**Item 8.01. Other Events.**

On July 23, 2015, CytoSorbents Corporation, a Delaware corporation (the “Company”), filed a shelf registration statement on Form S-3 with the Securities and Exchange Commission (the “Commission”) for an offering of up to \$100,000,000 of various securities, including shares of the Company’s common stock, preferred stock, debt securities, warrants and/or units for sale to the public in one or more public offerings (the “Shelf Registration Statement”). In addition, the Shelf Registration Statement registers 2,500,000 shares of common stock of the Company held by a selling stockholder. Upon effectiveness of the Shelf Registration Statement, the Company will be able to offer up to \$100,000,000 of its securities. The Company will not receive any of the proceeds from sales of common stock registered in the name of the selling stockholder.

The Company believes it is prudent to have an effective shelf registration statement on file with the Commission to preserve flexibility to raise capital if and when needed. The Company has no specific plans to raise money at this time.
