ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On September 17, 2008, Sanswire Corp. (the “Company”) entered into a subscription agreement (the “Global Telesat Subscription Agreement”) with Global Telesat Corp. (“Global Telesat”). Pursuant to the Global Telesat Subscription Agreement, the Company issued and sold to Global Telesat, for a purchase price of \$50,000, 476,190 shares of the Company’s common stock (the “Global Telesat Common Shares”) at \$.105 per share, two-year warrants to purchase 238,095 shares of the Company’s common stock at an exercise price of \$0.21 (the “Global Telesat \$0.21 Warrants”), and two-year warrants to purchase 238,095 shares of the Company’s common stock at an exercise price of \$0.315 (the “Global Telesat \$0.315 Warrants”, and collectively with the Global Telesat \$0.21 Warrants, the “Global Telesat Warrants”). The exercise price of the Global Telesat Warrants is subject to adjustment in the event of stock splits, stock dividends, and similar transactions, or if the Company issues equity securities at a price lower than the exercise price.

Pursuant to the Global Telesat Subscription Agreement, Global Telesat may, in its sole discretion, make up to two additional purchases, for \$225,000 each, of 2,142,857 shares of common stock at \$.105 per share, 1,071,429 two-year warrants with an exercise strike of \$0.21 per share, and 1,071,429 two-year warrants with an exercise price of \$0.315, on or before December 15, 2008 (which date may be extended by mutual written consent).

Pursuant to the Global Telesat Subscription Agreement, the Company agreed to promptly complete its audited financial statements for the year ended December 31, 2007, and file its Form 10-K for the year ended December 31, 2007 and Forms 10-Q for the quarterly periods through June 30, 2008 (the “Pre-Registration Conditions”). In addition, the Company agreed to file a registration statement with the Securities and Exchange Commission (“SEC”) as soon as possible after the Pre-Registration Conditions have been satisfied.

Pursuant to the Global Telesat Subscription Agreement, the Company agreed to provide a study of Global Telesat’s “Applique” communications equipment on the Company’s airship platform on or before October 15, 2008. The study has been provided.

On October 10, 2008, the Company entered into a subscription agreement (the “TAO Subscription Agreement”, and collectively with the Global Telesat Subscription Agreement, the “Subscription Agreements”) with TAO MnD AG, a Swiss corporation (“TAO”). Pursuant to the TAO Subscription Agreement, the Company issued and sold to TAO, for a purchase price of €100,000 (approximately \$143,838), 1,369,895 shares of the Company’s common stock (the “TAO Common Shares”) at \$.105 per share, two-year warrants to purchase 684,947 shares of the Company’s common stock at an exercise price of \$0.21 (the “TAO \$0.21 Warrants”), and two-year warrants to purchase 684,948 shares of the Company’s common stock at an exercise price of \$0.315 (the “TAO \$0.315 Warrants”, and collectively with the TAO \$0.21 Warrants, the “TAO Warrants”) (the TAO Warrants and the Global Telesat Warrants are referred to collectively as the “Warrants”). The exercise price of the TAO Warrants is subject to adjustment in the event of stock splits, stock dividends, and similar transactions, or if the Company issues equity securities at a price lower than the exercise price. Pursuant to the TAO Subscription Agreement, the purchase price from the issuance will be applied towards the continued funding of Sanswire-TAO, the Company’s joint venture with TAO Technologies GmbH, pursuant to the Company’s June 3, 2008 agreement.

Pursuant to the TAO Subscription Agreement, the Company agreed to file a registration statement registering the TAO Common Shares and the shares of common stock underlying the TAO Warrants with the SEC as soon as possible once the Company is current with its financial statements.

In connection with the issuance of the shares of common stock and warrants pursuant to the Subscription Agreements, the Company relied upon the exemption from securities registration afforded by Regulation D as promulgated by the SEC under the Securities Act of 1933, as amended (the "Securities Act") and/or Section 4(2) of the Securities Act. No advertising or general solicitation was employed in offering the securities. The offerings and sales were made to a limited number of persons, all of whom were accredited investors, and transfer of the securities was restricted in accordance with the requirements of the Securities Act.

The foregoing summaries of the Subscription Agreements and the Warrants are qualified by reference to the Subscription Agreements and the Warrants, copies of which are filed herewith as exhibits.
