INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “Board” or the “Board of Directors”) of Salem Media Group, Inc., a Delaware corporation (“Salem” or the “Company”), of proxies for use at the 2015 Annual Meeting of Stockholders of the Company (the “Annual Meeting”) scheduled to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

INFORMATION REGARDING VOTING AT THE ANNUAL MEETING

General

At the Annual Meeting, the stockholders of the Company are being asked to consider and to vote upon the following proposals

Proposal 1 The election of the seven (7) Directors named in this Proxy Statement to serve until the annual meeting of stockholders to be held in 2016 or until their respective successors are duly elected and qualified.

For information regarding this proposal, see the section of this Proxy Statement entitled “PROPOSAL 1—ELECTION OF DIRECTORS.”

Proposal 2 The ratification of the appointment of SingerLewak LLP as the company’s independent registered public accounting firm.

For information regarding this proposal, see the section of this Proxy Statement entitled “PROPOSAL 2—PROPOSAL TO RATIFY THE APPOINTMENT OF SINGERLEWAK LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.”

Shares represented by properly executed proxies received by the Company will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, in accordance with the recommendation of the Board of Directors on all matters presented in this Proxy Statement. Although management does not know of any matter other than the proposal described above to be acted upon at the Annual Meeting, unless contrary instructions are given, shares represented by valid proxies will be voted by the persons named on the

accompanying proxy card in accordance with their respective best judgment in respect of any other matters that may properly be presented for a vote at the Annual Meeting.

Execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person, and any person giving a proxy has the right to revoke it at any time before it is exercised by: (a) filing with the Secretary of Salem either a duly executed written notice dated subsequent to such proxy revoking the same or a duly executed proxy bearing a later date, or (b) attending the Annual Meeting and voting in person.

The mailing address of the principal executive offices of the Company is 4880 Santa Rosa Road, Camarillo, California 93012, and its telephone number is (805) 987-0400.

Record Date, Quorum and Voting

Only stockholders of record on March 23, 2015 (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting. There were outstanding on the Record Date 19,836,855 shares of Class A common stock, par value \$0.01 per share ("Class A common stock"), and 5,553,696 shares of Class B common stock, par value \$0.01 per share ("Class B common stock") (the Class A common stock and the Class B common stock are collectively referred to as the "common stock"). Each share of outstanding Class A common stock is entitled to one (1) vote on each matter to be voted on at the Annual Meeting and each share of outstanding Class B common stock is entitled to ten (10) votes on each matter to be voted on at the Annual Meeting, except that, as provided in the Company's Amended and Restated Certificate of Incorporation, the holders of Class A common stock shall be entitled to vote as a class, exclusive of the holders of the Class B common stock, to elect two (2) "Independent Directors." The two (2) Independent Directors shall be elected by a majority of the votes of the shares of Class A common stock present in person or represented by proxy and entitled to vote on the election of the Independent Directors; the remaining five (5) Directors will be elected by a majority of the votes of the shares of Class A common stock and Class B common stock present in person or represented by proxy and entitled to vote on the election of such Directors. For information regarding the election of Directors, see the section of this Proxy Statement entitled "PROPOSAL 1—ELECTION OF DIRECTORS."

The presence in person or representation by proxy of the holders of at least a majority of the voting power of the common stock issued and outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. In the event there are not sufficient shares for a quorum at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Only votes cast in person at the Annual Meeting or received by proxy before the beginning of the Annual Meeting will be counted. Giving us your proxy means you authorize the proxy holders to vote your shares at the Annual Meeting in the manner you direct. If your shares are held in your name, you can vote by proxy in three (3) convenient ways as follows:

- **On-Line Voting:** Go to <http://www.proxyvote.com> and follow the instructions
- **By Telephone:** Call toll-free 1-800-690-6903 and follow the instructions
- **By Mail:** Complete, sign, date and return your proxy card in the enclosed envelope

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. on May 18, 2015.

Under Delaware law and the Company's Amended and Restated Certificate of Incorporation and Bylaws, abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. With regard to Proposal 1, votes may be cast in favor of or against any particular director nominee. With regard to Proposal 2, votes may be cast in favor of or against the proposal. Proposals 1, 2 and any other stockholder proposals that properly come before the Annual Meeting require, in general, the affirmative vote of a majority of the voting power of the shares of Class A common stock and Class B common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the subject matter. For Proposals 1 and 2, abstentions will be counted in tabulations of the votes cast on a proposal and will have the same effect as a vote against the proposal. For each proposal, broker non-votes will not be counted for purposes of determining whether the proposal has been approved. If you hold shares of our common stock through a broker, bank or other nominee, then you hold shares in street name. Thus, you must instruct the broker, bank or other nominee as to how to vote your shares. Under the rules of the New York Stock Exchange ("NYSE"), if you do not provide such instructions, the firm that holds your shares will have discretionary authority to vote your shares with respect to "routine" matters. Pursuant to NYSE rules, Proposal 1 is not considered a "routine" matter; thus, your broker will not have discretionary authority to vote your shares in connection with Proposal 1 if you do not provide it with instructions.

Electronic Access to Proxy Materials

Pursuant to applicable United States Securities and Exchange Commission (“SEC”) rules, the Company is making this Proxy Statement and its Annual Report on Form 10-K available to its stockholders electronically via the Internet at *www.proxyvote.com*. On or about April 9, 2015, we will mail to stockholders a Notice containing instructions on how to access this Proxy Statement along with our Annual Report on Form 10-K as well as instructions on how to vote online. The Notice also instructs you on how you may submit your proxy vote securely over the Internet or by telephone. If you received a Notice, you will not automatically receive a printed copy of the Proxy Statement and Annual Report. If you would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials as set forth in the Notice.

Solicitation

The cost of preparing, assembling and sending the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card will be paid by the Company. Following the delivery of this Proxy Statement, Directors, Officers and other employees of the Company may solicit proxies by mail, telephone, facsimile or other electronic means or by personal interview. Such persons will receive no additional compensation for such services. Brokerage houses and other nominees, fiduciaries and custodians nominally holding shares of Class A common stock of record will be requested to forward proxy soliciting material to the beneficial owners of such shares and will be reimbursed by the Company for their reasonable charges and expenses in connection therewith.

