attendance by members of the Board of Directors at Annual Meetings of Shareholders. While members of Metropolitan's Board of Directors are not required to be present at Metropolitan's Annual Meetings, all members of Metropolitan's Board of Directors are welcome and encouraged to attend. Six members of the Board of Directors were able to attend the 2005 annual meeting.

Legal Proceedings

There are no pending, material legal proceedings to which any director, officer or affiliate of Metropolitan, any owner of record or beneficially of more than five percent of any class of voting securities of Metropolitan, or any associate of any such director, officer, affiliate of Metropolitan, or security holder is a party adverse to Metropolitan or any of its subsidiaries or has a material interest adverse to Metropolitan.

DIRECTOR COMPENSATION

For the year ended December 31, 2005, each of Metropolitan's non-employee Directors received a \$20,000 fee for his or her service on the Board of Directors. The Chairpersons of Metropolitan's Governance & Nominating Committee, Compensation Committee and Audit & Finance Committee also received an additional annual fee of \$2,000, \$4,000 and \$6,000, respectively, for service in 2005.

In addition, each of Metropolitan's non-employee Directors received \$1,500 per meeting of the Board of Directors attended in person, together with reimbursement of travel expenses. Non-employee Directors received \$750 for attending board meetings telephonically. Members of the Audit & Finance Committee, Compensation Committee and Governance & Nominating Committee received \$1,000 for each meeting of such Board committee attended in person and \$500 for each meeting of such Board Committee attended telephonically.

Additionally, in fiscal 2005 Metropolitan granted options to purchase 25,000 shares of Metropolitan's Common Stock to each non-employee Director.

Currently, two of the Directors are also employees of Metropolitan and do not receive additional compensation for their services as Directors. Metropolitan is a party to employment agreements with each of Michael M. Earley and Debra A. Finnel as further described in the section of this Proxy Statement entitled "Employment Agreements."

Metropolitan reimburses all Directors for their expenses in connection with their activities as Directors of Metropolitan.

The agreement calls for an annual base salary of \$190,000 to be reviewed annually. Metropolitan's Board of Directors in its sole discretion may increase Mr. Palenzuela's salary and award bonuses and options to Mr. Palenzuela at any time. The agreement also provides for an automobile allowance in the amount of \$500 per month, a telephone allowance in the amount of \$100 per month, vacation, participation in all benefit plans offered by Metropolitan to its executives and the reimbursement of reasonable expenses incurred in the course of the business of Metropolitan. The agreement also contains non-disclosure, non-solicitation and non-compete restrictions. The non-solicitation and non-compete restrictions survive for a period of two years and one year, respectively, following the date of termination. Either party may terminate the agreement at any time.

Effective February 1, 2005, Dr. Guethon entered into an employment agreement with Metcare of Florida, Inc., Metropolitan's wholly-owned subsidiary. The initial term of Dr. Guethon's current employment agreement was for one year and is automatically renewable for successive one year terms, unless earlier terminated in accordance with the terms of the agreement. The agreement calls for an annual base salary of \$250,000 to be reviewed annually. Metropolitan's Board of Directors in its sole discretion may increase Dr. Guethon's salary and award bonuses and options to Dr. Guethon at any time. The agreement also provides for a telephone allowance in the amount of \$100 per month, vacation, participation in all benefit plans offered by Metropolitan to its executives and the reimbursement of reasonable expenses incurred in the course of the business of Metropolitan. The agreement also contains non-disclosure, non-solicitation and non-compete restrictions. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the year ended December 31, 2005, the Compensation Committee consisted of Eric Haskell, Karl Sachs and Dr. Martin Harrison. Each of Mr. Haskell, Mr. Sachs and Dr. Harrison served on the Compensation Committee for the entire fiscal year.

Except for Dr. Harrison who served as an advisor to the Board of Directors of Metropolitan from 2000 through March of 2003, none of the member of the Compensation Committee are or have served as a consultant to or been employed by Metropolitan.

No executive officer of Metropolitan served as a director or on the compensation committee of any entity of which any member of the Board of Directors or Compensation Committee of Metropolitan is an executive officer during the fiscal year 2005.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Metropolitan's Compensation Committee is comprised of four directors, all of whom are "non-employee directors" (within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended) and "outside directors". The Compensation Committee's role is to review and approve practices and policies related to compensation primarily for executive officers, including the Chairman and Chief Executive Officer and the Named Executive Officers. To assist the Compensation Committee establish executive compensation for fiscal year 2005, the Compensation Committee retained the services of Watson Wyatt & Co. as an independent consultant to assist the Compensation Committee in reviewing its executive officer compensation scheme.

Compensation Philosophy

The Compensation Committee's philosophy with respect to the compensation of its executive officers is to offer a compensation package which includes a competitive salary, competitive benefits, a supportive workplace environment and bonus and stock options awards based upon the achievement of individual and company performance goals established by the Board of Directors annually as an incentive for superior corporate performance. Executive officer salaries are reviewed annually by the Compensation Committee which makes recommendations to the Board of Directors for its approval of the salaries, bonuses, and stock option grants to be awarded to Metropolitan's executive officers. Base salaries are maintained at competitive market levels and any incentives are linked closely to financial performance. Metropolitan maintains a pay-for-performance culture, where a portion of executive compensation is linked to performance. This emphasis on at-risk compensation supports Metropolitan's goal to control costs, which is critical to Metropolitan's continued success. It is also the Compensation Committee's practice to provide a balanced mix of cash and equity-based compensation that the Committee believes appropriate to align the short- and long-term interests of Metropolitan's executives with that of its shareholders and to encourage executives to act as equity owners of the Company. Metropolitan's executive compensation program consists of the core elements described below.

