**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On December 19, 2013, China Recycling Energy Corporation (the “Company”) received written notice from the NASDAQ Stock Market (“NASDAQ”) stating that (i) the Company failed to comply with NASDAQ Listing Rule 5635(c) (the “Rule”), which generally requires shareholder approval of equity-based compensatory arrangements, and (ii) based on actions taken by the Company to remedy the violation, that, subject to satisfaction of applicable disclosure requirements that are satisfied by the filing of this Form 8-K, the Company has regained compliance with the Rule and the matter is now closed.

NASDAQ’s determination was based on the Company’s grant of a stock option to purchase 40,000 shares of the Company’s common stock at an “at the market” price on January 31, 2011 to Mr. Chungui Shi (the “Stock Option”), an independent member of the Board of Directors of the Company. On November 11, 2013, the Company amended the Stock Option, such that the Stock Option may not be exercised without prior approval by the Company’s shareholders. Further, if the Company’s shareholders do not approve of the grant of the Stock Option, which the Company intends to seek at its 2014 Annual Meeting of Shareholders, the Stock Option will be immediately cancelled.