Householding

With regard to the delivery of Annual Reports and Proxy Statements, under certain circumstances the SEC permits a single set of such documents or, where applicable, one Notice, to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder, however, still receives a separate proxy card. This procedure, known as “householding,” reduces the amount of duplicate information received at a household and reduces delivery and printing costs as well. A number of banks, brokers and other firms have instituted householding and have previously sent a notice to that effect to certain of the Company’s stockholders whose shares are registered in the name of such bank, broker or other firm. As a result, unless the stockholders receiving such notice gave contrary instructions, only one Annual Report and/or Proxy Statement, as applicable, will be delivered to an address at which two (2) or more stockholders reside. If any stockholder residing at such an address wishes to receive a separate Annual Report or Proxy Statement for the Annual Meeting or for future stockholder meetings, such stockholder should telephone toll-free 1-800-579-1639, or write to Salem Media Group, Inc. c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. A separate set of proxy materials relating to the Annual Meeting will be sent promptly following receipt of your request. In addition, if any stockholder who previously consented to householding desires to receive a separate copy of a Proxy Statement or Annual Report, as applicable, for each stockholder at his or her same address, such stockholder should contact his or her bank, broker or other firm in whose name the shares are registered or contact the Company at the address or telephone number listed on page 1 of this Proxy Statement. Similarly, a stockholder may use any of these methods if such stockholder is receiving multiple copies of a Proxy Statement or Annual Report and would prefer to receive a single copy in the future.

Board Composition

As a national media presence focused on the Christian and family-themed audience and the conservative news talk audience, our business involves an operational structure that operates on a broad scale and encompasses research, technical developments, and marketing functions in a context characterized by rapidly evolving technologies, exposure to business cycles, and significant competition. The Company's Nominating and Corporate Governance Committee is responsible for reviewing and assessing with the Board the appropriate skills, experience, and background sought of Board members in the context of our business and the then-current membership on the Board. This assessment of Board skills, experience, and background includes numerous diverse factors, such as understanding of and experience in radio and new media, understanding of our audience and the ministries that serves it, and finance, marketing and advertising experience. The priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board with regard to these factors may change from time to time to take into account changes in the Company's business and other trends, as well as the portfolio of skills and experience of current and prospective Board members. The Nominating and Corporate Governance Committee and the Board will review and assess the continued relevance of and emphasis on these factors as part of the Board's annual self-assessment

process and in connection with candidate searches to determine if they are effective in helping to satisfy the Board's goal of creating and sustaining a Board that can appropriately support and oversee the Company's activities.

We believe that it is important for our Board members to have diverse backgrounds, skills and experiences and seek such diversity in nominating director candidates. One goal of this diversity of backgrounds, skills and experience is to assist the Board in its oversight concerning our business and operations. We consider the key skills, qualifications and experience listed below as important for our Directors to collectively have in light of our current business and structure. The Directors' biographies provided later in this Proxy Statement note each director's relevant skills, qualifications and experience. As part of an annual effectiveness review, the Board evaluates its composition to ensure that the Board as a whole sufficiently represents a diverse set of relevant backgrounds, skills and experience.

Senior Executive Leadership Experience. Directors who have served in senior executive leadership positions are important to us, as they bring experience and perspective in analyzing, shaping, and overseeing the execution of important operational and policy issues at a senior level. The insights and guidance of these Directors, particularly those Directors who have experience at businesses or organizations that operated on a global scale, faced significant competition, and/or involved technology or other rapidly evolving business models enhance our Board's ability to assess and respond to situations faced by the Company.

Public Company Board Experience. Directors who have served on other public company boards can offer insights with regard to the dynamics and operation of a board of directors, corporate governance matters (including experience with respect to the relationship of a Board to the CEO and other management personnel), the importance of particular public company agenda and management matters and oversight of a changing mix of strategic, operational, and compliance-related matters.

Business Development Experience. Directors who have a background in business development can provide insight into developing and implementing strategies for growing our business through acquisitions.

- *Financial Experience.* Knowledge of accounting and financial reporting processes, as well as the financial markets, financing and funding operations, is important because it assists our Directors in understanding and overseeing the Company's financial reporting, internal controls, capital structure, financing and investing activities.

Relevant Experience with our Audiences and Programmers. Directors who have relevant experience with the Christian and family-themed audience and the conservative news talk audience can provide insight and expertise in assisting the Board's implementation of Company strategies for growing our business by providing an engaging experience with our radio stations, Internet sites and other services. Directors with experience and knowledge of the business of our programmers and content providers can also assist the Board with analyzing, reviewing and approving mutually beneficial and significant relationships between these content providers and the Company.

Legal Expertise. Directors who have legal education and experience can assist the Board in fulfilling its responsibilities related to the oversight of the Company's legal and regulatory compliance and engagement with regulatory authorities.

Radio Experience. Knowledge of the radio industry and the challenges and opportunities of radio broadcasting companies is vitally important because it enables our Directors to understand and oversee many aspects of the Company's operations, goals and strategies.

New Media Experience. As the radio industry is faced with challenges and opportunities created by the emergence of "new media", the Board benefits from including Directors who have relevant experience with these new and emerging means of distributing programming and enhancing our audience's ability to access information provided by the Company via different media outlets.

Director Independence and Executive Sessions

The Company's Board of Directors evaluated the independence of each of the Company's Directors pursuant to the listing standards of the NASDAQ Stock Market ("NASDAQ Rules"). During this review, which included a review of the transactions and relationships described in the section of this Proxy Statement entitled "CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS" below, the Board of Directors considered various transactions and relationships among Directors (and their affiliates or family members), members of the Company's senior management, affiliates and subsidiaries of the Company and certain other parties that occurred during the past three (3) fiscal years. This review was conducted to determine whether, under the NASDAQ Rules, any such relationships or transactions would affect the Board of Directors' determination as to each director's independence.

Upon conclusion of this review, the Board of Directors determined that, of the Directors nominated for election at the Annual Meeting, a majority of the Board (comprised of Messrs. Hinz, Riddle, Venverloh, Lewis and Director nominee Mr. Halvorson) is independent of the Company and its senior management as required by the NASDAQ Rules.

