Item 8.01

Other Events.

On July 12, 2011, Maiden Holdings, Ltd. (the "Company") issued a press release announcing the anticipated net underwriting impact of losses during the second quarter due to the unusual frequency of thunderstorm and tornado activity across the United States. The Company announced that the anticipated underwriter impact in the second quarter, net of the Company's quarterly provision for normalized catastrophe losses, totals approximately \$9.5 million. A copy of the press release is hereby filed with the Securities and Commission and incorporated by reference herein as Exhibit 99.1.

Forward Looking Statements

This report contains "forward-looking statements" which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The forward-looking statements are based on the Company's current expectations and beliefs concerning future developments and their potential effects on the Company. There can be no assurance that actual developments will be those anticipated by the Company. Actual results may differ materially from those projected as a result of significant risks and uncertainties, including non-receipt of the expected payments, changes in interest rates, effect of the performance of financial markets on investment income and fair values of investments, developments of claims and the effect on loss reserves, accuracy in projecting loss reserves, the impact of competition and pricing environments, changes in the demand for the Company's products, the effect of general economic conditions, adverse state and federal legislation, regulations and regulatory investigations into industry practices, challenges inherent in international operations, developments relating to existing agreements, heightened competition, changes in pricing environments, and changes in asset valuations. Additional information about these risks and uncertainties, as well as others that may cause actual results to differ materially from those projected is contained in Item 1A. Risk Factors in the Company's Annual Report on Form 10-K for the year ended December 31, 2010 as updated in periodic filings with the SEC.
