Agreements with Dr. William A. Carter

Dr Carter’s new employment agreement (Exhibit 10.3 attached hereto) and his amended and restated engagement agreement (Exhibit 10.4 attached hereto) are similar in form to his existing employment agreement (Exhibit 10.1), which expires at year end and his existing engagement agreement (Exhibit 10.2).

Dr. Carter is employed as our Chief Executive Officer and Chairman of the Board. The renewed Employment Agreement expires December 31, 2015, unless sooner terminated for cause, death or disability or upon 30 days prior written notice by Dr. Carter. His base annual salary is \$500,000. Consistent with our initiatives to develop domestic and international markets for Alferon N Injection® and ongoing efforts to commercialize Ampligen®, Dr. Carter also is entitled to incentive bonuses of 2.5% related to product sales, joint ventures or corporate partnering arrangements, and 5% of any sale of our company or substantially all of our assets not in the ordinary course of our business. These incentive bonuses, if earned, are not to exceed in the aggregate an annual maximum of \$5,000,000. Further, pursuant to his Employment Agreement, we are issuing to Dr. Carter non-qualified stock options to purchase 500,000 shares annually for the term of the agreement.

Pursuant to Dr. Carter’s Amended And Restated Engagement Agreement, we have engaged Dr. Carter as a consultant relating to patent development.