The NASDAQ Rules also require that independent members of the Board of Directors meet periodically in executive sessions during which only independent Directors are present. The Company's independent Directors have met separately in such executive sessions and in the future will regularly meet in executive sessions as required by the NASDAQ Rules.

Committees of the Board of Directors

The Company's Board of Directors has three (3) committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The following table identifies the independent members of the Board of Directors and lists the members and chairman of each of these committees:

Jonathan Venverloh	I	X		X

James Keet Lewis	I	X	X

(1) Mr. Davenport will not be standing for re-election as a Director of the Company at the 2015 Annual Meeting.

I = Director is independent

Audit Committee

The Audit Committee of the Board of Directors (the “Audit Committee”) is a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Audit Committee currently consists of Messrs. Riddle (Chairman), Venverloh and Lewis, each of whom is independent under the NASDAQ Rules and applicable SEC rules and regulations. The Board of Directors has determined that Mr. Riddle, the Audit Committee Chairperson, qualifies as an “audit committee financial expert” as defined by applicable SEC rules and regulations.

The Audit Committee held four (4) regularly-scheduled meetings and three (3) special telephonic meetings in 2014 and operates under a written charter adopted by the Board of Directors. The Audit Committee and the Company’s Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company’s Internet website (<http://salemmedia.com>) and a copy of the charter may be obtained upon written request from the Secretary of the Company. ***Any information found on the Company’s website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

The Audit Committee's responsibilities are generally to assist the Board of Directors in fulfilling its legal and fiduciary responsibilities relating to accounting, audit and reporting policies and practices of the Company and its subsidiaries. The Audit Committee also, among other things, oversees the Company's financial reporting process, retains and engages the Company's independent registered public accounting firm, approves the fees for the Company's independent registered public accounting firm, monitors and reviews the quality, activities and functions of the Company's independent registered public accounting firm, and monitors the adequacy of the Company's operating and internal controls and procedures as reported by management and the Company's independent registered public accounting firm. The Audit Committee Report set forth later in this Proxy Statement provides additional details about the duties and activities of this committee.

Compensation Committee

As provided under applicable laws and rules, the Company's Board of Directors delegates authority for compensation matters to the Compensation Committee of the Board of Directors (the "Compensation Committee"). The Compensation Committee's membership is determined by the Board of Directors. The Compensation Committee currently consists of Messrs. Davenport (Chairman), Hinz and Riddle, each of whom is independent under the NASDAQ Rules, including recently adopted compensation committee independence requirements. The Compensation Committee is authorized to review and approve compensation, including non-cash benefits, and severance arrangements for the Company's Section 16 officers and employees and to approve salaries, remuneration and other forms of additional compensation and benefits as it deems necessary. The Compensation Committee also administers the Company's Second Amended and Restated 1999 Stock Incentive Plan (the "Stock Plan").

The Compensation Committee held two (2) regularly scheduled meetings and one (1) special meeting in 2014. The Compensation Committee meets at least twice annually and at additional times as are necessary or advisable to fulfill its duties and responsibilities.

The role of the Company's Compensation Committee is to oversee the Company's compensation and benefit plans and policies, administer the Stock Plan (including reviewing and approving equity grants to elected officers), and to review and approve all compensation decisions relating to elected officers, including those for the Company's Named Executive Officers (who are listed in the Summary Compensation Table below). In 2014 the actions of the Compensation Committee included reviewing objective benchmarks and metrics by which a Named Executive Officer's performance can be measured and analyzing peer compensation and performance data for comparison with the Company's Named Executive Officers. The Compensation Committee has delegated limited authority to Edward G. Atsinger III, the Company's Chief Executive Officer, to grant up to \$150,000 of options to purchase the Company's Class A common stock annually (measured each calendar year without carry-over of unused grant authority from year to year). The \$150,000 is calculated at a price equal to the price of the Company's Class A common stock at the NASDAQ market close on the date the stock options are granted. This delegated authority is subject to prompt notification to the Compensation Committee of the issuance of any such grants and ratification of any such grants at the next regularly scheduled Compensation Committee meeting following the date of such grants.

The Company's Named Executive Officers do not determine or approve any element or component of their own compensation. The Company's CEO provides a recommendation to the Compensation Committee for base salary and annual incentive compensation for the Named Executive Officers reporting to him.

The Compensation Committee operates pursuant to a charter that was approved by the Board of Directors. The charter sets forth the responsibilities of the Compensation Committee. The Compensation Committee and the Company's Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website (<http://salemmedia.com>) and a copy of the charter may be obtained from the Secretary of the Company upon written request. ***Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors (the "Nominating and Corporate Governance Committee") currently consists of Messrs. Hinz (Chairman), Davenport, Riddle, Venverloh and Lewis, each of whom is independent under the NASDAQ Rules. The Nominating and Corporate Governance Committee held two (2) regularly scheduled meetings in 2014.

The Nominating and Corporate Governance Committee is authorized to: (a) develop and recommend a set of corporate governance standards to the Board of Directors for adoption and implementation; (b) identify individuals qualified to become members of the Board of Directors; (c) recommend that director nominees be elected at the Company's next annual meeting of stockholders; (d) recommend nominees to serve on each standing committee of the Board of Directors; (e) lead in the annual review of Board performance and evaluation of the Board's effectiveness; (f) ensure that succession planning takes place for the position of chief executive officer and other key Company senior management positions; and (g) analyze, review and, where appropriate, approve all related party transactions to which the Company or its subsidiaries or affiliates are a party, all in accordance with applicable rules and regulations.

To qualify as a nominee for service on the Board of Directors, a candidate must have sufficient time and resources available to successfully carry out the duties required of a Company Board member. The Nominating and Corporate Governance Committee desires to attract and retain highly qualified Directors who will diligently execute their responsibilities and enhance their knowledge of the Company's core businesses and seeks Directors who possess some or all of the skills, qualifications and experience described under "Board Composition" in this Proxy Statement.