Base Salaries

In determining base salaries, Metropolitan identifies a reasonable range around the median for comparable executive positions in a comparison group of companies. In setting the compensation of Metropolitan's executive officers for 2005, the Compensation Committee compared Metropolitan's senior management compensation levels with those of a group of thirteen peer companies (the "Compensation Comparison Group") generally considered to be comparable to Metropolitan.

Officer salaries are generally set within the median range based on individual performance and experience. Annual salary increases, if any, are determined based on a variety of factors including average increases in comparison companies, individual performance, competitiveness of the officer's salary, Metropolitan's financial condition and operating results, and other variable components of compensation.

For fiscal year 2005, the Chairman and Chief Executive Officer and Chief Operating Officer were awarded 20% base salary increases. The Chief Financial Officer and the General Counsel were awarded 19% base salary increases.

Annual Incentives

Awards of annual performance incentives are based upon individual-specific and company-specific performance goals. The Compensation Committee recommends awards of bonuses as a percentage of base salary upon the achievement of the various pre-determined performance goals throughout the year. Individual-specific performance goals are determined annually by the Board of Directors for the Chairman and Chief Executive Officer and by the Chairman and Chief Executive Officer for all other executive officers. For fiscal year 2005, the Board of Directors adopted company-specific performance goals related to Metropolitan's attainment of a specified level of operating income and the status of its developing HMO business segment. Bonuses are generally paid in the form of cash or restricted stock, or a combination of both.

Other than a \$25,000 bonus compensation awarded to Dr. Jose Guethon, President of Metropolitan's PSN, no bonus compensation was awarded to any of the Named Executive Officers for performance in fiscal year 2005.

Long Term Incentive Awards

Long term incentive awards for executive officers have generally consisted of grants of stock options. In consultation with independent consultants such as Watson Wyatt & Co. and/or with management, the Compensation Committee

determines the value of the award to be granted to each recipient.

Other than a grant of 200,000 stock options to Jose Guethon, M.D. upon his appointment as President of the PSN, no other stock options were granted in 2005 to Named Executive Officers. The stock options granted to Dr. Guethon were granted pursuant to Metropolitan's Omnibus Equity Compensation Plan and vest in four equal annual installments, with the first 50,000 options scheduled to vest on December 9, 2006.

Chairman and Chief Executive Officer Compensation

The Compensation Committee has previously established that the corporate goals and objectives relevant to Michael M. Earley's, Chairman and Chief Executive Officer, compensation include, among other things, (i) diversification, expansion, and broadening of Metropolitan's core business and new service offerings; (ii) an increase in shareholder value, (iii) fulfillment of customer expectations, (iv) out-performance of the competition, (v) development of an employee-valued culture, and (vi) enhancement of social responsibility.

-18-

In determining Mr. Earley's overall annual compensation for fiscal year 2005, the Compensation Committee considered Mr. Earley's performance as the Chairman and Chief Executive Officer in 2004, in light of the goals described in the paragraph above, Metropolitan's performance for the fiscal year 2005, and the findings of Watson Wyatt & Company's study of Metropolitan's executive compensation scheme. The Compensation Committee recommended to the Board that Mr. Earley's salary be set at \$300,000 for fiscal year 2005. The Compensation Committee believes that, in light of Mr. Earley's satisfaction of certain individual goals and Metropolitan's achievement of performance goals for the fiscal year 2004, the compensation paid to Mr. Earley as Chairman and Chief Executive Officer for fiscal year 2005 was reasonable when compared to the compensation paid to other chief executive officers of public companies competing in the same market as Metropolitan.

Corporate Tax Considerations

The Internal Revenue Code disallows corporate tax deductions for executive compensation in excess of \$1 million for any of the Chairman and Chief Executive Officer and the next four most highly-compensated officers of Metropolitan. Internal Revenue Code Section 162(m) allows certain exemptions to the deduction cap, including pay programs that depend on formulas and, therefore, are "performance-based."

The Compensation Committee considers the deductibility of compensation when reviewing and approving pay levels and pay programs, but reserves the right to award compensation that is not deductible under 162(m) because no individual covered by the law receives compensation in excess of \$1 million.

REPORT OF THE AUDIT & FINANCE COMMITTEE

The Audit & Finance Committee is responsible for overseeing Metropolitan's financial reporting process on behalf of the Board of Directors. In this oversight role, the Audit & Finance Committee relies on the work and assurances of Metropolitan's management, which has the primary responsibility for financial statements and reports, including the system of internal controls, and of the independent auditors, who, in their report, express an opinion on the conformity of Metropolitan's annual financial statements to generally accepted accounting principles in the United States.

In fulfilling its oversight responsibilities, the Audit & Finance Committee has reviewed and discussed with management and the independent auditors Metropolitan's audited financial statements contained in Metropolitan's Annual Report on Form 10-K for the year ended December 31, 2005, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit & Finance Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the Audit & Finance Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit & Finance Committee has substantively discussed with the independent auditors the auditors' independence from Metropolitan and its management. The Audit & Finance Committee has also considered the compatibilities of non-audit services with the auditors' independence.

The Audit & Finance Committee discussed with Metropolitan's independent auditors the overall scope and plans for their audit. The Audit & Finance Committee met with Metropolitan's independent auditors, with and without

management present, to discuss the results of their examinations, their evaluations of Metropolitan's internal controls, and the overall quality of Metropolitan's financial reporting.

Based on the reviews and discussions referred to above, the Audit & Finance Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in Metropolitan's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission. The Audit & Finance Committee and the Board have also recommended, subject to shareholder approval, the selection of Kaufman, Rossin & Co., P.A. as Metropolitan's independent auditor for the year ending December 31, 2006.