The Nominating and Corporate Governance Committee implements the Company's policy regarding stockholder nominations by considering nominees for director positions that are made by the Company's stockholders. Any stockholder desiring to make such a nomination must submit in writing the name(s) of the recommended nominee(s) to the Secretary of the Company at least 90 days before nor earlier than 120 days prior to the first anniversary of the preceding annual meeting of stockholders. The written submission must also contain biographical information about the proposed nominee, a description of the nominee's qualifications to serve as a member of the Board of Directors, and evidence of the nominee's valid consent to serve as a director of the Company if nominated and duly elected.

The Company's Directors provide oversight of the Company's management and play a key role in shaping the strategic direction of the Company. Consistent with the Company's Nominating and Corporate Governance Charter, the Nominating and Corporate Governance Committee considers various criteria in Board candidates, including, the skills, qualifications and experience described under "Board Composition" in this Proxy Statement, as well as their appreciation of the Company's core purpose, core values, and whether they have time available to devote to Board activities. The Nominating and Corporate Governance Committee also considers whether a potential nominee would satisfy:

1. The criteria for director "independence" established by the NASDAQ Rules; and
2. The SEC's definition of "audit committee financial expert."

Whenever a vacancy exists on the Board due to expansion of the Board's size or the resignation, retirement or term expiration of an existing director, the Nominating and Corporate Governance Committee identifies and evaluates potential director nominees. The Nominating and Corporate Governance Committee considers recommendations of

management, stockholders and others. The Nominating and Corporate Governance Committee has sole authority to retain and terminate any search firm to be used to identify director candidates, including approving its fees and other retention terms.

Director candidates are evaluated using the criteria described above and in light of the then-existing composition of the Board, including its overall size, structure, backgrounds and areas of expertise of existing Directors and the relative mix of independent and employee Directors. The Nominating and Corporate Governance Committee also considers the specific needs of the various Board committees. The Nominating and Corporate Governance Committee recommends potential director nominees to the full Board, and final approval of a candidate for nomination is determined by the full Board. This evaluation process is the same for director nominees who are recommended by our stockholders.

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee and the Company's Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on the Company's Internet website (<http://salemmedia.com>) and a copy of the charter may be obtained upon written request from the Secretary of the Company. ***Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.***

The Nominating and Corporate Governance Committee did not receive any recommendations from stockholders proposing candidate(s) for election at the Annual Meeting. None of the Directors serving on the Audit Committee, the Compensation Committee, or the Nominating and Corporate Governance Committee are employees of the Company.

Although the Board does not have a formal policy on diversity, the Nominating and Corporate Governance Committee and the Board review from time-to-time the membership of the Board in light of the Company's operations and strategic objectives and consider whether the current Board members possess the requisite skills, experience and perspectives to oversee the achievement of those goals. As part of an annual effectiveness review, the Nominating and Corporate Governance Committee evaluates the diversity of the Board composition to ensure that it sufficiently represents a diverse set of background, skills and experience.

Board Leadership Structure

Historically, the Company's Board of Directors has had a general policy that the positions of Chairman of the Board and CEO should be held by separate persons as an aid in the Board's oversight of management. This policy has been in effect since the Company began operations. The Chairman of the Board is a full-time senior executive of the Company. The duties of the Chairman of the Board include:

- presiding over all meetings of the Board;
- preparing the agenda for Board meetings in consultation with the CEO and other members of the Board;
- managing the Board's process for annual director self-assessment and evaluation of the Board and of the CEO; and
- presiding over all meetings of stockholders.

The Board of Directors believes that there are advantages to having a separate Chairman for matters such as communications and relations between the Board members, the CEO, and other senior management; in assisting the Board in reaching consensus on particular strategies and policies; and in facilitating robust director, Board, and CEO evaluation processes. In addition, having separate Chairman and CEO positions permits the CEO to focus on day-to-day business and allows the Chairman to lead the Board in its oversight responsibilities. The Board currently consists of the Chairman of the Board, the Company's CEO, and five (5) independent Directors. One of Mr. Epperson's roles is to oversee and manage the Board of Directors and its functions, including setting meeting agendas and running Board meetings. In this regard, Mr. Epperson and the Board in their advisory and oversight roles are particularly focused on assisting the CEO and senior management in seeking and adopting successful business strategies and risk management policies, and in making successful choices in management succession.

Board's Role in Risk Oversight

The Company's Board of Directors as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board committees. These committees then provide reports to the full Board. The oversight responsibility of the Board and its committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession and compensation, legal and compliance, and other risks. The Board and its committees oversee risks associated with their respective areas of responsibility, as summarized above.

Director Attendance at Board and Committee Meetings and 2014 Annual Meeting of Stockholders

The full Board of Directors held four (4) regularly scheduled meetings in 2014. During 2014, each of the Company's incumbent Directors attended (either in person or telephonically) all of the regularly-scheduled meetings of the full Board of Directors. Each of the Company's incumbent Directors attended more than seventy-five percent of the aggregate of the number of meetings of the Board and the total number of meetings held by all committees of the Board on which he served. The Company encourages, but does not require, that each director attend the Company's annual meeting of stockholders. In 2014, each of the Company's then Directors attended the 2014 annual meeting of stockholders, except for Mr. Stuart Epperson, Chairman of the Board.

Communications between Stockholders and the Board

The Company has historically handled communications between stockholders and the Board of Directors on an *ad hoc* basis. No formal policy or process for such communications has been adopted by the Company as of the date of this Proxy Statement. The Company has, however, taken actions to ensure that the views of its stockholders are communicated to the Board or one or more of its individual Directors, as applicable. The Board considers its responsiveness to such communications as timely and exemplary.

Financial Code of Conduct

The Company has adopted a financial code of conduct (“Financial Code of Conduct”) that applies to each director of the Company, the Company’s CEO, principal financial officer, principal accounting officer, controller and persons performing similar functions. This Financial Code of Conduct has been adopted by the Board as a “code of ethics” that satisfies applicable NASDAQ Rules. The Financial Code of Conduct is available on the Company’s Internet website (<http://salemmedia.com>) and a copy of the Financial Code of Conduct may be obtained free of charge upon written request from the Secretary of the Company. *Any information found on the Company’s website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.*

COMPENSATION DISCUSSION & ANALYSIS

General Discussion

The Company's Executive Compensation Philosophy

The Board of Directors of the Company believes that a key to the Company's current and future success is its ability to attract and retain qualified individuals who are committed to the Company's success and capable of delivering on such commitment. The Company's compensation and benefits programs are designed to enable the attraction, retention and motivation of the best possible employees to operate and manage the Company at all levels. At the same time, the Board of Directors of the Company is committed to a compensation policy for the Company's executive management that is appropriately transparent to the Company's stockholders and in alignment with stockholders' best interests.

The Company's executive compensation programs are based upon a pay-for-performance philosophy that provides incentives to achieve both short-term and long-term objectives and to reward both individual and Company performance. In addition to evaluating performance using financial and operational metrics, the CEO, CFO and the Company's three other most highly compensated executive officers during 2014 (collectively, the "Named Executive Officers") are evaluated in many areas that are not measured directly by financial or operational results. These areas include: (i) how well each Named Executive Officer helps the Company to achieve its strategic goals; (ii) each executive's ability to develop his or her subordinates; and (iii) each executive's efforts to enhance the Company's relationship with key stakeholders. In 2014, the Company's Named Executive Officers were Mr. Atsinger, Chief Executive Officer; Mr. Masyr, Executive Vice President and Chief Financial Officer; Mr. Evans, President – New Media; Mr. Santrella, President – Broadcast Media; and Frank Wright, President and Chief Operating Officer.

Benchmarking

It is the intent of the Board of Directors that the Company be in a position to compete for highly qualified employees, including its Named Executive Officers. Accordingly, the process for compensation determination involves the Committee's consideration of peer compensation levels. While the Committee does not have a formal policy regarding benchmarking, when determining recommended salary, target bonus levels and target annual long-term incentive award values for Named Executive Officers, the Committee gives consideration to compensation practices at peer radio media companies, based on available data.

Named Executive Officer Compensation

The Company's Named Executive Officer compensation consists of four elements: (1) base salary; (2) annual cash incentive (bonus) awards; (3) long-term incentive compensation, usually in the form of stock options; and (4) perquisites and benefits. The Committee assesses each of these elements independently from the other elements to ensure that the amount paid to each Named Executive Officer for each compensation element is reasonable and, as a function of overall compensation paid, ensures that compensation for each Named Executive Officer is reasonable in its totality.

Employment Agreements

Each of the Company's Named Executive Officers except Mr. Atsinger is employed pursuant to "at will" employment agreements without a fixed term length. Mr. Atsinger is employed pursuant to an employment agreement with a fixed three year term. Mr. Wright was employed pursuant to a fixed one year term which, after the expiration of the initial one year term on December 31, 2014, became an at-will employment agreement. On December 31, 2014, Mr. Wright resigned from the Company. Each of the Named Executive Officer employment agreements provides for a contractual rate of base salary to be paid during the first three years of the contract length. Mr. Atsinger's current agreement was entered into as of July 1, 2013, and will expire on June 30, 2016. Mr. Masyr's current agreement was entered into as of January 1, 2014, and the contractual rate of base salary will expire on December 31, 2016. Mr. Evans' current agreement was entered into as of September 15, 2014, and the contractual rate of base salary will expire on September 14, 2017. Mr. Santrella's current agreement was entered into as of January 1, 2014, and the contractual rate of base salary will expire on December 31, 2016.

Base Salary

When determining recommended base salaries for the Company's Named Executive Officers, the Committee generally evaluates salaries of the peer companies described in the section of this Proxy Statement entitled "COMPENSATION DISCUSSION & ANALYSIS—General Discussion—Benchmarking" above.

Where appropriate, adjustments are made to reflect the Company's relative position within the peer group. The Committee also considers other factors including: (i) individual contribution and performance; (ii) Company performance; (iii) market conditions; (iv) retention needs; (v) experience; (vi) succession planning; (vii) historic practices; and (viii) internal equity.

Increases in the base salaries of the Company's Named Executive Officers for 2014 were made pursuant to the terms of the agreements described in the section of this Proxy Statement entitled "COMPENSATION DISCUSSION & ANALYSIS—Named Executive Officer Compensation—Employment Agreements" above.

Annual Cash Incentive (Bonus) Awards

All of the Company's Named Executive Officers are eligible to receive discretionary bonuses. The amount to be paid as a bonus, if any, to any Named Executive Officer is determined after a review of the Company's performance and the performance of each individual Named Executive Officer. Ordinarily, this determination is made in the first quarter of each year, following completion of the Company's financial statements for the prior year.

Incentive Compensation Pool

Annual cash incentive (bonus) awards are granted to Named Executive Officers from a target cash incentive (bonus) pool which is established at the beginning of the prior year. Over the course of such year the Committee adjusts the size of the pool to reflect the financial performance of the Company. Although the Company may pay an aggregate amount of annual cash incentive (bonus) award that is less than the full amount set forth in the pool, it generally does not pay and has not paid an aggregate amount that is greater than that which is in the pool.

Performance Measures and Award Payments

The Committee considers many factors when assessing the amount of any Named Executive Officer's annual cash incentive (bonus) awards. The Committee has significant flexibility in awarding cash bonuses. The Company believes that this flexibility, and the Company's history of rewarding performance, provide a strong motivating incentive to the Company's Named Executive Officers to perform in a manner that will help the Company continue to achieve its goals and objectives.

Given the changing nature and complexities of the media industry, the Committee's decision to increase or decrease cash bonuses from year to year is generally based upon a variety of factors deemed appropriate by the Committee including the financial performance of the Company and the individual areas of responsibility of each Named Executive Officer. The Committee has broad discretion to make bonus determinations and it is not required to apply formulas or ranges based upon specific performance criteria. Factors generally considered by the Committee include: (i) earnings per share; (ii) return on invested capital; (iii) EBIDTA growth; (iv) same station revenue growth; (v) same station operating income growth; (vi) non-broadcast EBITDA; (vii) relative stock price growth; and (viii) audience growth.

Incentive (Bonus) Awards Paid in 2014

Based on the financial performance of the Company, the Committee's consideration of the factors described in the section of this Proxy Statement entitled "COMPENSATION DISCUSSION & ANALYSIS—Named Executive Officer Compensation—Performance Measures and Award Payments" above, and Company management's recommendations, the actual bonuses paid to each Named Executive Officer in 2014 for performance in 2013 were \$315,000 for Mr. Atsinger, \$72,500 for Mr. Masyr, \$105,000 for Mr. Evans plus \$80,000 for achievement of specific, pre-determined revenue goals, \$94,000 for Mr. Santrella and \$0 for Mr. Wright.

Long-Term Incentive Compensation

The Company believes that equity-based compensation helps ensure that the interests of the Named Executive Officers are aligned with those of the Company's stockholders. The Company also believes that equity-based compensation is a material element of compensation required to recruit and retain key executives and remain competitive with the Company's peers. Lastly, the Company uses equity-based compensation, in particular stock options with long-term vesting, to incentivize long-term retention of key executives.

Stock Options

The Company's equity-based compensation program is governed by the 1999 Stock Incentive Plan (as amended and restated through March 4, 2015) ("Stock Plan"). The Stock Plan calls for stock options to be granted with exercise prices equal to the market price of the Company's class A common stock on the date of grant. All stock options granted by the Company generally have value only if the market price of the class A common stock has increased by the time the options vest and are exercised. The Company's option grants generally vest ratably over four years. Because the stock options do not have value unless the stock price increases above the grant date price, the Committee believes that stock options are a useful motivational tool.

In determining the size of stock option grants to Named Executive Officers, the Committee: (i) compares equity-based compensation awards to individuals holding comparable positions in the Company's peer group; (ii) evaluates the Black-Scholes valuation of potential stock option grants; (iii) reviews Company performance against annual performance goals; and (iv) reviews individual performance against the individual's annual incentive bonus objectives.

In 2014 the Committee decided not to make any stock option grants, but anticipates it will make stock option grants as part of executive compensation in the future.

Perquisites and Benefits

The Company provides its Named Executive Officers with perquisites and employee benefits. Except as specifically noted elsewhere in this Proxy Statement, the employee benefits programs in which the Company's Named Executive Officers participate (which provide benefits such as medical coverage, dental coverage, life insurance, disability insurance and annual contributions to a qualified 401(k) retirement plan) are generally the same programs offered to substantially all of the Company's salaried employees.

Perquisites

The Committee does not view perquisites as a significant element of its overall compensation structure, but it does believe that providing perquisites can be a useful tool in attracting, motivating and retaining executive talent. The Company provided certain perquisites to its Named Executive Officers in 2014 as summarized below:

Use of Vehicles

Mr. Atsinger is provided a vehicle by the Company. The Committee made its determination to provide Mr. Atsinger with such perquisite based upon: (i) the fact that this perquisite has been given to this executive for many years, and (ii) a comparison of comparable perquisites for similar positions at peer companies.

Supplemental Medical, Travel and Expense Reimbursement for Mr. Atsinger

In addition to the basic group medical plan offered all employees, Mr. Atsinger receives reimbursement for all travel and medical expenses incurred by him for any medical treatment elected by him. This perquisite includes all medical expenses that are not covered under the Company's medical benefits or plans. The Company may elect to provide this perquisite by obtaining supplemental medical insurance covering Mr. Atsinger at the Company's cost or reimbursing Mr. Atsinger for any health, dental or vision expenses incurred by him that are not covered by the Company's medical benefits programs. The Company also provides full reimbursement to Mr. Atsinger for any income or employment taxes applicable to this perquisite.

Payment of Filing and Regulatory Fees

The Company pays for the preparation of all regulatory and government filings required to be made by the Named Executive Officers solely as a result of their position as officers or directors of the Company or of the Company's wholly-owned subsidiary Salem Communications Holding Corporation. The Company also pays for the preparation and filing of all regulatory filings (including without limitation Hart-Scott-Rodino Act filing fees) that Mr. Atsinger is required to make as a result of the exercise of options granted to him for the purchase of the Company's stock. The Committee's determination to provide this perquisite to Mr. Atsinger was based on the possibility that such filings will need to be made if Mr. Atsinger elects to exercise any of his vested outstanding stock options.

Supplemental Life Insurance Coverage for Messrs. Evans and Santrella

In addition to the basic life insurance provided by the Company to all employees, the Company reimburses Messrs. Evans and Santrella an amount up to a maximum of \$3,500 per year for life insurance on Mr. Evan's life and Mr. Santrella's life. Such reimbursement is grossed up to cover all statutory withholdings, and state and federal income taxes.

Split-Dollar Life Insurance

Since 2003, the Company has maintained separate split-dollar life insurance policies covering Mr. and Mrs. Atsinger in the amount of \$20,000,000 each. Pursuant to the terms of these policies, the Company will receive an amount equal to the sum of all premiums paid by the Company (without interest) through such date and the beneficiaries will receive all remaining insurance benefits under these policies.

Other Benefits

401(k) Plan

We maintain a 401(k) defined contribution plan (the "401(k) Plan"). Participation in this 401(k) Plan by Named Executive Officers is on the same basis as the Company's other eligible employees (as defined in the 401(k) Plan). Participants are allowed to make non-forfeitable contributions up to 60% of their annual salary, but may not exceed the annual maximum contribution limitations established by the Internal Revenue Service.

Severance and Change-in-Control Benefits

Change in Control Agreements

The Company has not entered into change-in-control agreements with any of the Company's corporate Officers, including each of the Named Executive Officers.

Severance and Other Termination Agreements

Upon certain types of terminations of employment (other than a termination following a change in control of the Company), severance benefits may be paid to the Named Executive Officers. The severance benefits payable to each of the Named Executive Officers are addressed in their respective employment agreements and each of them would receive the benefits provided to him under their specific agreement. The severance and termination payments and benefits that would occur in the event of termination of employment of each of the Named Executive Officers are more fully described in the section of this Proxy Statement entitled “EXECUTIVE COMPENSATION—Potential Payments to the Company’s Named Executive Officers Upon Termination or Change in Control” below.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, places a limit of one million dollars (\$1,000,000) on the amount of compensation that the Company may deduct in any one year with respect to the Company’s CEO as of the close of the taxable year and the next three most highly compensated executive officers, excluding the CFO.

The Committee believes that tax deductibility is an important factor, but only one factor, to be considered when evaluating its compensation policies and practices. While the Company’s compensation practices have generally been designed and implemented in a manner which would maintain tax deductibility, the Committee believes that the interests of the Company may be better served by providing compensation that is not fully tax deductible. Based on the Company’s current compensation plans and policies and proposed regulations interpreting the Internal Revenue Code, however, the Committee believes that, for the near future, any loss in tax deductibility for executive compensation will not be material in amount.

Security Ownership Requirements/Guidelines

The Corporate Governance Principles adopted by the Company’s Board of Directors encourage Company executives and board members to purchase shares of the Company’s stock. The Board of Directors recognizes, however, that the number of shares of Company stock owned by any executive or director is a personal decision. Accordingly, the Company has determined not to adopt a policy requiring ownership by its Named Executive Officers or directors of a minimum number of shares of Company stock.

The Company's 401(k) Plan

We maintain a 401(k) defined contribution plan (the "401(k) Plan"), which covers all eligible employees (as defined in the 401(k) Plan). Participants are allowed to make non-forfeitable contributions up to 60% of their annual salary, but may not exceed the annual maximum contribution limitations established by the Internal Revenue Service. The Company currently matches 50% on the first 5% of the amounts contributed by each participant. During the year ending December 31, 2014, Salem contributed and expensed \$1.7 million to the 401(k) Plan.

Potential Payments to the Company's NEOs upon Termination or Change in Control

Term Employment Agreement with Mr. Atsinger

Under the terms of his employment agreement, if Mr. Atsinger's employment is terminated by reason of death prior to the expiration of the term, his estate is entitled to receive: (a) the actual earned and accrued portion of his base salary to the extent not already paid, (b) the actual earned and accrued portion of his incentive bonus for any period not already paid, (c) amounts to which he is entitled under the Company's benefit plans, (d) immediate, 100% vesting of outstanding unvested stock options and other equity-based awards, and (e) continued coverage of Mr. Atsinger's dependents under all applicable Company health benefit plans for a period of twelve (12) months.

If Mr. Atsinger's employment is terminated upon disability (as defined in his employment agreement), he is entitled to receive: (a) the actual earned and accrued portion of his base salary to the extent not already paid, (b) a severance payment equal to 100% of his then current annual base salary for a period of fifteen (15) months, (c) the actual earned and accrued portion of his incentive bonus for any period not already paid, (d) amounts to which he is entitled under the Company's benefit plans, and (e) immediate, 100% vesting of outstanding unvested stock options and other equity-based awards.

If Mr. Atsinger's employment is terminated by the Company without cause (as defined in his employment agreement), he is entitled to receive: (a) the actual earned and accrued portion of his base salary to the extent not already paid, (b) the actual earned and accrued portion of his incentive bonus for any period not already paid, and, (c) a severance payment equal to his then current annual base salary for a period of six (6) months or the remainder of the term of the agreement, whichever is longer.

The employment agreement also contains provisions that: (a) grant the Company a right of first refusal on all corporate opportunities presented to Mr. Atsinger, (b) restrict Mr. Atsinger's ability to engage in any business that is

competitive with the Company's business for a period of two (2) years following retirement or termination for cause or without good reason, and (c) restrict Mr. Atsinger's ability to interfere with the business of the Company or solicit Company employees for a period of two (2) years following such retirement or termination. Compliance by Mr. Atsinger with these obligations is a material condition to the Company's obligation to provide the above termination benefits.

Term Employment Agreement with Mr. Wright

Mr. Wright resigned from the Company effective as of December 31, 2014. Under the terms of his employment agreement, if Mr. Wright's employment was terminated by reason of death prior to the expiration of the term, his estate was entitled to receive: (a) the actual earned and accrued portion of his base salary to the extent not already paid, (b) the actual earned and accrued portion of his incentive bonus for any period not already paid, and (c) immediate, 100% vesting of outstanding unvested stock options and other equity-based awards. If Mr. Wright's employment was terminated for cause (as defined in his employment agreement), Mr. Wright was entitled to receive the actual earned and accrued portion of his base salary to the extent not already paid.

If Mr. Wright's employment was terminated by the Company without cause (as defined in his employment agreement) during the initial one year term of the agreement, he was entitled to receive: (a) the actual earned and accrued portion of his base salary to the extent not already paid, (b) the actual earned and accrued portion of his incentive bonus for any period not already paid, and (c) his then current annual base salary for a period of six (6) months or the remainder of the initial one year term of the agreement, whichever was longer. If Mr. Wright's employment was terminated by the Company without cause (as defined in his employment agreement) after the expiration of the initial one year term of the agreement, Mr. Wright was entitled to receive (a) and (b) above and his then current annual base salary for a period of six (6) months. As Mr. Wright resigned at the end of the initial one year term of his agreement, the Company was not obligated to pay Mr. Wright any additional compensation except the actual earned and accrued portion of his base salary to the extent not already paid; however, the Company entered into a Separation and General Release with Mr. Wright as of December 31, 2014 and pursuant to that agreement will pay to Mr. Wright his then current annual base salary for a period of six (6) months.

The employment agreement also contained provisions that: (a) granted the Company a right of first refusal on all corporate opportunities presented to Mr. Wright, and (b) restricted Mr. Wright's ability to interfere with the business of the Company or solicit Company employees for a period of two (2) years following such retirement or termination. Compliance by Mr. Wright with these obligations was a material condition to the Company's obligation to provide the above termination benefits.

At-Will Employment Agreement with Mr. Masyr

Under the terms of his agreement, if Mr. Masyr's employment is terminated by reason of death, disability or otherwise for cause (as defined in his employment agreement), he or his estate is entitled to receive: (a) a payment equal to his then base salary accrued through the date of termination to the extent not already paid, and (b) his actual earned incentive bonus for any period not already paid.

If Mr. Masyr's employment is terminated by the Company without cause (as defined in his employment agreement), he is also entitled to receive a severance payment in an amount equal to the base salary Mr. Masyr would have otherwise received for a period of six (6) months from the date of termination had he remained employed with the Company.

The employment agreement with Mr. Masyr also contains a provision that restricts his ability to interfere with the business of the Company or solicit Company employees for a period of six (6) months following termination of employment for any reason. Compliance by Mr. Masyr with this obligation is a material condition to the Company's obligation to provide the above termination benefits.

At-Will Employment Agreement with Mr. Evans

Under the terms of his employment agreement, if Mr. Evans' employment is terminated by reason of death, disability or otherwise for cause (as defined in his employment agreement), he or his estate is entitled to receive: (a) a payment equal to his then base salary through the date of termination to the extent not already paid, and (b) his actual earned incentive bonus for any period not already paid. Additionally, if Mr. Evan's employment is terminated by reason of death, his estate is entitled to receive immediate, 100% vesting of outstanding unvested stock options and other equity-based awards.

If Mr. Evans' employment is terminated by the Company without cause (as defined in his employment agreement), he is also entitled to receive: (a) a severance payment in an amount equal to the base salary Mr. Evans would have otherwise received for a period of six (6) months from the date of termination had he remained employed with the

Company, and (b) professional outplacement assistance for twelve (12) consecutive months from the termination date.

The employment agreement with Mr. Evans also contains a provision that restricts his ability to interfere with the business of the Company or solicit Company employees for a period of six months following termination of employment for any reason. Compliance by Mr. Evans with these obligations is a material condition to the Company's obligation to provide the above termination benefits.

At-Will Employment Agreement with Mr. Santrella

Under the terms of his employment agreement, if Mr. Santrella's employment is terminated by reason of death, disability or otherwise for cause (as defined in his employment agreement), he or his estate is entitled to receive: (a) a payment equal to his then base salary accrued through the date of termination to the extent not already paid, and (b) his actual earned incentive bonus for any period not already paid.

If Mr. Santrella's employment is terminated by the Company without cause (as defined in his employment agreement), he is also entitled to receive a severance payment in an amount equal to the base salary Mr. Santrella would have otherwise received for a period of six (6) months from the date of termination had he remained employed with the Company.

The employment agreement with Mr. Santrella also contains a provision that restricts his ability to interfere with the business of the Company or solicit Company employees for a period of six (6) months following termination of employment for any reason. Compliance by Mr. Santrella with this obligation is a material condition to the Company's obligation to provide the above termination benefits.

Payments in the Event of Death

The following table sets forth the estimated value of payments that the estate of the Company's Named Executive Officers would be entitled to receive assuming a death occurring as of December 31, 2014 and that the price per share of the Company's class A common stock is \$7.82, which is an amount equal to the stock's NASDAQ market closing price on December 31, 2014.

In 2014, the Committee held seven meetings, four of which were regularly scheduled and three of which were special telephonic meetings. The Committee’s meeting agendas are established by the Committee chairman based upon the Committee’s charter and an annual meeting planner approved by the entire Committee. Audit Committee’s Pre-Approval Policies and Procedures

In accordance with the Audit Committee’s pre-approval policies and procedures and the requirements of applicable law, all services to be provided by SL are pre-approved by the Audit Committee. Pre-approval includes audit services, audit-related services and other permissible non-audit services. Pre-approval is generally provided by the full Audit Committee for up to a year and is detailed as to the particular defined tasks or scope of work and is subject to a specific budget. In some cases, the Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve additional services, and any such pre-approvals granted by the Chairman must then be communicated to the full Audit Committee at or prior to the next scheduled Audit Committee meeting. When assessing whether it is appropriate to engage the independent registered public accounting firm to perform a service, the Audit Committee

considers, among other things, whether such services are consistent with the independent registered public accounting firm's independence and whether such services constitute prohibited non-audit functions under Section 201 of the Sarbanes-Oxley Act of 2002. The Audit Committee considered the provision of the services listed in the table above by SL and determined that the provision of such services was compatible with maintaining the independence of SL.

PROPOSAL TO RATIFY THE APPOINTMENT OF

SINGERLEWAK LLP AS THE

COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's Board of Directors has selected SingerLewak LLP to serve as its independent registered public accounting firm for the fiscal year ending December 31, 2015. SingerLewak LLP has served as the Company's independent auditor since June 2007. A representative of SingerLewak LLP is expected to attend the Annual Meeting, and the representative will have an opportunity to make a statement if he or she so desires. The representative will also be available to respond to appropriate questions from stockholders.

Reasons for the Proposal

Nonetheless, the Board of Directors is seeking ratification of its selection of SingerLewak LLP as a matter of further involving the Company's stockholders in its corporate affairs. If the stockholders do not ratify this selection, management and the Board of Directors will reconsider its selection of SingerLewak LLP and will either continue to retain this firm or appoint new independent registered public accounting firm upon recommendation of the Audit Committee. Even if the selection is ratified, the Audit Committee or our Board of Directors, in their discretion, may direct the appointment of different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

However, if any other matters are properly presented for action, in the absence of instructions to the contrary, it is the intention of the persons named in the enclosed form of proxy to vote, or refrain from voting, in accordance with their respective best judgment on such matters.

If a stockholder desires to have a proposal presented at the Company's annual meeting of stockholders in 2016 and the proposal is not intended to be included in the Company's related 2016 proxy solicitation materials, the stockholder must give advance notice to the Company in accordance with the Company's Bylaws. Pursuant to the Company's Bylaws, only such business shall be conducted, and only such proposals shall be acted upon at an annual meeting of stockholders as are properly brought before the meeting. If such proposal is for a nominee for director, such stockholder's notice must set forth with respect to such director nominee all of the information relating to such person that is required to be disclosed in solicitations for elections of Directors under the rules of the SEC; for any stockholder proposal, the notice must comply with Section 2.2 of Article II of the Company's

Bylaws (a copy of which is available upon request to the Secretary of the Company), which section requires that the notice contain a brief description of such proposal and the reasons for conducting such business at the annual meeting, the name and address, as they appear on the Company's books, of the stockholder making such proposal, the number of shares of Class A common stock and Class B common stock beneficially owned by such stockholder and any material interest of such stockholder in such proposal.
